

The Order 3761

Chapter: 3761

Seeing Feng Wuhen cut into two pieces, Chen Ping breathed a long sigh of relief!

But before Chen Ping finished speaking, he saw that Feng Wuhen's body was healing rapidly, and then continued to expand!

Seeing this scene, Chen Ping frowned tightly!

Others were full of surprise. Feng Wuhen was cut off and could still be healed. This was obviously an evil act!

"It seems like I have to reveal my true strength against an evil cultivator like you..."

After Chen Ping finished speaking, his body slowly rose up, and then he closed his eyes slightly!

At this moment, on the ring, Feng Wuhen's body was changing rapidly. Everyone saw that the skin on Feng Wuhen's body was constantly falling off, his body was also swelling, and his entire face began to become distorted, and finally became like a monster!

From Feng Wuhen's body, a terrifying and dangerous aura is rising!

This aura became more and more powerful, so powerful that many people around him began to retreat, and some girls were even frightened to tears by Feng Wuhen's appearance!

"This Feng Wuhen has become completely demonic. We should work together to eradicate him..."

When Ge Cangsheng saw this, he was afraid that Chen Ping would not be Feng Wuhen's opponent, so he suggested!

"Yes, this Feng Wuhen is now a complete monster, and we will never tolerate it."

Jiang Wuya also echoed!

But only two people shouted to kill Feng Wuhen, and no one else in the eight secret realms spoke. The expressions on everyone's faces were very weird and complicated!

Ge Cangsheng looked at the crowd and asked with confusion on his face: "Why don't you speak? As orthodox monks, we should be at odds with these monsters and monsters. Have you forgotten your ancestral precepts and mission?"

But even if Ge Cangsheng said this, no one said anything, so Ge Cangsheng looked at Yu Qian and asked: "Master Yu, tell me, does Feng Wuhen need to be exterminated?"

"No matter what Feng Wuhen is, he is still on the stage. That is the matter between him and Chen Ping. No one can interfere."

"Let's wait until the winner is decided and we get off the ring..."

Yu Qian said expressionlessly!

Hearing Yu Qian's words, Ge Cangsheng fell silent. He didn't expect Yu Qian to think this way!

But now that Yu Qian has said it, there is no point in Ge Cangsheng being anxious. He can only hope that Chen Ping can defeat Feng Wuhen on the ring!

"Roar....."

On the stage, Feng Wuhen let out a dull roar, like a beast!

Then his body suddenly stood up, and a terrifying aura exploded in an instant, drifting away in all directions!

Chapter: 3762

At this time, Feng Wuhen's height reached a terrifying several meters, and the people around him were like dwarfs under his feet!

With scarlet eyes, messy hair, and black mist surrounding his body, Feng Wuhen looked like a devil who had just escaped from hell!

"The power of this demon is really powerful..."

Feng Wuhen clenched his fists, feeling the power of his body, and his heart was shocked!

At this moment, he no longer cares about his appearance. He only cares about his strength and whether he can kill Chen Ping!

Feng Wuhen took a step forward, and the entire arena trembled for a moment, and even the entire square felt like an earthquake!

Looking up at Chen Ping in mid-air, Feng Wuhen smiled: "Hahaha, I succeeded, I succeeded, I want to see who dares to fight with me..."

Along with Feng Wuhen's wild laughter, the breath began to explode in all directions, the space trembled, and the crazy breath surged out in all directions!

Many people around were blown away by this terrifying aura!

Upon seeing this, Yu Qian on the high platform waved his palms, and a barrier visible to the naked eye instantly enveloped the surroundings of the ring, blocking the terrifying aura!

With this barrier, everyone dared to get close to the ring. Seeing Feng Wuhen's scary look, Ge Yuhan, Han Qing'er and Hou Zhen all became nervous!

They don't know if Chen Ping is Feng Wuhen's opponent!

“Don’t be nervous. Chen Ping will die quickly and painlessly. Feng Wuhen has been completely demonized, so Chen Ping is definitely no match for him!”

Lu Chang said sarcastic words next to Han Qing’er!

“shut up.....”

Han Qing’er glared at Lu Chang fiercely!

“Then what on earth is Chen Ping doing? Do you think you can avoid Feng Wuhen by floating in mid-air like this?”

On the high platform, someone looked at Chen Ping in confusion!

Chen Ping was suspended in mid-air at the moment, his body motionless, his eyes slightly closed, not knowing what he was thinking!

However, no one noticed that the power of the dragon in Chen Ping’s body continued to rise, and then gathered on the clouds above his head. Then nine golden dragons appeared, and these nine golden dragons surrounded the dragon pattern clock and kept swaying their bodies. !

