

The Order 3861

Chapter: 3861

This is also the reason why people in the hidden world rarely take the waterway, because no one who goes out by the waterway can come back!

“It turns out it was Senior Qu. This Chen Ping killed my son. As the saying goes, murder must be repaid with debts and money. It is only natural that I come to kill Chen Ping. I hope Senior Qu will not interfere.”

“When the time comes, our many sects in the hidden world will definitely send abundant resources to Senior Qu.”

Leng Wudao didn't want to follow Qu Yunchang into making enemies, so he planned to give Qu Yunchang some resources so that Qu Yunchang wouldn't have to worry about this matter.

But after Leng Wudao finished speaking, Qu Yunchang smiled disdainfully and said: “Don't talk about killing your son, even if you kill your mother, you can't touch Mr. Chen at all, or I will send you to hell... .”

Qu Yunchang's tone was very domineering, and there was no room for negotiation!

What a joke, Chen Ping is his palace master!

Even if Qu Yunchang lost his life, there was no way he would let Leng Wudao touch Chen Ping!

Qu Yunchang's words suddenly stunned Leng Wudao, and then Leng Wudao's face turned extremely cold!

Although he couldn't figure out why Qu Yunchang wanted to protect Chen Ping, Leng Wudao couldn't stand it when Qu Yunchang humiliated him so much in front of everyone!

Besides, he is not the only one here. Now that all the sects in their hidden world are tied together, there is no need to be afraid of Qu Yunchang!

“Old monster, I discussed it with you in a nice way, but you didn’t know what to do, so don’t blame us for being rude.”

“No matter how powerful you are, you are only one person. How can you still deal with our entire sect in the hidden world?”

“Today we will fight to the death to kill Chen Ping...”

The aura on Leng Wudao’s body began to rise, and when the others saw this, they were also ready to take action!

For a moment, countless terrifying auras enveloped Qu Yunchang!

Qu Yunchang frowned slightly. Although he was not afraid of these people, if he really took action, it would be difficult for him to protect Chen Ping’s safety!

But at this time, Qu Yunchang knew that he couldn’t show any cowardice, otherwise these people would rush up like hungry wolves and tear them all to pieces!

“Hahaha.....”

“Fight to the death? Are you worthy? In my eyes, there is no difference between you and ants...”

Qu Yunchang laughed.

An almost inaudible aura slowly rose from Qu Yunchang’s body, and then the aura suddenly exploded in mid-air!

Suddenly, the wind and clouds surged, and the entire sky darkened. Where they were, the void continued to twist, and space turbulence swept everywhere, like the end of the world!

The auras exuded by Leng Wudao and others were instantly defeated. Everyone felt the vibration of the void, looking at the apocalyptic sky, a huge shadow cast over their hearts!

Chapter: 3862

“Transformation Realm? Transformation Realm strong person?”

Tong Haiyang’s eyes widened with fear!

“Is there really a powerful person in the world?” Bao Yukun’s body was trembling, and his legs were shaking!

“Once you enter the realm of transformation, everything in the world becomes ants. No wonder he said we are ants.”

Yao Qing’s face turned pale, and after finishing speaking, he turned around and ran away!

Because he knows that in front of a strong person in the Transformation Realm, a gentle palm can turn them into meat!

Before the opponent takes action, he has no chance of surviving unless he runs!

Yao Qing turned around and ran, instantly bringing the others with him!

Everyone was scrambling to escape. At this time, no one cared about anyone else, and no one said anything about joining forces. All they thought about now was to survive!

At this time, Leng Wudao stared blankly at Qu Yunchang in front of him, completely dumbfounded!

And behind him, the people who were about to take action with him had already disappeared without a trace!

Leng Wudao's legs were trembling, his pants were already wet, and the cold sweat on his forehead was dripping like rain.

He was the closest to Qu Yunchang and could truly feel the hellish fear from Qu Yunchang!

After a moment, Leng Wudao reacted, turned around and ran towards the distance, and soon disappeared!

After everyone ran away, the void slowly recovered, the sky became brighter, and the terrifying aura disappeared!

Qu Yunchang stood quietly with no expression on his face!

"Mr. Qu, these guys have been chasing Mr. Chen, why didn't you kill them but let them go?"

Liu Xing asked Qu Yunchang very puzzledly.

After all, Qu Yunchang is a master of transformation. As long as Qu Yunchang took action just now, none of those people would be able to escape!

But just after Liu Xing finished speaking, Qu Yunchang frowned and spurted out a mouthful of blood!

Qu Yunchang's face turned pale at this time, and the aura on his body became extremely weak!

