

The Order 3941

Chapter: 3941

“Competed?” Mr. Shi smiled: “I said, you can’t use the strength of the Dragon Pattern Bell and the Divine King’s Bow, how can you compete?”

“Mr. Shi, if you compete with that powerful person, who is stronger?”

In Chen Ping’s eyes, Mr. Shi’s strength is also unfathomable!

“He and I can only be said to be evenly matched, but I’m afraid I won’t survive more than a month.”

Mr. Shi said!

Mr. Shi’s tone was very calm. Mr. Shi didn’t seem to be afraid of death at all!

“Why? Is Mr. Shi suffering from some strange disease?”

“I’ll show it to Mr. Shi, I believe I can find a cure!”

Chen Ping’s face was full of nervousness!

You must know that Mr. Shi has always been by his side along the way. Without Mr. Shi, Chen Ping doesn’t know if he would be where he is today.

Moreover, Ji Ruxue and the others also obtained the true biography of Mr. Shi. It is obvious that Mr. Shi did this for himself!

Now that Mr. Shi is about to die, how can Chen Ping not be nervous and anxious?

Mr. Shi waved his hand and said: "It's useless, this is fate, you can't change it..."

"Are you so strong that you can't change your destiny?" Chen Ping asked.

Mr. Shi looked at Chen Ping and suddenly smiled: "Your knowledge still needs to grow. When you reach other dimensions, you will understand what I said today..."

Chen Ping fell into deep thought. He found that every time he saw Mr. Shi, he was deeply shocked!

Now he is already a strong man in the Separation and Reunion Realm. He still has the Dragon Pattern Bell and the Divine King Bow in his hand. With the addition of the Dragon Slaying Sword, Chen Ping always feels that his strength is already very strong.

But now Mr. Shi said that his strength was not enough. With the magic weapon in his hand, he could not really show his strength!

After leaving Mr. Shi's office, Chen Ping fell into a state of self-denial!

Moreover, Mr. Chen will die in a month. This news will also be a big blow to Chen Ping!

At this time, Chen Ping actually had a slight dependence on Mr. Shi. When he encountered difficulties or things he didn't understand, he liked to ask Mr. Shi!

Mr. Shi was both a teacher and a friend to Chen Ping.

What Chen Ping didn't know was that Mr. Shi was looking at him from a high place at this moment. Seeing Chen Ping's expression, Mr. Shi had a faint smile on his face!

"If I don't attack you, your tail will reach the sky."

Chapter: 3942

Mr. Shi raised the corners of his mouth slightly.

After finishing speaking, Mr. Shi took out a bronze mirror from his arms, which was engraved with densely packed symbols!

On the bronze mirror, several symbols were flashing. Looking at the flashing symbols, Mr. Shi's smiling face slowly became serious.

"The real test has just begun. The enemies in the future will be thousands of times more terrifying. I hope you can withstand it..."

Mr. Shi's eyes were focused on Chen Ping again!

Chen Ping, who was walking away, always felt like someone was staring at him. He suddenly looked back, but found nothing!

"It seems that if I want to increase my strength quickly, I have to start with the eight secret realms..."

Chen Ping threw away the random thoughts in his mind and decided to start from the eight secret realms. This way he could not only weaken the strength of the Demonic Heart Sect, but also absorb the strength of those in the eight secret realms to improve himself...

Chen Ping went directly to the Ge family and found Ge Cangsheng. He decided to take Ge Cangsheng with him and start with the Fire Gate Secret Realm!

"Mr. Chen, the entire Fire Sect Secret Realm now belongs to Zhanyue Pavilion. With just us, are we sure we can get rid of Jin Lifu?"

Ge Cangsheng asked worriedly!

After all, if these people go to the Fire Gate Secret Realm to seek revenge from Jin Lifu, they may not be Jin Lifu's opponent. After all, the entire Fire Gate Secret Realm is now the territory of Zhanyue Pavilion!

“Comparing Zhanyue Pavilion and Waning Moon Castle, which one is more powerful?”

Chen Ping asked Ge Cangsheng.

“I haven’t really compared this, but Zhanyue Pavilion shouldn’t be able to compare to Waning Moon Castle, right?”

