

The Order 3891

Chapter: 3891

When there are too many undead and Chen Ping becomes overwhelmed, he will take out the God King Bow and scare away the undead in an instant!

In this way, Chen Ping can kill the undead and increase the power of the Dao Mark without being in danger!

After feeling that this method was feasible, Chen Ping began to kill the undead over and over again!

Chen Ping himself didn't know how many days and nights he had been killed like this!

Anyway, the power of Dao Marks in Chen Ping's body has turned into five Dao Marks, and the aura exuded by the power of five Dao Marks is obviously much stronger!

Chen Ping used his spiritual consciousness to feel the power of the Dao patterns in his body, and was caught in a dilemma!

He didn't know whether he should use the power of this pattern to improve his realm, or use the power of this pattern to try pulling the God King's bow!

In the end, Chen Ping still couldn't withstand the temptation of the God-King Bow, so he decided to give it a try to see if he could pull the God-King Bow!

Holding his breath and concentrating, Chen Ping mobilized the power of Dao patterns in his body!

Then Chen Ping's chest began to shine, and a ray of power slowly appeared!

Then the power of the Dao pattern entered the God King's Bow, and the God King's Bow began to shake a little, accompanied by a trace of light!

Chen Ping held the bow with one hand and pulled the string with the other. The power of the Dao pattern in his body was continuously released, and the God King's bow also began to change. The aura continued to rise, and the bow string in Chen Ping's hand began to be pulled little by little!

Soon, the bow string was pulled away by Chen Ping to a small distance, and at the moment the bow string was pulled, a light arrow appeared on the God King's bow, and the light arrow emitted a dazzling golden light.

"This is indeed a magical bow, it's great..."

Chen Ping couldn't help but get excited and began to pull the bowstring with all his strength!

But soon, Chen Ping found that all the power of his five Dao patterns dimmed. Then the bowstring returned to its position, and the arrow feathers on the God King's bow disappeared!

"Too perverted..."

Chen Ping frowned. The power of the five Dao patterns could not completely open the God King's bow!

Looking at the consumed power of the Dao Mark, Chen Ping could only put away the God King Bow. Fortunately, there were countless undead below, and the consumed power of the Dao Mark could be quickly replenished!

Anyway, Chen Ping was trapped here and couldn't go anywhere. Apart from killing these undead souls, which would bring him some fun, Chen Ping really didn't know what to do.

What would his mother do if she was trapped here for the rest of her life? What should I do with the women around me?

Who is his father?

Chen Ping has not solved all the mysteries yet, and he is unwilling to do so!

Moreover, Chen Ping had never tasted any of the women around him. If they were to be separated from each other like this, Chen Ping suddenly felt a little regretful!

Chapter: 3892

“No, when I can get out of here, I must let them become my real women...”

Chen Ping secretly made up his mind, then held the dragon-slaying sword and started fighting again!

A large number of undead disappeared under Chen Ping’s sword!

While Chen Ping was still trapped here, killing the undead every day, things had begun to change in the eight secret realms, and the entire eight secret realms were in chaos!

In the secret realm of Fire Gate!

Jin Lifu of Zhanyue Pavilion, along with many disciples of Zhanyue Pavilion, launched a crazy attack on the Ge family and Tianluo Tower!

The entire Fire Gate Secret Realm is in flames of war!

“Jin Lifu, are you fucking crazy? Why did you suddenly attack us?”

Ge Cangsheng’s face was pale at this time, looking at Jin Lifu in front of him, and asked in confusion.

“Ge Cangsheng, if you don’t agree with each other, you won’t work together. The spiritual energy will be revived soon. Keeping you people here will only ruin our affairs, so we must kill you first!”

Jin Lifu said with murderous intent!

“Jin Lifu, what do you mean by this? Are you the one who colluded with the Demon Heart Sect? Do you want to join the Demon Heart Sect to artificially control the resurgence of spiritual energy?”

Jiang Wuya from Tianluo Tower frowned and asked Jin Lifu.

“Yes, since you are all going to die, I won’t hide it anymore. In fact, we have united with the Demon Heart Sect a long time ago. When the spiritual energy revives, the whole world will be dominated by us!”

Jin Lifu smiled coldly, then gently pulled off his clothes, and put on a bright purple robe!

“Are you actually the purple-robed messenger of the Demonic Heart Sect?”

Ge Cangsheng and Jiang Wuya were startled at the same time, and their eyes couldn’t help but narrowed slightly!

They never thought that Jin Lifu, who had been living in the Fire Sect secret realm for decades, would actually be the purple-robed messenger of the Demonic Heart Sect!

