

The Order 411

Chapter: 411

You must know that each of these rich second generations is more arrogant and domineering than the last, but when being scolded by the Wei family's bodyguards, none of them dared to speak and walked away obediently!

Geng Shanshan looked at the scene in front of her and was extremely shocked. She always thought that by being with Xiao Lei, she would be the pinnacle of her life. But now that she saw this scene, she found that she was really a frog in the well!

"Come out with me, I have something to ask you!"

Wei Tao followed Xiao Lei and turned around to walk out.

But when he turned around, he took a look at Geng Shanshan next to Xiao Lei. Now Geng Shanshan hurriedly raised her chest and raised her head, trying her best to show off in front of Wei Tao!

Wei Tao raised his lips and left directly, while Xiao Lei shook his body and was helped out of the bar by Geng Shanshan!

Wei Tao was sitting on a Rolls-Royce waiting for them. After rolling down the window, Wei Tao said to Xiao Lei: "Get in the car!"

Geng Shanshan helped Xiao Lei get into the car, but Xiao Lei pushed him away: "Get out of the way!"

Geng Shanshan pretended to look pitiful and couldn't help but look at Wei Tao!

"Let her come up!"

Wei Tao spoke, Xiao Lei didn't dare to say anything, Geng Shanshan got into the car!

The car drove for more than half an hour before stopping on a road that was under construction!

It was pitch dark all around, there were no street lights, it looked a bit scary!

“Wei... Mr. Wei, what do you want from me?”

Looking at the darkness all around, Xiao Lei had already woken up from the wine!

“Everyone else, get down!”

Wei Tao ordered the bodyguard to go down, and then glanced at Geng Shanshan!

Geng Shanshan also opened the car door and walked out slowly!

At this time, only Wei Tao and Xiao Lei were left in the car, and cold sweat began to break out on Xiao Lei's forehead!

He didn't feel that he had offended anyone in the Wei family. He didn't know what Wei Tao wanted to do with him and brought him to such a place!

“That woman is your girlfriend?” Wei Tao asked.

“Yes, no, no, no...”

Xiao Lei shook his head: “Not now!”

Seeing Xiao Lei like that, Wei Tao snorted coldly: “Coward, it was because of Chen Ping that you broke up, right? That woman is Chen Ping's ex-girlfriend.”

Chapter: 412

Xiao Lei was stunned for a moment. He didn't know how Wei Tao knew these things?

"You don't have to look at me in such surprise. Nothing in Jiangbei Province can be hidden from me. Are you, a noble son of the Xiao family, willing to be oppressed by a labor reform prisoner?"

Wei Tao looked at Xiao Lei with disdain and asked.

"Hey!" Xiao Lei sighed: "Young Master Wei doesn't know what Chen Ping is capable of. He is attracted by people like Gu Wentian, Lin Tianhu and Su Wenzong, and they all treat him with great respect. My Xiao family can't compare!"

"Hahaha, Gu Wentian, Lin Tianhu, Su Wenzong are so powerful, they are really scary..."

Wei Tao laughed, his eyes full of disdain.

Xiao Lei said with a look of embarrassment: "Of course these people are nothing in Mr. Wei's eyes, but how can I, the Xiao family, dare to compete with Mr. Wei!"

"Xiao Lei, I will give you a chance now, are you willing?"

Wei Tao narrowed his eyes.

Xiao Lei was startled and said: "I don't know what opportunity Mr. Wei is talking about!"

"I can let you take revenge on Chen Ping to your heart's content, but none of the people you mentioned dare to help him..."

Wei Tao said with a half-smile.

"Really?" Xiao Lei's eyes lit up, but soon dimmed and he said, "Why does Mr. Wei want to help me? I don't think Mr. Wei is happy to help others!"

“Hahaha, helping others? I, Wei Tao, never help others. When I help you deal with Chen Ping, I am also helping myself. Have you forgotten my relationship with Su Yuqi?”

Wei Tao laughed!

Xiao Lei was stunned for a moment, but then said with excitement: “Master Wei likes Su Yuqi, but now Chen Ping is very close to Su Yuqi. The two of them have even said in public that they are boyfriend and girlfriend!”

“Yes, how could my Wei Tao’s woman be snatched away by a reform-through-labor prisoner? Let me tell you the truth. That Ling Feng also had his wrist broken by Chen Ping. Now he hates Chen Ping deeply. Do you think I am behind it?” You and Ling Feng are supporting you, who dares to help Chen Ping?”