Ge Cangsheng said!

“That’s right. I have destroyed Waning Moon Castle, and Lu Buwei and his son have died in my hands. Will I still be afraid of Zhan Yue Pavilion?”

Chen Ping said with a faint smile!

Ge Cangsheng’s face was full of surprise and he said in disbelief: “Mr. Chen destroyed the Waning Moon Castle? What on earth is going on?”

Chen Ping told the story that Lu Buwei was also the purple-robed messenger of the Demonic Heart Sect, which shocked Ge Cangsheng!

“I didn’t expect that the Demonic Heart Sect had penetrated into the eight secret realms long ago. I don’t know if there are people from the Demonic Heart Sect in other secret realms!”

Ge Cangsheng said in shock.

“There must be, but I will clear them all out one secret realm after another...”

Chen Ping’s eyes flashed with murderous intent!

Chapter: 3943

“Mr. Chen, I’m going to find Jiang Wuya right now, and we’ll go get revenge on Jin Lifu together...”

After Ge Cangsheng finished speaking, he found Jiang Wuya from Tianluo Tower, and then told Chen Ping’s plan!

Jiang Wuya, on the other hand, led the people from Tianluo Tower, joined the Ge family, and followed Chen Ping to the Fire Gate Secret Realm!

Chen Ping directly took out the Nine Thousand Miles of Mountains and Rivers Map, and directly used the Ninety Thousand Miles of Mountains and Rivers Map to teleport everyone to the Fire Gate Secret Realm without going through the teleportation array!

In this way, Jin Lifu could be caught off guard. After all, he couldn’t think of any other way that Chen Ping and the others could teleport here besides the teleportation array.

“Mr. Chen, this... what kind of treasure is this, can it be teleported to the eight secret realms at will?”

Seeing the power of the Nine Thousand Miles of Mountains and Rivers Map, Jiang Wuya asked with a face full of shock!

“This should be a teleportation magic weapon, the Nine Thousand Miles of Mountains and Rivers Map. I’m not very clear about the details. I just figured out the purpose of this map.”

Chen Ping said slightly embarrassed!

He had obtained the Nine Thousand Miles of Mountains and Rivers Map a long time ago, but he never knew how to use it or what its use was!

“Mr. Chen, what should we do next? Even if we sneak attack on Zhanyue Pavilion, I’m afraid these few people won’t be of much use.”

“Moreover, Zhanyue Pavilion is composed of multiple fortresses, and there are very powerful formations outside, so it is not easy to attack by surprise.”

Ge Cangsheng asked Chen Ping!

Although they arrived at the Fire Sect Secret Realm quietly, it was impossible to attack Zhanyue Pavilion by surprise. After all, their number was too small, and Zhanyue Pavilion’s defense was also famously strong!

“Who said we were going to launch a sneak attack? I want to defeat that Jin Lifu in a big way and destroy his Zhanyue Pavilion...”

Chen Ping smiled lightly, and then headed straight towards Zhanyue Pavilion!

After Ge Cangsheng and Jiang Wuya looked at each other, they could only lead the people to follow them!

At this time, in Zhanyue Pavilion, Jin Lifu was drinking with his son Jin Yuan. The two fathers were so happy at this time!

Now in the entire Fire Sect Secret Realm, they are the only family of Zhanyue Pavilion, and all the resources belong to them!

And after his spiritual energy recovers, he, Jin Lifu, will be able to be crowned king and prime minister, and their Zhanyue Pavilion will become one of the top sects in the entire secular world!

It is not impossible to even go to the world of gods and humans to expand the territory...

“Dad, is this great master of the Demonic Heart Sect you are talking about really that powerful? Can he actually make you surrender willingly for decades?”

Jin Yuan asked with some confusion!

How could he say that his father was also the master of a pavilion and had hundreds of disciples under his command, how could he possibly surrender to others!

Chapter: 3944

“You know shit. With my little ability, in front of a powerful person, it’s nothing like shit!”

“And let me tell you, we have a cooperative relationship. As long as the spiritual energy recovery array is launched smoothly, our Zhanyue Pavilion will become famous in an instant. Do you understand?”

