

## **The Order 3931**

Chapter: 3931

I saw a dozen huge figures slowly flying out of the darkness!

Flying eagle, leopard, hunting tiger.....

They are all large monsters, and each one has an extremely powerful aura!

These suddenly appeared monsters instantly protected Chen Ping and Huo Feng in the middle!

Roar.....

These monster beasts roared, scaring Lu Buwei's five hellish monster beasts from coming forward!

Lu Buwei was dumbfounded when he saw this scene!

"This...isn't this the monster in the secret realm of monsters? How could it be teleported here by itself?"

Lu Buwei didn't understand, how could the monsters in the secret realm of monsters leave the secret realm of monsters?

You must know that many of these monsters have developed spiritual intelligence and can understand people's speech, but they have no way to pass through the teleportation array!

Now these monsters suddenly appeared in the Thunder Gate Secret Realm, which made Lu Buwei very puzzled.

"These monsters are all my little brothers. Is it better to obey my orders than those five black idiots of yours?"

Chen Ping looked at Lu Buwei with a sneer and said.

“How is that possible? This is a monster from the secret realm of monsters. How can it possibly listen to you?”

Lu Buwei didn't believe that there were so many monsters, how could they listen to Chen Ping!

“If you don't believe it, then I'll give it a try!”

After Chen Ping finished speaking, he said to a dozen large monster beasts: “Go and bite those five black guys to death...”

Following Chen Ping's order, a dozen large monster beasts roared and attacked!

Those five hell monsters were no match for them. They were bitten and ran around, trying to escape through the cracks!

But how could those monsters let them go? It only took a few minutes for the five hell monsters summoned by Lu Buwei to finally be reduced to a pile of bones!

Lu Buwei looked at the bones at this time, and his expression became very complicated.

Finally, Lu Buwei sighed and spoke slowly: “Chen Ping, your strength is indeed beyond my imagination, but it is impossible for you to save Zixiao Mansion. In the future, the entire secular world, and the eight secret realms, except for people from the Demonic Heart Sect, no other sects will appear.”

“I have thousands of disciples now. Even if I destroy the entire Thunder Gate Secret Realm, you will never leave here.”

“Disciples of Waning Moon Castle, obey orders.....”

Chapter: 3932

Lu Buwei suddenly shouted loudly!

I saw thousands of disciples from Waning Moon Castle surrounded by darkness, and then responded loudly: "In..."

Thousands of people shouted in unison, and the power of intimidation made everyone in Zixiao Mansion so scared that their legs trembled!

Even Han Fusheng looked pale. There were so many people. No matter how powerful Chen Ping was, with the help of Fire Phoenix and these monsters, he would have to deal with thousands of people, and he would probably die of exhaustion in the end.

With a sneer on his face, Chen Ping glanced at the thousands of disciples of Waning Moon Castle, his eyes full of disdain!

Chen Ping glanced at Huofeng, and Huofeng nodded slightly. The two of them had the same mind!

Then Huofeng made a deep sound from his mouth!

A dozen monster beasts around them roared into the sky, and with the roar of these monster beasts, the entire Thunder Gate Secret Realm began to tremble violently!

Then everyone saw the billowing smoke city from a distance, swarming in like a sandstorm!

The extremely terrifying aura turned into gusts of wind, making people unable to stand!

"What is this? This smell is so terrifying..."

Han Fusheng protected Han Qing'er tightly.

And Lu Buwei also had a solemn face, looking at the billowing smoke and dust from far to near!

Soon, the smoke in the city dispersed, and everyone saw that countless monsters were densely packed and boundless...

Lu Buwei was immediately shocked when he saw this scene. He had never seen so many monsters before!

Is this inviting all the monsters in the secret realm of monsters?

The thousands of disciples of Waning Moon Castle, now looking at the endless monsters in front of them, their legs are trembling, and they no longer have the domineering power they had just now!

Some of the timid disciples of Waning Moon Castle have already peed their pants!

“Lu Buwei, although I don’t have as many people as you, I, the monster beast brothers, can still accompany you well...”

Chen Ping looked at Lu Buwei like that and said proudly!

At this time, Lu Buwei’s face looked as ugly as if he had eaten shit!

His body retreated involuntarily. Facing so many monsters, he knew that he had no chance of winning. Even if there were thousands of disciples, it would be useless!

Seeing Lu Buwei trying to escape, Chen Ping glanced at Huofeng!

Huofeng nodded, waved his hand and said: “Attack.....”

