

The Order 3911

Chapter: 3911

“This Demonic Heart Sect is so powerful that it actually started planning it decades ago.”

Ge Cangsheng said.

Chen Ping fell into silence. If this was the case, it would be extremely difficult for him to destroy the Demonic Heart Sect!

Although Chen Ping’s strength has increased a lot now, there are too few available manpower around him. If there are people from the Demon Heart Sect in the eight secret realms, and they are all controlled by the Demon Heart Sect, it will be difficult to handle!

“Elder Ge clan, how many children do the Ge family have now?”

Chen Ping wants to know how many people he has under his command!

Ge Cangsheng said with a lonely expression: “Only these ten people escaped, but there were also a dozen people who escaped from Tianluo Tower. But it is impossible for us just to fight back to the Fire Sect Secret Realm.”

Chen Ping thought for a moment and felt a headache. Although there were many people in his dragon gate, the strength of these people in the secular world was too low. How could they fight with the people in the secret realm?

“Chen Ping, if necessary, we can help you...”

At this time, Ji Ruxue came with many girls!

After receiving Mr. Shi’s guidance, they are now much stronger than before and can definitely help Chen Ping!

“You?” Chen Ping looked at Ji Ruxue and others with some confusion.

“Sisters, it seems we are going to show off our skills. Don’t let Chen Ping underestimate us...”

After Ji Ruxue finished speaking, she led the girls to show Chen Ping a small hand!

When Chen Ping saw the strength of Ji Ruxue and the others, he was already shocked and speechless.

But after hearing that Mr. Shi taught them, Chen Ping understood that Mr. Shi was the only person who Chen Ping couldn’t see through!

He still doesn’t know what Mr. Shi’s realm is. Anyway, every time he feels that his strength has improved and his heart is a little swollen, he will be ruthlessly suppressed by Mr. Shi!

“Elder Ge clan, you stay here for the time being. As for taking back the Fire Gate Secret Realm, we will wait for a while. I have to go to the Thunder Gate Secret Realm.”

Chen Ping decided to go to the Zixiao Mansion in the Thunder Gate Secret Realm first to find his mother. Only when his mother is safe can Chen Ping do other things with peace of mind!

“Mr. Chen, if you go to the Thunder Gate Secret Realm, do you know where the entrance to the teleportation array between the Thunder Gate Secret Realm and the secular world is?”

Ge Cangsheng asked Chen Ping.

Chen Ping shook his head, how could he know.

“In this case, we can only teleport from the teleportation array of the Fire Gate Secret Realm to the Thunder Gate Secret Realm. Let Yuhan go with you. Although the Fire Gate Secret Realm is completely occupied by the Zhanyue Pavilion, they cannot have so many people guarding it. Each teleportation array.”

Ge Cangsheng said!

Chapter: 3912

Chen Ping thought for a moment, and that was all he could do, so he nodded and took Ge Yuhan, Ji Ruxue and the other girls to the Fire Gate Secret Realm!

Through the Fire Gate Secret Realm, the group was transported to the snowy Thunder Gate Secret Realm!

It was the first time for Ji Ruxue and the others to enter the secret realm, so they were all very excited!

It was also the first time for Chen Ping to come to the Thunder Gate Secret Realm, and he had no idea where the Zixiao Mansion was!

Chen Ping could only spread his consciousness and look for any human aura!

As long as you can meet someone, you can find out the location of Zixiao Mansion!

But just as Chen Ping was walking and exploring with everyone, he suddenly froze. Under the cover of his spiritual consciousness, he seemed to be grateful for a familiar breath!

Chen Ping quickly ran towards the aura, while the others followed closely behind!

Soon, everyone came to a hot spring. They looked at the hot spring in front of them and felt the atmosphere around the hot spring. Chen Ping was so familiar!

When he was practicing using the Nine Thousand Miles of Mountains and Rivers Map, he had stayed in this hot spring more than once!

“This...what is going on? How can this place be in the secret realm of Thunder Gate?”

Chen Ping was completely confused!

Gu Ling'er looked at the hot spring in front of him and said with surprise: "Chen Ping, this place is so familiar. Have we been here before?"

Gu Ling'er once followed Su Yuqi to practice using the Nine Thousand Miles of Mountains and Rivers Map, and she had also been to this place, so she also felt familiar!

