

The Order 3811

Chapter: 3811

The two people looked at each other and suddenly smiled at each other!

“The mantis stalks the cicada and the oriole follows...”

The two people said this at the same time, and then burst into laughter!

They were just waiting for the Burning Sect to follow the Chunyang Sect and kill them all, and then they took action to destroy the Burning Sect!

“That Yao Qing is an immature wolf. I will not leave such a person behind.”

Leng Wudao smiled lightly.

“With one more sect, more resources will be allocated. The Burning Heaven Sect should have been destroyed long ago. It is enough to allow them to survive for so many more years!”

Tong Haiyang had never thought about taking over the Burning Sky Sect. After all, the existence of evil cultivators like the Burning Sky Sect was like a time bomb around them, threatening their safety at any time!

At this moment, the Chunyang Sect’s station was already covered with blood, and there were mutilated corpses everywhere. Everyone was furious!

Liu Xing and Liu Rui were covered in blood, and they couldn’t tell whether it was their own or the enemy’s!

And Yao Qing followed Yue Buqun. At this time, the two of them had already passed a hundred moves!

Every move contains endless energy, and the surrounding rocks and trees hundreds of meters have already been turned into powder!

“Yue Buqun, if you have to be obedient and surrender, I might consider letting these disciples of yours go.”

Yao Qing said after forcing Yue Buqun back with one palm.

At this time, Yue Buqun was breathing heavily, veins popped out on his forehead, and the energy in his body was rapidly draining away!

Compared with Yao Qing, Yue Buqun’s strength is still slightly inferior!

“Yao Qing, if you are an evil cultivator, how can I believe that even if I, Chunyang Sect, die, I will never give in to you, an evil cultivator.”

After saying that, Yue Buqun’s whole body radiated light, and then he stretched out his hand and grabbed it into the void. Soon a fiery red spear appeared, with scorching flames on the spear. The flames rose and turned half of the sky red!

“Flame Spear? I didn’t expect that your Chunyang Sect was also a sneaky guy...”

“This flame gun was originally a treasure in the ruins. It should have belonged to all the sects in the hidden world, but it suddenly disappeared. Unexpectedly, it was stolen by a seemingly honest guy like you.”

After Yao Qing saw the flame gun in Yue Buqun’s hand, he said with disdain.

“Fart, don’t spit on anyone. This raging flame spear belongs to my Chunyang Sect. It is a relic of my ancestors. It is in the shitty ruins. It was made up by other sects to spy on the treasures of my Chunyang Sect.”

“Today your Burning Heaven Sect killed so many of my disciples, I will cut you into pieces...”

Yue Buqun’s whole body burst into anger. Looking at his disciples, dying and injured, Yue Buqun’s heart was as sharp as a knife!

Chapter: 3812

boom.....

Yue Buqun took action with his spear, and the spear’s light shone like stars, directly heading toward Yao Qing!

“break.....”

Yue Buqun shouted loudly, and his spear started to explode around him like a dragon. The huge air wave made it impossible for Yao Qing to avoid it!

“Huh, what a small trick...”

Yao Qing snorted coldly and moved his hands across the void. In an instant, a huge black hole appeared in the void!

All of Yue Buqun’s attacks were sucked into the huge black hole!

It didn’t cause any harm to Yao Qing!

Instead, Yao Qing swung out his palm, and a huge black palm print appeared, hitting Yue Buqun hard on the chest!

Yue Buqun vomited blood and fell to the ground instantly!

“Master.....”

Seeing this, Liu Xing and Liu Rui hurriedly stepped forward to help Yue Buqun up!

Yue Buqun’s face was pale at this time, and the aura on his body was extremely weak!

He had just tried his best to use the flame spear, but it didn’t hurt Yao Qing at all. Yue Buqun knew that they might not be able to escape death today!

“Xing’er, Rui’er, you two should find a chance to escape. Don’t go to other sects. It seems like they really want to kill us!”

“Remember, leave here, leave the hidden world, and find a place to live a normal life. With your strength, you can live a good life!”

Yue Buqun said to Liu Xing and Liu Rui.

“Master, if we don’t leave, even if we die, we will never leave you!”

Liu Rui looked at Yue Buqun’s appearance and burst into tears!

“Master, you and junior sister go, I will stop them.”

Liu Xing said with firm eyes.

“You can’t stop them at all. Don’t die in vain. Just leave!”

Yue Buqun will definitely fight to the death to give Liu Xing and Liu Rui a chance to escape!

“Master, I will self-destruct in a while. You and junior sister, take the opportunity to escape when I self-destruct...”

Chapter: 3813

Liu Xing said.

