

## The Order 4021

Chapter: 4021

Yao Qisheng, the leader of the Purple Thunder Sect, asked.

“If Chen Ping’s IQ is online, he will definitely help us. His girlfriend is trapped in the Taoist Sect’s secret realm, and Chen Ping’s hatred for the Demonic Heart Sect has nothing to do with us.”

“We joined the Demon Heart Sect and became the purple-robed messengers of the Demon Heart Sect, also for the purpose of reviving our spiritual energy and taking a place in the secular world.”

“We should have a cooperative relationship with the Demon Heart Sect, but now the powerful master of the Demon Heart Sect treats our disciples as resources, slaughters them at will, and locks up our family members to control and threaten us, so we must I want to cooperate with Chen Ping!”

“Only Chen Ping can prevent the resurgence of spiritual energy, and I think Chen Ping’s strength is already above ours. As long as the resurgence of spiritual energy fails, the great master of Demon Heart Sect will have no other means. He may give up by then. The secret realm of Demon Heart Sect, go to the world of heaven and humans.”

“In this case, wouldn’t our family and disciples be saved? Moreover, if we and Chen Ping cooperate inside and outside, the chance of rescuing our family will be greater!”

Feng Jingyan followed everyone’s analysis carefully!

“Master Fenggu is right, we can find Chen Ping to cooperate. Master Fenggu’s disciple was killed by Chen Ping, and he can clear up the past grudges. We people who follow Chen Ping don’t have any deep hatred. I believe Chen Ping will agree to follow We cooperate. ”

“It’s just that this matter is of great importance. Who will go to Chen Ping to lobby? And there is also an attempt to prevent the powerful from discovering us. Otherwise, the few of us and our family members will die without a burial place.”

Yu Qian also agreed to Feng Jingyan’s proposal!

The six purple-robed envoys looked at each other, but no one wanted to go. After all, no one was sure of persuading Chen Ping, and it was extremely risky to contact Chen Ping!

Seeing this, Yu Qian sighed softly and said, "Since no one wants to go, then I'll go talk to Chen Ping..."

After the negotiation, the six purple-robed messengers put on their masks again and left!

Ning Zhi, who was practicing at this time, had to absorb the strength of more than a dozen people every day to improve his realm!

Looking at the disciples who went to die every day, the six purple-robed messengers dared not speak out in anger!

Heaven and earth!

Chen Ping is working hard to run the Heart Condensation Technique, absorbing the energy of gold phosphorus stone to practice!

Time flies, day and night alternate!

Half a month passed in the blink of an eye, and Chen Ping absorbed the last trace of energy in the gold phosphorus stone!

The originally dazzling gold phosphorus stone has now turned gray and turned into an ordinary stone!

Seeing Chen Ping wake up from practice, Hu Mazi quickly asked: "Chen Ping, what level of cultivation are you at now? I feel that the aura on your body has changed several times."

Chen Ping exhaled a breath of turbid air, feeling the instant surge of power in his body, and a flash of brilliance flashed in his eyes!

“I have now reached the sixth level of Transformation Realm. If I can get one more gold phosphorus stone, I may be able to reach the peak of Transformation Realm, or even break through the Transformation Realm...”

Chen Ping said with emotion!

Chapter: 4022

When Hu Mazi heard this, he immediately curled his lips and said: “Your body is really abnormal. The energy in this golden phosphorus stone is like the vast sea. When this kind of thing comes into your hands, it only allows you to improve to a few small realms.” .”

“I don’t know how much resources you will need if you practice to the point where you can transcend tribulations and ascend and become a true immortal. I’m afraid even if the resources of the entire heaven and human world are given to you, you may not be able to successfully transcend tribulations.”

Hu Mazi was very surprised by the huge resources Chen Ping needed. According to Chen Ping’s improvement, the resources he will need will become larger and larger in the future. Maybe the world of gods and humans will not be able to accommodate a giant Buddha like Chen Ping!

“I don’t know why the resources I need to improve my realm are different from other people’s. Maybe it has something to do with the magic techniques I practice. I have now reached the sixth level of Transformation Realm. I don’t know if I can put the Dragon Pattern Bell in and out at will!”

Chen Ping wanted to know to what extent his control over the Dragon Pattern Bell had reached!

