

The Order 3921

Chapter: 3921

Ever since he was injured and fell into coma last time, and had sex with Huo Feng in his sleep, Chen Ping was also worried about Huo Feng!

I don't know what Huofeng is doing now because he saved himself.

Chen Ping found the teleportation array and teleported directly to the secret realm of monsters!

After sensing someone coming, the monsters in the secret realm of monsters began to take action!

The aura of monsters keeps approaching Chen Ping!

However, when these monsters approached Chen Ping, they all froze, and then roared in the sky, and stood on both sides to welcome Chen Ping!

Along with the roars of these monster beasts, huge birds soared into the sky from the Monster Mountain Range, and then landed in front of Chen Ping!

The bird flapped its wings, meaning to let Chen Ping sit on it!

Chen Ping jumped onto the flying bird, and then the flying bird soared into the sky and flew directly to the top of the Monster Mountain Range!

Looking at the familiar little house, Chen Ping jumped off the bird and rushed in quickly!

“Owner.....”

Huofeng's figure was still in the small house, naked, looking at Chen Ping with a smile!

Chen Ping breathed a long sigh of relief when he saw that Huofeng was safe and sound! Remember URL

“Huofeng, when I was injured and fell into coma, was it you who saved me?”

Chen Ping asked Huofeng.

After all, Chen Ping was in a coma at the time and didn't know anything. Later, it was just a guess!

Huo Feng nodded: “The master was injured at that time, and I had no choice but to force out my own soul, and then fuse with the master to form the power of dragon and phoenix, and then I healed the master.”

“I hope the master won't blame me, there's nothing I can do!”

When Chen Ping heard this, he realized that he was in a coma and followed Huo Feng to do that kind of thing. However, he couldn't blame Huo Feng. After all, Huo Feng was also trying to save himself!

“I don't blame you. After all, you also wanted to save me.” Chen Ping said.

Seeing that Chen Ping didn't blame himself, Huofeng laughed, and then asked: “I wonder what the master has to do when he comes to this secret realm of monsters?”

Chen Ping hurriedly explained the purpose of his visit, but after hearing this, Huofeng's expression became a little ugly!

“What's wrong?” Chen Ping asked, looking at Huofeng's expression.

“Master, Fire Phoenix is willing to go through fire and water for you, but now I can no longer leave this monster mountain range.”

Chapter: 3922

Huofeng said.

“Why?” Chen Ping asked puzzled.

“In order to save the master, I handed over my soul and became a mark in the master’s body, so now I am a person with an incomplete soul and there is no way to leave here!”

Huofeng said.

Chen Ping frowned slightly after hearing this: “What should I do? I will give you your soul. I have more power now.”

“Master can return his soul to me, but... it’s just that the two of us have to...”

Huofeng’s face turned red with embarrassment, she didn’t know what to say!

But Chen Ping understood instantly. He knew what Huo Feng meant. If he wanted to return his soul, he had to follow Huo Feng again!

“I see.....”

After Chen Ping finished speaking, he threw Huofeng onto the bed without any hesitation!

Anyway, this is not the first time for the two of them. Chen Ping has also completely let go. His mother has been rescued, so no woman around him can escape!

In an instant.....

The entire little house was shrouded in golden light, and a dragon and a phoenix rose into the sky, and then hovered above the little house!

Countless monsters from the Monster Mountain Range swarmed in from all directions, looking at the dragons and phoenixes flying in the sky and worshiping them all!

A sound of joyful phoenix sounds came from that room!

A dragon and a phoenix hovered in the air for a long time, until there was no sound in the room, the golden light slowly disappeared, and the dragon and phoenix also slowly dissipated!

In the room, Huo Feng nestled in Chen Ping's arms with a satisfied look on her face, just like a docile little kitten!

"You wait for my news, and when the time comes, you will take your monster men and rush to the Thunder Gate Secret Realm together."

Chen Ping said to Huofeng!

