

The Order 3951

Chapter: 3951

Jin Lifu roared!

“No need to wait later, I’m here now...”

Chen Ping followed Ge Cangsheng and Jiang Wuya and walked slowly!

When Jin Lifu saw Chen Ping and the others, anger burst out in his eyes!

“Chen Ping, I don’t know what method you used to attract monsters to your advantage, but no matter what method you used, you will die today...”

Jin Yuan felt confident in front of his father, and shouted with a ferocious face. A long sword instantly appeared in his hand. The long sword was wrapped with sword energy, making a whistling sound, and went straight to Chen Ping!

Chen Ping looked at Jin Yuan, who was attacking him, with disdain in his eyes.

“How dare you challenge me? If it’s your father, maybe you can interest me a bit.”

After Chen Ping finished speaking, the Dragon-Slaying Sword instantly appeared in his hand, and then he stepped forward, followed by a crisp sound!

The dragon-slaying sword directly cut the long sword in Jin Yuan’s hand into two halves. Jin Yuan was stunned by the sight. He did not expect that there was such a disparity in strength between him and Chen Ping.

Immediately afterwards, Chen Ping’s Dragon-Slaying Sword was placed on Jin Yuan’s shoulder!

The cold and cold breath instantly chilled Jin Yuan's neck, and he was frightened to death!

Now Chen Ping only needs to move his arm slightly, and Jin Yuan's head will move!

"Chen...Chen Ping, don't mess around. Don't mess around. If you kill me, my dad won't let you go."

Jin Yuan was trembling all over and threatened Chen Ping!

Seeing that his son had fallen into Chen Ping's hands, Jin Lifu became very nervous and shouted at Chen Ping: "Chen Ping, let my son go, or you will die in an ugly way..." "

"How dare you threaten me when you are about to die?"

Chen Ping sneered, and then swung the dragon-slaying sword in his hand towards Jin Yuan!

At this time, Jin Yuan was frightened and shouted quickly: "Don't kill me, don't kill me, I promise you anything..."

Jin Yuan peed. He was so scared!

Seeing Jin Yuan like that, Chen Ping smiled and did not take action. Instead, he said to Jin Yuan: "Call me grandpa and I will let you go..."

"No shouting..."

When Jin Lifu heard this, he hurriedly shouted to Jin Yuan!

If Jin Yuan followed Chen Ping and called him grandpa, wouldn't he become Chen Ping's son?

Chapter: 3952

Facing Chen Ping's request, Jin Yuan looked embarrassed and didn't know what to do!

"If you don't shout, then go to hell..."

After Chen Ping finished speaking, the dragon-slaying sword in his hand moved closer to Jin Yuan's neck. Jin Yuan could feel his neck getting cold and blood flowing out!

"Grandpa, grandpa, don't kill me, don't kill me..."

Jin Yuan was frightened and yelled "Grandpa" to Chen Ping. This almost made Jin Lifu angry to death!

"Hahaha, good grandson..."

Chen Ping laughed.

Ge Cangsheng and Jiang Wuya looked at Jin Lifu with playful expressions, which made Jin Lifu feel even more embarrassed!

"I...I've already shouted, can you let me go?"

Jin Yuan looked at Chen Ping pleadingly.

"sure....."

Chen Ping smiled slightly, and then slowly raised the Dragon-Slaying Sword in his hand!

But just when Jin Yuan breathed a sigh of relief, the dragon-slaying sword in Chen Ping's hand suddenly slapped Jin Yuan on the shoulder!

Jin Yuan's body hit the ground hard, and then a mouthful of blood spurted out, and the breath in his body was instantly shaken away!

"you....."

Jin Yuan looked at Chen Ping angrily!

"I won't kill you, because keeping you is still useful!"

Chen Ping smiled coldly. He kept Jin Yuan because he wanted to absorb Jin Yuan's strength into his own body!

After Chen Ping knew the strength gap between himself and that powerful man, he began to have an incomparable desire for strength again!

"Dad, kill him for me, kill him..."

Jin Yuanyuan and Chen Ping actually tricked him, and he shouted angrily!

But at this time, Jin Lifu's face was extremely expressionless!

In his opinion, death is not terrible. What is terrible is that it is so embarrassing to be fooled!

"Chen Ping, maybe you already know some things. I won't kill you before the spiritual energy recovery array is activated, but I can make your life worse than death."

Chapter: 3953

After Jin Lifu finished speaking, a burst of brilliance flowed around his body, and he was enveloped in a purple robe!

“You are just a dog from the Demon Heart Sect. I have already killed a dog like you.”

Chen Ping said with a slight smile!

