

The Order 391

Chapter: 391

When Chen Ping said this, everyone laughed.

Li Lei, who had never spoken before, also raised his lips at this time: "I have seen a lot of boasters, but this is the first time I have seen one like you. Do you know who I am? Say this in front of me. ? To tell you the truth, Mayor Ling will come here for dinner soon, and my dad will accompany him. Didn't you say you had dinner at Mayor Ling's house? I'll take you to toast him and see Ling later. Does the mayor know who you are?"

"Okay!" Chen Ping nodded without any panic!

"Chen Ping!" Tang Hongying hurriedly pulled Chen Ping's sleeve. He could make other jokes, but he was joking with the city's top leaders. Isn't this looking for death?

Chen Baoguo also had a cold expression on his face: "Chen Ping, sit down for me!"

Chen Baoguo also didn't believe that Chen Ping had eaten at Ling Zhenchuan's house. After all, Chen Ping was an ordinary citizen. It was simply unimaginable that he could go to the mayor's house for dinner!

Chen Baoguo spoke, and Chen Ping could only sit down!

For a moment, everyone looked at Chen Ping with sneers on their faces.

"Sister-in-law, Chen Ping is just talking nonsense. If there is development there, can I not know about it? I think he just doesn't want to find a serious job and live a good life, so that's why he said this. As a prisoner of labor reform, he can go to the mayor's office. Do you want to eat at home?" Chen Baoqiang glanced at Chen Ping coldly and continued: "Sister-in-law, with Chen Ping's status, I want to give him half a civil servant. Do you know how much risk I take? But don't worry, I will find it for him. Work, but I won't ask you for that old house for free. I will give you one hundred thousand yuan when the time comes, which will be enough for you to live for a few years. You can rent a house by yourself and don't have to live in someone else's house!"

When Tang Hongying heard that Chen Baoqiang actually gave back 100,000 yuan, her eyes suddenly lit up. You know that the old house is useless if it is abandoned. It is not bad to be able to cash in 100,000 yuan now!

“Baoqiang, if you say this, my sister-in-law has nothing to say. Anyway, the old house is abandoned, so just take it if you want!”

Tang Hongying said with excitement.

Seeing Tang Hongying agree, a hint of joy flashed deep in Chen Baoqiang’s eyes!

The reason why he agreed to come over for a meal this time was because of the old house. It was going to be developed there. He had already got inside information. As long as he got the old house in his hands, it would be worth money!

“mom.....”

Chen Ping frowned and shouted at Tang Hongying!

“Okay, don’t worry about it. I’ll leave the old house to your second uncle!”

Tang Hongying waved her hand towards Chen Ping, telling him to stop talking!

Chen Baoguo was smoking a cigarette on the side and said nothing. He seemed to have no objection!

“I don’t agree. This old house must not be given to them!” Chen Ping shouted resolutely!

He has never yelled at his mother, but this time he will never let Chen Baoqiang succeed!

“Chen Ping, who do you think you are? You don’t agree that it’s useless. This is the ancestral home of our Chen family. What does it have to do with you? You’re just a picked-up bastard!”

Chen Baoqiang slammed the table and cursed angrily at Chen Ping!

Chen Ping was stunned for a moment, his face turned cold, his whole aura changed, like a ghost, he stared at Chen Baoqiang and said: “What did you say? Say it again if you have the ability!”

Chapter: 392

Looking at Chen Ping's eyes, Chen Baoqiang was startled, but he still reacted and said angrily: "You are a fucking bastard, not my Chen family..."

Wow.....

"Chen Baoqiang, shut up!"

Chen Baoguo suddenly threw the cup and glared at Chen Baoqiang with a red face. His body trembled slightly and he said: "Say one more thing to me, say one more thing..."

Seeing Chen Baoguo like that, Chen Baoqiang was so frightened that he quickly shut up and sat back down!

Although he looks down on Chen Baoguo's family now, when Chen Baoguo is angry, his eldest brother is still majestic!

At this time, no one was talking in the entire box. Chen Ping's murderous intent filled the entire box!

If the other party hadn't been his second uncle, he would have become a corpse long ago!

"Chen Ping, your second uncle is confused and talking nonsense. Please sit down quickly..."

Tang Hongying hurriedly pulled Chen Ping and asked Chen Ping to sit back!

Chen Baoguo sighed, lit another cigarette for himself, and started smoking one after another!

Soon, the dishes were brought to the table, a large table full of dishes, and two bottles of limited edition Maotai liquor were also served!