"Master, don't worry, everything will be at your discretion..." Huo Feng nodded!

Chen Ping got up and put on his clothes, and then returned to the secret realm of Thunder Gate!

"Chen Ping, how are you? Have you thought of a solution?"

When Han Qing'er saw Chen Ping back, she asked anxiously!

If Chen Ping can't do anything, then their Zixiao Mansion may be completely doomed!

Chapter: 3923

Han Fusheng and his wife also looked at Chen Ping nervously. No one wanted to die. If Chen Ping had a way, then they wouldn't have to wait to die!

Chen Ping looked at Han Qing'er's expectant eyes, then nodded and said, "Don't worry, as long as Lu Buwei and his son dare to come tomorrow, I will make it impossible for him to go back."

"Chen Ping, are you really sure?" Han Fusheng asked in disbelief.

"Of course, since I said it, I must be sure!"

Chen Ping said very confidently.

Seeing Chen Ping so confident, Han Fusheng was relieved!

Now I'm just waiting for tomorrow to come!

In the evening, Han Fusheng left Chen Ping to stay in Zixiao Mansion for one night, while Long Ruotong and the others stayed in the cave. After all, the fight would start tomorrow. Although Chen Ping was sure, he would really let his mother accidentally Chen Ping couldn't forgive himself for being injured!

So he asked Ji Ruxue and the others to protect his mother, while Chen Ping himself was in Zixiao Mansion to deal with Lu Buwei and his son arriving tomorrow!

"Qing'er, you're not young anymore, there are some things you should know."

"Although there are many women around Chen Ping, he is a rare talent. You must seize the opportunity..."

"If Chen Ping really helped our Zixiao Mansion get through this, we should also repay him."

"Do you know what your mother and I mean?"

Han Fusheng and An Lingrong were persuading Han Qinger!

They knew their daughter's temperament, and after seeing that Chen Ping had so many women, they were afraid that Han Qing'er would have a conflict with Chen Ping!

Han Qing'er nodded slowly: "Dad, Mom, I know what you mean. In fact, I also like Chen Ping..."

"Silly boy, since you like it, then you have to take the initiative. Tonight is a good day."

"If other women around Chen Ping were present, do you think it would still be your turn?"

"You have no experience at all. You will be at a disadvantage when the time comes."

An Lingrong hurriedly said to Han Qinger!

Han Qing'er's face was red with embarrassment, she bit her lips, stood up suddenly and said, "I know what to do..."

After saying that, Han Qing'er walked out of the room, while Han Fusheng and his wife looked at each other and smiled!

At this time, Chen Ping was lying on the bed, thinking about how to deal with Lu Buwei and his son tomorrow!

The door was gently pushed open, and a woman's body fragrance came. Chen Ping knew who it was without even looking!

Chapter: 3924

Chen Ping pretended to close his eyes.

Han Qing'er walked up to Chen Ping naked. Looking at Chen Ping who was already asleep, Han Qing'er was full of hesitation!

But in the end, he gritted his teeth, lay down next to Chen Ping, and got into Chen Ping's bed!

Han Qing'er rested her head on Chen Ping's chest. Only at this time did Han Qing'er feel a sense of security.

And Chen Ping smelled Han Qing'er's body fragrance and felt the tender and smooth skin. He had already tasted the sweetness and could no longer restrain the fire in his heart!

As soon as she turned over, Han Qing'er was pinned under her!

Han Qing'er panicked and was about to say something, but was blocked by Chen Ping...

“ah.....”

A happy shout came from Chen Ping's room and resounded throughout Zixiao Mansion!

When Han Fusheng and An Lingrong heard the sound, they immediately recognized that it was their daughter!

Both of them breathed a heavy sigh of relief and looked towards the room where Chen Ping was!

I saw Chen Ping's room, ablaze with golden light, and the entire Zixiao Mansion was almost shrouded in this golden light!