“What? You killed a purple-robed messenger? This is impossible?” Jin Lifu didn’t believe it!

He didn’t believe that with Chen Ping’s strength, he could actually kill the purple-robed messenger!

“Believe it or not, you will know soon that it is impossible!”

Chen Ping smiled coldly!

“Then let me see how capable you are of killing a purple-robed messenger.”

After Jin Lifu finished speaking, a shocking aura began to fill the air from his body!

Feeling the aura permeating Jin Lifu’s body, Chen Ping’s eyes were full of disdain: “I don’t have to use all my strength to kill you...”

There is still a gap between Jin Lifu’s strength and Lu Buwei’s!

“You are a shameless person, today I will let you know how powerful I am...”

Jin Lifu shouted loudly, his body suddenly flew out, and then he grabbed the void. A long whip appeared in his hand, and then he whipped it hard towards Chen Ping!

When Chen Ping saw Jin Lifu attacking him, he didn’t panic at all. He just put his feet on the ground and dodged slightly to one side!

The long whip in Jin Lifu's hand was like a poisonous snake, and it hit the ground hard against Chen Ping's body. In an instant, a deep pit was drawn out of the ground, and smoke and dust billowed out!

Seeing that the move missed, Jin Lifu immediately swung the long whip in his hand again. In an instant, countless whip shadows enveloped Chen Ping.

This time, Chen Ping was surrounded by heavy whip shadows, and there was no room to hide.

When Chen Ping saw this, he activated the power of the dragon. The power of the dragon surged out from his body and turned into a barrier, blocking the countless whip shadows!

The two auras exploded and collided continuously. The whip shadow hit the barrier hard, and the barrier burst instantly, and then hit Chen Ping directly!

Chen Ping did not activate the Indestructible Golden Body, and Jin Lifu only left a mark on Chen Ping's chest with this whip!

Seeing the direct hand, Jin Lifu instantly became proud!

"You are like an ant in front of me, and you still want to compete with me. You really have the heart of a bear and the courage of a leopard."

Jin Lifu looked at Chen Ping mockingly and said!

Chen Ping smiled coldly, not showing the slightest fear because he was hit by Jin Lifu.

Chapter: 3954

"It's not rude to come back without reciprocating. If that's the case, then I'll let you taste my power..."

After Chen Ping finished speaking, he swung the dragon-slaying sword in his hand instantly, and a sword light rose up, and the whole earth was trembling!

Countless sword lights directly enveloped Jin Lifu. The power of these sword lights was obviously much more powerful than Jin Lifu's whip shadow!

"this....."

Jin Lifu was stunned and frowned tightly!

Looking at the countless sword rays around him, Jin Lifu suddenly pulled out the long whip in his hand, and the shadows of the whip followed the sword rays to confront them!

But Jin Lifu's whip shadow dissipated instantly after touching the sword light!

Jin Lifu could only wave the whip in his hand desperately, not daring to stop at all!

On the contrary, Chen Ping looked at Jin Lifu with a sneer, and then threw away the Dragon-Slaying Sword in his hand!

The Dragon-Slaying Sword itself emits sword rays and attacks Jin Lifu!

The sword spirit in the Dragon-Slaying Sword has already developed spiritual wisdom. Although it has not yet taken shape, it already has the ability to attack independently!

Jin Lifu frowned even more when he saw this scene!

Chen Ping took off the Dragon-Slaying Sword, slowly floated into the air, and took out the God King Bow!

The power of Dao patterns in Chen Ping's body exploded, and he slowly drew the bowstring!

The moment the bow string was pulled open, spiritual energy from all directions rushed towards the God King's bow crazily, instantly forming a golden arrow feather!

"What is this?"

Feeling the terrifying aura of the God King's Bow, Jin Lifu's face changed drastically, and he could only wave the long whip in his hand tightly!

Whoosh.....

Chen Ping shouted loudly, loosened the bow string with his index finger, and shot out the golden arrow feathers!

The golden arrow feathers were like a meteor, rushing towards Jin Lifu!

Wherever the golden arrow feathers pass, the wind howls and the void twists!

In just a blink of an eye, the golden arrow feathers were in front of Jin Lifu!

Jin Lifu could only wave the long whip in his hand to the extreme to block the golden arrow feathers!

boom.....

Chapter: 3955

There was a sound of collision. The arrow feathers were very powerful and instantly defeated Jin Lifu's defense.

"What?" Jin Lifu was shocked. He didn't expect Chen Ping's bow and arrow to be so powerful!

The moment the God King Bow appeared, Jin Lifu felt a dangerous aura!

