

The Order 4061

Chapter: 4061

Wen Haotian smiled coldly: "You can't stop it. The formation has been activated, and the eight special auras have entered the copper coffin. No one can stop it!"

"Now that I'm here, I will definitely be able to stop..."

Mr. Shi said with confidence.

"How did you stop it?" asked Haotian in confusion.

"my life....."

As soon as Mr. Shi finished speaking, Wen Haotian's expression changed dramatically!

"I won't let you stop me. I have been planning this for decades, and I will never let it be destroyed in your hands..."

After asking Haotian, he rose into the air, then formed seals with his hands, and a huge Bagua diagram appeared, and then the huge Bagua diagram was printed on the huge human face!

Immediately afterwards, the expression on the person's face began to change, and finally he opened his mouth angrily, and spit out hot light from his mouth, shining on the copper coffin!

The colorful rays of light gathered together with the light ejected from the man's mouth, causing the copper coffin to shake violently, and an extremely terrifying aura emitted from the copper coffin!

Seeing this, Mr. Shi waved his sleeves and a gust of wind rose from the ground, instantly blowing Wen Haotian back!

“I will never let you succeed. If the person in this copper coffin is resurrected, that will be the day when the secular world will truly perish.”

After Mr. Shi finished speaking, he jumped onto the bronze coffin. Then Mr. Shi took out a bronze mirror from his arms. The light shone on the bronze mirror and reflected directly back!

After the huge human face was reflected by the light, its expression became extremely ferocious, and at this time, various pictures began to flash in Mr. Shi’s bronze mirror!

I saw the spirit treasures flying in the picture, the light shining brightly, and various spells and spells intertwined into a brilliant light!

Just when Mr. Shi used the bronze mirror to block the light, the colorful rays of light above the copper coffin shone on Mr. Shi’s back. The corners of Mr. Shi’s eyes twitched slightly, but he did not move!

“I will never let you stop my plan...”

Wen Haotian roared angrily and rushed towards Mr. Shi, but Mr. Shi remained motionless.

“Mr. Shi.....”

When Chen Ping saw this, he instinctively rushed over.

Chen Ping’s whole body was covered in golden scales, and the dragon-slaying sword in his hand erupted into bursts of dragon roars!

brush.....

Chen Ping stood in front of Mr. Shi and slashed at Wen Haotian with his sword!

A golden dragon roared out, and the sharp sword energy turned into a golden dragon and headed straight for the powerful one!

Chapter: 4062

But the powerful man didn't seem to care. He just touched it gently with his hand, and the sharp sword energy was instantly resolved, and the golden dragon disappeared in an instant!

But a huge force rushed towards Chen Ping and hit Chen Ping hard!

Bang.....

Chen Ping's indestructible golden body shattered instantly, turned into powder and was blown away by a gust of wind!

And Chen Ping's body was like a kite with its string broken, flying far away, and then crashed heavily in front of everyone!

"Chen Ping....."

Everyone looked at Chen Ping nervously. At this time, Chen Ping was already more than ten meters deep underground!

"Owner....."

The fire phoenix turned its body and transformed into a phoenix, flashing its huge wings, spitting out balls of flames from its mouth, and headed straight for Wen Haotian!

Yu Qian and Su Yuqi rushed to treat Chen Ping and rescued Chen Ping from the pit!

At this time, even the demon envoy looked at Chen Ping and became very nervous. He did not want Chen Ping to die!

And those members of the Demonic Heart Sect, now that they know that their power is fake and that they were fooled to make them die, all of them have lost their fighting spirit and stopped fighting!

After Chen Ping was rescued, his eyes were wide open. Although his face was very ugly, no injuries could be seen!

Chen Ping stood up suddenly. He would never let that Wen Haotian take action against Mr. Shi!

But as soon as Chen Ping stood up, a mouthful of black blood spurted out, and Chen Ping's face became even more ugly!

"Chen Ping..." Su Yuqi hurriedly supported Chen Ping, her face full of distress!

At this moment, a phoenix cry sounded!

Immediately afterwards there was a loud sound, and everyone hurriedly looked and saw that the huge body of the fire phoenix fell from the sky, fell heavily to the ground, and transformed directly into a human form!

When Chen Ping saw that Huofeng had also been knocked down, he suddenly became extremely anxious.

"He must not be allowed to stop Mr. Shi, otherwise the entire secular world will suffer..."

Chen Ping shouted, trying to break away from Su Yuqi and rush towards Wen Haotian!