From this point of view, the collusion between Zhanyue Pavilion and Demon Heart Sect did not happen overnight!

“Jin Lifu, why exactly? Your majestic master of Zhanyue Pavilion, would you be willing to be the lackey of Demon Heart Sect?”

Ge Cangsheng didn’t understand very much. He didn’t understand what Jin Lifu was thinking. Isn’t it good to be the master of the pavilion? I just want to be a dog!

“You guys know nothing. As long as we can revive the spiritual energy and rule the entire secular world, we will have the opportunity to attack the heaven and human world. Do you think my dream is only this small secret realm?”

“I want to take my disciples to the world of heaven and humans, or even to the fairy world, and become the master of the entire world...”

Jin Lifu looked forward to it endlessly, his face full of excitement!

Chapter: 3893

Seeing Jin Lifu like that, Jiang Wuya smiled and said: “You still want to attack the heaven and human world, and you also want to step into the fairy world. You are overestimating your capabilities. You are really overestimating your capabilities. Even if the spiritual energy is really revived, you are just A dog...”

“Hmph, you are so stubborn when you are about to die...”

Jin Lifu was furious, the aura on his body rolled, and he moved towards Ge Cangsheng and Jiang Wuya with one palm!

Ge Cangsheng and Jiang Wuya joined forces and started fighting with Jin Lifu!

The same scene was taking place in all the eight secret realms, and conflicts and fighting broke out in each secret realm!

In the secret territory of Thunder Gate, Han Fusheng of Zixiao Mansion was sipping tea and listening to sweet music!

Because his wife An Lingrong watched too closely, Han Fusheng never had the chance to find Long Ruotong, Chen Ping’s mother!

However, Han Fusheng arranged Long Ruotong in a secret place, and his daily life was taken care of, which was many times better than when he was in the Long family dungeon!

“Master of the Palace.....”

At this time, the housekeeper of Zixiao Mansion walked in quickly!

“What’s the matter? Are you in a hurry?”

Han Fusheng took a look and asked.

“The master of the palace, Lu Buwei of Cangyue Castle, began to lead people everywhere to annex other sects and aristocratic families. In the entire Leimen secret realm, many small sects and aristocratic families were annexed by Cangyue Castle!”

“What Lu Buwei did has caused turmoil in the entire Thunder Gate Secret Realm. If this continues for a long time, we, Zixiao Mansion, may also suffer!”

The butler whispered.

“Lu Buwei is ambitious. Those small sects and aristocratic families have nothing to annex. They don’t have many resources. Since he likes them, let him go.”

“Even if Lu Buwei sided with all the other sects and families in the Thunder Gate Secret Realm, he still wouldn’t be able to attack our Zixiao Mansion. Our two families have the best relationship. Lu Buwei always wants me to marry Qing’er to his son. !”

Han Fusheng said nonchalantly!

“Master, I’m afraid...”

“Okay, you go down!” Han Fusheng impatiently drove the housekeeper away!

Since Lu Buwei likes to annex, let him annex. Han Fusheng is not worried at all!

But what Han Fusheng didn’t know was that after Lu Buwei annexed those small sect families, he would annex their Zixiao Mansion. In their eyes, there is no good or bad relationship, only interests!

Lu Buwei is also a purple-robed messenger, but these purple-robed messengers don't know each other's identities!

Since they received the order from Almighty last time, they have begun to plot to take action in their respective secret realms!

Chapter: 3894

They must eradicate all factors that are detrimental to them before the spiritual energy can be revived!

Otherwise, after the spiritual energy is revived, they will not be the only ones to benefit!

The other secret realms are now mountains of corpses and seas of blood, with sounds of killing. There is a purple-robed messenger from the Demon Heart Sect in each secret realm. This shows that the Demon Heart Sect has been making this big move for many years!

Although the eight secret realms have been in chaos, the secular world has not been affected in any way and is still a peaceful scene!

In the Dharma Protector Pavilion in Kyoto, Mr. Shi was smoking a cigarette, with a somewhat sad look on his face!

The tea in front of Mr. Shi had already gone cold, but Mr. Shi didn't take a sip!

This would never happen at ordinary times, but today Mr. Shi was a little unusual.

"Mr. Shi, the tea has gone cold. Let me change it for you..."

Xing Jun stepped forward and whispered.

"No, please go out..."

Mr. Shi waved his hand.

When Xing Jun saw this, he could only retreat obediently!

“Now that the eight secret realms are in turmoil, what is coming will come. I hope that this time, Chen Ping can stop this catastrophe and save all humans in the secular world...”

Mr. Shi muttered to himself.

