

The Order 3821

Chapter: 3821

Seeing Yue Buqun like that, Liu Xing and Liu Rui also fell into grief. The brothers who were fine a second ago were now corpses!

“Zongzhu Yue, these people are too cunning and have nothing to do with you. Don’t worry, as long as they stay in this secret realm, I will definitely make them pay the price!”

Chen Ping comforted Yue Buqun.

“Mr. Chen, it’s us who have dragged you down...”

Yue Buqun said a little embarrassed.

“Zongzhu Yue, if it weren’t for you, I might have died a long time ago. Stop thinking about it. Take a good rest and recover as soon as possible!”

After Chen Ping finished speaking, he walked out of the cave. He knew that Yue Buqun, Liu Xing and Liu Rui needed to be quiet and slowly accept this reality!

“How long do you plan to rest? Don’t forget to follow the markings on the treasure map and find that place as soon as possible!”

At this time, the old man’s voice sounded!

“knew.....”

Chen Ping said impatiently, then lit a cigarette and looked up at the bright starry sky!

After taking a deep breath, Chen Ping spit it out heavily. The running and fighting during this period made Chen Ping feel tired. He began to miss Su Yuqi and those people in Kyoto!

But now he must keep moving forward, otherwise he won't be able to save Su Yuqi and the others, he won't even be able to see his mother, and he won't even know the identity of his father...

.....

Kyoto, the secret realm of the Demon Heart Sect!

The powerful man was sitting on the chair, and the demon was kneeling on the ground, his head lowered tightly!

"Has everyone gathered?"

Da Neng spoke slowly.

"Hui Da Neng, everyone has been gathered together. Except for Chen Ping, everyone has been locked up in the Taoist Sect's secret realm!"

The devil replied.

"Very good, the moment when the spiritual energy is revived and the way of heaven is opened is coming soon..."

"Hahaha...hahaha..."

Almighty was very happy and laughed wantonly!

"Great Neng, when can Ning Zhi be released? The stone statue still lacks one of his soul rings..."

Chapter: 3822

The demon asked cautiously.

“It’s not too late to lure Chen Ping here at the last moment, and let Ning Zhi come out. I gave him resources and raised him for so long, and it’s time for him to repay me.”

Da Neng said calmly.

“Yes!” The magic envoy nodded!

The powerful man waved his hand, and the figure of the devil became fainter and fainter, and finally disappeared!

After the demon envoy disappeared, a burst of purple light flashed on the eight chairs where the powerful minister was headed, and then eight people wearing purple robes appeared!

These people all had their faces covered, so no one could see anyone else’s face clearly!

Seeing the eight purple robes appear, the powerful man spoke slowly: “The spiritual energy is revived, the time for the opening of the heaven is getting closer, you should also be prepared...”

“Understood!” The eight purple robes nodded and then disappeared!

Chapter: 3823

“There is not much time left for you. If you want to stay with Chen Ping, you must work hard...”

“Maybe in the near future, Chen Ping will leave this land and go to a vaster place.”

“He has his responsibilities, and you can’t be a stumbling block for him, understand?”

Mr. Shi said with a serious face!

“Don’t worry, Mr. Shi, we will work hard. For Chen Ping, we are willing to give everything we have...”

Ji Ruxue said firmly!

Mr. Shi smiled with satisfaction and disappeared instantly!

“Sisters, let’s continue. If we want to follow Chen Ping, we must improve our strength...”

After Ji Ruxue finished speaking, several girls continued to practice!

.....

In the secret realm, after two days of calming down, Yue Buqun could finally calm down and practice!

Liu Xing and Liu Rui were protecting Yue Buqun!

Chen Ping set up a magic circle around him and went out to find some medicinal herbs to make elixirs for Yue Buqun so that Yue Buqun could recover faster!

Otherwise, if he stays here for a long time, the old man in Chen Ping’s body will nag him all day long, annoying Chen Ping!

But just when Chen Ping left the cave to collect herbs, a group of people was approaching the cave!

The leader among them is the fortune teller of the Divination Gang!

I saw the fortune teller pinching his fingers and constantly changing his position!