Jin Lifu was a little dizzy after drinking, and his face was full of pride!

“I think it’s good enough that our Zhanyue Pavilion can occupy the entire Fire Sect Secret Realm.”

Jin Yuan said!

“You guy, you have no ambition at all, are you still a man?”

“Get out of here...”

Jin Lifu got angry and scolded Jin Yuan out!

Seeing this, Jin Yuan could only get up and walk out. It wasn’t that Jin Yuan didn’t want to cooperate with the Demon Heart Sect, he was just afraid that the spiritual energy recovery would fail, and they wouldn’t even have the Fire Sect Secret Realm anymore!

Jin Yuan walked out of Zhanyue Pavilion and jumped up to a tower over a hundred meters high in front of Zhanyue Pavilion. There were more than a dozen such towers around Zhanyue Pavilion!

These towers are not used for observation, but for setting up formations. You must know that the entire Zhanyue Pavilion occupies a huge secret area. If you want to use formations to protect the entire Zhanyue Pavilion, you must have this Plant towers as connections!

And in the center of the tower, there is a purple crystal stone. It is this kind of crystal stone that is used to deliver energy to this huge formation!

It is also because of this huge formation that Zhanyue Pavilion has become stronger and stronger in the Fire Sect Secret Realm. After all, their station has never been attacked because of the existence of the formation!

Jin Yuan stood on the tower and looked into the distance. The entire Fire Gate Secret Realm belonged to them!

But soon, Jin Yuan saw a group of figures slowly appearing in his sight, and these people were moving very fast!

“Who are these people?” Jin Yuan frowned slightly!

After all, except for the disciples of Zhanyue Pavilion, there are no other sects and aristocratic families in this Fire Sect Secret Realm!

But Jin Yuan didn't look like the people in front of him like the disciples of Zhanyue Pavilion. Zhanyue Pavilion didn't seem to have sent such a group of people today!

As the crowd got closer and closer, a hint of surprise flashed across Jin Yuan's eyes!

“Chen Ping?”

Jin Yuan did not expect that the person walking in the front was actually Chen Ping, and behind Chen Ping were Ge Cangsheng and Jiang Wuya!

“What are they doing here? Are they surrendering?” Jin Yuan frowned slightly, jumped down, and hurried into the room, wanting to tell his father about this!

But when Jin Yuan ran in, he found that Jin Lifu had drunk too much and fell asleep!

Seeing this, Jin Yuan could only lead his people towards the gate of Zhanyue Pavilion!

Chapter: 3945

Because there is formation protection here, and the number of disciples in Zhanyue Pavilion has doubled, Jin Yuan is not afraid to face Ge Cangsheng and Jiang Wuya alone!

At this time, Chen Ping had already led people to the door of Zhanyue Pavilion.

Ge Cangsheng pointed to the surrounding towers and said: "Mr. Chen, these towers are the pillars supporting Zhanyue Pavilion's formation. Such a large formation requires an amazing amount of energy, and the requirements for those who set up the formation are very strict.!"

"So Zhanyue Pavilion dismantled the huge formations into small formations one by one, and then connected them with these high towers. Amethysts were placed on the tops of these high towers to supply the huge formations. consumption!"

Ge Cangsheng introduced the situation of Zhanyue Pavilion to Chen Ping in detail!

Chen Ping just glanced at Zhanyue Pavilion's formation and laughed coldly: "This spliced formation is full of loopholes, so there is nothing to be afraid of..."

As soon as Chen Ping finished speaking, Jin Yuan led someone out!

"What a big tone, you actually say that our formation is full of loopholes and there is nothing to be afraid of? Do you know that no one has ever broken through our formation in Zhanyue Pavilion, including Ge Cangsheng and Jiang Wuya behind you? You Ask them if they can pass our formation?"

Jin Yuan said very proudly!

"No one has broken it before. That's because I didn't come. If I had come, your broken formation would have been broken long ago..."

Chen Ping said calmly!

“Bah, you just brag, now you break one and let me see?”

“I’ll wait for you inside. If you have the ability, break it open. I want to see how powerful you are.”