At this time, everyone was shocked and looked at each other, because no one ordered white wine, how could they order white wine?

“Waiter, is this liquor the wrong one?”

Chen Zhi stopped the waiter and asked.

“No, this was specially ordered by Lord Tiger to be sent to this box!”

The waiter said politely.

When they heard that it was from Lin Tianhu, everyone was even more confused. Although Chen Baoqiang was a director, with this position, Lin Tianhu probably wouldn't even look at it. How could he send two bottles of such precious wine!

“My uncle is so proud that even Mr. Tiger personally ordered me to send two bottles of good wine!”

Li Shuzhen said at this time.

When Li Shuzhen said this, everyone turned their attention to Li Lei, because among the people sitting here, only Li Lei was the one most likely to be related to Lin Tianhu!

After all, Li Lei's father is a director, so it's normal for him to have some friendship with Lin Tianhu!

“Xiao Lei, I didn't expect you to know Lin Tianhu. These two bottles of wine are not cheap. It seems that Mr. Hu is very considerate to you!”

Chen Baoqiang also said in surprise!

Chapter: 393

“Haha...” Li Lei laughed twice: “Dad, Mom, Lin Tianhu and I just had a few meals. I didn't expect him to know that I was coming, so he gave me face like this and gave me two bottles of wine.” !”

“Brother-in-law, you are so awesome. You actually know someone like Mr. Hu. Then I can walk away from Hongcheng again and see who dares to be disrespectful to me!”

Chen Zhi was also full of excitement. His brother-in-law knew Lin Tianhu, and no one in Hongcheng would dare to bully him from now on!

Chen Baoguo and Tang Hongying watched the family chatting and laughing, with a hint of envy flashing in their eyes!

Only Chen Ping sat expressionless. He knew that the wine was not given to Li Lei by Lin Tianhu, but he did not reveal it. He was still thinking about what Chen Baoqiang just said!

Chen Ping couldn't believe it. Did he really pick it up?

At this time, he recalled the scene in prison when Lao Longtou took his hand and checked his pulse!

At that time, the old leader said that he had dragon blood in his body and was definitely not an ordinary child.

But Chen Ping knew that his parents were just ordinary people, so he didn't pay attention to what the old leader said!

But at this moment, Chen Ping began to have doubts about his life experience, because Chen Baoqiang would not talk nonsense for no reason, and Chen Ping began to feel a little confused.

"Mom and Dad, let me pour it for you. This wine is not cheap. If it weren't for my Li Lei, how would he have the chance to drink this limited edition Maotai!"

Chen Jiayao said, opened the wine bottle and filled it up for Li Shuzhen and Chen Baoqiang.

"Sister, give me a drink to try, I haven't even drunk it before!"

Chen Zhi hurriedly picked up the wine glass and followed Chen Jiayao with a smile on his face.

"Let's go, kid, what are you drinking?"

Chen Jiayao glared at Chen Zhi, then filled the bottles for Li Lei and herself!

“Brother-in-law, take care of my sister...”

Chen Zhi looked at Li Lei with pleading eyes!

“Hahaha...” Li Lei smiled: “Pour Xiaozhi a drink. This kind of wine will be gone after you drink it, and you won’t be able to give birth in the future!”

“Thank you, brother-in-law!” Upon hearing this, Chen Zhi happily took the bottle and started pouring it!

Chen Baoqiang’s family of five all poured Moutai, but Chen Ping’s family was the only one who didn’t pour it!

It’s okay for Tang Hongying, after all, she doesn’t drink either, and Chen Ping is also absent-minded at this time!

Only Chen Baoguo was licking his lips. He was already greedy, but this wine was given to Li Lei. Chen Baoguo wanted to drink it, but he couldn’t just ask for it if he didn’t pour it for him!

Seeing Chen Baoguo like this, Chen Baoqiang’s family all laughed a little.

Chapter: 394

“Chen Zhi, hurry up and pour some wine for your uncle. Although this wine was given to your brother-in-law by Mr. Hu, this meal was invited by your uncle, so he must try it too!”

Li Shuzhen raised her eyebrows at Chen Zhi and said something meaningful.

“I know!” Chen Zhi picked up the wine bottle and said to Chen Baoguo: “Uncle, let me pour you some wine. If you don’t drink it this time, I’m afraid you won’t be able to drink it for the rest of your life!”

Chen Baoguo wanted not to eat the food he had brought in, but the aroma of the wine was too strong. Chen Baoguo couldn’t hold back and stretched out the cup!

