3-4 minutes

---

The house here is too dilapidated and the environment is not good. Chen Ping wants to take his parents to live in Panlong Bay, but he dare not tell the truth and can only say that he borrowed it from a friend.

As for the 10 million bank card, Chen Ping didn't dare to let his parents know. He had no way to explain the origin of the money.

Did he tell his parents that after three years in prison, he practiced immortal magic and became the master of some kind of Tianlong Palace?

I'm afraid that after saying this, his parents will lock him up as a lunatic.

"Friend's house, where is your friend's house?"

Tang Hongying asked curiously.

"In Panlong Bay!"

Chen Ping tried his best to speak calmly.

"What?"

Tang Hongying and Chen Baoguo exclaimed at the same time!

You must know that Panlongwan is the most expensive community in the entire Hongcheng. The people living there are either rich or expensive. Even if Chen Baoguo keeps his job, even if he works for a hundred years, he may not be able to buy a house in Panlongwan.

"What kind of friend of yours actually owns a house in Panlong Bay and even lent it to you?"

Chen Baoguo asked Chen Ping with a cold face.

"I...just a friend of mine!"

Chen Ping said vaguely.

“Hmph!” Chen Baoguo snorted coldly: “Do you think your mother and I are stupid? Then lie to us with such words. How could you have such a friend? It’s also impossible for anyone to lend you the house in Panlong Bay. I didn’t learn it well in prison, but I learned how to brag. From now on, I will find a job in a down-to-earth manner and stop daydreaming!”

After Chen Baoguo finished speaking, he put on his work clothes and prepared to leave. He didn’t believe that Chen Ping could borrow a house in Panlong Bay.

“Dad, you haven’t seen it yet, why do you think I’m bragging? I’ve grown up so big, is it so difficult for you to admit me once? I still have to take you to move here today!”

Chen Ping shouted loudly. Chen Baoguo had never praised Chen Ping since he was a child. Even though Chen Ping had excellent academic performance in college and became the president of the student union, he still could not get Chen Baoguo’s recognition. This may be Chen Baoguo’s education method. !

“Okay, okay!” Tang Hongying hurriedly dissuaded: “Old man, you said you are serious. The child has just come out, can’t you speak more nicely?”

Tang Hongying reprimanded Chen Baoguo a few words, then turned to Chen Ping and said: “Chen Ping, mom believes what you said, you take mom to Panlong Bay, I have never been there before!”

“Mom, I’m going out to call a taxi and pack my things at home!”

After Chen Ping finished speaking, he walked out. When passing Chen Baoguo, Chen Ping whispered: “Dad, I really didn’t lie to you. You will know if you follow me!”

After Chen Ping left, Chen Baoguo hesitated and finally took off his work clothes!

.....

Panlongwan villa area!

The security guards standing on both sides held their heads high and held their chests high. Being able to be a security guard here was an extremely honorable thing. It didn't matter that there was no way to get in through the back door!

A taxi stopped steadily at the door of Panlongwan Villa. Seeing this, a security guard hurried forward and stopped the taxi.

"What do you do?"

the security guard asked strangely.

He has been working as a security guard here for three years, and he has never seen anyone who comes to Panlong Bay as a taxi and can live here. He is not a wealthy businessman. He has several cars at home, and there are even several drivers!

"We are the owners here!"

Chen Ping got out of the passenger seat and said to the security guard very politely.

"Owner?" The security guard looked at Chen Ping, then looked at Chen Ping's parents in the taxi, and suddenly sneered: "I have seen a lot of people like you. If you want to visit Panlong Bay, just hang around outside. , you are not allowed inside!"

The security guard's meaning was very obvious, that is, he didn't believe that Chen Ping was the owner!

Whether it's from Chen Ping's clothes or the appearance of Chen Ping's parents in the car, he doesn't look like someone who can afford a house in Panlong Bay!

Because of the beautiful scenery of Panlong Bay, many people pretend to be owners and sneak into Panlong Bay as if they are traveling, and the security guard also thinks that Chen Ping is such a person!

Chen Ping frowned: "I am really the owner here, I have the key to the house inside!"

Chen Ping said and took out the key!

