

## **The Order 4101**

Chapter: 4101

Zhu Zhu whispered to Chen Ping!

Chen Ping looked at the miracle doctor, a little surprised. He didn't expect that the miracle doctor was so young, barely a few years older than himself!

However, even though he is called a miracle doctor in a place like this, he is probably not that strong.

Ali and the others were waiting in line at the back. Soon the people in front asked for medicine and left. Yun'er hurriedly stepped forward and said: "Doctor Zhang, I want to ask you to treat my grandma's eyes. I have money now... ."

Doctor Zhang opened his eyes. When he saw it was Yun'er, he was not surprised at all. It seemed that he had seen Yun'er more than once!

"As long as you have money, let alone heal your grandma's eyes, you can even ask me to bring your grandma back to life. Where is the money?"

Doctor Zhang asked Yun'er!

"it's here....."

Yun'er quickly placed the fifty spirit coins she had just received from selling the body of the demon wolf in front of Divine Doctor Zhang!

Doctor Zhang looked at the spirit coin, shook his head slightly and said, "The money is not enough!"

"Divine Doctor Zhang, this is fifty spirit coins. I told me at the beginning that fifty spirit coins are enough."

Yun'er said with a surprised face!

"That was the price a year ago. Now it costs at least one hundred spirit coins!"

Doctor Zhang said slowly!

When Yun'er heard this, she was dumbfounded. Someone else didn't want the fifty spirit coins and then collected them for her. Now it suddenly increased to one hundred spirit coins. Where can she find it?

"Mr. Zhang, you can't keep your word? You've clearly said before that fifty spirit coins will do!"

Ali said very dissatisfied!

"That was before. Now it costs one hundred spirit coins. If you don't have money, then leave quickly and don't affect my business!"

Doctor Zhang's expression also started to turn gloomy!

"Doctor Zhang, I beg you, please heal my grandma's eyes!"

Yun'er said, and actually knelt down in front of the miracle doctor Zhang!

Yun'er knew that if the miracle doctor didn't agree this time, she didn't know how long it would take to save up one hundred spirit coins!

But Doctor Zhang looked indifferent to Yun'er's kneeling, showing no mercy at all. Maybe he had seen too many people kneeling down to beg for help!

“Yun’er, get up, a pharmacist like this has no medical ethics and his level is not much higher. I think he is just boasting!”

Chapter: 4102

Chen Ping stepped forward and helped Yun’er up, looked at the miracle doctor with disdain in his eyes and said!

When Doctor Zhang saw that Chen Ping dared to talk about him like this, he immediately glared and said, “Boy, are you here to cause trouble? If you want to die, I will never let you walk out of Qingshi Town alive.”

“Doctor Zhang, calm down, this friend of mine is just talking nonsense!”

“Since the price of Doctor Zhang has gone up, let’s just collect the money!”

Seeing that Divine Doctor Zhang was angry, Ali quickly explained that he knew the strength of Divine Doctor Zhang in Qingshi Town.

If Divine Doctor Zhang said a word, they were afraid that no one would be able to leave Qingshi Town!

“Get out of here!” Doctor Zhang waved his hand!

Ali winked at Chen Ping, telling Chen Ping to stop talking and follow him out of here!

But Yun’er didn’t want to leave. She wanted to seek help from this miracle doctor, but she was forcefully pulled out by Ali!

Everyone knows that this miracle doctor values wealth as much as life, so how could he pity Yun’er!

But not long after Chen Ping and the others left, a man walked out of a room behind Divine Doctor Zhang. He was about forty years old and was wearing a smart outfit.

After Doctor Zhang saw this person, he quickly stood up and said, "Brother, why are you here?"

"Master asked me to inform you that an agrimony has grown on the mountains nearby. I want you to prepare more manpower and follow me up the mountain to pick it tomorrow!"

The handsome man said!

"Is there agrimony around here?" Doctor Zhang was immediately surprised: "That's agrimony. Why does it grow in this mountain range? Is there a mistake?"

"What did you say?" The well-dressed man's eyes widened!

"Senior brother, I just said it casually, and I definitely didn't mean to disbelieve Master. However, I am afraid it will be difficult to prepare manpower temporarily!"

Doctor Zhang said with a hint of embarrassment!

"That's your business. I'm only responsible for informing you. You know the consequences of delaying the master's instructions, right?"