Looking at the dazzling golden light, Han Fusheng's face was filled with shock.

“This Chen Ping is really extraordinary. It seems that our choice is correct.”

Han Fusheng said slowly.

“No, I can tell at a glance that the young man is not simple...”

An Lingrong’s face was full of smiles, as if her mother-in-law was looking at her uncle, and the more she looked at him, the more she liked him!

the next day!

Lu Buwei and his son, who had not waited for Han Qinger for a long time, came to Zixiao Mansion again!

“Han Fusheng, how dare you fucking play tricks on me? Even if you hand over your daughter today, it’s too late. I’m going to destroy your entire Zixiao Mansion...”

Lu Buwei felt that he had been fooled and said angrily.

At this time, Han Fusheng, with Chen Ping’s guarantee, was no longer afraid of Lu Buwei, and sneered: “Lu Buwei, you want to destroy my Zixiao Mansion, but I’m afraid you don’t have the ability...”

Lu Buwei was stunned and frowned slightly: “It seems that you have found reinforcements, otherwise you would not dare to talk to me with this attitude, but let me tell you, there is no one you can find unless you join our Demon Heart Sect. , otherwise no one can save you...”

“Really? Then can I save him?”

Chapter: 3925

At this moment, Chen Ping took Han Qing’er’s hand and walked out!

Han Qing’er’s face was as red as a red-headed apple, and she also smelled of a woman. It was obvious that Han Qing’er had experienced her own transformation last night!

“Qing’er, you...”

Lu Chang was furious when he saw Han Qing’er and Chen Ping coming out hand in hand!

“Chen Ping?” Lu Buwei was slightly startled after seeing Chen Ping. After all, Chen Ping’s performance in the Secret Realm Conference was seen by everyone.

“Han Fusheng, the reason why you are so arrogant is because you found this kid, right? With his current strength, I can easily crush him to death with one hand, do you believe it?”

Lu Buwei said nonchalantly!

Although Chen Ping performed well in the Secret Realm Conference and his strength is not bad, but that is compared with the younger generation. If you want to compare with them, Chen Ping’s strength is not enough!

But Lu Buwei doesn’t know that Chen Ping now is no longer the Chen Ping he was a few months ago!

Chen Ping, who is at the peak of the Separation and Reunion Realm, can easily crush him, Lu Buwei, with the God King Bow in his hand!

Han Fusheng didn’t speak, but looked at Chen Ping, because at this moment he didn’t know what Chen Ping’s strength was, and whether he could really defeat Lu Buwei!

Moreover, there are hundreds of disciples outside Lu Buwei watching eagerly, but Chen Ping is still alone and has not seen the reinforcements Chen Ping has found!

“Whether you can crush me with one hand, you have to try to find out...”

Chen Ping smiled coldly and said to Lu Buwei!

“If you want to die, then I will kill you first, and then destroy Zixiao Mansion...”

Lu Buwei’s eyes narrowed, and a cold light shot out instantly, and he was about to take action against Chen Ping!

“Dad...” Lu Chang stopped Lu Buwei, then looked at Han Qing’er angrily and said, “Qing’er, you and I are childhood sweethearts. I like you so much, can’t you see?”

“As long as you are willing to marry me now, I can convince my father to let you Zixiao Mansion go.”

“I don’t understand. In what way is Chen Ping better than me?”

Lu Chang shouted, seeming to lose his mind!

“Lü Chang, please give up. I am Chen Ping’s person now in life, and Chen Ping’s ghost in death. I am already his...”

After Han Qing’er finished speaking, she looked at Chen Ping lovingly. It seemed that Chen Ping had completely conquered her last night!

Lu Chang was stunned, his face full of disbelief!

“No, it’s impossible, absolutely impossible. You lied to me. You are definitely not the kind of casual woman. For so many years, you have not even been allowed to hold my hand. What a pure girl you are...”

