

## **The Order 3901**

Chapter: 3901

The fortune teller took a deep breath, and after finishing speaking, he took out a handful of copper coins directly from his body!

Then he threw the copper coin into the air!

“Arrangement.....”

The divine fortune teller shouted loudly, and the disciples of the divination gang immediately gathered around in a gossip shape, and each person caught a copper coin in his hand!

These divination disciples simultaneously forced a drop of blood essence from their eyebrows and dropped it on the copper coin!

The fortune teller suddenly slapped his chest with a palm!

puff.....

A mouthful of blood spurted out from the divine operator’s mouth, instantly forming a blood-red curtain in the air!

Suddenly, the copper coins in the hands of the Divination Gang disciples began to emit light, shining on the blood-red curtain!

Slowly, a figure appeared on the curtain, and soon the figure became clear!

It is the scene of Chen Ping holding the dragon-slaying sword and slaying the undead!

“Mr. Chen, it’s Mr. Chen...”

Liu Rui shouted excitedly!

“This is in that valley, in the valley within the abyss...”

Yue Buqun also saw that Chen Ping was in that valley!

The picture only appeared for a few seconds and then disappeared instantly. All the copper coins in the hands of the Divination Gang disciples shattered instantly!

The fortune teller fell heavily to the ground, obviously seriously injured!

Seeing this, Qu Yunchang stretched out his hand, and a burst of energy instantly entered the divine operator’s body.

“I’m relieved to see that Mr. Chen is fine. Senior Qu doesn’t need to worry about me. You go find Mr. Chen quickly. I’ll be fine by myself in a few days...”

The fortune teller said weakly!

“Well, you can cultivate well here and we will be back soon.”

Qu Yuchang nodded.

Qu Yunchang led Yue Buqun towards the abyss quickly, while the divine fortune teller and many disciples of the divination gang stayed where they were!

He just used his special move, causing the fortune teller to suffer internal injuries!

Chapter: 3902

.....

In the abyss, Leng Wudao led everyone to open the door, happily wanting to kill the undead and increase his strength!

But when the door slowly opened, everyone was dumbfounded.

Because the valley is empty, there are no shadows of the undead anywhere!

“No, why are there suddenly no undead here?”

Leng Wudao said very surprised.

“Come on, let’s go inside and see if there’s anything going on at the entrance of the cave?”

Tong Haiyang plans to go to the cave where the undead appear!

But just as they were about to walk deeper into the valley, they found a figure blocking them!

When the figure slowly turned around, everyone was stunned!

“Chen Ping?”

Almost in unison, everyone had expressions of disbelief.

They thought that Chen Ping would have died long ago when he jumped into the black hole, but they didn’t expect that Chen Ping was still alive!

From this point of view, it is easy to know that all the undead in this valley must have been killed by Chen Ping!

“Your boy is not dead?”

Leng Wudao said in surprise.

“You’re not dead yet, how can I die...”

Chen Ping had a cold smile on his face!

“Hmph, even if you’re not dead, you can’t survive now. I have to kill you with my own hands this time and watch you be chopped into pieces.”

Leng Wudao had to watch Chen Ping die with his own eyes this time!

“I’m afraid you don’t have the ability to kill me...”

Chen Ping’s face was calm. Even when facing masters from the hidden world like Leng Wudao, there was no wave in his heart!

With the Divine King Bow in his hand, Chen Ping can ignore these people in front of him!

“You bastard, you’re looking for death...”

Chapter: 3903

Leng Wudao didn’t want to follow Chen Ping’s nonsense, so he was ready to take action against Chen Ping!

But before Leng Wudao could move, a terrifying aura suddenly came from outside, followed by several figures blocking Chen Ping!

“If you dare to be rude to Mr. Chen, you are seeking death...”

Qu Yunchang’s eyes widened in anger, and with a wave of his hand, a huge and terrifying force instantly knocked Leng Wudao away!

When everyone saw the sudden appearance of Qu Yunchang, they were all frightened. After all, Qu Yunchang had shown them the power of the Transformation Realm not long ago!

Leng Wudao got up and looked at Qu Yunchang with a pale face, feeling very shocked in his heart!

Although Qu Yunchang has not reached the transformation state, he is at least an eighth-grade Martial Emperor. Such strength is simply not something he can handle.

Unless they all go together, they can defeat Naqu Yunchang!

But now that Chen Ping and Yue Buqun are here, Leng Wudao and the others no longer have the upper hand!

