

The Order 3731

Chapter: 3731

The dragon pattern bell rang, and the melodious bell sounded again!

Listening to the sound of the bell, Yu Qian's heart calmed down and he dropped the hammer in his hand on the ground!

At this moment, five golden dragons were hovering in the air, and the entire square was illuminated by golden light!

Everyone looked at this shocking moment, with their mouths wide open and not a single sound coming out!

With a smile on his face, Yu Qian jumped up from the bell tower and landed directly on the high platform.

"Master Yu, you really hide your secrets!"

"Master Yu, with your strength, you can ring the Dragon Bell five times so easily. Even the sixth time, I'm afraid it will be very easy."

"Master Yu, in today's competition, you have to ask your subordinates to let us take the lead!"

On the high platform, many leaders of sects and aristocratic families came forward to praise Yu Qian!

Yu Qian waved his hand, and then glanced at Yao Shenghui. At this time, Yao Shenghui lowered his head and said nothing, his face burning!

"Master Yu, you are really powerful. You can ring the dragon bell five times at once, which is beyond the reach of us old men."

“It’s getting late now. I think the conference should start, right?”

Yao Qisheng knew that if they kept waiting, they would only be humiliated even more, so he hurriedly urged the conference to start!

If they can still maintain their results in the competition, they can still earn some face!

“Since Sect Master Yao is so impatient, then our conference will officially begin and let all the secret disciples prepare to enter the ring!”

Yu Qian nodded and said.

“Wait a minute...”

At this time, Chen Ping spoke!

Everyone’s eyes were on Chen Ping, wondering what Chen Ping was going to do!

“Young man, do you have anything else to do?”

Yu Qian asked with an unhappy expression!

“Master Yu, didn’t you just say that anyone can try this dragon pattern clock?”

“So I want to try ringing the dragon-patterned bell, okay?”

Chen Ping said!

Chapter: 3732

“You want to try it?” Yu Qian was a little surprised!

Others also showed disdain, and everyone in the audience started shouting even more!

“Chen Ping, you are just distracting from the strength of the Third Realm. You still want to ring the dragon bell and dream.”

Jin Yuan was in the audience and mocked Chen Ping loudly!

“Let’s not talk about whether this dragon-patterned bell can ring. Even if you can’t break through the passage leading to the bell tower, why waste time?”

Yu Qian said!

“If you don’t try, how do you know that I can’t pass and I can’t knock the sound? Anyone can try. You said this yourself.”

Chen Ping said neither humble nor overbearing.

Yu Qian was speechless by Chen Ping, because these words were indeed said by him himself!

“Boy, since you said so, let me give you a try, but life and death are determined by fate. If you die inside, it has nothing to do with anyone!”

Yu Qian said with a cold face!

“no problem.....”

Chen Ping nodded.

“Mr. Chen, you...are you really going to ring the dragon-patterned bell? You must know that there is a formation in the passage leading to the top of the bell tower, and you might be trapped in it.”

Ge Cangsheng asked worriedly.

“Don’t worry, Mr. Ge, I’m sure!”

After Chen Ping finished speaking, he jumped towards the bell tower!

Chen Ping’s body landed steadily in front of the bell tower, and then he pushed open the bronze door and walked in without hesitation!

As soon as he walked in, Chen Ping felt a terrifying murderous aura coming towards his face!

Looking at the stairs going up, Chen Ping stepped up!

Just when Chen Ping’s foot stepped on it, the world suddenly started spinning, and Chen Ping’s body floated uncontrollably!

The scenery in front of Chen Ping also changed. It was no longer the upward passage. At this time, he seemed to have come to a cliff. On the cliff, there was a winding path leading directly to the top of the mountain!

“Is this an illusion in the formation?”

Chen Ping looked around blankly. This sudden change must have triggered the illusion in the circle!

Chapter: 3733

Looking at the winding path, Chen Ping walked directly along the path toward the top of the mountain!

Chen Ping found that as he continued to walk upwards, he felt the pressure around him getting stronger and stronger!

When he was about to reach the top of the mountain, Chen Ping felt like there was a huge mountain pressing on him!

The bones of Chen Ping's body were rattling continuously, and his whole body was already soaked with sweat!

Chen Ping gritted his teeth and used all his spiritual power. He knew that the only way to break this illusion was to reach the top of the mountain!

Buzz.....

Along with a buzzing sound, Chen Ping's body seemed to have passed through a barrier, and the pressure on his body disappeared instantly!

At this moment, Chen Ping has also reached the top of the mountain!

The top of the mountain is not large, but on one side of the top, the skeleton of a giant dragon is hovering there!

