

The Order 381

Chapter: 381

Master Bai also raised the corner of his mouth and said: “You two, now that the matter is done, should I also pay my money?”

“Of course, of course...”

The fat Hong Kong businessman hurriedly took out his mobile phone. After a few operations, 50 million was transferred directly to Master Bai’s name!

Seeing the information received, Master Bai also smiled broadly!

Boom.....

Just when all three people were laughing, the door was suddenly kicked open!

Lin Tianhu rushed in with a fierce look on his face, followed closely by Chen Ping!

“Everyone squat down, no one is allowed to move!”

Lin Tianhu held a bright machete in his hand!

Seeing Lin Tianhu’s appearance and the knife in his hand, the two Hong Kong businessmen thought Lin Tianhu was a robber!

Only Master Bai glanced at Chen Ping behind Lin Tianhu and frowned tightly!

He had an impression of Chen Ping, having met him at Ling Zhenchuan’s house!

At that time, he also vaguely felt that there was something unusual about Chen Ping, so he took another look, but as for what was different, he couldn’t tell!

Chen Ping is an immortal cultivator, how could he, a little warlock, be able to sense the fluctuations of spiritual energy!

“Who are you? Do you know who is standing here? How dare you come here to rob?”

The fat Hong Kong businessman shouted angrily!

“Yes, the person standing here is your Hongcheng leader Ling Zhenchuan. Don’t you want to live anymore?”

The slightly thinner Hong Kong businessman also followed suit.

“Fuck, just squat down if I ask you to do so. There’s so much bullshit!”

Lin Tianhu immediately kicked out two people, knocking the two people to the ground!

The two of them were just businessmen. They lived in fine clothes and fine food all day long. They couldn’t withstand Lin Tianhu’s kick. They lay on the ground wailing one by one!

“Brother, just say whatever you want, as long as you don’t hurt anyone!”

Master Bai looked at Chen Ping and asked.

He could see that Chen Ping was the real person in charge!

Chapter: 382

“You know very well what I want. How dare you come to Hongcheng to run wild with a little seducer!”

Chen Ping raised the corner of his mouth and said with disdain!

“Who are you?” Master Bai frowned. Anyone who can summon soul seduction skills must be of the same kind as him!

“You don’t need to know who I am!”

Chen Ping looked at Ling Zhenchuan, who was standing motionless with a dull expression on his face, and then a beam of spiritual energy penetrated directly from Ling Zhenchuan’s forehead. Ling Zhenchuan’s whole body trembled, and then his eyes became filled with spiritual energy.

“This...where am I?”

Ling Zhenchuan woke up and asked in surprise.

“Mayor Ling, you were lured here by these people’s seduction technique!”

Chen Ping followed Ling Zhenchuan and said.

This time, Ling Zhenchuan did not directly reprimand Chen Ping, but looked at the two Hong Kong businessmen who fell on the ground, and the nervous Master Bai!

His heart was extremely shocked, his mind was completely blank and his thoughts were confused!

“Come and tell Mayor Ling what’s going on?”

Chen Ping pointed at the two Hong Kong businessmen who fell on the ground and said.

“Say!” The machete in Lin Tianhu’s hand was directly placed on the necks of the two of them!

At this time, the two Hong Kong businessmen were so frightened that they almost peed. But just when they were about to speak, Master Bai suddenly took out a cloth bag from his body and shook it hard!

Streams of black mist rushed out from the cloth bag, one by one baring their teeth and claws, filling the entire room in an instant!

Ling Zhenchuan looked at the scene in front of him and was completely frightened. Lin Tianhu didn't react at all. Lin Tianhu had seen these ghosts whether in the Gu family or at Leiming Temple, and Chen Ping also told Lin Tianhu about this, so he didn't No more fear!

"Humph, what a small trick!"

Chen Ping snorted coldly, opened his mouth suddenly, and the black mist was instantly sucked into Chen Ping's stomach!

Seeing that the black fog with its claws and teeth was sucked into Chen Ping's stomach, Master Bai was so frightened!

Ling Zhenchuan was even more stunned. He had never seen such a situation before. These things were beyond his knowledge!

Plop.....

Master Bai was so frightened that he knelt down directly in front of Chen Ping!

"Great Immortal, please have mercy on me, Great Immortal, please have mercy on me, this disciple is aware of his sin..."