This time, Liu Xing and Liu Rui were frightened!

"Mr. Qu, what's wrong with you?"

Liu Xing and Liu Rui hurriedly stepped forward to help Qu Yunchang!

Chapter: 3863

“I’m fine. I’ll be fine if I take a rest. Please guard Mr. Chen. Those guys won’t be here soon!”

After Qu Yunchang finished speaking, he closed his eyes slightly and began to regulate his breathing!

Qu Yunchang has not reached the transformation state at all. Just now he just forced his inner energy to create the aura of a strong person in the transformation state. Those just now are just appearances, and Qu Yunchang has no way to do it!

This was done to scare Leng Wudao and others away, not to kill Leng Wudao and others, but Qu Yunchang himself forcibly activated his internal energy, causing severe damage to his internal organs!

Liu Xing and Liu Rui looked at Qu Yunchang and Chen Ping nervously. They could only hope that Chen Ping could break through quickly. If Leng Wudao and others reacted and came back, they would not be able to stop them.

After a moment, Chen Ping’s body began to shine with a faint light, and a powerful and terrifying aura emanated from Chen Ping’s body!

Chen Ping’s eyes slowly opened. At this moment, Chen Ping’s eyes were even deeper, giving people an unpredictable feeling!

“Mr. Chen, have you made a breakthrough?”

Feeling the changes in Chen Ping’s aura, Liu Xing and Liu Rui were very happy!

Chen Ping stood up slowly and then nodded.

Feeling the changes in his body, Chen Ping finally had a hint of joy on his face. He didn’t expect the power of this pattern to be so powerful!

He had only generated two Dao Marks of power, but it actually directly raised his realm to the sixth-grade Martial God, which is also the sixth-grade Divine Dividing Realm!

If one cultivates the power of Dao Patterns to the nine levels, wouldn't his own realm be against the heavens?

Now the entire secret realm is full of undead, and these undead are Chen Ping's resources for cultivating the power of Taoist patterns.

"Liu Xing, how long have I been practicing?"

Chen Ping asked Liu Xing.

"Mr. Chen, you have been practicing for a day and a night. Just now Leng Wudao led his people to find this place. If Mr. Qu hadn't suddenly appeared, I'm afraid we would all have been killed by now."

Liu Xing said.

"Old song?" Chen Ping was stunned for a moment, and then he noticed Qu Yunchang not far away, his face a little pale and his eyes closed!

"What's going on?" Chen Ping knew Qu Yunchang's strength, and Leng Wudao and the others were no match for him at all, but Qu Yunchang in front of him had obviously suffered serious internal injuries!

"Mr. Chen, it's like this..."

Liu Rui recounted the scene where Qu Yunchang forced his inner energy to create a state of transformation.

If it weren't for this manifestation, Leng Wudao and others wouldn't be scared away at all!

When Chen Ping heard this, he immediately understood, so he stepped forward and gently put his hand on Qu Yunchang's shoulder. A burst of spiritual power instantly penetrated Qu Yunchang's body and gave Qu Yunchang a check!

Chapter: 3864

Qu Yunchang also opened his eyes at this time and found that Chen Ping was awake. He quickly stood up and said: "Mr. Chen, are you awake?"

"Old song, it's hard for you..."

Chen Ping knew that if he hadn't practiced on his own, Qu Yunchang wouldn't have had to scare Leng Wudao and others away like this, he could have given it a try!

But at that time, he was practicing and was in an unconscious state. Qu Yunchang had to fight and protect himself, which was obviously beyond his capabilities, so he took the risk and forcibly created the transformation scene!

"Mr. Chen, it doesn't matter if I lose my life because of you."

Qu Yunchang said with a faint smile.

"Your internal organs have been seriously injured. Please stop stimulating your internal energy for the time being. There are many herbs here. I will pick some herbs and refine some pills for you to help you recover as soon as possible!"

Chen Ping said to Qu Yunchang.

"Thank you, Mr. Chen..." Qu Yunchang nodded gratefully!

"Mr. Chen, Mr. Qu, let's leave here quickly. Maybe Leng Wudao will react and return soon."

Liu Xing urged Chen Ping and Qu Yunchang at this time!

Chen Ping nodded and left quickly!

At this time, Leng Wudao and others had already traveled more than a hundred miles, and the scene just now had already frightened them all!

On a hillside, everyone stopped to rest out of breath. Everyone looked at each other and no one spoke!

After all, when they first escaped, they all disowned each other and no one cared about whom, so there was no cooperation!

In the face of life and death, people are selfish, so no one said anything!

