

The Order 3871

Chapter: 3871

Yao Qing asked Chen Ping tentatively.

“They are deep in the valley, how could they not be here...”

Chen Ping said.

When Yao Qing heard this, he burst into laughter: “Chen Ping, are you trying to lie to me? If you said you weren’t here and tempted us to attack you, I would believe they are here.”

“But you told me directly that they were all here. Are you planning to scare us away?”

“We have been scared away once just now, and it will never be possible this time.”

After Yao Qing finished speaking, he raised his hand and grabbed the void!

The Yin evil energy instantly condensed into a spear in Yao Qing’s hand. The Yin evil energy on the spear was violent, and the space in the entire valley trembled!

When Chen Ping saw this, he couldn’t help but frown. He didn’t expect that Yao Qing was so thoughtful!

When Bao Yukun saw this, his aura rose and he took a stance!

Two martial arts masters made Chen Ping feel the pressure!

And the two people looked at Chen Ping coldly, as if they were looking at prey!

“go to hell.....”

Bao Yukun took the lead and jumped up, tearing the void with his sharp claws and heading straight for Chen Ping!

Yao Qing was not idle either. The spear in his hand moved forward a little, and countless spear lights shrouded in front of Chen Ping!

boom.....

The gun light came down like raindrops, and Chen Ping held the dragon-slaying sword to resist with all his strength, constantly making the sound of metal collision!

Bao Yukun’s sharp claws instantly enveloped Chen Ping, making Chen Ping’s space for movement extremely narrow!

In this way, Chen Ping could only face Yao Qing’s countless spears!

burst.....

Following Bao Yukun’s loud shout, the gun light instantly burst into bright light.

Chen Ping jumped up to get rid of this passive situation!

But just as his body jumped up, Bao Yukun’s claw struck and instantly grabbed Chen Ping’s chest, leaving several marks directly on Chen Ping’s chest!

If it weren’t for Chen Ping’s physical body being so strong, this claw would probably have pulled out Chen Ping’s internal organs!

Chapter: 3872

“What a powerful body...”

Bao Yukun couldn't help but be surprised when he saw that one of his claws failed to hurt Chen Ping!

Yao Qing waved his spear and frowned slightly as he said: “Everyone, come together, kill him first and then...”

Yao Qing knew that things would change later, and he was afraid that if the delay was too long, Yue Buqun and others would be here!

Upon seeing this, many disciples of the Medicine Refining Sect and the Burning Heaven Sect took out their weapons and headed towards Chen Ping to kill him!

When Chen Ping took a look, the power of the dragon covered his whole body, the indestructible golden body was activated, and golden rays of light shone out in all directions!

“If I don't kill this guy now, I'm afraid I won't have a chance in the future.”

Bao Yukun felt the change in Chen Ping's strength and couldn't help but jump up again!

Yao Qing could also feel the threat from Chen Ping, so he stabbed him with his gun, and soon followed Chen Ping into a fight!

Coupled with the fact that the disciples of the two families were constantly harassing Chen Ping, Chen Ping quickly showed his disadvantage!

Chen Ping swung the dragon-slaying sword in his hand tightly, his brows furrowed tightly!

Chen Ping blocked Yao Qing's attack with his sword, and Bao Yukun slapped Chen Ping on the back!

Although he has an indestructible golden body, Chen Ping's internal organs were also shaken by this palm, causing the blood to surge up!

"Damn, it seems like this is going to happen here today..."

Chen Ping couldn't help but curse!

Yao Qing and Bao Yukun became anxious when they saw that Chen Ping was showing signs of decadence and that with so many people, they couldn't attack Chen Ping for a long time!

"go to hell....."

Yao Qing shouted loudly, and the spear in his hand shook in the air!

Countless gun shadows appeared, followed by streaks of sharp energy shooting out from the tip of the gun!

These energies rolled in the air and turned into thousands of sharp blades, densely packed towards Chen Ping!

Bao Yukun also shouted loudly, his hands turned red, burning with blazing flames, both palms came out, and the two flames went straight towards Chen Ping!

boom.....

Two flames instantly drowned Chen Ping, and the thousands of sharp blades kept hitting Chen Ping!

Chen Ping's body fell heavily to the ground from mid-air.

Chapter: 3873

Seeing this scene, Yao Qing and Bao Yukun let out a long breath!

“Finally, I killed this guy. He was really difficult to deal with...”

Yao Qing didn't expect that it would be so difficult for the two of them to join forces to kill Chen Ping!

Bao Yukun waved his hand, and the flames on Chen Ping's body were extinguished.