If he could retract and retract the Dragon Pattern Bell freely and control the Dragon Pattern Bell at will, then the Dragon Pattern Bell would be Chen Ping’s killer tool and his life-saving means!

But just when Chen Ping was about to take out the dragon pattern clock and try it, Hu Mazi quickly stopped him.

“Don’t try here again. If you try, the aura will spread to all directions, and it is very likely to attract people from other sects and families in the Tianren Realm. How will we leave then!”

“You can give it a try when you return to the secular world. Anyway, you are not suppressed by the laws of heaven and earth...”

Hu Mazi followed Chen Ping and said!

When Chen Ping heard that it made sense, he put away the idea of trying the Dragon Pattern Bell!

Then he took out the God King’s Bow from the storage ring. Chen Ping put his right hand on the bow string and suddenly used force to fully draw the bow string in an instant!

Between heaven and earth, countless forces began to gather towards Chen Ping’s bowstring!

An arrow feather appeared, shining with golden light!

As Chen Ping struggled to pull the bowstring, gritting his teeth and persisting, the golden arrow feathers slowly turned into transparent white!

Whoosh.....

Chen Ping let go of his hand, and the arrow feathers pierced the sky like meteors, then penetrated the void and directly shot a huge black hole out of the void!

There are turbulent flows in the black hole, and vortices of air are constantly rotating!

“It’s done, let’s go quickly...”

Chen Ping saw that the passage to the secular world had been opened by himself, so he happily shouted to Hu Mazi and jumped up!

The sword spirit Zhongli transformed into a dragon-slaying sword and directly entered Chen Ping's body!

After all, traveling through this kind of passage requires a lot of physical strength, and you need to resist the turbulence in the black hole passage!

Chen Ping and Hu Mazi disappeared, and the black hole passage slowly closed and disappeared without a trace!

But not long after Chen Ping and the others left, a white-haired old man brought two Taoist boys, a man and a woman, wearing Taoist robes to the place where Chen Ping and the others were standing!

Chapter: 4023

"Master, why did you bring us here? Aren't we going to the Five Jue Temple?"

The female Taoist master asked in confusion.

The white-haired old man looked around, frowned slightly and said: "Strange, really strange, it seemed like there was the aura of the God King's Bow just now. Could it be that I felt wrong?"

After saying that, the white-haired old man waved his whisk, and the three people disappeared in an instant!

Kyoto!

After Chen Ping returned to the secular world with Hu Mazi, he rushed to Kyoto Longmen without stopping!

He wanted to see if anything happened in Kyoto, and he wanted to see his mother. Since he rescued his mother, Chen Ping has not spent time with his mother properly.

“You kid, you’ve been gone for many days without any news. Thanks to Ruxue and the others, they stayed with me all day long. When did you become interested in having a grandchild that I wanted to have?”

After seeing Chen Ping, Long Ruotong pretended to be angry and asked Chen Ping!

“Mom, I have something to do recently, so I am very busy. I will have a grandson in the future, right?”

Chen Ping squatted next to Long Ruotong and kept beating Long Ruotong’s legs!

“You have something to do. Don’t you even have time to sleep at night?”

“Ruxue and the others have nothing to do at home all day long. You only need to accompany them at night, and you won’t need to take care of the baby. When the baby is born, I will help you take care of it...”

Long Ruotong glared at Chen Ping and said!

Chen Ping also knows how his mother is feeling now. What parent doesn’t want his family to be filled with children and grandchildren?

“Mom, in two days, in two days I will...”

“It won’t take more than two days. You have to sleep with Ruxue and the others tonight, otherwise I won’t recognize you as my son.”

“I have sent people to call them now. You will sleep here tonight and don’t go anywhere.”

Before Chen Ping could finish speaking, Long Ruotong interrupted directly and said!

It seemed that Long Ruotong was determined today and let Chen Ping sleep with Ji Ruxue and the other girls!

Soon, Ji Ruxue and the others were called over. When they saw Chen Ping coming back, the girls were very happy!

“You guys come here...”

Long Ruotong waved to Ji Ruxue and the others!

Ji Ruxue, Gu Ling'er, Ge Jiayi, Ge Yuhan, Xiaolan and others gathered around and started to give Long Ruotong a back and shoulder squeeze.

