

The Order 3851

Chapter: 3851

When Chen Ping saw this, he jumped down and quickly ran towards the exit of the valley!

When Chen Ping ran to the gate, Yue Buqun and others had already regained consciousness. Because Chen Ping could not be found, the group was still worried!

Seeing Chen Ping running out from the depths of the valley, Yue Buqun rushed to greet him: "Mr. Chen, are you okay? What just happened?"

"I don't have time to explain now. Let's get out of here right away..."

Chen Ping said anxiously!

At this time, gusts of dark wind blew by, and the sounds of ghosts crying and wolf howling continued to be heard from the valley, which shocked Yue Buqun and others!

Chen Ping began to flee towards the door, with Yue Buqun and others following closely behind!

And behind them are countless undead souls!

These undead have different shapes and different strengths, and they are desperately chasing Chen Ping and the others!

At this moment, above the abyss, Leng Wudao and the others are still guarding!

"Brother Leng, there has been no movement in this abyss for such a long time. It is estimated that Chen Ping and others will not enter it!"

“Furthermore, I have investigated and found that the aura of evil is too strong in this abyss. Even with our strength, if we stay in there for a long time, we will be disturbed by the aura of evil, not to mention Chen Ping and the others. Got it!”

“I think we shouldn’t waste time here and look elsewhere...”

Tong Haiyang said to Leng Wudao.

Leng Wudao nodded. He felt that there could be no one in this abyss. Whoever would enter here would be like hell.

“Okay, let’s not wait any longer and prepare to withdraw...”

After Leng Wudao finished speaking, he planned to leave.

But at this moment, the sound of howling wind suddenly came from the abyss, and then I saw that the evil energy that originally only floated in the abyss began to spray out from the abyss!

“How is this going?”

When Tong Haiyang saw this, he couldn’t help but be stunned!

Leng Wudao didn’t know what was going on, and when other people saw this scene, they also gathered around!

“Look, there is a figure in the abyss...”

At this time, someone shouted!

In the eyes of everyone, the figure got closer and closer, and then jumped directly out of the abyss!

Chapter: 3852

When he saw the people suddenly coming out of the abyss, Leng Wudao was stunned!

“Chen Ping, did you really get inside?”

Leng Wudao couldn't believe how Chen Ping and the others stayed in there for such a long time!

Chen Ping, Yue Buqun and others were stunned when they saw Leng Wudao. They did not expect that Leng Wudao and others were still waiting here!

The two sides looked at each other for a moment, but soon the murderous intent began to appear in everyone!

“Damn it, I already told you that I didn't kill your son, yet you're still waiting here...”

When Chen Ping saw Leng Wudao endlessly pursuing him, he couldn't help but cursed!

“Chen Ping, it's useless what you say now, you must die...”

Leng Wudao had a cold face, and then looked at the fortune teller: “Force fortune teller, you traitor has betrayed all of us. Do you want to die with Chen Ping?”

“Leng Wudao, I can't die, it's you who will die. Don't forget what I did. I will have already figured out your fate.”

The fortune teller sneered.

“Bah, you really treat yourself as a toy. If you were really a half-immortal, you wouldn't have to stay in the hidden world.”

Leng Wudao spat hard, and then said loudly: "We must not let go of these people in front of us. We must eradicate them this time. From now on, all the resources here will be ours..."

Everyone in the hidden world showed their weapons. Chen Ping, Yue Buqun and others also showed their weapons one after another. The two sides were at war with each other!

But in terms of strength, Chen Ping and his team are too weak!

No matter in terms of numbers or strength, Chen Ping and the others are at an absolute disadvantage!

"Sect Master Yue, master of divine calculation, if a fight breaks out, you run away. The one Leng Wudao wants to kill is me, so you don't have to accompany me to die..."

Chen Ping whispered to Yue Buqun and Shen Shuanzi!

"Mr. Chen, if I don't run away, even if I die, let's die together..."

