

The Order 3741

Chapter: 3741

If Chen Ping were to attack them during this period, none of them would survive!

“Do you believe it now?”

Chen Ping looked at Yu Qian and asked.

Yu Qian said nothing, but the expression on his face was extremely complicated.

Seeing that Yu Qian was silent, Chen Ping gently touched the dragon pattern clock with his palm. The dragon pattern clock instantly shrank in size and was then put into the storage ring by Chen Ping!

But this time, no one was stopping Chen Ping, and no one spoke!

Even Yao Shenghui looked away with an ugly expression. At this point, who dares to doubt what Chen Ping said?

After putting away the dragon pattern clock, the power of the dragon in Chen Ping's body instantly returned to the Long family!

After knowing the origins of the bell hammer and the dragon pattern bell, Chen Ping can certainly control it easily!

Because to control these two ancient magic weapons, you need to use the power of the divine dragon. If you rely solely on spiritual power to force them to move, you cannot fully exert the power of the two magic weapons!

The power of the dragon can only be possessed by the dragon clan, so even if ordinary people get these two ancient magic weapons, they will not be able to use them!

This is why Chen Ping can easily pick up the hammer and ring the dragon bell!

“Well, from now on in the Secret Realm Conference, the ringing of the Dragon Bell will be cancelled.”

“Now I announce the start of the secret realm competition. Let each group find their own arena!”

Yu Qian hurriedly announced the start of the competition, otherwise they would all be slapped in the face by Chen Ping if they continued to fight for the dragon pattern bell!

As Yu Qian announced the start of the competition, the major secret realms began to look for their own arena!

Yao Shenghui jumped up and landed directly on the first arena. There was a big word “地” written on the arena. This was the arena of the Earth Gate Secret Realm!

Others are also looking for their own arena in the secret realm, because the first one to stand on the arena must be the young man with the highest strength in each secret realm, because only in this way will he not be easily attacked and succeeded!

The top five people on the list all found their own arenas and stood in the first place without any dispute!

But in the Fire Gate Secret Realm, Jin Lifu wanted his son Jin Yuan to take the lead. After all, in the Fire Gate Secret Realm, he was the most powerful!

But now Chen Ping rings the Dragon Pattern Bell and shows his face a lot, leaving many people confused about Chen Ping’s true strength, so Ge Cangsheng and Jiang Wuya hope that Chen Ping can be the first to defend the ring!

Without knowing the opponent’s true strength, many people would choose to avoid Chen Ping and not fight with Chen Ping, so that they could defend the arena in the Fire Sect Secret Realm longer.

Okay, I won't fight, let Jin Yuan fight!"

Chen Ping doesn't intend to defend the ring. After all, he doesn't know much about the eight secret realms. He just wants to use this conference to learn about the strength of each secret realm!

Chapter: 3742

Chen Ping had already spoken, so Ge Cangsheng stopped arguing and let Jin Yuan take the challenge!

Soon, people began to look for opponents to fight, but as Yao Shenghui, who was number one in the rankings, there was no one in front of the ring. No one was stupid enough to compete with Yao Shenghui in the first game!

At this moment, Yao Shenghui was sitting on the ring with a bit of pride on his face. The face he had just lost on the dragon pattern clock seemed to have been regained at this moment!

No one dares to fight him, which proves that these people are afraid of him!

Chen Ping just glanced at Yao Shenghui, but when Yao Shenghui saw it, he immediately waved and said: "Chen Ping, you can knock out nine golden dragons with one hammer, you must be very strong, how about we two fight?"

Yao Shenghui really wanted to compete with Chen Ping. If he defeated Chen Ping, Chen Ping would be overshadowed by him in an instant!

"If you don't fight, I can't beat you..."

Chen Ping waved his hand and said without hesitation!

This time, Yao Shenghui was a little surprised. You must know that for monks like them, they practice hard just to get ahead. No one is willing to admit that they are not good enough!