“Master, are you sure that Yue Buqun and others are nearby? It has been several days, and they should have fled away long ago.”

A Divination Gang disciple asked.

“Shut up, you dare to question Master’s divination skills, do you not want to live anymore...”

Another Divination Gang disciple reprimanded loudly!

“They are not far away and will arrive soon...”

At this time, the fortune teller spoke!

After Chen Ping and the others escaped, the fortune teller secretly began to divine the location of Chen Ping and the others!

Chapter: 3824

Regarding Chen Ping’s identity, the fortune teller was very curious about who could command so many monsters!

Also, Chen Ping’s aura was not at a high level, but the actual strength he exuded was surprising!

So the fortune teller is becoming more and more curious about Chen Ping!

While Leng Wudao and others were not pursuing Chen Ping, the fortune teller calculated the location of Chen Ping and the others, and hurriedly brought his disciples to find them!

But just as Shen Suanzi and his disciples were approaching the cave, streaks of light suddenly lit up, and then several spiritual energy chains came out instantly, entangling Shen Suanzi and others, restricting their actions!

The divine fortune teller and his disciples were all shocked. They did not expect that a magic circle was set up here. However, it seemed that the fortune teller's divination was correct. Chen Ping and the others must be not far ahead!

"Hmph, just a magic circle wants to trap me. They must have forgotten what I do."

After the fortune teller finished speaking, he pinched his fingers, and suddenly the clear sky turned into black clouds, followed by several flashes of lightning!

Lightning struck the magic circle set up by Chen Ping, and instantly shattered Chen Ping's magic circle into pieces. The spiritual energy chains that bound the fortune teller also disappeared at this moment!

"How can such a small magic circle stop the master? The master is a person who can see the way of heaven and change his fate against the will of heaven..."

"That's right, even God listens to Master, these guys think they can escape!"

"Master's divination skills are probably unmatched by anyone in the world..."

A group of disciples of the divine fortune teller began to praise the divine fortune teller.

"Okay, shut up. This is just a small trick for me. How can I follow Tiandou..."

The fortune teller scolded his disciple, but he was extremely happy inside!

Who doesn't like to be flattered?

At this time, Chen Ping was picking herbs when his body suddenly shook and his brows furrowed!

“It’s broken. The magic circle was broken. Someone broke in. Sect Leader Yue is in danger...”

Chen Ping secretly screamed, then his body flashed and he ran back quickly!

But at this time, the fortune teller and his disciples had already found the cave. Looking at Liu Xing and Liu Rui who were guarding outside the cave, the fortune teller smiled coldly: “I found it, and it is indeed hidden here...”

When Liu Xing and Liu Rui saw the fortune teller bringing people here, their faces became a little ugly and their expressions became nervous!

Now Yue Buqun has not fully recovered, and Chen Ping is no longer here. If the fortune teller takes action, the two of them are no match at all!

“Master Divine Calculation, our two families have no grievances, why do you need to kill them all? Moreover, my master is very respectful to Master Divine Calculation.”

Liu Xing stepped forward and followed the fortune teller very politely.

Chapter: 3825

“The Master of Divine Calculation is a person who has a glimpse of the secrets of the sky. He is half a god in calculation. How can you follow the vulgar people like Leng Wudao? This is beneath your status!”

Liu Rui also said quickly.

They know that the fortune teller likes to hear others praise him, and he also says all day long that he is the reincarnation of an immortal, half an immortal!

With no other choice, Liu Xing and Liu Rui could only flatter the fortune teller and see if they could fool the fortune teller away!

When the divine fortune teller heard Liu Xing and Liu Rui's compliments, he beamed with joy: "I've long heard that the two disciples sitting down under Yue Buqun are particularly well-behaved and sensible. When we meet today, they are indeed well-deserved..."

"I didn't come here to kill your master. I just wanted to meet that Chen Ping. This kid made me interested..."

When Liu Xing and Liu Rui saw what the fortune teller said, they immediately breathed a sigh of relief, as long as they were not here to kill them!

If the fortune teller had murderous intentions at this time, Yue Buqun would definitely die if the two of them couldn't stop him!