After being surprised, Chen Ping hurriedly took out the Nine Thousand Miles of Mountains and Rivers Map from the storage ring!

After opening the Nine Thousand Miles of Mountains and Rivers map, I saw that the picture above had not only changed, but the picture of hot springs steaming under the white snow no longer appeared!

"Is it because I am in this place that the Nine Thousand Miles of Mountains and Rivers Map will not be displayed?"

Chen Ping was guessing in his mind!

But at this time, Ge Yuhan, who was looking at the Nine Thousand Miles of Mountains and Rivers map, said in surprise: "Look, isn't this the place of our Fire Sect Secret Realm?"

At this time, the picture of the Nine Thousand Miles of Mountains and Rivers map showed a desert with a scorching sun!

Ge Yuhan recognized this place at a glance, it was in the Fire Sect Secret Realm!

Chen Ping glanced at Ge Yuhan and asked, "Are you sure?"

"Of course, I have been to this place." Ge Yuhan nodded confidently!

Seeing this, Chen Ping seemed to have guessed something, so he took Ge Yuhan's hand and said, "Come with me to see if it is the Fire Sect Secret Realm..."

Chapter: 3913

After saying that, the two people's consciousness entered the Nine Thousand Miles of Mountains and Rivers Map, and then a light flashed before their eyes, and they appeared in the desert!

Ge Yuhan looked around and said with certainty: "Yes, this is the Fire Gate Secret Realm. Walking more than a hundred kilometers from here, we should reach our Ge family land. How about we go and take a look?"

Chen Ping shook his head and said, "There's no need to look at it. I know what the Nine Thousand Miles of Mountains and Rivers Map is for."

"This is the teleportation map of the eight secret realms. With this map, you can teleport to any of the eight secret realms without being bound by the rules of the teleportation array."

Chen Ping finally figured it out. No wonder the place in the Nine Thousand Miles of Mountains and Rivers Map is full of spiritual energy and is very suitable for cultivation. It turns out that the Ninety Thousand Miles of Mountains and Rivers Map is a teleportation array that can be teleported directly to any secret realm. You must know that in the secret realm Of course the aura is abundant.

Chen Ping followed Ge Yuhan back to the Thunder Gate Secret Realm. After knowing the function of the Nine Thousand Miles of Mountains and Rivers Map, Chen Ping was very excited!

Now he no longer has to worry about finding teleportation entrances to other secret realms, nor does he need to abide by the teleportation rules of the eight secret realms!

Otherwise, after Chen Ping and the others teleported from the Fire Gate Secret Realm to the Thunder Gate Secret Realm, they would have to wait for three days before teleporting again!

Three days is not a long time, not a short time. I don't know what will happen!

"Let's go and find the location of Zixiao Mansion as soon as possible..."

Chen Ping put away the Nine Thousand Miles of Mountains and Rivers Map and took a few girls to continue searching for the location of Zixiao Mansion!

But not long after he left, Chen Ping used his spiritual sense to detect someone's aura!

Because he didn't know who he was, Chen Ping could only take Ji Ruxue and the others to hide!

Soon, two figures slowly appeared in front of Chen Ping and the others!

"Sister Qiu Ju, I won't leave. I want to go back and save my dad. If I just leave like this, my dad will definitely be in danger."

Han Qing'er struggled desperately, but Qiu Ju held on to Han Qing'er and kept moving forward!

"Miss, we finally escaped. If you run back, the palace master will be in even more trouble. If Lu Buwei uses you to blackmail the palace master, what will the palace master do?"

Qiu Ju persuaded Han Qing'er!

"Then I can't just leave like this. When I'm not here, Lu Buwei will definitely take out his anger on my parents. At worst, I will marry you, Lu Chang, as long as they let my parents go from Canyue Castle."

Han Qing'er still didn't want to leave.

"Miss, don't be stupid. Even if you marry Na Lu Chang, they will not let the master and his wife go. This Waning Moon Castle has been hidden for so many years. Now that they are attacking our Zixiao Mansion, they will never let it go. I'll stop."

Qiu Ju said while pulling Han Qing'er forward!

"Why, why did it become like this?"

Han Qing'er started crying. She didn't understand that the entire secret realm had changed so suddenly!

Chapter: 3914

At this moment, Chen Ping stood up!

Seeing someone, Qiu Ju's expression changed drastically and she hurriedly stood in front of Han Qing'er.

