

The Order 3781

Chapter: 3781

Soon, everyone in the secret realm left, and the entire secret realm fell apart with a huge roar, and finally dissipated!

At this time, Chen Ping did not know that the secret realm where the secret realm conference was held had collapsed and died, and he was still on his way following the guidance of the treasure map!

But just after Chen Ping passed through a jungle, he suddenly stopped, and then his expression became a little nervous!

Because he felt that there were other breaths approaching him, and there were more than one person!

“Hey, how come there are other people in this secret place?”

The old man couldn't help but wonder.

Chen Ping also didn't expect that someone would appear in this new secret realm. Could it be that other people came in after seeing that he didn't go out?

However, Chen Ping's strength was suppressed at this time. Without knowing the identity of the other party, he did not dare to move forward rashly, so he found a place to hide and check the situation first!

Soon, dozens of figures slowly appeared. When these people approached, Chen Ping was stunned!

Because these people are not people from the eight secret realms, but people from the hidden world!

Although Chen Ping didn't know most of them, Chen Ping had met and dealt with Tong Yougong from the Tianlei Sect and Bao Yukun from the Alchemy Sect!

There are also a few middle-aged people among them, and their auras are extremely powerful. They have obviously reached the realm of the Martial Emperor. It seems that these middle-aged people should be at the level of sect masters!

“Old boy, I really didn’t expect that there is an entrance to a secret realm near our hidden world. This place is really a paradise. Breathing a few breaths of air can make people feel relaxed and happy. I will move my gang here from now on!”

Leng Wudao said excitedly.

“Yes, it’s really good here, and I’ve seen it. The medicinal herbs here are also very rich. I want to move the Medicine Refining Sect here too...”

“And this place is countless times larger than our hidden world. This saves us from fighting openly and secretly for resources and territory.”

Bao Yukun also looked excited when he looked at the mountains of medicinal herbs.

“Don’t be too happy, you two. If there is an owner in this secret realm, we will definitely cause trouble if we rush in like this. I think we should go around first. If it is an ownerless secret realm, we can Consider moving here!”

Tong Haiyang said!

“Yes, let’s take a walk first. I think a few others must have come in, but I don’t know where they were teleported to. Let’s see if we can touch them!”

Bao Yukun nodded and said!

Chen Ping hid in the dark, listening to the conversation of several people, and he could generally understand it!

It turns out that the entrance to this new secret realm has also been opened in the hidden world. No wonder these people from the hidden world entered it!

Seeing these people getting closer and closer, Chen Ping held his breath and completely controlled his aura, for fear of being discovered!

Chapter: 3782

After all, Tong Haiyang of the Tianlei sect and Leng Wudao of the Feixing sect both think that they killed their sons and want revenge on themselves!

Now Chen Ping is praying not to be discovered by these people. In addition, he hopes to meet Yue Buqun and the others from Chunyang Sect. Chen Ping's strength is now suppressed by Heaven. If he is really in danger, Yue Buqun is here, and there is someone helper!

At this time, Chen Ping thought of Qu Yunchang again. It would be great if he could also enter this secret territory. With Qu Yunchang's strength, Chen Ping is not afraid of these people!

Whatever is scary comes. When these people passed by Chen Ping, although Chen Ping was already trying to control his aura, he was still discovered by Leng Wudao!

"Who? Come out quickly..."

Leng Wudao stopped and then looked towards where Chen Ping was hiding!

Following Leng Wudao's loud shout, dozens of pairs of eyes looked towards where Chen Ping was hiding!

When Chen Ping saw this, he knew he couldn't hide anymore, so he slowly got up!

When he saw Chen Ping, Leng Wudao frowned and said, "Who are you?"

Leng Wudao had never met Chen Ping. Seeing that Chen Ping was not from the hidden world, he asked!

“Chen Ping, why are you here?”

At this time, Tong Yougong recognized Chen Ping and asked with surprise.

When Leng Wudao heard that it was Chen Ping, he instantly burst out with infinite killing intent!

“This secret realm doesn’t belong to your family, why can’t I be here?”

Chen Ping replied to Tong Yougong.

“you.....”

Tong Yougong’s face turned cold and he was about to attack Chen Ping, but was stopped by Tong Haiyang!

“This kid is very strong, you may not be his opponent...”

Tong Haiyang knew that even Wang Defa was no match for Chen Ping, so Tong Yougong couldn’t beat Chen Ping!