Wei Tao said with a gloomy look.

“Ling Feng?” Xiao Lei’s eyes suddenly widened: “Is he Mayor Ling’s son?”

“Yes, Ling Feng also likes Su Yuqi. You should have heard about the conflict between the two of them. Now Ling Feng cannot show up because of his identity. After all, I have come from afar, so it is not suitable. So The most suitable candidate is you!”

Wei Tao followed Xiao Lei without hesitation.

“Hahaha, hahaha... This Chen Ping is really a longevity star who always eats arsenic. He thinks he has a long life. He even dares to beat Mayor Ling’s son. This time he is definitely dead!” Xiao Lei laughed, His face was full of excitement: “If he had known this, I wouldn’t have given it to him from my two companies!”

“Kill Chen Ping and the company will return to your hands!” Wei Tao smiled!

“Yes!” Xiao Lei nodded: “Master Wei, what should I do? Then Chen Ping knows Kung Fu and is very strong. I’m afraid...”

Chapter: 413

“Don’t worry, I brought these two bodyguards for you to dispatch. They are both masters. In addition, as long as you do this, make sure that Chen Ping obeys...”

Wei Tao whispered in Xiao Lei’s ear!

After listening to Wei Tao’s words, Xiao Lei couldn’t help but shudder: “Master Wei, this...isn’t this okay? Then Su Wenzong will definitely take revenge crazily.”

“You are afraid of a ball. If you don’t do anything to Su Yuqi, she is just a bait. When the time comes, you will be handed over to me. How can Su Wenzong do anything to me?”

Wei Tao glanced at Xiao Lei with disdain.

“That’s right!” Xiao Lei nodded: “Since Mr. Wei is backing me, I don’t have to be afraid!”

“Go ahead, I believe in you. When our two families join forces, your Xiao family will definitely become the richest man in Hongcheng!”

Wei Tao patted Xiao Lei on the shoulder.

“Don’t worry, Mr. Wei, I will definitely get things done!” Xiao Lei opened the car door excitedly and was about to get out of the car!

“Wait a minute!” Wei Tao shouted to Xiao Lei!

“Master Wei, do you have any other instructions?”

Xiao Lei asked.

“I will stay in Hongcheng for a few days this time. Let this woman accompany me for a few days. It will save me too much boredom!”

Wei Tao pointed at Geng Shanshan and said.

“Master Wei likes it, just take it and use it!”

Xiao Lei didn't care, she was just a woman, no big deal!

Xiao Lei got out of the car, looked at Geng Shanshan and said, “Your opportunity has come. Serve Mr. Wei well, and maybe you will become famous!”

Geng Shanshan was stunned and before she could react, the two bodyguards directly picked up Geng Shanshan and threw her into the car, then closed the car door and left with Xiao Lei!

Xiao Lei looked at his still bandaged arm, a gloomy cold light flashed in his eyes.

“Wei... Mr. Wei, you... what are you going to do?”

Geng Shanshan looked at Wei Tao in the car, a little scared.

“What are you afraid of? I won't eat you. Women who can accompany me, Wei Tao, are lucky. As long as you follow me, no one in Hongcheng will dare to mess with you...”

Wei Tao said and rushed towards Geng Shanshan.

“don't want.....”

Chapter: 414

Geng Shanshan struggled symbolically for a few times and quickly complied!

The car body shook violently, and bursts of screams came out...

.....

Early the next morning, after Chen Ping had breakfast, he called Lin Tianhu, and then went to Tianyuan Restaurant to find Lin Tianhu!

He wanted Lin Tianhu to get rid of the Xiao Huan Dan in his hand as soon as possible, and he was also going to prepare the medicinal materials!

Chen Ping must seize the time to accumulate funds and improve his cultivation as soon as possible. He can't wait to go to Suolong Island. He is very curious about what is on Suolong Island and why his biological mother will not let him go!

In a room in the restaurant, Lin Tianhu followed Chen Ping with a little shame: "Mr. Chen, this Xiao Huan Dan is indeed a good thing, but... we said it is very effective, but no one believes it. Besides, People don't believe me even more because of my status, they all say that I'm trying to make money in my name, and besides, the price of this small repayment pill cannot be too cheap, which makes people even more suspicious!"