This dragon-marked bell is an ancient magic weapon. Chen Ping knew that Feng Wuhen had become a demon and he had no chance of winning, so he decided to forcefully use this dragon-marked bell!

However, if this kind of ancient magic weapon is used carelessly, it will suffer backlash, but now at this time, Chen Ping can’t care about that anymore!

Countless dragon powers continue to permeate out of Chen Ping’s body, almost without reservation. At this moment, the dragon crystal in Chen Ping’s body is shining fainter and weaker!

A large amount of dragon power came out of the body, and Chen Ping's body was trembling slightly, but even so, Chen Ping still gritted his teeth and persisted, because he had not yet felt the dragon pattern clock being activated.

Chapter: 3763

"What the hell is this guy doing?"

Yu Qian seemed to feel the change above the clouds, and that aura made him feel a hint of danger!

Chen Ping is just a monk in the third level of distraction, how could he exude an aura that makes him feel dangerous?

Yu Qian couldn't understand what Chen Ping was doing!

Feng Wuhen also had an ominous premonition. He looked up at the calm sky and frowned!

"I will never give you a chance..."

Suddenly, Feng Wuhen took action, and his huge body was like a rocket, slamming towards Chen Ping!

The sound of breaking through the sky roared, the universe trembled, and the void collapsed...

Chen Ping felt this terrifying aura and was extremely anxious, because at this moment, the Dragon Pattern Bell still had no reaction.

Seeing that Feng Wuhen was so close before his eyes, cold sweat broke out on Chen Ping's forehead!

Suddenly, Chen Ping seemed to think of something. With a thought in his mind, the storage ring opened, and the flaming tiger rushed out instantly!

The sudden appearance of the Flame Tiger made Feng Wuhen stunned for a moment. He had never imagined that a monster would suddenly appear on the stage?

It was precisely because of his stunned look that his huge body was instantly thrown to the ground by the flaming tiger!

Feng Wuhen knocked the blazing tiger away with one punch, and then stood up. The blazing tiger also grew in size, roared from its mouth, and looked at Feng Wuhen with eager eyes!

“Fire Tiger? How could such a monster suddenly appear on this stage?”

“This flaming tiger appeared out of thin air. Could it be that the secret realm of monster beasts has a secret passage following this secret realm?”

“This is incredible, I’ve never heard of it before!”

When everyone saw the Flame Tiger appearing, they all started talking and even panicked!

If the secret realm of monster beasts has a secret passage here, and those monster beasts come here through the passage, wouldn’t it be troublesome?

But those people on the high platform could clearly see that Chen Ping had released the flaming tiger!

“This Chen Ping, on the stage, released monsters to help. Isn’t that just a violation of the rules?”

At this time, someone questioned.

But as soon as he finished speaking, Ge Cangsheng retorted: “Then Feng Wuhen summoned six remnant souls, but why didn’t he see you talking or saying that he violated the rules?”

Ge Cangsheng’s words instantly silenced the doubters!

Chapter: 3764

“It’s really interesting. This Chen Ping is becoming more and more difficult for me to see through...”

Han Fusheng, who had been silent until now, spoke now, with some appreciation for Chen Ping in his eyes!

“It’s really incredible that a young monk who is distracted in the third realm can tame a flaming tiger...”

Yu Qian’s eyes were also full of curiosity about Chen Ping!

Sensing everyone’s curiosity about Chen Ping, Ge Cangsheng was a little scared. He began to regret bringing Chen Ping to this secret conference!

After all, if Chen Ping’s current strength shines in the Secret Realm Conference and is noticed by these people, then life will be difficult in the future!

Because Ge Cangsheng knows, don’t look at the people in the Eight Secret Realms who brag all day long that they are orthodox monks who can conquer demons and demons!

In fact, all of them are greedy people, and they can do anything for the sake of profit and resources!

There are even some things that are more ruthless than some demons...

At this time in the arena, Feng Wuhen was already fighting with the Flame Tiger!

The demonized Feng Wuhen was not afraid of the flaming tiger at all, but the flaming tiger tried his best to stop Feng Wuhen from getting closer to Chen Ping!

Even though the Fiery Tiger’s body was already covered with scars at this time, he still roared in waves, his eyes were firm, and he showed no intention of retreating!

“You are a beast, why are you trying so hard to protect Chen Ping? If that’s the case, then I will kill you first...”

Feng Wuhen was angry, his fist was wrapped in black mist, and he punched the Flame Tiger!

The Fiery Tiger roared angrily and pounced directly on him!

boom.....

With a loud noise, the Flame Tiger’s body flew out, and then hit the ring heavily.