Chapter: 3926

Lu Chang simply didn’t believe that Han Qing’er would follow Chen Ping and do such a thing!

“Lv Chang, please wake up. I won’t let you hold your hand. That’s because I don’t like you. When I meet a man I like, I am willing to give everything I have...”

Han Qing'er's words once again deeply stimulated Lu Chang!

"Ah..." Lu Chang roared, as if he was crazy: "Chen Ping, I'm going to kill you, I'm going to cut you into pieces..."

After saying that, Lu Chang burst out with all his energy and rushed towards Chen Ping!

"Hmph!" Chen Ping snorted coldly, without even looking at Lu Chang, he raised his kick and kicked Lu Chang away!

Lu Chang's body was like a kite with its string broken, flying straight out and then falling heavily to the ground!

"son....."

Lu Buwei was shocked and hurriedly chased after him!

Han Fusheng looked at Chen Ping in shock. He didn't expect that Chen Ping was already so strong. Although Lu Chang was not the strongest among the younger generation, he was not weak. Chen Ping didn't even look at him now. Kicked away, it shows how terrifying Chen Ping's strength is!

And Han Qing'er was looking at Chen Ping with fascination at the moment. Chen Ping looked so handsome to her now!

"Son, son....."

"Ah...I'm going to kill you all..."

Outside, Lu Buwei's furious roar rang out, and his terrifying aura made the surrounding houses tremble!

Han Fusheng and the others hurried out of the room and saw that Lu Chang was bleeding from all his orifices, his eyes were wide open, he had already lost his breath, and he was a little bit unwilling to close his eyes!

Han Fusheng was shocked again. Chen Ping kicked Lu Chang to death with a casual kick?

“Chen Ping, I’m going to cut you into pieces, pieces into pieces...”

Lu Buwei roared angrily, and a surging aura filled the air!

A black mark slowly appeared between Lu Buwei’s eyebrows, and the entire sky suddenly began to darken, and the sky was shrouded in a black mist!

Lu Buwei’s clothes became torn apart, and a purple robe was draped on Lu Buwei. At this moment, Lu Buwei’s face began to blur, and a black mist shrouded his head!

“Purple robe messenger?” Seeing Lu Buwei’s attire, Chen Ping raised his lips slightly: “Today is a good day. I have to resolve the grudges I have with your Demon Heart Sect...”

“Chen Ping, don’t think you are great. The reason why you are still alive now is because the spiritual energy recovery formation still needs you.”

“When the spiritual energy recovery array is activated and a ray of your soul is completely sacrificed, you will be worse than dead...”

Lu Buwei looked at Chen Ping coldly, his whole person shrouded in black mist, like a devil!

Chapter: 3927

“Spiritual energy recovery formation?” Chen Ping was a little confused and didn’t understand what this formation was.

At this time, Han Fusheng on the side said: "This spiritual energy recovery formation has existed for a long time. It was set up by the leader of the Taoist Sect. However, before the formation was activated, the Taoist Sect was suddenly wiped out."

"This formation requires eight people with special physiques, and then uses special spells to activate it. But I just don't know why anyone from the Demon Heart Sect can activate this formation."

When Chen Ping heard this, he instantly remembered what happened in the Taoist secret realm!

Su Yuqi and the others were trapped in the secret realm, and there were several more people with special physiques. Only now did Chen Ping know why the Demon Heart Sect wanted to arrest these people!

And Chen Ping himself has a special physique. Thinking of the stone statues in the cave of the Taoist Sect's secret realm, Chen Ping knew that this formation must be related to those weird stone statues!

"It turns out that the Demon Heart Sect is playing such a big game of chess. It seems that they want to rule the entire secular world..."

Chen Ping said slowly!

"Hmph, you underestimate us too much. Our ambition is not just to rule the secular world..."

Lu Buwei said with a cold snort!

"No matter what ambition you have, it will never be realized. Today I will kill you..."

