

The Order 3751

Chapter: 3751

Feng Wuhen sneered!

Feng Wuhen knew that the sudden appearance of so many Chen Pings must be because Chen Ping used illusions. All of these Chen Pings must be fake, and only one of them is true!

Although Feng Wuhen couldn't tell the difference, he could kill all the Chen Pings who appeared, so that no matter which one was the main body, Chen Ping would be killed instantly!

Now seeing all Chen Ping's figures being penetrated by sword light, Feng Wuhen became happy!

But just when Feng Wuhen smiled, he discovered that Chen Ping, who suddenly appeared, slowly turned into a ray of light and disappeared after the sword light penetrated!

Four Chen Pings in four directions all disappeared after the sword light penetrated!

"What...what's going on?"

Feng Wuhen was puzzled. There was no real body among these Chen Ping. Since these were all transformed by Chen Ping, where was Chen Ping's real body?

After all, the arena is so big that it is impossible for Chen Ping to leave. If he leaves the arena midway, he will be sentenced to failure.

"Are you looking for me?"

At this moment, a voice sounded behind Feng Wuhen!

Feng Wuhen was stunned for a moment, then turned his head suddenly. When he saw a figure appearing behind him, Feng Wuhen was so frightened that he almost peed his pants!

Feng Wuhen turned around instinctively, and then punched out!

But before Feng Wuhen's fist could reach him, Chen Ping slapped him hard on the face, knocking Feng Wuhen to the ground on the spot.

The whole place fell into silence, and everyone stared in disbelief with their eyes wide open!

Many people didn't even notice when Chen Ping arrived behind Feng Wuhen!

Moreover, Chen Ping easily dodged the two swords Feng Wuhen shot with anger!

On the high platform, the faces of several people who originally said that Chen Ping was no match for Feng Wuhen all became a little embarrassed.

Especially Feng Jingyan, seeing his apprentice being slapped, only he knew the feeling.

Jin Yuan and Lu Chang looked at each other in surprise and disbelief. At this moment, the two of them were extremely shocked. Originally, they thought they could easily control Chen Ping.

But now it seems that they are afraid that they will turn the other way and be pinched by Chen Ping!

In the Dimen Secret Realm Arena, Yao Shenghui looked at this side with a calm face, not knowing what he was thinking in his heart!

Han Qing'er and Ge Yuhan were all excited, their beautiful eyes blinking!

"Mr. Chen is awesome....."

Chapter: 3752

Hou Zhen raised his arms and shouted, as if he wanted to vent all the frustration in his heart!

“Feng Jingyan, your apprentice seems to have learned nothing except picking up girls. How did you become a master?”

“How unexpectedly, someone from the secular world slapped you so hard. This slap didn’t hit him, but your Feng Yue Gu’s face!”

Han Fusheng said with a playful expression!

Feng Wuhen teased Han Qing’er just now, which had long made Han Fusheng dissatisfied. Now was the time to vent his anger!

Han Fusheng’s words made Feng Jingyan very ugly, but he didn’t say anything.

“It’s impossible that Feng Wuhen only has this ability. It should be even more exciting in the future...”

Yu Qian said calmly!

In fact, everyone knew that Feng Wuhen still had no real means to come up with. The reason why he was slapped by Chen Ping was because he underestimated the enemy!

Chen Ping came from the secular world, and Feng Wuhen looked down upon him at all. In addition, Chen Ping’s aura was only the strength of the third realm of distraction, which made Feng Wuhen even more careless!

If it weren’t for Chen Ping ringing the dragon pattern bell and knocking out nine golden dragons with one hammer, Feng Wuhen probably wouldn’t have competed with Chen Ping. After all, competing with a person from the secular world would be disrespectful!

“Just wait and see...”

Feng Jingyan’s eyes were slightly condensed, and his face was gloomy!

He also believed that his apprentice would never be defeated by a guy from the secular world!

At this moment, Feng Wuhen on the stage looked at Chen Ping angrily. The slap from Chen Ping just now had wiped away all his self-esteem and face!

He also didn't expect that Chen Ping actually had some tricks to trick Zai!

"Boy, you have completely angered me. I want your life..."

At this time, Feng Wuhen didn't care about any rules or regulations. He roared loudly and blatantly shouted to kill Chen Ping!

"You can kill me, but it depends on whether you have the ability. Since I said I will beat the shit out of you, I will definitely do it, so you have to prepare to change clothes."