Originally, Chen Ping was in a certain death situation, but now it has become like this, which almost made Leng Wudao angry to death!

He wondered why it was so difficult to kill Chen Ping!

“Laoqu, please don’t worry about my affairs. Just let me follow Leng Wudao and make good plans today...”

Chen Ping said to Qu Yunchang!

“Mr. Chen, with your current strength, I’m afraid you are no match for Leng Wudao, so you should let me destroy them!”

Qu Yunchang was afraid that Chen Ping was no match for Leng Wudao!

“Don’t worry, since I dare to say this, I am absolutely sure...”

Chen Ping smiled lightly.

Seeing how confident Chen Ping was, Qu Yunchang nodded and then moved away.

If Chen Ping is not Leng Wudao’s opponent by then, he will do the same thing when he takes action to save Chen Ping!

“Leng Wudao, I will give you a chance now to fight with me alone. If I am not your opponent, you can kill me at any time.”

Chen Ping said provocatively to Leng Wudao.

“Chen Ping, you are too crazy. We have agreed that if you are not my opponent, you will never let the old monster help.”

Leng Wudao was also afraid that Qu Yunchang would take action!

“Of course, if my skills are not as good as others, even if I die in your hands, I will have no complaints.”

Chapter: 3904

Chen Ping smiled lightly.

“Okay, come on...” Leng Wudao’s eyes narrowed slightly, and the energy in his body seemed to boil, and then countless flying swords began to surround him, each flying sword carrying monstrous power. !

“Flying Sword Formation? Why did Leng Wudao use his special move as soon as he took action?”

Yue Buqun said in surprise after seeing the sword formation around Leng Wudao!

It seemed that Leng Wudao wanted to kill Chen Ping with one move, leaving Qu Yunchang without a chance to save him!

When Qu Yunchang saw this, he frowned slightly, then looked at the people in the hidden world behind Leng Wudao and said: “Mr. Chen and Leng Wudao are fighting. If any of you dares to help Leng Wudao, I will shoot him.” Turned into meat paste...”

Qu Yuchang was afraid that Chen Ping would play tricks again when he fought with Leng Wudao!

Qu Yunchang’s shock made everyone in the hidden world retreat. No one wanted to help Leng Wudao at this time!

“go to hell.....”

Leng Wudao took action, and countless flying swords rushed towards Chen Ping!

Chen Ping took out the dragon-slaying sword, covered his whole body with an indestructible golden body, and then fought with Leng Wudao!

Chen Ping did not use the power of the stars, nor did he take out the God King’s Bow. These things were his last killer tools!

Leng Wudao originally wanted to kill Chen Ping with one move, but when he did it, he realized that Chen Ping was much stronger than he thought!

For a moment, the two men’s swords flashed, the void trembled, and explosions continued to sound in the valley!

Everyone looked at the battle between the two in surprise. They did not expect that Chen Ping could follow Leng Wudao in the battle, and there was no crushing victory for Leng Wudao!

Leng Wudao began to feel anxious in his heart at this moment. If he couldn't kill Chen Ping instantly, if the fight continued like this, those in the hidden world would probably slowly get out of his control, and no one would be there. Listen to him!

Qu Yunchang watched nervously. If Chen Ping was in danger, he would take action as soon as possible!

"Chen Ping, your strength is so strong, it is indeed beyond my expectation, but you are strong, and you must die today..."

Leng Wudao shouted loudly, and countless flying swords began to merge, and finally turned into a golden giant sword. Then the giant sword slashed towards Chen Ping, and the billowing sword light filled the entire valley. !

"Mr. Chen....."

Upon seeing this, Qu Yunchang knew that Chen Ping was in danger and wanted to rescue him!

"Don't move..."

Chen Ping instantly stopped Qu Yunchang, and he was about to face Leng Wudao's blow!

He wants to kill Leng Wudao in front of everyone in the hidden world. Only in this way will those people fear him in their hearts!

Chapter: 3905

Qu Yunchang didn't dare to go against Chen Ping's wishes, but seeing the golden giant sword getting closer and closer to Chen Ping, Qu Yunchang's heart dropped to his throat!

But Chen Ping remained motionless, and the power of Dao lines in his body began to envelope his whole body. Chen Ping wanted to test the power of this power of Dao lines!

“Mr. Chen, why don’t you dodge?” Remember the website address

Liu Rui asked very strangely.

No one knows why Chen Ping didn’t dodge!

boom.....