But as soon as Chen Ping opened his mouth, he admitted that he couldn't beat him, which was beyond Yao Shenghui's expectations!

Chen Ping ignored Yao Shenghui and began to wander around other arenas to see those people competing in the arena and to understand the strength of these people in the secret realm!

“Mr. Chen, don’t you want to fight?”

Hou Zhen asked Chen Ping.

Chen Ping shook his head: “I’d better take a look first and talk about it later...”

Hou Zhen knew that Chen Ping was waiting to see if someone weaker would compete. Chen Ping was taking action, so he had a higher chance of winning!

“Mr. Chen, you have three chances anyway. As long as you are not defeated three times, you can keep challenging.”

Hou Zhen said.

Chen Ping smiled slightly, but he didn’t plan to enter the ring. He just looked around and finally made a plan!

“Mr. Chen, since you don’t want to go into the ring, then I will...”

After Hou Zhen finished speaking, he jumped up and jumped directly onto a ring. At this moment, there was also a thin little man in thin clothes on the ring!

Chen Ping just glanced at it, then shook his head slightly, turned around and planned to leave!

“Mr. Chen, do you think Hou Zhen can’t beat the people in the ring?”

At this time, Ge Yuhan saw Chen Ping like that and asked.

“It can’t be beaten. The monkey can only sustain one move at most...”

Chapter: 3743

Chen Ping said.

“One move?” Ge Yuhan said with some disbelief: “Although Hou Zhen is not very strong, he...”

Before Ge Yuhan could finish her words, she only heard a bang!

I saw Hou Zhen’s body flying down from the ring in an instant and falling heavily to the ground!

At this time, Ge Yuhan looked at Hou Zhen and didn’t know what to say!

Hou Zhen stood up, and then said with a red face: “Careless, careless...”

Chen Ping smiled lightly and said nothing more!

But at this moment, a loud shout instantly caught Chen Ping’s attention!

Chen Ping looked over and found that Han Qing’er had already come on stage and was fighting with a man in white!

Han Qing’er held a long sword in her hand and kept waving it. The sword was like a poisonous snake, constantly attacking!

But the man in white was calm and steady, with a hint of smile on his face, and kept dodging!

It can be seen that the man in white is obviously giving way to Han Qing'er and is not in a hurry to defeat Han Qing'er!

"Why did Ms. Han choose this guy to compete? He is obviously not his opponent!"

Hou Zhen said very puzzled when he saw this.

"Who is this guy in white?"

Chen Ping asked.

"This guy is Feng Wuhen from Fengyue Valley, the secret realm of Shanmen. He's a sexy guy..."

"Although this guy is lecherous, he is very strong. If he hadn't promised the other party to deliberately lose because of picking up girls, Feng Wuhen would have been able to enter the ranking list."

Hou Zhen introduced!

Sure enough, after Hou Zhen finished speaking, Feng Wuhen started teasing Han Qing'er!

"Miss Han, you can consider the suggestion I just made. If you let me kiss you, I can be defeated at your feet right now."

Feng Wuhen looked at Han Qing'er with squinting eyes!

Han Qing'er's face turned red. Although she didn't speak, the sword in her hand was even more powerful!

It's just that the difference in strength between the two is quite big, and Han Qing'er can't do anything about Feng Wuhen!

Chapter: 3744

But Feng Wuhen just dodged and kept teasing Han Qing'er!

It seems that for him, this arena is not for competition, but for picking up girls!

"I'll chop you to death..."

Han Qing'er was furious and slashed in the air with the long sword in her hand!

However, Feng Wuhen reached out and clamped Han Qing'er's sword with two fingers. Han Qing'er couldn't pull the sword back no matter how hard she tried!

clang.....

Then there was a crisp sound, and Han Qing'er's long sword was broken. Just as Han Qing'er was stunned, Feng Wuhen grabbed Han Qing'er's wrist and pulled Han Qing'er directly into his arms!