Chen Ping raised the corners of his mouth slightly with a disdainful expression, which made Feng Wuhen even more furious!

"Don't think you can defeat me with fancy means. Today I want to let you know how powerful I am..."

After Feng Wuhen finished speaking, the aura on his body began to violently flow into the private room, and waves of air rolled out, sweeping around in an instant!

When Chen Ping saw this, he lightly tapped his body and quickly retreated to avoid its sharp edge!

Feng Wuhen looked at his father, and Feng Jingyan nodded towards Feng Wuhen, as if the two were communicating something!

Chapter: 3753

Seeing his father nodding, Feng Wuhen seemed to have no scruples!

I saw the long sword in his hand suddenly inserted into the center of the ring, and the big mountain character in the center of the ring began to shine!

The entire arena began to tremble violently, and suddenly the sword seemed to be pushed out by something!

Immediately afterwards, streaks of black energy emerged from the place penetrated by the long sword. This black energy began to envelope the arena and slowly condensed!

Seeing this black energy, everyone was stunned. Many people looked at Feng Jingyan with confusion and confusion in their eyes!

But at this time, Feng Jingyan was not squinting, as if he couldn't see everyone's gaze, but his eyes were fixed on the ring!

Waves of terrifying aura began to condense and keep rising, and the black energy gradually condensed into a human form.

Six human figures condensed by black mist are holding condensed long swords in their hands, suspended in mid-air!

Seeing this scene, everyone gasped!

"The remnant soul? The remnant soul of the distraction realm?"

Ge Cangsheng looked at the condensed human form on the stage and frowned tightly!

"How come there are remnant souls in Fengyue Valley? They even sealed the remnant souls in the arena. No wonder no one can break through this arena in the secret realm of the mountain gate."

Someone shouted very dissatisfied!

At this moment, on the ring, six remnant souls surrounded Chen Ping, and coupled with Feng Wuhen's aura, they continued to press towards Chen Ping!

At this moment, Chen Ping was at a disadvantage. Now Chen Ping was one to seven. Many people were worried about Chen Ping!

Now that Fengyue Valley has revealed its trump card, I'm afraid it will be difficult for Chen Ping to leave today.

"Feng Jingyan, why did you get so many remnant souls from Fengyue Valley? Do you also have the means to refine remnant souls? Is it because of evil cultivation?"

Jiang Wuya asked Feng Jingyan loudly!

After all, refining remnant souls is despised by the world of immortal cultivators. Only evil cultivators would do such a thing!

Now that Fengyue Valley has revealed six remnant souls at once, it will definitely arouse everyone's questions!

"Does having a remnant soul mean you are an evil cultivator? These remnant souls are my trophies, right?"

Feng Jingyan snorted coldly, obviously he had already thought of a countermeasure!

Since he dares to let Feng Wuhen reveal his remaining soul, he is not afraid of these people questioning him!

"Okay, I know the remnant soul of Fengyue Valley was obtained by them after they destroyed an evil cultivator organization."

Chapter: 3754

“But in order to deal with a person from the secular world, Fengyue Valley even used his remaining soul. This is really impressive for him!”

Yu Qian said expressionlessly.

Feng Jingyan said nothing. He didn't dare to be too presumptuous in front of Yu Qian!

“Lao Ge, I'm afraid Mr. Chen may be in trouble now.”

Jiang Wuya whispered to Ge Cangsheng!

Ge Cangsheng was very anxious at this moment. He didn't expect that there were remnants of souls in Fengyue Valley, and they were released in just a competition!

“Master Yu, this is just a competition. If Fengyue Valley releases all the remaining souls, isn't it going to kill people?”

“I think.....”

Ge Cangsheng wanted to follow Yu Qian and let Yu Qian make the decision for Chen Ping!

But Yu Qian didn't wait for Ge Cangsheng to finish, but waved his hand and said: “Using the residual soul to fight does not violate the rules, just like Chen Ping uses the treasures on his body to fight.”

“If you are afraid that Chen Ping is in danger, you can make him admit defeat now. I can guarantee that Feng Wuhen will not dare to take action again!”

Seeing this, Ge Cangsheng could only sigh helplessly, and then tiptoed, his body fell directly from the high platform!

“Mr. Chen, this is just a competition. You don't have to fight hard. If you can't do it, just admit defeat!”