Chapter: 383

Master Bai kept kowtowing to Chen Ping!

In Master Bai's view, Chen Ping and he are of the same Taoism, but Chen Ping's Taoism is much higher than his, that's why Master Bai calls himself a disciple!

"Come and explain to Mayor Ling what's going on!"

Chen Ping said to Master Bai.

How dare Master Bai take any chances and tell Ling Zhenchuan exactly what happened!

Ling Zhenchuan was stunned when he heard this. He took the contract from the bed and was stunned. As expected, it had his signature and seal on it.

If Chen Ping hadn't come and the contract had been executed, he would have been the sinner of the entire Hongcheng, and he might even have been arrested!

Cold sweat ran down Ling Zhenchuan's forehead, and he hurriedly tore the contract into pieces!

Panting heavily, Ling Zhenchuan's heart was beating fast. What happened today really changed his perception!

"Little...Mr. Chen, thank you so much. If it weren't for you, the consequences would be disastrous. You kindly reminded me at noon, but I still treated you like that. I'm really ashamed!"

Ling Zhenchuan followed Chen Ping with a face filled with shame.

"Mayor Ling, you're welcome, this is all for the benefit of the people of Hongcheng!"

Chen Ping smiled lightly.

"I really didn't expect that Mr. Chen, at such a young age, cares about the welfare of everyone. Mr. Chen is indeed no ordinary person. Compared with my son who is not up to par, hehe..."

Speaking of his son, Ling Zhenchuan sighed heavily!

"Mayor Ling, don't worry too much, people will always change!" Chen Ping comforted Ling Zhenchuan, and then asked: "What should we do with these three people?"

Ling Zhenchuan looked at the two Hong Kong businessmen and Master Bai and frowned!

Although the three people conspired to control him and get benefits from Hongcheng, the other party was a foreigner after all. Even if they were pursued, they would only be expelled and would not be punished!

“Mayor Ling, leave these three to me. You go back and rest. Don’t go out at night for now. Your soul is damaged and something may happen easily!”

Chen Ping saw Ling Zhenchuan’s dilemma, so he said!

This time, Ling Zhenchuan didn’t say that Chen Ping was suspicious and was talking nonsense. The scene that just happened in front of him still makes him feel scared!

“I understand, then it’s Mr. Lao Chen. When I have time, I’ll come and say thank you in person!”

After Ling Zhenchuan finished speaking, he hurried away. It looked like he was very frightened!

“Mr. Chen, what should we do with these three people? Just throw them into the river and feed them to the fish?”

Chapter: 384

Lin Tianhu asked Chen Ping after Ling Zhenchuan left.

When they heard that they were going to be fed to fish, the three of them were frightened.

“Great Immortal, I beg the Great Immortal to save my life. I have fifty million disciples here. I am willing to honor the Great Immortal, as long as the Great Immortal can let the disciple go back!”

Master Bai said with trembling all over.

When Chen Ping heard this, his eyes suddenly lit up. Since these three people had special status and could not be killed, it would be appropriate to extort them. Chen Ping was short of money now!

“Seeing that it’s not easy for you to practice, I’ll give you 50 million, so get out of here!”

Chen Ping said with a cold face.

When Master Bai heard this, he was immediately happy. It doesn’t matter if you spend money, as long as you can survive. If you don’t have money, you can make money again!

After hurriedly transferring the money to Chen Ping, he got up and ran away!

The remaining two Hong Kong businessmen seemed to have grasped at straws and hurriedly said: "We will give you money, too!"

"You two are the masterminds, so each of you has 100 million to let you go!"

Chen Ping saw that the two Hong Kong businessmen did not look like money-hungry owners, so he spoke.

When they heard that they could let him go with one hundred million, the eyes of the two Hong Kong businessmen shone brightly. They rushed to transfer the money to Chen Ping and then ran away!

Seeing the two people giving money so happily, Chen Ping suddenly felt deep regret in his heart!

"Lin Tianhu, do you think I'm going to be short? These two guys gave me so much pleasure!"

Chen Ping frowned.

"It should be less. I heard that the assets of these Hong Kong businessmen all start at RMB 100 billion!"

"Damn it, you didn't tell me earlier!" Chen Ping suddenly cursed!

But now that things have come to this, Chen Ping can no longer regret it. He has picked up more than 200 million for nothing, which is not bad. When he has almost saved up, Chen Ping plans to go to the drugstore!