Yue Buqun and Liu Rui were both shocked when they heard that Liu Xing was going to blow himself up!

“Stop daydreaming. No one can escape. Even if you blow yourself up, you will never have a chance to escape!”

Yao Qing said calmly!

Yao Qing heard the conversation of several people clearly!

But just as Yao Qing finished speaking, there was suddenly a deafening sound from the side, and the air waves soaring into the sky swarmed in like a tsunami!

It turned out that some disciples of the Chunyang Sect started to blow themselves up.

“Master, you go, we stop them...”

At this time, a Chunyang Sect disciple covered in blood shouted at Yue Buqun. After saying this, the Chunyang Sect disciple’s body instantly swelled like a ball!

Then there was another loud noise, like a bomb exploding.

Seeing his disciples choose to self-destruct one by one in order to cover his escape, Yue Buqun’s heart was as sharp as a knife!

Seeing this, Yao Qing chanted the magic formula in his mouth, and a huge black hole suddenly appeared in the dark sky. The air waves and aftermath emitted by the Chunyang Sect disciples who self-destructed were all sucked by the black hole.

“I told you, there’s no point in self-destruction. None of you can escape today...”

After Yao Qing finished speaking, he walked towards Yue Buqun step by step!

At this time, Chen Ping, who was resting, was awakened by the sound of self-destruction. Then Chen Ping’s figure flashed and disappeared directly!

The sects stationed not far away all walked out of their tents and looked at the strange sky!

“These people from Chunyang Sect are all lunatics, and they actually blew themselves up one after another...”

“Hey, why did Chunyang Sect end up like this?”

“Isn’t it a little too much for us to do this after so many years together?”

“I wonder what our fate will be in the future?”

Some people are beginning to take pity on the Chunyang Sect!

“Stop lamenting hypocritically here. When resources and treasures are divided equally, I won’t see you taking any less.”

“I guess the battle is over. Let’s go over and take a look...”

Leng Wudao led everyone towards Chunyang Sect’s station!

Chapter: 3814

You must know that these people from Chunyang Sect have begun to choose to self-destruct, which proves that the battle is in the final stage!

Based on the brutality of the self-destruction, it is estimated that there will not be many people left in the Burning Heaven Sect!

Chunyang Sect's residence!

At this time, there was already a mountain of corpses and a sea of blood. Almost all Chunyang Sect disciples were dead and injured, and the remaining ones also self-destructed. Only some who were seriously injured and unable to move were emitting weak breaths!

Liu Xing and Liu Rui stood in front of Yue Buqun. Although they knew that with their strength, it was impossible to stop Yao Qing, but none of them flinched!

"Yue Buqun, I admire you very much for being able to bring out so many loyal disciples. When I kill them all, I will absorb all your strength!"

Yao Qing had a sneer on his face, black mist surrounded his palms, and then he shot at Liu Xing and Liu Rui!

Liu Xing and Liu Rui knew they were dead, but there was no trace of fear or flinching on their faces. Instead, they exploded with the last energy in their bodies, preparing to face death!

But just when Yao Qing raised both palms, a dazzling light suddenly lit up not far away, just like a sun suddenly rising in the dark night!

Immediately afterwards, I felt a turbulent atmosphere like a tsunami, coming at a fast speed. Wherever it passed, trees and rocks turned into powder, leaving a deep ravine in the ground!

Yue Buqun and the others were also stunned for a moment, and then looked at the dazzling light, with a bit of confusion in their eyes!

Yao Qing's expression changed, and the palms that were originally attacking Liu Xing and Liu Rui instantly changed their direction and pushed hard in front of them!

A majestic breath rushed out, and then collided with the dazzling light!

boom.....

There was a sound like a nuclear explosion, and then a mushroom cloud rose up all around. The huge air wave directly blew everyone around him away!

Even Yao Qing kept retreating, going back more than ten meters before regaining his balance!

When the smoke and dust dispersed, Chen Ping's figure slowly appeared!

Chen Ping held the Dragon-Slaying Sword in his hand, with blazing anger in his eyes!

That dazzling light just now was just the sword light from Chen Ping's sword!

"Is it your kid?" Yao Qing was a little surprised. He didn't expect Chen Ping to be so powerful!

"Mr. Chen..."

Yue Buqun and Liu Xing and Liu Rui had a glimmer of hope in their eyes after seeing it was Chen Ping!

"Zongzhu Yue, are you okay?"

Chen Ping bent down and put a hand on Yue Buqun's shoulder, and streams of spiritual power instantly entered Yue Buqun's body!

Chapter: 3815

Yue Buqun smiled faintly and said: "It's okay, I won't die yet..."

