

## **The Order 401**

Chapter: 401

Ling Zhenchuan nodded and was about to open the door when Li Weijian rushed over quickly and opened the door for Ling Zhenchuan with a flattering look on his face!

When the door opened, Li Weijian was stunned when he saw that it was Li Lei and Chen Baoqiang's family sitting inside!

When Chen Baoqiang and the others saw Li Weijian and Ling Zhenchuan coming, they were stunned!

“What are you doing here?”

Li Weijian asked in shock.

“Dad, we are eating in this room, what are you doing?”

Li Lei asked with a puzzled face.

“Mayor Ling came here to toast Mr. Chen!”

Li Weijian said truthfully.

When Chen Baoqiang heard this, he felt as if he was in a dream. He stood up tremblingly with excitement on his face: “Ling...Mayor Ling, how can I bother you to come over and toast me? I really can't bear it.” rise!”

Chen Baoqiang walked towards Ling Zhenchuan holding the wine glass. He thought it was Li Weijian who spoke for him. Ling Zhenchuan felt embarrassed, so he came over to toast him!

“Go away, Mayor Ling is not honoring you, Mayor Ling is honoring Mr. Chen!”

Li Weijian knew that Ling Zhenchuan definitely did not come to pay homage to Chen Baoqiang, so he pushed Chen Baoqiang away.

Chen Baoqiang was confused. His surname was Chen, and his son Chen Zhi was the only one here. It was impossible for the mayor to come to pay homage to Chen Zhi.

As for Chen Ping, who had been sitting still, Chen Baoqiang didn't even think about it. For a reform-through-labor prisoner who had just been released from prison, the mayor would not come to toast him.

"Director Li, apart from me, there is also... no Mr. Chen here?"

Chen Baoqiang said cautiously.

Li Weijian glanced at it and saw that they were indeed Chen Baoqiang's family. As for Chen Ping, Li Weijian didn't think about it. There was no way that a young man in his early twenties with simple clothes could be the Mr. Chen that Ling Zhenchuan said!

"Mayor Ling, are we in the wrong room? There is no Mr. Chen here!"

Li Weijian said carefully.

"Go away..."

Lin Tianhu pushed Li Weijian aside and walked towards Chen Ping!

Ling Zhenchuan followed closely behind, walked up to Chen Ping and said, "Mr. Chen, I heard that you are also drinking here, so I came here to propose a toast. I hope I won't disturb Mr. Chen!"

boom.....

Chapter: 402

Suddenly, the whole place fell silent, everyone's eyes widened with disbelief on their faces!

Chen Baoqiang's family couldn't believe it, and the few people who came with Ling Zhenchuan couldn't believe it either!

It is simply unbelievable that the top leader of Tangtang City would talk so politely to a young man in his early twenties!

Only Lin Tianhu smiled coldly and glanced at everyone!

The few people who followed Ling Zhenchuan quickly realized that since Ling Zhenchuan was so polite to young people, there must be a reason. Maybe this man was the son of a big shot in the provincial capital or even Kyoto!

Thinking of this, the leaders of various departments who followed came forward together, and each of them was polite to Chen Ping, holding a wine glass and toasting!

Chen Baoqiang's family's faces were ashen and their eyes were full of fear. How could these big leaders in their eyes be so polite to Chen Ping?

They really can't understand!

Also confused was Li Weijian. He looked at Chen Baoqiang and hoped that Chen Baoqiang could give him an explanation. Since he was eating with such an important person, why not tell him?

Chen Baoqiang is already confused now. How can he explain to Li Weijian?

Could it be said that Chen Ping is a reform-through-labor prisoner and not a big shot?

“Mr. Chen, does this wine taste good to you? I’m going to get a bottle and pour it for you!”

Lin Tianhu saw that the wine glass in front of Chen Ping was empty, so he asked Chen Ping.

“What wine?”

Chen Ping glanced at Lin Tianhu!

“These are the two bottles of Maotai liquor I gave to Mr. Chen. I think these two bottles have been finished!”

Lin Tianhu pointed at the empty bottle and said.

“I didn’t take a sip. Some people said that you, Lin Tianhu, gave it to him and didn’t let me drink it!”

