

The Order 3771

Chapter: 3771

As he said that, Ge Yuhan completely ignored Chen Ping and rushed towards him, his face full of excitement!

Seeing Ge Yuhan like that, Chen Ping seemed a little embarrassed and quickly asked: "Miss Ge, I...how long have I been unconscious?"

"Mr. Chen, you have been in a coma for three days. If you can't wake up today, the Secret Realm Conference will be over."

Ge Yuhan said!

"I didn't expect that I was unconscious for so long?" Chen Ping frowned slightly, then looked at Ge Yuhan, his face turned red and said: "Miss Ge, when I was in a coma, the two of us... the two of us Didn't you do anything?"

Chen Ping always felt that his dream was like reality, and here, it seemed that there was only one girl, Ge Yuhan. If it was real, it was probably Ge Yuhan, so Chen Ping asked like this.

Ge Yuhan looked at Chen Ping with confusion and said, "Mr. Chen, what are you talking about?"

"It's...it's..."

Chen Ping didn't know how to speak for a while, so he could only look embarrassed and anxious!

"Mr. Chen, if you have anything to say, just say it directly. There is no need to hesitate."

Ge Yuhan looked at Chen Ping like that. She didn't understand what Chen Ping wanted to say!

"Ms. Ge, was I ever rude to you when I was in a coma?"

Chen Ping asked.

“Being rude to me?” Ge Yuhan was even more confused: “Mr. Chen is already unconscious, how can he be rude to me?”

“That’s not what I meant. What I wanted to say was, when I was in a coma, did you sleep with me?”

Chen Ping finally said it anxiously!

“Sleep with you?” Ge Yuhan didn’t react for a while. When she reacted, her face turned red instantly, and then she said angrily: “Mr. Chen, I admit that I like you a little, and you also saved me. If you want me, I will give it to you anytime, even now.”

“But I, Ge Yuhan, will never do something like that while you are unconscious. Although I am not a proud woman of heaven, I am not a bitch either...”

When Chen Ping saw that Ge Yuhan was angry, he immediately panicked. He knew that the girl was not Ge Yuhan, so he quickly apologized: “Ms. Ge, I don’t think that’s what I meant. I just dreamed about that kind of thing in my dream, and it was very real, so I just asked.”

“Maybe it was really a dream. I thought too much. I’m really sorry...”

Chen Ping could only apologize to Ge Yuhan desperately, hoping to get Ge Yuhan’s forgiveness!

Seeing that Chen Ping was speaking sincerely, Ge Yuhan knew that Chen Ping was not lying. Then she turned slightly red and said, “Mr. Chen, there are so many women around you, how could you still dream about that kind of thing? It’s not like you are here. You haven’t had a woman with you for a while, so you feel a little lonely, right?”

When Chen Ping heard this, he quickly waved his hands and said: “No, no, no, Miss Ge misunderstood. Although there are indeed many women around me, I have never touched any of them. To be honest, I have never touched any of them in my life.” woman.....”

In order to prevent Ge Yuhan from misunderstanding, Chen Ping could only reveal his privacy!

Chapter: 3772

Ge Yuhan looked at Chen Ping in surprise, with deep love in her eyes. She had never thought that there were so many women around Chen Ping, but she had never touched her!

“Mr. Chen, no wonder you have such a dream. You are in your twenties and have never touched a woman. If Mr. Chen doesn't dislike it, I can satisfy Mr. Chen...”

Ge Yuhan bit her lip and started to take off her clothes while talking...

Ge Yuhan's face turned red, and she mustered up a lot of courage to do this!

Chen Ping was a little dumbfounded for a moment. Seeing Ge Yuhan's clothes getting less and less, and her snow-white skin exposed, the impulse in Chen Ping's heart was surging out crazily!

Chen Ping, on the other hand, tried his best to suppress the impulse, and used his last sense of reason to say to Ge Yuhan: “Miss Ge, don't do this, I didn't mean that...”

Seeing Chen Ping quickly closing his eyes, there was a trace of tears in Ge Yuhan's eyes.

“Mr. Chen, do you dislike me? Why don't you dare to open your eyes and look at me?”