Ling Zhenchuan returned home, his face always looked ugly and extremely pale!

"Old Ling, what happened? Look at your ugly face!"

Wang Hui asked with concern when she saw Ling Zhenchuan like that.

“Don’t ask!” Ling Zhenchuan didn’t know how to explain to Wang Hui, so he waved his hand: “You have to watch that bastard for me. Don’t let him take a step out to let me know that he dares to find that Chen Ping.” For trouble, I’ll break his legs!”

After saying that, Ling Zhenchuan went back to the room. Lying on the bed, Ling Zhenchuan couldn’t calm down for a long time!

Chapter: 385

Wang Hui was stunned for a while, and then walked upstairs. She had to give Ling Feng a warning, otherwise Ling Zhenchuan would really dare to break his legs.

At this time, Ling Feng, who was in the room upstairs, was making a call on his cell phone!

Ling Feng couldn’t swallow his anger after his wrist was pinched off by Chen Ping and he still dared to complain!

“Master Ling, why did you remember to call me? This is not your style...”

There was a playful voice on the other end of the phone!

“Wei Tao, don’t talk to me. Now we should cooperate and speak to the outside world as one!”

Ling Feng said with an angry look.

“What do you mean?” Wei Tao asked!

“Su Yuqi actually found a man, and he’s also a prisoner of labor reform. I’m so angry!”

Ling Feng’s teeth clenched loudly!

“What?” Wei Tao raised his voice instantly: “Su Yuqi found a reform-through-labor prisoner? Is she sick? She didn’t choose between the two of us, but chose a reform-through-labor prisoner? But in Hongcheng, there are still people who dare to compete with you Woman? You wouldn’t find someone to do it to him!”

“Don’t mention it, that kid has some skills. My wrist was broken by him. You also know that my dad is old-fashioned. Now he locks me at home and won’t let me go out to take revenge. But I can’t swallow this breath, so I just called you!”

Ling Feng explained.

“Hahaha, Mr. Ling, we are love rivals. Why should I help you? Back in Hongcheng, how did you bully me by relying on your status as the mayor’s young master?”

Wei Tao burst out laughing!

“Wei Tao, I won’t let your help go to waste. As long as you do that kid, Su Yuqi will be yours and I will never steal it from you. In addition, I will find a way for you to find a way for your Wei family to build a branch factory in Hongcheng!”

Ling Feng’s eyes flashed with coldness. He would never let Chen Ping go this time. He couldn’t even sleep until he said this!

“Really?” Wei Tao was tempted!

“Of course it’s true, you can record our call!”

Ling Feng affirmed!

“Well, send me the information about that guy. If he dares to take advantage of my wife, Wei Tao, I will make his life worse than death...”

Wei Tao hung up the phone after finishing speaking viciously!

Wei Tao is the eldest son of the Wei family in the provincial capital. He is classmates with Su Yuqi and Ling Feng. When they were in school, both of them liked Su Yuqi, but Su Yuqi looked down on these two playboys!

After graduation, Ling Feng relied on the advantage of being in the same city as Su Yuqi to launch a fierce pursuit of Su Yuqi. Wei Tao also came to Hongcheng several times, but the strong dragon could not suppress the local snakes, so he was driven away by Ling Feng.

Chapter: 386

The reason why Ling Feng asked Wei Tao this time was because Ling Zhenchuan could not control the provincial capital, so he would not pay too much attention to people coming from the provincial capital. If Ling Feng found someone to deal with Chen Ping in Hongcheng, he might Ling Zhenchuan knew it within half a day!

And after Wei Tao graduated, he served as a soldier for several years and was very skilled. He should have no problem dealing with Chen Ping!

As soon as the phone was hung up, Wang Hui opened the door and walked in!

“Son, does your hand still hurt?”

Wang Hui looked at Ling Feng’s wrapped wrist and asked distressedly.

“You don’t have to worry about it, just let me hurt myself to death. I even doubted whether I was your biological child. My wrist was broken and I even apologized to them. I’m so angry!”

When Ling Feng saw Wang Hui, he turned his face aside.

“You kid, you are causing trouble all day long. This is going to make your dad angry to death. Breaking your wrist this time is easy. If you are causing trouble, you might be thrown into the river one day. There are fish in it!”

Wang Hui looked at Ling Feng with hatred and said.