After the handsome man finished speaking, he turned around and left!

The miracle doctor frowned and began to worry about manpower!

But soon, Doctor Zhang seemed to have thought of something and hurriedly shouted: "Disciple, go and find the four people who just left here!"

Doctor Zhang wants to get Chen Ping and the others back. Now they have something to ask of him. As long as they agree to accompany him to pick agrimony, he can help Yun'er's grandma heal her eyes!

“Yun’er, don’t be discouraged. After we hunt down a few monsters and sell them for money, we will soon be able to collect the money to treat your grandma’s eyes!”

Chapter: 4103

Ali saw Yun’er lowering her head and feeling depressed, so he quickly comforted her!

But Yun’er still didn’t say anything, because she couldn’t keep all the money for herself selfishly, after all, other people also have to live!

“Yun’er, it’s not like I can’t cure your grandma’s eyes at all. As long as I can find the high-grade spiritual herbs that can cure eyes, I might be able to cure your grandma’s eyes as well. Don’t be discouraged!”

Chen Ping persuaded Yun’er!

If Chen Ping regains his strength, and with the help of high-grade spiritual grass, he might really be able to heal Granny Ling’er’s eyes!

“Brother Chen Ping, is it true?” Yun’er quickly raised her head after hearing what Chen Ping said!

“Of course, how could I lie to you.”

Chen Ping smiled lightly!

Yun’er laughed. As long as there is hope, she will not give up!

But at this moment, a child about ten years old hurriedly caught up with Chen Ping and the others, and then said: “Please stay, my master wants you to go back...”

“Who is your master?” Chen Ping asked in confusion.

“My master is the miracle doctor Zhang Biaozhang!”

said the child!

Upon hearing that it was Doctor Zhang who asked them to go back, Ali asked in confusion: “What did your master want us to go back for?”

The child shook his head: “Then I don’t know, my master didn’t tell me!”

“Brother Ali, brother Chen Ping, let’s go back and take a look. Maybe Doctor Zhang feels that the price of fifty spirit coins is acceptable!”

When Yun’er heard that it was Doctor Zhang who asked them to go back, she immediately became happy!

“Okay, let’s go back and take a look!” Chen Ping nodded, and then everyone walked back!

This time, Zhang Biao was no longer as arrogant as he was at the beginning, and his attitude was obviously much better!

“Doctor Zhang, if you let us come back, can we treat my grandma’s eyes with fifty spirit coins?”

When Yun’er saw Zhang Biao, she couldn’t wait to ask!

Zhang Biao shook his head: “Fifty spirit coins are definitely not enough, but I can treat your grandma’s eyes for free, but you have to promise me one thing!”

“What’s going on?” Yun’er asked.

“You will accompany me to the mountains tomorrow to pick a medicinal herb. After successfully picking the medicinal herb, I can help your grandma cure her eyes for free!”

Chapter: 4104

Zhang Biao said to Yun'er!

"That's it?" Yun'er couldn't believe it. It was too simple, so she turned to look at Ali!

After all, Yun'er herself can't decide what happens to Ali and the others. If Ali isn't willing to go, then there's no point in agreeing to it herself!

"Doctor Zhang, is it really as simple as accompanying you to pick a medicinal herb?"

Ali couldn't believe it. What else could such a thing be called?

"Of course, you still doubt that I lied to you?" Zhang Biao said with a cold expression!

"No, no, no, I just think it's too simple. We agreed to accompany Divine Doctor Zhang to pick herbs tomorrow."

Ali agreed without hesitation!

"Okay, you will stay in Qingshi Town today, and we will set off early tomorrow morning."

Zhang Biao said!

Ali nodded, and then left the security hall with Chen Ping and the others. As soon as they came out, Yun'er jumped up happily: "Grandma can finally rebuild the light!"

"I never expected that this miracle doctor would put forward such a simple condition!"

The pillars are incredible!

“Maybe he was touched by Yun’er’s filial piety. Now Yun’er is relieved and no longer has to worry about her grandma’s eyes!”

Ali said with a smile!

But Chen Ping, who had been silent, was not as optimistic as Ali and the others. He did not believe that the conscience of the miracle doctor found that picking herbs this time must be extremely dangerous.