Chapter: 3933

Countless monsters roared and charged towards the disciples of Waning Moon Castle!

For a time, the entire Thunder Gate Secret Realm was like purgatory, with constant wailing!

The disciples of Waning Moon Castle fled in all directions, and behind them were countless monsters chasing them!

When Lu Buwei saw this, his face turned pale with fright, and he turned around and ran away!

“You can’t run away...”

Chen Ping jumped up, and then stepped hard on Lu Buwei’s back, causing Lu Buwei to fall down!

boom.....

Lu Buwei fell with a crash, creating a deep crater on the ground, and a cloud of smoke rose into the sky!

Han Fusheng and others looked at the scene in front of them, dumbfounded and didn’t know what to do!

Thousands of people were chased and bitten by monsters. There were screams and broken limbs everywhere. The bloody scene made Han Qing’er close her eyes involuntarily!

Han Fusheng was originally not convinced that Chen Ping had the ability to block the Waning Moon Castle, but now he not only blocked it, but also almost destroyed the Waning Moon Castle!

Lu Buwei was also easily manipulated by Chen Ping!

The strength Chen Ping showed completely overturned Han Fusheng’s imagination. He didn’t know what Chen Ping had gone through in the past few months, and his strength had improved so quickly!

Lu Buwei stood up from the pit covered in blood, with a look of embarrassment all over his body!

“Chen Ping, I am the purple-robed messenger of the Demonic Heart Sect. If you dare to kill me, I will make your girlfriend in the secret realm die without a burial place...”

Lu Buwei started asking Su Yuqi to threaten Chen Ping!

After all, Su Yuqi is trapped in the secret realm of Taoist Sect, and people from Demonic Heart Sect can attack them at any time!

“Lu Buwei, have you forgotten what you just said? Before the spiritual energy recovery formation is activated, they will not be in danger, and it is impossible for that powerful person to ruin his life’s hard work for you!”

Chen Ping knew that people with special physiques like Su Yuqi were the key to the spiritual energy recovery formation, and the Demon Heart Sect would not kill them easily.

Seeing that he couldn’t deceive Chen Ping, Lu Buwei’s face turned ugly!

Now that he is seriously injured, he is no longer a match for Chen Ping!

“It seems I can only ask for help...”

After Lu Buwei finished speaking, he took out an extremely dark token from his arms. The token was so dark that it was impossible to see what was written on it!

I saw Lu Buwei force out a drop of blood essence from his forehead, and then it was absorbed by the token!

Chapter: 3934

The token emitted bursts of hot flames, and then from the flames, a figure slowly appeared...

This figure was wearing a black robe. He seemed to be in a void, and his appearance could not be seen clearly!

But when this figure appeared, an extremely terrifying and terrifying aura instantly filled the entire Thunder Gate secret realm!

The monster beasts that were originally fighting stopped at this moment, looking at this figure with horror in their eyes!

“Master, the aura on this person is too powerful...”

After Huofeng saw the figure appearing, he said to Chen Ping with a solemn expression!

Chen Ping also felt this breath. At this moment, the power of Dao patterns in Chen Ping’s body began to surge!

Chen Ping frowned slightly, not understanding why his Dao Mark power reacted so violently after this figure appeared.

“My subordinates pay homage to the great power...”

Lu Buwei saw the figure appearing and quickly knelt down to worship!

As soon as Chen Ping heard this, the muscles on his face began to twitch and he clenched his fists tightly!

This is his first time to have such close contact with the supreme being of the Demonic Heart Sect!

Han Fusheng also looked ugly at this moment. He did not expect that the power of the Demonic Heart Sect was so terrifying. He was afraid that even the eight secret realms would not be able to find anyone who could fight against him!

“Trash, this thing can’t be done well. The other secret realms have been completed, but you invited me here because of your mother-in-law’s needs...”

Da Neng scolded Lu Buwei in a low voice!

Lu Buwei knelt on the ground, trembling all over!

“Leave this to me, you can go...”

Da Neng waved his hand and asked Lu Buwei to leave.

Lu Buwei quickly stood up, turned around and left!

“Want to leave? Have you asked me?”

When Chen Ping saw Lu Buwei was about to leave, he jumped up to catch up!

Seeing this, Da Neng waved his palm gently, and a huge force instantly knocked Chen Ping out!

“Boy, if the spiritual energy recovery array hadn’t needed you, do you think you could have survived until now?”

Da Neng looked at Chen Ping and said with disdain!