Lin Tianhu also looked helpless. Who would have thought that he, the underground emperor, would now start selling medicine.

"Don't sell the Xiao Huan Dan in your hand now. Give it away directly, but you can't give it away secretly. You hold a Xiao Huan Dan press conference. Only people with assets of more than 50 million can participate. At that time, people will be selected on the spot. Just give these little repaying pills away!"

Chen Ping knew that at this time, he needed to build momentum and let everyone know that this Xiaohuan Dan was indeed effective.

"Send them all away? Is this...isn't this too wasteful?"

Lin Tianhu felt a little pity. After all, he knew that these small rejuvenation pills were like elixirs, so he took one himself. The result was like returning to the youthful state of twenty years old, and his body felt particularly comfortable.

“Don’t be afraid of waste. As long as someone takes these and it works for us and helps us promote it, the market will definitely open up. In addition, you can send people to continue purchasing medicinal materials according to the list I gave you!”

Chen Ping said to Lin Tianhu.

“Okay, I’ll spread the news now and hold a press conference in the lobby of my restaurant at noon!”

Lin Tianhu nodded and said.

“Well, I’ll stay here in the morning, if there’s something coming for me!”

Chen Ping decided to see if the press conference could be successful, and also to prevent any unexpected events from happening!

Although Xiao Huan Dan can strengthen the body, prolong life, and has miraculous effects on men’s functions, it is not a magic medicine that can cure all diseases. Therefore, Chen Ping is here to prevent any special diseases. Xiao Huan Dan is useless. When the time comes, he can still take action, which will also increase everyone’s credibility towards Xiao Huan Dan!

With Lin Tianhu’s status, after the news spread, many business leaders came here one after another. After all, some people also wanted to take the opportunity to make friends with Lin Tianhu!

At noon, there were already dozens of people in the hall, each worth more than 50 million, talking to each other and discussing Lin Tianhu’s small return pill this time!

“Master Hu is a sociable man, why is he still taking medicine?”

“I heard that this pill can strengthen the body, prolong life, and most importantly, make men rejuvenated. It sounds like a miracle drug!”

“Let’s take a look and tell. Anyway, I don’t really believe it. Who can see this to strengthen the body and prolong life? Who knows whether it works or not?”

Chapter: 415

“In my opinion, Master Hu has been short of money recently and wants to use the name of selling medicine to get everyone to spend some money!”

Everyone was talking in low voices, but not many people believed it!

Lin Tianhu was not a medicine maker, so how could he suddenly have a magic medicine in his hands? More people thought that this was just a way for Lin Tianhu to make money!

You can’t just use a knife to force everyone to take money. That would be a robbery. Now you say you have magic medicine in your hand and sell it to rich people like them at a high price. This is not illegal and can make money. As for Who cares what the pill is? It might be a sugar pill!

While everyone was discussing, Chen Ping walked out. He had actually heard everyone’s discussion, and now Chen Ping’s hearing and eyesight were different from ordinary people!

“Mr. Chen.....”

After seeing Chen Ping, many merchants greeted him politely!

After all, at the banquet held by Gu Wentian, many people had seen Chen Ping’s ability. He was the man who defeated even Feng Sihai, and both Gu Wentian and Lin Tianhu respected him!

Chen Ping nodded slightly as a greeting. After walking around in the crowd, Chen Ping had a sense of proportion. Almost all of these wealthy businessmen were suffering from diseases, and all of them were male!

After all, rich people like these will indulge in excessive sexual activities after they get rich. Now as they grow older, they will definitely have problems. Now these people have male diseases, so it will be easier to talk about later. After all, the curative effect in this area is the fastest and most significant. It's visible and tangible!

"Someone is coming from the provincial capital!"

I don't know who suddenly shouted, and everyone's eyes were attracted!

They all wanted to see who in the provincial capital could actually get the news and come here!

The door to the hall was pushed open, and a man and a woman walked in together!

The man and woman were Wei Tao and Geng Shanshan. Originally, Wei Tao was asking Geng Shanshan to accompany him for a walk. He heard that Lin Tianhu was holding a press conference for Xiao Huan Dan, so he came over to take a look at the excitement. He wanted to see what kind of Xiao Huan Dan it was. What the hell!