The dragon's skeleton was glowing with a forest white color, and it had no skin and flesh for a long time. It was unknown how long it had been dead!

And in the place of the giant dragon's skull, a dragon crystal exuding crystal luster instantly attracted Chen Ping's attention!

Chen Ping hurriedly stepped forward and picked up the dragon crystal. When the dragon crystal was held in his hand, the dragon crystal in Chen Ping's body began to shine. 1

The two dragon crystals seemed to have some kind of connection, and the call Chen Ping felt when he was outside the bell tower should be emanating from this dragon crystal!

“This...isn’t this in an illusion?”

Looking at the dragon crystal in his hand and feeling the real power of the dragon in the dragon crystal, Chen Ping was a little confused!

He should be in the bell tower at this time, and shouldn’t this be the illusion created by the magic circle in the passage?

“What’s going on?” Chen Ping frowned slightly, and then looked at the giant dragon skeleton: “What’s going on with this giant dragon? Why did it die here? Where is this place?”

A series of questions left Chen Ping a little confused!

However, the real feeling of the dragon crystal in his hand made Chen Ping feel that this place did not feel like he was in an illusion!

But if it wasn’t an illusion, the magic circle in the passage might be a teleportation array, which teleported Chen Ping to this place!

“Could it be that when other people entered the bell tower, they were also teleported here?”

Chen Ping was puzzled!

In the end, since he couldn’t figure it out, Chen Ping stopped thinking and swallowed the dragon crystal in his hand instantly!

When the dragon crystal entered Chen Ping’s body, the giant dragon skeleton on the side instantly turned into powder and was blown away by a gust of wind!

Chapter: 3734

Feeling the dragon crystal swimming in his body, Chen Ping hurriedly sat cross-legged, and then guided the swallowed dragon crystal closer to the dragon crystal in his body!

Soon, the two dragon crystals met, and finally a burst of dazzling light burst out from Chen Ping's chest, and the two dragon crystals came together!

A huge divine dragon power, like a wild horse running wild, began to gallop in Chen Ping's body, and it had the potential to break through Chen Ping's body and fly straight into the sky!

Seeing this, Chen Ping hurriedly ran the Heart Condensation Technique, began to refine the power of the dragon, and turned it into his own use!

Just when Chen Ping was refining the power of the dragon, everyone outside the bell tower was already impatient!

"It's been more than an hour, and Chen Ping hasn't been seen ascending the bell tower. He must have died in the passage, right?"

"You dare to try even though you have the strength to be in the three realms, isn't this looking for death?"

"He comes from the secular world, how can he understand the dangers in our secret realm."

Everyone was talking a lot, thinking that Chen Ping was dead inside. After all, it had been more than an hour and Chen Ping was still not seen!

"Humph, you overestimate your capabilities and throw your life away!"

Lu Chang smiled coldly.

Han Qing'er on the side glared at Lu Chang fiercely, and then looked worriedly in the direction of the bell tower!

She was very worried about Chen Ping. If she had known this, she should have stopped Chen Ping from taking risks!

Lu Chang looked at Han Qing'er's worried look, and his heart became more and more filled with hatred for Chen Ping!

"Ge Cangsheng, this is the person you brought. Before Bidou even knows, we have lost one person from the Fire Sect Secret Realm to participate."

"If we lose this time, the Ge family will bear all the resources, and I, Zhanyue Pavilion, will not take care of it."

Jin Lifu said angrily to Ge Cangsheng.

After all, they both belong to the Fire Gate Secret Realm. They were originally contestants in the same secret realm, but now Chen Ping is trying to show off his talent, but he rings the dragon bell, and now he is dead inside, leaving the Fire Gate Secret Realm without one person and falling into a passive position!

Ge Cangsheng did not speak, but looked at the bell tower nervously. Chen Ping was not seen for more than an hour, which made Ge Cangsheng very worried!

"Master Yu, I think that boy is dead inside. Let's start the meeting. There is no need to wait any longer."

Yao Qisheng said!

If this endless wait continues, no one knows how long it will take, not to mention that Yao Shenghui lost face today, and their Zi Lei Sect is still waiting to get it back!

Yu Qian glanced at the bell tower, then looked at Ge Cangsheng and said: "Master Ge, we haven't seen anyone for more than an hour. We have just started the meeting. No wait..."

“Master Yu, we are waiting. I believe Mr. Chen can reach the top of the bell tower in no time.”

Chapter: 3735

Ge Cangsheng said with a praying expression!

“Master Ge, what will happen even if Chen Ping reaches the top? He will be seriously injured by then. I’m afraid he won’t even be able to pick up the hammer, let alone ring the dragon-patterned bell.”