Finally, Leng Wudao came over. Leng Wudao was covered in cold sweat and his pants were soaked. He was so scared that he peed just now!

Everyone looked at Leng Wudao's embarrassed appearance, and no one made fun of him. After all, it was not shameful to be scared to the point of being pissed off by a transformation master!

"Brother Leng, are you okay?"

Tong Haiyang stepped forward and asked Leng Wudao with concern.

But when he just ran away, Tong Haiyang didn't even look at Leng Wudao.

"It's okay!" Leng Wudao shook his head, his face full of frustration!

Now that Chen Ping is protected by a transformation master, he wants to kill Chen Ping for revenge, but the chance is impossible!

“Since there’s nothing wrong, let’s change our clothes...”

Chapter: 3865

Tong Haiyang pointed at Leng Wudao’s pants!

Leng Wudao looked down and realized that he had peed. He had just peed in fear, and he didn’t even know it!

Embarrassed, Leng Wudao hurriedly found a place and changed his clothes!

“Damn, it’s really a ghost. That old monster is actually a master of transformation, and he is still protecting Chen Ping like this. Who is that Chen Ping?”

Leng Wudao cursed angrily!

“I’m also wondering, when will there be a master of transformation?”

“But that old monster is killing people like crazy. He just let us go and didn’t take action against us. It’s really strange.”

Tong Haiyang also said a little puzzled.

“Do you think the old monster was bluffing? He just waved his hand casually, and our group was wiped out, but he didn’t do anything.”

Bao Yukun stepped forward and said.

“It’s most likely a bluff. I know that even an eighth-grade Martial Emperor can create the appearance of a powerful Transformation Realm master if he forcibly activates his energy. However, those are just appearances and have no offensive power... . . .”

At this time, Yao Qing also came over!

Leng Wudao and Tong Haiyang glanced at Yao Qing coldly. No one said anything, but Bao Yukun said: "Yao Qing, you still have the nerve to say that you were the fastest running just now and you were as scared as a rabbit!"

"Aren't you the same? Don't blame me. I think that old monster has definitely not reached the transformation state. It is just to scare us."

Yao Qing said.

At this time, everyone was silent. After a while, Tong Haiyang said: "Yao Qing must be right. I also feel very strange. The old monster is just bluffing to scare us away."

"Damn, let's go back now. If they ran away long ago, they must have been trying to scare us. If they let me touch them again, I will never spare them."

Leng Wudao said that he was going to take people back!

"If it's really a bluff, then the old monster's internal organs should be injured by now, and we don't need to be afraid at all."

Bao Yukun said!

Soon, everyone turned back, but found that Chen Ping was no longer there!

"Damn, I'm really scared. I won't let them go. Chase them..."

Leng Wudao led his men to chase Chen Ping and the others!

After Chen Ping and the others picked the herbs, they went to join Yue Buqun!

Chapter: 3866

Everyone found a relatively secluded place, Chen Ping refined some elixirs, and then distributed them to Qu Yunchang, Yue Buqun and others, so that they could recover faster!

The Divine Fortune Teller sent out his disciples from the Divination Gang to set up a warning around the area. As long as Leng Wudao and others catch up here, they will know as quickly as possible!

Chen Ping often goes out to hunt and kill the undead to improve his power of Dao Marks!

In this way, while Chen Ping was avoiding the pursuit of Leng Wudao and others, he was hunting the undead to increase the power of his Dao Mark. A few days passed in the blink of an eye!

At the same time, in the dark abyss, the cold mist was constantly billowing, and there were undead souls that were constantly crawling out of the abyss!

Under the ruined altar in the Abyss Valley, shrill roars echoed continuously. This was the place where the evil spirit was strongest, and where the undead souls continued to pour out.

This place seems to be connected to hell, and the undead in hell crawl here through this passage!

And in the deepest place, where the undead are constantly pouring out, there is a figure sitting quietly inside!

The undead all crawled around this figure, as if they were very scared!

This figure exudes black light, and its whole body is as black as ink, as if it is wearing a black armor!

And inside his body, a vortex began to spin, and all the surrounding evil spirits were sucked into his body!

Suddenly, the figure opened his eyes, and his eyes were filled with cold light.

The undead souls passing by him seemed to feel something. They all stopped moving and even knelt down!

Looking at the kneeling undead, the figure slowly stood up, its long black hair flying in the wind!

“This abyss of hell is indeed a good place, but it’s a pity that it has to recruit me back so early.”

The figure slowly raised his head, and a delicate face was revealed!

If Chen Ping sees it, he will definitely be surprised, because this is Ning Zhi who has been fighting with him for a long time but suddenly disappeared!