After inputting spiritual power into Yue Buqun, Chen Ping took out the beast elixir of the Blazing Tiger, handed it to Yue Buqun and said: "Sect Master Yue, this is a demon beast elixir. If you swallow it, it will make you faster." Restored."

Yue Buqun took the beast pill and was shocked in his heart, because just by looking at the beast pill, he knew that the monster must be very powerful!

Yue Buqun swallowed the beast pill, and a wave of warmth instantly rose in his body. His exhausted energy was restored a lot at this moment!

"Mr. Chen, have you recovered your strength?"

Liu Rui asked Chen Ping.

Judging from Chen Ping's blow just now, Chen Ping's strength should have reached its peak.

Chen Ping nodded: "Well, I have recovered. You two will leave immediately with Sect Master Yue. I will block it for you here."

Chen Ping knew that although he had just knocked back Yao Qing with his powerful blow, if a fight were to begin, Chen Ping might not be Yao Qing's opponent!

What's more, there are so many disciples of the Burning Heaven Sect behind Yao Qing. If these people attack him, Chen Ping knows that he has no chance of winning!

So he asked Liu Xing and Liu Rui to leave with Yue Buqun, so that Chen Ping could find a chance to escape. Although he couldn't defeat him, Chen Ping was still sure of his escape!

"Mr. Chen, you..."

Yue Buqun knew that although Chen Ping had regained his strength, he still couldn't be Yao Qing's opponent!

"Okay, stop talking. As long as you leave, I can find a chance to escape. Although I can't beat him, there is no problem in escaping."

Chen Ping was afraid that Yue Buqun would not leave and would waste time, so he said!

When Yue Buqun heard this, he knew that Chen Ping would not follow Yao Qing in a head-on confrontation, but was preparing to escape, so he felt relieved.

"Then take care of yourself..."

Yue Buqun was helped up by Liu Xing and Liu Rui and was about to leave!

But at this moment, there was a burst of chaotic footsteps. Leng Wudao and Tong Haiyang arrived with people from other sects!

When they saw the tragic scene, many people were shocked!

But when he saw that Yue Buqun was still alive and Chen Ping was here, Leng Wudao was stunned!

"Good boy, I've been looking for you for so many days, but I didn't expect you to show up here."

"If you let me see you today, don't even think about leaving..."

After Leng Wudao finished speaking, the Feixing Sect disciples instantly surrounded Chen Ping, and even Yue Buqun and several others. Now they couldn't even think of escaping!

Chapter: 3816

“Leng Wudao, as an upright person from a well-known family, you actually colluded with evil cultivators and put me to death.”

“And those of you who collude with evil cultivators, aren’t you afraid of being punished by God?”

“Just wait, my today is your tomorrow, and sooner or later you will be swallowed up...”

Yue Buqun looked at the people in front of him and was shaking with anger!

He never expected that these people would collude with the Burning Sky Sect and let the Burning Sky Sect destroy him!

Yue Buqun’s words left many people silent!

“Yue Buqun, please stop struggling on your deathbed. Let me tell you, what is the purpose of our practice? Is it to eliminate demons, defend the Tao, and protect our family and country?”

“Who doesn’t want to become an immortal, a Buddha, and live forever? So you don’t need to say so much. As long as there are benefits, enemies will become friends!”

“Since you chose to stand with Chen Ping, you should have thought about this day.”

Leng Wudao said coldly!

“Stop talking nonsense to them and kill them directly to avoid long nights and nightmares...”

Tong Haiyang said!

Leng Wudao nodded and looked at Yao Qing: “You take the people of Fentian Sect and kill them. The position of Chunyang Sect will be yours.”

At this time, Yao Qing had no choice. He had reached this point and he had no choice but to kill Yue Buqun!

Yao Qing and the people from the Fentian Sect slowly stepped forward, with murderous intent in his eyes!

On the periphery, hundreds of people from other sects were watching eagerly!

“Hey, God’s will brings trouble, Mr. Chen, you shouldn’t show up.”

Seeing that there was no way out, Yue Buqun sighed!

“Don’t worry, it’s not the last moment yet...”

Chen Ping said with a faint smile!

“You are still able to laugh when you are about to die. You are indeed a talent. It’s a pity that you chose the wrong path!”

Yao Qing looked at Chen Ping with slightly narrowed eyes: “If you commit suicide, you won’t have to suffer the pain of your flesh and blood. Otherwise, if I take action, your life will be worse than death!”

Yao Qing didn’t want to take action anymore, because the people from other sects who were eyeing him eagerly put a lot of pressure on him!