At this moment, the sword spirit Zhongli appeared instantly and headed straight for Wen Haotian!

"Chen Ping, you are seriously injured now. I will go..."

Su Yuqi also jumped up when she handed Chen Ping over to Wu Meier!

Chapter: 4063

“I’ll go too...” Yu Jiameng also jumped up!

After all, Chen Ping saved them, so of course Yu Jiameng can’t ignore it at this time!

“daughter.....”

When Yu Qian saw this, he shouted, and then said: “Guys, the matter has come to this, even if we risk our lives, we can’t let the secular world be destroyed...”

After saying that, Yu Qian also rushed forward, and Feng Jingyan, Yao Qisheng and others also followed!

“Let’s go too. This guy has imprisoned us for so many years, and it’s time for us to take revenge.”

After the great elder of the Weapon Refining Sect finished speaking, he rushed forward with a few brothers, and others responded one after another!

At this time, only the members of the Demon Heart Sect were left staring at each other with big eyes and small eyes, looking at each other in bewilderment!

“Brothers, we have been deceived for so many years, and now we need an explanation. If the secular world is destroyed, we will die without a burial place.”

“Come up with me...”

The demon envoy raised his arms and shouted, and everyone with the Demon Heart Sect also jumped into the air!

These people formed a human wall in front of Mr. Shi, blocking Wen Haotian's approach!

Wen Haotian looked at the people in front of him with cold eyes and said: "They are just a bunch of ants, do you still want to regret it?"

Wen Haotian didn't pay attention to everyone at all. No matter how many ants there are, they are still ants after all!

Sword Spirit Zhongli was the first to strike with his sword, while others also attacked Wen Haotian!

Countless spells, spiritual powers, and various weapons were thrown at Wen Haotian's body!

Wen Haotian snorted coldly, and then a faint light shrouded his body, instantly neutralizing all attacks.

Then with a gentle wave of his hand, a vast air blew towards everyone.

The human wall formed was instantly blown away by this vast air. Many people fell from the air and lost their lives in an instant!

Although there were many of them, they were really like ants in front of Wen Haotian!

Although the great elders of the Weapon Refining Sect are quite strong, they have been imprisoned for so many years and are still injured, so they cannot exert their full strength!

At this time, Mr. Shi was still quietly blocking the light, but Mr. Shi's face had become very ugly, and the aura on his body was disappearing at a speed visible to the naked eye!

"I said, no one can stop my plan..."

Wen Haotian's eyes narrowed slightly, and he slapped Mr. Shi with one palm!

Chapter: 4064

But just when Wen Haotian was about to take action, his vision suddenly went dark, and then a huge bell slammed down towards him!

Wen Haotian's body was directly trapped inside and fell rapidly to the ground!

Bang.....

The dragon-patterned bell fell to the ground, trapping Wen Haotian and Zeng inside!

"Dragon Pattern Bell....."

When Yu Qian and others saw the dragon pattern clock appearing, they were all shocked, and then looked at Chen Ping!

I saw a red flame mark on Chen Ping's forehead flashing, and at the same time, the dragon crystal in his body was also flashing!

Chen Ping's eyes were red, he held the clock hammer in his hand, and walked quickly towards the dragon pattern clock!

"Chen Ping actually started to burn his essence and blood. Does this mean he doesn't want to live?"

Seeing Chen Ping burning his essence and blood, the elders of the Weapon Refining Sect were all shocked!

Chen Ping walked up to the dragon pattern clock in three steps and struck it with a hammer!

Buzz.....

The dragon-patterned bell made a loud buzzing sound, and even Yu Qian and others who were far away couldn't help but cover their ears!

One can imagine how much shock will be experienced within the Dragon Pattern Bell!

"Hahaha, although this dragon pattern clock is good, it's a pity that you can't use its full power."

Inside the Dragon Pattern Bell, Wen Haotian burst into laughter. It was obvious that the hammer did not have any impact on him!

When Chen Ping saw this, a few drops of essence and blood were forced out from the center of his eyebrows, and the flame mark became even hotter!

"ah....."

Chen Ping burst out with all his strength and hit it hard with the bell hammer again!

Buzz.....

Along with a buzzing sound, terrifying auras spread rapidly around like ripples!

The whole earth began to tremble, and then the waves undulated, forming a shape like waves on the water!

After this strike, Wen Haotian finally made no movement in the Dragon Pattern Bell!

Chen Ping breathed a long sigh of relief when he saw this, but just when Chen Ping was about to relax, the Dragon Pattern Bell suddenly rose from the ground and soared into the sky!