"Master Wei, it turns out that Master Wei is here..."

Seeing Wei Tao coming, everyone rushed forward and followed Wei Tao to say hello!

You must know that in front of the Wei family in the provincial capital, these small families in Hongcheng are really nothing to mention!

Wei Tao just nodded with a cold expression. He had no regard for the families in a small place like Hongcheng.

But Geng Shanshan was different. Seeing so many rich and powerful people coming to say hello, Geng Shanshan felt like she was floating. Her back was very straight, and her face looked a bit arrogant!

When Chen Ping saw Geng Shanshan getting close to someone else, he smiled bitterly and prepared to leave!

He really wants to slap himself twice now. Why didn't he see Geng Shanshan's character clearly when he was in college? Fortunately, the two of them are not married, otherwise he would be wearing a cuckold!

"Chen Ping..."

But just when Chen Ping was about to turn around and leave, Geng Shanshan went to find him.

Chapter: 416

When Wei Tao heard the word "Chen Ping", his eyes suddenly lit up, and he followed Geng Shanshan's gaze and looked over!

Chen Ping stopped and looked at Geng Shanshan coldly!

Geng Shanshan, on the other hand, held Wei Tao's arm and walked towards Chen Ping!

"Chen Ping, I really didn't expect to meet you here. I almost forgot that you are also a billionaire!" Geng Shanshan looked at Chen Ping with a playful look: "Let me introduce to you, this is Mr. Wei, from the Wei family in the provincial capital!"

Geng Shanshan deliberately emphasized the word "provincial capital" very hard, for fear that Chen Ping wouldn't hear the same thing!

"You are Chen Ping, I have admired you for a long time..."

Wei Tao stretched out his hand towards Chen Ping, with hostility in his eyes!

Chen Ping didn't know Wei Tao, and he didn't understand why this guy was hostile to him. Could it be because of Geng Shanshan?

Chen Ping stretched out his hand and shook it with Wei Tao!

But just when Chen Ping was about to take his hand out, he found that Wei Tao was holding him tightly and had no intention of letting go!

Immediately afterwards, a powerful force struck, and Chen Ping's hands began to deform!

There was a smile on the corner of Wei Tao's mouth. He had been training in the army for many years, so he was different from other rich second generations!

Wei Tao's own strength is not low!

Chen Ping's eyes narrowed slightly, and then the spiritual energy in his dantian rolled, and a terrifying force came out of Chen Ping's hand. Wei Tao's expression changed instantly!

Wei Tao struggled hard, but couldn't break free at all. At this time, cold sweat began to form on Wei Tao's forehead!

But in front of so many people, wouldn't it be too embarrassing if Wei Tao screamed or begged for mercy!

"Mr. Wei, I didn't expect you to come. It's really disappointing to welcome you from afar!"

Lin Tianhu came out at this time and hurriedly greeted him!

Chen Ping took advantage of this, snorted coldly, looked at Wei Tao contemptuously, and let Wei Tao go!

Wei Tao's hands were shaking slightly and had lost their blood. After glaring at Chen Ping angrily, Wei Tao ignored Lin Tianhu and turned around and walked out!

“Mr. Chen, this is the young master of the Wei family in the provincial capital. Try not to provoke him if you can. The Wei family in the provincial capital is not easy to mess with. In addition, Wei Kunan is a famous calf protector. If he knows that his son has been wronged, he will definitely not Give it up and let it go!”

Lin Tianhu whispered to Chen Ping!

“It’s okay if he doesn’t provoke me. If he dares to provoke me, I don’t care whether he is from the Wei family or not!”

A sharp light flashed in Chen Ping’s eyes, and he turned around and returned to the back room!

Chapter: 417

Since meeting his biological mother last night, Chen Ping has become a little bloodthirsty, but he hasn’t noticed it yet!

It may also have something to do with his eagerness to improve his strength. Now he just hopes to get money and buy lots and lots of precious medicinal materials to help him practice!

“Damn, this kid really has a problem, no wonder Xiao Lei is afraid of becoming like this!”

Looking at his bloodless hands, Wei Tao gritted his teeth and said!

“Mr. Wei, are you okay?” Geng Shanshan rubbed her palms for Wei Tao worriedly: “This Chen Ping used to be a fool and didn’t know any kung fu at all, but after being released from prison for three years, he turned out to be so powerful!”