Ge Cangsheng is persuading Chen Ping to admit defeat!

After all, it doesn't matter if you admit defeat, you can continue to compete later, as long as you don't lose three games!

Chen Ping glanced at Feng Wuhen, who was full of pride, and then said to Ge Cangsheng: "Elder Ge Clan, don't worry, I said I would beat his shit out, and I must beat him out. Now that this kid has If he is an evil cultivator, then I will not only beat his shit out, but I will also let him eat it."

Chen Ping didn't seem to be afraid at all when facing Feng Wuhen and the six remaining souls.

Seeing what Chen Ping said, Ge Cangsheng had no choice but to retreat. He didn't dare to order Chen Ping!

"Dad, do you think Mr. Chen can win? I think he is very confident!"

Ge Yuhan asked Ge Cangsheng in a low voice.

Ge Cangsheng shook his head: "I don't know either. I don't know if Mr. Chen has any secrets that I don't know about!"

"He also has a flaming tiger. If he releases the flaming tiger, does he have a chance of winning?"

Ge Yuhan asked!

"This remnant soul is illusory. Although the Flame Tiger is powerful, it cannot be used to deal with this remnant soul even if it is powerful. It depends on whether Mr. Chen has the means to deal with the remnant soul."

Chapter: 3755

Ge Cangsheng sighed helplessly!

At this moment, hearing that Chen Ping was going to beat the shit out of him and make him eat it, Feng Wuhen couldn't help but feel so angry!

"Boy, I won't kill you today, but I will definitely make your life worse than death. I will make you my puppet, and I will make you kneel in front of me forever!"

Feng Wuhen gritted his teeth, the corners of his eyes kept twitching, and the anger in his eyes was burning!

"You have the ability to turn me into anything, but you don't have that ability at all. Even if you summon the remnant soul, it will be useless. You are a loser. As a monk, you actually practice evil skills and want to take shortcuts. You This kind of person is worse than trash!"

Chen Ping mocked Feng Wuhen!

Feng Wuhen trembled with anger, gritted his teeth and said: "I will make your life worse than death today..."

Following Feng Wuhen's roar, the six remaining souls instantly attacked Chen Ping!

For a time, only a few figures were seen on the ring, and they continued to attack Chen Ping in turn. A terrifying aura exploded on the ring in an instant.

Seeing this scene, everyone took a breath of cold air. Although these remnant souls lost their true bodies and were greatly reduced in strength, six remnant souls in the distraction realm were more than enough to deal with Chen Ping, who only had the third realm of distraction. ?

Feng Wuhen watched calmly from the side, watching the breaths constantly bombarding Chen Ping, a sneer curled up at the corner of Feng Wuhen's mouth!

"Nine Shadows Divine Sword....."

Suddenly, Chen Ping shouted loudly, and then the Dragon-Slaying Sword in Chen Ping's hand burst out with bright golden light!

Then Chen Ping's figure began to shake, and every time he shook, a figure would be left behind!

In the end, six figures stood quietly on the stage!

It was like six identical Chen Pings suddenly appeared, holding dragon-slaying swords and looking grim!

Seeing this scene, Feng Wuhen snorted coldly: "Boy, who are you trying to scare by using illusions here?"

"Even if you can transform into more figures, so what? It won't change anything at all."

Feng Wuhen knew that Chen Ping was just using illusion, and those figures had no offensive power at all!

The purpose is to confuse the line of sight so that I can create a virtual reality for myself!

Feng Wuhen saw Chen Ping's tricks at a glance, so he wasn't afraid at all!

"Really? Nothing can really be changed?"

After Chen Ping finished speaking, he waved his palm lightly, and several rays of golden light fell. Then six shadow clones raised the dragon-slaying sword at the same time, and then slashed out with one sword, and six terrifying auras shot forward at the same time!

"Boom....."

Chapter: 3756

Feeling the earth-shaking terrifying aura, Feng Wuhen was stunned. He couldn't figure out how this transformed shadow clone could have attack power?

Feng Wuhen hurriedly controlled the six remnant souls and started fighting directly with Chen Ping's shadow clone!

Chen Ping looked at Feng Wuhen coldly: "If you have any other means, just use them."

Feng Wuhen stood stunned on the spot, his eyes full of disbelief!

"Don't be afraid. Even if his shadow clone has a certain strength, the spiritual power it consumes is still in his own body. The six shadow clones consume a huge amount of spiritual power every minute."