Chapter: 4065

Then Wen Haotian came out of the Dragon Pattern Bell, looked at Chen Ping below, and said with a cold expression: "I said, this Dragon Pattern Bell is a good thing, but it's a pity that you can't use its full strength."

After Wen Haotian finished speaking, he instantly slapped the Dragon Pattern Bell down with one palm!

The dragon-patterned clock hit Chen Ping like a meteor. Upon seeing this, Chen Ping hurriedly rolled around and dodged!

The Dragon Pattern Bell hit the ground hard, causing waves of sound waves!

Many people were so shocked by this sound wave that they vomited blood and died!

Chen Ping was already in extreme embarrassment at this time. If he hadn't been burning his blood, he probably wouldn't even have the strength to stand up now!

"ah....."

Chen Ping put away the dragon pattern clock and had the God King's Bow in his hand!

Exploding all the power of the Dao pattern, Chen Ping pulled the bow string fiercely!

On the bow string, countless arrow feathers appeared densely in an instant!

But at this time, Wen Haotian didn't look at Chen Ping, but looked at the huge human face in the sky!

Because at this time, the huge human face began to become distorted and became lighter and lighter, as if it was about to disappear at any time!

“Stop it...”

Wen Haotian roared and rushed towards Mr. Shi!

Because if this huge human face disappears, then his plan for many years will fail, and he will disappear with this human face!

So he must not let Mr. Shi's hand go, he wants to stop Mr. Shi!

“Thousands of arrows pierce the heart.....”

Just when Wen Haotian rushed towards Mr. Shi, the bowstring in Chen Ping's hand was instantly released!

Countless arrows were flying towards Wen Haotian!

Wen Haotian didn't care at all, but directly used his body to catch these arrow feathers!

Although these arrow feathers did not cause any damage to Wen Haotian, they did slow down his speed!

After Chen Ping shot these arrow feathers, his body could no longer hold up and he instantly knelt on one knee on the ground!

Wen Haotian tried his best to pass through those arrow feathers. Seeing the huge human face getting lighter and lighter, Wen Haotian was already anxious!

When Wen Haotian passed through the arrow feathers and slapped Mr. Shi with his palm, a figure stood in front of Wen Haotian again!

Chapter: 4066

Wen Haotian was stunned, seeing that Chen Ping was already like this and still dared to stop him.

“Boy, go to hell...”

Wen Haotian slapped Chen Ping hard with his palm!

boom.....

A terrifying aura enveloped Chen Ping, and then Chen Ping’s body fell rapidly like a meteor!

But just when Wen Haotian slapped Chen Ping with his palm, the Dragon-Slaying Sword emitted a sword intent!

This sword intent was so pure that it protected Chen Ping’s heart!

Chen Ping’s body hit the ground heavily, and everyone thought Chen Ping was finished!

No one can survive under Wen Haotian’s palm!

Even Wen Haotian believed that Chen Ping had already died from all his tendons and veins at this time!

“Chen Ping...”

Su Yuqi and the others shouted!

Even Mr. Shi couldn’t help but look down at Chen Ping!

Just when everyone thought Chen Ping would die, Chen Ping slowly got up from the ground. Although his breath was extremely weak, he was still alive!

The pure sword intention just now is the life-saving sword intention given by Jian Lao. It will save Chen Ping's life when Chen Ping is in danger!

Without this life-saving sword intention, Chen Ping would have turned into meat by now!

Seeing that Chen Ping was still alive, Wen Haotian's eyes were full of disbelief, but he had no time to deal with Chen Ping now, he had to stop Mr. Shi as soon as possible!

Wen Haotian slapped Mr. Shi with his palm, but Mr. Shi smiled faintly at him!

Immediately afterwards, I saw the huge human face begin to slowly dissipate, and finally disappeared without a trace!

"No....."

Wen Haotian's eyes widened and he yelled at the top of his lungs. He was unwilling to accept that his plan for so many years had come to nothing!

"I'm going to kill you, I'm going to kill you..."

Wen Haotian roared, he wanted to kill Mr. Shi immediately!

Unfortunately, before Wen Haotian could take action, his whole body began to tremble, and then his body burst into flames.

Chapter: 4067

Wen Haotian put the Bagua mark on that huge man's face. Now that the face has disappeared, Wen Haotian can't survive!

It only took a few seconds for Wen Haotian's body to burn up, leaving not even ashes behind!

It's like it disappeared out of thin air!