"Master Divine Calculation, since you are here to see Mr. Chen, please come in..."

At this time, Yue Buqun's voice rang out in the cave!

When the fortune teller heard this, he walked towards the cave!

But a disciple stopped the fortune teller and said, "Master, be careful of fraud..."

The divine calculator was stunned for a moment, but Yue Buqun's voice came out again from inside the cave: "The divine calculator can predict whether there is a scam or not. The divine calculator already knows it in his heart. Am I right?"

When the divine fortune teller heard this, he immediately glared at his disciple and said, "Go away. Is this a fraud? Don't you know if you are a master?"

After scolding his disciple, the fortune teller stepped into the cave!

"Master of Divine Calculation, sit down..."

Seeing the fortune teller come in, Yue Buqun said politely.

“Yue Buqun, what about Chen Ping?” The fortune teller glanced at the small cave, and there was no sign of Chen Ping at all!

“With the skills of a master of divine calculation, do you still need me to tell you where Mr. Chen is?”

Yue Buqun laughed!

“That’s not necessary...” After the fortune teller finished speaking, he took out a copper coin, blew on it suddenly, and turned it around a few times in his hand!

Then he collected the copper coins and said, “Well, Chen Ping is on his way back, so I’ll wait for him for a while...”

“The Master of Divine Calculation is really powerful. He is indeed a semi-immortal who can spy on the secrets of heaven...”

Yue Buqun also praised the fortune teller!

Chapter: 3826

At this moment, the divine fortune teller was blown away and his face was full of pride!

“Yue Buqun, you said that for Chen Ping, you offended the entire sect in the hidden world, and ended up almost being destroyed. Why bother...”

“If you don’t help Chen Ping now and repent sincerely, I will go and intercede with you and ask Leng Wudao to let you go...”

The fortune teller comforted Yue Buqun!

“Master Divine Calculation doesn’t know something. Leng Wudao has become arrogant for a long time. Our three sects and six sects in the hidden world originally had no distinction between high and low, but now we have to listen to Leng Wudao.”

“And the Feixing Faction and the Tianlei Faction have obviously united. Then the entire Hidden World will listen to them.”

“Even if the master of divine calculation comes out, Leng Wudao may not give you face.”

Yue Buqun said this deliberately to arouse the fortune teller’s anger!

“Hmph, that Leng Wudao can look down on others, but if he dares to look down on me, he doesn’t have the guts.”

“As for you, why do you want to help that Chen Ping? Doesn’t he have some secrets?”

The reason why the fortune teller came here alone was because he wanted to know if there was any secret about Chen Ping!

The divine fortune teller once divined something for Chen Ping, wanting to see what secrets Chen Ping had, but unfortunately nothing came out, which aroused his curiosity!

“Master of fortune-telling, if I guess correctly, you must have performed divination on Mr. Chen, and you didn’t predict anything, right?”

Yue Buqun asked.

The fortune teller nodded: “Yes, this is the first time I have encountered this situation...”

“Master of divine divination, to be honest, Mr. Chen does have a huge secret. I once performed a divination on Mr. Chen, but not only did I get nothing, I almost lost my life...”

Yue Buqun whispered.

This time, the fortune teller's curiosity was aroused even more, and this was the result Yue Buqun wanted!

"When Chen Ping comes back, I'm going to conduct a divination face to face with him. I want to see what secrets this guy has that makes him so powerful..."

"And he can also control such monsters and make them listen to his words. This is incredible..."

The fortune teller said impatiently.

At this moment, Chen Ping had hurried back. When he saw the divination disciples at the entrance of the cave, Chen Ping instantly felt murderous intent!

"Mr. Chen..."

Seeing that Chen Ping was about to take action, Liu Xing hurriedly stepped forward and said, "Mr. Chen, these people are from the divination gang. Their master, the fortune teller, is waiting for you in the cave..."

Chapter: 3827

"They didn't do anything, did they?" Chen Ping asked.

Liu Xing shook his head, and then whispered: "He didn't take action. This fortune teller has a shortcoming, that is, he likes to listen to people's praise. We just praised him, but he didn't take action. Now my master is inside, and he is flattering him... .."