“Stop wasting everyone’s time, they are all waiting for the competition!”

Yao Shenghui said impatiently!

Today he lost face and was unhappy, so he just wanted to vent his anger on Ge Cangsheng!

Ge Cangsheng ignored Yao Shenghui, but looked at Yu Qian and said, “Master Yu, please wait a moment.”

Ge Cangsheng knew that only Yu Qian’s words could decide when the conference would start!

Seeing Ge Cangsheng like that, Yu Qian nodded: “Okay, just wait for five minutes. In five minutes, the conference will start immediately!”

Yu Qian spoke, and no one else dared to say anything. They could only wait for five minutes!

When Ge Cangsheng saw this, he didn’t know what to say. He could only pray that Chen Ping would appear in these five minutes!

“Chen Ping, you must show up, nothing will happen...”

Han Qing’er clenched her fists and silently prayed for Chen Ping!

Lu Chang on the side was already gnashing his teeth in anger.

He couldn't understand that even if Chen Ping saved Han Qing'er's life, Han Qing'er didn't have to do the same, right?

After all, the two of them had little contact, and he and Han Qing'er were childhood sweethearts!

Lu Chang couldn't figure out why!

Five minutes passed quickly!

But there was no miracle waiting, Chen Ping did not appear!

Ge Cangsheng sighed, looking as if he had aged a lot, and sat down on the stone bench!

The luster in Han Qing'er's eyes disappeared instantly, and the expression on her face was full of sadness!

Ge Yuhan and Hou Zhen also felt disappointed and felt sorry for Chen Ping!

"Okay, it's time."

Yu Qian stood up, glanced at everyone in the audience, and then said: "I announce that the competition in the conference will now..."

Just when Yu Qian announced the start of the conference, a figure suddenly appeared at the top of the bell tower!

Chapter: 3736

"Then Chen Ping showed up....."

I don't know who shouted, and everyone's eyes were focused on it!

Everyone saw that Chen Ping's figure slowly appeared. There were no scars or blood stains on his body, and he seemed to be in very good condition!

"Chen Ping....."

Seeing Chen Ping appear at the last moment, Han Qing'er shouted out without any scruples and cried with joy!

Lu Chang stood next to Han Qing'er, trembling with anger and rattling his fists!

Han Fusheng, who was on the high platform, couldn't help but frown slightly when he saw his daughter being so excited!

After all, Han Fusheng didn't know about Han Qing'er following Chen Ping!

"Mr. Chen, Mr. Chen showed up..."

Ge Cangsheng was so young that he jumped for joy at this moment!

"Ge Cangsheng, what are you so happy about? Even if he reaches the top, what's the use? In the end, I'm afraid he won't even be able to pick up the hammer!"

Jin Lifu poured cold water on Ge Cangsheng from the side!

But Ge Cangsheng didn't care. He didn't care whether Chen Ping could ring the Dragon Bell. As long as Chen Ping was still alive, it was the best thing for him!

“With the strength of the Third Realm of Distraction, it is already very difficult to reach the top. Whether you can pick up the bell hammer or ring the dragon pattern bell is not important anymore.”

“Master Ge, let Chen Ping come down. Stop trying to be brave, or you will really lose your life!”

Yu Qian was a little surprised when he saw that Chen Ping could reach the top. He didn't want to see Chen Ping lose his life, so he said to Ge Cangsheng!

Ge Cangsheng nodded and was about to call Chen Ping down, but he found that with a wave of Chen Ping's hand, the bell hammer weighing tens of thousands of kilograms went directly from the ground to Chen Ping's hand!

Chen Ping held the bell hammer with a relaxed look on his face, without any sign of effort like others!

This time, everyone was stunned and looked at Chen Ping in disbelief.

Even Yu Qian's face was full of shock, his eyes fixed on Chen Ping, as if he had seen something terrible!

At this time, Chen Ping held the bell hammer in his hand, and then weighed it in his hand. It didn't feel as heavy as he said!

Then Chen Ping threw the bell hammer into the air again, then caught it, threw it again, and caught it again!

Chen Ping's operation stunned everyone!

Just now, some people said that Chen Ping couldn't lift the clock hammer, but now Chen Ping not only can lift it, but also tosses it in his hand. Do you think it's irritating or not?

Chapter: 3737

When Yao Shenghui saw Chen Ping relaxing and throwing the hammer around, he began to doubt his life!

He couldn't understand how Chen Ping, a guy who was distracted by the three realms, did it?

Yao Shenghui is not the only one who doubts life, many people are beginning to doubt life!