The giant sword struck down, stirring up bursts of sand and gravel, and Chen Ping’s figure also disappeared under the giant sword!

When the smoke and dust dispersed, Chen Ping was no longer there!

“Where’s Mr. Chen?”

Liu Xing asked puzzledly.

Everyone else was also confused. They didn’t understand why Chen Ping was missing. Even if he was dead, there should be a body!

“Hahaha.....”

“The power of my sword is enough to turn any item into powder. Now Chen Ping’s body is gone and everything has been turned into powder.”

Leng Wudao laughed crazily. In his opinion, his sword was enough to turn Chen Ping into powder!

Chen Ping was still motionless, waiting for his blow. He was simply seeking death!

Just when everyone was confused, a figure appeared from a distance of more than a hundred meters!

“Mr. Chen.....”

Liu Rui saw Chen Ping and shouted hurriedly.

Everyone looked towards Chen Ping and found that Chen Ping was standing not far away unharmed!

Qu Yunchang was relieved when he saw that Chen Ping was fine!

But Leng Wudao was a little confused. He couldn't believe that his sword didn't even hurt Chen Ping!

“This is impossible, impossible...”

Leng Wudao couldn't believe what he was seeing!

Chen Ping looked at Leng Wudao, raised the corner of his mouth slightly, and had an extra bow and arrow in his hand!

Chapter: 3906

Then Chen Ping grabbed the bow string with his right hand, and then slowly pulled it!

When the bow string was pulled, everyone could only feel the countless auras around them, which were constantly gathering towards the bow and arrow in Chen Ping's hand!

Soon, a golden arrow with feathers slowly appeared!

The arrow feathers were pointed directly at Leng Wudao. Even though he was a hundred meters away, Leng Wudao could feel the terrifying aura brought by the God King Bow in Chen Ping's hand!

“Mr. Chen, what exactly is the bow and arrow in your hand? What a terrifying smell?”

Yue Buqun said in shock.

Qu Yunchang shook his head. He had never seen such a weapon. Even he, the eighth-grade Martial Emperor, felt fear when facing the pressure brought by the God King Bow.

Whoosh.....

Chen Ping let go, and the golden arrow feathers shot towards Leng Wudao like a shooting star!

Seeing this, Leng Wudao hurriedly formed a barrier in front of him, and countless energy burst out from Leng Wudao's body!

The golden arrow feathers arrived in front of Leng Wudao and effortlessly defeated the barrier in front of Leng Wudao!

The arrow feathers instantly penetrated Leng Wudao's body, and then disappeared directly!

Leng Wudao was shocked, but when he looked down, he found that there were no wounds on his body, and he didn't even feel any pain!

“Hahaha, this bluffing thing can't hurt me at all...”

Leng Wudao laughed!

Others were also confused, not understanding that Chen Ping's seemingly terrifying arrow just now did not cause any harm to Leng Wudao!

Chen Ping sneered and walked forward slowly!

Just after Chen Ping took a few steps, Leng Wudao's laughter suddenly came!

Then there was a loud noise, and Leng Wudao's body was blown to pieces!

Blood and flesh splattered everywhere, making everyone look stupid!

You know, Leng Wudao is also one of the best masters in the hidden world. The strength of the sixth-grade Martial Emperor cannot be overshadowed, otherwise these people would not listen to Leng Wudao!

But now, Leng Wudao was shot to death by Chen Ping with one arrow without even struggling!

Chen Ping looked at the God-King Bow in his hand, not to mention how excited he was. It seemed that the power of the God-King Bow was greater than he imagined!

Now that Chen Ping has the Divine King's Bow and the Dragon Pattern Bell, he has no use for it. If he can use the Dragon Pattern Bell, then he won't be afraid of anyone!

Chapter: 3907

"Mr. Chen, your magical bow is so powerful."

Liu Xing said with envy on his face.

"This is called the God King's Bow. Not to mention Leng Wudao. Even if these guys from the Hidden Realm come together, I can easily kill them with the God King's Bow in my hand."

Chen Ping said calmly.

After hearing Chen Ping's words, the faces of everyone in the hidden world became extremely ugly, but no one dared to say anything. Now that Leng Wudao is dead, Chen Ping's strength is obvious to all, who dares to be dissatisfied with Chen Ping?

Moreover, there is Qu Yunchang beside Chen Ping. As long as Qu Yunchang and Chen Ping join forces, they may not be able to withstand three attacks, and they will all die here!