Chapter: 3935

Chen Ping stared at the powerful man in front of him, clenching his right fist tightly, and then the power of the dragon in his body exploded to the extreme!

“Holy Light Fist.....”

Chen Ping shouted loudly, bright golden light exploded, and a huge golden dragon appeared instantly.

The dragon roared, and streams of dragon breath spurted out, heading straight for the powerful one!

“You still want to resist?”

Da Neng was not afraid at all when facing the golden dragon in front of him!

I saw Da Neng gently wave his hand again, the aura on his body rolled out, and he saw the golden dragon colliding together!

boom.....

There was just an explosion, and the golden dragon instantly turned into nothingness. Chen Ping’s body was blown high by the huge anti-seismic force!

Even if Chen Ping punched with all his strength, he was unable to fight back in front of this powerful man!

But when Chen Ping’s body was blown high into the air, a magic bow suddenly appeared in his hand!

The power of the Dao pattern condensed in Chen Ping’s palm, and Chen Ping suddenly pulled the God King’s bow!

Countless spiritual energy surged between heaven and earth instantly, forming a golden arrow feather between the God King’s bow.

When Han Fusheng and the others saw the God King's Bow suddenly appearing in Chen Ping's hand, they were all stunned, with incredible expressions on their faces!

Because the aura emanating from that God King Bow was enough to crush them all!

The moment Chen Ping took out the God King's Bow, even his powerful expression was slightly startled!

Whoosh.....

Before anyone could react, Chen Ping shot out an arrow!

The golden arrow feathers, dragging raging flames, flew out like a meteor, reaching the extreme speed!

It's just that Chen Ping's arrow was not aimed at Da Neng, but towards Lu Buwei, who had already run more than ten miles!

Lu Buwei was still thankful that he had escaped with his life!

However, he knew that he had used his last protection card, and his status in the Demon Heart Sect in the future would probably be inferior to that of the other purple-robed messengers!

Lu Buwei also didn't expect that purple-robed messengers like them would be found in every secret realm. Until now, Lu Buwei still doesn't know the true identities of other purple-robed messengers!

But at this moment, Lu Buwei suddenly felt a dangerous aura approaching. The suffocating pressure made Lu Buwei turn around suddenly!

Chapter: 3936

The moment Lu Buwei turned around, he saw a dazzling golden light coming towards him!

Before he could make any reaction, the golden light instantly penetrated Lu Buwei's body!

Lu Buwei's eyes widened and he looked at his body in disbelief!

There was no physical harm at all, not even pain!

Lu Buwei was stunned. Just before he understood what was going on, his body suddenly began to bulge!

boom.....

With an explosion that resounded throughout the sky, Lu Buwei's body was instantly blown into powder. Not even his soul could be left behind, and he would never have the chance to rebuild his body again!

Chen Ping looked at the smoke caused by the explosion in the distance, a smile appeared on the corner of his mouth, and his body slowly fell down!

When Chen Ping attacked the powerful man just now, he didn't expect to defeat him. What he wanted to do was to make the opponent relax their vigilance, and then attack Lu Buwei unexpectedly!

And when the powerful man heard the explosion in the distance, he instantly understood what was going on, but at this moment, the powerful man didn't feel the slightest anger!

"God King's Bow, I didn't expect you to get the God King's Bow..."

"It seems that those old guys are treating you well, and they have passed on the power of Dao Mark to you!"

Da Neng's tone was a bit surprised!

“Stop talking nonsense and let’s do it...”

Chen Ping pulled the God King’s bow, and another arrow feather appeared!

“Hahaha, I said I won’t kill you, so why bother...”

Da Neng laughed loudly: “When the spiritual energy recovery array is activated, I will let you know that you are just a clown now.”

After saying that, Da Neng’s body slowly disappeared...

After Da Neng’s body disappeared, Chen Ping sat down on the ground. The punch he had just received caused Chen Ping to recover his internal injuries!

“Owner.....”

“Chen Ping...”

Huofeng, Han Qinger, and Han Fusheng ran over in a hurry!

“Don’t be nervous, I’m fine...”

Chen Ping smiled slightly and waved his hands to everyone, telling them not to worry!

Chapter: 3937

“This powerful man is so powerful. In front of him, I feel like I don’t even have the ability to move!”

Han Fusheng said with lingering fear.

“This is just a clone of him. The powerful body is probably even more powerful...”

Chen Ping said slowly!