Yue Buqun said firmly.

"Mr. Chen, you are the chosen one. You will not die easily. I believe in my own divination skills..."

The fortune teller knew that Chen Ping was an extraordinary person and could not die so easily!

"Kill me..." Leng Wudao waved his hand, and everyone in the hidden world swarmed forward!

But at this moment, the sound of ghosts crying and wolves howling suddenly came from the abyss, followed by a heart-rending wind howling!

Chapter: 3853

A large number of undead poured out from the abyss.

Seeing this scene, Leng Wudao and others were stunned. Facing the gusts of sinister wind and thousands of undead, no one in the hidden world dared to move!

“run.....”

Chen Ping roared loudly and started running with Yue Buqun and others!

Before Leng Wudao and others could react, they were surrounded by the undead that rushed up. There was no way they could pursue Chen Ping and others!

Suddenly, there were sounds of killing, and Leng Wudao and others followed the undead and started fighting!

Chen Ping and the others were also chased by some undead, and Chen Ping and the others could only kill without retreating!

Fortunately, these undead can be killed after they escape from the abyss!

However, when Chen Ping killed these undead, if he didn't kill a single undead, the power of the lines would enter his body.

Just killing and retreating like this, Chen Ping and the others finally got rid of the pursuit of the undead, Leng Wudao and others!

After finding a relatively safe place, Chen Ping and the others began to rest!

Leng Wudao and others also rushed out in embarrassment and got rid of the undead!

“Damn, why did these things suddenly appear? I let Chen Ping run away in vain...”

Leng Wudao cursed angrily!

“Okay, our top priority is to really get rid of these undead. I don’t know where these guys come from, but they can track us all the time...”

Tong Haiyang said.

Just as he was talking, there was a burst of shouting, and then a melee started again!

Some undead actually chased after them, and Leng Wudao and others had no choice but to run away again!

Chen Ping and the others were resting on a hill at this time. This continuous battle made everyone feel very tired!

Since entering the abyss, they have not had a good rest, let alone training and replenishment!

Now everyone’s energy is almost exhausted. Although there are many resources here, they have no time to rest!

Moreover, those undead souls were like wolf dogs, able to follow the direction in which Chen Ping and the others fled, and quickly catch up with them.

Looking at the tired people, Chen Ping casually created a formation and surrounded it for hundreds of meters!

“Master of Divine Calculation, Sect Master Yue, you guys can rest here for the time being and replenish your supplies while I go deal with the undead, otherwise these guys will stick to us like dog-skin plaster.”

Chapter: 3854

Chen Ping said to the fortune teller and Yue Buqun. Remember URL

“Mr. Chen, those undead are very powerful. It would be very dangerous for you to deal with them alone.”

The fortune teller said.

“Yes, especially the undead ones wearing armor, they are simply perverted. It took me a lot of effort to kill one!”

“Mr. Chen should rest with us. When we regain our strength, we will set off together.”

Yue Buqun also echoed, hoping that Chen Ping would not go alone!

“It’s okay. Even if I encounter danger, I have enough ability to protect myself and escape.”

Chen Ping smiled lightly!

In fact, Chen Ping had his own plan, because he found that as long as he killed these undead, the power of the Dao Mark in his body would become stronger. If he killed more powerful undead, the power of the Dao Mark would increase faster!

Through the constant fighting, the power of Dao Marks in Chen Ping’s body has increased a lot. Maybe after killing one or two undead, Chen Ping’s power of Dao Marks can reach two!

“Mr. Chen, let Xing’er and Rui’er go with you. If they are really in danger, they can still resist it for a while!”

Yue Buqun followed Chen Ping and said.

Chen Ping knew that Yue Buqun was afraid that he would be in danger and had good intentions, so he couldn’t refuse, so he nodded and said: “Okay, when we come back, we will bring some herbs and refine a few pills. It can speed up your recovery!”