Ge Yuhan didn't understand. According to her appearance, even if she stood in front of a man with her clothes on, let alone taking off her clothes, the man would still stare at her intently!

“Miss Ge, I definitely don't mean to dislike you. It's just that you and I have no name and no status. I am irresponsible to you now that I have taken over your body.”

“You'd better put your clothes on quickly so as not to be seen by others...”

After Chen Ping finished speaking, he hurriedly rushed out of the room.

As soon as Chen Ping rushed out of the room, he met Ge Cangsheng who was coming to see him. When he saw that Chen Ping was awake and came out, he immediately said happily: “Mr. Chen, are you awake?”

Chen Ping nodded: “Wake up...”

Chen Ping followed Ge Cangsheng in saying this, but he looked towards the room from time to time. After all, Ge Yuhan was not dressed in the room yet. It would be so embarrassing if Ge Cangsheng knew about this!

Soon, Ge Yuhan also walked out of the room. When Ge Cangsheng saw Ge Yuhan’s face was slightly red and his clothes were disheveled, a smile appeared on his face!

When Chen Ping saw this, he wanted to explain, but did not speak. He knew that there were some things, and the more he explained, the more confused he became. If Ge Cangsheng misunderstood, then let him misunderstand!

“Elder Ge Clan, is the competition still going on now?”

Chen Ping asked Ge Cangsheng.

“It’s still going on, but today is the last day, and the remaining ones are all masters. Mr. Chen has just woken up, so there is no need to compete anymore.”

Ge Cangsheng was afraid that Chen Ping would fight again. With Chen Ping’s current condition, it would be difficult for him to defeat him!

After all, those who can persevere to the end are all powerful monks!

“I just want to go and have a look, I won’t be competing...”

Chen Ping smiled slightly, and then followed Ge Cangsheng to the square!

Chapter: 3773

There were far fewer people in the square at this time, and many failed monks were unwilling to come to the square to watch other people compete!

In the end, there were only ten people left, and they began to challenge each other to a battle!

Chen Ping took a look and found that in addition to the five people on the list, Jin Yuan, Lu Chang and Han Qing'er were also present and stayed!

"Chen Ping..."

Seeing Chen Ping wake up, Han Qing'er actually gave up the fight in the ring, jumped up and landed in front of Chen Ping!

"Chen Ping, are you awake? I didn't expect you to wake up so quickly..."

Han Qing'er looked at Chen Ping with a smile on her face!

"You're still fighting, and you just ran away like this?"

Chen Ping asked in surprise.

After all, the more final and every victory is, the more important it is to their respective secret realms!

"It's okay, I just need to admit defeat!"

Han Qing'er said nonchalantly!

Since it was him who jumped from the ring, it was in line with the rules for Han Qing'er to admit defeat directly!

"Han Fusheng, it seems that your daughter has taken a liking to Chen Ping?"

On the high platform, Yu Qian said to Han Fusheng, the master of Zixiao Mansion.

"Haha, you can't stay in a female university..."

Han Fusheng chuckled, and then glanced at Lu Buwei, the master of Waning Moon Castle not far away!

After all, Han Qing'er and Lu Chang are childhood sweethearts as they are both in the Thunder Gate Secret Realm, and the two families also intend to bring them together!

However, in this secret conference, Han Fusheng also saw his daughter Han Qing'er's admiration for Chen Ping!

Coupled with Chen Ping's domineering aura when he killed Feng Wuhen, Han Fusheng also had a good impression of Chen Ping!

Although Chen Ping's current strength is not very high, Chen Ping's potential is unlimited.

This is what Han Fusheng likes about Chen Ping!

"Although this Chen Ping is not at a high level, his strength and physical strength are unheard of. In just a few days, all his injuries have healed. What a perverted body this is!"

Feng Jingyan actually praised Chen Ping!

Chapter: 3774

You must know that Chen Ping just killed his apprentice Feng Wuhen a few days ago, and now Feng Jingyan is openly praising Chen Ping, which is very unreasonable.