“Feed the fish, feed the fish, go out, I want to sleep!”

Ling Feng began to chase Wang Hui out!

“Your dad said he won’t let you seek revenge against that Chen Ping, or he will break your legs!”

Wang Hui warned Ling Feng!

When Ling Feng heard this, he immediately became anxious: "Let him interrupt me. Don't break my legs. Just kill me. I will be free..."

Ling Feng followed Wang Hui and yelled. Wang Hui was afraid that Ling Zhenchuan would hear it, so she hurried away and closed the door tightly!

"Chen Ping, I will make you look good..."

Wang Hui walked back, Ling Feng gritted his teeth and said!

.....

In the villa on the top of Panlong Bay!

The medicinal materials that Lin Tianhu sent to buy have been delivered. Chen Ping looked at the bags of medicinal materials and his head felt a little big. It seems that he can't sleep tonight because he has to refine them all night!

Fortunately, Tang Hongying and Chen Baoguo were not at home. Since Tang Hongying could see, she had not stayed at home. She had been walking around outside, looking at the beautiful scenery and the changes in Hongcheng!

After all, he couldn't see anything for several years, but now he could see it all of a sudden. Tang Hongying wanted to see everything!

After bringing the medicinal materials into the bedroom, Chen Ping locked the door and began to use the alchemy technique to refine the Xiaohuan Dan!

After a whole night's work, all the medicinal materials were exhausted, and Chen Ping refined a total of twenty small pills. However, this night also made Chen Ping exhausted. At dawn, Chen Ping fell asleep!

Chapter: 387

Now Chen Ping has not reached the inmediate stage, so he has not reached the point of not eating, drinking or sleeping!

I don't know how long he slept for, but Chen Ping was woken up by a burst of noise!

Looking at the sun outside, it should be almost noon. Chen Ping got up and walked out of the room, only to find that there were many more people in the hall, and there were several children playing and running around, making the whole room a mess!

"Hey, Chen Ping is at home. Living in a big house is different now. I don't even see these poor relatives anymore!"

A middle-aged woman dressed coquettishly looked at Chen Ping and said in a strange tone.

"Second Aunt, when did you come?"

Chen Ping looked a little surprised when he saw the middle-aged woman!

"We have been here a long time ago, but we didn't expect you to be sleeping in the room and didn't even know to greet you!"

Second Aunt Chen Ping rolled her eyes and sat directly on the sofa nearby!

Chen Ping ignored her, but looked at Tang Hongying with a questioning look on his face.

Tang Hongying pulled Chen Ping aside and said with a slight embarrassment: "I called them here, I... I just wanted them to see that our family also lives in a big house, but I didn't expect so many people to come. , and made the house a mess, how can I explain this to Yu Qi?"

Tang Hongying always thought that Su Yuqi lent this big house to Chen Ping for them to live in. She didn't know that it was given to Chen Ping.

"Mom, it's okay. Let them look at it as they please. If it's a mess, just find someone to clean it up.

"When Chen Ping heard this, he hurriedly comforted Tang Hongying!

"It seems like they won't be leaving at noon. They will definitely need to eat. You go and book a restaurant in advance. It won't be too expensive!"

Tang Hongying said, took out a handful of money from her pocket and gave it to Chen Ping!

"Mom, I have money, you don't have to worry about it!" Chen Ping didn't answer!

"You just started working, where did you get the money? Besides, you can't spend Yu Qi's money all day long. A grown man can't spend women's money all the time!"

Tang Hongying gave Chen Ping the money and left!

Seeing a handful of old and new money in his hand, Chen Ping gave a helpless smile, put the money in his pocket, and went out!

Chen Ping called Lin Tianhu and asked him to pick him up. He just gave him the refined Xiaohuan Dan, and then just booked a table at Tianyuan Restaurant!

Lin Tianhu arrived quickly and took Chen Ping directly to Tianyuan Restaurant. In Lin Tianhu's office, Chen Ping handed him twenty small pills of return!

"There are a total of twenty pills here. The price you pay for the medicinal materials is the cost price. I don't care how much it costs or how to sell it. You can run this thing. If the response is good, we will increase the refining."

Chen Ping followed Lin Tianhu and said.

Chapter: 388

"Got it!" Lin Tianhu took the Xiao Huan Dan and said, "Palace Master, I have prepared the best imperial hall here for you, which will definitely make you more proud!"