Jin Yuan spat fiercely at Chen Ping. He didn’t believe that Chen Ping could break the formation!

Even people at the level of Ge Cangsheng and Jiang Wuya can’t break it, but Chen Ping can break it. Isn’t that a joke?

“Even if you break this formation, I won’t even need to take action...”

“My little brother can break it for you.”

Chen Ping said disdainfully!

“Brother?” Jin Yuan was stunned!

Even Ge Cangsheng and Jiang Wuya were stunned, not understanding who the younger brother Chen Ping was talking about!

But just as Chen Ping finished speaking, a cry sounded, followed by a fire phoenix spreading its wings!

Then, after hovering above Chen Ping’s head for a few times, he slowly fell to Chen Ping’s side and turned into a woman!

“Master...” Huo Feng followed Chen Ping and shouted respectfully.

When Jin Yuan saw the appearance of the fire phoenix, he burst into laughter instantly!

Chapter: 3946

“This...is this a mythical beast? It can actually transform into a human form, and it’s so beautiful...”

Jin Yuan looked at Huofeng with narrowed eyes!

Ge Cangsheng and Jiang Wuya also looked at Huofeng in shock. They knew that a monster that could transform into a human form at will must be quite powerful!

And this is not a monster, this is a fire phoenix, a real divine beast!

They didn’t understand, how could Chen Ping get a mythical beast?

And he opened his mouth and followed Chen Ping to call the master, obviously he was listening to Chen Ping!

“Mr. Chen, is this the little brother you call?”

Jiang Wuya asked Chen Ping.

He thought the younger brother Chen Ping was talking about was this fire phoenix!

“This is my woman, my little brother is behind...”

After Chen Ping finished speaking, he glanced at Huofeng!

Huofeng nodded, and then the whole earth began to tremble!

Rumble.....

Endless aura slowly came from a distance, followed by densely packed monster beasts that could not be seen as far as the eye can see, rushing towards them!

Extreme sand and dust, like a sandstorm, covering half of the sky!

“this.....”

Looking at the boundless monsters, Ge Cangsheng and Jiang Wuya were stunned!

When Na Jin Yuan saw this scene, he was stunned, with a bit of horror in his eyes!

When those monster beasts arrived behind Chen Ping, they all stopped. Each monster beast exuded a terrifying aura!

When these auras gather together, even masters like Ge Cangsheng and Jiang Wuya feel a little suffocated!

“These are my little brothers, I will let them break this broken formation...”

Chen Ping said with a faint smile!

Although Jin Yuan was a little scared looking at those monsters, he thought that Zhanyue Pavilion was protected by powerful formations, so he snorted coldly: “Chen Ping, stop dreaming, even masters like Ge Cangsheng can’t break it.” With our formation, you still want these monsters to break through, it’s simply outrageous.”

“Whether it’s weird or not, you’ll know soon...”

Chapter: 3947

Chen Ping smiled faintly, then waved his hand and said: "Brothers, rinse for me....."

Roar.....

Countless monsters roared and began to charge towards Zhanyue Pavilion!

These monsters bypassed Chen Ping and the others, and then rushed towards Zhanyue Pavilion!

At this time, Jin Yuan was a little scared: "Quick, hurry up and strengthen the formation, and wake up my father. Hurry up..."

Jin Yuan sent someone to call Jin Lifu!

"Young master, don't worry too much. Our formation is very strong. Although there are many monsters, they are not strong enough and cannot break through our formation at all."

An elder from Zhanyue Pavilion said to the already panicked Jin Yuan!

"That's right, I can't break through it at all. I'm just a little panicked."

Jin Yuan calmed down his mood!

At this moment, those monster beasts attacked Zhan Yue Pavilion, and rays of light began to appear around Zhan Yue Pavilion. These rays of light directly blocked the attacks of those monster beasts!

Although many monster beasts hit the light hard, they were directly bounced away, and some monster beasts died immediately!

However, these monsters were not afraid and did not care. They all charged towards Zhanyue Pavilion with red eyes, because this was Chen Ping's order!

Chen Ping frowned slightly when he saw that these monster beasts really couldn't break through Zhanyue Pavilion's formation!