The moment Wen Haotian disappeared, several unwilling shouts came from the depths of the Huo Fen Sect!

Along with the disappearance of the huge human face, the colorful glow on the copper coffin slowly extinguished, and then the copper coffin also slowly disappeared!

At the same time, Mr. Shi's body was slowly disappearing. At this time, Mr. Shi's body was also becoming lighter and lighter!

"Mr. Shi....."

Seeing this, Chen Ping used his last strength to jump up and reach Mr. Shi's side!

He desperately tried to catch Mr. Shi, but failed several times in a row.

"No, I can't let you die, I can never let you die..."

Chen Ping looked at Mr. Shi who was slowly disappearing. He felt like he was going crazy. He tried his best to spurt out blood essence and blood, causing the blood essence to burn around him to prevent Mr. Shi from disappearing!

But it's no use, Mr. Shi's body is still slowly fading!

"No....."

Chen Ping roared, tears bursting out!

During these years, Chen Ping has received a lot of care from Mr. Shi. At this time, Chen Ping has already regarded Mr. Shi as his relative!

How could he not feel uncomfortable now as he watched his loved ones disappear before his eyes?

“Chen Ping, you don’t have to feel bad, we will meet again, you have to practice hard, I will wait for you...”

Mr. Shi said to Chen Ping with a smile!

It seems that Mr. Shi is not afraid of his own death at all!

Under Chen Ping’s gaze, the last figure of Mr. Shi also disappeared, and the whole sky returned to calm!

And just after Mr. Shi’s body disappeared, in a deep mountain mansion in the world of heaven and humanity, a middle-aged man who looked exactly like Mr. Shi opened his eyes in the study!

The middle-aged man’s face was very pale, and there was a trace of blood flowing from the corner of his mouth!

“Mr. Shi, I have summoned everyone in the house...”

At this time, an old housekeeper pushed in the door, looked at Mr. Shi’s face for a moment, and then said!

Chapter: 4068

“Tell them not to walk around freely recently. The world of heaven and humans may be undergoing a major reshuffle...”

Mr. Shi said calmly!

“As ordered...” The old housekeeper retreated!

Mr. Shi walked to the window, opened it, looked at the sky and murmured to himself: “Chen Ping, can you still persist? As the truth gets closer, it will become more and more dangerous. I hope you can I can persist until the end!”

At this time, in the secular world, Chen Ping could no longer bear it. He fell from mid-air. His physical weakness and mental shock made Chen Ping fall into a near coma!

“Owner.....”

“Chen Ping...”

Su Yuqi, Huofeng and the others all ran towards Chen Ping!

But before they could reach Chen Ping, they saw a black hole appear in the sky, and a huge suction force came, and Chen Ping’s body was sucked into the black hole!

“Chen Ping...”

Su Yuqi rushed towards the black hole without hesitation!

“Owner.....”

The fire phoenix also rushed towards the black hole!

The Great Elder of the Weapon Refining Sect and others looked at the sudden appearance of the black hole and were immediately excited: “The passage is open, let’s go quickly...”

After the great elder of the Weapon Refining Sect finished speaking, he took the lead and rushed into the black hole!

Several other elders, as well as the prisoners from the Heaven and Human Realm, all rushed in!

Just as these people rushed into the black hole, no one noticed that where Ning Zhi fell, a ball of light was instantly sucked into the black hole.

Yu Qian and others looked at the passage leading to the world of heaven and man, and were stunned for a moment!

The Celestial Realm is the place they yearn for, but now that the passage is in front of them, they hesitate. They don't know if they can survive in the Celestial Realm with their ability?

And now that the spiritual energy has recovered, perhaps practicing in the secular world is also a good choice!

Just when Yu Qian and others were hesitating, Yu Jiameng jumped into the black hole while Yu Qian was not paying attention!

“daughter.....”

Seeing this, Yu Qian instinctively chased after Yu Jiameng, trying to catch Yu Jiameng. Unfortunately, after Yu Jiameng entered the black hole, the black hole disappeared instantly, and Yu Qian was unable to catch it!

Looking at the disappearing black hole, Yu Qian was worried in his heart. He was worried about Yu Jiameng's safety!

Chapter: 4069

But now that the black hole has disappeared, there is no point worrying about it!

So Yu Qian and others followed the people from the Demon Heart Sect and after looking at each other, they all left!

The demon envoy was worried. Chen Ping's life and death were uncertain. The mark in his mind was not removed, and he didn't know how long he could live!