After Chen Ping finished speaking, the aura on his body began to rise!

However, the aura exuded by Chen Ping at this time seemed very different in front of Lu Buwei!

“With this little ability, I still dare to speak big words...”

After Lu Buwei finished speaking, he reached out and grabbed the sky. The billowing black mist in the sky instantly formed a heavy hammer in Lu Buwei’s hand!

The heavy hammer exuded bursts of cold air, as if the surrounding air was being condensed!

Lu Buwei’s body jumped up, and then the heavy hammer hit Chen Ping hard!

I saw that the surrounding air instantly turned into a vast expanse of white, directly sealing Chen Ping around him!

“Chen Ping...”

When Han Qing’er saw this, she shouted and wanted to help!

She didn’t expect that Chen Ping would be at a disadvantage as soon as he made a move!

After all, she is also Chen Ping’s. She can’t just watch Chen Ping die in front of her. If she wants to die, both of them will die together!

Han Fusheng grabbed Han Qing’er. He knew that Han Qing’er would die if he rushed forward!

“Daughter, don’t go, I’ll do it...”

Chapter: 3928

Han Fusheng was ready to save Chen Ping.

Although Han Fusheng is not as powerful as Lu Buwei, at this time, he can only try his best to save Chen Ping!

But just when Han Fusheng was about to take action, he found that balls of red flames began to erupt around Chen Ping, and the originally condensed space instantly fell into pieces!

The dragon-slaying sword in Chen's hand swung upwards with all his strength, and a terrifying sword light went straight towards Lu Buwei!

boom.....

After a loud noise, the heavy hammer condensed with black mist in Lu Buwei's hand suddenly shattered into pieces. The huge impact force directly knocked Lu Buwei out!

"With this little ability, you dare to crush me to death with just one hand?"

Chen Ping said with a cold snort!

Lu Buwei was knocked out and then fell to the ground. He took several steps back before regaining his balance!

"How could you be so powerful?"

Lu Buwei's face was full of disbelief!

When Han Fusheng saw Chen Ping knocking back Lu Buwei with one sword, he was instantly excited!

It seems that he did the right thing when he asked Han Qing'er to follow Chen Ping. Chen Ping will definitely have a bright future in the future!

"You are too weak..."

After Chen Ping finished speaking, he raised the Dragon-Slaying Sword in his hand high!

The golden sword light rises into the sky, reaching towards the sky!

Chen Ping waved his arms and slashed with his sword!

The huge sword light was like a tsunami, overwhelmingly heading towards Lu Buwei!

When Lu Buwei saw this, veins bulged on his face. Feeling the increasing pressure, he roared: "I'm not weak, I'm the strongest..."

Lu Buwei slapped his palm in the air, and a shocking roar suddenly sounded. The black mist in the sky began to shrink instantly, and then the black mist condensed into a huge vicious dog and jumped down from the mid-air!

The vicious dog roared, and a huge sound wave instantly shattered Chen Ping's golden sword light!

Lu Buwei jumped up and stood on the vicious dog, looking down at Chen Ping below!

"Chen Ping, this is a vicious dog from hell. No one can escape from his mouth..."

Lu Buwei said coldly!

Chapter: 3929

"Hmph, this is just caused by the condensation of Yin Qi. It's ridiculous to call it a vicious dog of hell..."

Chen Ping snorted coldly, but he didn't even care!

"Seeking death..." Lu Buwei stepped on the back of the vicious dog and dived towards Chen Ping!

I saw the vicious dog roaring, and the cold air rolled out, freezing the surrounding area instantly!

Thick frost formed around Chen Ping again, binding Chen Ping tightly.

The frost that condensed this time was stronger than Lu Buwei's just now!

Seeing this scene, Han Fusheng and Han Qing'er became worried about Chen Ping. They didn't expect that Lu Buwei had such a method!