"Mr. Chen, you are only in the sixth-grade Martial God realm, but you actually killed Leng Wudao directly. It's really incredible..."

Qu Yunchang also didn't expect that Chen Ping would leapfrog the next level and be so powerful!

"Sixth-grade Martial God?"

Chen Ping smiled slightly, and then all the power of the Dao pattern burst out!

Immediately afterwards, the entire valley was filled with an invisible pressure!

Everyone discovered that Chen Ping's realm aura was growing rapidly, as if he was riding a rocket!

"Seventh Rank Martial God..."

"Eighth Grade Martial God..."

"The peak of the God of War..."

.....

Soon, as Chen Ping's realm exploded, the pressure in the valley became heavier and heavier!

In the end, everyone was suppressed by this aura and fell to the ground. Even Qu Yunchang, the eighth-grade Martial Emperor, could only look at Chen Ping in horror at this moment, pinned to the ground and unable to get up!

I don't know how long it took, but the terrifying pressure began to slowly dissipate, and everyone took a breath and stood up slowly!

Some sect disciples in the hidden world, because their strength was too low, actually had their internal organs ruptured and died due to the pressure emanating from Chen Ping!

Even the sect masters like Tong Haiyang and Bao Yukun had their auras disturbed and their bodies were seriously injured!

At this moment, Chen Ping seemed to be completely reborn, and the skin on his body actually felt crystal clear!

Even if Chen Ping doesn't use his indestructible golden body now, a master like Qu Yunchang can't hurt him at all!

“Mr. Chen, you...have you reached the transformation state?”

Chapter: 3908

Qu Yunchang asked with a look of disbelief on his face.

Chen Ping did not speak, but clenched his fist tightly, and then waved it with all his strength...

A ray of light and fist power soared into the sky!

Then several dazzling rays of light erupted, and accompanied by a rumbling sound, Chen Ping's punch actually penetrated the valley, and a passage went directly from the bottom of the abyss to the ground of the secret realm!

Seeing this scene, everyone was dumbfounded, looking at Chen Ping like he was looking at a monster!

But Chen Ping shook his head slightly: "It's still a little bit close, but now even if there are masters of transformation, I'm not afraid at all."

Chen Ping is only at the peak of the Martial Emperor, and has not yet reached the Transformation Realm!

However, with these two divine weapons, the Divine King's Bow and the Dragon Pattern Bell, Chen Ping has absolute confidence even if the Transformation Realm comes!

"The power of this pattern is really a good thing. The Yin Demon guy really didn't lie to me..."

Chen Ping was very grateful to the evil demon!

"Mr. Chen, spare your life, spare your life....."

At this time, Tong Haiyang knelt down with a bang and begged Chen Ping for his life!

Now that Chen Ping's strength is higher than that of Qu Yunchang, none of them will be able to survive!

You must know that they were chasing Chen Ping all the way, and Chen Ping would not let them off easily!

"Mr. Chen, please spare your life, it was all Leng Wudao's idea..."

Everyone was kneeling on the ground!

Even Yao Qing and Bao Yukun lowered their heads, begging Chen Ping for forgiveness!

Chen Ping looked at the people in the hidden world in front of him, but he actually didn't think about killing them all!

But Yao Qing and Bao Yukun must not be kept!

These two guys are so bad. Yao Qing led his people to almost destroy the entire Chunyang Sect. When Yue Buqun saw Yao Qing, he wanted to skin him and convulse him, so how could he let him go!

And that Bao Yukun was following Yao Qing in a nest of snakes and rats, and he wanted to attack Liu Rui lustfully. If Qu Yunchang hadn't sensed it in time, Liu Rui's innocent body would have been taken over by this old guy Bao Yukun!

"Everyone, get up. I don't want to kill you, but let you go..."

Chen Ping said slowly.

When everyone heard this, they were immediately overjoyed and thanked him repeatedly. Tong Haiyang even said flatteringly, "Thank you very much, Mr. Chen, for not killing me. We are willing to follow Mr. Chen and do your best!"

Chapter: 3909

"I don't have to kill you, but you have to do one thing for me..."

Chen Ping said.

"Mr. Chen, please tell me, as long as we can do it, don't say one thing, even if it is ten things, we will not hesitate."

Tong Haiyang said quickly.

"You guys wipe out the Medicine Refining Sect and the Burning Heaven Sect, kill Yao Qing and Bao Yukun, and I can forget about the rest..."

Chen Ping stated his conditions!