However, Feng Jingyan suddenly praised Chen Ping's physical body for his own reasons. He just wanted these people to pay attention to Chen Ping. With such a powerful physical body, coupled with the treasures on Chen Ping's body, Feng Jingyan believed that there must be someone I have already been interested in Chen Ping!

In this way, Chen Ping will become the subject of everyone's research, and Chen Ping will become a guinea pig and completely lose his life!

"This Chen Ping does have too many secrets..."

Yu Qian's eyes narrowed slightly and he said calmly.

"Chen Ping, today is the last day of the competition, why don't you take action?"

"If you don't take action, you won't be able to win three games. In that case, most of the Ge family's resources will belong to me, Zhanyue Pavilion."

Jin Lifu walked up to Chen Ping and said to Chen Ping!

"Jin Lifu, Mr. Chen has just woken up and is not suitable for fighting. If you lose, you lose. The Ge family will not deny the matter of resources."

Ge Cangsheng said to Jin Lifu.

"That's good. With your words, I feel relieved..."

Jin Lifu left with a proud look on his face!

“Old Ge clan, otherwise...”

Chen Ping wants to give it a try, but he can't just watch the resources given away!

“Mr. Chen, your body is the most important thing. It's just some resources. If you don't have them anymore, we'll just look for them!”

Ge Cangsheng persuaded Chen Ping!

Chen Ping nodded. Now all the monsters in the Monster Mountain Range are under Chen Ping's jurisdiction. Then he can get some beast elixirs for the Ge family!

“Chen Ping, after the Secret Realm Conference is over, I will take you to our Thunder Gate Secret Realm. The environment there is much better than the Fire Gate Secret Realm.”

Han Qing'er extended an invitation to Chen Ping!

Chen Ping really wanted to go with Han Qing'er. After all, he approached Han Qing'er just to go to Zixiao Mansion and investigate his mother!

But now is not the time. Chen Ping has to return to the secular world after the secret realm conference. Su Yuqi and the others have been sealed in the secret realm of Taoism. Chen Ping must find a way to rescue them!

In addition, Chen Ping has to go to the hidden world. He also has a map of the ruins in his hand. If he can successfully find the ruins, Chen Ping's strength can be improved again.

Only when his strength becomes stronger can Chen Ping be able to travel among the eight secret realms. Now even if he goes to Zixiao Mansion and knows his mother's whereabouts, with Chen Ping's current strength, he cannot take his mother away.

“It will take a while. The Secret Realm Conference is over. I have to go back to the secular world. There are some things that I haven’t finished yet...”

Chapter: 3775

Chen Ping declined Han Qing’er’s invitation!

“Okay, but after you finish your work, you must remember to find me. I will tell you the entrance address and formula of the Thunder Gate Secret Realm...”

Han Qing’er leaned close to Chen Ping’s ear, and then told Chen Ping the entrance address and formula of the Thunder Gate Secret Realm!

It is very important for a secret realm to know the address and formula for the entrance to the secret realm. Now Han Qing’er actually told Chen Ping, which shows that she has a special liking for Chen Ping!

Lu Chang’s face turned green with anger when he saw Han Qing’er chatting and laughing with Chen Ping!

With Yao Shenghui’s final victory, the Secret Realm Conference also ended. This time, the number one on the list is still Yao Shenghui!

It’s just that Chen Ping is a dark horse. If Chen Ping is not injured and follows Yao Shenghui to fight, it is not certain who will win in the end.

Chen Ping’s level is not high, but the treasures on his body are indeed visible to everyone, especially the Dragon Pattern Bell, which directly trapped the demonized Feng Wuhen inside, unable to move, and was finally shaken to a pulp!

If Yao Shenghui was trapped in the Dragon Pattern Bell, the result would probably be the same.

“Master Yu, the competition is over, I think it’s time to announce the end of our Secret Realm Conference...”

Yao Qisheng said to Yu Qian!

Yu Qian nodded, stood on the high platform, glanced at everyone, and then announced the end of the conference!

But before Yu Qian opened his mouth, suddenly the whole earth began to tremble, and then countless spiritual energy surged out from the ground, and then formed a huge black vortex in mid-air!