However, Chen Ping didn’t make it clear. He didn’t want to affect Yun’er and Ali’s moods. Chen Ping would just have to be more vigilant when the time comes. Anyway, with Chen Ping’s current strength, no one in the nearby villages can beat him!

Chen Ping and the others found a small hotel, then rested and waited for the next day!

At this time, deep in the mountains, on the territory of the demon wolf group, the leader of the demon wolf is crawling at the feet of a man who is covered with hair and looks like a savage!

The demon wolf made a low whine from its mouth, and the man sometimes frowned and sometimes relaxed. He could understand the demon wolf’s language!

This man is also a demon wolf transformed into a human form, but because he has not reached the level of strength, he has not yet completely transformed into a human being!

“How can a human possess the aura of a divine beast? Is he also one of our beast clan?”

The man was lost in thought.

.....

Chapter: 4105

The next day, Chen Ping and the others arrived at the Security Hall early. After arriving at the Security Hall, Chen Ping and the others discovered that Zhang Biao had also arranged for others to accompany him to collect herbs!

At this time, a dozen people gathered in front of the security hall, and Chen Ping and others also stood in the crowd.

Soon Zhang Biao came out, and beside Zhang Biao, his senior brother Wu Feiyu followed.

“Senior brother, do you think these people I found are pretty good?”

Zhang Biao said carefully beside Wu Feiyu!

Wu Feiyu just glanced at everyone indifferently, and suddenly his eyes stayed on Chen Ping for a moment. At this time, Chen Ping was also looking at Wu Feiyu, and the two looked at each other!

Wu Feiyu moved his eyes away from Chen Ping, but Chen Ping kept looking at Wu Feiyu. Chen Ping’s current strength has not fully recovered, and there is no way to see through Wu Feiyu, but he can be sure that Wu Feiyu Yu’s strength will definitely not be too low!

In such a remote town, the sudden appearance of a master like Wu Feiyu gave Chen Ping a sense of crisis. His current strength could not compete with the masters of the heaven and human world!

“lets go.....”

Wu Feiyu glanced at everyone and said to Zhang Biao!

Zhang Biao nodded, and then said loudly: “You just need to be obedient and follow me to pick the herbs. I think I will honor everything I promised you. Now let’s set off...”

Following Zhang Biao’s order, the group walked towards the mountains!

“What’s going on? Why are you picking herbs and bringing so many people with you?”

Yun'er finally felt something was wrong, so she said!

"It seems that picking herbs this time is not as easy as imagined. We all need to be careful!"

Ali also saw that things were not simple!

"Brother Ali, as long as brother Chen Ping is here, we don't have to worry about anything!"

Zhu Zhu is not afraid at all, he has reached the point of blind worship of Chen Ping!

"We'd better be careful, this trip will definitely be dangerous..."

Chen Ping reminded me!

Chen Ping didn't know why, but the first time he saw Wu Feiyu, he felt that this person was a very cruel person!

After walking for several hours, everyone entered the mountains. The dense forest blocked the sun!

Although they entered the mountains, their expressions did not change. After all, this is the edge of the mountains. Even if there are monsters, they will not be very powerful. People like them can definitely deal with them!

Along the way, Zhang Biao always looked for opportunities to talk to Wu Feiyu, but Wu Feiyu seemed to be indifferent!

Chapter: 4106

"Who is this guy? It seems that Divine Doctor Zhang is quite afraid of him. You must know that Divine Doctor Zhang is also a famous figure in Qingshi Town, but this guy doesn't give him any face at all!"

Zhu Zhu saw Zhang Biao's humble look in front of Wu Feiyu and said in confusion!

“I haven’t seen this person in Qingshi Town either. His face is very strange...”

Ali looked at Wu Feiyu and said!

“This is Divine Doctor Zhang’s senior brother. Of course Divine Doctor Zhang is afraid of him...”

While Ali and the others were talking, a middle-aged man with a beard approached Ali and the others and said!

Ali glanced at the middle-aged man with vigilance in his eyes. After all, he had to be vigilant when facing people he didn’t know in the world of heaven and man!

The middle-aged man looked at the vigilance in Ali’s eyes, and then continued: “My name is Hu Zhuang, from Jinle Village...”

“Are you from Jinle Village?” Zhuzhu stepped forward and looked at Hu Zhuang and said, “Why are you here? Didn’t you say that your Jinle Village was massacred by Daqing Village a long time ago?”