They still don’t know that Chen Ping’s strength is suppressed at this time, and even if Tong Yougong takes action, he can defeat Chen Ping!

“Are you Chen Ping?” At this time, Leng Wudao took a step forward with murderous intent and stood in front of Chen Ping and asked.

“Yes!” Chen Ping nodded, and then asked: “Who are you?”

“I am Leng Wudao, the leader of Feixing Sect. The Leng Yun you killed is my son.”

When Leng Wudao mentioned Leng Yun, the murderous intent in his eyes became even stronger!

Chapter: 3783

“I have already said that Leng Yun was not killed by me. It was the Great Protector of the Burning Heaven Sect who absorbed his strength, so he died. It has nothing to do with me.”

Chen Ping explained!

“Do you think I will believe you?” Leng Wudao said with a gloomy face: “I know that you are very strong. Even the number one killer of our Feixing Sect, Lord Qisha, died in your hands, but today you touch me, I will never let you go.”

When Chen Ping heard this, he was stunned for a moment, because the Qi Sha Lord had escaped long ago, and he did not kill him. He didn't understand, why did the other party die?

But just when Chen Ping was stunned, the aura on Leng Wudao's body had already burst out, and the terrifying power of the Martial Emperor was like a mountain, pressing towards Chen Ping!

Leng Wudao wanted to see how strong Chen Ping was at such a young age. He could even kill Lord Qi Sha!

But when the terrifying aura enveloped Chen Ping, Chen Ping instinctively exuded the spiritual power in his body to resist!

It's a pity that his strength is suppressed. Whether it's spiritual power or divine dragon power, very few can be used!

As soon as Chen Ping released his aura to resist, he was instantly pressed to the ground by a huge force!

The huge pressure instantly caused cracks to appear on the ground under Chen Ping's feet. Chen Ping lay on the ground, gritting his teeth, his face extremely ferocious!

If Chen Ping's physical body hadn't been strong enough, he would have turned into a puddle of meat by now!

Leng Wudao took back his breath and looked at Chen Ping in surprise!

"Why do you only have this little strength?"

Leng Wudao frowned. With Chen Ping's strength, how could he kill Leng Yun, and how could he kill Lord Qisha?

Tong Yougong was also very surprised to see Chen Ping like this. Even when he saw Chen Ping for the first time, Chen Ping's strength was not so weak!

"Chen Ping, stop pretending. You can't be so weak. Do you want to show weakness on purpose and deceive us?"

Tong Yougong asked loudly!

Chen Ping stood up slowly, there was blood on the corner of his mouth, but he didn't speak!

It was impossible for him to say that his strength was suppressed!

Seeing that Chen Ping didn't speak, Tong Yougong slapped Chen Ping with a palm, and a bright energy roared towards Chen Ping, hitting Chen Ping hard on the chest!

Chen Ping frowned slightly and hurriedly mobilized the power of the dragon to activate the indestructible golden body!

As Chen Ping's body flashed with golden light, golden scales began to cover Chen Ping's body.

But as soon as these scales were covered, Chen Ping instantly felt that his dragon power was dissipated, his whole body became weak, and the indestructible golden body that had just been activated also dissipated!

Bang.....

Chapter: 3784

This palm hit Chen Ping firmly on the chest, knocking Chen Ping away directly. Chen Ping flew backwards all the way, directly breaking more than a dozen trees, and then he hit them together hard. Stopped on the boulder!

Chen Ping only felt that his internal organs were surging, and a mouthful of blood spurted out!

“how so?”

Tong Yougong looked in disbelief. His palm just now was not with all his strength, but it hit Chen Ping so hard that he was unable to fight back!

“His aura is dissipating. It seems that his physical strength must be injured, which is why he cannot gather his strength.”

At this time, Tong Haiyang spoke. He had been observing Chen Ping. Just when Chen Ping mobilized the power of the dragon and activated the indestructible golden body, the power soon collapsed. This shows that Chen Ping is not weak, but For some reason, the power cannot be gathered!

“I don’t care if you are not strong enough or if you are injured and cannot gather your strength. You must be responsible for my son’s death.”

“Today I will avenge my son...”

After Leng Wudao finished speaking, he waved his palm towards Chen Ping!

As the Martial Emperor, Leng Wudao waved his hand casually, and the color of the world changed instantly. A huge palm print appeared in mid-air, like a mountain of five fingers, pressing towards Chen Ping!