But when she saw that it was Chen Ping, Han Qing'er was stunned for a moment, and then rushed towards Chen Ping with excitement on her face!

Han Qing'er threw herself into Chen Ping's arms and cried loudly!

"Chen Ping, you...why are you here? Did you hear about what happened to our family and come here to save me?"

Han Qing'er threw herself into Chen Ping's arms and asked.

Ji Ruxue and the others on the side saw this scene, looked at each other, and smiled!

They know that they are going to have another sister!

"What's going on, please tell me clearly first..."

Chen Ping gently comforted Han Qing'er and said.

Han Qing'er wiped her tears, and then told Chen Ping what happened to Zixiao Mansion!

It turned out that Han Fusheng didn't care about the Waning Moon Castle that was constantly encroaching on other small sect families in the Thunder Gate Secret Realm, and he didn't think there was anything wrong with it!

But today, Cangyue Fort suddenly surrounded Zixiao Mansion with people, wanting to annex Zixiao Mansion as well, and asked Han Qing'er to marry Lu Chang.

After Han Fusheng saw the faces of Lu Buwei and his son clearly, he took the opportunity to let Qiu Ju escape with Han Qing'er, while Han Fusheng faced Lu Buwei and his son alone!

After hearing this, Chen Ping instantly thought of the scene in the Fire Gate Secret Realm, and then asked: "Then why did the Waning Moon Castle besiege your Zixiao Mansion? Is Lu Buwei the purple-robed messenger?"

"What purple robe messenger?" Han Qing'er looked at Chen Ping blankly. She didn't know what a purple robe messenger was!

Chen Ping looked at Qiu Ju, and Qiu Ju also shook her head. She didn't know either!

Seeing that neither of them knew it, Chen Ping said, "Take me to Zixiao Mansion, hurry up..."

Now that Lu Buwei has besieged Zixiao Mansion, his mother may be in danger!

Zixiao Mansion!

Lu Buwei and his son were sitting in the hall with Han Fusheng and his wife!

Outside, hundreds of Waning Moon Castle disciples surrounded the entire Zixiao Mansion!

At this time, Lu Buwei was wearing a purple robe, and the aura on his body was rising, obviously overshadowing Han Fusheng.

"Han Fusheng, why doesn't your daughter come out? As long as your daughter marries my son, we will be a family. Then you follow me, and we will wait for the spiritual energy to revive, and then ascend to the heaven and human world. How wonderful... .."

Chapter: 3915

Lu Buwei said to Han Fusheng!

Han Fusheng had a cold look on his face and said with a hint of ridicule: "Lu Buwei, you are also a castle master, how could you be willing to become a dog of the Demonic Heart Sect? Why on earth?"

"Hahaha..." Lu Buwei laughed, not at all angry because Han Fusheng said he was a dog!

"I tell you, I have been a member of the Demon Heart Sect decades ago, because I know that if we did not join the Demon Heart Sect, we would be trapped in this secret realm and never ascend to the world of heaven and humans. possible."

"Aren't we practicing all our lives to become gods and immortals? But if our spiritual energy does not recover and we only rely on this small secret realm, when will we become immortals?"

"But it's different now. The spiritual energy will be revived soon. By then, the entire world will be ours. By then, what's the difficulty in thinking about becoming a god or an immortal?"

Lu Buwei persuaded Han Fusheng!

Han Fusheng grabbed the seat with both hands. Hearing Lu Buwei's words, he was almost furious. It turned out that this guy had joined the Demon Heart Sect decades ago, and he actually followed Lu Buwei as his brother!

Han Fusheng gritted his teeth and was about to take action against Lu Buwei. Now that Han Qing'er had probably escaped, he had no worries!

But An Lingrong on the side gently pulled Han Fusheng, and then said to Lu Buwei with a smile on his face: "Brother Lu, do you think this will work? Tomorrow we will dress Qing'er up beautifully, and then send it to you Can Yue Fort!"

"As for our Zixiao Mansion joining you, I am trying to persuade Fu Xing today. You also know that he is a stubborn guy. Please allow us a day."

Lu Buwei looked at An Lingrong's honorable posture, and his eyes burst out with lustful light!

"Since my sister-in-law has spoken, I will give you one day!"

"But don't think about escaping, because this secret realm of Thunder Gate belongs to me."