After hearing what Zhu Zhu said, Hu Zhuang looked slightly sad and said: “I was massacred, but I escaped. I came back this time to take revenge.”

Ali looked at Hu Zhuang in front of him. He didn’t seem to be lying, so he felt a pity in his heart and said: “How can you take revenge on your own? I’m afraid you won’t even be able to enter Daqing Village!”

“Even if I die, I will take revenge. This time, Doctor Zhang promised me to refine a burst pill for me. I promised to accompany him to collect the medicine.”

Hu Zhuang said!

Upon hearing about the Blast Pill, Ali and others had a flash of surprise on their faces, and Chen Ping also had a slightly moved expression on his face!

Although the Bakugan Pill can quickly improve one's strength, it can only last for ten minutes, and then the whole person will explode like a bomb, leaving no body behind!

It seems that Hu Zhuang is determined to sacrifice himself for revenge!

"You just said that person is the senior brother of Divine Doctor Zhang. What's going on?"

Chen Ping asked Hu Zhuang.

"Yes, I haven't heard that Divine Doctor Zhang has any senior brothers, let alone any sect that Divine Doctor Zhang has!"

Ali has dealt with Divine Doctor Zhang several times, and he has come to Qingshi Town more than once or twice. He has never been mentioned by anyone before!

After Hu Zhuang glanced around twice, he then whispered: "This man's name is Wu Feiyu, he is from the Jade Cauldron Sect. Divine Doctor Zhang is a disciple of the Jade Cauldron Sect. It was Wu Feiyu who asked us to accompany us to the mountains to collect medicine. Doctor Zhang, who was ordered by Fei Yu, heard that what he was going to pick was a fairy grass!"

Chen Ping looked at Hu Zhuang, his face sank slightly and said, "How do you know this? Why do you tell us?"

You must know that some things are secrets and will not be told to others easily. Moreover, in the world of gods and humans, people are unpredictable and people are suspicious of each other. How can anyone be kind!

Ali and the others also looked at Hu Zhuang, and unconsciously surrounded him!

Chapter: 4107

Hu Zhuang suddenly told them this, and deliberately tried to get close to them, so Ali and the others had to be wary!

Hu Zhuang sensed the hostility of Chen Ping and others and quickly explained: "I overheard all this. I originally wanted to go to the security hall to steal medicine. I didn't have money to buy it, but I overheard this information."

"The reason why I tell you is to form an alliance with you. You must know that the fairy grass grows deep in the mountains, and it may be protected by spiritual beasts, so this time it will be very dangerous."

"I am the only one in this team. If I am really in danger, there will be no one to help me."

Hu Zhuang's explanation was quite understandable, but Chen Ping did not believe it easily, but continued to ask: "Then why did you choose to ally with me? We are not the strongest."

After all, among this team, Chen Ping and the others are the least conspicuous. There are two men, one woman, and a medium-sized child. If they choose to form an alliance, they must choose the strongest to form an alliance!

Hu Zhuang smiled bitterly and said: "Because it is safest to choose to form an alliance with you. I know that you are from Dashi Village, and you also have a grudge against Daqing Village."

"I really want to form an alliance with a powerful one, but they may not accept me? Maybe they will betray me to Daqing Village."

"I chose you because even if you don't accept me, you won't betray me to Daqing Village."

After hearing this, Chen Ping's hostility slowly disappeared. He knew that what Hu Zhuang said was true!

After all, in this situation, Hu Zhuang had no choice. From this point of view, what Hu Zhuang said about the situation of Divine Doctor Zhang cannot be false!

Although Chen Ping was relieved about Hu Zhuang, he was full of worries about the next trip!

Chen Ping still doesn't know what kind of fairy grass Wu Feiyu and the others are going to pick, but if they can reach the level of fairy grass, they will definitely be protected by spiritual beasts.

Even if there are no spiritual beasts, the high-level monsters that enter the depths of the mountains and appear everywhere will probably make these people unable to return!

"I knew it didn't happen this way. I didn't expect that what Doctor Zhang wanted to pick was fairy grass. Now I'm going to be in trouble..."

Ali frowned and said!

"Brother Ali, why don't we just run away secretly? Don't follow us!"