Now an arrow was shot, but Jin Lifu had no ability to stop it. He could only watch the golden arrow approaching!

There was an explosion instantly, and the arrow feathers exuded a terrifying aura!

Like the thunderous breath, Jin Lifu was instantly plunged into a burst of turbulence!

Jin Lifu's body suffered a violent impact, and his whole body flew backwards in an instant!

boom.....

Jin Lifu's body hit the ground hard, instantly creating a deep ravine in the ground!

Chen Ping landed slowly and looked at Jin Lifu quietly!

He was fully capable of killing Jin Lifu with one arrow just now. The reason why Chen Ping didn't kill him was because he wanted to use Jin Lifu as his cultivation resource!

He wants to absorb Jin Lifu's strength to increase his own realm!

Jin Lifu stood up slowly with a pale face and looked at Chen Ping in disbelief!

Even Ge Cangsheng and Jiang Wuya looked at Chen Ping in shock. You must know that their strength is no match for Jin Lifu, otherwise they would not be kicked out of the Fire Gate Secret Realm by Jin Lifu!

But now Chen Ping defeated Jin Lifu easily. This strength was obviously stronger than the two of them!

Especially the God-King Bow in Chen Ping's hand. The moment Chen Ping took out the God-King Bow, an extremely shocking aura made Ge Cangsheng and Jiang Wuya tremble!

Fortunately, they were on the same side as Chen Ping. If they were enemies, they knew that relying on the Divine King Bow in Chen Ping's hand would be enough for them to meet the King of Hell!

"Mr. Chen, what is this magical bow of yours? How can it be so powerful?"

Jiang Wuya asked Chen Ping very curiously.

"This is the God-King Bow. It can be regarded as a kind of divine weapon. Now I can only exert one-tenth of the power of this God-King Bow. If I can fully exert the power of the God-King Bow, I am afraid it can even shoot the sun. Come down..."

Chen Ping said slowly!

At this time, Ge Cangsheng and Jiang Wuya were even more shocked. Chen Ping could only exert one-tenth of the power of the God King's Bow, leaving Jin Lifu unable to fight back. If he could exert all his power, it would be a waste. have to?

After hearing Chen Ping's words, Jin Lifu's expression also changed drastically!

Although he didn't know if what Chen Ping said was true, he had finally learned the power of the God King's Bow!

Chapter: 3956

"Chen Ping, I can release the Fire Sect Secret Realm, as long as you are willing to let our father and son live..."

Jin Lifu knew that if the fight continued, he wouldn't be able to take advantage at all!

Now that Chen Ping is alone, it is too much for him. If Ge Cangsheng and Jiang Wuya come together, he may not be able to withstand even one move!

What's more, now that all his disciples in Zhanyue Pavilion have been slaughtered by those monsters, Jin Lifu will be of no use even if he stays in the Fire Sect Secret Realm!

After the spiritual energy is revived, these secret realms will become history and cease to exist!

That's why Jin Lifu gave up the Fire Gate Secret Realm to Chen Ping. Even if Chen Ping got the Fire Gate Secret Realm, he wouldn't be able to last long!

"I have no interest in this secret realm at all. All I want is your strength!"

"If you father and son are willing to give up the strength in your body, I can let you live!"

Chen Ping said calmly!

When Jin Lifu heard this, he became furious and said: "You are wishful thinking. You and I are both monks. We should understand that if we lose our strength, we might as well die happily!"

Chen Ping was not surprised at all when he saw Jin Lifu's attitude, because he knew that Jin Lifu would not agree!

"I agree, I agree..."

"Chen Ping, as long as you don't kill me, I am willing to dedicate my strength!"

Jin Yuan collapsed on the ground and said loudly to Chen Ping!

Now Jin Yuan has long been like a piece of fish on the chopping board, letting Chen Ping slaughter him. Even if he disagrees, he can't stop Chen Ping at all, and in the end he will risk his life!

After weighing the pros and cons, Jin Yuan decided to agree to Chen Ping, dedicate his strength, and let Chen Ping give him a way out!

“You bastard, you bastard, you have embarrassed me Zhanyue Pavilion so much that the worst possible outcome is death. Why are you so cowardly?”

When Jin Lifu saw that his son actually agreed to Chen Ping and begged Chen Ping like a lackey, he felt that he had lost all face!

“Dad, a man needs to be aware of current affairs. If our lives are lost, what use will our strength be?”

Jin Yuan said to Jin Lifu nonchalantly!

“Shut up, don’t call me again, I’m not your father...”

Jin Lifu’s face turned red with anger and he was about to be pissed to death!