This key was given to Chen Ping by Su Wenzong. The key is inlaid with the golden Panlong Bay logo. It is very delicate and the authenticity of the key can be seen at a glance.

The security guard took a look at the key and couldn't help but look at Chen Ping again: "Tell me, where did this key come from? This is the key to the villa on the top of Panlong Bay. This villa is the most expensive and was bought by Mr. Su. Why? Maybe it will be in your hands?"

When Chen Ping heard this, he was also stunned. He did not expect that the villa Su Wenzong gave him was the most expensive one in Panlong Bay. This gift was really not small!

"This is what Mr. Su gave me."

Chen Ping said truthfully.

"Nonsense, I think if you must have stolen or picked this up, how could I give it to you!"

The security guard shouted sharply, then waved his hand, and four or five security guards gathered around.

"Keep an eye on them, I'll make a call!"

The security guard just gave the order and then hurriedly left with the car keys!

Upon seeing this, Chen Baoguo hurriedly pulled Tang Hongying out of the taxi, and the taxi driver was also frightened. He put down Chen Ping's things and drove away!

"Chen Ping, what's wrong? What happened?"

Tang Hongying couldn't see it and could only ask doubtfully.

"Mom, it's okay. We'll go in in a moment. It's just a routine inspection. Security in Panlong Bay is very tight."

Chen Ping comforted Tang Hongying!

"Of course, this is the best villa area in Hongcheng. Mom can smell the fragrance of flowers here!"

Tang Hongying looked excited!

Chen Baoguo looked at Chen Ping angrily. Now that they were stopped and surrounded by security guards, it was obvious that there was something wrong. He didn't believe that Chen Ping would have a friend to lend him a house in Panlong Bay. .

At this moment, a black Mercedes-Benz slowly stopped in front of Chen Ping and the others.

"Hey, isn't this Chen Ping? Why are you and your family here? You brought so many things with you. Could it be that you moved to Panlong Bay?"

The car door opened and Fu Wei got out of the passenger seat and looked at Chen Ping with a sarcastic face!

Then Geng Shanshan and Jiang Wenjing also got out of the car!

The three of them looked at Chen Ping's family jokingly. They also came to Panlong Bay for shopping. Mainly because Geng Shanshan wanted to show off the wedding house Xiao Lei bought in Panlong Bay, so she brought Fu Wei and Jiang Wenjing!

As a result, we happened to encounter such a scene, and the three of us just happened to watch the fun!

Chen Ping glanced at the three people coldly and ignored them!

"How is this going?"

Geng Shanshan asked a security guard.

When the security guard saw Geng Shanshan dressed beautifully and driving a Mercedes-Benz, he didn't dare to offend her and said in a low voice: "Miss, these people said they were the owners of Panlong Bay and took out the keys to the villa inside. Our captain suspected the key was picked up or stolen by them, so I went to verify it."

As soon as the security guard's words came out, Geng Shanshan and the three of them burst into laughter, laughing so hard that they were out of breath!

"Hahaha, Chen Ping, you are such a fucking talent. Just take a villa key and then come and say that you are the owner. Are you stupid yourself, or do you think others are a fool?"

Fu Weiwei smiled, his eyes full of ridicule.

“Do you know how much a villa here costs? Can you afford it? Your road-sweeping dad will never be able to buy you a villa here in a hundred years!”

Jiang Wenjing couldn't help but laugh.

“Hurry up and get rid of these people, especially this guy. He is a reform-through-labor prisoner who was just released today. If he is allowed in, it will affect the reputation of the community!”

Geng Shanshan pointed at Chen Ping and said.

When the security guards heard this, they all became nervous and took out their batons. If Chen Ping was really a reform-through-labor prisoner who had just been released, the owners of the community would definitely feel uncomfortable if they knew about it. Then they, the security guards, would be in trouble. .

“Chen Ping, why don't you take your blind mother and street sweeper father and get out of here quickly? Do you really need the security to take action before you leave?”

Fu Wei looked at Chen Pingdao with a sneer.

“What did you say?”

When Chen Ping heard Fu Wei talking about his parents, he couldn't help clenching his fists together.