Stars twinkled in the vortex, turbulent currents flew around, and streams of pure spiritual energy kept emerging from the vortex.

Feeling the pure spiritual energy, everyone was shocked!

“This...this is the opening of a new secret realm...”

Ge Cangsheng looked at the whirlpool in mid-air and said excitedly.

“A new secret realm?”

Chen Ping was a little surprised. Weren't these secret realms already created during the war between gods and demons?

Why did a new secret realm suddenly appear?

Ge Cangsheng saw Chen Ping's doubts and hurriedly explained: “Mr. Chen, this secret realm is not fixed or unchanging. Every time a new secret realm is opened, another secret realm will die... ..”

“But who created this new secret realm?” Chen Ping asked.

Ge Cangsheng shook his head: "I don't know then. Anyway, every time a new secret realm is opened, the secret realm is filled with rare treasures, and the aura is much fuller, just like a paradise in the world!"

"So every time a new secret realm is opened, there will be another dispute..."

Chapter: 3776

Chen Ping was silent. Outside of these eight secret realms, there are still experts who can create secret realms!

These experts are most likely the monks from the human world that the Blood Demon mentioned.

"The Heavenly Realm, what on earth is this place..."

Chen Ping's heart was full of daydreams about the human world that day!

However, he knew that with his little ability, he could not get through the eight secret realms, so how could he have the ability to go to the world of gods and humans!

Everyone stared blankly at the black whirlpool. Within the whirlpool was another unknown space. No one knew whether there was any danger there.

After a moment of silence, Yu Qian slowly said: "Everyone, the opening of this new secret realm is a huge opportunity for our eight secret realms. However, in order to explore this secret realm, I decided to take the risk to go in and have a look. After I come out Before now, please don't enter casually!"

Yu Qian said in a tone that was considerate of everyone, but everyone knew that Yu Qian was planning to occupy the resources in the new secret area!

After all, those who enter first have a unique advantage!

However, looking at the turbulent black whirlpool, the danger inside is also unknown, so the first person to enter is definitely the most dangerous!

So Yu Qian proposed to be the first to enter, and no one objected!

Yu Qian mobilized all the spiritual power in his body to form a barrier around his body, and then his body slowly floated towards the black vortex!

Soon, Yu Qian's body sank into the black vortex, and everyone watched nervously!

“ah.....”

But with a scream, Yu Qian's body fell down instantly like a kite with its string broken, and fell heavily to the ground!

Yu Qian was covered in blood at this time, and his body was covered with wounds, as if he had been slashed by a knife!

“dad.....”

Seeing this, Yu Jiameng hurriedly stepped forward and helped Yu Qian up!

“Master Yu, what's going on?”

Yao Qisheng stepped forward and asked Yu Qian.

You must know that Yu Qian is the strongest here. Now that Yu Qian has just entered the black whirlpool, he has become like this, so many people want to know what Yu Qian has experienced!

“What a powerful force. The turbulence in this whirlpool is so powerful that it can't be resisted at all...”

Yu Qian's face was pale and he said with fear in his eyes.

When everyone heard this, they were dumbfounded. If even Yu Qian couldn't enter, then no one else could even think of entering!

Chapter: 3777

For a moment, everyone looked at the black vortex and fell into silence!

"Let me try....."

Chen Ping said, jumped up, and headed towards the black whirlpool. The indestructible golden body activated, and Chen Ping's whole body was wrapped in golden scales!

When Chen Ping entered the vortex, a terrifying force instantly penetrated into Chen Ping's body. Chen Ping was shocked and hurriedly tried to suppress this force!

The dragon crystal in Chen Ping's body began to shine, and a golden dragon rushed out of Chen Ping's body and soared around Chen Ping, resisting the surrounding turbulence!

And in Chen Ping's body, a fire phoenix spread its wings and actually followed the power that entered Chen Ping's body to compete!

Chen Ping's eyes suddenly went dark and he fainted!

At the same moment, in the sea not far from Kunlun Mountain in the hidden world, a soaring water column shot straight into the sky!

Immediately afterwards, a stormy sea arose, and as the water column fell, a whirlpool with a diameter of tens of meters appeared in the sea!