The Blazing Tiger tried desperately to stand up, but he couldn’t get up at all!

Finally, he collapsed to the ground weakly, vomiting blood from his mouth, and only his eyes were moving, proving that he was not dead yet!

Many people around saw that the Flame Tiger was so seriously injured, and they immediately became greedy. You must know that the Beast Pill of the Flame Tiger is a good resource!

Some people began to approach the Flame Tiger with weapons, hoping to get the beast elixir of the Flame Tiger.

“If any of you touch this flaming tiger, I will fight you to the death...”

Ge Yuhan pulled out his long sword and stood guard next to the flaming tiger!

Hou Zhen also stepped forward to guard the Flame Tiger, ready to take action against those with ill intentions at any time!

Chapter: 3765

When Han Qing'er saw this, she also stepped forward to guard the flaming tiger. After all, the flaming tiger was helping Chen Ping!

When everyone saw this, they gave up their greed!

At this time, Feng Wuhen was no longer blocked by the Flame Tiger, and he raised his head and looked at Chen Ping coldly: "It's over, everything is over..."

After Feng Wuhen finished speaking, he clenched his huge fist tightly, and countless black mist condensed around his fist!

At this moment, Chen Ping suddenly opened his closed eyes!

"It's time to end..."

After Chen Ping finished speaking, his body began to fall slowly, and finally stood in front of Feng Wuhen!

In front of Feng Wuhen, Chen Ping was so insignificant!

"I can slap you to death with just one slap now..."

Feng Wuhen looked down at Chen Ping with disdain in his eyes!

"You're right, but it's a pity that you can't slap me!"

Chen Ping had a faint smile on his face!

Feng Wuhen was stunned for a moment, and then he felt a terrifying breath coming from above his head, and then his whole mind started to tremble!

Feng Wuhen quickly looked up, and then his whole body froze!

“Dragon-patterned clock, look quickly, that’s a dragon-patterned clock...”

Someone couldn’t help shouting loudly.

I saw a big bell falling from the sky and heading directly towards Feng Wuhen!

Looking at the dragon-patterned clock, Feng Wuhen’s heart was full of fear. He wanted to dodge, but it was too late. He only felt that his vision went dark and was directly enveloped by the dragon-patterned clock!

Feng Wuhen panicked and beat the Dragon Mark Bell with all his strength. With his huge body, he used all his strength to lift the Dragon Mark Bell!

Looking from the outside, I saw that the Dragon Pattern Bell began to shake, and it had even been lifted off the ground by Feng Wuhen!

But at this moment, with a dragon roar, nine golden dragons fell from the sky, instantly submerged into the Dragon Pattern Bell, and turned into nine dragon patterns.

And the dragon pattern clock suddenly fell again, and there was no movement at all!

“Is this the end?”

Everyone stared blankly at the motionless dragon pattern clock. They never thought that it would end so quickly!

Chapter: 3766

“Dong dong dong.....”

Suddenly, there was another sound from the Dragon Pattern Bell, and the Dragon Pattern Bell was struck with a loud sound!

“Let me out, let me out...”

Feng Wuhen is not dead yet, he is yelling inside the Dragon Mark Bell!

“I said, I will beat the shit out of you, even if you become a devil, I will beat the shit out of you...”

After Chen Ping finished speaking, he grabbed the void with his right hand, and the bell hammer appeared in his hand instantly!

Then he hit hard with a hammer!

clang.....

There was a crisp sound, followed by countless terrifying auras emitting from the Dragon Pattern Bell, which began to spread to the surroundings!

When everyone saw this, they all ducked backwards, so they were not affected!

“ah.....”

Feng Wuhen’s painful scream came from the dragon pattern clock!

When Chen Ping saw this, he swung the hammer again!

clang.....

With another hammer, the Dragon Pattern Bell was shaken so hugely that the arena could no longer bear it, and the barrier around the arena was shattered!

Even the people who had hid far away were all stunned by the shock at this moment!

Chen Ping himself turned pale, a mouthful of blood spurted out, and he knelt on the ground on one knee!

The huge repulsive force of the Dragon Pattern Bell has already seriously injured Chen Ping!

Chen Ping himself was already exhausted of spiritual power, and he forced himself to use the bell hammer. If it weren't for the strength of his body, he would have been shocked to death!

“go to hell.....”

Chen Ping gritted his teeth, even though he was already kneeling on one knee, he swung the hammer again and struck the dragon pattern clock hard!

clang.....

With the sound of a bell, the ring could no longer hold on and collapsed in an instant, with endless smoke rising into the sky!