Chen Ping looked at Li Lei, who was already frightened, and smiled coldly.

“Damn it, who drank the wine I gave Mr. Chen? Stand up for me!”

Lin Tianhu was angry and glanced at Chen Baoqiang’s family!

At this time, the whole family was frightened to death. Their faces were all pale, but they all looked at Li Lei.

“Don’t... don’t look at me, don’t look at me. I didn’t say anything. It’s just what you think. It has nothing to do with me...”

Li Lei was so frightened that his legs trembled and he peed directly!

Chapter: 403

Lin Tianhu's reputation was like thunder to his ears. If Lin Tianhu was angry now, wouldn't he be seeking death?

"So it's your fucking kid. Who do you think you are? I need to give you wine?" Lin Tianhu rushed to Li Lei in two steps and grabbed Li Lei by his collar: "Spit out the wine!"

Bang.....

Lin Tianhu punched Li Lei in the abdomen, causing Li Lei to scream in pain.

"Hu... Master Hu, don't fight. This is my son. For my sake, don't fight!"

Seeing this, Li Weijian hurriedly stepped forward and pulled Lin Tianhu!

"Fuck you, who do you think you are? I'm going to give you face. You are the director of the Health Bureau. Do you deserve it?"

Lin Tianhu kicked Li Weijian away and hit Li Lei!

He beat Li Lei until he cried like a ghost, and scared Chen Baoqiang's family to the point where they huddled in a corner and couldn't stop shaking!

"Master Hu, if you pay too much for the wine, I will pay it to you, I will pay it to you..."

Li Weijian couldn't watch his son being beaten to death, he could only ask for compensation!

"This is a limited edition Moutai, one bottle costs 500,000 yuan, two bottles is one million!"

Lin Tianhu shouted at Li Weijian!

“One...one million?”

Li Weijian was stunned immediately!

He is just the Director of Health, and one million is really not a small amount for him!

Although he has made a lot of money over the years, once he got it in his hands, he was reluctant to take it out!

“If it’s too much, then let your son spit out the wine!”

Lin Tianhu said, and punched Li Lei a few more times in the stomach, making Li Lei wail repeatedly!

“Master Tiger, stop fighting, stop fighting, I’ll give, I’ll give...”

Li Weijian took out his mobile phone, gritted his teeth and transferred one million!

After receiving the money, Lin Tianhu let go of Li Lei, walked to Chen Ping and said, “Mr. Chen, I didn’t make the arrangements. I’ll ask someone to get the wine immediately!”

Lin Tianhu ordered people to get the collector’s edition of Maotai liquor again, while Chen Ping sneered at the trembling Chen Baoqiang family!

“Who said just now that if I don’t pay for food, Lin Tianhu will skin me?”

Chapter: 404

Chen Ping stood up and walked towards Chen Baoqiang’s family!

Chen Zhi was so frightened that he couldn’t stand and huddled in a corner, with Chen Baoqiang and Li Shuzhen protecting him!

“Chen Ping, it’s all uncle’s fault. Don’t argue with Chen Zhi. He is still a child. Second uncle will give you money for this meal. Second uncle will give you money...”

Chen Baoqiang prayed to Chen Ping!

“Lin Tianhu, settle the score!”

Chen Ping said to Lin Tianhu.

Lin Tianhu nodded, glanced at it and said, “A total of two hundred thousand!”

“Two hundred thousand? What did we eat? Just two hundred thousand?”

When Li Shuzhen heard this, she immediately screamed.

“Shut up!” Chen Baoqiang glared at Li Shuzhen!

“What, is that too much? Do you want me to calculate it for you?”

Lin Tianhu’s eyes narrowed slightly and he said!

“No, no, we’ll pay!” Chen Baoqiang shook his head hurriedly and took out his mobile phone to pay!

At this time, Chen Baoqiang regretted it to death. If he had known it, he would not have ordered so many dishes. In order to make Chen Ping look bad, he ordered so many dishes without even looking at them. This time he shot himself in the foot!

“Mayor Ling, the salary in Hongcheng City is really not low. A director of the health bureau and an office director spend hundreds of thousands to eat without blinking an eye!”