When Chen Ping heard this, he immediately shook his head and said: "Don't be so nice, just ordinary private rooms will be fine. From now on, you should save your money, there are many places that need money!"

"Okay, okay!" Lin Tianhu nodded repeatedly!

Chen Ping had no feelings for his second uncle's family, and he even said he was a little disgusted!

Chen Ping's family used to live in the countryside. Later, as Chen Baoguo's position gradually improved, Chen Ping's family also moved from the countryside to the city. From that time on, Chen Ping's second uncle and his family would come to the city to see Chen Baoguo if they had anything to do!

Later, Chen Baoguo helped and arranged for Second Uncle Chen Ping to move to the city, and even found a job for Second Aunt Chen Ping. However, as Second Uncle Chen Ping's position improved, he began to look down on Chen Ping's family.

After Chen Ping was imprisoned, Chen Baoguo also lost his job. Chen Ping's second uncle's family looked down upon their family even more. They never visited the house once and didn't take care of them. There was no sign of family affection at all!

Tang Hongying notified Uncle Chen Ping and his family this time that she lived in a big house, which was actually partly to show off, so that Uncle Chen Ping and his family would look at her with admiration!

At noon, Chen Ping's parents and his second uncle's family all arrived!

When Chen Ping led them into the private room, Chen Ping's second aunt suddenly curled her lips and said: "You live in such a nice house, so you bring us to eat in such a private room? You really treat poor relatives as relatives!"

”

"Mom, why did you forget? Didn't you just say that the house was borrowed and not theirs? A house costs almost 100 million, what are they going to buy it for?"

Cousin Chen Ping glanced at Chen Ping and said.

"Keke, I really forgot, I'm here to stay!"

Second Aunt Chen Ping giggled!

Soon, everyone was seated, leaving only the edge of the room for Chen Ping and his family of three!

And sitting there, Chen Ping's second uncle, Chen Baoqiang, was sitting there with a plain face, his eyes slightly narrowed, and a look of contempt for everything!

Now Chen Baoqiang is sitting in the position of director of the office of a certain bureau. There are many people who fawn over him, which makes him look like he despises everything!

On the left side of Chen Baoqiang is Chen Ping's second aunt Li Shuzhen. She is dressed in jewelry, her lips are painted as if she has eaten a dead mouse, and she is wearing as much makeup as possible to make her look ugly.

Next to Li Shuzhen is their son Chen Zhi. This Chen Zhi is only a few months younger than Chen Ping. When their grandfather named them, they had different names, so one of them was named Chen Ping. One is called Chen Zhi!

However, this Chen Zhi is ignorant and unskilled, and he is not married yet. If Chen Ping had not been in jail, he would have been married long ago!

On the right side of Chen Baoqiang is a young man in a suit and leather shoes, with a proud face. This man is Chen Pingtang's brother-in-law Li Lei. This Li Lei's father is the director of a certain bureau and Chen Baoqiang's immediate boss!

Next to Li Lei is Chen Ping's cousin Chen Jiayao. She is wearing various famous brands and has long nails, looking like a rich lady!

"Chen Ping, when did you meet a rich friend? He can live in a house on the top of Panlong Mountain and generously lend it to you. I would also like to introduce this kind of friend to my second uncle. I heard your mother said she is a woman. Which family's rich lady? Just introduce it to our Chen Zhi!"

After everyone was seated, Chen Baoqiang asked in an official tone.

Chapter: 389

Hearing what Chen Baoqiang said, Chen Ping frowned slightly, and his face instantly turned cold!

"Baoqiang, come here to have a meal with your family, why are you mentioning Chen Ping's friends? They look down on Chen Zhi!"

When Chen Baoguo saw that Chen Ping's face was not very good, he immediately spoke to Chen Baoqiang.

Although Chen Baoqiang looks down on the Chen Ping family, Chen Baoguo is the eldest brother after all. When Chen Baoguo speaks, Chen Baoqiang does not dare to refute him face to face!

“Brother, what do you mean? What happened to my Chen Zhi? He is better than your Chen Ping in any way, right? At least I, Chen Zhi, have never been in jail and am not a reform-through-labor prisoner!”

When Li Shuzhen saw Chen Baoguo talking about her son, she immediately became unhappy.

Chen Baoqiang is embarrassed to say it, but she, Li Shuzhen, is not afraid of anything!