Han Qing'er panicked and struggled desperately, but she couldn't struggle at all. Feng Wuhen looked at Han Qing'er with a lewd smile, and actually put his mouth towards Han Qing'er's face!

"Bah, you big pervert, shameless..."

Han Qing'er spat hard on Feng Wuhen's face!

The lewd smile on Feng Wuhen's face disappeared instantly, and was replaced by a cold expression.

"Damn, I'm so shameless..."

After saying that, Feng Wuhen smacked Han Qing'er out of the ring with one palm, and threw her violently outside the ring!

It's just that Han Qing'er was caught by someone from Zixiao Mansion as soon as she fell out of the ring, and it didn't cause much harm!

At this time, after Feng Wuhen threw Han Qing'er out of the ring, his eyes glanced down, and then fell on Ge Yuhan!

The cold face was instantly filled with a lewd smile.

"Miss Ge, do you want to compete with me? I can give in to you. As long as you let me kiss you, I will give in immediately and let you win!"

"If you let me sleep for one night, I can make everyone in our mountain gate secret realm lose to you. What do you think of this deal?"

Feng Wuhen asked Ge Yuhan.

Ge Yuhan's face was livid with anger, and he went on stage angrily, but was stopped by Chen Ping!

"If you go up there, you're no match for him. I'll do it..."

Chen Ping looked at Feng Wuhen's behavior and decided to go up and teach this guy a lesson!

But just when Chen Ping was about to go on stage, he saw a figure flash past, and then jumped onto the ring!

Chen Ping looked and found that it was Lu Chang!

Chapter: 3745

Lu Chang originally occupied a stage, but when he saw Han Qing'er being bullied by Feng Wuhen, he ran over directly.

"Feng Wuhen, don't be so fucking arrogant, I will castrate you today and make you a eunuch..."

Lu Chang roared at Feng Wuhen.

"Lü Chang, you licking dog, what are you calling me for? With your three-legged cat skills, you dare to go on stage to fight me?"

It seemed that Feng Wuhen didn't take Lu Chang seriously at all!

"I will castrate you today even if I risk my life..."

Lu Chang's face turned red, and the aura on his body began to rise!

"You are no match for him, come down..."

At this time, a loud shout sounded, and then a beautiful figure appeared on the ring again!

Lu Chang wanted to get angry, but when he saw the person coming, he swallowed his words instantly!

Because the person on stage is Yu Jiameng, Yu Qian's daughter. Not to mention that Yu Jiameng is a famous figure, but with Yu Qian's reputation in the eight secret realms, Lu Chang would not dare to be disrespectful to Jiameng!

"Miss Yu, I..."

Lu Chang wanted to say something else, but Yu Jiameng glared at him and said, "Go down..."

Lu Chang trembled all over and could only jump down from the ring!

“Miss Yu, you are not in your own arena, why did you come to my arena?”

Seeing Yu Jiameng, Feng Wuhen no longer had that lewd smile on his face, but asked slightly embarrassed.

“I can’t stand your bullying of women. Today I will compete with you. If I lose, I can let you kiss me. If you lose, I will castrate you...”

Yu Jiameng had a cold face and murderous intent in his eyes!

“Miss Yu, stop joking. I am no match for you. If I don’t fight you, I will admit defeat...”

Feng Wuhen is not stupid, there is no way he can follow Yu Jiameng!

“You are not allowed to admit defeat...”

Yu Jiameng scolded!

“Why can’t you admit defeat? The rules allow it. You can’t just change the rules because your father is Yu Qian, right?”

Feng Wuhen said!

Chapter: 3746

At this time, Yu Jiameng had nothing to say. After all, if she disagreed, she would not even abide by the rules set by his father!

But he agreed with Feng Wuhen to admit defeat, but he couldn’t teach this big pervert a lesson.

For a time, Yu Jiameng was in a dilemma!

“I’d better come and meet this shameless guy...”

At this time, Chen Ping spoke and then walked towards the ring!