Soon, the demon envoy also left with the people from the Demon Heart Sect!

"Xiaoru, let's go home quickly and tell Sister Ruxue and the others..."

Wu Meier called Xiaoru and quickly rushed back to Longmen, Kyoto.

Kyoto Dragon Gate!

The return of Wu Meier and Xiaoru caused chaos in Kyoto Longmen!

After learning that Chen Ping was sucked away by the black hole and that Su Yuqi also jumped into the black hole to save Chen Ping, Ji Ruxue and the other girls were extremely anxious.

"Sister Ruxue, what should we do? We have to find a way to rescue Chen Ping!"

A group of girls all looked at Ji Ruxue.

When Chen Ping was away, these girls all obeyed Ji Ruxue. After all, Ji Ruxue had been the palace master herself and had more experience in handling things!

"We can't panic now, we can't be anxious, we must be steady. Don't tell our mother about this first, otherwise she will be anxious if she finds out!"

Ji Ruxue whirled her brain and said quickly!

Ever since Chen Ping became married to them, all the girls started calling them mom after Long Ruotong!

“What we need to figure out now is where does the black hole lead to? Without a purpose, we can’t find it!”

Ge Yuhan said!

“I don’t know where the black hole leads to, but I heard them talk about the world of heaven and humanity, and I don’t really understand it either!”

Wu Mei’er didn’t know about the world of heaven and humans, this was the first time she heard about it!

“The Realm of Heaven and Humanity?” Ji Ruxue frowned slightly: “When I was practicing with Mr. Shi, I heard him mention this place once or twice!”

“I know that this world of heaven and earth is a holy land for cultivators of immortality. I heard that the monks in the secret realm all go to the world of heaven and earth, but how to get there, I don’t know!”

After all, Ge Yuhan is a person in the secret realm, so he still has some understanding of the heaven and human world!

“I don’t know how to get to the Heaven and Human Realm, so how can I save Chen Ping?”

Xiaolan said!

Chapter: 4070

“Now that Mr. Shi is gone, who should we ask?”

Ji Ruxue looked solemn and didn’t know what to do. If Mr. Shi was here, they could ask Mr. Shi for advice!

“Master Hu should know about the Heaven and Human Realm. Let’s ask him if he knows how to enter the Heaven and Human Realm?”

At this time, Han Qinger, who had been silent for a long time, spoke!

“Yes, let’s ask Master Hu. I think he is very knowledgeable!”

Ge Jiayi agreed!

Seeing everyone saying this, Ji Ruxue took these girls to find Hu Mazi!

Hu Mazi felt guilty when he saw all Chen Ping’s women coming to him. He thought these women had discovered that he was always eavesdropping in the corner!

“Master Hu, we have something to ask you...”

Ji Ruxue followed Hu Mazi and told him the whole story.

When Hu Mazi heard that Chen Ping was sucked away by the black hole and went to the world of heaven and man, and was seriously injured, he suddenly looked anxious.

“I know a little bit about the Heavenly and Human Realm, but to enter the Heavenly and Human Realm, you need to reach a certain level of strength, tear apart time and space, and open a passage. With our current strength, I’m afraid we can’t do it!”

After all, Hu Mazi followed Chen Ping to the Heaven and Human Realm some time ago, but he did not have the ability to open the passage to the Heaven and Human Realm!

When they heard that it requires very high strength to tear apart time and space and open the passage to the world of heaven and humans, all the girls fell silent!

“I’m going to ask my father if there’s anything I can do...”

Ge Yuhan wanted to ask Ge Cangsheng if there was any way to open the passage to the heaven and human world!

After all, Ge Cangsheng is the strongest here, but Ge Yuhan also knows in his heart that Ge Cangsheng will definitely not be able to open the time and space channel. If he could open it, Ge Cangsheng would have gone to the world of heaven and man long ago. Why should he yearn for it every day?

But there is nothing we can do now, it's always good to ask one more person!

But just when Ge Yuhan was about to ask his father, Xing Jun walked in.

“Captain Xing?”

Seeing Xing Jun coming, Ji Ruxue and the others were very puzzled!

Ji Ruxue and the others often go to the Dharma Protector Pavilion to ask Mr. Shi for training, and they are familiar with Xing Jun. However, Xing Jun rarely comes to Longmen. They don't understand why Xing Jun comes here suddenly.

“Miss Ruxue, before Mr. Shi left, he asked me to give you a letter!”

Xing Jun gave a letter to Ji Ruxue and left!