“What, you still want to hit me?” Fu Wei was not afraid at all, he couldn't help laughing, and walked to Chen Ping: “I know you studied in prison, but do you know where this place is? How dare you Do you want to do it? Believe it or not, I will send you in!”

Fu Wei looked arrogant and pushed Chen Ping hard!

“Chen Ping, let's go, let's go...”

Tang Hongying took Chen Ping's arm and said with a pleading voice.

She was afraid that Chen Ping was causing trouble. She knew that Chen Ping had just been released today and had a criminal record. If he was sent to jail again for fighting, Tang Hongying would really not have the courage to live!

Chen Baoguo's face turned green with anger at this time. He glared at Chen Ping and said, "Go back without taking the things. It's embarrassing..."

Chen Baoguo started to pack his things and prepared to carry them back. He really couldn't afford to lose this person!

"Hahaha, get out of here quickly. If you let me see you, I will definitely avenge that slap!"

Fu Wei cursed fiercely at Chen Ping.

"Okay, hurry up and get in the car. Talking to such a person is beneath your dignity!"

Geng Shanshan called Fu Wei, and then the three of them got in the car and drove directly into the Panlong Bay villa area!

"Mom, wait a minute, this villa was really lent to me by a friend!"

Chen Ping persuaded Tang Hongying and told her not to worry!

"What are you waiting for? Are you waiting to be embarrassed and beaten out?"

Chen Baoguo yelled at Chen Ping.

Chen Ping opened his mouth to retort, wanting to start a fight with his father, but looking at his father's head of white hair, Chen Ping swallowed his words when he reached his lips.

At this moment, the security captain with the key hurriedly ran back. After seeing Chen Ping, he immediately said with a flattering face: "Mr. Chen, I'm really sorry. We made a mistake. Damn it. Now we can send you up!"

After finishing speaking, the security captain yelled at the security guards holding batons: "If you don't put the sticks away yet, go drive and send Mr. Chen's family in!"

“Oh!” Several security guards nodded hurriedly, then drove a car, loaded the things into the car, and sent Chen Ping’s family into Panlong Bay!

In the car, Chen Baoguo’s expression changed again and again. He wanted to talk to Chen Ping, but he didn’t know what to say!

“Chen Ping, I didn’t expect it to be true. What kind of friend are you? I dare to lend you such a villa!”

Tang Hongying was sitting in the car, smelling the fragrance of flowers in the Panlongwan villa area, not to mention how excited she was!

“Mom, if you have a chance, I’ll just let you meet my friend!”

Chen Ping knew that Tang Hongying was curious, so he planned to find an opportunity for Su Yuqi to meet her parents.

In front of a villa halfway up the mountain in Panlong Bay, Geng Shanshan’s car stopped, and all three people got out of the car!

“Shanshan, you are so happy. This villa is so luxurious and has such a view. If I had a house like this, I would live ten years shorter!”

Jiang Wenjing looked at the villa in front of her with envy in her eyes.

“What’s this? The Panlongwan villa, but the price gets more expensive as it goes up. The most expensive one is the villa on the roof. I don’t know if it was bought by that big shot!”

Geng Shanshan said, looking towards the top of the mountain!

At this time, a car drove past them, with the window open, and Chen Ping’s face was revealed, with a bit of a sneer on his face, looking at Geng Shanshan and the other three.

“Chen Ping, isn’t that person in the car Chen Ping?”

Fu Wei was the first to spot Chen Ping and shouted loudly.

Geng Shanshan and Jiang Wenjing also discovered Chen Ping at this time. Seeing the sneer on Chen Ping’s face, Geng Shanshan became extremely angry!

“How did this guy get in? Are these security guards useless?”

Geng Shanshan roared!

“Could this guy really be the owner? Didn’t you see that the security guard was driving the car and sent them in!”

Jiang Wenjing frowned and said with a puzzled look on her face.

“They are still driving towards the mountain. Is their villa still up there?”

Fu Wei also raised his head, watching the vehicle drive farther and farther and higher!

“Impossible. It’s absolutely impossible for Chen Ping to buy a house here. I know the details about his family best!”

Geng Shanshan denied it strongly. She knew that Chen Ping could not have the money to buy a house here!

“Could it be that the Su family gave it to him? I remember Mr. Su said that Chen Ping seemed to have saved his life!”