Chapter: 4024

“Listen, you guys, who is staying here tonight? Chen Ping will also sleep here. No one is allowed to leave tonight.”

“You have to work harder, make your belly stronger, and give me a grandson as soon as possible.”

Long Ruotong said to several girls!

When Ji Ruxue and the others heard this, their faces turned red and they all lowered their heads and said nothing, but this also meant acquiescence!

Chen Ping was a little speechless. Although he had already lost his virginity, it was okay to follow Ji Ruxue and the others to become husband and wife, but they had to do it one by one. They were all together at once, and Chen Ping was a little shy!

Just when Chen Ping was at a loss, Hu Mazi came and waved to Chen Ping at the door: “Chen Ping, come out for a moment. I'll see you if I have something...”

“Mom, Master Hu is looking for me, I'll go out!”

Chen Ping followed Long Ruotong and went out.

“Chen Ping, remember, if you dare to run away tonight, I will not recognize you.”

Long Ruotong threatened Chen Ping!

“Mom, don’t worry, I will never run away, I will listen to you.” Chen Ping could only promise.

After Chen Ping walked out of the room, Hu Mazi immediately pulled Chen Ping away!

“Chen Ping, you are so handsome. I have been playing with women all my life, but I have never slept with so many beautiful women at once. Even if you die, it is worth it.”

Hu Mazi said to Chen Ping with an envious look!

“Bah, bah, bah, you just died.” Chen Ping sighed a few times, and then asked: “Master Hu, what do you want from me?”

“I’m not looking for you, it’s Long Xingxu who’s looking for you. It’s just that he knows your mother must be scolding you and doesn’t dare to show up.”

Hu Mazi said!

Just as he was talking, Long Xingxu came over!

“Xingxu, what’s wrong?”

Chen Ping asked!

“Brother Chen Ping, in the past few days since you left, someone came to Longmen to look for you. He said he had something important to ask you. However, I couldn’t contact you at that time, so I asked him to leave his name and leave.”

Long Xingxu said.

“Who is looking for me?” Chen Ping was very confused. Who was looking for him? There were other important things.

“He said his name was Yu Qian, and he was from the Tianmen Secret Realm. I asked him to leave his address so that you could go find him when you came back, but he left without leaving any information.”

Chapter: 4025

Long Xingxu said!

“Yu Qian?” Chen Ping was shocked. He didn’t expect that Yu Qian left the secret realm and came to the secular world to find him?

You must know that it is very painful for monks like them to leave the secret realm and come to the secular world. They will be suppressed by the laws of heaven and earth, and in severe cases, their strength will decline!

Moreover, Yu Qian is a member of the Purple Robe Messenger of the Demonic Heart Sect. Chen Ping knew this. He couldn’t understand why Yu Qian came to the secular world to find him?

And what is that important thing?

Chen Ping couldn’t understand what Yu Qian’s purpose was in finding him!

But no matter what the purpose is, since Yu Qian dares to come to him, there must be something wrong.

“Xingxu, please pay attention. If Yu Qian comes again, let me know immediately!”

Chen Ping warned Long Xingxu!

“I understand!” Long Xingxu nodded and left!

Just when Long Xingxu left, Ge Fuhai hurriedly came over. After seeing Chen Ping, he immediately said anxiously: “Mr. Chen, the elder of the Ge clan has been looking for you. After I heard that you were back, I immediately I’m here, come with me quickly.”

“The Ge clan keeps looking for me, what’s the matter?” Chen Ping didn’t expect that so many people would look for him during his absence!

“I don’t know either. Mr. Ge is waiting for you in the secret realm.” Ge Fuhai said!

“Okay, let’s go to the secret realm to find him.”

After Chen Ping finished speaking, he took out the Nine Thousand Miles of Mountains and Rivers Map and teleported himself and Ge Fuhai to the Fire Gate Secret Realm directly through the Nine Thousand Miles of Mountains and Rivers Map!

After seeing Ge Cangsheng, Ge Cangsheng immediately came up to him and said to Chen Ping: “Mr. Chen, something big happened in the Eight Secret Realms.”

“What’s wrong? Are people from other secret realms attacking the Fire Gate Secret Realm?”