At this moment, the door of Mr. Shi’s office was suddenly pushed open. You must know that Mr. Shi’s office cannot be broken into directly without announcing or knocking on the door. But now, several people just opened the door and walked in!

Mr. Shi knew who was coming without even looking!

“How are you guys doing with your practice?”

Mr. Shi smiled slightly.

“Mr. Shi, we have already learned what you taught us. Today I want you to teach us some.”

Ji Ruxue stepped forward slowly and said to Mr. Shi!

It turned out that it was Ji Ruxue and the others who came. Ever since they received Mr. Shi’s guidance, they began to practice hard!

Moreover, Mr. Shi also said that they can come in without any notification when they come to see him!

So as soon as Ji Ruxue and the others came in, Mr. Shi knew about it!

“So fast?” Mr. Shi was a little surprised!

Chapter: 3895

“Sisters, let’s show Mr. Shi...”

After saying that, Ji Ruxue, Gu Ling’er and Ge Jiayi started to move!

In the blink of an eye, a few people were outside the courtyard, and then a terrifying aura erupted, and they teamed up to shoot out a bright beam of light. The beam of light shot straight into the sky, as if it was going to poke a big hole in the sky.

In an instant, the sky began to change. The originally clear sky began to be covered with dark clouds, and a black cloud pressed towards the Dharma Protector Pavilion.

“Okay, don’t cause panic among the masses...”

When Mr. Shi saw this, he waved his hand!

Several people took back their breath, and the vision in the sky disappeared instantly!

“You guys really didn’t disappoint me, and it’s not in vain that I spent all the resources in Kyoto on you guys.”

“Then I will teach you a few tricks, but remember, your strength must be kept secret, and you must act as a killer. You can only take action when Chen Ping is in the most danger!”

Mr. Shi warned Ji Ruxue and the others!

“Don’t worry, Mr. Shi, we understand!”

Ji Ruxue nodded. She did this to prevent Chen Ping from becoming lazy. With so many capable women protecting him, Chen Ping might not work hard in the future!

Mr. Shi began to teach Ji Ruxue and the others new skills again.....

On an unknown mountain!

Chen Ping holds the dragon-slaying sword and has already killed countless undead souls. The power of Dao lines in his body has reached eight levels. With the power of one more Dao lines, it will be complete!

It's a pity that no matter how hard Chen Ping tried to kill the undead, the last mark never lit up!

"Does the power of this last streak require something special?"

Chen Ping was a little frustrated. Since he couldn't increase the power of Dao patterns, there was no point in killing the undead anymore!

Looking at the undead more than ten meters high under the mountain peak, Chen Ping started to get ready to move again!

"Killing this big guy, I wonder if the power of the nine Dao Marks can be formed?"

Chen Ping looked at the huge undead and thought to himself!

Finally, Chen Ping jumped up and fell down. He planned to try again. Anyway, with the God King's bow, these undead could not do anything to him. If he couldn't defeat him, he could run back to the mountain peak!

The dragon-slaying sword in Chen Ping's hand swung out two rays of sword light, directly cutting a path, and then he was in front of the huge undead in a flash!

The huge undead roared when it saw Chen Ping.

Chapter: 3896

For such a long time, they had been unable to do anything to Chen Ping, and they had already made this huge undead very angry!

Chen Ping didn't hesitate and swung his sword towards the huge undead!

But Chen Ping's dragon-slaying sword struck the armor of the huge undead, and bursts of fire instantly burst out!

There is still no way to break through the armor of this huge undead, and it cannot cause any harm to this undead at all!

The huge undead roared and slapped Chen Ping hard with his palm!

Chen Ping used his flexible body to dodge in an instant!

Looking at the huge undead in front of him, Chen Ping needed to find a place where the undead were weak.

Then Chen Ping saw that the neck of the undead seemed to have a place where the Dragon-Slaying Sword could be inserted, so he jumped up, the Dragon-Slaying Sword in his hand emitted rays of light, and then fiercely aimed at the huge undead's neck. Pierce the neck!

With this sword, Chen Ping stabbed it in smoothly, even piercing the entire dragon-slaying sword into the neck of the huge undead!

When Chen Ping saw this, he was ecstatic in his heart. The huge undead should definitely die now!

But who knows, the undead didn't seem to be affected at all, but became a little manic, roaring, wiping his hands constantly and yelling at Chen Ping to shoot!

A series of terrifying evil spirits formed a tornado, directly blowing Chen Ping far away, and then he fell heavily to the ground!

Chen Ping hurriedly stood up, then waved, and the Dragon-Slaying Sword flew back into his hand, and then quickly ran towards the top of the mountain!