Before the palm print came, the coercive force had already pushed Chen Ping to the ground in an instant, making him unable to stand up at all.

Chen Ping was lying on the ground, the bones in his body creaking. The huge pressure made his body begin to crack, and blood marks appeared one after another!

Chen Ping looked at the huge palm print in the air. At this moment, he felt the breath of death, and death was right in front of him!

Scenes of scenes began to flash through Chen Ping's mind, and figures of women appeared one after another.

And in a daze, he seemed to see his mother, with a kind smile on her face, slowly walking towards him!

He also saw his father, that majestic and tall figure, but he couldn't see his father clearly!

Even so, Chen Ping was already very satisfied, with a faint smile on his face!

"It seems that I have to find another host..."

The old man's voice rang out.

He couldn't help Chen Ping, he wasn't even a soul at this time.

Chapter: 3785

At this time, Liu Xing and Liu Rui helped Chen Ping up, and it was Yue Buqun of Chunyang Sect who resisted the huge palm print!

“Zongzhu Yue, thank you...”

Chen Ping saw this and thanked him!

“Mr. Chen, you are too polite. I didn’t expect you to enter here...”

Yue Buqun put away his breath and said!

“Yue Buqun, are you going to openly oppose my Feixing Sect for this kid?”

Seeing Yue Buqun save Chen Ping, Leng Wudao asked with a cold face.

“Whoever touches Mr. Chen is the enemy of our Chunyang Sect...”

Yue Buqun said firmly!

At this time, dozens more people came from all directions, and the three sects and six sects of the hidden world arrived!

However, many sects follow Chen Ping without any enmity, so they have no hostility towards Chen Ping!

Although there is no hostility, it does not mean that they will save Chen Ping!

These people stood on one side, watching quietly as Yue Buqun and Leng Wudao faced off!

In terms of strength, the Chunyang Sect is not as strong as the Feixing Sect, but Leng Wudao doesn’t want to follow the Chunyang Sect to use force at this time!

When the time comes, both sides will suffer. If they want to move to this secret place and occupy a place, it will be difficult!

Although these sects can usually live in harmony, it is because they are all about the same strength, but if one party is too weak, it will not take long before it will be annexed!

It is precisely because of this that for so many years, there has not been any major friction between the three sects and the six sects. After all, no one wants to be annexed!

“Old boy, your son was also killed by Chen Ping. Don’t you want to take revenge?”

Leng Wudao looked at Tong Haiyang and asked!

If the Feixing Faction and the Tianlei Faction join forces, the Chunyang Sect can be easily wiped out!

“He killed my son, but I haven’t thought about revenge yet...”

Tong Haiyang said calmly!

Tong Youcai was not his biological son at all, so Tong Haiyang didn’t care at all. The reason why he sent Tong Youcai there was because he wanted to kill Tong Youcai with Chen Ping’s help!

“Old boy, the enemy who killed your son is right in front of you, why are you indifferent?”

Chapter: 3786

“As long as our two families join forces, even this old guy Yue Buqun can’t stop him.”

Leng Wudao persuaded Tong Youcai!

“I can’t stop you, but I can blow myself up and kill everyone!”

After Yue Buqun finished speaking, he loudly ordered: “Disciples of the Chunyang Sect, listen to the order...”

“If someone takes action against Mr. Chen, he will immediately blow himself up, even if we both die together, we will do whatever it takes...”

“yes.....”

All the disciples of Chunyang Sect began to breathe heavily!

At this time, Leng Wudao was dumbfounded. He never expected that Yue Buqun would make such a choice!

“Yue Buqun, are you worth it for this Chen Ping?”

Leng Wudao shouted in confusion.

“It’s worth it!” Yue Buqun said firmly!

Seeing that Yue Buqun was serious, people from other sects couldn’t bear it anymore. If Yue Buqun blew himself up, they wouldn’t be able to feel better.

“Zongzhu Yue, calm down, don’t be so nervous, we can discuss anything...”

Bao Yukun stood up and persuaded Yue Buqun.

Yue Buqun ignored Bao Yukun. This guy was not a good guy. He had colluded with the Burning Heaven Sect and deceived him for so many years. Yue Buqun had long hated him!

“Mr. Chen, can you still move now?”

Yue Buqun asked Chen Ping.

Chen Ping nodded: “No problem!”