The whirlpool is pitch black and bottomless...

This kind of vision instantly attracted everyone in the hidden world!

Looking at the bottomless whirlpool in the sea, everyone was stunned!

At this moment, from the whirlpool, there was thick spiritual energy coming out. Everyone felt this pleasant breath, and they couldn't help but jump in one after another!

Qu Yunchang, who was dozens of miles away, also felt the changes in this area and came quickly on a killer whale!

Looking at the huge whirlpool in front of him, feeling the spiritual energy constantly emerging from the whirlpool, Qu Yunchang frowned slightly!

"Is there a hole in the secret realm?"

Qu Yunchang could clearly feel those auras, which were definitely not available in the secular world!

And the only place that can possess such aura is in the secret realm!

But the entrance to each secret realm is extremely hidden, and there are formations to hide it, which require oral instructions. But now a huge secret realm entrance suddenly appears in the deep sea. This should be a hole in a certain secret realm!

After pondering for a moment, Qu Yunchang also jumped in!

.....

In the secret realm, Chen Ping was still unconscious, and the turbulent power in the black vortex was constantly attacking Chen Ping.

Fortunately, a dragon and a phoenix, one inside and one outside, protected Chen Ping, otherwise Chen Ping would have turned into meat by now!

Suddenly, a dazzling light burst out from the vortex, and a beam of light struck Chen Ping as fast as lightning.

Chapter: 3778

From the outside, a ray of light suddenly flashed in the black vortex and then extinguished, and the terrifying aura exuded by that ray of light shocked everyone!

“Hmph, Chen Ping is so arrogant that he dares to break through the whirlpool that even the head of the family cannot pass!”

Feeling the terrifying aura emitted by the light just now, Lu Chang smiled coldly and said: “If Chen Ping hasn’t come out after such a long time, he must have died inside...”

“Shut up, Chen Ping won’t die!” Han Qing’er glared at Lu Chang fiercely and said!

Lu Chang didn’t speak, but his hatred for Chen Ping deepened!

At this time, Chen Ping was severely bombarded by the brilliance. Although his body was not injured, the crystal skull in his storage ring actually fell from the storage ring, and then floated slowly. stand up!

The appearance of the crystal skull made the turbulence in the black vortex even more terrifying. The crystal skull began to emit light and slowly fell on Chen Ping’s chest!

With a flash of dazzling light, the crystal skull disappeared, but on Chen Ping’s skin, there was a skull like a tattoo!

The power that entered Chen Ping’s body at this moment was also instantly absorbed by the skull tattoo on Chen Ping’s chest.

As the power in Chen Ping’s body disappeared, Chen Ping slowly opened his eyes!

But as soon as he opened his eyes, Chen Ping felt a stabbing pain in his chest. Chen Ping quickly looked down. When he saw the skull tattoo on his chest, Chen Ping was dumbfounded!

“How is this going?”

Chen Ping had a look of surprise on his face, but before Chen Ping could figure it out, he felt his body light up and instantly fell onto a boulder!

Chen Ping only felt that the breath in his body was suppressed, and blood surged all over his body, and then a mouthful of blood spurted out.

The blood that Chen Ping spurted out was so dark that it fell on the boulder and melted through the boulder in an instant!

Looking at the melted boulder and the dark blood, Chen Ping was stunned!

He didn't understand what was happening to his body!

Looking at the surrounding environment, Chen Ping can be sure that he has arrived in this newly emerged secret realm!

The spiritual energy in the secret realm was extremely pure, which made Chen Ping feel very comfortable.

However, Chen Ping found that the spiritual power in his body seemed to be suppressed by something and could not be exerted at all.

“Is it because of the skull tattoo?”

Chen Ping looked at his chest, then grabbed it, trying to tear off this piece of flesh and blood.

But just after Chen Ping's hand came close to the skull tattoo, the skull instantly emitted a spiritual light, causing Chen Ping's hand to bounce back!

"Boy, you are lucky that I borrowed your body to revive my soul. You actually want to abandon me?"

Chapter: 3779

At this moment, an old man's voice actually sounded in Chen Ping's mind!