Ning Zhi was sent to the abyss of hell to practice, but now he is summoned back. Because of the revival of spiritual energy, Ning Zhi is also an indispensable part of it!

Ning Zhi felt the surging evil spirit in his body, and his eyes were full of excitement!

Ning Zhi clenched his fists, and waves of raging aura shot out into the sky!

“Chen Ping, I don’t know if you miss me or not. If you let me touch you again, I will let you taste the taste of hell...”

“At that time, the entire secular world will respect me. I am a demon cultivator, I have a flame demon body, a natural demon...”

“Hahaha, hahaha...”

Ning Zhi laughed arrogantly, his voice echoing in the valley!

Chapter: 3867

And under his feet, a large number of undead bent over and knelt, trembling...

Ning Zhi slowly raised his right hand, and the evil energy around him was shaking, and then swarmed towards Ning Zhi. The originally dark abyss began to become brighter at this moment!

All the evil energy was sucked into Ning Zhi's palm, and then formed a huge black vortex!

Ning Zhi glanced at the kneeling undead and showed a smile: "Goodbye, my people, you are free, go and kill everything you see..."

After Ning Zhi finished speaking, he slowly walked towards the black whirlpool, and soon his figure disappeared into the whirlpool!

After Ning Zhi disappeared, the undead swarmed out of the abyss!

At this time, in the secret realm, Leng Wudao and others could not find Chen Ping, but they were often harassed by the undead, which was miserable!

"It's so fucking weird. Why do I feel like I can't kill all of these undead souls? There are more and more of them?"

Leng Wudao cursed!

I haven't seen Chen Ping in the past few days, but I have encountered several groups of undead. Although these undead are not very powerful, they can kill them together!

But this kind of endless fighting has already made them very tired, and the disciples of every sect have been injured!

The most important thing is that killing these undead will not bring any benefit to them at all!

If it is a monster, you can still get the beast elixir by killing it!

But these undead souls are like flies, very annoying, but killing these undead souls is of no use except a waste of energy!

“It seems that although this secret realm has many resources, there are so many undead souls that it is not suitable to stay for a long time...”

Tong Haiyang said after killing an undead with one palm!

If they set up camp here in the future, wouldn't they be annoyed to death by these endless undead souls?

“We have been harassed by the undead. I believe that Chen Ping will not be much better. Maybe they will have been killed by the undead by now...”

Bao Yukun said very optimistically.

But they don't know at all that Chen Ping is eager to meet the undead all day long. The undead around them have been killed long ago.

Chen Ping has to travel hundreds of miles every day to find the undead. For Chen Ping, these undead are the best resources!

“Such a wonderful place, I really don't want to leave...”

Chen Ping looked at the dead souls that he had killed and felt filled with emotion!

At this time, Chen Ping already had three Dao Marks in his body, and he would soon have four!

Chapter: 3868

It's just that it will become more and more difficult later on. Chen Ping just killed an undead leader, but found that the power of the Dao Mark has not increased much. It can be seen that if he wants to increase the power of the Dao Mark in the future, he must massacre the undead. !

"This area has been completely slaughtered, and we need to move to another place..."

Chen Ping is ready to leave here and go to another place to kill the undead!

But not long after Chen Ping left, a group of people appeared here!

"Yao Qing, I've been looking for it for a long time. Why don't there seem to be no undead in this area?"

Bao Yukun asked Yao Qing.

"The undead here were just killed. It seems that Chen Ping and the others left here."

Yao Qing looked around and said!

"I said you were mysterious and what kind of resources are these undead souls? Let me accompany you to search everywhere. What kind of resources are these undead souls?"

Bao Yukun asked very unhappy.

Originally they were together, but when they encountered the undead army, they were still able to take care of each other!

But now Yao Qing actually called him and chose to leave with Leng Wudao and others!

If Yao Qing hadn't promised a lot of resources, Bao Yukun wouldn't have left with him!

“This undead is of no use to you at all, but I found that after I kill the undead, the energy in my body will increase a bit, and my strength will also increase!”

“This should be related to the evil skills I practice. I can absorb the evil spirit of these undead, but you can’t!”

Yao Qing did not hide it from Bao Yukun and said directly!

“Damn, why didn’t you tell me about this good thing in advance? Can you teach me a lesson?”

When Bao Yukun heard this, his eyes were full of envy!

Killing these undead will increase your realm strength, which shouldn’t be too satisfying.

“It won’t work here. I’ll teach you when you find a suitable place.”

After saying that, Yao Qing took Bao Yukun and left!

Many disciples of the Medicine Refining Sect and the Burning Heaven Sect are following behind!

