

The Order 4121

Chapter: 4121

“Mr. Chen’s analysis is correct. This must be the case. Otherwise, why would they ask people like us who are not very strong and have no effect to help collect herbs?”

“It seems that we were treated as food from the beginning, so Wu Feiyu thought of using our blood to deal with the bloodthirsty beasts.”

Hu Zhuang’s face was gloomy at this moment. He never expected that Zhang Biao and others would be so vicious!

“Then what should we do? If they don’t take this pill, they will definitely not be willing to do it. If they do, we are no match for them!”

Zhu Zhu asked with some fear!

“Put the pill in your mouth first, don’t swallow it, press it under your tongue, and then act according to the opportunity, follow me closely!”

Chen Ping ordered in a low voice!

Ali and the others all nodded and moved closer to Chen Ping!

“Everyone, this pill is a power-enhancing pill. After taking it, your strength will be increased for a short period of time. This is also to be able to better deal with bloodthirsty beasts!”

“Everyone, eat it and help us get the herbs later. I will definitely accomplish what I promised you!”

Zhang Biao shouted loudly to confuse everyone, otherwise no one would eat it!

After hearing what Zhang Biao said, everyone swallowed the pills without any doubt. Only Chen Ping and the others threw the pills into their mouths but did not swallow them!

Seeing everyone taking the pills, Wu Feiyu showed a proud smile on his face.

After a few minutes, the effects of the medicine began to take effect, and some people felt very weak and had no strength.

“What’s going on? Why do I feel like I have no strength at all?”

“Where’s my skill? How come I don’t even have the strength to punch?”

“Why is my aura gone? There is no power in my Dantian at all!”

Many people discovered the abnormality and began to panic!

Chen Ping winked at Ali and the others, and then asked several people to pretend that their strength had disappeared!

Seeing this scene, Wu Feiyu raised the corner of his mouth slightly and said: “I tell you, you took Sangong pills, and all your kung fu is gone. Now you only have to listen to me, and you will have a glimmer of hope for blood circulation and survival.” !”

“Zhang Biao, drive everyone in, I want that bloodthirsty beast to eat enough...”

Zhang Biao nodded, and then started to drive away the people, and Ning Can also winked and asked his men to help!

At this moment, many villagers were driven towards the scorched earth like lambs waiting to be slaughtered!

Some people were afraid and struggled desperately, and some even turned around and ran away!

Chapter: 4122

But now these people's strength has disappeared. Wherever they can run, they are directly caught by Zhang Biao and then thrown into the scorched earth!

Chen Ping and the others gathered tightly together and walked into the scorched earth step by step!

When Chen Ping stepped into the scorched earth, he instantly felt a terrifying aura coming from his feet!

Along with the terrifying aura, there is also a fairy power mixed in it. This power should be emitted by the agrimony!

"ah....."

Some people began to be entangled by the tentacles of the bloodthirsty beast, sucking the blood from their bodies!

The others ran desperately, trying to escape, but Wu Feiyu and others were watching eagerly behind them, so these people could only run forward as hard as they could!

They all prayed, hoping that they could escape when the bloodthirsty beast sucked the blood of others!

Seeing everyone running away in panic, Wu Feiyu had a playful expression on his face!

"Wu Feiyu, you are more ruthless than I thought. I didn't expect that your way of dealing with the bloodthirsty beast was to sacrifice these villagers. It seems that you had planned it from the beginning. No wonder you cherish the lives of these villagers so much." !"

Ning Can didn't expect Wu Feiyu's method to be so vicious and cruel!

“With the combined strength of you and me, we may not be the opponent of the bloodthirsty beast. Now besides this method, there is no other way to deal with the bloodthirsty beast!”

“Once the bloodthirsty beast has finished sucking the blood of these people, the power of the Sangong Pill will be activated in the bloodthirsty beast’s body. By then, the bloodthirsty beast will become a meal on the plate, and there is no need to worry about it at all!”

Wu Feiyu smiled proudly!

Ning Can didn’t say anything, but looked at the tragic scene in front of him. These villagers who had lost their skills had no room for resistance under the attack of the bloodthirsty beast!

Yun’er looked at the tragic deaths of these villagers, her eyes full of pity. She wanted to save these people, but she knew she didn’t have the ability.

Chen Ping looked at the villagers and could only shake his head helplessly. He had no way to save these people now!

Soon, a faint layer of black mist rose above the scorched earth, and screams were heard. Coupled with the black mist, the land became even more gloomy!

“Let’s go and get out of here as soon as possible. Maybe we’ll be lucky enough to pick agrimony!”

After Chen Ping finished speaking, he led Ali and the others towards the center!

But just after taking two steps, Zhuzi suddenly screamed, and a tentacle emerged from the ground, instantly wrapping up Zhuzi!

“Help, help, brother Chen Ping, help me, brother Ali, help me...”