Chen Ping looked at Ling Zhenchuan and said.

“Mr. Chen, I will investigate this matter thoroughly!”

After Ling Zhenchuan finished speaking, he looked at Li Weijian and Chen Baoqiang and said: “You two will be removed from your posts starting today. You will be investigated when the time comes. If you are found to be corrupt, you will be severely punished!”

Plop.....

Li Weijian and Chen Baoqiang were so frightened that they collapsed on the ground. If they were checked, none of them would be able to escape!

“Mayor Ling, Mr. Chen, let’s talk somewhere else...”

Lin Tianhu has already ordered people to prepare the room again!

“Yes!” Ling Zhenchuan nodded, and then said to the few people who came with him: “You go back and wait for me, I will be there in a minute!”

A few people left, and Ling Zhenchuan and Chen Ping also walked out of the private room. When Lin Tianhu walked out, he looked at Li Weijian and his son and Chen Baoqiang’s family coldly, with a bit of disdain in his eyes!

Chapter: 405

Looking at Chen Ping’s back, Chen Baoqiang’s family fell into deep regret!

If they didn’t treat Chen Ping’s family like this, would there be another result?

But there is nowhere in the world that sells regret medicine!

.....

Chen Ping didn't stay in the restaurant for too long, he just chatted briefly with Ling Zhenchuan. The reason why Ling Zhenchuan came to Chen Ping was to express his gratitude and for the sake of his son. He hoped that Chen Ping would let Ling Feng go!

Chen Ping didn't care, as long as Ling Feng didn't provoke him, Chen Ping certainly wouldn't go to trouble Ling Feng!

When Chen Ping walked out of the restaurant, he found that his parents were rushing over!

"Chen Ping, are you okay?"

Tang Hongying asked with sweat on her face.

"Mom, I'm fine. What are you doing in such a hurry?"

Chen Ping asked with a puzzled look on his face.

"Aren't we afraid that something might happen to you? Your dad and I found some money, but we don't know if it's enough..."

Tang Hongying opened the bag she carried with her. It was full of money, some old and new, some odd and some whole. A full bag was estimated to be worth twenty or thirty thousand!

Looking at the money inside, Chen Ping's eyes instantly turned red. He hugged Tang Hongying and said, "Mom, no need, my second uncle gave me the money!"

The reason why Chen Ping was so excited was because he still wanted to find an opportunity to ask his parents if he picked it up after he went back!

But at this moment, Chen Ping didn't want to ask anything. No matter whether he picked it up or not, he only had his current parents!

"Did your second uncle give you money? What's wrong with him?"

Tang Hongying's face was full of disbelief!

"Okay, as long as nothing happens, let's leave quickly and don't stay here too long!"

Chen Baoguo urged, he always felt unsafe staying here!

After leaving, Chen Ping returned home, while Tang Hongying and Chen Baoguo went to return the borrowed money!

After returning home, Chen Ping sat cross-legged on the bed, planning to practice for a while!

But no matter how hard he tried to calm down, it was of no use. Chen Baoqiang's words about bastard always rang in Chen Ping's ears!

"ah....."

Chapter: 406

Chen Ping roared angrily and shook his head desperately, trying to drive the sound away, but it was no use!

Chen Ping knew that he had inner demons, and the only way to get rid of them was to ask clearly what he wanted to know!

But Chen Ping couldn't open his mouth, he had no way to ask!

From childhood to adulthood, both Tang Hongying and Chen Baoguo loved him very much. Even though Chen Baoguo was strict, he never hit him!

Chen Ping had never thought that he was not his biological parents, and had no such thoughts at all. But now, Chen Ping was confused and could no longer calm down!

Tossing and turning like this, Chen Ping struggled for a long time, until Tang Hongying called Chen Ping to have dinner, and Chen Ping walked out of the room.

Seeing that Chen Ping looked a little unhappy, Tang Hongying hurriedly asked: "Chen Ping, are you sick?"

"Mom, I'm fine!"

Chen Ping forced out a smile and said!

Sitting at the dining table, the family was eating, no one spoke, and the atmosphere became a little weird!