Chen Ping has only killed the purple-robed messengers in the Fire Gate Secret Realm and the Thunder Gate Secret Realm. There must be purple-robed messengers from the Demonic Heart Sect in the other six secret realms!

So Chen Ping thought that these purple-robed messengers led people to attack the Fire Gate Secret Realm through the teleportation array!

“No, now except for our Fire Gate Secret Realm and Thunder Gate Secret Realm, there is no one in the other secret realms. They have all disappeared. I don’t know where they went.”

“I doubt there is any conspiracy behind these people’s sudden disappearance.”

Ge Cangsheng said to Chen Ping!

“What? Disappeared? All disappeared?”

Chen Ping looked surprised. He didn’t understand why people in other secret realms suddenly disappeared.

Chapter: 4026

You must know that these people are all monks, and their strength is not low. Yu Qian in the Tianmen Secret Realm may have surpassed the peak of the Transformation Realm.

How could so many masters disappear all of a sudden?

Where have these people gone?

“Is it related to the fact that Yu Qian came to me and disappeared from the secret realm with them?”

Chen Ping frowned and murmured to himself. He felt that Yu Qian’s sudden search for him must have something to do with the disappearance of several other people in the secret realm!

“Mr. Chen, has Yu Qian come to see you?”

Ge Cangsheng asked in surprise.

Chen Ping nodded: "He went to the secular world to look for me, but I was not there at the time and didn't know what Yu Qian was looking for me."

"It's so strange, so Mr. Chen should be careful in the future."

Ge Cangsheng warned Chen Ping!

"I see!"

Chen Ping left the Fire Gate Secret Realm and just returned to Kyoto. Before he could enter the Dragon Gate, he was stopped by Xing Jun!

"Chen Ping, Mr. Shi invites you..."

Xing Jun said to Chen Ping!

Chen Ping felt like he had a headache. He had just come back, and he hadn't had a formal break for a few days, but he was being looked for one after another!

Although Chen Ping was a little annoyed, Chen Ping had to go when Mr. Shi came to find him!

Besides, Mr. Shi said that he still has one month to live, and now it will be one month soon. Chen Ping also wants to see how Mr. Shi is doing!

Following Xing Jun to the Dharma Protector Pavilion, Chen Ping entered Mr. Shi's office, while Xing Jun wisely left!

"sit down....."

Seeing Chen Ping coming, Mr. Shi said.

Chen Ping looked at Mr. Shi carefully and found that Mr. Shi looked very good and his aura was very stable. He did not look terminally ill. No matter how he looked, Mr. Shi did not look like a dying person.

“Mr. Shi, I see that you look good and have no injuries. It will be a month soon. You should be fine, right?”

Chen Ping asked Mr. Shi.

Mr. Shi smiled and said, “Who told you that I died of illness?”

Chapter: 4027

“Didn’t he die of illness? Then how did he die? With your current skills, no one in the secular world can be your opponent, let alone no one who can kill you, right?”

Chen Ping asked.

“Haha, no one in the secular world can kill me. It’s just that this disaster is inevitable in my life. God will take me away when the time comes.”

Mr. Shi smiled!

Chen Ping suddenly felt very confused when he saw that Mr. Shi was about to die, but he could still laugh without being afraid at all!

“Mr. Shi, since you know when you will die, can you change your fate? You won’t go anywhere on that day, okay?”

Chen Ping asked.

But Mr. Shi shook his head: "This is my destiny. If I don't die, all life will be ruined. Others will die. Sometimes our own lives cannot be controlled by ourselves."

Chen Ping was speechless for a moment. He couldn't figure out what fate Mr. Shi was talking about.

Why would life be ruined if Mr. Shi didn't die?

Seeing Chen Ping's silence, Mr. Shi quickly changed the topic. He didn't want this heavy topic to affect Chen Ping's mood!

"Did you just come back from the Heavenly Realm?"

Mr. Shi asked.

Chen Ping nodded, and then said with a surprised look on his face: "How did you know that I went to the Heavenly Realm?"

"Hahahaha, you still have the aura of the Celestial Realm on your body, and you also have the power of the Celestial Realm's Golden Phosphate Stone in your body. This is so easy to see."

Mr. Shi laughed and said!

Chen Ping looked at Mr. Shi in confusion. The more he looked at Mr. Shi, the more frightened he became!