“Mr. Chen, you leave now, as far away as possible. Leave the affairs here to me!”

Yue Buqun told Chen Ping to run away quickly!

If Chen Ping had always been here, Yue Buqun didn't know how long he could protect Chen Ping!

What he just said about self-destruction was just to scare Leng Wudao!

People from the three sects and six sects are all here. Even if Yue Buqun wants to blow himself up, will these people watch indifferently?

They will definitely work together to stop it. After all, self-explosion will cause harm to others!

Chapter: 3787

When there is a real threat to the interests of other people, these people will unite, and then Yue Buqun's Chunyang Sect will have no room for resistance at all!

While Leng Wudao was frightened by him, he wanted Chen Ping to escape quickly!

Chen Ping nodded, then turned around and ran away!

Leng Wudao saw this and was about to take action when Yue Buqun immediately stepped forward and made a desperate gesture in front of Leng Wudao!

Leng Wudao just watched Chen Ping disappear from in front of him!

“Yue Buqun, I, the Feixing Sect, will fight with your Chunyang Sect until death...”

Leng Wudao said through gritted teeth.

“You think I’m afraid of you!”

Yue Buqun didn’t show any weakness at all!

Yue Buqun and Leng Wudao both looked at each other eagerly!

But soon, Leng Wudao suddenly showed a smile on his lips, and then said: “Yue Buqun, I really scared you just now. Everyone is here now. Even if you want to self-destruct, others will stop you.” Yours, there’s no way you can succeed.”

“Since Chen Ping is in this secret realm, I will never let him escape, even if I use all my Feixing Sect’s resources.”

“Everyone here, as long as any one of you encounters Chen Ping and kills him, I, Leng Wudao, am willing to give him all the resources of the Flying Star Sect for three years.”

“You have also seen that Chen Ping is seriously injured now and is like a disabled person. It does not take any effort to kill him!”

Leng Wudao knew that it would be difficult for him to rely on his Feixing Sect to find Chen Ping in such a huge secret realm, and there was Yue Buqun standing in the way!

He could ask everyone from the three sects and six sects to go find Chen Ping and kill him, but he didn’t believe that Yue Buqun could still follow all the sects in the hidden world as enemies!

Sure enough, as soon as Leng Wudao's words came out, everyone's eyes were filled with heat and their expressions became excited.

Although they followed Chen Ping without any grievances, in the face of huge resource interests, they could kill an unrelated person.

At this moment, Yue Buqun's face was extremely ugly, and he could only threaten loudly: "If anyone attacks Mr. Chen, I, Yue Buqun, will fight with him to the death..."

However, Yue Buqun's threat at this moment seemed a bit insignificant in the eyes of everyone!

Yue Buqun's strength is not enough to fight with the entire hidden world sect!

Now Yue Buqun could only pray that Chen Ping could stay away from him or even leave this secret realm!

At this moment, Chen Ping was running desperately, his strength was suppressed, leaving him with no other choice than running for his life!

But what Chen Ping didn't know was that there were already many people in the entire secret realm looking for him!

Chapter: 3788

"You have to quickly find the place marked on the map. Only when you get to that place can I help you."

The old man's voice rang in Chen Ping's ears!

Chen Ping really wanted to curse at this moment. He also wanted to find that place as soon as possible, but walking in the mountains and forests, and having to constantly identify the map location, it was impossible to do it quickly!

"What is the place you are looking for? Can you be resurrected once you reach this place?"

Chen Ping didn't understand, who was this old man? He didn't even have a soul, could he still be resurrected just by relying on his skull?

Chen Ping has seen souls resurrected, but he has never seen anyone resurrected by relying on a skull!

"What do you know? My soul has not dissipated, it is just no longer in this place. When it reaches that place, you can use my skull to locate the coordinates and let my soul travel here."

"When my soul arrives, those guys who just bullied you will be worse than ants in my eyes..."

The old man said very proudly!

Chapter: 3789

"You don't have to worry about who we are, we have no grievances, but the Feixing Faction has offered three years of resources to take your head, so don't expect to be able to get it out of here!"

"If you stick your head out obediently, you will suffer less pain. Otherwise, don't blame us for being rude..."

The short man slowly pulled out the long knife and looked at Chen Ping as if he was seeing a treasure!

Chen Ping was shocked and stepped back involuntarily. He didn't expect that Leng Wudao would offer such a high reward in order to kill him!