“This guy's sword is a treasure. You must not break it...”

After Bao Yukun finished speaking, his figure fell from mid-air and arrived beside Chen Ping!

At this time, Chen Ping's whole body was as black as coke, and his gleaming golden light and majestic appearance had long since disappeared!

The Dragon-Slaying Sword was placed on one side of Chen Ping. Although it had been burned by the fire, the Dragon-Slaying Sword was still as shiny as ever!

“The sword, what a sword...”

Bao Yukun bent down and picked up the Dragon Slaying Sword, his eyes glowing with greed!

But he didn't notice that Chen Ping, who was lying on the ground and already blackened, slowly opened his eyes!

Suddenly, Chen Ping jumped up, shocking Bao Yukun!

Bao Yukun instinctively stepped back and slashed towards Chen Ping with the dragon-slaying sword in his hand!

But Bao Yukun slashed out with his sword, and then he realized that the Dragon-Slaying Sword seemed to be out of his control. When he swung the sword, the Dragon-Slaying Sword unexpectedly came out of his hands instantly.

Then there was a reversal, heading directly towards Bao Yukun. In the blink of an eye, Bao Yukun's arm was instantly chopped off by the Dragon-Slaying Sword.

“ah.....”

Bao Yukun screamed and backed away desperately!

The broken arm was bleeding profusely, making Bao Yukun's face turn extremely pale!

Seeing this, Yao Qing raised the spear in his hand and directly knocked back the Dragon Slayer Sword.

The Dragon-Slaying Sword flew back into Chen Ping's hand!

Bao Yukun looked at his broken arm, took out a handful of powder from his body and sprinkled it on the wound, instantly stopping the blood!

And the severed arm was picked up by his disciples!

“Are you okay?” Yao Qing looked at Bao Yukun and asked.

It scares you that they are two grasshoppers on the same rope. If something happens to Bao Yukun and he is the only one left, I am afraid it will be difficult to deal with Chen Ping.

Chapter: 3874

Bao Yukun shook his head: “It's okay. I didn't expect this to be a spiritual sword with spiritual wisdom. I was too careless.”

“What about your broken arm?” Yao Qing looked at Bao Yukun’s broken arm. There was still blood dripping from it.

“I can reattach it myself, but it will take time. Just kill this Chen Ping first, and I’ll reattach the arm!”

Bao Yukun looked calm and composed!

As the leader of the Medicine Refining Sect, he only had a broken arm. He had many ways to reattach it, but it took time to reattach the broken arm, and now that Chen Ping was looking at them eagerly, he didn’t have time to reattach the broken arm now.

“Okay, then let’s kill him together...”

Yao Qing nodded.

At this moment, Chen Ping was holding the Dragon-Slaying Sword, and the burnt blackness on his body was slowly falling off, and then the shining golden body appeared again!

Yao Qing and Bao Yukun frowned when they saw this. The attack they just made did not cause any harm to Chen Ping!

They thought that this blow could kill Chen Ping!

However, although Chen Ping did not suffer serious injuries, the fight between Yao Qing and Bao Yukun had consumed a lot of spiritual power in his body. Even the dragon crystal in his body began to dim, and the power of the dragon was consumed hugely!

If the fight continues like this, Chen Ping knows that even if he is not killed by the two of them, he will eventually consume all his spiritual power and become a prisoner!

With two martial emperor masters, plus dozens of disciples from both families, it was obviously very difficult for Chen Ping to deal with it alone!

Chen Ping glanced at Yao Qing and Bao Yukun, then jumped up and rushed out of the valley!

He didn't want to fight anymore, and his only thought now was to escape!

When Bao Yukun and Yao Qing saw Chen Ping escaping, they immediately understood that Chen Ping was at the end of his strength!

"It's not that easy to run away..."

Bao Yukun's eyes were full of anger, and he jumped up and chased Chen Ping!

And Yao Qing also raised his gun, and the spear in his hand stabbed out one after another!

Rumble.....

For a moment, countless energy in the valley turned into wind blades and shot out towards Chen Ping!

Chen Ping dodged desperately, trying to rush out of the valley and quickly escape from the abyss!

But it was impossible for Yao Qing and Bao Yukun to let him go, and they were chasing after him!

Just when Chen Ping was about to rush out of the valley gate, he was stopped by Bao Yukun and Yao Qing one after another!

Chapter: 3875

Fortunately, many undead souls crawled out of the black hole of the altar, trapping the disciples of the Alchemy Sect and Burning Heaven Sect!

Otherwise, Chen Ping would have been completely surrounded by now!

“You still want to escape? This is your grave today!”