"If you keep fighting with him, he will be exhausted soon, and our remaining souls don't need to consume any of your power at all!"

While Feng Wuhen stayed on the spot, Feng Jingyan used the sound transmission technique to say!

Feng Jingyan could tell at a glance that Chen Ping's clones could not have attack power on their own. The reason why these clones could attack was that they consumed the spiritual energy in Chen Ping's body to support them!

When Feng Wuhen heard this, his heart suddenly relaxed a lot, and his face became arrogant again and said: "Boy, let's see how long you can hold on. The six shadow clones will consume a lot of your spiritual power. I'm afraid it will be almost exhausted by the time you do it." Now, I can crush you to death with just one finger!"

Feng Wuhen followed Chen Ping, and Chen Ping knew that he couldn't drag it on any longer, so he took the lead in launching the attack!

I saw the dragon crystal on Chen Ping's chest began to emit light, and his body slowly levitated, and then blue flames suddenly rose from Chen Ping's body!

As Chen Ping's body burned, the six shadow clones also began to burn!

The remnant soul has no body. Although it cannot receive any substantial damage, the flames burning on Chen Ping's body are indeed spiritual fire. Spiritual fire is the best way to deal with such things as the remnant soul!

"Spiritual fire, Chen Ping actually lit up the spiritual fire..."

Someone started shouting!

Soon, the six remaining souls burned together with Chen Ping's shadow clone!

There were roars one after another, and several rays of fire jumped up on the ring!

It only took a moment. The six remaining souls were instantly wiped out, and Chen Ping's shadow clone also disappeared with it!

"Now, we can have a fair duel again..."

After Chen Ping finished speaking, he slowly raised the dragon-slaying sword in his hand, and countless spiritual energy poured in from all directions!

For a moment, the sky and the earth shook, and the sun and the moon lost light. These spiritual energy entered Chen Ping's body and was instantly transformed into spiritual power by the Heart Condensation Technique. Then these spiritual powers focused on the Dragon Slayer Sword, forming a terrifying sword light!

"I will never lose to you..."

Feng Wuhen roared, swung the long sword in his hand in front of his chest, and a light shield appeared instantly!

Looking at the light shield in front of Feng Wuhen, some people couldn't help but exclaimed: "This is Fengyue Valley's unique skill, and Feng Wuhen actually learned it?"

Chapter: 3757

Many people did not expect that Feng Jingyan valued Feng Wuhen so much and taught him Fengyue Valley's unique skills so early.

But Chen Ping didn't care at all. Seeing Feng Wuhen still struggling to death, a smile appeared on his lips, and then he suddenly swung down the Dragon-Slaying Sword in his hand!

The sword light was like lightning, carrying heaven-shaking power, causing bursts of explosions, and instantly arrived in front of Feng Wuhen!

boom!

The sword light hit the light shield in front of Feng Wuhen hard, making a deafening sound!

Feng Wuhen only felt a huge pressure coming on him, and then his feet were firmly on the ground, and the light shield in front of him blocked Chen Ping's sword!

When Feng Wuhen saw this, he was overjoyed and laughed loudly: "With your little strength, you can't break through my light shield at all..."

"Yeah?"

Chen Ping raised the corner of his mouth and swung the dragon-slaying sword in his hand again!

This time, a sword light capable of cutting through the void appeared. Before Feng Wuhen could react, the light shield in front of him instantly turned into specks of light and floated directly into the air!

Everyone looked at this scene in disbelief!

Feng Wuhen even showed Fengyue Valley's trump card. The six remnant souls of the distraction realm even used light shields, but even so, they still couldn't block Chen Ping's attack!

The strength shown by Chen Ping, a monk in the secular world, is much stronger than that of many people in the secret realm family!

"This guy's strength has improved too quickly..."

Feng Jingyan looked at Chen Ping from the high platform, his face full of solemnity!

Ge Cangsheng couldn't help but frown when he heard Feng Jingyan's words!

Feng Jingyan didn't know Chen Ping at all and had never met Chen Ping. How could he suddenly say such a thing?

From this point of view, Feng Jingyan should know Chen Ping's strength, so he said that Chen Ping's strength is improving quickly!

"Feng Jingyan, what do you mean by this? Didn't you know Mr. Chen before?"

Ge Cangsheng asked Feng Jingyan.