Geng Shanshan was also wondering what Chen Ping had experienced in the past three years in prison!

“It seems that this kid has suffered a lot in prison, otherwise he wouldn’t be able to practice well, but no matter how good his kung fu is, he won’t live long!”

Wei Tao's eyes flashed with murderous intent!

"Master Wei, what do you mean?"

Geng Shanshan asked in confusion.

Geng Shanshan didn't know anything about what Wei Tao and Xiao Lei discussed last night!

Wei Tao glared at Geng Shanshan coldly: "Don't you know what you should ask and what you shouldn't ask?"

"Master Wei, I was wrong!"

Geng Shanshan was startled and hurriedly followed Wei Tao to apologize.

The top floor lobby of Tianyuan Restaurant!

Lin Tianhu laid out all the small pills, each one was only the size of a thumb cap, and they were so dark and ugly that they didn't look good!

Let's not talk about the efficacy of this Xiaohuan Dan. It just looks bad!

"Everyone, thank you for coming to support me. I, Lin Tianhu, am honored. Now let me introduce to you this Xiaohuan Dan. This is..."

"Master Hu, don't introduce me. Just tell me how much it will cost. After all, we are very busy. Just tell us a price and we will pay!"

Said a middle-aged man in his fifties, wearing a plaid suit.

Everyone looked at the middle-aged man and couldn't help but cast admiring glances!

You must know who dares to talk to Lin Tianhu like this. He clearly knows that Lin Tianhu is just making money, but who dares to explain it.

However, when Lin Tianhu saw the middle-aged man, he was not angry. Instead, he smiled and said: "Old Zhang, my little Huandan specially prepared one for you. You are overindulging in sex. You haven't touched this for many years." More than a woman?"

Lin Tianhu's words made Lao Zhang blush immediately.

Chapter: 418

Lao Zhang and Lin Tianhu were good personal trainers, so he dared to talk to Lin Tianhu like this, and Lin Tianhu also knew some of his problems.

This Lao Zhang has been overindulging in sex since he was young, so much so that he was unable to do what he wanted in his thirties. He visited many places and spent countless money, but the results were not satisfactory. Now Lao Zhang has also looked away, and simply does not want to do anything. Stop treating your illness and focus on your business!

However, when Lin Tianhu exposed this private illness in public, Lao Zhang suddenly felt a little embarrassed on his face!

"I'm not going to take your little repayment pill. It looks dark and is not a good thing. If you are short of money, just say hello. Why bother!"

Lao Zhang had no appetite at all just looking at the little Huan Dan.

"Lao Zhang, my Xiao Huan Dan is free of charge. It is given to everyone for free today. Since you don't believe it, I will let you try it first!"

Lin Tianhu smiled and walked towards Lao Zhang!

“Master Hu, don’t make trouble. I won’t eat it. This food might kill someone!”

Lao Zhang was so frightened that he backed away!

“I guarantee you’ll eat it and say yes, don’t worry!”

Lin Tianhu grabbed Lao Zhang with one swift step, pinched Lao Zhang’s mouth, and threw the Xiao Huan Dan in!

“Bah, bah, bah...”

Lao Zhang vomited desperately, but Xiao Huan Dan melted in his mouth and was gone!

Seeing Lao Zhang like that, everyone burst into laughter.

But soon, Lao Zhang felt that his body began to slowly heat up, and then he felt a stream of heat flowing through his body, not to mention how comfortable it was!

Immediately afterwards, there was a reaction from Lao Zhang’s lower body. Lao Zhang looked at the changes in his body with a surprised face and was stunned!

You know, he hasn’t had any reaction for more than ten years. He has tried everything, but it doesn’t work at all!

Everyone seemed to have noticed the changes in Lao Zhang’s body, and everyone looked at him in surprise!

“Master Hu, you...do you have a girl here? Find me one quickly!”

Lao Zhang said to Lin Tianhu with excitement on his face.

“This is a regular restaurant. Where can I find the ones you mentioned? If you want to solve the problem, go home!”

Lin Tianhu shook his head!

As soon as Lao Zhang heard this, he hurriedly ran out. As he ran, he turned back to Lin Tianhu and said, “Master Hu, keep the Xiao Huan Dan for me. I want as much as you want. You decide the price!”

Seeing the changes in Lao Zhang, someone finally started to feel a little tempted!