---

Jiang Wenjing analyzed carefully.

“It’s possible!” Fu Wei nodded: “I don’t know what kind of bad luck this guy had, but he actually saved Mr. Su’s life. Otherwise, Chen Ping would definitely die in the Regal Hotel today!”

Geng Shanshan gritted her teeth, then opened the car door and said, “Follow me and have a look!”

Geng Shanshan must see if Chen Ping really has a house in Panlong Bay.

Geng Shanshan’s Mercedes-Benz followed behind, watching Chen Ping and the others’ car drive all the way towards the top of the mountain!

“This...isn’t this Chen Ping’s house the most expensive one on the top of the mountain?”

Jiang Wenjing said with shock on her face as she watched the car in front of her driving towards the top of the mountain.

“How is it possible? The house on the top of the mountain is worth at least 100 million. Even if Chen Ping’s family is sold, he can’t afford it. Even if it is a gift from the Su family, it is impossible to be generous enough to give away a 100 million house!”

Fu Wei didn’t believe it.

But soon, the car in front really reached the top of the mountain, but Geng Shanshan and their Mercedes-Benz were stopped!

“Hello miss, you can’t move forward because it’s a private place up there!”

A security guard stopped Geng Shanshan’s car!

Chen Ping had long noticed that Geng Shanshan and the others were following behind. When he saw that they were stopped, a sneer appeared on Chen Ping’s face!

After reaching the top of the mountain, the entire top of the mountain was shrouded in clouds and mist, like a fairyland!

Chen Baoguo and Chen Ping were both stunned by the scenery. Tang Hongying couldn’t see it, but she felt the fresh air around her and her face was full of intoxication!

Several security guards moved Chen Ping and his belongings into the house and put them away. The security captain apologized to Chen Ping again before leaving!

“Mom, you and my dad will live here from now on. The air here is very good, suitable for you to recuperate!”

Chen Ping took Tang Hongying’s hand and walked toward the villa!

When Chen Baoguo entered the villa, he was stunned. He had never seen such magnificence in his life!

At this time, Chen Baoguo opened his mouth. He wanted to apologize after Chen Ping. After all, he had misunderstood, but no matter how hard he tried, Chen Baoguo could not say it out.

After walking around the house, Chen Ping said: “Dad, Mom, I’ll take you outside for a walk and learn the roads, so you don’t get lost by then!”

“Okay, okay, tell Mom carefully. Although Mom can’t see it, she can feel it!”

Tang Hongying smiled with wrinkles all over her face!

“Mom, don’t worry, I will definitely cure your eyes!”

3-3 minutes

---

Chen Ping took his parents out of the villa and enjoyed the beautiful scenery on the top of the mountain!

While Chen Ping was introducing Tang Hongying, he felt a little refreshing from nature, which was also mixed with spiritual energy!

You must know that Chen Ping needs spiritual energy to practice. The spiritual energy here is obviously much richer than down there, which is more helpful for Chen Ping to practice!

“This is really a good place to practice!”

Chen Ping couldn’t help but sigh!

“What did you say?” Tang Hongying asked.

“Oh, it’s nothing. I said this is really a good place to retire!”

Chen Ping smiled lightly!

When they turned to the road they came from, they found that Geng Shanshan and the three people had not left. At this time, the three people saw Chen Ping appear and all focused their attention on Chen Ping.

Chen Ping looked at Geng Shanshan and the others with a sneer. They were separated by a gate in the middle, but this gate became a symbol of two identities!

Chen Ping looked down at the three of them with disdain in his eyes.

Geng Shanshan looked at Chen Ping like that and gritted her teeth in anger. She couldn't figure out how Chen Ping became the owner of the villa on the top of the mountain.

"Chen Ping, you are such a good friend. I am willing to lend you such a nice villa. When you have time, let's invite your friend to have a meal with us!"

Tang Hongying had no idea that Geng Shanshan was right in front of her, so she said to Chen Ping.

"Okay!" Chen Ping nodded.

"Damn, it turns out I borrowed it, I thought it was his!"

When Geng Shanshan heard this, she felt very happy!