Yue Buqun nodded, then looked at Liu Xing and Liu Rui and said, “Xing’er, Rui’er, you two must follow Mr. Chen closely and not let him be in danger. If necessary, you know what to do, right?”

The two men nodded: “Master, don’t worry, we will not let Mr. Chen be in danger. If necessary, we will self-destruct to buy Mr. Chen time...”

“Don’t worry, there is absolutely no danger...”

Chen Ping looked confident, and then left with Liu Xing and Liu Rui!

As for Yue Buqun and the Divine Operator, they began to practice quickly in the formation to restore their physical strength!

“Mr. Chen, you said that those undead souls don’t have inner elixirs or anything like that. Even if you kill them, it’s useless. Why are you still looking for them and insisting on killing them?”

Liu Rui asked Chen Ping with some confusion.

Chen Ping smiled: “These undead are of no use to you, but they are of great use to me. Every time I kill an undead, my cultivation will increase by one point...”

When Liu Xing and Liu Rui heard this, they were immediately surprised. This was the first time they heard that killing the undead could improve their cultivation!

But since Chen Ping said this, it must be true, and there was no need for Chen Ping to lie to them.

“When you encounter the undead, don’t take action. Just let me do it by myself. When I can’t deal with it alone, you two will take action...”

Chapter: 3855

Chen Ping said to Liu Xing and Liu Rui.

The two men nodded. Since killing the undead is training for Chen Ping, then they let Chen Ping kill the undead!

The three people walked for a while and saw a large group of undead walking over erratically!

The leader is an undead wearing armor, and those following him should be his soldiers!

These undead were all wearing ancient clothes and holding spears in their hands. They were obviously an ancient army.

This team was supposedly killed, but their souls remained, and they eventually became undead!

Seeing this large group of undead that suddenly appeared, the expressions of Liu Xing and Liu Rui changed a bit, only Chen Ping had excitement in his eyes!

Because there are so many undead, for Chen Ping, they are a lot of resources, and these are the power of Dao patterns!

“You two protect yourselves...”

After Chen Ping finished his instructions, he held the dragon-slaying sword, jumped up, and headed straight for the group of undead!

The undead man in armor held a long knife in his hand. He looked at Chen Ping who jumped over and waved the long knife: “Attack...”

The undead behind him began to scream, holding spears in their hands, and directly faced Chen Ping!

Chen Ping was in mid-air, slashing out the Dragon-Slaying Sword in his hand, and a golden sword light streaked across the sky!

In an instant, a large number of the undead in front of Chen Ping were killed, and all the power of the undetectable Dao patterns entered Chen Ping's body!

Chen Ping was so happy that he held the dragon-slaying sword and instantly rushed into the rebel army. At this time, Chen Ping was like a tiger descending from the mountain, slashing at the undead!

Although these were once soldiers, but now they have become undead, Chen Ping has no mercy at all!

Besides, by killing these undead souls, they can be reincarnated without having to stay in this world and suffer as undead souls!

Liu Xing and Liu Rui looked at Chen Ping's brave appearance and couldn't help but sigh!

In just a short time, Chen Ping has grown from the person they looked down upon to someone they can't reach now!

When I saw Chen Ping for the first time, Chen Ping still couldn't protect himself and was beaten to the point of death by Tong Yougong!

"Maybe this is talent. You and I can never compare."

Liu Xing sighed slightly.

At this time, Chen Ping was getting more and more excited as he killed, and there was no sign of fatigue.

But just when Chen Ping was killing vigorously, the undead man in armor quietly came behind Chen Ping with a long knife, intending to sneak attack Chen Ping!

Chapter: 3856

When Liu Xing and Liu Rui saw this, they suddenly panicked.

“Damn, this undead actually still has thoughts...”

Seeing that the undead in armor was about to attack Chen Ping, Liu Xing couldn't help but cursed!