“you.....”

Chen Baoguo’s face turned red with anger, but he was unable to refute. After all, it was a fact that Chen Ping was in jail!

Seeing Chen Baoguo’s angry look, a sneer flashed across Chen Baoqiang’s lips, and then he said: “Okay, stop arguing, let’s serve the food. I have something else to do in the afternoon, so I don’t have time to stay too long!”

“Baoqiang, take a look at what you like to eat and order whatever you want!”

Tang Hongying handed the menu to Chen Baoqiang!

Chen Baoqiang didn’t even look at it. He pointed at the menu and said, “This is the page. I heard that the food in this restaurant is delicious!”

When Tang Hongying heard this, she was instantly stunned!

I’ve ordered all the dishes on the page. How much does it cost?

Besides, even these few people can’t eat it!

Seeing Tang Hongying stunned, Chen Jiayao covered her mouth and smiled: “Auntie, can’t you afford it? If you can’t afford it, just tell me and I’ll do it. It doesn’t matter!”

Tang Hongying's face turned red and she said nothing. If she really ordered food like this, she really couldn't afford it.

"It's just an order of food, not much money!"

Chen Ping took the menu, asked Tang Hongying to sit back, and directly ordered the waiter to stir-fry all the dishes on the page!

Seeing that Chen Ping actually asked the waiter to fry a page of dishes, Chen Baoqiang's family all sneered!

"We have to say it's okay. My sister said please, but you didn't let her. She couldn't pay for it for a while, and she still asked us to help. Then we wouldn't care!"

Chen Zhi glanced at Chen Ping and said.

"Don't worry, I'll pay for this meal and you won't have to pay for it!"

Chapter: 390

Chen Ping looked calm, as if he didn't care about the deliberate ridicule of Chen Baoqiang's family!

For a moment, the room became quiet and no one spoke. They just waited for the food to be served. The atmosphere was very awkward!

"Baoqiang, you just said at home about finding an official job for Chen Ping. Look..."

Tang Hongying broke the silence!

"It's easy to find a job. It's not something I can say. It's not a long-term solution for Chen Ping to work for others. If I find him an iron rice bowl, it will last a lifetime!" Chen Baoqiang said with a proud look on his face: "However, I also hope that my eldest brother and sister-in-law won't argue with me about the old house at home. I plan to use that land to build a house and take care of myself after retirement. Anyway, if you want the homestead, you won't have the money to build a house!"

Tang Hongying looked at Chen Baoguo. Chen Baoguo kept his head down and didn't speak. Tang Hongying nodded and said: "If we can find a stable job for Chen Ping, we won't want the old house at home!"

In Tang Hongying's opinion, finding an iron job as a civil servant is much better than working for others, and it also brings face to the public. If her husband had not been dismissed, Chen Ping would not need Chen Baoqiang to find his job.

Seeing Tang Hongying agree, Chen Baoguo was immediately happy and started laughing!

"Mom, I don't want to be a civil servant. Besides, our family should get as much share of the old house as we want!"

Chen Ping hurriedly stopped Tang Hongying and said.

Chen Ping knew that Chen Baoguo wanted the old house not to build a villa at all, but because the area was to be developed. When Chen Ping went to Ling Zhenchuan's house, he saw a development report.

"Chen Ping, that old house is in such a dilapidated state. It's of no use at all. Just leave it alone and let your second uncle find you a stable job and live a good life in the future!"

Tang Hongying glared at Chen Ping and told him to leave it alone!

"Mom, the area where the old house is going to be developed will definitely be very valuable in the future!"

In fact, Chen Ping is not interested in the money, he just doesn't want to take advantage of Chen Baoqiang and his family!

"What? Develop? Real or fake?"

When Tang Hongying heard this, she immediately became interested. If that was true, she would make a lot of money after selling her old house!

"It's true. It's already being planned now. I saw the report at Mayor Ling's house!"

Chen Ping said truthfully.

“Chen Ping, what do you mean? Are you saying that I want to deceive you about the place where you live? You have seen the report at Mayor Ling’s house. You are so good at boasting. Why didn’t you say that you had eaten at Mayor Ling’s house? Where’s the food?”

Chen Baoqiang shouted at Chen Ping with an angry look.

“I actually had dinner at Mayor Ling’s house!”

Chen Ping nodded.

“Hahaha.....”