Zhuzi was a little scared when he heard that he was going to pick fairy grass deep in the mountains. After all, the depths of the mountains were a taboo place for them!

"You can't run away. The strength of Divine Doctor Zhang is beyond comparison with ours. If we try to escape secretly now, we might not be able to run very far before he kills us!"

Hu Zhuang quickly asked Zhu Zhu to give up the idea of escape!

When Zhuzi heard this, his little face turned pale with fright and he said, "Then what should we do? If we really go deep into the mountains, we will all become food for monsters!"

Ali fell silent because he had no choice.

Yun'er said with a guilty look on her face: "Brother Ali, brother Chen Ping, I'm sorry for you. If it weren't for me, I wouldn't have taken this risk."

"Yun'er, it has nothing to do with you. Although you are picking fairy grass, it is not necessarily very dangerous. Just be optimistic and everything will be fine!"

Chapter: 4108

Chen Ping smiled slightly and comforted Yun'er!

However, Chen Ping's heart was not as relaxed as it seemed at this time, because he knew that Wu Feiyu's strength was certainly not low, and that Zhang Biao, these two people were stronger than them, why should he let him go? How about accompanying these people who are not very strong to collect medicine?

You must know that these are nearby villagers with low levels of strength. It is obvious that they cannot defeat those high-level monsters when they enter the depths of the mountains. However, Wu Feiyu still wants to do this. There must be other purposes in it, and he will never do it. It's as simple as escorting and protecting!

However, in order to stabilize the hearts of Yun'er and Ali, Chen Ping did not tell what he had analyzed!

"Can I join you? If not, I hope you won't expose my identity!"

Hu Zhuang looked at Chen Ping expectantly, because he also saw that Chen Ping was the leader of these four people!

"I agree that you will join us. If there is any danger, I hope we can help each other!"

Chen Ping looked at Hu Zhuang and said!

When Hu Zhuang saw that Chen Ping agreed, a smile suddenly appeared on his face, and the eyes he looked at Chen Ping and the others began to become determined and trusting!

Hu Zhuang joined Chen Ping and the others, and no one paid attention. At this time, everyone had begun to slowly enter the depths of the mountains!

The aura of the surrounding monsters is getting stronger and stronger. Many people have taken out their weapons and are looking around cautiously!

Some were timid and even had cold sweat on their foreheads!

However, Zhang Biao and Wu Feiyu still seemed relaxed and not nervous about going deep into the mountains.

Looking at the expressions of Zhang Biao and Wu Feiyu, Chen Ping knew that the strength of these two people was not too bad!

“Ouch...”

Suddenly, there was a roar of a demonic beast, which instantly stopped everyone, and then they saw a demonic wolf that was as big as a yak flying towards them!

Judging from the size of this demon wolf, the strength is definitely not low, otherwise he would not dare to charge at so many people alone!

Seeing the demon wolf rushing over, Ali and others nervously showed off their weapons!

But just when the demon wolf rushed in front of everyone, he saw Wu Feiyu wave his right hand, and a white light flashed out!

Immediately afterwards, the demon wolf screamed, rolled twice on the ground in an instant, and died immediately!

Everyone was shocked to see Wu Feiyu kill a demon wolf with a casual wave of his hand!

Chen Ping looked at the body of the demon wolf and found that a shining silver dart was stuck on the demon wolf's head!

Being able to kill such a large demon wolf with a dart, Chen Ping felt that Wu Feiyu's strength must be above that of the out-of-body realm!

“Okay, stop looking and keep walking..”

Chapter: 4109

Zhang Biao shouted loudly!

Everyone began to continue to move forward behind Zhang Biao and Wu Feiyu, but many people kept looking back at the body of the demon wolf. You must know that such a large demon wolf is very valuable, but they can't take away the demon wolf now. Corpse!

“Brother Chen Ping, such a big demon wolf corpse will definitely fetch a good price. Can you put this demon wolf corpse into a storage ring?”

Zhuzhu looked at the body of the demon wolf and felt sorry for it, so he said to Chen Ping!

But Chen Ping shook his head slightly, and then whispered to Zhuzi: “Zhuzi, I have something to do with the storage ring. Don't tell it out easily, so as not to cause unnecessary trouble!”

“If I put the body of the demon wolf in the storage ring, then these people will know about it. Do you think they will not be tempted when they see a treasure like the storage ring?”