Yu Jiameng looked at Chen Ping and frowned slightly: “You?”

Although Chen Ping rang the dragon pattern bell and even knocked out nine golden dragons with one hammer, Yu Jiameng didn’t think Chen Ping was that strong!

After all, Chen Ping was able to ring the Dragon Pattern Bell because he knew the secret of the Dragon Pattern Bell. It had nothing to do with his strength!

With Chen Ping’s strength in the Third Realm of Distraction, how could he be Feng Wuhen’s opponent!

“Chen Ping...”

Seeing this, Han Qing’er hurriedly stepped forward to stop Chen Ping: “Don’t go up, you are no match for Feng Wuhen, you can’t beat him.”

Lu Chang became furious when he saw Han Qing’er caring so much about Chen Ping!

“Don’t worry, if he dares to molest you, I will beat the shit out of him today...”

Chen Ping smiled slightly at Han Qing’er.

Hearing what Chen Ping said, Han Qing’er burst out laughing, and then said: “Then be careful. If it doesn’t work, admit defeat and he won’t be able to do anything again.”

Chen Ping nodded, and then jumped onto the stage!

“Miss Yu, he doesn’t dare to fight you. You’d better go down and I’ll show him off.”

“If he doesn’t even dare to compare with me, a monk in the secular world, then simply let him go home and leave the Eight Secret Realms. Don’t embarrass the Eight Secret Realms anymore.”

Chen Ping said to Yu Jiameng!

Chen Ping’s words were deliberately irritating Feng Wuhen, in order to get him to accept the challenge. If this guy still gave up, Chen Ping would have nothing to do with him!

After all, in this guy’s eyes, women are much more important than victory or defeat!

“Hmph, you are a guy from the secular world, why are you so awesome?”

“Don’t think that because you have rung the dragon-marked bell, everyone will be afraid of you. Today I will trample you under my feet.”

Feng Wuhen roared angrily, he had indeed been fooled by Chen Ping!

Chapter: 3747

Seeing this, Yu Jiameng could only leave the ring and see how Chen Ping would teach Feng Wuhen a lesson!

Because many people didn’t know Chen Ping’s true strength, and Chen Ping had just rang the Dragon Pattern Bell, many people came over to see the battle between Chen Ping and Feng Wuhen!

Even those people on the high platform looked over, wanting to see Chen Ping’s true strength!

Chen Ping suddenly became the center of attention, which made Feng Wuhen very excited!

As long as he can easily defeat Chen Ping, his fame will instantly open up in the eight secret realms!

“If I don’t beat your shit today, I won’t step into the secret realm...”

After Chen Ping finished speaking, the dragon-slaying sword in his hand appeared instantly!

The sword followed his will, and the Dragon-Slaying Sword made a buzzing sound. Endless sword intent burst out at this moment!

Chen Ping looked at Feng Wuhen with an endless sneer on his face!

Although Chen Ping’s realm seems to have not changed at this time, the power of the dragon in his body has improved a lot!

If it weren’t for preventing the exposure of all his strength, Chen Ping would have already roared with a golden dragon at the place where the Dragon-Slaying Sword appeared, possessing the power to shake the world!

Feeling the sword intent emanating from the Dragon-Slaying Sword, the contempt on Feng Wuhen’s face disappeared, replaced by a solemn expression!

The moment the Dragon-Slaying Sword appeared, he knew that Chen Ping was not someone to be trifled with.

Feng Wuhen also slowly drew out a sword, and instantly the sword radiated with murderous intent!

Chen Ping and Feng Wuhen looked at each other, neither of them made a move first!

In a true duel between masters, taking the first shot will definitely gain the upper hand, but it may also expose your own flaws and weaknesses!

And among masters like them, maybe just a flaw can turn defeat into victory!

“Come on, let me see what strength you, a monk in the secular world, can achieve!”

Feng Wuhen waved to Chen Ping!

Chen Ping snorted coldly, and then his body suddenly moved!