Everyone stared at the ring. When the smoke cleared, Chen Ping was already bleeding from all his orifices, and he stood up with his last will!

Chapter: 3767

The Dragon Pattern Bell slowly flew up on its own, then got smaller and smaller, and finally entered Chen Ping's storage ring!

Looking at Feng Wuhen inside the Dragon Pattern Bell, he had already turned into a pile of meat, and the stench came to his nostrils. It looked like he had really beaten the shit out of him!

Looking at this scene, everyone was stunned!

Feng Jingyan stood up suddenly, gritting his teeth, eyes flashing with hatred!

Yao Shenghui, who was on the Dimen Arena, looked at Feng Wuhen like this, and his eyes became dull!

There was an indescribable look on Yu Qian's face!

As for Lu Chang, Jin Yuan and others, they were all speechless at this time, staring blankly, unable to say a word!

Chen Ping didn't even look at the dead Feng Wuhen. Instead, he walked slowly in front of the Flame Tiger, squatted down slowly, and gently stroked the Flame Tiger with his hands!

If the Blazing Tiger hadn't resisted with all his might, he would probably be the one lying on the ground now, lingering!

Chen Ping really wants to save the Flame Tiger, but it's a pity that he doesn't have that ability now!

The Flame Tiger could also see what Chen Ping meant. He stuck out his tongue and licked Chen Ping's hand, and then let out a low roar!

Immediately afterwards, a beast pill was spit out from the mouth of the Fiery Tiger!

The beast pill rolled onto Chen Ping's hand, and then the Blazing Tiger slowly closed its eyes!

Everyone looked at the Flame Tiger Beast Pill in Chen Ping's hand with envy and greed in their eyes.

Feeling everyone's gazes, Chen Ping stood up slowly, and then glanced at everyone with his determined eyes. Everyone had their own expressions on their faces!

Gradually, Chen Ping's vision became increasingly blurry, and finally his body collapsed!

"Mr. Chen....."

"Chen Ping....."

At the same time, several figures rushed forward and immediately helped Chen Ping up!

Ge Cangsheng and Jiang Wuya also jumped up from the high platform and landed next to Chen Ping!

Two people, one on the left and one on the right, directly input spiritual power into Chen Ping!

But when their spiritual power was injected into Chen Ping's body, it was like a stone sinking into the sea!

When the two saw this, they could only carry Chen Ping into the castle and settle Chen Ping!

Chen Ping is obviously unable to compete in the current situation, but the competition will last for several days, so if Chen Ping can recover within a few days, he can still catch up with the competition at the end!

Chapter: 3768

Even if Chen Ping is unable to recover in a short period of time and cannot participate in the competition, Chen Ping's reputation can be regarded as having been established in this battle!

It's just that there is no way to fulfill Jin Lifu's promise, but for Chen Ping, Ge Cangsheng will not hesitate to use the Ge family's resources!

After settling down Chen Ping, Ge Cangsheng and the others returned to the square. As for Chen Ping's injuries, they could only let Chen Ping recover on his own. They had no way to help. The spiritual power they input had no effect on Chen Ping. Say, it's of no use at all!

The competition did not stop because Chen Ping killed Feng Wuhen. The competition continued on all the major stages!

It's just that these competitions can no longer attract the attention of others. After all, these competitions between Chen Ping and Feng Wuhen are just like children's playing house!

Soon, the first day of competition ended, and everyone went to the castle to rest. During the Secret Realm Conference, all those who entered were not allowed to leave, and they could only leave after the Secret Realm Conference ended!

"Dad, why isn't Mr. Chen awake yet?"

Ge Yuhan saw Chen Ping lying on the bed, with no blood on his face. If it weren't for the weak breath in his body, Chen Ping would be dead!

"How did I know that none of us can help Mr. Chen's injury..."

Seeing Chen Ping like that, Ge Cangsheng was actually very anxious inside, but he was helpless!

At this moment, Han Qing'er walked in with a bowl of porridge. Seeing Chen Ping like that, Han Qing'er's face was full of distress!

"Miss Han, what are you doing?"

Ge Cangsheng asked curiously when he saw Han Qing'er coming.

After all, each of the eight secret realms has its own rest area. Now that Han Qing'er suddenly comes here, Ge Cangsheng is a little confused!

"I made porridge with sea lotus seeds. It's probably good for Chen Ping's injury!"

Han Qinger said.

"Ms. Han, thank you for your kindness, but Mr. Chen is unconscious now and he can't eat anything."

Ge Cangsheng said.

"Let me try..." Han Qing'er didn't believe it, so she walked to the bed and started feeding Chen Ping!