It was too late to remind Chen Ping now, so Liu Xing and Liu Rui attacked the undead wearing armor together!

Liu Xing punched it, and instantly a shadow of the fist enveloped the undead!

Liu Rui also came out of his body with a long sword, slashing out sword lights one after another!

When the undead man in armor saw this, he roared angrily, and the evil aura filled his body, instantly neutralizing the attacks of the two men!

Then the long knife in the undead's hand slashed, and a shocking sword light appeared!

Liu Rui hurriedly blocked it with the long sword in his hand, but was directly knocked away!

Upon seeing this, Liu Xing gritted his teeth and jumped up, hitting the undead with his huge fist!

But the undead didn't move at all, but knocked Liu Xing away with one punch!

“This undead is so powerful, it's so perverted...”

Liu Xing stood up slowly, frowning and said!

“Even Master barely managed to kill an undead like this. I’m afraid the two of us are no match at all!”

Liu Rui looked worried!

“Whether he is an opponent or not, we cannot let him sneak up on Mr. Chen and kill...”

Liu Xing jumped up again, followed closely by Liu Rui, and both of them attacked the undead wearing armor at the same time!

After Chen Ping heard the sound of fighting, he killed several undead in front of him with one sword. He turned around and found that Liu Xing and Liu Rui were fighting with the leader of the undead!

Obviously, Liu Xing and Liu Rui were at a disadvantage, both of them were injured to varying degrees!

When Chen Ping saw this, he rushed forward instantly. The dragon-slaying sword in his hand emitted blazing flames, and then he slashed out with the sword and struck the undead fiercely!

The flames instantly swallowed up the undead leader. The undead leader let out bursts of roars, and his body continued to struggle!

Looking at the scene in front of him, Chen Ping couldn’t bear it. This was a general who sacrificed his life for the country, but if he couldn’t bear it, there was nothing Chen Ping could do!

And this is a relief for these undead.

But just as the fire was burning, a gloomy evil aura spread over the undead. The spiritual fire that was originally flammable for all things was extinguished in an instant under this evil aura!

Chapter: 3857

The surrounding air seemed to freeze, and waves of dark wind kept blowing, making Chen Ping and the others feel as if they had fallen into an ice cave!

Chen Ping frowned slightly: "This evil spirit is really powerful..."

When Chen Ping saw this, the power of the divine dragon in his body exploded, and a sword light shot out from the Dragon Slaying Sword!

The sword light instantly turned into a golden dragon and flew out, then hovered in the air, and then spurted out streams of flames from the golden dragon's mouth, and began to attack the undead leader!

The murderous aura on the undead body started to resist along with the spiritual fire spouted by the golden dragon!

The power of the divine dragon in Chen Ping's body continued to explode, and the flames in the golden dragon's mouth became stronger and stronger!

Slowly, the evil spirit exuded by the undead began to weaken, and finally began to burn!

Soon, the leader of the undead made no sound, and a point of light slowly rose into the sky, then quickly headed towards Chen Ping!

"Mr. Chen, be careful..."

Liu Xing and Liu Rui didn't know what was going on, but suddenly they saw a light spot shooting towards Chen Ping, and they quickly blocked Chen Ping!

But the light spot penetrated the bodies of the two people and finally entered Chen Ping's body!

"The power of this undead leader's Dao pattern is really powerful..."

Chen Ping discovered that the power of Dao patterns in his body had become two!

Just when the power of the Dao lines increased to two levels, Chen Ping only felt the spiritual power in his Dantian continuing to surge.

“A breakthrough?”

Chen Ping was stunned, hurriedly sat cross-legged on the spot, and quickly started practicing!

“Mr. Chen, what’s going on?”

When Liu Xing saw this, he was confused. He didn’t understand what was going on with Chen Ping. Why did he suddenly sit down and start practicing?

“Mr. Chen is probably about to break through. At the moment of breakthrough, that’s why he suddenly started practicing. We have to protect Mr. Chen...”