Feng Jingyan was stunned for a moment, then shook his head and said, "I don't know him, I've never seen him before."

After Feng Jingyan finished speaking, he turned aside and stopped talking to Ge Cangsheng!

Seeing Feng Jingyan like that, Jiang Wuya whispered: "Lao Ge, I think this guy knows Mr. Chen. Even if he hasn't met him, he must have heard of it. Otherwise, how could he say such things? It's obvious that he knows Mr. Chen's previous strength."

“Why does he, a valley owner in a secret realm, want to know Mr. Chen’s strength?”

Chapter: 3758

Ge Cangsheng couldn’t understand why Feng Jingyan wanted to know Chen Ping. After all, Chen Ping didn’t even know the eight secret realms before!

“I remember you said that the Eight Secret Realms are connected with the Demon Heart Sect. It’s just that who in the Eight Secret Realms is connected with the Demon Heart Sect is unknown.”

“Now it seems that this Feng Jingyan is very suspicious. There is such a thing as a remnant soul in Fengyue Valley, and he also knows Mr. Chen very well. As a valley owner, if he is not in collusion with the Demon Heart Sect, why would he? Do you know Mr. Chen’s strength?”

Jiang Wuya followed Ge Cangsheng to analyze!

When Ge Cangsheng heard what Jiang Wuya said made sense, he glanced at Feng Jingyan, and then prepared to find an opportunity to tell Chen Ping about it!

Yu Qian on the side heard the conversation between Jiang Wuya and Ge Cangsheng, so he came over and said: “Watch the game carefully and don’t make any unnecessary suspicions. Our eight secret realms must unite.”

“Now it seems that Chen Ping is really not simple. It is estimated that Feng Wuhen will be defeated soon...”

Yu Qian came forward, and Jiang Wuya and Ge Cangsheng didn’t dare to say anything!

At this moment, Feng Wuhen was on the stage, his forehead covered with cold sweat. He didn’t expect that the remnant soul he had released would be so vulnerable!

Moreover, his own light shield was broken by Chen Ping’s two swords. At this time, Feng Wuhen also had a newfound fear.

Seeing that Feng Wuhen was scared, Chen Ping knew that he would definitely win!

Feng Wuhen was already afraid from the bottom of his heart that this would affect a person's performance!

"Since you're scared, just eat the shit and admit defeat. I'll make the shit out of you later, and it won't look good..."

Chen Ping held the dragon-slaying sword and smiled coldly.

"Boy, don't be so arrogant, I will never admit defeat."

Although Feng Wuhen was scared, he couldn't admit defeat, and he couldn't let others see his inner fear!

"Since you are not afraid, then continue..."

After Chen Ping said that, the Dragon-Slaying Sword once again emitted a terrifying sword light. This time, the Dragon-Slaying Sword buzzed like a dragon!

Feeling the aura emanating from Chen Ping's Dragon-Slaying Sword, Feng Wuhen's hand holding the sword was trembling slightly!

"cut....."

Chen Ping swung his sword, and the sword light was in front of Feng Wuhen in an instant!

Feng Wuhen let out an angry roar and waved the long sword in front of him, desperately resisting Chen Ping's sword light!

clang clang clang.....

The long sword in Feng Wuhen's hand made a clanging sound, followed by fire, and Feng Wuhen's body instantly flew backwards!

Chapter: 3759

Looking at the long sword in Feng Wuhen's hand, it had already been broken into several pieces and scattered on the ground!

Everyone looked at it in shock. They really didn't expect that Chen Ping had destroyed all Feng Wuhen's methods!

The remaining soul was burned, the light shield was destroyed, and now even the long sword in his hand was destroyed!

You must know that the long sword in Feng Wuhen's hand is not a mortal thing. It was cut into several pieces by Chen Ping's sword!

Now everyone can see that Feng Wuhen will be defeated...

Feng Jingyan on the high platform also had a solemn face at this moment!

"How is this possible, how is this possible..."

Feng Wuhen got up from the ground and looked at Chen Ping with eyes full of anger!

He is the proud son of Fengyue Valley, the top genius. He received the master's true biography at a young age, and now he is beaten to pieces by a person from the secular world?

This is simply a shame and humiliation. Feng Wuhen knows that if he loses this time, Fengyue Valley will no longer have a place for him, and even the Eight Secret Realms will have no place for him.