Bao Yukun said with a cold face!

“You two masters of the Martial King team up to bully me, a Martial God. How shameless are you?”

Chen Ping said to Bao Yukun and Yao Qing!

“Hmph, stop talking nonsense and look at the gun...”

Yao Qing didn't waste any time, he stabbed out directly, and a blast of brilliance erupted from the gun head, which was extremely powerful!

When Bao Yukun saw this, he took action directly. Although he only had one arm left, claw shadows still moved towards Chen Ping!

Seeing this, Chen Ping had no choice but to accept the fight. The Dragon-Slaying Sword in his hand erupted with bursts of sword light, constantly resisting the two men's attacks!

But as Chen Ping's spiritual power was consumed, Chen Ping could clearly feel at this moment that his movements were much slower, and the power of each sword strike was also less!

“Hahaha, you should just surrender and be captured. Your resistance is in vain. Even if we can't kill you, we can still exhaust you to death.”

Yao Qing has noticed that Chen Ping's strength has been almost exhausted!

“If you have the ability, just tire me to death...”

Chen Ping couldn't be captured without hesitation, so he gritted his teeth!

Chen Ping still has the power of Dao Marks in his body. This is his killer tool. Chen Ping will not use it easily unless it is absolutely necessary.

What he needs is to use the power of Dao Mark to kill the opponent when he relaxes his vigilance!

Bang.....

Suddenly, Chen Ping was hit by Yao Qing's shot, and his body fell heavily on the cliff!

Chen Ping's indestructible golden body also turned into powder at this moment and slowly disappeared!

With his body hunched, Chen Ping slowly stood up with the Dragon-Slaying Sword!

It can be clearly felt that the breath in Chen Ping's body is already very weak!

Now even if the disciples of the two gangs come over, they will probably kill Chen Ping easily!

Seeing this scene, Qiu Qiong and Bao Yukun burst into laughter!

Chapter: 3876

"Yao Qing, I'm here to kill Chen Ping. I want to avenge my broken arm!"

Bao Yukun looked at Chen Ping coldly. He wanted to kill Chen Ping himself to relieve the hatred in his heart!

"Sect Master Bao, you should leave this Chen Ping to me. This boy's strength can be absorbed and refined by me."

“As long as you give me this Chen Ping, I will teach you the technique right away so that you can absorb power from the undead!”

Yao Qing said to Bao Yukun!

Bao Yukun looked at Chen Ping, then nodded and said, “Okay, I’ll leave this kid to you.”

After Yao Qing heard this, the spear in his hand instantly turned into a black mist and dissipated, and then slowly walked towards Chen Ping!

At this time, Chen Ping was like a lamb waiting to be slaughtered in front of him, and he no longer had any resistance!

Chen Ping held the Dragon-Slaying Sword tightly in his hand, and the power of the Dao Mark in his body was shining with a faint light!

Now Chen Ping is waiting, waiting for Yao Qing to arrive in front of him, relax his vigilance, and give Yao Qing a fatal blow the moment he attacks him!

As long as Yao Qing is killed, Bao Yukun will have nothing to worry about. After all, Bao Yukun has already lost an arm!

“What a good piece of material, it’s just a pity. When I absorb your strength and refine your powerful body into a puppet, I will have an additional general by my side!”

Yao Qing walked towards Chen Ping slowly with a sneer on his face!

At this time, Yao Qing was not alert at all, his expression was relaxed and comfortable, and his face was filled with excitement!

As long as you absorb Chen Ping’s strength, your level will be improved here!

In addition to turning Chen Ping into a puppet, Yao Qing will be able to take a place among the many sects in the hidden world, and his words will begin to have weight!

“Chen Ping, don’t blame me. If you want to blame me, blame you for being arrogant...”

Yao Qing came to Chen Ping and slowly stretched out his hand!

He did not suppress Chen Ping’s breath, because in his opinion, Chen Ping was now equivalent to a useless person, with no need to control it at all, and Chen Ping could no longer have the strength to resist!

Chen Ping didn’t say a word, but deep in his eyes, a cold light flashed, and Chen Ping’s hand held the Dragon Slaying Sword tighter!

“stop.....”

Just when Yao Qing was about to put his hand on Chen Ping’s head, and Chen Ping was about to fight back, a sudden loud shout interrupted Yao Qing!

Yao Qing hurriedly turned around and found that Leng Wudao and others were coming!

Seeing Leng Wudao and others, Yao Qing was obviously a little surprised, and Chen Ping was equally surprised!