"Where are you? Who are you?"

Chen Ping was stunned, looked around, and then asked loudly.

"I'm right on your chest. You picked up my skull and you still don't know who I am. If you didn't pick up my skull, I can now use this secret realm to be resurrected."

"Now I can only use your body. When you find what I need, I will naturally leave your body!"

The old man's voice sounded again!

Chen Ping suddenly remembered that the crystal skull in his storage ring had a treasure map on it!

But when Chen Ping checked, he found that the crystal skull was gone. It seemed that the skull tattooed on his chest was the crystal skull!

"Who are you? I picked up your skull out of curiosity and the treasure map on it."

Chen Ping explained!

"It doesn't matter who I am. Even if you tell me, you don't know me. Just take me and follow the directions of the treasure map to the place."

The old man said impatiently.

When Chen Ping heard this, he was stunned. He didn't expect that the treasure map on the skull would be in this newly opened secret realm!

But the old man didn't want to say it, so Chen Ping didn't ask further questions. However, at this moment, Chen Ping's strength was only half that, and he couldn't help but feel worried and confused!

"I can't use all the spiritual power in my body. Is it related to you?"

Chen Ping asked the old man.

"What does it have to do with me? You can't use your full strength because there is the power of heaven in this secret realm, and you are suppressed by heaven."

"The power of dragon and phoenix in your body is not fully integrated, so it will be suppressed by heaven."

The old man said.

"The power of dragon and phoenix?" Chen Ping frowned and instantly remembered the fire phoenix in his body before he fell into coma.

He only has the power of the divine dragon in his body, when will he have the power of the fire phoenix?

Could it be?

Chen Ping thought of the Fire Phoenix in the Monster Mountain Range, but when Chen Ping and the Fire Phoenix separated, he didn't have the power of the Fire Phoenix in his body!

But why is there an extra power in the body now?

Chapter: 3780

As if sensing Chen Ping's doubts, the old man's voice sounded again: "This is the power of dragon wind produced by the intercourse of dragon and phoenix!"

"You guys can't play with others and now you don't admit it, right?"

The old man's words made Chen Ping even more confused. He had never done anything like that with Huofeng.

Suddenly, Chen Ping thought of the very comfortable dream he had during those days when he was in a coma!

He thought the woman was Ge Yuhan, but he misunderstood Ge Yuhan, and Chen Ping always thought it was a dream!

But now it seems that that woman should be Huofeng...

After he followed the fire and phoenix, he produced the power of dragon and wind, but the time was too short and the two powers had not been fully integrated.

Chen Ping felt a little embarrassed when he thought that he had done that kind of thing with Huofeng while he was in a coma!

"Okay, stop whining. Men have to admit it after playing with each other. Besides, you two are a perfect match."

"And that little girl is willing to give you all the power of the fire phoenix in her body, so she must be sincere towards you."

“Just find a chance to marry that little girl. Now you quickly lead me to find that place according to the guidance of the treasure map.”

The old man urged Chen Ping!

Chen Ping adjusted his mood and began to follow the guidance of the treasure map and set off towards the destination!

Although his strength is suppressed by Heaven, fortunately there will be no other people in this secret realm, and there will be no danger, so Chen Ping is not worried!

At this time, everyone in Ge Cangsheng had not seen Chen Ping come out for a long time, so they guessed that Chen Ping must have entered a new secret realm!

Although Yu Qian was injured by the power of the turbulence and was knocked out directly, something impossible would always happen to Chen Ping!

Rumble.....

At this moment, the ground beneath Ge Cangsheng's feet began to shake violently.

“It's broken. This secret realm is about to collapse. Leave now...”

Yu Qian felt the vibration of the earth and shouted loudly!

When everyone saw this, they started running towards the teleportation array, and then teleported into their own secret realm!

After Ge Cangsheng took a look at the black whirlpool, he had to leave. When a new secret realm opens, an old secret realm will die!

But I didn't expect that the secret realm that disappeared was actually the place where they held the secret realm conference!

However, the demise of this secret realm should be related to the dragon pattern bell being taken away by Chen Ping!