Chen Ping didn't know what the people below were thinking. He just felt that the hammer was very light in his hand, so he just threw it up and gave it a try!

Looking at the dragon pattern clock in front of him, Chen Ping then swung the hammer and hit the dragon pattern clock hard!

Everyone silently watched Chen Ping's hammer fall. They wanted to hear whether Chen Ping could ring the dragon-patterned bell!

But just after Chen Ping's Bell Hammer Luo Xiang, there was no melodious bell ringing, no terrifying breath flying, and not even a trace of movement!

Seeing this scene, everyone was in an uproar, and many people stared at each other with big eyes and small eyes!

Seeing how easily Chen Ping picked up the hammer, he couldn't possibly be unable to ring the dragon-patterned bell, right?

But even if it didn't ring, the terrifying repulsive force of the Dragon Pattern Bell should have knocked Chen Ping away?

Why does it look like Chen Ping didn't suffer any backlash at all?

This is a bit incredible!

"what's the situation?"

Yu Qian looked at it blankly, wondering what Chen Ping was playing?

“Hahaha, even if he can reach the top, he can’t even knock on it!”

Jin Yuan laughed.

“Hmph, I told you before that there is no way he can ring the Dragon Bell.”

Lu Chang snorted coldly, then looked at Han Qing’er!

But at this time, Han Qing’er only focused on Chen Ping and didn’t even look at Lu Chang!

Chen Ping, on the other hand, slowly put the hammer away after striking it.

At the same time, a melodious and dull bell, as if coming from the horizon, began to echo in the square!

Buzz.....

The bell seemed to ring louder than anyone else. Some people couldn’t bear it and started blocking their ears with their hands!

Some people’s eardrums were so shocked that they bled!

Chapter: 3738

As the bell rang, the dragon pattern on the dragon pattern clock began to flash with golden light, and then a golden dragon rose into the sky!

But at the same time as the golden dragon soared into the sky, another dragon pattern on the dragon pattern clock also began to shine!

Immediately afterwards, another golden dragon shot straight into the sky from the dragon pattern clock!

With one hammer, two golden dragons were knocked out, which was something no one had ever seen before!

But before everyone could react, another golden dragon took off on the dragon pattern clock!

Three...

Four...

Five...

.....

At the end, nine golden dragons were hovering in the sky, and dragon roars resounded throughout the world!

At this moment, everyone in the square stood still like sculptures. Except for breathing, no one made any movements!

With one strike, nine golden dragons flew into the sky. This was something no one could have imagined!

The nine golden dragons kept circling, and finally turned into a huge golden dragon. It opened its bloody mouth and sprayed out streams of dragon breath, and the whole castle began to tremble!

Everyone woke up from the shock at this moment. Looking at the golden dragon in front of them, they were all shocked and talking about it one after another!

And the golden dragon suddenly rushed down and instantly returned to the dragon pattern clock. At this moment, the nine dragon patterns on the dragon pattern clock disappeared and turned into a dragon pattern hovering on it!

Chen Ping stretched out his hand and gently touched the dragon-patterned clock. He saw that the dragon-patterned clock quickly became smaller, and finally became just like a teacup, held in Chen Ping's hand!

Looking at the clock hammer and the dragon pattern clock in his hand, Chen Ping threw them into the storage ring without hesitation. You must know that these two items are both treasures, and they are also ancient magic weapons!

When Chen Ping got the clock hammer, the origin and purpose of the clock hammer appeared in the wordless book in his mind!

Otherwise, Chen Ping would have panicked if the dragon-patterned bell didn't make any sound when he hammered it down just now!

Now that we know that the bell hammer and the dragon pattern bell are ancient magic weapons, of course Chen Ping's should be taken away in the storage ring!

Putting away the bell hammer and the dragon pattern bell, Chen Ping jumped back to the high platform!

Jin Yuan and Lu Chang were both blushing, as if they had been slapped hard!

They had just shouted that Chen Ping could not ring the Dragon Pattern Bell, but now not only did he knock out nine golden dragons with one hammer, but now they even took away the Dragon Pattern Bell!

Yao Shenghui looked at Chen Ping with a gloomy face. He felt the pressure on Chen Ping at this moment. It seemed that he could no longer keep the top spot on the charts!

Chapter: 3739

"Chen Ping, well done..."

Han Qing'er shouted excitedly and jumped directly onto the high platform.

This made Lu Chang, who had been by his side, look extremely ugly!

When she came to the high platform, Han Qing'er's beautiful eyes were shining, and the love in her eyes could not be hidden at all!

Chen Ping smiled slightly at Han Qing'er, with tenderness in his eyes!