If he was taking action and he was injured, and these sects suddenly took action against his Burning Heaven Sect, then they would have no choice but to be slaughtered by others!

Chapter: 3817

Speaking of which, Yao Qing didn't completely trust Leng Wudao. He was able to come up with a way to directly destroy Chunyang Sect, which shows how ruthless Leng Wudao was!

So Yao Qing hopes that Chen Ping and the others can commit suicide. After all, they are already in a certain death situation. If they commit suicide, they will suffer less!

"Do you really think that we will definitely die?"

Chen Ping sneered.

"Is it possible for you to survive?" Yao Qing asked.

"Stop talking nonsense to him, leave this kid to me, I will kill him myself..."

Leng Wudao stepped forward and then urged Yao Qing!

Chen Ping looked at Leng Wudao and sneered: "Ignorant guy, since you believe that I killed your son, I have nothing to say."

"But if you can raise a son who is neither male nor female, you are also a talent..."

Chen Ping's words immediately hit Leng Wudao's weakness. You must know that his son's temper has been a pain in his life. How many people have ridiculed him behind his back!

Now that Chen Ping dared to humiliate him in public, Leng Wudao was furious!

"Boy, I will cut you into pieces today..."

A terrifying aura erupted from Leng Wudao's body, and his anger had already made his eyes scarlet red!

“Then let’s give it a try...”

After Chen Ping finished speaking, a strange cry suddenly came out of his mouth!

Listening to the sound, it sounded like the cry of an animal, but it was not the same. The low sound spread very far in the dark night!

Chen Ping’s sudden weird behavior made everyone stunned, wondering what Chen Ping was doing!

Leng Wudao looked at Chen Ping and frowned slightly: “What are you yelling about?”

But Chen Ping ignored him, and the sounds coming out of his mouth became louder and louder. Along with the sound, a golden light slowly rose on Chen Ping’s forehead!

The entire night was illuminated as bright as day, and the golden light actually gave off a terrifying aura of monsters!

The aura spread rapidly, covering a distance of dozens of miles in an instant!

Looking at the golden light rising slowly above Chen Ping’s head, everyone was stunned!

But at this moment, the ground began to tremble violently, like an earthquake, and the shaking people were a little unsteady!

Then there was a rumbling sound, as if coming from the horizon, getting closer and closer...

Chapter: 3818

It wasn’t until the sound reached their ears that everyone saw a mass of black monsters roaring and rushing towards them!

All kinds of monsters rushed towards me as if they were crazy!

At this time, everyone was shocked. They had never seen such a scene before!

“Roar.....”

A giant lion roared, and all the monster beasts roared with it!

At this moment, some timid people have already started to turn around and run away. Facing so many monsters, some people’s defenses finally collapsed.

“Everyone, please don’t mess around and gather together. These monster beast pills are good resources...”

Leng Wudao shouted loudly!

People die for wealth and birds die for food. When Leng Wudao said the beast elixir, some people who wanted to run away also changed their minds. There were quite a few of them. Together, these sects could fight with these monsters. !

The most important thing is that there are so many monsters that can produce a lot of beast pills. If they run away, you won’t get anything!

Leng Wudao and the others began to gather together tightly and put on a fighting stance!

At this time, no one is caring about Chen Ping, Yue Buqun and the others. After all, there are so many monsters, even if they are stepped on, Chen Ping and the others can be trampled to death!

Yue Buqun and Liu Xing and Liu Rui turned green when they saw the black monster charging towards them!

Liu Xing and Liu Rui protected Yue Buqun tightly. They just hoped that these monsters would not step on their master!

“Zongzhu Yue, don’t be afraid. These monsters are my younger brothers and will not harm you...”

Chen Ping said!

“Your little brother?” Yue Buqun and Liu Xing and Liu Rui all looked at Chen Ping in surprise.

Chen Ping smiled and did not explain, but waved his hand: “Come on, bite these guys to death...”

Leng Wudao and others looked at Chen Ping and thought that Chen Ping was crazy. Faced with the attack of monsters, he was still in the mood to tell jokes!

But soon, a scene that shocked them appeared. As long as those monsters, when they arrived in front of Chen Ping and the others, suddenly separated a passage and did not attack Chen Ping and the others!

Instead, he roared and pounced directly on Leng Wudao and the others, which made Yue Buqun and the others speechless in shock!

Soon, the scene was in chaos, and the monster beasts followed Leng Wudao and others into a melee. Each of these monster beasts were extremely ferocious, and they were not afraid of death at all!

Yue Buqun looked at the scene in front of him, then looked at Chen Ping, his Adam’s apple rolling: “Mr. Chen, are these monsters really your little brothers?”