Liu Rui seemed to see it and said to Liu Xing.

Liu Xing nodded, and stood by Chen Ping’s side, one on the left and the other on the right, to protect Chen Ping!

Unknowingly, the two of them had been guarding Chen Ping for a day and a night. Chen Ping remained motionless, and Liu Xing and Liu Rui also remained motionless, guarding Chen Ping!

At this moment, bursts of footsteps began to approach Chen Ping and the others, which made Liu Xing and Liu Rui nervous!

Because the undead make no sound of footsteps at all. If there are footsteps approaching, that means someone is approaching!

Chapter: 3858

But Liu Xing and Liu Rui didn’t know who these people were, and they didn’t dare to use their spiritual consciousness to detect them, lest they be directly discovered by the other party!

Now Liu Xing and Liu Rui could only pray that these people were not found by Leng Wudao and others, but by Yue Buqun and others.

But as the footsteps got closer and closer, the figures were clearly visible, and Liu Xing and Liu Rui's hearts sank to the bottom!

I saw that this group of people was Leng Wudao and the others. Liu Xing and Liu Rui looked ashen, but they still didn't move and were still guarding Chen Ping!

Leng Wudao and others were also surprised when they suddenly saw Chen Ping. They thought that Chen Ping should have escaped long ago, maybe he had left the secret realm, but they didn't expect that he was still here!

"Hahaha, it's really effortless to get here without trying to find anywhere. I didn't expect to meet you here..."

Leng Wudao burst out laughing.

Chen Ping still closed his eyes tightly this time, as if he didn't know what was happening!

Liu Xing and Liu Rui looked nervously at Leng Wudao and the others. Their aura began to rise, and their abdomens were bulging like balls. They knew that with just the two of them, if they wanted to stop Leng Wudao and the others, it would be like hitting a stone with an egg. It's simply impossible!

So the two of them planned to blow themselves up from the beginning to scare Leng Wudao and them from taking any rash action!

"Leng Wudao, if you dare to touch Mr. Chen, we will blow ourselves up and no one will survive."

Liu Xing said loudly to Leng Wudao!

Seeing Liu Xing and Liu Rui looking like that, Leng Wudao laughed coldly!

“You two little babies, do you think you will scare me if you blow yourself up?”

“You two blowing yourself up is no different than setting off firecrackers. It won’t cause us any harm at all.”

“If you don’t believe it, you two just give it a try, and we can just listen to the sound...”

Leng Wudao sneered!

The others all gathered around Liu Xing and Liu Rui, with mocking smiles on their faces.

“Girl, you are so pretty and charming. It would be a pity to blow yourself up. Just be obedient and I guarantee that you can live a good life.”

“You can enjoy the happiness by following me. I will feed you ecstasy pills every day to ensure that the two of us are in a state of ecstasy.”

Bao Yukun from the Medicine Refining Sect looked at Liu Rui with a lustful look in his eyes!

Seeing Bao Yukun like that, Liu Rui’s face turned red with anger, and she stared at Bao Yukun, wishing to bite him to death.

“Bao Yukun, you insulted my junior sister, I will fight with you today...”

Liu Xing was so angry that he almost exploded. He roared and rushed towards Bao Yukun, intending to die with Bao Yukun!

Chapter: 3859

You must know that Liu Xing has always liked Liu Rui, and the two of them are also recognized as a couple by Chunyang Sect!

Now that the girl he likes is being humiliated like this, even a man would be furious.

But just as Liu Xing moved, Leng Wudao waved his hand, and a majestic aura instantly enveloped Liu Xing!

This breath was like a shackle, making Liu Xing unable to move at all!

“In front of me, you are not even qualified to move, but you still want to blow yourself up, and you still want to threaten me? Are you worthy?”

Leng Wudao looked at Liu Xing and said with disdain.