Zhuzhu’s face turned pale with fright, and he shouted loudly.

After all, he is still a child, and when faced with danger, he panics instantly!

Chapter: 4123

Seeing this, Chen Ping jumped up, took out Zhuzhu's sword, and slashed at the tentacle with a single slash!

With Chen Ping's sword, the blade roared up, and the sharp blade flashed out, directly cutting off the tentacle! !

Zhuzi was saved, and he ran behind Chen Ping!

Wu Feiyu, Ning Can and others who had been watching at this time were all stunned and looked at Chen Ping with puzzled faces!

They didn't understand how Chen Ping could still show such incredible strength after taking San Gong Pills?

Ali, Yun'er, and Hu Zhuang all showed their weapons and guarded the pillars with vigilant expressions!

Everyone was exuding aura. Seeing this, the villagers who were being chased by the bloodthirsty beasts all ran towards Chen Ping and the others, hoping to be protected by Chen Ping and others!

"Wu Feiyu, isn't your Sangong Pill expired again? Why is it not working at all?"

Ning Zhi looked at Wu Feiyu and asked!

Wu Feiyu was also full of shock at this time. He didn't understand how Chen Ping and the others could still exude aura and strength after taking San Gong Pills!

At this moment, the bloodthirsty beast with its tentacles cut off roared, and the ground began to tremble violently!

Feeling this violent tremor, everyone was frightened, and some people were so frightened that they fell to the ground. Now all their strength has dissipated, and they are like ordinary people!

Ali and Zhuzi also had nervous expressions on their faces, and their bodies were trembling slightly. They all knew that this bloodthirsty beast was angry and was about to rush out from the ground!

“Ali, please step back and protect Yun’er and Zhuzi...”

When Chen Ping saw this, he hurriedly shouted!

With Chen Ping’s current strength, there is no way to deal with the bloodthirsty beast. He can’t protect Ali and the others, let alone the other villagers!

Ali and Hu Zhuang, with Yun’er and Zhu Zhu, quickly retreated and opened a certain distance. However, the other villagers wanted to follow them and fled backwards, but the trembling ground made it difficult for these people to move!

Along with a rumbling sound, a huge phantom rushed out from the ground. After leaning against the phantom, everyone screamed in fright. Even Wu Feiyu and Ning Can turned extremely pale!

This bloodthirsty beast is more than ten meters tall, its whole body is covered in scales, and there are more than a dozen tentacles waving constantly on the upper part of its body!

However, this bloodthirsty beast does not seem to have a head, and its eyes and mouth cannot be seen. These tentacles seem to be the eyes and mouth of the bloodthirsty beast!

It uses these tentacles to sense the location of its enemies, and uses its tentacles to suck blood to provide itself with nutrients!

“This bloodthirsty beast looks so terrifying...”

Looking at the terrifying look of the bloodthirsty beast, Zhuzhu said tremblingly!

At this time, more than a dozen tentacles of the bloodthirsty beast were shooting towards Chen Ping like sharp swords. The more than a dozen tentacles were intertwined into a large net, which seemed to wrap up Chen Ping!

Chapter: 4124

Seeing this, Chen Ping kept moving back, avoiding the attack of the bloodthirsty beast!

The tentacles of the bloodthirsty beast did not catch Chen Ping, but caught the villagers who had already collapsed on the ground. Then these tentacles began to suck the blood of these villagers!

Screams came from the mouths of these villagers, but Chen Ping did not dare to have any mercy. He himself could not save himself and there was no way to save these people!

But in this way, these villagers bought Chen Ping some time to escape!

“Run, run quickly...”

Chen Ping shouted loudly to Ali and the others!

Facing such a powerful bloodthirsty beast, Chen Ping knew that he had no chance of winning. If the fight continued, he would become the food of the bloodthirsty beast sooner or later.

When Ali and the others heard this, they ran desperately towards the depths of the scorched earth. Chen Ping also ran desperately without even looking back!

“It’s broken. If these guys run in, the agrimony will become theirs!”

Wu Feiyu thought of something, and his face suddenly became extremely ugly!

“Brother, let’s stop them quickly, we can’t let them pick the agrimony away!”

Zhang Biao said anxiously!

Wu Feiyu and Zhang Biao jumped up in an instant and chased Chen Ping and the others. Now that the bloodthirsty beast has food, there is no time to deal with the others!

When Ning Can saw this, he also led people to chase him. He was now a partner with Wu Feiyu. If the two of them didn't work together, they might both become the prey of the bloodthirsty beast!

Chen Ping, who was running desperately, felt a few breaths approaching behind him, so he looked back and found that it was Wu Feiyu and the others chasing him!

Chen Ping knew that these people must be afraid that he would pick the agrimony, so they chased him regardless of the danger!