“Are you really willing to dedicate your strength?” Chen Ping looked at Jin Yuan with a sneer and asked.

“Yes, I am willing, as long as you let me go, I will do anything you want.”

Chapter: 3957

Jin Yuan nodded repeatedly!

“Well, crawl over here. Once I absorb your strength, I will naturally let you go...”

Chen Ping said!

Jin Yuan did not hesitate and crawled directly towards Chen Ping!

“Beast, I will kill you...”

Jin Lifu was about to explode. Seeing his son crawling towards Chen Ping like a dog, he decided to clean up the house!

But just when Jin Lifu took action, Ge Cangsheng and Jiang Wuya also moved!

The two people directly stopped Jin Lifu. Now that Jin Lifu was injured, he was no longer a match for Ge Cangsheng and Jiang Wuya!

Jin Yuan quickly climbed up to Chen Ping. Chen Ping stretched out his hand and gently pressed on Jin Yuan's head!

In an instant, a huge suction force began to absorb the strength from Jin Yuan's body!

Jin Yuan's body was trembling, and his face was extremely ferocious. Although he was experiencing tremendous pain, he could only endure it in order to survive!

Soon, the strength in Jin Yuan's body was absorbed by Chen Ping!

At this time, Jin Yuan seemed to be more than ten years older, and his body had long lost the aura of a monk!

"I...can I go?"

Jin Yuan stood up with difficulty and asked Chen Ping!

"Let's go..." Chen Ping waved his hand.

Jin Yuan was overjoyed and hurriedly ran towards the distance!

Jin Lifu looked at his son's back and fell into deep thought. He now didn't understand what the purpose of his endless cultivation and endless expansion of his desires was.

In the end, his son was not of the same mind as him, which was a huge blow to Jin Lifu!

Just after Jin Yuan walked a certain distance, a ferocious wild wolf monster suddenly rushed towards Jin Yuan!

Jin Yuan saw this and was so frightened that he screamed and tried desperately to escape!

But now Jin Yuan is just an ordinary person, there is no way he can outrun the wild wolf.

He was immediately chased by a wild wolf and bit him hard on his arm, biting it off!

Amidst Jin Yuan's painful wails, the wild wolf tore Jin Yuan into pieces one by one, and finally swallowed it into his stomach!

Chapter: 3958

When Jin Lifu saw his son being swallowed by a wild wolf, he went crazy!

"Chen Ping, I'm going to fight you. Even if I die, I won't let you succeed..."

Jin Lifu knew that Chen Ping had no intention of letting Jin Yuan go!

That wild wolf just now must have been sent by Chen Ping!

Jin Lifu roared, his body began to swell, the spiritual power in his body expanded rapidly, and a terrifying aura began to spread in the air!

When Chen Ping saw this, he knew that Jin Lifu was determined to die and wanted to die together, so he quickly pulled the God King's bow!

Between heaven and earth, countless light points gathered between the God King's bow, and a white arrow feather appeared!

As soon as Chen Ping let go, the arrows quickly shot towards Jin Lifu!

The white arrow feathers exploded in the air, forming a white aura net that directly covered Jin Lifu!

The spiritual energy network continued to shrink, and Jin Lifu's originally bulging body was tightly controlled!

No matter how hard he struggled, Jin Lifu couldn't break free!

Chen Ping walked towards Jin Lifu with murderous intent!

Jin Lifu's pupils were shrinking violently, and he looked at Chen Ping in disbelief!

He really didn't expect that he would lose his ability to die in front of Chen Ping!

Chen Ping walked up to Jin Lifu and looked at Jin Lifu who was already restrained and unable to fight back. Chen Ping got a look of pride on his face!

"Chen Ping, you don't have to be proud. I am not the only one who is the purple-robed messenger, and the spiritual energy will be revived soon, and all of you will die by then."

Jin Lifu gritted his teeth and roared at Chen Ping!

"I don't know whether I will die or not, but you will die soon..."

After Chen Ping finished speaking, he slapped Jin Lifu with his palm!

The strength in Jin Lifu's body was quickly absorbed by Chen Ping, and he soon turned into a mummy!

After absorbing the strength of Jin Yuan and Jin Lifu, Chen Ping felt that the aura in his body was constantly rushing!

This is a sign of a breakthrough!

Chen Ping glanced at the corpses of the monsters on the ground, and said to Ge Cangsheng and Jiang Wuya: "Elder Ge Clan, Lord Jiang, please take people to take out all the beast elixirs of the dead monsters. With these beast elixirs, maybe I'll be able to break through!"

"Master, if you need it, I can make these monsters spit out the beast elixir for you..."