At this time, Liu Xing and Liu Rui’s faces turned red and they didn’t know what to say!

Under the absolute strength gap, they are not even qualified to self-destruct.

“Leader Leng, leave that girl to me, and you can handle the rest...”

Bao Yukun said to Leng Wudao.

“Okay, but Zong Bao mainly knows how to pity, but there are many people behind him who are salivating and want to have a taste!”

Leng Wudao smiled charmingly!

“Don’t worry, as long as you take my ecstasy pill, a girl can satisfy all of us...”

After Bao Yukun finished speaking, he walked towards Liu Rui with a lewd smile on his face!

“Bao Yukun, I am the eighteenth generation of your ancestors. If you dare to touch my junior sister, I will not let you go even if you are a ghost...”

Liu Xing’s eyes widened, his whole body trembled with anger, and he screamed at Bao Yukun: “Kill me now if you can, kill me now...”

“Boy, the more you scold me, the more excited I will become. I will let you see with your own eyes how your junior sister turned into a nymphomaniac.”

“It’s a pity that your master Yue Buqun is not here, otherwise I would show him how his female disciples serve us.”

“Ha ha ha ha.....”

Bao Yukun laughed loudly, and everyone else also laughed wildly. Everyone looked at Liu Xing and Liu Rui as if they were looking at prey.

Liu Rui was angry and ashamed, but at this time she was also controlled by Leng Wudao’s aura, unable to move or self-destruct!

“Beasts, you guys are a bunch of beasts. Even if I die, I won’t let you succeed...”

As he said that, Liu Rui opened his mouth and was about to bite his tongue and commit suicide!

But before Liu Rui could bite her tongue, Bao Yukun grabbed Liu Rui’s chin, making it impossible for Liu Rui to bite her tongue and commit suicide!

Chapter: 3860

“If you want to die, you have to wait until we have had enough fun...”

After Bao Yukun finished speaking, he was about to pick up Liu Rui!

boom.....

Just when Bao Yukun was about to pick up Liu Rui, a strong wind suddenly hit him. Bao Yukun was unable to dodge and was directly knocked away!

Bao Yukun's body stopped after breaking more than a dozen trees, and blood overflowed from the corner of his mouth!

"Who?" Leng Wudao frowned!

So everyone was shocked and looked around, looking wary!

There were so many of them, but they didn't notice anyone approaching, and they knocked Bao Yukun away in one go, which showed that the other party must be a master!

"You are a bunch of big men, but you bully a girl, how shameless are you? I think you guys from well-known families are worse than evil cultivators!"

"Fortunately, I have never been with you, and if I see any of you, I will kill one of you..."

Not far away, an old man wearing a gray cloth robe walked out!

When the old man walked out, almost everyone felt the pressure, and everyone's heart was tight!

The aura of the old man was so powerful that it made everyone a little scared!

When Liu Xing and Liu Rui saw the old man, surprise appeared on their faces.

"Mr. Qu, save us quickly, save Mr. Chen..."

Liu Xing and Liu Rui shouted at the old man!

This old man is none other than Qu Yunchang from Diaoyu Island, and Liu Xing and Liu Rui both know him!

Qu Yunchang waved his hand gently, and the aura that controlled Liu Xing and Liu Rui instantly dissipated, and the two regained their freedom!

“Who are you, Your Excellency? Why do you want to interfere in the affairs of our hidden world?”

Leng Wudao asked Qu Yunchang.

“I am the old monster Qu Yunchang you call him in the hidden world. I don’t care if you do some cock-crowding and dog-robbery things in the hidden world, but if you want to deal with him, I won’t agree...”

Qu Yunchang pointed at Chen Ping and said.

Everyone was shocked when they heard Qu Yunchang say that he was the old monster!

Because there is no one in the hidden world who doesn’t know about the old monster. Although no one has seen it or heard his name, there is an old monster on the sea. Everyone in the hidden world knows this!