"If you still persist in your obsession tomorrow, then I will have no choice but to go on a killing spree, but don't worry, sister-in-law, I won't kill you. I've long wanted to taste your charming figure..."

Lu Buwei ignored Han Fusheng's presence and openly teased An Lingrong!

An Lingrong could only laugh along with her. She knew she couldn't make Lu Buwei angry at this time!

Han Fusheng's face turned red with anger and he wanted to swallow Lu Buwei!

Lu Buwei took the people away, and Han Fusheng shouted loudly: "What are you asking him for so lowly? What's the difference between working hard today and working hard tomorrow? Do you really want to follow that Lu Buwei?"

Snapped!

An Lingrong slapped Han Fusheng on the face instantly, and Han Fusheng didn't dare to speak for a moment. This guy was a strict henpecker, and he was angry just now, so he dared to talk like this after An Lingrong!

"Now Qing'er and the others must not have run far away. If they fall out with Lu Buwei now, do you think Qing'er can escape from the secret realm?"

An Lingrong asked Han Fusheng angrily.

Han Fusheng lowered his head and did not dare to speak. He knew that his wife was delaying time to allow Han Qing'er to escape from the secret realm!

Chapter: 3916

The hall fell into silence, and the entire Zixiao Mansion fell into a panic!

But at this time, Han Qing'er and Qiu Ju rushed to Zixiao Mansion with Chen Ping and others...

"Dad, Mom....."

When Han Qing'er saw that her parents were okay, she happily rushed forward!

When Han Fusheng saw that Han Qing'er was back, he said with an angry look on his face: "Why didn't I let Qiu Ju take you away? Why are you back?"

"That's right, why did you, girl, come back? I just deceived Lu Buwei. You should run away quickly..."

An Lingrong also said to Han Qinger.

"Dad, Mom, I brought Chen Ping here..."

After Han Qing'er finished speaking, Chen Ping walked in with Ji Ruxue and others!

When Han Fusheng saw Chen Ping, he was slightly startled. He didn't understand how Chen Ping came to the secret realm of Thunder Gate.

"Chen Ping, what are you doing in our Thunder Gate Secret Realm?"

Han Fusheng asked puzzledly.

“I’m here to see my mother...”

Chen Ping said directly!

Chen Ping’s words immediately stunned Han Qing’er. Han Qing’er thought Chen Ping was here to look for her.

Even Han Fusheng was confused and didn’t understand why Chen Ping came to the Thunder Gate Secret Realm to find his mother!

“Looking for your mother? Who is your mother?”

Han Fusheng asked.

“My mother’s name is Long Ruotong. She should be in Zixiao Mansion, right?”

Chen Ping said.

boom.....

Hearing Chen Ping’s words, Han Fusheng was struck by thunder and stood stunned on the spot. He never thought that Long Ruotong would be Chen Ping’s mother!

Han Qing’er was puzzled and said: “It seems that there is no one named Long Ruotong in our Zixiao Mansion, right?”

Han Qing’er didn’t know, but An Lingrong knew. She knew that Han Fusheng wanted to marry a woman before, the eldest lady of the Long family, named Long Ruotong!

Chapter: 3917

An Lingrong stared at Han Fusheng. At this moment, Han Fusheng’s mind was completely blank!

After a long time, Han Fusheng came back to his senses and said in disbelief: "I didn't expect that you would be Long Ruotong's son. I really didn't expect..."

"Where did you keep my mother?"

Chen Ping didn't look good and asked Han Fusheng coldly!

Chen Ping didn't know how his mother was doing in Zixiao Mansion, so he had always been hostile to Han Fusheng!

Han Fusheng glanced at his wife, and when he saw his wife's cold eyes, Han Fusheng trembled with fear!

But now that the matter has come to an end, Chen Ping has been summoned, and Zixiao Mansion is also facing destruction. He is no longer able to protect Long Ruotong, so he gritted his teeth and said: "Come with me..."

After saying that, Han Fusheng walked out, and Chen Ping followed. But at this time, Chen Ping was very excited because he would see his biological mother soon!

Ever since he knew his mother's identity, Chen Ping had dreamed of his mother more than once and imagined what it would be like when he saw her mother!

But now, he will see his mother soon!

Chen Ping's body was shaking slightly because of his excitement!

Ji Ruxue stepped forward and gently held Chen Ping's hand without saying a word. She just wanted to use this to soothe Chen Ping's excited mood!