Chapter: 3877

Originally, he planned to kill Yao Qing and then deal with Bao Yukun, but now that Leng Wudao has brought people here. Even if Chen Ping has the power of Dao Marks in his body, there is no way he can be an opponent of these people!

“Damn it, is God trying to kill me?”

Chen Ping couldn’t help but cursed secretly in his heart!

“Leader Leng, why are you here?”

After Yao Qing saw Leng Wudao, he took his hand back and then asked Leng Wudao.

“Yao Qing, you took Bao Yukun away from the team and ran here. Do you have any ideas?”

“Or is there some secret here that you don’t want us to know?”

Leng Wudao asked Yao Qing with a sneer.

“What are Gang Leader Leng saying? What secrets could there be here? We are here to track Chen Ping.”

“We also wanted to kill Chen Ping and avenge Gang Leader Leng’s son!”

“If there are too many people, I’m afraid that Chen Ping will find out and alert the snake...”

Yao Qing hurriedly started to explain, but what he told were all lies because he didn’t want Leng Wudao and others to know his secret!

“Yes, Yao Qing is right. We came here to chase Chen Ping. Didn’t we already capture Chen Ping!”

“For this reason, I even lost an arm. This kid still wanted to run, but we finally stopped him.”

Bao Yukun also hurriedly followed Leng Wudao in explaining 1

“Bao Yukun, don’t think you are looking for excuses to leave the team. I have no idea what you want to do!”

“Now that we have agreed to form a group, we must not have any selfish motives!”

“You are looking for undead to kill along the way. Do you think we don’t know?”

“And you are here because the undead crawl out from here. You are here just to kill more undead!”

“It was just a coincidence that I met Chen Ping who was also hiding here, and that’s when the conflict broke out!”

“You actually said it was for revenge for my son?”

Leng Wudao told the story about Yao Qing and Bao Yukun without mercy!

At this time, Bao Yukun and Yao Qing’s faces became a little ugly. They knew that if this matter was targeted, there would be no good results in the future.

Maybe the two sects will follow the Chunyang Sect’s footsteps and eventually be isolated and then eliminated!

Chapter: 3878

“Yao Qing, since you can improve your strength by killing undead, and you have such a good technique, why don’t you tell everyone?”

“Why do you want to drag Bao Yukun along? Do you want to go it alone?”

“It seems that you are not sincere in joining our hidden world.”

“We were kind enough to let you take the position of Chunyang Sect. Now it seems that evil cultivators are evil cultivators, feeding the unfamiliar wolves!”

Tong Haiyang said to Yao Qing!

When Yao Qing heard this, his face instantly became extremely ugly, and he immediately followed Tong Haiyang and explained: "Tong Gang Leader, I did something wrong in this matter, and I am willing to hand over my skills to everyone!"

Tong Haiyang smiled faintly, then looked at Leng Wudao and said: "Brother Leng, since they know they were wrong, let's forget it. The most important thing now is to kill Chen Ping and avenge our dead son... ."

Leng Wudao nodded, and then looked at Chen Ping, who was breathing weakly: "Can you still escape today? Can anyone save you? None of the people I, Leng Wudao, want to kill can escape... .."

"I won't run away, and I don't need anyone to save me. I'll just watch you talk nonsense and be shameless."

"How many times have I escaped from you? Don't you have any idea?"

Chen Ping supported his body with the Dragon Slayer Sword and said with a nonchalant expression!

This time, Leng Wudao was so angry. He didn't expect that Chen Ping, who was already almost useless, would dare to talk to him like this!

"Boy, you are so fucking tough. If I don't torture you to death today, I will never be a human being."

Leng Wudao was furious, and his raging aura shrouded Chen Ping!

At this moment, the power of Dao patterns in Chen Ping's body was constantly flashing, but Chen Ping did not burst out!

Chen Ping gritted his teeth and tried his best to resist the violent aura emanating from Leng Wudao. His eyes were filled with disdain and he said, "I heard that someone was so frightened by the transformation that someone peed their pants. Is that you?"

“You pee your pants when you encounter the transformation state, and you get arrogant when you encounter those who are not as powerful as you. You are no different from following that pug!”

Chen Ping kept irritating Leng Wudao, because when people are angry, their thinking will be confused and they will lose their ability to observe!

What Chen Ping wants is to make Leng Wudao lose his keen observation ability, otherwise the power of the Dao pattern in Chen Ping’s body may be discovered by Leng Wudao!

“Boy, go to hell...”

When Leng Wudao heard the word “wet his pants”, his anger reached its peak in an instant, and then he punched Chen Ping hard in the abdomen!