“Of course, otherwise how could they listen to me...”

Chapter: 3819

After Chen Ping finished speaking, he stood at a high place and looked at the miserable situation in front of him. Then he waved his hand towards Leng Wudao: “You guys fight slowly, I’m leaving...”

“Little beast, you can’t leave...”

Leng Wudao was furious. He suddenly slapped a beast away with his palm and jumped towards Chen Ping!

He couldn't let Chen Ping escape. If Chen Ping escaped, it would be difficult to find Chen Ping!

But just when Leng Wudao had just jumped up, a huge figure suddenly appeared. The giant lion opened its bloody mouth and pounced directly on Leng Wudao!

For a while, Leng Wudao could only parry the giant lion, but could no longer stop Chen Ping!

And Chen Ping took Yue Buqun and others and quickly escaped!

After Chen Ping left, with the roar of the giant lion, all the monsters and beasts dispersed like birds and beasts!

There were corpses left on the scene, including those of three sects and six sects, as well as those of monsters!

Although many monsters were killed in this battle, each sect also suffered considerable losses!

"Damn it, let this Chen Ping run away. Who is this guy? Why can he control so many monsters?"

Leng Wudao roared angrily!

"Brother Leng, although Chen Ping ran away, we have killed so many monsters and obtained so many beast pills, so it is not a loss!"

Tong Haiyang persuaded Leng Wudao!

Leng Wudao nodded, then waved his hand and said: "Dig out all the beast elixirs of these dead monsters..."

Soon, everyone took action and started to get the beast elixir from the corpse of the monster!

But soon, they discovered that the beast elixir they took out turned out to be gray in color, without any luster!

Leng Wudao held the beast pill with a puzzled look on his face: "What...what's going on?"

Tong Haiyang took the beast pill and looked at it, frowning tightly: "These beast pills have been absorbed by people in a short period of time, that's why they show this color, and they are worthless at all."

"Who is it? Who can absorb the beast elixirs of so many monsters?"

Leng Wudao was very surprised. Dozens of monsters and beast elixirs had all been absorbed by people!

"I don't think there will be anyone else except Chen Ping. Haven't you noticed that Chen Ping's strength has obviously improved a lot. There must be some treasure or secret in this kid..."

Tong Haiyang analyzed!

"Damn it, I'm going to catch him sooner or later, peel off his skin and cramps, and see what secrets he has!"

Chapter: 3820

Leng Wudao gritted his teeth.

"We'd better go ahead and stop hunting monster beasts for the time being. These monster beast pills are worthless. We have to wait for a period of time to allow these monster beasts to recover before hunting them. Only then will the beast pills be valuable!"

Tong Haiyang said.

“Okay, there are no monster beast pills. There are other resources here, which are enough for us to survive and practice.”

“But that Chen Ping, as long as he doesn’t leave this secret realm, I will definitely find him...”

Leng Wudao clenched his fists tightly and said with anger in his eyes!

“Clean up the scene, we have to hurry up and find a suitable location!”

After Tong Haiyang finished speaking, everyone began to clean up the scene and bury the bodies...

On the other side, Chen Ping, with Yue Buqun and Liu Xing and Liu Rui, were quickly shuttling through the jungle!

Because Yue Buqun had not fully recovered, he was not moving very fast!

However, there are no pursuers behind them, so Chen Ping and the others are not in a hurry!

“Those people haven’t caught up yet. I think we should find a place to rest first so that Sect Master Yue can fully recover!”

Chen Ping suggested!

Liu Xing and Liu Rui nodded. After all, at this time, everything can only be listened to by Chen Ping!

Chen Ping and the others found a small cave that could accommodate just a few people, and they rested in the cave that night!

Chen Ping asked Yue Buqun to practice peacefully so that he could recover his body, but Yue Buqun could not enter the cultivation state at all!

“Hey...it’s all me, it’s all because of me that all the disciples of the sect were killed or injured...”

“How can I, the sect leader, have the dignity to meet my ancestors...”

Yue Buqun looked sad!

After all, all Chunyang Sect disciples were killed and injured, and many chose to self-destruct in order to save Yue Buqun.

This made Yue Buqun feel very uncomfortable!

At that time, Liu Xing also warned that he was afraid that other sects would attack Chunyang Sect, but Yue Buqun was still too optimistic, thinking that other sects were also well-known and decent sects and would not do such a thing!

But in fact, these people will do anything for profit, just like those evil cultivators!

Now Yue Buqun recognized the reality, but it was too late. Except for Liu Xing and Liu Rui, all Chunyang Sect disciples were dead!