Chen Ping was afraid that his parents would notice something strange about him, so he ate a few bites quickly, said he was full and left!

Tang Hongying and Chen Baoguo looked at each other, and both of them sighed heavily.

"What is supposed to come will come sooner or later!"

Chen Baoguo sighed lightly.

"Over the years, I have long regarded Chen Ping as my own. I have long forgotten that he was picked up. Why, why does that Chen Baoqiang talk nonsense..."

Tang Hongying said, her eyes slightly red: "Now Chen Ping is worried, it seems he can't hide it anymore!"

“When Chen Ping is older, it’s time for us to tell him. He should also have the right to know his life experience. We can’t be too selfish!”

Chen Baoguo sat next to Tang Hongying, gently put his arm around Tang Hongying’s shoulders and said.

“But I’m afraid. I’m afraid that Chen Ping will leave us and go find his biological parents if he finds out. I can’t live without him in my world now...”

Tang Hongying, who had been a mother for more than 20 years, suddenly lost her child. She couldn’t bear it!

“Let him decide whether he can find his biological parents or not. Even if Chen Ping leaves, I will be by your side and we will spend the rest of the time together...”

Chen Baoguo tried his best to comfort Tang Hongying and tried his best to say the most disgusting words!

Tang Hongying leaned on Chen Baoguo’s shoulder, tears falling down drop by drop!

After an unknown amount of time, Tang Hongying stood up, wiped her tears, and said to Chen Baoguo: “Go and call Chen Ping out!”

Chapter: 407

Chen Baoguo nodded, walked to the bedroom and knocked on Chen Ping’s door!

“Chen Ping, please come out. Your mother and I have something to tell you!”

After Chen Baoguo finished speaking, he left!

Chen Ping, who was in the room, felt his heart skip a beat. He seemed to be able to guess what his parents were going to say to him!

Chen Ping was a little conflicted. He didn't want to admit that he was picked up, but he really wanted to know who his biological parents were!

After hesitating for a while, Chen Ping walked out!

At this time, Tang Hongying and Chen Baoguo were already sitting on the sofa. Neither of them spoke, and the atmosphere was a bit depressing. In front of Tang Hongying, there was a very delicate small wooden box, which was only the size of a palm!

"Dad, Mom..."

Chen Ping shouted at Chen Baoguo and Tang Hongying!

"Sit down!" Chen Baoguo asked Chen Ping to sit down, then took two puffs of cigarette and said to Chen Ping: "Chen Ping, you are not young anymore, so I should tell you some things!"

Having said this, Chen Baoguo stopped talking and looked at Tang Hongying aside. Tang Hongying dodges her eyes. She doesn't want to follow Chen Ping herself!

Neither of them wanted to speak, so they were in a stalemate!

"Dad, Mom, no matter what happens, you will always be my parents, and I will never leave you. I will provide for you until the end of your life, and I will give you a fat grandson..."

As Chen Ping said, he knelt down directly to Chen Baoguo and Tang Hongying!

Tang Hongying couldn't help but burst into tears again. She hurriedly stepped forward to help Chen Ping up and hugged Chen Ping tightly: "Good boy, good boy..."

“Mom, please stop crying. No matter whether I am your biological child or not, you will always be my mother. You have raised me little by little over the years. I still remember when I was five years old, you carried me on your back in the heavy rain at night. Seeing a doctor!”

Chen Ping helped Tang Hongying wipe her tears and said!

Chen Ping’s words made Tang Hongying put aside her worries. She looked at Chen Ping with great relief and said, “My child, you are indeed not my mother’s biological child. I have some health problems and cannot have children at all. Your father picked you up on the roadside.” , you were still very young at the time, and it was still winter when I picked you up, and your whole body was red from the cold...”

Tang Hongying began to slowly talk about the year when she picked up Chen Ping. Tang Hongying talked a lot, and Chen Ping listened very carefully!

Because he had already thought of it, Chen Ping’s expression didn’t change much!

“There was nothing on you at that time, only this jade pendant. Mom put it up for you!”

Tang Hongying said, opening the small wooden box. Inside was a piece of emerald green jade pendant, with a trace of blood red color in the jade pendant!