Mr. Shi is obviously in the secular world. Even if Mr. Shi is very powerful, how can he know so many things in the world of gods and humans?

"Mr. Shi, how do you know these things about the world of heaven and man? And you even know about gold phosphorite?"

Chen Ping asked his doubts!

Mr. Shi smiled slightly: "I am very familiar with the world of heaven and man. Even every plant and tree in the world of heaven and man is well understood by me."

Hearing Mr. Shi's words, Chen Ping was stunned!

"You...are you from the heaven and human world? But why did you come to this secular world from the heaven and human world?"

Chen Ping asked.

Chapter: 4028

At this time, Mr. Shi smiled and did not answer Chen Ping. Instead, he said: "Seven days will be the day when the spiritual energy recovery array will be launched. You must be prepared. There are some things that are not yet time for you to know. , when you can be proud of the world, you may be able to see things that you cannot see now..."

Mr. Shi's words made Chen Ping fall into deep contemplation. He felt that he was walking step by step. No matter how hard he tried and how strong he became, he was still weak in front of Mr. Shi and still had to be protected by Mr. Shi. Down!

After such a long time, Chen Ping still didn't know who Mr. Shi was, and he didn't even know Mr. Shi's name!

Mr. Shi was both familiar and unfamiliar to Chen Ping, but Mr. Shi's care for Chen Ping was genuine.

After chatting with Mr. Shi for a while, Chen Ping left the Dharma Protector Pavilion and returned to Longmen!

When Chen Ping returned to Longmen, it was already dark!

Long Ruotong is waiting for Chen Ping at the door!

“Mom, why are you standing at the door...”

After Chen Ping saw Long Ruotong, he quickly stepped forward and helped Long Ruotong back to the room!

“I’m afraid you won’t come back. If you don’t come back tonight, I won’t recognize you!”

Long Ruotong said to Chen Ping!

“Mom, how could it be? If I promise you, I will definitely do it.”

Chen Ping said with assurance!

“That’s good, Ruxue and the others are in the next room. I’ve asked them to take a bath and are waiting for you!”

“I’m telling you, don’t try to fool me, I’m right here listening!”

Long Ruotong said!

When Chen Ping heard this, he sighed helplessly and said, “Mom, I’ve been busy all day and haven’t eaten yet. I have to be full, otherwise I won’t have the strength!”

Just as Chen Ping finished speaking, he saw Ji Ruxue walking over with a sumptuous dinner!

Ji Ruxue was wearing a very sexy outfit, her snow-white skin was exposed, and there were crystal water droplets hanging on her skin. It was obvious that she had just taken a shower!

“I knew you would say that. I had someone prepare a meal for you a long time ago.”

Long Ruotong said!

Ji Ruxue put the food away, glanced at Chen Ping lightly and said, "Eat quickly, the sisters are waiting for you..."

After saying that, Ji Ruxue left with a red face!

Seeing Ji Ruxue like that, Chen Ping had already started to get excited. He was also a normal man. In the past, it was because his mother was still suffering because he failed to rescue his mother, so he used this as an excuse to suppress himself. The fire in my heart!

Chapter: 4029

Now that his mother has been rescued, the fire in Chen Ping's heart can no longer be suppressed, and Chen Ping has also tasted the sweetness of Huo Feng, so it is even harder for Chen Ping to suppress it!

Long Ruotong looked at Chen Ping's eyes as he looked at Ji Ruxue and smiled knowingly. She had been there, so of course she knew what Chen Ping's eyes meant!

"Hurry up and eat, don't keep those girls waiting..."

Long Ruotong said to Chen Ping!

Chen Ping nodded and started to eat hungrily!

After eating, Long Ruotong pushed Chen Ping into the next room!

At this time, the room next door had obviously been rearranged and was very warm. Several girls were all dressed sexyly and waiting for Chen Ping in the room!

Seeing Chen Ping coming, the girls looked a little shy and no one said anything. Even Xiaolan, who had been boldly seducing Chen Ping, lowered her head and said nothing!

In the past, she often teased Chen Ping because she knew that Chen Ping would not really touch her. She was just teasing Chen Ping!

But tonight is different, none of them can escape from Chen Ping's grasp, so Xiaolan is also a little scared, after all, she is also an untouched little girl!