When Chen Zhi saw this, he raised the corner of his mouth and ordered a few drops of wine in Chen Baoguo’s wine glass!

“This wine is too expensive. Just these few drops may cost thousands of yuan. Uncle, just give it a try!”

After Chen Zhi finished speaking, he put down the bottle of wine!

Looking at the pitiful amount of wine in the glass, Chen Baoguo finally opened his mouth and drank it, and even thought about it for a while!

It is indeed a limited edition Moutai, the wine is so fragrant!

“Hahaha.....”

Seeing Chen Baoguo like that, everyone laughed!

“Sit down and look at your worthless look!”

Tang Hongying angrily pulled Chen Baoguo back to his seat!

Chen Baoguo is good at everything, but he is a little obsessed with wine and has to drink a few sips almost every day!

“Come on, let’s drink too!”

Li Lei picked up the wine glass and drank it all in one gulp!

Soon, the two bottles of wine were all gone, while Chen Baoqiang and his family were chatting and laughing, while Chen Ping and his family were simply ignored!

There was a cell phone ringing, and Li Lei took out his phone and found that it was a message from his father!

“Xiao Lei, is this from your dad? Are Mayor Ling and the others here?”

Chen Baoqiang asked hurriedly.

“Well, we’re already here. We’re in the Emperor’s Hall. My dad asked us to come over...”

Li Lei nodded.

When Chen Baoqiang heard this, his hands trembled slightly. It was his honor to be able to sit at the same table and drink with the city’s top leaders!

“Then don’t delay, let’s go quickly!”

Chapter: 395

Chen Baoqiang picked up the wine glass and said anxiously!

“Dad, I want to go too. I’ve never had a drink with such a big leader!”

Chen Zhi picked up his wine glass and stood up!

“Children, go wherever you want, just stay here!”

Chen Baoqiang glared at Chen Zhi!

He was afraid that if Chen Zhi spoke openly and offended Ling Zhenchuan, he would be in trouble. There were ordinary people who could drink with the city’s top leaders.

“Dad, let Chen Zhi go with you. Seeing more of the world will be good for the future!”

Li Lei persuaded Chen Baoqiang.

“Well, remember, don’t say anything when you get there!”

Chen Baoqiang warned Chen Zhi!

"I am coming too."

"And I, I also want to meet the so-called selfless Mayor Ling!"

Li Shuzhen and Chen Jiayao also clamored to go together!

"Okay, let's go together!" Li Lei waved his hand!

Just when Chen Baoqiang and his family were about to toast, Li Lei suddenly stopped, looked at Chen Ping and said, "Didn't you say you had dinner at Mayor Ling's house? Now we are going to toast Mayor Ling, do you want to come with us?"

As soon as Li Lei spoke, Chen Baoqiang's family all looked at Chen Ping mockingly. They knew that Chen Ping would not dare to go. If he did, he would be exposed immediately!

Chen Ping shook his head: "I want to toast, and he came to toast me too!"

Hearing what Chen Ping said, everyone was stunned for a moment, followed by a burst of laughter: "Are you still awake from a fucking dream? You said Mayor Ling came over to toast you? You don't want to pee and take care of yourself in the future. When I meet Mayor Ling, I will convey your words and I want to see how Mayor Ling deals with you!"

After Li Lei finished speaking, he took Chen Baoqiang and the others out!

Just as she walked out of the door, Li Shuzhen stopped, turned around and said, "Let's go toast, maybe we can stay and eat together. Then you can settle the account. No need to wait, those two empty wine bottles are worth it." It's a few hundred yuan, don't forget to take it home, it will be enough for your family to eat for a few days."

After Li Shuzhen finished speaking, she walked away with a giggle!

"Chen Ping, are you confused? Why do you dare to say anything nonsense? Isn't this getting you into trouble?"

After Chen Baoqiang and his family left, Tang Hongying said to Chen Ping with a worried look.

“Mom, it’s okay!” Chen Ping said with a slight smile!

Chapter: 396

“Hey!” Chen Baoguo sighed at this time: “How much does this table of food cost? What should I do?”

“Dad, you don’t have to worry about it, I have a solution! Why don’t you and my mother go back first, and I will handle the checkout!”

Chen Ping knew that his parents would only be worried if they were here, so he might as well let them go home first!

“Okay, your mother and I will go back to look for change. You must remember not to conflict with others. This is Mr. Hu’s shop, and it is no joke.”