Hearing this, everyone was silent. This great power was so powerful, how could Chen Ping be his opponent!

After Chen Ping saw this powerful strength today, he also knew that even if he had the God King's Bow and the power of Dao Mark, he would probably not be that powerful opponent!

In his opinion, the strength of this great power is no worse than those of those demons, and it seems that the great power also knows those demons, otherwise he would not have said what he just said!

“Who is this powerful person from the Demonic Heart Sect?”

Chen Ping fell into deep thought!

At this time, Long Ruotong and Ji Ruxue also came. Because they heard the noise here and were afraid that Chen Ping was in danger, they all ran here!

“Chen Ping, are you okay?”

Long Ruotong saw that Chen Ping's face was not very good, so he quickly asked with concern.

“Mom, I'm fine...”

When Chen Ping saw Long Ruotong coming, he quickly said with a smile!

Seeing that Chen Ping was fine, everyone felt relieved!

Originally, Han Fusheng wanted Chen Ping to rest in Zixiao Mansion for a few days before leaving, but Chen Ping was in a hurry to return to Kyoto and did not stop at the Thunder Gate Secret Realm!

Chen Ping asked Huofeng to take those monster beasts back to the secret realm of monsters. He knew that Huofeng would be used in the future. After all, Chen Ping had only solved one of the eight secret realms!

“Qing’er, you are now Chen Ping’s woman. Remember to serve him well and don’t act petty...”

An Lingrong warned Han Qing’er.

“Mom, I understand!” Han Qing’er nodded!

After bidding farewell to Han Fusheng and his wife, Chen Ping and the others teleported back to Kyoto!

When Long Ruotong returned to the Long family, he saw that the Long family had already changed its appearance, and the entire Longmen had become the largest sect in Kyoto!

Seeing Chen Ping’s current achievements, Long Ruotong was extremely happy!

Ji Ruxue knew that Chen Ping had just met with her mother and must have a lot to say, so she left with a group of girls, leaving some space for Chen Ping and Long Ruotong!

Chapter: 3938

The mother and son talked almost all night long, as if they had endless things to say!

“Mom, who is my father? I’m very curious now. Many of them call me the son of the dragon. What’s going on? And Butler Long said that my father abandoned you and left us alone. Is that true? real?”

Chen Ping asked Long Ruotong.

He wanted to know who his father was.

Why did he abandon their mother and son at that time, causing his mother to be imprisoned in the Long family for more than 20 years!

After hearing this, Long Ruotong fell into deep thought and didn't speak for a long time!

Seeing this, Chen Ping hurriedly said: "Mom, if you don't want to say it, don't say it. Now that our mother and son are reunited, I am very contented."

Chen Ping knew that he might have mentioned his mother's sadness. If it hadn't been for this incident, his grandfather might not have died.

"There is nothing that cannot be said..."

Long Ruotong looked out the window and spoke slowly: "Your father is a great hero, a peerless hero. Don't hate him. There must be a reason why he abandoned us two. The Tianlong Ring in your hand, and the techniques you practice are all your father's."

"His identity is definitely not simple, but I have never asked him who he is. No matter what he does, he will always be your father."

Chen Ping fell silent after listening to his mother's words. He didn't know whether he should hate this father he had never met before!

He didn't understand why his father would abandon their mother and son, and he didn't understand even more what kind of person his father was!

Chen Ping now really wants to tell his mother about the Tianlong Palace, but he is afraid that she will worry!

"Mom, it's getting late, you should go to bed early."

Chen Ping stood up and planned to leave.

“Chen Ping, don’t forget to give mom a grandson. Since you have so many girlfriends now, you can’t let mom not see the grandson, right?”

Long Ruotong reminded Chen Ping again.

“I know...” Chen Ping nodded!

Now that Chen Ping has rescued his mother, there is no need to hold on deliberately!

He had already become a couple with Han Qing’er and Huo Feng, but when thinking of Su Yuqi, Chen Ping always felt a little sorry for her!

After all, Su Yuqi is Chen Ping’s real girlfriend, but Chen Ping failed to give Su Yuqi his first time!

Thinking of Su Yuqi, Chen Ping planned to go to the Taoist secret realm to see Su Yuqi and Wu Meier.

At dawn the next day, Chen Ping planned to go to the Taoist secret realm!

Chapter: 3939

But he was stopped by Ji Ruxue!

She had already guessed that Chen Ping would definitely visit Su Yuqi after returning to Kyoto.