But just after Yao Qing and Bao Yukun left, Leng Wudao and others also arrived!

Looking at the backs of Yao Qing and others, Leng Wudao’s face was very gloomy!

Chapter: 3869

“As expected, Yao Qing is hiding something from us. No wonder he wants to separate from us. It turns out that these undead are all resources for him.”

Tong Haiyang said angrily.

“Come on, let’s follow. If we can learn the evil skills that Yao Qing mentioned, then the countless undead here will become our best cultivation resources.”

After Leng Wudao finished speaking, he followed immediately!

At this moment, Chen Ping is constantly searching for the undead. Of all the undead he finds, not a single one can escape!

Unconsciously, Chen Ping walked back into the abyss!

Looking at the undead crawling out of the abyss, Chen Ping’s eyes suddenly lit up!

“Oh, why are you so stupid? You are still looking for the undead everywhere. There are countless undead in this abyss. Why don’t you just kill them yourself!”

Chen Ping slapped his forehead, feeling very annoyed. He just remembered this!

Chen Ping held the dragon-slaying sword in his hand, and the light from the sword shot out. The undead souls that crawled out instantly turned into ashes, and then Chen Ping jumped in without hesitation!

Chen Ping went down to the abyss and looked at the densely packed undead. He couldn’t help but feel happy!

“Hahaha, I’m getting rich...”

Facing the undead army, Chen Pingping showed no signs of timidity. He waved his Dragon-Slaying Sword and charged directly towards them!

Those undead souls were instantly turned into powder under Chen Ping’s sword, and countless Taoist power swarmed into Chen Ping’s body!

“happy.....”

Chen Ping became more and more energetic as he fought, fighting all the way into the valley!

But just when Chen Ping was in full swing, several auras suddenly came towards Chen Ping!

Chen Ping frowned. He could feel that these were not the breaths of the undead, but someone was making a sneak attack!

Chen Ping slashed out with his backhand sword, and the bright sword light directly sealed the entire valley!

boom.....

With a loud noise, Chen Ping’s sword light collided with those several breaths!

The huge counter-shock force made Chen Ping retreat continuously!

“I didn’t expect that your kid would be hiding here...”

Slowly, several figures walked out of the dim black mist!

Chapter: 3870

The one standing in the front is Yao Qing, and the one standing next to him is Bao Yukun!

The two disciples stood neatly behind them.

When Chen Ping saw this, he frowned. He didn’t expect how these guys would find this place. Now that Chen Ping is blocked here, there is no possibility of escaping at all.

“Hahaha, this is such an unexpected surprise. I originally came here just to kill more undead, but I didn’t want to meet this guy.”

Bao Yukun burst out laughing!

When Chen Ping heard this, he felt a little surprised. He didn’t understand why Bao Yukun and the others were looking for the undead and wanted to kill more undead?

Could it be?

Chen Ping narrowed his eyes slightly, and then turned his attention to Yao Qing. Yao Qing was originally an evil cultivator. It seemed that killing the undead would improve their cultivation, so he wanted to kill more undead!

“Chen Ping, are you hiding here to escape our pursuit? Where is Yue Buqun? And where is that old monster?”

Yao Qing asked Chen Ping.

But Chen Ping said nothing. He kept looking around, looking for a way to escape.

“Stop talking nonsense to him, just kill him. Hurry up and teach me the skills...”

Bao Yukun couldn’t wait to learn Yao Qing’s evil skills!

With that said, Bao Yukun was about to take action, but was stopped by Yao Qing.

At this time, there are only two people, Yao Qing and Bao Yukun. If Yue Buqun, Shen Shuzi, and Qu Yunchang are all here, Yao Qing knows that he will be destroyed easily just by relying on them!

Although Naqu Yunchang is not in the transformation state, it is definitely not something they can deal with.

If these people were within this abyss, Yao Qing would evacuate quickly and would not attack Chen Ping!

Chen Ping looked at Yao Qing like that and suddenly smiled coldly: "Why are it just you two? Where are Leng Wudao and the others?"

"Gang Leader Leng and the others are still behind, and they will arrive soon. Just wait until you are trapped and die here..."

Yao Qing snorted coldly!

But Chen Ping smiled, looked at Yao Qing and said: "I think you two separated with other sects, right? If that's the case, then you two just wait to die..."

After Chen Ping finished speaking, the aura on his body exploded.

Yao Qing frowned. He didn't expect that he couldn't deceive Chen Ping, but Chen Ping saw it!

"Chen Ping, even if there are only two of us, you will never be our opponent. I think Yue Buqun and the old monster are not here, right?"