Sitting on the mountain peak, Chen Ping looked at the undead below and couldn't help but greet their ancestors!

The current Chen Ping is no match for the huge undead, and it seems that the undead cannot be killed at all!

But because of the God King's bow, the undead didn't dare to come up!

"Damn, why can't I draw this broken bow?"

Chen Ping took the God King's bow and pulled the bow string again angrily!

But this time, Chen Ping pulled the bow string directly, and a golden arrow suddenly appeared on the God King's bow!

Chen Ping looked at the God King's Bow in his hand, his eyes full of excitement. He didn't expect that he actually pulled it!

The moment Chen Ping pulled the God King's bow, the undead souls under the mountain seemed to be frightened. They turned around and ran away one by one, fleeing!

Even the huge undead took steps forward and quickly escaped from Chen Ping's sight!

Without thinking, Chen Ping pointed the God-King Bow in his hand at the huge undead!

Whoosh.....

Chapter: 3897

As soon as Chen Ping let go, a golden arrow shot out instantly, penetrating the huge undead in just the blink of an eye!

There was no time for any roar, and the huge undead instantly fell to the ground, turning into a burst of evil energy and heading straight towards Chen Ping!

When this breath entered Chen Ping's body, the power of the Dao Marks in Chen Ping's body finally lit up the ninth path!

"It's complete, the power of the Dao pattern is finally complete..."

Chen Ping shouted excitedly.

Looking at the God-King Bow in his hand, Chen Ping pulled it without hesitation, and in an instant he fully drew the bow string. Three huge arrow feathers appeared on the God-King Bow!

Brush brush brush.....

The three arrows were fired together, like three cannonballs falling from the sky, with blazing flames, shooting directly towards the countless undead under the mountain peak!

Boom boom boom.....

As the explosion sounded, countless undead were wiped out!

"Hahaha, so happy, this God King Bow is so fucking awesome..."

Chen Ping burst out laughing!

But Chen Ping didn't notice at all that as he pulled the God King's Bow, the world around him began to change!

The originally gray sky was now getting darker and darker, and more and more depressing!

It seems like a storm is about to come at that moment!

It wasn't until the sky turned completely dark and countless undead souls stopped running around and knelt on the ground that Chen Ping discovered something!

"How is this going?"

Chen Ping looked at everything around him blankly, not understanding what was happening!

I saw a stream of light on the horizon, rushing towards him at an extremely fast speed!

Seeing this, Chen Ping hurriedly pulled the God King's bow and took a defensive posture!

After the stream of light arrived in front of Chen Ping, it stopped instantly, and then a figure appeared!

When Chen Ping saw that someone had appeared, he was immediately happy. Now he could find out where this place was.

But when he saw the appearance of the person clearly, he was stunned for an instant!

When the other party saw that it was Chen Ping, he was also stunned on the spot!

Chapter: 3898

“why you?”

The two people made surprised sounds almost at the same time!

It turns out that the other party is none other than the evil demon who was saved by Chen Ping!

“How did you get here?” Yin Mo asked Chen Ping in surprise. When he saw Chen Ping holding the God King Bow in his hand, he asked again: “Did you pull this God King Bow?”

“Yes, I pulled it.” Chen Ping nodded, and then briefly told Yin Mo how he came here!

“Yin Demon, haven’t you returned to the world of heaven and humans? And looking at you like this, you are no longer a remnant soul. Have you reshaped your body?”

Chen Ping didn’t understand how the Yin Demon could appear here.

The Yin Demon did not answer Chen Ping, but murmured to himself: “Damn, I didn’t expect there to be a passage under the altar...”

“You haven’t answered me yet. Where is this place? Didn’t you go to the world of heaven and humans?”

Chen Ping asked the Yin Mo here.

“This is the world of heaven and humans.” Yin Mo said.

“What? This is the world of heaven and earth?” Chen Ping was stunned for a moment and looked around in disbelief: “This...why is this world of heaven and earth like this?”

This world of heaven and earth is completely different from what Chen Ping imagined!

“Okay, I don’t have time to explain to you. Why did you come? Just go back as soon as possible, otherwise you won’t be able to leave in a while!”

Yin Mo urged Chen Ping anxiously.

“But I can’t leave. The black hole has disappeared and I can’t go back.”

Chen Ping said.

“Is it possible that you also got a crystal clear arrow feather here?”

The demon asked.

“Yes!” Chen Ping took out the arrow feathers from the storage ring!

“You use the God King’s bow to shoot these arrow feathers into the sky, and the passage will be opened.”

Yin Mo said to Chen Ping!