"I asked my friends and found out that this villa belongs to the Su family. It seems that Chen Ping borrowed it to show off!"

Fu Wei held the phone and looked at the information on it and said.

"This guy saved Su Wenzong's life. He plans to live with the Su family for the rest of his life. He even borrowed the villa to show off!"

Jiang Wenjing sneered.

All three people looked at Chen Ping with disdain, no longer feeling like a dwarf just now!

"Even if I borrow the villa, I'm still better than you. If you have the skills, come up!"

Chen Ping listened to the sour ridicule of the three people and hooked his hands towards them!

"Chen Ping, don't be proud, I don't believe that the Su family will protect you for the rest of your life!"

Geng Shanshan spat hard, turned around and left!

They didn't like the way they looked up at Chen Ping.

"Chen Ping, don't have any contact with Geng Shanshan anymore. That kind of woman is a snake and scorpion. Anyone who gets close will be bitten!"

After Tang Hongying heard Geng Shanshan's voice, she persuaded Chen Ping.

"Mom, I get it, let's go for a spin!"

Chen Ping helped Tang Hongying continue to move around, while Chen Baoguo followed behind with his hands behind his back!

After being tired from shopping, I went back to the villa to rest. At this time, a red Porsche parked at the door of the villa!

Chen Ping took a look and saw that Su Yuqi was here!

"Miss Su, why are you here?"

Chen Ping asked in surprise.

"Don't always call me Miss Su, Miss Su. I have a name. Just call me Yu Qi!"

Su Yuqi said to Chen Ping: "I heard the security guard here called and said that they suspected you of stealing the key and stopped you. I was afraid of any misunderstanding, so I rushed here!"

When Chen Ping saw that Su Yuqi came here specifically for this matter, he felt grateful and said: "It's okay, the misunderstanding has been explained clearly, but there is something I still need your help with!"

"What's the matter, tell me!" Su Yuqi nodded.

"I told my parents that the house was borrowed. You happened to be here, so you went in to help me deal with it. You just said that you lent me the house. There are many things I don't want my parents to know!"

Chen Ping said softly.

"This is easy to handle!"

Su Yuqi smiled slightly and thought about walking into the villa, but just after taking two steps, Su Yuqi suddenly turned back and looked at Chen Ping: "Tell me, does this count as meeting my parents?"

"Well....."

Chen Ping was speechless for a while and was stunned on the spot!

"I'm kidding you, I'm scaring you!"

Su Yuqi smiled and walked into the villa!

Chen Ping gave a wry smile and followed in. In fact, after Su Yuqi just said those words about meeting her parents, Chen Ping's heart really palpitated!

## **The Order of the Dragon King Chapter: 49**

3-4 minutes

---

He is just an ordinary person, and Su Yuqi is the eldest lady of the Su family. The difference in status between the two is too great, so Chen Ping is a little scared!

"Dad, Mom, this is the friend I told you about who lent me the house, Su Yuqi!"

Entering the villa, Chen Ping followed Chen Baoguo and Tang Hongying to introduce them.

Upon hearing that this house belonged to someone else, Tang Hongying and Chen Baoguo, who were sitting on the sofa, stood up hurriedly!

"Hello uncle, hello auntie, I came in a hurry and didn't buy you any gifts!"

Su Yuqi said very politely.

"Ms. Su, you're so polite. You can lend such a nice house to my family, Chen Ping. Our family doesn't know what to say. If it weren't for you, I'm afraid we would never be able to live in such a nice house in our lives!"

Tang Hongying looked humble. After finishing speaking, she pushed Chen Baoguo next to her: "Old man, hurry up and pour tea for Miss Su!"

“oh!”

Chen Baoguo nodded hurriedly!

Chen Baoguo was dumbfounded just now. He really didn't expect that Chen Ping had such a beautiful friend. And judging from Su Yuqi's dress and temperament, she must be the daughter of a wealthy family, and a wealthy family, otherwise it would be impossible to afford Panlong Bay. villa!

If Chen Baoguo knew that Su Yuqi was the daughter of Su Wenzong, the richest man in Hongcheng, he would probably be shocked out of his wits!

“Uncle, don't be busy, I can do it myself!”

Su Yuqi hurriedly went up to him and poured herself a cup of tea!