Jin Yuan, on the other hand, mocked Chen Ping: "Hahaha, are you so awesome? Are you still trying to break our magic circle? See how many of your so-called little brothers have died?"

Chen Ping looked at Jin Yuan's arrogant look, his eyes filled with raging anger!

"Master, I'm going to break this formation and kill this guy."

Huofeng felt the anger in Chen Ping!

This guy Jin Yuan can't even defeat the large monster beast Raging Tiger, so he is no match for Huo Feng, so it would be easy for Huo Feng to kill him!

"No need, since I said that my little brother can break this formation, he will definitely be able to..."

After Chen Ping finished speaking, he waved his hand and directed dozens of giant eagles to attack those high towers!

Now, as long as a high tower is destroyed, cracks will appear in this formation. Once cracks exist, loopholes will be opened. At that time, the entire formation will collapse!

Jin Yuan panicked when he saw that Chen Ping could only attack the tower with dozens of giant eagles, and even attacked Amethyst!

"Quick, hurry up and get someone to protect the safety of the tower..."

Chapter: 3948

Jin Yuan was afraid that the tower would be defeated, so he immediately shouted and asked people to come forward to guard the tower.

Soon on the high tower, the disciples of Zhanyue Pavilion shot countless arrows, all heading towards the giant eagles!

The giant eagles also exhaled streams of breath to attack the disciples of Zhanyue Pavilion. Unfortunately, because of the protection of the formation, all the breaths exhaled by these giant eagles were blocked by the formation.

Seeing that those monster beasts couldn't shake the magic circle at all, Jin Yuanyou started to scream!

The disciples of Zhanyue Pavilion also kept shooting at those monsters with mocking expressions on their faces!

Huofeng looked at the monsters that had been shot, her brows slightly furrowed, and her face looked a little unsightly. If Chen Ping hadn't spoken, she would have broken the formation right now!

"Chen Ping, look at what these so-called little brothers of yours are all about. Aren't they sent to us Zanyue Pavilion disciples for training?"

Jin Yuan mocked Chen Ping!

With this magic circle around, Jin Yuan is not afraid of Chen Ping at all!

Chen Ping looked at Jin Yuan coldly and ignored him, but the dragon crystal in his body began to erupt with rays of light!

A golden dragon slowly appeared above Chen Ping's head. Accompanied by bursts of dragon roars, the golden dragon soared into the sky!

Looking at the golden dragon that suddenly appeared in front of them, Jin Yuan and the disciples of Zhanyue Pavilion all looked solemn!

At this time, they no longer looked as arrogant as before, and many people even broke out in cold sweat on their foreheads when they saw this golden dragon!

With a thought in Chen Ping's mind, the golden dragon roared and attacked the tower!

And that tidal wave of monsters is still attacking with magical weapons that cover the sky!

Many disciples of Zhanyue Pavilion roared and used various means to attack the monster!

The disciples of Zhanyue Pavilion on the high tower pulled their bows and arrows desperately and shot arrows like raindrops at the golden dragon!

Arrow feathers shot at the golden dragon, and they penetrated directly without causing any harm to the golden dragon!

The golden dragon opened its mouth with blood, and sprayed out a stream of dragon breath towards a high tower!

Rumble.....

There was a violent explosion, and a white light flashed on the tower, blocking the attack of Dragon Breath!

However, the dragon's breath continued to spray out from the golden dragon's mouth and never stopped!

After resisting the white light for a moment, it suddenly made a crisp sound, and then the whole tower began to shake!

boom.....

Chapter: 3949

The white light disappeared and the tower collapsed!

Just as the tower collapsed, a gap finally appeared in Zhanyue Pavilion's formation!

Countless monsters changed their direction and launched a fierce attack towards this gap!

"Quick, stop me..."

Jin Yuan panicked and roared.

The disciples of Zhanyue Pavilion ran desperately towards the gap in the formation. At this time, they were killing the red-eyed monsters one after another, charging desperately, not caring about the attacks of those disciples of Zhanyue Pavilion!

Many Zhanyue Pavilion disciples were knocked away and died miserably under the trampling of these monster beasts!