“I want to know where in the Heaven and Human Realm this is? Now that I’m here, can’t you do your best to show me your kindness as a landlord and take me around the Heaven and Human Realm? Why are you in such a hurry to let me go back?”

Chen Ping didn’t understand why this evil demon was so anxious to let him go back?

Chapter: 3899

“I really don’t have time to explain to you. Hurry up and pull the God King’s bow to open the passage!”

Yin Mo was a little angry and said loudly to Chen Ping.

Seeing Yin Mo's anxious look, Chen Ping said nothing more, drew an arrow and pointed it at the dark sky!

Whoosh.....

Chen Ping shot the crystal clear arrow feathers into the sky with all his strength. The arrow feathers exploded in the air instantly. The originally oppressive and dark sky became clear at this moment!

Under the blue sky, a black hole slowly appeared. There was a huge suction force around the black hole, constantly sucking in everything around it!

After the undead saw the black hole, they all slowly floated into the air, and then were sucked in by the black hole!

"Go quickly, go quickly..."

Seeing the black hole appear, Yin Mo quickly urged Chen Ping.

Chen Ping wanted to say something else, but the Yin Demon slapped him out with a palm, sending Chen Ping directly to the black hole. The huge suction force directly sucked Chen Ping in!

After Chen Ping's figure completely disappeared, Yin Mo waved his hand, and the black hole in the sky slowly disappeared!

The Yin Demon looked up at the sky and murmured to himself: "Thanks for being the son of a dragon, he can pull the God King's bow so easily."

Just after he finished speaking, Yin Mo frowned slightly, his expression changed instantly, and then he forgot to glance at the place not far away, and then turned into a stream of light and disappeared without a trace in an instant!

Just after the Yin Demon left, more than a dozen rays of light came instantly and appeared directly on the mountain peak!

More than a dozen people stared around. To be precise, they were not people, but more than a dozen monsters with animal heads and human bodies!

“Your Majesty, the God King’s bow is missing. It must have been pulled by someone!”

A rat-headed man came over and said to a lion-headed man!

“Who is he? He actually pulled the God King’s Bow and killed the Undead Titan.”

There was a chill in the lion head’s eyes, and his tone was even more sinister!

Everyone else was silent. After a while, the lion head waved his hand: “Chase me, I must find the person who pulls the God King’s bow...”

Soon, these monsters with animal heads and human bodies also turned into streams of light and disappeared!

At this time, Chen Ping, after going through an incomparable darkness, returned to the valley!

When I climbed out of the cave, the valley was already filled with densely packed undead!

These undead souls are imprisoned here, and the gate of the valley is closed, making it impossible to get out!

Chapter: 3900

“Who the hell closed the door? Could it be that Leng Wudao and the others don’t want me to go out?”

When Chen Ping saw the closed valley gate, he guessed that it was Leng Wudao and the others who did it!

However, there were so many undead souls that Chen Ping was not in a hurry to go out. He would kill these undead souls first to replenish his power of Dao Marks!

It's just that in this valley, Chen Ping didn't use the God King's Bow. To deal with these ordinary undead, the Dragon-Slaying Sword was enough!

Chen Ping took the dragon-slaying sword and started a crazy killing. The more he killed, the more excited he became!

At this moment, in the abyss outside the valley, Leng Wudao and the others are practicing the techniques taught by Yao Qing!

After so many days, these people have finally learned the secret of that technique!

"No wonder so many people would rather be scolded than practice evil cultivation. The evil cultivation techniques are really powerful, but they are just a little cruel and bloody."

After Leng Wudao learned the technique, he said excitedly.

"In this society, strength is everything, and the law of the jungle itself is the law of the jungle. How can there be any cruelty!"

"Let's open the door and release the undead. I can't wait."

Tong Haiyang said!

"Okay, then let's open the door. After so many days, there are probably a lot of undead inside."

“But we still need a few of us to kill these undead souls, and the other disciples can pick them up from behind!”

Leng Wudao said.

Leng Wudao spoke, of course no one would listen, and the disciples of the major sects had no right to speak at all!

Leng Wudao and others stepped forward and began to work together to open the gate of the valley!

Just when Leng Wudao and others opened the door, not far from the abyss, Yue Buqun and Qu Yunchang had been looking for Chen Ping for many days.

But there was no sign of Chen Ping, and everyone was very anxious.

“Master, Mr. Chen won’t really have any accidents, right?”

Liu Xing said to Yue Buqun.

“Don’t talk nonsense, nothing will happen to Mr. Chen.”

Yue Buqun glared at Liu Xing fiercely!

“Looks like I’m going to use my trick...”