The dragon-slaying sword in Chen Ping’s hand shook slightly, and a domineering sword light was seen heading towards Feng Wuhen.

When he felt the sword light emanating from Chen Ping’s Dragon-Slaying Sword, Feng Wuhen also moved, and the long sword in his hand instantly drew dots of cherry blossoms in the air!

boom!

A terrifying aura swept out from Feng Wuhen’s sword, and this aura instantly blocked Chen Ping’s sword light.

Chapter: 3748

Feng Wuhen was indeed very strong. Chen Ping’s sword was actually blocked by him so easily!

“Hmph, just these two times, you still dare to show off on stage!”

Feng Wuhen had a sneer on his face, and the solemnity on his face disappeared. The strength of Chen Ping’s sword just now did not pose any threat to him at all!

“Ten Thousand Swords Return to the Clan...”

Feng Wuhen suddenly threw the long sword in his hand into the air, and a rumbling sound instantly sounded in the sky!

At this moment, above Chen Ping’s head, countless sword shadows appeared, and then fell from the sky, heading straight for Chen Ping!

At the same time, Feng Wuhen lightly stomped his feet, and countless rubbles rose into the sky around the arena, drowning Chen Ping in an instant!

With a rain of swords above his head and a formation of rubble beneath his feet, Chen Ping had no way to escape or avoid...

“Hahaha, you don’t have me on the list, do you think I’m easy to bully?”

Feng Wuhen laughed!

At this moment, there was a buzzing sound, followed by a golden light rising into the sky, instantly breaking through the rubble array.

Under the golden light, it was Chen Ping holding the dragon-slaying sword.

At this time, Chen Ping’s whole body was covered by the golden scales. The indestructible golden body activated and directly wrapped Chen Ping tightly!

Ding ding ding.....

Countless swords rained down, hitting Chen Ping one after another and being bounced away, causing no harm to Chen Ping at all!

Everyone couldn't help but be surprised when they saw this scene!

They didn't understand what was covering Chen Ping's body and how could it be so hard!

Even Feng Wuhen frowned and looked at Chen Ping coldly!

"Tell me, if Chen Ping follows Feng Wuhen, who can win?"

On the high platform, Yu Qian looked at the situation on the ring and asked.

"Although Chen Ping has a lot of tricks, he only relies on the various treasures he has."

"The armor he wears and the sword in his hand are all extraordinary."

"Without the bonus of these treasures, he would have been exposed to Feng Wuhen's sword by now."

Jin Lifu analyzed!

Chapter: 3749

"Master Jin Pavilion's analysis is good. Chen Ping's strength level is not high. The reason why he is able to fight with Feng Wuhen is thanks to the treasures on his body!"

"But doesn't it seem a little unreasonable for a person from the secular world to have so many treasures on his body?"

Yao Qisheng also believed that Chen Ping could not defeat Feng Wuhen!

"Let's wait and see. Chen Ping's true strength is probably beyond our imagination."

Han Fu stared at Chen Ping and said!

When Han Qing'er was bullied by Feng Wuhen, Han Fusheng kept watching, but the rule was that elders like them couldn't participate!

Unless Han Qing'er admits defeat and Feng Wuhen continues to harass her, Han Fusheng can take action!

When he saw Chen Ping on stage for his daughter, Han Fusheng had a lot of affection for Chen Ping!

Only then would he praise Chen Ping so much on such an occasion!

"Mr. Chen hasn't used all his strength, otherwise Feng Wuhen would have been defeated."

Jiang Wuya slowly said!

Jiang Wuya knew that Chen Ping still had a Flame Tiger mount in his hand. If Chen Ping released the Flame Tiger at this time, how could Feng Wuhen be the opponent of both the Flame Tiger and Chen Ping!

However, Chen Ping has not released the Flame Tiger yet. It seems that he is afraid of exposing his true strength to avoid being noticed by others!

Everyone glanced at Jiang Wuya, with disbelief on their faces!