He had teased and played with so many women before. Without Fengyue Gu to back him up, would those people let him go?

Obviously that's not possible, he will probably be chopped into pieces!

So Feng Wuhen knew that he couldn't lose, absolutely not, otherwise he would be dead!

"If that's the case, then I have no choice..."

After Feng Wuhen figured it out, the fear in his heart disappeared. Then he saw Feng Wuhen raising his hands high, as if he was holding something up in his hands!

"Evil disciples, don't do this..."

When Feng Jingyan on the high platform saw Feng Wuhen's action, his eyes widened in an instant, and then he jumped up and was about to jump onto the ring!

When Ge Cangsheng saw this, he took action immediately, and Jiang Wuya also immediately stopped him!

"Feng Jingyan, the rules of the ring competition are that no one can enter the ring before the fight is over. You are blatantly violating the rules!"

Ge Cangsheng knew that Chen Ping was sure to win, so he tried his best to stop Feng Jingyan!

Feng Jingyan was stopped by Ge Cangsheng and Jiang Wuya. He was also furious and took action instantly!

But just when a few people took action, Yu Qian waved his hand and said: "The Secret Realm Conference has just restarted, and you are openly taking action at the conference. Are you not taking me seriously?"

Yu Qian's roar resounded throughout the square, and Ge Cangsheng and Feng Jingyan stopped!

At this time, Feng Wuhen, who was on the stage, raised his hands and shouted to the sky: "I am willing to sacrifice my life to get the blessing of the devil."

Chapter: 3760

Along with Feng Wuhen's roar, dark clouds suddenly filled the sky, and a ball of black light instantly fell on Feng Wuhen's raised hands!

Soon, the black ball of light entered Feng Wuhen's body. Feng Wuhen began to wail in pain, his body twisted and deformed, and he fell to the ground!

Feng Wuhen's body seemed to have been drained of blood by something. It instantly became dry, and the breath on his body also quickly disappeared, as if he was dead!

At this moment, everyone was confused. They didn't understand what Feng Wuhen was doing. Was he planning to commit suicide?

"This Feng Wuhen is indeed an evil cultivator. He just made a sacrifice from the demon world to improve his strength. However, this kind of sacrifice has certain risks. If the sacrifice is unsuccessful, he will die."

Ge Cangsheng looked at Feng Wuhen's appearance and said loudly!

"I just summoned the remnant soul, and I feel that Feng Wuhen is an evil cultivator, and now he directly uses the demon world technique. This is 100% an evil cultivator. Should Feng Jingyan explain it?"

Jiang Wuya looked at Feng Jingyan and asked!

Jiang Wuya just guessed that Fengyue Valley must be connected with the Demon Heart Sect, and now it seems that it is certain!

Not to mention how ugly Feng Jingyan's face looked at this moment. Now that Feng Wuhen used this move, it was tantamount to admitting the fact that he practiced evil arts!

“This evil disciple actually practices evil skills behind my back. I will never let him go.”

At this point, Feng Jingyan could only blame everything on Feng Wuhen and pretended not to know!

“Feng Jingyan, your apprentice is practicing martial arts. If you say you don’t know, who would believe it? I think you must be connected with the Demon Heart Sect in Fengyue Valley.”

Ge Cangsheng said loudly that this was the best time to suppress Fengyue Valley.

“Ge Cangsheng, please don’t spit on others...”

It is absolutely impossible for Feng Jingyan to admit it.

“Okay, don’t argue. We’ll talk about it after this incident. Let’s see what happens to Feng Wuhen in the end!”

Yu Qian spoke, once again stopping the quarrel between Ge Cangsheng and Feng Jingyan!

At this time, Chen Ping, who was on the ring, looked at Feng Wuhen, who was like a mummy, and frowned, because he could clearly feel that a terrifying aura was changing in Feng Wuhen’s body.

That kind of breath is as if emanating from the abyss of hell, making people shudder!

Feng Wuhen’s body began to slowly recover, and the originally mummy-like skin began to have flesh and blood, and the terrifying aura was also rising!

When Chen Ping saw this, he knew that Feng Wuhen could not be completely transformed, so he took the dragon-slaying sword and slashed at Feng Wuhen with one sword!

The sword light shot up into the sky, then fell hard, striking directly on Feng Wuhen’s body!

Feng Wuhen's body was instantly cut into two pieces, with blood splattering everywhere!