“Chen Ping, you can’t go. Things are different now. This time we have seen the power of the great power. What if you go to the secret realm to see Yu Qi and are detained in the secret realm?”

“With your current strength, can you escape from that powerful hand? I think what you have to do now is to improve your strength and find a way to deal with the forces outside the Demon Heart Sect first!”

Ji Ruxue analyzed it to Chen Ping!

Ji Ruxue was indeed a leader. She analyzed the current situation clearly and logically. Coupled with Ji Ruxue’s angelic appearance, Chen Ping looked at Ji Ruxue with eyes full of love!

“Okay, I listen to you, then I will start with the eight secret realms and eradicate all the purple-robed messengers of the Demonic Heart Sect.”

Chen Ping nodded and said.

“I think you should go see Mr. Shi. Maybe Mr. Shi can help you!”

Ji Ruxue said.

“Okay!” Chen Ping nodded again!

Chen Ping followed Ji Ruxue’s suggestion and did not go to the Taoist secret realm. After all, he couldn’t rescue Su Yuqi and the others now!

It seems that to rescue Su Yuqi and the others, Chen Ping must destroy the spiritual energy recovery formation!

Chen Ping’s current strength cannot directly resist the power of Demon Heart Sect!

When Chen Ping arrived at the Dharma Protector Pavilion, Xing Jun was already waiting at the door!

“Chen Ping, Mr. Shi’s guess is indeed correct. You will definitely come to see him after you return to Kyoto.”

Xing Jun said with a smile.

“Mr. Shi knows that I’m back?” Chen Ping said in surprise!

“Of course. If you can hide anything that happened in Kyoto from Mr. Shi, come in with me.”

Xing Jun brought Chen Ping into Mr. Shi’s office!

When Chen Ping entered the office, he found that something was not right about Mr. Shi’s face, and the aura on Mr. Shi’s body seemed to be missing something!

“Mr. Shi, are you sick?”

Chen Ping asked looking at Mr. Shi.

Mr. Shi shook his head, and then waved his hand to let Xing Jun go out.

Chapter: 3940

“Sit down...” Mr. Shi asked Chen Ping to sit opposite him!

“You gained a lot this time, right?” Mr. Shi asked Chen Ping.

Chen Ping nodded: “The harvest is not small, the strength has improved a lot, and I also got some magic weapons.”

Mr. Shi smiled and said: “These magical weapons, in your hands, only exert one-tenth of their capabilities. You still need to work hard...”

Chen Ping was stunned and said in confusion: “Mr. Shi, do you know what I got?”

“Of course I know that the dragon-patterned bell and the god-king bow are not the kind of magical weapons you imagined. Getting these things will be both good and bad for you. As the saying goes, a man is innocent and harbors a jade. In the future, you will have to fight for it. These things are under pressure from all sides!”

Mr. Shi said slowly!

Chen Ping was puzzled. He had never told Mr. Shi that he had obtained any magic weapon. How did Mr. Shi know about it?

Looking at Chen Ping’s confused look, Mr. Shi smiled faintly and continued: “You are like a transparent person in front of me, so you can’t hide anything from me.”

When Chen Ping heard what Mr. Shi said, he suddenly broke out in cold sweat!

He is like a transparent person in front of Mr. Shi, which proves that Mr. Shi knows everything about him. Doesn’t it mean that Mr. Shi also knows about his following Huo Feng and Han Qing’er?

“Mr. Shi, who are you? Why do you know me so well? Do you also know some of my other personal affairs?”

Chen Ping asked tentatively.

“I don’t want to know about you sleeping with women...”

Mr. Shi knew exactly what Chen Ping wanted to ask!

At this time, Chen Ping’s face was full of embarrassment and he didn’t know what to say!

“In the future, unless it is absolutely necessary, don’t reveal those magical weapons you obtained easily. Your current strength is not able to fully utilize their capabilities, but it will attract the attention of others!”

“Have you ever fought with the powerful master of Demon Heart Sect?”

Mr. Shi asked Chen Ping.

Chen Ping nodded: “We fought, and the other party was just a distraction. I am not his opponent at all.”

“He doesn’t want to kill you. If he wants to kill you, it will only take a breath.”

“You are still useful to him, but he always underestimates you, which is exactly what I want.”

Mr. Shi said slowly!

When Chen Ping heard this, he frowned slightly and felt a little unconvinced: “If I use the God King’s Bow and the Dragon Pattern Bell, won’t I be able to compete with that great power?”