Seeing Lu Buwei driving the hell dog towards Chen Ping, but Chen Ping could not move, a crisp cry suddenly came to mind in the sky.

Immediately afterwards, a phoenix bird with its whole body burning with blazing flames appeared, and its huge body covered Chen Ping's head!

The cold breath, fanned by the huge wings of the phoenix bird, disappeared in an instant, and the thick frost on Chen Ping's body also disappeared!

"This is a phoenix, a fire phoenix..."

Han Qing'er shouted excitedly!

Han Fusheng's face was full of shock. He didn't understand why a phoenix bird suddenly appeared? And this phoenix bird seems to be here to help Chen Ping.

Lu Buwei looked at the dancing fire phoenix with shock on his face!

You must know that Chen Ping's fire phoenix is real, and his hell dog is just the condensed yin energy!

"Chen Ping, I really didn't expect that you would have a magical beast like the fire phoenix to help you?"

Lu Buwei couldn't understand, how could Chen Ping, with his level of strength, have a divine beast to help him?

You must know that mythical beasts like the fire phoenix can only be found in the world of heaven and humans or the fairy world!

At this time, after helping Chen Ping resolve the crisis, Huo Feng circled in the air, turned into a human form, and landed next to Chen Ping!

Everyone was shocked to see Huo Feng transform into a charming girl!

After all, whether it is a monster or a mythical beast, if it can transform into a human form, its strength must be quite high!

"Master, this vicious dog dares to bully the master, let me kill him..."

After Huo Feng finished speaking, his palms flashed, and balls of hot flames fell from the sky, hitting the huge hell dog like cannonballs!

The hell dogs didn't even have time to howl, they were defeated in an instant and turned into a black mist again and dissipated!

Chapter: 3930

"Lu Buwei, if you have any other abilities, just use them..."

Chen Ping looked at the confused Lu Buwei and said!

Not to mention how ugly Lu Buwei's face looked at this moment.

"Chen Ping, you forced me to do this..."

After Lu Buwei finished speaking, he suddenly spit out a mouthful of blood and spit it on the ground!

Blood seeped into the ground instantly, and then the ground began to tremble, and a crack began to spread from Lu Buwei's feet!

Along with clouds of black mist emerging from the ground, five huge bodies also crawled out!

These are five dark monsters, and each monster's mouth is constantly exuding a gloomy cold air!

"Chen Ping, this time is not a demon beast condensed by Yin Qi. This is a real hell demon beast. Even if you have the help of Fire Phoenix, you can't escape their clutches..."

Lu Buwei roared menacingly, and the five monster beasts surrounded Chen Ping and Huofeng!

When Han Fusheng saw this, he wanted to step forward to help, but was stopped by Chen Ping!

"Master Han, just watch quietly, it's just a Waning Moon Castle, there's no need for you to take action."

Chen Ping looked confident. Even if he faced five hell monsters, Chen Ping was not afraid at all!

"Chen Ping, you've already slept with my Qing'er, and you're still calling Master Han, please see more of us, I'm just waiting to hold my grandson."

An Lingrong said to Chen Ping.

"Mom, what are you talking about..." Han Qing'er's face turned red instantly.

Huofeng turned to look at Chen Ping, who was a little embarrassed.

“I also want to give birth to a little dragon for my master...” Huo Feng followed Chen Ping in a low voice!

Chen Ping lowered his head at this moment, not knowing what to say!

When Lu Buwei saw that Chen Ping was surrounded by so many demon beasts from hell and was not nervous or worried at all, he was immediately furious!

“Chen Ping, if you are still in the mood to flirt when you are about to die, I will let you go to hell to accompany my son today...”

After saying that, Lu Buwei commanded the five hell monsters to attack Chen Ping and Huofeng!

Huofeng glanced at Lu Buwei with disdain and said, “How dare you disrespect your master with just five monsters?”

After saying that, the fire phoenix screamed, and suddenly the world became dark, and the void suddenly trembled violently!