Chen Baoguo warned Chen Ping!

“Got it!” Chen Ping nodded!

Although Tang Hongying was a little worried, she still followed Chen Baoguo and went to see the old neighbors to see if she could borrow some money. Otherwise, eating Overlord Meal at Lin Tianhu’s restaurant would be courting death!

After his parents left, Chen Ping sat back down again, and his thoughts unconsciously thought of his own life experience!

.....

On the other side, Chen Baoguo’s family took the elevator upstairs with wine glasses in hand, and went straight to the Imperial Hall where Ling Zhenchuan and the others were!

Looking at the obviously luxurious private room, Chen Zhi could hardly see it.

“Brother-in-law, when are you going to invite us to have a meal in a private room like this? Look at Chen Ping picking his nose, but he’s actually treating us in a regular private room down there!”

Chen Zhi asked Li Lei.

“For an ordinary private room, that idiot Chen Ping may not be able to pay for it. Let’s see how he pays the bill later. If he dares to eat the King’s meal, Mr. Tiger will probably kill him!”

Chen Jiayao covered her mouth and said with a smile!

“Shut up, you two. Do you know where this place is? The people eating are all big shots. If you make such a loud noise, it will be troublesome if you disturb any big shots!”

Li Lei scolded the two of them with a cold face!

Chen Zhi and Chen Jiayao immediately shut up in fear, while Chen Baoqiang echoed: “Xiao Lei is right, you all should pay attention to me, talk less, and learn from your brother-in-law more!”

At this time, in the Imperial Hall, Ling Zhenchuan was eating and chatting with several colleagues from the city. Among them was Li Lei’s father, Li Weijian. Judging from the order of seats, Li Weijian should be the one with the lowest status among these people. !

Whether it’s pouring tea or wine, Li Weijian is waiting on him personally, no waiters are needed at all!

At this time, the door of the Imperial Hall was pushed open, and Lin Tianhu walked in with a bottle of good wine!

When everyone saw Lin Tianhu coming in, they were all a little startled. After all, these people knew what Lin Tianhu did!

Ling Zhenchuan was fair and honest, and he never liked dealing with people like Lin Tianhu and others before.

But this time, it was indeed Ling Zhenchuan who personally spoke and invited Lin Tianhu.

Chapter: 397

“Mayor Ling, all the leaders who came to my store will bear all the expenses today on me!”

Lin Tianhu smiled and opened the wine!

Having been in society for many years, he still understands the principles of hospitality, but he doesn't understand why Ling Zhenchuan suddenly sent someone to find him!

"Lin Tianhu, I didn't ask you to come here to treat you. Sit down and chat!"

Ling Zhenchuan waved to Lin Tianhu!

Lin Tianhu sat directly next to Ling Zhenchuan, which made the other people look confused!

No one can figure out what happened to Ling Zhenchuan today!

"Mayor Ling, if you have any orders, just ask!"

After Lin Tianhu sat down, he said to Ling Zhenchuan respectfully.

"I came to your place for dinner today and sent someone to find you. I wanted to make an appointment with Mr. Chen through you so that I could thank Mr. Chen in person!"

Ling Zhenchuan said very politely.

When Lin Tianhu heard this, he immediately understood what was going on. It turned out that Ling Zhenchuan came here because of what happened yesterday.

"Mayor Ling's arrival is a coincidence. Mr. Chen is also here to treat guests today, right downstairs!"

Lin Tianhu said.

"Really?" Ling Zhenchuan's face lit up: "Then I'm going to give Mr. Chen a drink!"

Ling Zhenchuan said, picked up the wine glass and walked out!

Several other people were shocked when they saw Ling Zhenchuan like this. They really couldn't imagine what kind of big shot had come to Hongcheng to make Ling Zhenchuan so respectful, and even went to toast him in person!

However, Ling Zhenchuan must have a high status when he went to toast, and these people also wanted to join in, so they all picked up their glasses and prepared to go together!

But just when everyone was about to toast, the box door was suddenly pushed open, and Chen Baoqiang and his family walked in!

Seeing several people suddenly barging in, Ling Zhenchuan was stunned, frowned slightly and said, "Who are you?"

"Mayor Ling, my name is Chen Baoqiang, director of the Office of the Health Bureau. I know that Mayor Ling is dining here, so I came over to offer Mayor Ling a glass of wine!"

Chen Baoqiang said, pointing to the people behind him: "These are my family members, they all want to see Mayor Ling!"