Chen Ping took the jade pendant and held it in his hand, and immediately felt a warm current wrapping around his whole body. There was no way to express that comfortable feeling in words!

This jade pendant seems to be a part of his body. He can even sense the world in the jade pendant. This is a feeling of blood connection!

Chapter: 408

“Child, this is the only thing your biological parents left for you. Now it is handed over to you. As for other information, we don’t know it either!”

Tang Hongying said lightly, and she felt much calmer at this time!

After all, some things are not as bad as imagined!

“Chen Ping, if you want to find your biological parents, we won’t stop you. After all, you have the right to know who your biological parents are!”

Chen Baoguo said to Chen Ping.

“Mom and Dad, don’t worry, I won’t go anywhere. I am your son and I will never change...”

Chen Ping said with a serious look on his face.

Seeing Chen Ping’s serious look, Chen Baoguo also had a happy smile on his face!

“Yes, you are my son, Chen Baoguo. If anyone dares to talk nonsense again and say you are a bastard, I will fight him to the death!”

Chen Baoguo clenched his fists. If Chen Baoqiang dared to speak against Chen Ping at this time, Chen Baoguo would probably take action without hesitation.

After the family chatted for a while, Chen Ping returned to the bedroom!

After returning to the bedroom, Chen Ping couldn’t wait to pick up the jade pendant, and began to inject a trace of spiritual power into the jade pendant!

When he just got the jade pendant, Chen Ping felt that there were spiritual energy fluctuations in the jade pendant, as if something was sealed in the jade pendant!

But when Chen Ping injected spiritual energy into the jade pendant, it bounced back directly. There were taboos in the jade pendant, which made Chen Ping feel a little strange!

So Chen Ping increased his spiritual power, but no matter how hard Chen Ping tried, he couldn't break through the taboo.

Looking at the jade pendant in his hand, Chen Ping was a little at a loss!

He can be sure that there must be something in the jade pendant, but what it is specifically needs to be injected with spiritual power to know!

Just when Chen Ping was at a loss what to do, he suddenly remembered a scene often seen in TV dramas, where blood is shed to recognize a relative!

If this is the jade pendant left by his biological parents, can he only use his own blood to open it?

Thinking of this, Chen Ping bit his finger and a drop of blood fell on the jade pendant!

The blood was absorbed instantly, and then the jade pendant suddenly burst into red light, the whole room was illuminated extremely red, and then there was a muffled sound, and the jade pendant in Chen Ping's hand turned into powder instantly.

At the same time, the figure of a woman was actually reflected in the red light. The woman was wearing an ancient white dress, and her delicate face was simply stunning, just like a fairy in a painting!

When Chen Ping saw this woman, he felt an inexplicable sense of familiarity, feeling particularly close and familiar...

"My child, I didn't expect you to be alive. It's so great..."

Chapter: 409

The woman's eyes showed excitement.

"Who are you?" Chen Ping asked in a low voice.

“When you see me, you will definitely feel curious and scared, but you don’t have to be afraid, I won’t harm you, because I am your biological mother, leaving you behind, in fact, I am really I’m reluctant to give up, but I have no choice, otherwise they will kill you...”

“Who are they?” Chen Ping frowned slightly.

But the woman did not answer Chen Ping, but continued: “Child, there are many things in this world that you don’t know. You must not be curious or explore, because there are too many unknown areas. You are in danger, you have my bloodline, you must be different from ordinary people, but you don’t need to panic, just be an ordinary person!”

“Don’t ever set foot in the world of cultivating immortals, let alone go to Suolong Island. Don’t go there. Mother will be relieved to see that you are still alive and well. Don’t try to find me. You won’t be able to find me at all. Remember. If you live with your mother, don’t go to Suolong Island, don’t go...”

Slowly, the woman’s figure became more and more blurred, and finally disappeared.

“Who are you? What’s going on?”

Chen Ping shouted, but no one responded to him!

Everything in the room returned to calm, except for the powder on the ground, telling Chen Ping that everything just now was real!

“Suolong Island, why is it Suolong Island again? What on earth is going on?...”