When Chen Ping heard this, he couldn't help but laugh. He didn't expect there to be such a person...

Chen Ping walked into the cave and saw the fortune teller sitting inside!

“Mr. Chen, this is the Master Fortune Teller, the leader of the Divination Gang...”

Yue Buqun hurriedly followed Chen Ping and introduced him!

Chen Ping just nodded slightly and then sat aside!

The fortune teller looked at Chen Ping, as if he wanted to see through Chen Ping, but he couldn't see anything from Chen Ping.

“Mr. Chen, the master of divine fortune-telling can divine the past and the future. He wants to give Mr. Chen a divination and wants to know Mr. Chen's identity...”

Yue Buqun looked at Chen Ping questioningly and said.

“Okay, I also want to know who I am...”

Chen Ping smiled slightly and said!

He has long wanted to know who his father is. It would be great if this divine fortune teller could really divine it, but it seems that this divine fortune teller is good enough to figure it out!

Even a character like the Blood Demon was so frightened that he turned pale when he discovered the mystery of his life experience and did not dare to say a word. This divine fortune teller was afraid that he would not be able to figure out anything!

“Master of Divine Calculation, Mr. Chen agreed, we can start...”

Yue Buqun said to the divine fortune teller.

In fact, Yue Buqun was also very curious about Chen Ping's identity. When the Sansheng Stone exploded, Yue Buqun only knew that Chen Ping's identity was not simple. As for what his identity was, he didn't know!

"Okay." The fortune teller nodded, and then took out three copper coins! Remember URL

The fortune teller muttered something in his mouth, and then threw three copper coins into the air. The three copper coins instantly flashed with bright golden light!

Three copper coins were finished in the shape of Chinese characters, suspended above Chen Ping's head, with golden light falling, shining on Chen Ping!

Chen Ping sat quietly, with a vague smile on his face!

The fortune teller closed his eyes slightly, pinched his fingers rapidly, and kept mumbling something!

Soon, the three copper coins began to shake, and the fortune teller's expression also changed, his brows furrowed!

Later, the fortune teller's forehead was already covered with sweat, and his body was shaking!

Chapter: 3828

Bang.....

Suddenly, there was an explosion, and the three copper coins above Chen Ping's head exploded into powder.

puff.....

And the fortune teller spurted out a mouthful of blood, and the aura on his body became extremely weak!

The fortune teller opened his eyes and looked at Chen Ping in horror. His trembling body actually knelt down slowly to Chen Ping!

Seeing the divine fortune teller like that, Yue Buqun was a little confused.

“Master of fortune-telling, can you figure out Mr. Chen’s identity?”

Yue Buqun asked.

The fortune teller shook his head: “Mr. Chen’s identity is a real secret. I just pried a little bit, but it was backfired and I almost lost my life...”

“Mr. Chen, I am rude, I hope Mr. Chen will not take offense...”

The fortune teller knelt in front of Chen Ping and apologized very sincerely!

When Yue Buqun saw this, he was also shocked. Fortunately, he only used the Sansheng Stone to check Chen Ping’s identity. If he had checked Chen Ping’s identity face to face, his life might have been lost!

“Get up...” Chen Ping said calmly!

The fortune teller stood up tremblingly. At this time, in front of Chen Ping, he was like a mouse meeting a cat!

“You’re the only one who found this place, don’t others know?”

Chen Ping asked the fortune teller.

“I don’t know. I didn’t tell anyone else. I couldn’t stand those guys’ betrayal and colluded with evil cultivators, so I secretly brought them out.”

“I will follow Mr. Chen from now on. If anyone dares to be disrespectful to Mr. Chen, I will be the first to refuse...”

The fortune teller hurriedly followed Leng Wudao and others to clear up the relationship!

“In that case, let’s stay here for a while and wait until Sect Master Yue recovers!”

Chen Ping said calmly.

“Everything is subject to Mr. Chen’s arrangements...”

The fortune teller nodded!

With the addition of the Divine Operator, Chen Ping is much more relaxed. Every day, the Divine Operator takes people to pick herbs and take care of Chen Ping and his family’s daily life!