Then he poured a cup of red date tea for Chen Baoguo and Tang Hongying!

This is Su Yuqi's home, of course she knows where to put things!

“Uncle, auntie, this is red date tea. It has a faint sweet taste, but it is very effective in lowering fat and blood pressure. It is suitable for you elderly people to drink!”

Su Yuqi put the tea in front of Chen Baoguo and Tang Hongying!

“Miss Su is so polite. Although I can't see it, I can tell by her voice that Miss Su is a beautiful woman with a kind heart. If anyone can marry Miss Su, it will be a blessing earned in eight lifetimes.” !”

Tang Hongying said with something in mind.

Regardless of Su Yuqi's identity, she could lend such an expensive villa to Chen Ping, which proves that she doesn't hate Chen Ping, and even has a good impression of Chen Ping. Otherwise, who would lend such an expensive villa to an ordinary friend!

So Tang Hongying thought about trying to trick Su Yuqi and see what Su Yuqi meant!

“Auntie, I'm not as good as you said. In fact, I have a bad temper. Chen Ping thought I had a bad temper and even yelled at me!”

How could Su Yuqi not understand the meaning of Tang Hongying's words, so she smiled slightly and said half-jokingly.

## The Order of the Dragon King Chapter: 50

3-4 minutes

---

"Really?" Tang Hongying was stunned, and immediately waved to Su Yuqi and said: "Miss Su, come sit here with me. In fact, my Chen Ping is usually quite honest, but sometimes he is like a stubborn donkey. This is up to him. If he dares to yell at you, tell me and I will teach him a lesson for you!"

When Su Yuqi heard this, she chuckled: "Like a stubborn donkey?"

While laughing, Su Yuqi didn't forget to look at Chen Ping, making Chen Ping look embarrassed!

"Mom, stop talking nonsense. I'm still busy and don't have time to sit and chat with you!"

Chen Ping was planning to let Su Yuqi leave, otherwise he might not know what else Tang Hongying would say!

"It's okay, I like chatting with auntie!"

Su Yuqi actually sat next to Tang Hongying!

At this time, Tang Hongying smiled from ear to ear, grabbed Su Yuqi's hand, and the two started chatting. They chatted for more than two hours, until it got dark, and Su Yuqi left!

"Chen Ping, Miss Su is really good. From her words, you can tell that she is a rich lady, but she has no airs at all. You have to work hard!"

Su Yuqi walked back and Tang Hongying said to Chen Ping.

"Mom, we are just friends!"

Chen Ping said helplessly.

"Chen Ping, I think Miss Su is not bad. Listen to your mother and work harder. Your father is always right about people!"

At this time, Chen Baoguo also spoke.

You must know that Chen Baoguo would not easily follow Chen Ping in saying these words. This time it seemed that he really liked Su Yuqi. He felt that Su Yuqi was good, so he persuaded Chen Ping.

“Okay, don’t worry about it!”

Chen Ping was speechless for a while and walked into the bedroom!

After entering the bedroom, Chen Ping did not lie down directly to sleep. Instead, he sat cross-legged, closed his eyes slightly, and with a thought, the Heart Condensation Art began to activate, and the surrounding aura instantly surged towards Chen Ping like a tide!

In the past three years, Chen Ping has been practicing and has never taken a day off. This is also Lao Longtou’s request. Although he is released from prison now and Old Longtou can no longer control him, Chen Ping will continue to persevere!

Soon, the spiritual energy from the top of the mountain slowly entered Chen Ping’s body along with Chen Ping’s breathing. The spiritual energy formed a small vortex around Chen Ping’s body, and was then inhaled into Chen Ping’s body.

Now Chen Ping is only in the Qi training period, so he absorbs less spiritual energy during breathing. Even if he inhales a large amount of spiritual energy, his current body cannot consume it all at once. He needs to gradually increase his strength!

Time flew by, and soon the sun appeared on the horizon, and Chen Ping slowly opened his eyes.

Taking a long breath, Chen Ping felt that his body felt more comfortable than ever before. The spiritual energy here was much richer and purer than in the prison. After practicing, he didn’t feel tired at all!

“Chen Ping, it’s time to have breakfast!”