An Lingrong and Han Qing'er also followed!

Han Fusheng led everyone out of Zixiao Mansion and then headed southwest!

As the group of people got further and further away from Zixiao Mansion, a snow mountain slowly appeared!

Soon, everyone came to a cave, and this cave was obviously dug manually!

A space has been artificially cleared in front of the cave entrance, and there is a small hot spring there, which is steaming!

Han Fusheng stopped, looked at Chen Ping and said, "Your mother is inside..."

After saying that, Han Fusheng knelt down in front of An Lingrong: "Daughter-in-law, I didn't do anything. Long Ruotong was also sent here by the Long family, and then I settled here. I have never been here before."

Han Fusheng knelt down to his wife in public, which shows how afraid this guy is of her!

But Chen Ping was not in the mood to see this, but trembled slightly and walked towards the cave step by step!

Chen Ping stood at the entrance of the cave, not daring to push the door in for a long time. He was thinking about his mother all the time, but when it came time to see his mother, Chen Ping didn't know how to face it!

Just when Chen Ping stood in front of the door and wanted to push it open, the door to the cave was opened from the inside.

A woman in white came out!

Chapter: 3918

Chen Ping followed the woman and made eye contact!

Although the two people have never met, at this moment, the feeling of blood connection between mother and son suddenly arises in their hearts!

“child?”

Long Ruotong looked at Chen Ping and shouted softly!

“mom.....”

Chen Ping shouted, tears streaming down his face, and he knelt down in front of Long Ruotong with a pop!

Long Ruotong also burst into tears instantly, hugging Chen Ping tightly, mother and son burst into tears!

Seeing this scene, Ji Ruxue and the others also shed tears!

An Lingrong’s expression was also moved. She knew that as a mother, she missed her children!

Looking at Han Fusheng in front of him, An Lingrong kicked him hard.

“It’s all your fault...”

In An Lingrong’s view, if Han Fusheng had not locked Long Ruotong in the secret realm of Leimen, Chen Ping might have met with his mother long ago!

Han Qing’er also glared at her father angrily. She didn’t expect her father to be such a person!

Han Fusheng wanted to explain, but he couldn’t argue now!

After Chen Ping followed Long Ruotong and cried for a while, Long Ruotong hurriedly called everyone into the cave!

The cave is as warm as spring and the decoration is very luxurious. It seems that Long Ruotong is living a good life here!

However, Chen Ping didn't intend to let Han Fusheng go. After all, his mother had been imprisoned here for so long. If it weren't for Han Fusheng, he would have met his mother long ago!

"Mom, you have suffered a lot. I have killed Long Jingguo and his son. I will not let go of anyone who bullied you..."

Chen Ping said, looking at Han Fusheng with cold eyes!

"Chen Ping, don't get me wrong. I didn't do anything to your mother. The reason why I kept your mother here was for her safety..."

Han Fusheng felt the cold light in Chen Ping's eyes and quickly explained!

"I'm going to die. Palace Master Han really didn't do anything to me, and I'm doing fine here during this period of time."

Long Ruotong also followed Chen Ping and said!

After listening to Long Ruotong's words, the cold light in Chen Ping's eyes gradually disappeared!

Chapter: 3919

"Mom, I'm here to take you out of here and back to Kyoto. When you return to Kyoto, you can enjoy yourself..."

Chen Ping said.

“Okay, mom, let’s go with you!” Long Ruotong nodded, then looked at Ji Ruxue and the others, and asked Chen Ping, “Who are these girls?”

“They...they...”

For a moment, Chen Ping didn’t know how to introduce Ji Ruxue and the others.

“Auntie, we are Chen Ping’s girlfriends. When you return to Kyoto, you can enjoy your life in peace and we will take care of you.”

Ji Ruxue stepped forward slowly and followed Long Ruotong in a graceful manner!

“All of you?” Long Ruotong was a little shocked!

But soon, Long Ruotong’s shock turned into happiness, and he said with a smile: “Okay... it’s great. With so many girlfriends, do I have many grandsons now?”

Chen Ping lowered his head, not knowing how to answer his mother. If he didn’t have a grandson, would his mother be disappointed?

At this time, Ji Ruxue hurriedly came to Chen Ping’s rescue and said: “Auntie, Chen Ping has been thinking about you all this time. He said that he would not sleep with us until he rescued you, so we are still perfect. Body...”