Chapter: 3959

Upon seeing this, Huofeng said to Chen Ping!

If Huofeng just says a word, these monsters will sacrifice themselves and spit out the beast pills!

Chen Ping waved his hand: "Don't do this, I have to use them to deal with other secret realms!"

These surviving monsters are of great use to Chen Ping!

After the fight just now, many monsters have died. Chen Ping feels that these dead monsters and beast pills are enough!

Soon, the beast pill was taken out and brought to Chen Ping. The mountain-like beast pill was emitting colorful light!

Chen Ping didn't know how many days it would take for him to achieve this breakthrough, so he said:
"You are here to protect the Dharma. Don't let anyone disturb me..."

"Don't worry, Mr. Chen, we will never let anyone disturb you."

Ge Cangsheng said!

"Master, I will stay by your side and no one can disturb you!"

Huofeng also spoke!

Only then did Chen Ping sit cross-legged with peace of mind, activated the Heart Condensation Technique, and a large amount of spiritual power in the beast elixir quickly entered Chen Ping's body!

Ge Cangsheng and the others were waiting on the side. Seven days had passed. The mountain-like beast elixir in front of Chen Ping was now running out!

But Chen Ping still showed no signs of breakthrough!

"It's terrible. There are so many beast elixirs, but we still haven't been able to break through..."

Jiang Wuya said in shock.

"Let's wait and see. Mr. Chen's breakthrough does require a lot of resources, but the strength he showed after his breakthrough is beyond our reach."

Ge Cangsheng said!

Time passed slowly, and in the blink of an eye it was the tenth day, and all the beast elixirs on the ground had been consumed!

Huofeng looked at this scene and decided to summon some monsters and let them spit out the beast pills to provide Chen Ping with the resources to break through!

Otherwise, Chen Ping has reached a critical moment and cannot give up all his previous efforts!

But just when Huofeng wanted to summon some monsters, Chen Ping's body suddenly burst out with a terrifying aura!

This aura shot straight into the sky, and soon from the top of the cloud, a beam of light fell from the sky, directly covering Chen Ping!

The golden light flashes in the light pillar, and neither the range nor the aura contained in it is comparable to that of Thunder Tribulation!

Chapter: 3960

When Ge Cangsheng and Jiang Wuya saw this, their eyes widened with disbelief on their faces!

"This...what is this? Doesn't breaking through the great realm require thunder tribulation?"

Jiang Wuya asked in disbelief.

"Perhaps this is the difference between Mr. Chen and us. I think the power contained in this beam of light is more powerful than the thunder tribulation, but I don't know if Mr. Chen can withstand it!"

Ge Cangsheng said slightly worriedly!

Huo Feng was a little shocked when he saw this scene. Feeling the terrifying power in the light pillar, Huo Feng was afraid that Chen Ping couldn't handle it, so he wanted to help Chen Ping!

But just when Huo Feng took action, preparing to help Chen Ping offset part of the power, Huo Feng's body was instantly rebounded by the power in the light beam, sending her flying hundreds of meters away!

The beam of light shone on Chen Ping. Chen Ping's body was undergoing rapid transformation. The severe pain caused Chen Ping's forehead to be covered with cold sweat!

Chen Ping gritted his teeth and remained motionless, because Chen Ping knew that this was the most critical moment. As long as he persisted, he would have a complete breakthrough!

By then, not only will his strength increase, but his physical strength will also increase a lot!

A white cloud slowly appeared in the sky, and under the light, it turned into a colorful cloud!

Chen Ping sits under the auspicious clouds, like an immortal!

I don't know how long it took, but the pain in Chen Ping's body disappeared, and then his whole body felt like he was bathing in a hot spring.

"Look, the light beam has changed..."

Jiang Wuya shouted!

At this moment, the power within the light pillar became gentler, no longer as terrifying and raging as before!

At this time, Chen Ping felt a huge buoyant force, slowly lifting himself up. Chen Ping's body began to hang in the air, flying all the way towards the colorful clouds!

Gradually, Chen Ping was bathed in golden light, his body getting taller and taller, like a god!

Chen Ping's body quickly passed through the auspicious clouds and stepped on the auspicious clouds. Chen Ping felt that there was endless power in his body!

Chen Ping waved his hand gently, and the Dragon-Slaying Sword instantly appeared in his hand!

Only this time, after Chen Ping injected the power of the dragon into the Dragon-Slaying Sword, the Dragon-Slaying Sword actually shook violently!

Chen Ping's thoughts followed the communication between Dragon Sword and Sword Spirit, and some obstacles began to appear!

"What...what's going on?"

Chen Ping frowned slightly!