They didn't believe what Jiang Wuya said. Chen Ping's strength was only in the third level of distraction. He was already very powerful if he could follow Feng Wuhen in one move. How could he defeat Feng Wuhen so quickly?

Since no one believed it, Jiang Wuya said nothing more. Only Ge Cangsheng was watching every move on the ring attentively!

At this time, Feng Wuhen's face on the ring was a little ugly, and he said to Chen Ping in a cold voice: "Boy, you are a monk in the secular world. I didn't expect that you have a lot of treasures on your body. However, the difference in real strength cannot be solved with treasures. Make up for it."

After Feng Wuhen finished speaking, he stabbed with the long sword in his hand, and suddenly a sword light pierced the air and went straight to Chen Ping's head!

It seems that Feng Wuhen knew that Chen Ping's indestructible golden body was extremely hard, so he attacked Chen Ping's head this time!

And if this sword hits, Chen Ping will be killed immediately!

"Chen Ping, be careful..."

Han Qing'er was in the audience and saw that Feng Wuhen had murderous intentions towards Chen Ping, so she immediately reminded her loudly!

On the high platform, Ge Cangsheng saw that Feng Wuhen actually used a killing move, and he quickly said to Yu Qian: "Master Yu, that Feng Wuhen actually violated the rules and directly wanted to kill!"

You must know that the competition in the Secret Realm Conference is just for discussion, victory and defeat, and to obtain resources. There is no deep hatred, so no one will kill!

Chapter: 3750

"Ge Cangsheng, this is a duel between masters. A mistake is inevitable. And Chen Ping is not a fool. Can't he hide?"

Feng Jingyan, the master of Fengyue Valley in Shanmen Secret Realm, said with disdain!

"Feng Jingyan, what do you mean? Is your disciple a mistake? He is obviously murderous. If Mr. Chen has any shortcomings, I, the Ge family, will never be done with you!"

Ge Cangsheng glared at Feng Jingyan fiercely and said!

“Hmph, your Ge family is nothing. In the Fire Sect Secret Realm, your Ge family is nothing. How dare you threaten me!”

Feng Jingyan snorted coldly, looking down on the Ge family at all!

“You...” Ge Cangsheng was furious, and the aura on his body began to rise.

Feng Jingyan didn’t show any signs of weakness, his momentum burst out instantly!

“Okay, this secret conference is not a place for you to fight!”

Yu Qian roared coldly, and only then did Ge Cangsheng and Feng Jingyan remove their auras.

At this moment, on the ring, Chen Ping looked at Feng Wuhen’s sword light, his feet slid gently, and his body was like a phantom, constantly changing on the ring!

Feng Wuhen shot out a sword light, but Chen Ping dodged it. The sword light hit the ring on the side and instantly tore the ring into pieces!

Feng Wuhen looked at Chen Ping’s elegant movement, his eyes narrowed slightly, and he kept swinging the long sword in his hand!

Several rays of sword light shot out, instantly blocking the four directions of the arena. He wanted to see how Chen Ping could avoid it!

Seeing this, Chen Ping’s steps became even faster, but those sword lights seemed to have eyes, turning into streaks of light, constantly surrounding Chen Ping and attacking!

Seeing this scene, everyone became nervous. It might be difficult for Chen Ping to escape this time!

But just when everyone thought that Chen Ping could not avoid the sword, suddenly Chen Ping, who had only one figure, appeared in four directions on the ring at the same time!

There are Chen Ping's figures in every direction, and each figure is holding a dragon-slaying sword, just like his true body!

This time, everyone was stunned, and Feng Wuhen was also stunned. Then he quickly controlled several sword lights and fired them at Chen Ping who appeared at the same time!

puff.....

The sword light penetrated Chen Ping's body and made a dull sound!

Puff puff.....

Then there were a few more soft sounds, and Feng Wuhen saw that all the figures of Chen Ping who appeared had their bodies penetrated by sword light!

"Hmph, you dare to show off just an illusion!"