Zhuzi is still small, so he still knows too little about human nature and is somewhat naive.

“Zhuzi, Chen Ping is right. Don't expose your strength and trump cards easily outside. If these people know that Chen Ping has a storage ring, they might attack us.”

“It's also possible that Zhang Biao and his senior brother also want the storage ring and attack us. Do you think we are the opponents of that Zhang Biao?”

Ali also took the opportunity to educate Zhu Zhu!

After hearing this, Zhu Zhu nodded: “I understand...”

Just after everyone left, a man covered in hair slowly walked up to the body of the demon wolf that had just been killed!

He slowly squatted down and pulled out the dart from the head of the demon wolf!

“Ouch.....”

Immediately afterwards, a wolf roar came out from the man’s mouth, and then hundreds of demon wolves gathered from all directions!

This man led hundreds of demon wolves towards Chen Ping and the others!

“This is the territory of the Demon Wolf Clan, everyone, please be careful...”

Zhang Biao warned loudly.

Everyone did not dare to breathe, and quietly followed Zhang Biao and Wu Feiyu!

At this time, Zhang Biao and Wu Feiyu began to have nervous expressions on their faces!

As the sky gradually darkened, Zhang Biao asked everyone to set up camp and selected a few people to take turns guarding. Chen Ping was among the people guarding the place.

After deciding where to set up camp, Wu Feiyu took out a cloth bag with some white powder in it, and then sprinkled it around!

“Brother Chen Ping, let me help you guard the place tonight. You should get more rest!”

Zhuzi offered to help Chen Ping stand guard. After all, he must be tired after walking such a long way!

Chapter: 4110

Chen Ping smiled slightly, touched Zhu Zhu's head and said, "Just rest, I'll be fine!"

Ali and Yun'er also wanted to help Chen Ping, but Chen Ping refused!

Because Chen Ping also wanted to take advantage of the opportunity of sentry to observe the surroundings!

Although Chen Ping's strength did not respond, and his consciousness was not as strong as before, he always felt that there was the aura of a monster following behind them!

After all, Chen Ping has the power of dragon and phoenix in his body, and the power of this mythical beast is very sensitive to the breath of beasts!

After the night fell, everyone fell asleep. After all, they were tired after walking so far. Chen Ping stood quietly on one side, looking in one direction in the dark night!

Slowly, a demon wolf slowly began to approach the camp. Chen Ping had already felt it, but he did not make a sound or stop it!

Just as the demon wolf approached the camp, it suddenly stopped. It seemed that it had discovered something terrible, and it began to become anxious, and then turned around and ran back!

Chen Ping looked at the white powder on the ground and knew that it must have played a role. It seemed that Wu Feiyu's alchemy skills were not bad!

Not long after the demon wolf ran away, a figure appeared behind a big tree. When Chen Ping saw the figure, he frowned slightly!

Then he moved towards the figure without hesitation, and the figure turned around and ran away.

Just like that, Chen Ping was chasing after him, but the figure in front didn't run away!

However, before running far, the figure stopped, and Chen Ping stood not far away from the figure and asked in a low voice: "Who are you? Why do you smell of monsters all over your body?"

He saw the figure slowly turning around, and the hair on his body instantly made Chen Ping understand that the person in front of him was transformed into a monster!

Being able to transform from a monster into a human form shows that the opponent's strength is not low, and it is definitely not something Chen Ping can handle with his current strength, but Chen Ping is not nervous!

The power of the dragon and phoenix in his body is his magic weapon to restrain the monsters. Even if he cannot defeat the opponent, it will be difficult for the opponent to hurt him!

"Who are you? Why do you have the aura of a human being and the aura of a divine beast at the same time?"

The other party asked Chen Ping in return!

However, Chen Ping did not answer. After all, he did not know the other party's intentions. How could Chen Ping reveal his identity!

Neither Chen Ping nor the other party were talking, they were just looking at each other!

There was distrust of each other in their eyes.

At this moment, there was a sudden sound, and then the man's figure flashed and instantly disappeared into the night.

But just as the other party walked away, he said in a secret voice transmission method: "My name is Lang Feng, and I will be looking for you..."

Chen Ping wanted to ask the other party more, but Zhang Biao's voice came from behind him: "You're not guarding the camp, so what are you doing here? Do you want to escape?"