Chapter: 3829

And Chen Ping also has more time to practice. Coupled with abundant resources, Chen Ping’s strength improves quickly!

A week later, Yue Buqun’s body completely recovered, and Chen Ping led everyone on their way!

During this period of time, the old man in his body was nagging him every day, and he was already impatient with waiting!

It also annoyed Chen Ping...

Not long after Chen Ping and the others left, Leng Wudao and others arrived here, followed by Leng Wudao and a disciple from the Divination Gang!

This Divination Gang disciple was delivering a message to Leng Wudao and others, because the Divine Fortune Teller actually chose to follow Chen Ping and obey Chen Ping's orders. This puzzled some Divination Gang disciples, and they rebelled!

"Gang leader, there is no one in the cave anymore..."

A Feixing Sect disciple who went in to check came out and said!

"Damn it, did they get wind of it?"

Leng Wudao went into the cave to check it out personally and found that Chen Ping and the others had just left!

"They just left not long ago, let me chase them, this magic calculator secretly betrayed us..."

Leng Wudao waved his hand and everyone chased Chen Ping and the others!

Chen Ping and the others didn't know that their whereabouts had been known by Leng Wudao and others, and they were still moving quickly according to the location marked on the treasure map!

"Mr. Chen, where are we going?"

Liu Rui asked curiously.

Chen Ping just led them on their way without saying what to do!

"Rui'er, we just need to listen to Mr. Chen's words and don't ask any more questions..."

Yue Buqun scolded Liu Rui!

Liu Rui stuck out her tongue and lowered her head!

Chen Ping smiled and said: "It doesn't matter. I promised a person that I would take him to a place, so we are going there now."

Chen Ping didn't say anything about the treasure map, but others didn't ask. After all, they followed Chen Ping, so they trusted Chen Ping 100%.

Chen Ping and the others had been traveling for a whole day. After it got dark, Chen Ping followed the others and found a place to rest!

But just when Chen Ping and the others were sitting down to rest, a disciple from the Divination Gang hurried over and said to the divine fortune teller: "Master, senior brother is missing?"

"Gone? What did he do?"

Chapter: 3830

The fortune teller was stunned and said.

"Last night, senior brother said he had a stomachache and went to relieve himself, but then he didn't come back..."

Then the divination disciple said.

"What?" The fortune teller was surprised: "Why the hell did you say it now?"

"I thought the senior brother was in front, so I didn't say anything..."

Then the Divination Gang disciple said with a look of horror.

“Master Divine Calculation, maybe your eldest disciple was delayed and is following behind. If that doesn’t work, send someone to look for him...”

Yue Buqun said to the divine fortune teller.

The divine fortune teller did not speak, but casually threw away a copper coin, and saw a bright light flashing in the air.

Just when this bright light flickered, there was also a bright light flickering in the mid-air not far away!

Seeing the flickering light, the fortune teller frowned and said with a cold face: “Damn it, this beast actually betrayed me...”

After saying that, the fortune teller looked at Chen Ping and said: “Mr. Chen, Leng Wudao and others are coming after me. My great disciple betrayed me and brought Leng Wudao and others here...”

When Chen Ping heard this, he also frowned. He thought he was getting rid of these people temporarily, but he didn’t expect to be followed!

“Then what do we do?”

Yue Buqun looked at Chen Ping!

Although Yue Buqun has recovered now, and the divine fortune teller has also brought the divination gang to their side!

But facing other sects, as well as the people of the Burning Heaven Sect, it is difficult for Chen Ping to be his opponent, unless Chen Ping summons those monsters again and a beast wave breaks out!

Chen Ping thought for a moment and then said: "We traveled all night, and we are not far from the place I want to find..."

"Mr. Chen, you go first. I am the queen. I want to kill this beast with my own hands..."

The fortune teller said to Chen Ping.

"Let's go together, it won't help if you stay..."

Chen Ping said!

Even if the divine fortune teller stays with the divination gang, he will never be a match for Leng Wudao and others. After all, the difference in strength is too huge!

After Chen Ping finished speaking, he broke off a branch and began to draw various patterns on the ground!