When Long Ruotong heard this, he glanced at Chen Ping and said, “This silly boy, don’t you know what’s more important? If you can’t save me in ten years, why don’t you want to have children in ten years?”

“Let’s go quickly. When we return to Kyoto, you can move in together as soon as possible. With so many people, I estimate that we can have many grandchildren.”

When Ji Ruxue and the others heard this, their faces turned red with embarrassment, while Long Ruotong couldn't wait to leave here and go back to Kyoto!

Just when Chen Ping and Long Ruotong were about to leave, Han Fusheng stopped Chen Ping!

Originally, Han Fusheng thought Chen Ping was good and wanted to hand Han Qing'er over to Chen Ping, but now Chen Ping actually has so many women around him.

But if Han Qing'er doesn't follow Chen Ping, then when Lu Buwei and his son arrive tomorrow, no one in their family will be able to escape!

In the end, Han Fusheng could only say to Chen Ping: "Chen Ping, I hope you can take Qing'er away with you. If she stays, she will definitely die."

Han Fusheng knows his daughter's temperament, and Han Qing'er will definitely not agree to marry Lu Chang. When the time comes, Lu Buwei and his son will kill them!

"Dad, I won't leave, I want to stay with you..."

Han Qing'er shook her head!

She liked Chen Ping, but she didn't expect that there would be so many women around Chen Ping. Han Qing'er couldn't accept it for a while!

After all, she is also the eldest lady of Zixiao Mansion. With so many women and one man, Han Qing'er is a little dissatisfied!

But Han Qing'er didn't know which of the women around Chen Ping was not a wealthy lady before!

Chapter: 3920

"Qing'er, you'd better let Chen Ping take you away. There's no point in you staying..."

An Lingrong also persuaded Han Qinger!

Han Qing'er cried bitterly and hugged her mother tightly!

"Chen Ping, what's going on?" Long Ruotong asked upon seeing this.

Chen Ping told Long Ruotong about the secret realm of Thunder Gate, and Long Ruotong frowned slightly!

"Chen Ping, if you have a way, please help Palace Master Han?" Long Ruotong said to Chen Ping!

Chen Ping had no intention of saving Zixiao Mansion. After all, Chen Ping knew that his mother was imprisoned by Han Fusheng!

But now, seeing that his mother's life was good and she even offered to help Han Fusheng, Chen Ping nodded!

"Chen Ping, you'd better go, take my daughter with you, and treat her well. I'm already very grateful."

"Lu Buwei is stronger than me, and he has annexed the entire Thunder Gate Secret Realm. He has thousands of disciples. Even if you stay to help me, our Zixiao Mansion is no match for the Waning Moon Castle."

Han Fusheng didn't let Chen Ping stay to help because he knew Chen Ping's strength, and there were only a few of Chen Ping and the others, so even if they stayed to help, it would be a drop in the bucket!

"Master Han, of course I have a way to deal with Lu Buwei. As for the thousands of disciples in Waning Moon Castle, I'm thinking of a way!"

Chen Ping has the God King's Bow in his hand, so he is naturally not afraid of Lu Buwei. As for the thousands of Cangyue Castle disciples, Chen Ping is thinking of another way!

“What else can we do? Lu Buwei and his son are coming tomorrow. There is no time.”

Han Fusheng shook his head in resignation. He no longer had any fighting spirit. He just hoped that his daughter could live!

“There will definitely be a way.” Chen Ping looked determined, and then said to Ji Ruxue: “Ruxue, Yuhan, you take care of my mother here, and I will find a way.”

Ji Ruxue and the others nodded, while Long Ruotong said: “Chen Ping, if you have no other choice, don’t show off, safety first...”

“Mom, don’t worry, my son will do what you say even if it breaks the sky.”

After Chen Ping finished speaking, he walked out directly!

Chen Ping now has to figure out where to bring in so many reinforcements!

Although Chen Ping has many people in the secular world, their strength is too low. If he comes to fight in this secret realm, he will be cannon fodder, which is meaningless!

Although Yue Buqun and Qu Yunchang in the hidden world are not weak, their numbers are too small, and even if they come here, it will be of no use!

“Fire Phoenix? I can go to the secret realm of monsters to find the fire phoenix, and then lead the army of monsters to help.”

Chen Ping suddenly thought of Fire Phoenix!