Chen Ping fell into confusion. He didn’t understand why this woman who claimed to be his biological mother stopped him from entering the world of immortality. What about stopping yourself from going to Dragon Lock Island?

But the old dragon head brought him into the world of immortality, but told him about Suolong Island, and told Chen Ping that he must go to Suolong Island after he became powerful.

One of them let him go, and the other tried hard to stop him from going. Chen Ping was already confused now!

After thinking hard for half a night, Chen Ping couldn't figure it out. He didn't know many things, so it was impossible to figure it out!

"Let's improve our strength first and wait until we go to Wuming Island on July 15th. Maybe after going to Wuming Island, we will know some of the things we want to know!"

Chen Ping sighed, simply stopped thinking about it, and fell asleep with his head covered!

.....

Phoenix Bar!

Although it was already late at night, luxury cars gathered in front of the bar, and many handsome men and women were drinking and dancing in the bar, having a great time!

At a table in the corner of the bar, there were more than a dozen empty wine bottles placed in front of Xiao Lei. He had been drinking here for a long time!

Although Chen Ping will not cause trouble for the Xiao family, Xiao Lei has become a complete laughing stock in this upper class circle!

"Brother Lei, I know you will be here, don't drink anymore, you drank too much!"

At this time, Geng Shanshan came over wearing revealing clothes and came up to sit next to Xiao Lei!

Chapter: 410

Geng Shanshan knew that no matter how she begged Chen Ping, Chen Ping would never forgive her, and he had embarrassed her at the class reunion, so she had to rely on Xiao Lei to stand up again.

Now she really has no one to rely on except Xiao Lei, and her reputation has been ruined in the upper class circle of Hongcheng!

“You...why are you here? Get out of my way...”

When Xiao Lei saw it was Geng Shanshan, he was so frightened that he pushed Geng Shanshan away!

“Brother Lei, are you still afraid of Chen Ping? You’ve already given him two companies, and he also said he’s not looking for trouble. What are you still afraid of?”

Geng Shanshan asked Xiao Lei!

Geng Shanshan’s words made many people around her look at her with amusement. They all looked at Xiao Lei. This once arrogant young master of the Xiao family had become like this and even gave away his company to others!

Feeling the eyes of the people around him, Xiao Lei’s face became angry: “You fart, what am I afraid of? I’m not afraid at all, I’m not afraid of anyone...”

Xiao Lei, who had drunk too much, no longer knew what fear was at this time!

“Brother Lei, since you are not afraid, how about we continue to be together? The wedding invitations have been sent out, but the wedding did not take place. Aren’t you afraid that you will become the laughing stock of others?”

Geng Shanshan stepped forward and hugged Xiao Lei’s neck and said!

Geng Shanshan didn’t know that Xiao Lei had already become the laughing stock of the upper class circles, otherwise he wouldn’t be drinking alone!

“Laughing? Who the hell dares to laugh? Even if my Xiao family is given away to two companies, it is still a first-class family. Who dares to laugh at me...”

Xiao Lei slammed the table and roared loudly!

The people around him instantly cast contemptuous glances, but no one paid him any attention!

Bang bang bang.....

At this moment, a man suddenly came over and clapped his hands, looking at Xiao Lei with a sneer: "The dignified eldest son of the Xiao family was frightened by a reform-through-labor prisoner into such a virtuous man. How dare you brag about it in a bar?"

"Who the hell said that, I..."

Xiao Lei was angry, but when he raised his eyes and saw the person coming, he was stunned. He was half sober in an instant, and said with a frightened look on his face: "Wei... Mr. Wei!"

The visitor was Wei Tao from the Wei family in the provincial capital. Seeing that Wei Tao had come to Hongcheng, many young men and young ladies from wealthy families gathered around him!

They all wanted to take the opportunity to get to know Wei Tao, and there were even many girls ogling Wei Tao.

You must know that Hongcheng and the provincial capital are incomparable, just like a cat and a tiger, so even the most powerful family in Hongcheng is like an ant in the eyes of wealthy families like the provincial capital!

"Everyone get out of here!"

The two bodyguards who followed Wei Tao directly drove aside the young men and rich ladies who were surrounding them!