But no matter how hard Han Qing'er tried, Chen Ping couldn't take a bite!

"Miss Han, there's no need to try again, we've already tried it, it's useless!"

Ge Cangsheng persuaded Han Qinger.

Han Qing'er couldn't help but shed tears when she looked at Chen Ping's appearance!

"Miss Han, let's let Mr. Chen rest more and don't disturb him..."

Chapter: 3769

Ge Yuhan stepped forward and said softly to Han Qing'er!

Han Qing'er nodded, then stood up slowly, glanced at Chen Ping with nostalgia and left!

"Let's go too, we can only watch Mr. Chen himself next!"

Ge Cangsheng also called Ge Yuhan away. They could only pray silently, and nothing else could help!

Three days in a row!

Chen Ping is still in a coma, with no sign of waking up!

Although Ge Cangsheng was anxious, he had no choice but to wait!

“Dad, tomorrow the Secret Realm Conference will end on the first day. Can Mr. Chen wake up?”

Ge Yuhan frowned.

“It’s been three days, and Mr. Chen hasn’t changed at all. I’m really afraid that he will remain in a coma like this!”

Ge Cangsheng sighed, his heart filled with that feeling of powerlessness!

At nightfall, Chen Ping himself was lying in the room. His weak breath could only keep his life from stopping!

This time Chen Ping forcefully used the Dragon Pattern Bell, which caused huge damage to him!

But often under huge crises, there will be huge opportunities!

At this time, the dragon crystal on Chen Ping’s chest finally began to emit a faint light, and a trace of dragon power slowly emanated from the dragon crystal!

This trace of dragon power left Chen Ping’s body and began to float in the air!

Soon, the power of the divine dragon seemed to be guided, and it instantly disappeared into the void!

Immediately afterwards, the void flashed with light, a human figure slowly appeared, and then a naked woman stood in front of Chen Ping!

If Chen Ping had been awake at this moment, he would have been able to tell at a glance that the graceful and naked woman in front of him was Huo Feng!

Huofeng looked at Chen Ping lying on the bed, his eyes full of pity!

“Master, the fire phoenix is here to save you...”

After saying that, Huofeng slowly leaned down and kissed Chen Ping’s mouth tightly with her small mouth!

A fiery red bead was spat out from Huofeng’s mouth and entered Chen Ping’s body instantly!

The moment the bead entered, Chen Ping’s originally pale face turned rosy!

Chapter: 3770

The dragon crystal on the chest also began to become active, and the power of the dragon continued to emanate, seeming to attract the bead!

Chen Ping’s brows wrinkled, and his body seemed to react!

Seeing this, Huofeng slowly lay on Chen Ping’s body!

Immediately afterwards, a heartbreaking pain made Huofeng frown, but Huofeng gritted his teeth and tried his best not to make a sound!

The fiery red beads are in Chen Ping's body, surrounding the dragon crystal in Chen Ping's body!

The dragon crystal that had been completely consumed and lifeless now seemed to be rejuvenated!

The bead turned into a colorful phoenix, and the dragon crystal in Chen Ping's body rushed out of a golden dragon!

The dragon and the phoenix appear auspicious, constantly circling together!

Chen Ping seemed to feel that he had infinite strength at this moment, and then he turned over and began to attack with all his strength!

Huofeng gritted her teeth, tears dripping from the corners of her eyes, but she could only endure it in order to save Chen Ping!

I don't know how long it took, Huo Feng was completely exhausted, and the originally fiery red bead also became dull!

After slowly sucking the bead out of Chen Ping's body, Huofeng slowly stood up and looked at Chen Ping who was still in a coma. A satisfied smile appeared on Huofeng's face!

"Master, it is my honor to dedicate everything I have to you..."

After Huofeng finished speaking, his figure became lighter and lighter, and finally slowly disappeared!

Early the next morning!

Chen Ping suddenly opened his eyes and looked at everything in the room. Chen Ping frowned, as if he thought of something, and hurriedly lifted the quilt!

When he saw himself naked, Chen Ping fell into deep thought!

“Is this a dream or is it real?”

Chen Ping always felt like he was having a dream, but he felt that the dream was so real!

Just when Chen Ping was puzzled, Ge Yuhan walked in. She comes every morning to see if Chen Ping is awake!

When Ge Yuhan walked into the room and saw Chen Pingzheng sitting naked on the bed, she was stunned!

Chen Ping and Ge Yuhan looked at each other and were stunned for a moment!

Just like this, it took more than ten seconds for the two people to react!

Chen Ping hurriedly covered his body, while Ge Yuhan screamed: “Mr. Chen, you are awake, you are finally awake...”