Chen Baoqiang looked nervous, and the hand holding the wine glass was trembling slightly!

Chen Zhi and Li Shuzhen were all looking at Ling Zhenchuan with excitement on their faces!

Chapter: 398

Ling Zhenchuan looked angry and looked at Li Weijian: "Old Li, what's going on?"

Ling Zhenchuan and the others came here to drink in secret. No one knew about it. After all, Lin Tianhu had a bad reputation. Ling Zhenchuan came to Lin Tianhu's place to drink. He was afraid that the impact would not be good, so he just called a few people at random without informing others!

And now that Chen Baoqiang and his family are here, they obviously got the news in advance. Li Weijian is the director of the Health Bureau, and Chen Baoqiang is his subordinate, so it must be Li Weijian who leaked the news!

Seeing that Ling Zhenchuan was angry, Li Weijian was so frightened that he glared at his son Li Lei, and then explained: "Mayor Ling, I just informed my son and told him that I won't go home for lunch. Come, I came to Tianyuan Restaurant, but I didn't expect that he was here too, and he even brought people to toast!"

Li Weijian pushed himself completely. At this time, he did not dare to take any responsibility. Even if it was his own son, he would not bear it for him. This was a matter related to his career!

“Your son?” Ling Zhenchuan frowned: “You wouldn’t say that Chen Baoqiang is your son, would you?”

Ling Zhenchuan’s words made Lin Tianhu and several others laugh secretly.

Chen Baoqiang’s face turned red and white. Although he was unhappy, he didn’t dare to fart in front of Ling Zhenchuan!

“No, no, no...” Li Weijian waved his hand hurriedly, pulled Li Lei over and said, “This is my son, his name is Li Lei, and this Chen Baoqiang is his father-in-law!”

Ling Zhenchuan immediately understood what was going on, and his expression softened a little, but he still followed Li Weijian coldly: “Old Li, so many people came to toast together, are you really afraid that the news that I am eating here will not spread? ?”

“Mayor Ling, I definitely didn’t mean that. I’ll tell them to get out right now!”

Li Weijian trembled in fright, and then kicked Li Lei hard: “Get out of here, get out of here quickly, you are a bunch of idiots!”

Li Lei was so frightened that he turned around and ran away, while Chen Baoqiang’s family also trembled and hurriedly retreated!

This time, the whole family is humiliated!

“Li Lei, what are you doing? Why doesn’t Mayor Ling know that we are going to toast?”

After exiting, Chen Jiayao stared at Li Lei with dissatisfaction and asked.

“You still have the nerve to ask, it’s all your fault for insisting on following me. Mayor Ling came here secretly to have a meal. How can he not be angry when so many people come to propose a toast? What do you mean you guys are following me!”

Li Lei was kicked and was feeling angry. Chen Jiayao yelled at him. Of course Li Lei didn’t tolerate her!

Li Lei’s words included Li Shuzhen, which made Li Shuzhen’s face turn red and white.

“Okay, okay, stop arguing, isn’t it embarrassing enough?”

Chen Baoqiang glared at the two people impatiently: “Let’s go back and wait for a while. Maybe Director Li will have a nice word with Mayor Ling and we will have another chance!”

“Yes, my dad will definitely look for another opportunity. Let’s go back first!”

Li Lei nodded and said!

Several people held wine glasses and all went back gloomily!

Chapter: 399

But as soon as I returned to the private room, I saw that Chen Ping had packed all the dishes!

Chen Ping was not surprised to see Chen Baoqiang and his family back!

“Chen Ping, what the hell are you doing? Do you want to treat guests like this? You didn’t even finish the meal, and the guests hadn’t left yet, so you packed up all the dishes. You didn’t want to skip the order, did you?”

As soon as she entered the door and saw the scene in front of her, Li Shuzhen scolded Chen Ping with all her face, so as to vent her depressed mood!

“I remember when I just left, someone said that I would drink with the mayor and not come back. He asked us to leave first. We won’t forget it in such a short time, right?” Chen Ping looked at Li Shuzhen and smiled coldly. :
“They still didn’t pay attention to you at all and kicked you out!”

“You fart, don’t say sour grapes if you can’t eat them. We have been drinking with Mayor Ling for a long time, and we even clinked glasses with Mayor Ling. You trash in jail, didn’t you say you had dinner at Mayor Ling’s house? ? Why did Mayor Ling say no when we asked him?”

Chen Zhi pointed at Chen Ping and asked with a proud look on his face.