Chen Ping’s body was like a leaf, being blasted out in an instant!

After flying hundreds of meters, Chen Ping’s body fell heavily, making a deep pit in the ground!

Chen Ping, who had originally fled to the mouth of the valley, was beaten back at this moment.

Chapter: 3879

Wow.....

Chen Ping put his hands on the ground and suddenly a mouthful of blood spurted out!

At this time, Chen Ping’s forehead was covered with cold sweat, and the internal organs in his body were in unbearable pain!

Although Chen Ping’s body was already very strong, he was still injured under Leng Wudao’s furious punch!

If Leng Wudao hadn't unleashed some power of Dao marks the moment he struck, I'm afraid this punch would have killed Chen Ping!

At this moment, Leng Wudao and others saw that Chen Ping was not dead and stood up with the dragon-slaying sword supporting his body. They were all so surprised that they were speechless!

"Isn't this guy's body too abnormal?"

"Who is this guy? Can't he be beaten to death?"

"Strange, so strange..."

Everyone looked at Chen Ping who got up and started talking!

At this moment, Leng Wudao's face was extremely gloomy. Chen Ping was almost a cripple, but his punch failed to kill Chen Ping!

In front of so many people in the hidden world, Leng Wudao felt extremely embarrassed!

It was embarrassing enough for him to wet his pants, but this time it was embarrassing again!

"Is that all you have the strength to do? Just tickle me..."

Chen Ping wiped the blood from the corner of his mouth, and then mocked Leng Wudao!

Leng Wudao was going crazy when he heard Chen Ping's ridicule, his hair stood on end, and his clothes were even more self-conscious!

"I'm going to kill you, I'm going to kill you, I'm going to cut you into pieces..."

Leng Wudao roared and appeared in front of Chen Ping in a flash.

Then bursts of golden light erupted from Leng Wudao's fist, as bright as the sun!

Then this golden light hit Chen Ping hard!

Chen Ping didn't have much, he just looked around with his eyes!

When this fierce punch hit Chen Ping, Chen Ping's body flew backwards again!

This time the distance flew farther, but when Chen Ping's body was still in mid-air, Chen Ping exploded all the power of the Dao pattern!

Chen Ping's body shone with the light of stars, and a powerful aura enveloped Chen Ping, and then he flew towards the distance!

Chapter: 3880

"It's broken. I've been fooled. This kid still has some energy left..."

When Leng Wudao saw this, he shouted something bad and quickly jumped up to catch up!

When others saw this, they also started to chase after him!

Now they know that Chen Ping just deliberately angered Leng Wudao, and then escaped with the help of Leng Wudao's punch. This was Chen Ping's plan long ago!

Chen Ping was running away from the front, while Leng Wudao and his men were chasing after him desperately!

Although the power of the Dao pattern exploded, Chen Ping still felt that his head was swollen, as if he was going to coma!

“Can’t sleep, absolutely can’t sleep...”

Chen Ping bit the tip of his tongue to keep himself awake!

But soon, Chen Ping had already escaped to the end of the valley. At the end of the valley, where the altar was destroyed, a bottomless, extremely dark hole was revealed!

Countless undead souls were still crawling out of the cave. After discovering Chen Ping, they slashed at Chen Ping with their swords!

It’s just that Chen Ping didn’t have the intention to fight with these undead, so he moved and hid!

At this time, Leng Wudao led everyone to catch up. After seeing that Chen Ping had no way to escape, Leng Wudao breathed a sigh of relief!

If this allowed Chen Ping to escape, he would probably become the laughing stock of everyone in the future!

The undead saw that another person was coming, so they started to attack one after another!

Tong Haiyang led his men to kill the undead, while Leng Wudao stared at Chen Ping and sneered: “Boy, I almost didn’t lie to you, but now I see where you are going to escape...” .”

“I said, if you can’t kill me, you definitely can’t kill me. I won’t let you kill me...”

Chen Ping raised the corner of his mouth slightly, and suddenly jumped into the deep hole where the undead crawled out!

“this.....”

Leng Wudao was stunned when he saw this. He didn't expect Chen Ping to jump into the deep cave!

Leng Wudao ran forward and saw that the evil spirit coming out of the deep cave was many times stronger than that in the valley!

Moreover, there were screams and screams everywhere, and undead souls kept appearing, which made Leng Wudao a little scared!

He didn't know whether he should jump down too and kill Chen Ping with his own hands!

But there is an unknown world inside this deep cave, and the evil spirit inside is so strong that Leng Wudao is a little scared!

At this time, Tong Haiyang came over: “What? Did Chen Ping jump?”