Since he wants to rely on Han Qing'er to break into Zixiao Mansion, he must now establish a good relationship with Han Qing'er!

Someone saw Han Qing'er and Chen Ping flirting with each other, and immediately joked: "Master Han, this Chen Ping is probably not your son-in-law who rides a dragon, right? I haven't heard you talk about it?"

Although he knew that the other party was joking, Han Fusheng frowned, and then yelled at Han Qing'er: "Qing'er, this is so rude, you didn't invite me. Are you allowed to get on this high platform casually? Get off here..." "

Han Fusheng's roar made Han Qing'er pout, and she had no choice but to walk away!

"Master Yu, I feel that there is something wrong with Chen Ping ringing the dragon-patterned bell. Isn't it that the hammer and the dragon-patterned bell are both broken?"

"How can Chen Ping, who is not in the third level of the Three Gods, pick up the bell hammer easily? How can he knock out nine golden dragons with one hammer?"

"This is obviously illogical. Either the bell hammer and the dragon pattern bell are broken, or this guy is hiding his strength!"

“Now that the Dragon Pattern Bell has become smaller in his hand and he has put it away, he must know the secret of the Dragon Pattern Bell!”

Yao Shenghui yelled, he couldn't accept a person who was distracted in the third realm and left him far behind!

Yu Qian also felt strange, frowned slightly and said: “Chen Ping, why did you make the dragon pattern clock smaller, and why did you put them away?”

“Do you know the secret of this dragon pattern clock, so you can knock out nine golden dragons with one hammer so easily?”

“Yes, I do know the secret of this dragon pattern clock, and this dragon pattern clock is mine...” Chen Ping nodded!

As soon as Chen Ping said these words, everyone was in an uproar!

Yu Qian looked at Chen Ping in disbelief. He didn't understand, how could the dragon pattern clock that had been there for countless years become Chen Ping's?

“Chen Ping, you are so arrogant. This dragon pattern clock has been here for more than hundreds of years. How old are you? Why does it become yours?”

Yao Shenghui didn't believe what Chen Ping said!

Not only Yao Shenghui didn't believe it, but no one believed Chen Ping at all.

“Believe it or not, this dragon-patterned clock belongs to my family. Now I take it back, and it's natural for me to take it back!”

Chen Ping said calmly.

Chapter: 3740

“From your family?” Yu Qian frowned slightly: “Then who is your father? Who are your ancestors? How come there is such a thing as a dragon pattern clock?”

“I can’t tell you who my father is, but this dragon pattern clock does belong to my family.”

“If you don’t believe it, you can try it now. This dragon-patterned clock is in my hand, and none of you can ring it. Not only can’t it ring, you can’t even pick up the hammer.”

After Chen Ping finished speaking, he took the dragon pattern clock out of the storage ring!

Soon the dragon pattern clock became as tall as a person, and the hammer was placed aside!

“Who are you bluffing? I don’t believe it...”

After Yao Shenghui finished speaking, he stepped forward to pick up the hammer and ring the dragon pattern bell!

But Yao Shenghui tried several times, but he really couldn’t move the hammer. In the end, he even tried his best to suck milk, but the hammer still didn’t move at all!

At this time, Yao Shenghui’s face was red and he was so embarrassed that he was speechless!

And Yu Qian glanced at Chen Ping. Although he didn’t say anything, he bent down and grabbed the hammer!

The aura on Yu Qian’s body began to explode, and then he struggled to pick up the hammer!

But this time, the bell hammer was like a mountain. No matter how hard Yu Qian tried, he couldn’t shake the bell hammer!

Everyone looked on in shock, not understanding that Yu Qian, who could ring the dragon bell five times just now, could not even pick up the hammer at this moment!

“I said, this is our family’s thing. Now only I can ring this dragon-patterned bell...”

Chen Ping smiled lightly.

“Chen Ping, then try it. If you can ring it again, I will admit that this dragon pattern clock belongs to you, and you can take it away at will!”

Yu Qian couldn’t believe it. He couldn’t even lift the hammer, but Chen Ping could still do it!

“good!”

After Chen Ping finished speaking, he waved his hand, and the hammer came into Chen Ping’s hands!

Immediately after Chen Ping swung his hammer, the melodious bells rang instantly. The sound was extremely rich and continuous, like the surging river water!

Under the sound of the bell, everyone’s hearts trembled and they fell into confusion!

Although there was no golden dragon flying this time, the bell rang for more than ten minutes!

And during these ten minutes, everyone was motionless, immersed in the sound of the bell!

When the bell stopped ringing, everyone reacted!