From this point of view, even Yue Buqun couldn't stop him. After all, it was impossible for the Chunyang Sect to become enemies with all the sects in the hidden world!

Chen Ping looked at the two men in front of him, both of whom were in the realm of fifth-grade Martial Gods. If Chen Ping's strength had not been suppressed, these two guys would not put him in Chen Ping's eyes at all!

But now that Chen Ping's strength has been suppressed, it may be impossible to deal with these two men!

Chen Ping kept thinking, what he can use now is the Dragon Slaying Sword. The Dragon Slaying Sword already has a sword spirit and can attack independently, so it does not need Chen Ping's control!

However, the Dragon-Slaying Sword can be used against one person, but it is impossible to deal with two masters of the fifth-grade Martial God realm!

"It would be great if the Blazing Tiger was here..."

Chen Ping began to miss the Flame Tiger. If the Flame Tiger didn't die, he wouldn't have to be so afraid when facing these two guys!

The short man saw that Chen Ping was not moving, so he slashed with his sword, and a bright light burst out. This sharp blade cut through the void and roared towards Chen Ping!

Chen Ping gritted his teeth, burst out a burst of spiritual power with all his strength, and then protected his body!

Bang.....

This knife struck Chen Ping's body hard, and Chen Ping was instantly knocked away. There was a blood mark on his strong body!

"This kid's body is really strong. This knife only made a bloody mark."

The short man said in surprise!

"I hope his neck is not so hard, otherwise I will chop it off a few more times..."

In addition, the tall man also drew out the knife!

The two people faced Chen Ping, with proud sneers on their faces, and walked towards Chen Ping step by step.

“You two get out now, I can still spare your lives...”

Chen Ping looked at the two of them coldly and said.

The two of them were stunned for a moment, and then burst into laughter: “Are you crazy, you are like this now, and you still want to save our lives? I will send you on your way with a casual knife!”

As he spoke, the short man slashed at Chen Ping with his knife!

Chapter: 3790

After knowing that Chen Ping was not a threat, the short man began to be careless. In his eyes, Chen Ping was like a piece of fish on the chopping board, ready to be slaughtered at any time!

Seeing this, Chen Ping put his fingers together and suddenly waved his fingers, a golden light burst out, and then the dragon-slaying sword fell from the sky. The green-edged sword light was like a waterfall in the Milky Way, flowing down!

The short man was stunned for a moment, and then he felt killing intent coming from above his head. The terrifying killing intent made him tremble in his heart!

Looking up, he saw sword lights falling from the sky. This sudden change made the short man’s face change and he became panicked!

He never imagined that Chen Ping, who was without any threat, could exude such terrifying murderous intent!

He finally knows now that Chen Ping is not as weak as he saw!

“cut.....”

Chen Ping waved his hand and slashed the dragon-slaying sword directly towards the short man’s head!

Chen Ping knew that he was going to take advantage of the opponent’s carelessness and kill the opponent quickly!

Otherwise, even with the Dragon-Slaying Sword, there is no way to deal with the two people in front of you!

When the short man saw this, he waved the long knife in his hand, trying to block the sword light in the sky!

brush.....

A golden light instantly passed through the short man’s body, and the short man screamed!

Although his head was not severed, one of the short man’s arms was instantly cut off and fell to the ground!

The short man retreated quickly and followed the Dragon Sword to distance himself!

The tall man looked at Chen Ping in shock. He didn’t expect that Chen Ping had the strength to control the sword and cut off the short man’s arm!

From this point of view, Chen Ping is not without strength and is at the mercy of others!

The short man hurriedly stopped the bleeding, and then looked at Chen Ping in shock, his eyes full of disbelief!

“It turns out you were just pretending all along, you weren’t hurt at all...”

The tall man felt that he had been fooled. Chen Ping was not injured at all, and his strength was definitely above them!

“I never said I was injured. That’s what you always thought.”

Chen Ping smiled coldly, then waved and took the Dragon-Slaying Sword in his hand. The Dragon-Slaying Sword exuded a terrifying aura, and then pointed the tip of the sword directly at the two of them and said: “Don’t you want to use my head in exchange for resources? You can take action now, but I’m afraid you don’t have the ability...”

Chen Ping pretended to be calm, looked at the two of them with disdain and said!

The two of them looked at Chen Ping’s calm expression and the extremely terrifying sword strike just now, and they began to slowly retreat!