At the same time, the giant eagles in the sky finally took revenge, spitting out streams of flames from their mouths, burning many disciples of Zhanyue Pavilion alive!

With this small gap, all the monsters began to attack here, which caused the brilliance on the formation of Zhanyue Pavilion to flash continuously, and the entire formation began to shake!

"Where's my dad? Haven't you woken him up yet?"

Jin Yuan panicked and asked loudly.

But at this time, the entire Zhanyue Pavilion was in chaos. How could anyone hear Jin Yuan's question?

With this situation, Jin Yuan could only climb a high tower and look at the scene in front of him with an ugly expression!

Then he commanded the disciples of Zhanyue Pavilion to rush towards the gap in the formation. The gap must be filled now, otherwise they will be doomed by Zhanyue Pavilion!

The gap in the formation began to get bigger and bigger, and all the monsters rushed towards the gap like crazy!

At this time, the gap in the formation was already filled with corpses, including corpses of monsters and Zhanyue Pavilion disciples!

Soon, the disciples of Zhanyue Pavilion became afraid. These monsters were not afraid of death. They were animals. However, the disciples of Zhanyue Pavilion were all humans. This kind of fighting had already given them fear!

“Run quickly, I can’t stand it anymore...”

Following the roar of one Zanyue Pavilion disciple, all the other Zanyue Pavilion disciples turned around and ran away!

As soon as these Zhanyue Pavilion disciples ran away, a large number of monsters rushed into Zhanyue Pavilion’s camp, and the gap in the formation was once again widened!

“Hold back, don’t run away...”

Jin Yuan roared, no one would listen to him at this time!

Seeing this, Jin Yuan could only jump down from the tower and run towards his father’s room!

boom.....

Chapter: 3950

No one stopped, and in the end, the entire formation of Zhanyue Pavilion was destroyed, and more than a dozen tall towers collapsed in an instant!

The houses of Zhanyue Pavilion began to be destroyed by these monsters, and the disciples of Zhanyue Pavilion were chased by the monsters!

Looking at the scene in front of them, Ge Cangsheng and Jiang Wuya didn't know what to say!

At this time, in Jin Lifu's room, Jin Yuan slapped Jin Lifu desperately!

"Dad, wake up quickly, wake up quickly, you will die if you don't wake up..."

Jin Yuan called to Jin Lifu, but Jin Lifu seemed not to hear him!

Seeing this, Jin gritted his teeth for the last time, took off his pants, and peed on Jin Lifu's face!

Jin Lifu woke up instantly and cursed angrily: "Who the hell is peeing on my face?"

Because when Jin Lifu was very young, he was bullied and often had people peeing on his face, so when he grew up, it became a knot in Jin Lifu's heart!

No matter what situation Jin Lifu is in, as long as someone pees on his face, he will react immediately!

Jin Yuan knew his father's problem, so he had no choice but to use this method!

"Dad, it's me, we..."

Jin Yuan was about to explain to Jin Lifu, but was slapped hard on the face by Jin Lifu!

“You fucking dare to pee on my face?” Jin Lifu glared at Jin Yuan: “I think you are going to rebel, right?”

Jin Yuan covered his face and said with a look of grievance: “Dad, our Zhanyue Pavilion is about to be finished. Please go out and take a look...”

When Jin Lifu heard this, he felt bad and hurried out of the room. As soon as he walked out of the room, he saw countless monsters wreaking havoc in Zhanyue Pavilion, and many Zhanyue Pavilion disciples died miserably!

“What...what the hell is going on?”

Jin Lifu was confused. He had just slept, why did he become like this?

“Dad, it’s Chen Ping. It was Chen Ping who summoned these monsters, broke through our formation, and then started massacre.”

Jin Yuan followed Jin Lifu and explained.

“Chen Ping?” Jin Lifu was stunned and frowned slightly!

But at this moment, a bull demon rushed towards Jin Lifu. The bull demon exuded a powerful aura, and its two nostrils were still spitting fire!

When Jin Lifu saw this, he slapped the bull demon to death!

“If you dare to destroy my Zhanyue Pavilion, when I see him in the future, I will definitely kill him.”