Chen Ping looked at the shy girls who bowed their heads and said, "I know that you were all forced by my mother. We have not established a relationship, and you have no status, so I will not force you."

"You also know that following me will be dangerous, and you will get together less and be more separated, so I don't blame you if you don't want to be with me tonight. You can leave now!"

After Chen Ping finished speaking, all the girls looked up at Chen Ping, their eyes full of love!

"Chen Ping, we are all voluntary. We like you and don't care about our status. As long as we can be with you, let us be your women tonight..."

Ji Ruxue said boldly!

"Yes, we are all voluntary..." Several other girls also looked determined!

Chen Ping looked at them and could no longer hold back the fire in his heart, so he immediately pounced on them!

For a time, the room was filled with spring and there were constant screams!

By the time dawn came, several girls had already been tortured by Chen Ping until they were so weak that they could not get out of bed.....

Chen Ping felt refreshed. When he opened the door and walked out of the room, he was shocked.

It turned out that Hu Mazi was standing at the door.

“What are you doing here? You won’t listen to it all night, right?”

Chen Ping asked with a surprised look!

“I don’t have that spare time. If I listen to it all night, I won’t be so angry. You have such a good physique.”

Chapter: 4030

Hu Mazi glanced at Chen Ping enviously, and then continued: “Long Xingxu was looking for you and asked me to come and call you. He was afraid of disturbing your beautiful things.”

Chen Ping followed Hu Mazi to the front hall. As soon as Chen Ping followed Hu Mazi, Long Ruotong led people to the room!

Looking at the girls slumped on the bed one by one, Long Ruotong was very surprised. She didn’t expect Chen Ping to be so brave!

So she hurriedly ordered people to serve Ji Ruxue and the others. Now Ji Ruxue and the others were very rich, and they had Chen Ping’s child in their belly!

At this time, Chen Ping followed Hu Mazi to the front hall. As soon as he walked in, Chen Ping was stunned!

Because he saw Yu Qian sitting on one side, seemingly waiting for him!

“Brother Chen Ping, this man named Yu Qian is here to find you again...”

When Long Xingxu saw Chen Ping, he hurriedly stepped forward and said!

When Yu Qian saw Chen Ping coming, he also stood up, nodded slightly towards Chen Ping and said: "Chen Ping, long time no see, how are you?"

Chen Ping sneered and said: "How come the head of the Yu family in the secret realm of Tianmen and the purple-robed messenger of the Demonic Heart Sect has time to come to the secular world to find me? Looking at you like this, it will be painful to resist the laws of heaven and earth, right?"

At this time, Yu Qian's face looked a little ugly, and the aura on his body was also very disordered. Chen Ping knew that Yu Qian was suppressed by the laws of heaven!

Yu Qian gave a wry smile, then glanced at Long Xingxu and Hu Mazi, and followed Chen Ping and said, "Chen Ping, can I talk to you alone?"

Chen Ping glanced at Yu Qian, then said to Hu Mazi and Long Xingxu: "You two go out first..."

"Chen Ping, they are from the secret realm, and they are from the Demon Heart Sect. It will be very dangerous for you to be alone with them..."

Hu Mazi reminded Chen Ping.

But who knew that Chen Ping sneered and said: "In the secular world, suppressed by the laws of heaven and earth, he wants to touch me, but he doesn't have the ability..."

Chen Ping looked confident. With his current strength, he was not afraid of Yu Qian even in the secret realm. What's more, he was still in the secular world. Yu Qian was suppressed by the laws of heaven and earth. Chen Ping believed that Yu Qian could not pose a threat to him at all. !

Yu Qian looked at the confidence on Chen Ping's face and said helplessly: "He's right. I want to attack him here, but I'm afraid I'm powerless..."

Hu Mazi and Long Xingxu just left the front hall, and Chen Ping waved his hand, and all the doors and windows of the front hall were closed!

“Your secret realms are now empty. Did you come to me because of this?”

Chen Ping asked Yu Qian.

“You know everything?” Yu Qian was stunned for a moment, but then said: “People from several of our secret realms have gone to the Demonic Heart Sect secret realm. I came to you for this very reason...”

“I want to cooperate with you to deal with the Demonic Heart Sect...”

“Cooperation?” Chen Ping was shocked and looked at Yu Qian in disbelief!