Chapter: 419

“Master Hu, let me try one. I have been suffering from back pain recently. It may be rheumatism. Let me see if it can be cured!”

Someone followed Lin Tianhu and took the initiative to eat the Xiaohuan Dan!

Lin Tianhu threw it directly, since it was given for free anyway.

After the man took Xiao Huan Dan, he also felt a flow of heat, and then his waist felt warm, and his waist pain was gone at all!

“This...this is amazing. My waist doesn’t hurt at all!”

After the man took the Xiao Huan Dan, his eyes widened and he exclaimed!

This time, there was a small commotion, and many people followed Lin Tianhu to ask for Xiao Huan Dan!

However, some people are holding a wait-and-see attitude and want to see how these people react after eating it!

More than a dozen small returning pills were swept away!

As for the dozen or so people who have taken Xiao Huan Dan, all of them are full of surprise, because the effect of Xiao Huan Dan can only be experienced personally after taking it, and there is no way to explain it in words!

“It’s wonderful, this is a miracle medicine!”

“I’m going home too, I can’t control myself anymore!”

“Wonderful, really wonderful...”

Everyone who had eaten Xiao Huan Dan was amazed. Now no one doubted the efficacy of Xiao Huan Dan!

“Master Tiger, do you have any more? I can pay for one!”

Someone asked Lin Tianhu.

“I’m sorry, the Xiao Huan Dan is in limited supply. Today’s dozen pills are free to try, but the ones below are not free, and if you want to buy the Xiao Huan Dan, you still need to wait three days!”

Lin Tianhu understood the method of hunger marketing, so he said to everyone.

“It doesn’t matter if you wait three days. How much does one cost? I can order one in advance!”

Someone wants to book in advance!

Lin Tianhu stretched out two fingers and said: “Two million a piece, not even one cent less!”

“Two million?” Many people exclaimed!

Even if it is a miracle medicine, the price is not low for two million a pill!

“Master Hu, I’ll reserve twenty pieces and place a deposit now...”

Chapter: 420

Said a businessman who had just eaten Xiao Huan Dan.

Businessmen all have a keen sense of opportunity to seize business opportunities. Two million for a small pill may seem expensive, but only after eating it will you realize that two million is nothing!

With their real worth, the most important thing is a healthy body. There are so many wealthy businessmen in the small Hongcheng. How many wealthy businessmen would there be in the entire Jiangbei Province and the entire Daxia Kingdom?

If Xiao Huan Dan can be promoted nationwide, let alone two million, even five million can be wiped out for you!

“Sorry, because the output of Xiao Huan Dan is too low at present, each person can only order one!”

Although Lin Tianhu is not in business, he also saw what that guy was trying to do!

“I’ll order one!”

“I will too!”

When everyone saw this, they started ordering one after another, which made Lin Tianhu feel happy!

But just when everyone was busy ordering, the door of the hall was suddenly kicked open!

The huge sound made everyone stunned!

You must know that this is Lin Tianhu's territory. Who dares to come here to cause trouble?

Soon, four people in fancy clothes rushed in, then divided into two rows and stood upright!

Immediately afterwards, an old man wearing a Chinese tunic suit and a gray beard walked in with his hands behind his back. Beside the old man, he followed the leader of the Red Dragon Gang, Feng Sihai!

When everyone saw that Feng Sihai was coming, they immediately understood that Feng Sihai was here for revenge.

Lin Tianhu looked at the old man who walked in, his eyes narrowed slightly, and his brows knitted together tightly!

"Irrelevant personnel, get out immediately!"

The old man walked into the hall, glanced at everyone, and said calmly!

The old man's voice was very soft and he spoke very casually, but when everyone heard it, everyone felt frightened, as if a heavy hammer was hitting their hearts!

These people were just wealthy merchants, and they were not willing to get involved in the fights between gangs. After the old man spoke, all the wealthy merchants who came ran away without leaving any one behind!

In the huge hall, Lin Tianhu was the only one facing these people!

"Lin Tianhu, this is my master, Master Ye. Where is the Mr. Chen you are talking about?"

Feng Sihai asked Lin Tianhu with a gloomy look.

Lin Tianhu narrowed his eyes slightly, and even when facing Master Ye, he was not afraid at all: “No need, Mr. Chen, just come to me if you have anything to do!”