For those who didn’t know, I really thought he and the mayor had just been drinking.

Although they knew that Chen Zhi was talking nonsense, Chen Baoqiang’s family chose to remain silent, which meant that they acquiesced in Chen Zhi’s bragging!

When Chen Ping heard what Chen Zhi said, he immediately knew that this guy was lying. What’s more, the wine they brought over was still in the cup and there was no shortage at all. How could he drink it?

“Chen Zhi, you don’t even know how to lie. The wine glasses in your hands are not missing a drop of wine. Why are you drinking with Mayor Ling? You can do such things as lying with your eyes open. I think you are even useless. Not as good as that!”

Chen Ping smiled disdainfully!

Chen Zhi was stunned, looking at his wine glass, and his face turned red. The feeling of being exposed on the spot and slapped in the face was really uncomfortable!

They felt that this wine was a limited edition Maotai, so no one was willing to throw it away. They took it back and planned to continue drinking it, but now Chen Ping caught the loophole!

“You... don’t care whether we toast or not. Anyway, we have seen Mayor Ling, and he is better than you. I want to see how you settle the bill today. If you dare to eat the Overlord meal at Mr. Hu’s restaurant, I will definitely peel it off. You are just skinny, let me see if you are still crazy when the time comes!”

After Chen Zhi finished speaking, he sat back directly and ignored Chen Ping!

“Who said I have to pay the bill? You also have a share of the food here. I just don’t have the money to give you. I’ll see if you can leave by then!”

Chen Ping smiled and sat back!

When Chen Baoqiang's family heard this, they were all stunned!

"Chen Ping, what do you mean? We agreed to treat you today, do you want to cheat?"

Chen Baoqiang asked with a frown.

"But I don't want to invite you now, so I'm cheating. If I don't pay you then, no one will leave. I want to see if Lin Tianhu will peel off your skin too!"

Chen Ping said with a rogue expression!

Now that his parents are gone, Chen Ping doesn't have to give face to Chen Baoqiang's family!

Chapter: 400

Although they are his own relatives, Chen Ping doesn't have the slightest fondness for Chen Baoqiang's family!

When Chen Ping said this, Chen Baoqiang's family were all dumbfounded. They really didn't expect that Chen Ping would cheat!

"Chen Ping, don't fucking cheat us, hurry up and give us the money!"

Chen Zhi panicked and rushed towards Chen Ping.

Chen Ping looked at Chen Zhi, who was rushing towards him, and his face turned cold. This guy didn't even call him brother, he just called him trash. Chen Ping wanted to beat him up a long time ago!

Chen Zhi rushed to Chen Ping, and Chen Ping slapped him. Chen Zhi flew away and fell heavily to the ground!

"son....."

"younger brother....."

When Chen Baoqiang's family saw this, they all ran over screaming in fright!

Chen Zhi was helped up and looked at Chen Ping with anger in his eyes, but at this moment he was more afraid of Lin Tianhu. If Chen Ping didn't give them money, Lin Tianhu would definitely not let them go.

"Dad, if you say Chen Ping, this loser, won't pay us, will Master Hu let us go?"

Chen Zhi asked Chen Baoqiang nervously.

"Don't worry, your brother-in-law has a relationship with Master Hu. Since Master Hu can give your brother-in-law two bottles of such good wine, he won't care about this meal!"

As Chen Baoqiang said, he looked at Li Lei and said, "Xiao Lei, if Chen Pingzhen doesn't pay him in a while, you can tell Mr. Hu to skin him, but don't trouble us!"

"ah....."

Li Lei looked embarrassed and said nothing!

He didn't know Lin Tianhu at all, how could he let Lin Tianhu give him face? But Li Lei couldn't tell him, so he could only hold on!

"Yeah, I forgot about it!"

Chen Zhi immediately stopped panicking, touched his sore face, looked at Chen Ping fiercely and said, "Chen Ping, you heard me now, wait a while and see who gets skinned!"

Chen Ping didn't pay attention to him, but poured himself a cup of tea and drank it!

At this time, outside the private room, Ling Zhenchuan and Lin Tianhu were in front, followed by several leaders of various departments, all of whom followed with doubts on their faces.

They didn't understand, how could this big shot eat in such an ordinary private room?

Could it be that he came for a private visit via incognito?

Lin Tianhu took Ling Zhenchuan directly to the private room where Chen Ping was, and said to Ling Zhenchuan:
"Mayor Ling, Mr. Chen is inside!"