When Tong Haiyang heard this, he immediately nodded and said: "Don't worry, Mr. Chen, these two guys are not good people. Let's take action now."

When Bao Yukun and Yao Qing heard this, their legs trembled with fear, and they quickly kowtowed and begged for mercy: "Mr. Chen, please let us go, let us go..."

But Chen Ping had a cold face and was expressionless. When Tong Haiyang saw this, he said to everyone in the hidden world: "Let's all join forces and kill these two guys. Mr. Chen will forgive us. Let's do it... . . ."

After saying that, Tong Haiyang was the first to attack Yao Qing and Bao Yukun!

Seeing this, other people rushed forward one after another. At this time, they were all trying their best, and no one dared to let Yao Qing and Bao Yukun go!

Seeing this, Bao Yukun and Yao Qing could only lead their respective disciples to resist desperately!

Chen Ping, Yue Buqun and Qu Yunchang quietly watched the two of them fighting!

Under the siege of everyone, the Alchemy Sect and the Burning Heaven Sect were quickly destroyed, and Yao Qing and Bao Yukun were also chopped into pulp!

Yao Qing and Bao Yukun are dead, and Chunyang Sect's revenge has been avenged!

"Sect Master Yue, from now on the entire hidden world and this secret realm will be taken care of by Sect Master Yue. I asked Lao Qu to stay and help you. I hope Sect Master Yue will revive the Chunyang Sect."

Chen Ping looked at Yue Buqun and said!

With Qu Yunchang helping Yue Buqun, Chen Ping knew that others in the hidden world would never dare to have other ideas.

“Mr. Chen, where do you plan to go? There are plenty of resources here. Why don’t you practice here for a while?”

Yue Buqun saw that Chen Ping was about to leave, so he asked.

“I have other things to deal with, so I can’t stay here for long. Let’s meet again when the time comes...”

Chen Ping smiled slightly and said!

“Well, if Mr. Chen can be of any use to me, just ask!”

Yue Buqun said.

Chapter: 3910

Chen Ping nodded, and after telling Qu Yunchang a few words, he jumped up and turned into a stream of light, instantly rushing straight from the valley to the ground of the secret realm!

After leaving the secret realm, Chen Ping went directly to Kyoto. He wanted to see how Su Yuqi and the others were doing when they were trapped in the Taoist secret realm.

Kyoto!

After Chen Ping returned to Kyoto, he felt a sense of emotion in his heart. He had been away for a long time!

Originally, Chen Ping planned to go directly to the Taoist Secret Realm to see how Su Yuqi and the others were doing!

But when he just arrived in Kyoto, he was taken to the Ge family by Ge Jiayi!

When Chen Ping came to the Ge family, everyone was stunned!

I saw Ge Cangsheng and Ge Yuhan leading a group of Ge family disciples at Ge Fuhai's villa!

You must know that these secret realm disciples will never leave the secret realm at all, unless they encounter something urgent!

"Elder Ge Clan? Why did you leave the secret realm? What happened?"

Chen Ping asked with a shocked face.

Ge Cangsheng took these Ge family children out of the secret realm and suffered the suppression of heaven, which had a great impact on their strength!

Seeing Chen Ping, Ge Cangsheng burst into tears and burst into tears!

"Mr. Chen, the Ge family's land is gone..."

"What happened?" Chen Ping frowned!

"It was Jin Lifu of Zhanyue Pavilion who suddenly launched an attack on us. Not only our Ge family, but even Tianluo Tower didn't have many people left."

"Then Jin Lifu turned out to be the purple-robed envoy of the Demon Heart Sect. They had already taken refuge in the Demon Heart Sect many years ago."

Ge Cangsheng said!

When Chen Ping heard this, his head buzzed. He did not expect that the power of the Demonic Heart Sect had penetrated into the eight secret realms!

And this Jin Lifu is also a purple-robed messenger?

“Is it only the Fire Gate Secret Realm like this? How about other secret realms?”

Chen Ping asked quickly.

Now Chen Ping is most worried about his mother. His mother is still in the Zixiao Mansion in the Thunder Gate Secret Realm. If the Thunder Gate Secret Realm is also in chaos, or if Han Fusheng is also the purple-robed messenger of the Demonic Heart Sect, there will be trouble!

“I’m not very sure about this, but Jin Lifu is definitely not the only one who colludes with the Demonic Heart Sect in these eight secret realms. Maybe there are people from the Demonic Heart Sect in other secret realms as well.”