Chen Ping was confident of getting rid of Wu Feiyu and others, but Ali, Zhu Zhu and the others couldn't. Their speed would be overtaken sooner or later!

"Ali, run quickly, don't look back, and don't stop..."

Chen Ping followed Ali's instructions, then slowed down, and finally stopped. He wanted to stay and block Wu Feiyu and others, and buy time for Ali and Yun'er!

Seeing that Chen Ping stopped running and even stopped on his own initiative, Wu Feiyu and Zhang Biao felt very strange!

"Why don't you run away?"

Zhang Biao looked at Chen Ping and asked curiously.

"Facing the bloodthirsty beast, I ran away, but facing you, why should I run away?"

“With your strength, you are not even considered an ant in my eyes!”

Chapter: 4125

Chen Ping raised the corner of his mouth and said contemptuously.

If Chen Ping can return to his peak strength, people like Zhang Biao and Wu Feiyu are really not even ants, and Chen Ping won't even look at them!

Even if Chen Ping does not recover, if the sword spirit Zhongli recovers, people like Zhang Biao will be nothing more than ants in Chen Ping's eyes!

Hearing what Chen Ping said, Zhang Biao and Wu Feiyu were slightly startled. They never expected that Chen Ping would dare to say such a thing!

You know that Chen Ping is just a mountain villager, but he actually looks down on them?

“Hahaha, Wu Feiyu, where did you find this weird thing? These untouchables in the mountains look down on your Jade Cauldron Sect. It seems that your Jade Cauldron Sect is really lonely!”

Ning Can also arrived at this time. Hearing Chen Ping's words, he burst out laughing!

Listening to Ning Can's ridicule, Wu Feiyu and Zhang Biao were angry to death. Originally, their Jade Cauldron Sect had some trouble following the Ning family, but now Chen Ping humiliated them in front of Ning Can. How could they not? angry!

“Boy, I'm going to make your life worse than death today...”

After Zhang Biao finished speaking, he suddenly moved forward and grabbed Chen Ping's head!

Chen Ping felt a lot more relaxed when he saw Zhang Biao taking action. Although Zhang Biao was quite strong, it was not that easy to defeat Chen Ping!

As long as Wu Feiyu doesn't take action, Chen Ping is confident that he can kill this bid!

The moment Zhang Biao took action, Chen Ping swung the long sword with the pillar, and a dazzling sword light headed towards Zhang Biao!

"Junior brother, retreat quickly..."

The moment Chen Ping took action, Wu Feiyu discovered the strength of Chen Ping's sword. Zhang Biao would not be able to get anything cheap under this sword. What's more, Zhang Biao was unarmed at this time and would definitely suffer. of!

Despite Wu Feiyu's reminder, Zhang Biao still reacted a little slowly. When he stepped back and retracted his hand, the sword light had already streaked along his arm.

A blood mark appeared from Zhang Biao's arm, and blood soaked through his clothes and flowed out. Seeing that he was actually injured by Chen Ping, Zhang Biao couldn't believe it!

Wu Feiyu took out some powder from his body and sprinkled it on Zhang Biao's wound, and the blood was quickly stopped!

"Boy, you must die today..."

Zhang Biao gritted his teeth, his chest rising and falling with anger!

You must know that from the beginning to the end, Zhang Biao regarded Chen Ping as an inferior mountain villager and never looked at him directly. But now he was injured by Chen Ping, and there were still people watching. This made him Zhang Biao couldn't bear it!

Zhang Biao also wanted to attack Chen Ping, but Wu Feiyu stopped him!

"Boy, can you tell me why you still retain your strength after taking my elixir?"

Wu Feiyu saw that Chen Ping was not simple, so he asked Chen Ping!

Chapter: 4126

“Are you talking about the San Gong Pill?” Chen Ping smiled coldly: “That level of elixir has no effect on me...”

This is not Chen Ping’s bragging. If Chen Ping recovers his strength now, then San Gong Pills will indeed have no effect on Chen Ping!

Listening to Chen Ping’s words, Wu Feiyu frowned slightly: “You are also a pharmacist?”

“I only know a little bit about it, but even this little bit is still a hundred times better than you...”

Chen Ping’s face was full of sarcasm!

At this time, Wu Feiyu couldn’t help it anymore. Chen Ping humiliated himself in front of Ning Can again and again, which really made him lose face!

“Then I’ll see how you can be a hundred times stronger than me...”

After Wu Feiyu finished speaking, a ray of silver light flew out of his hand. This ray of silver light was like a meteor, and its speed was extremely fast!

At this time, not far away, Lang Feng was following a girl and watching the fight between several people!

Seeing Wu Feiyu taking action against Chen Ping, Lang Feng tensed up and was about to rescue him!

After all, in his opinion, Chen Ping’s strength is not as good as that of Wu Feiyu!

But who knew that when Lang Feng was about to take action, he was stopped by the girl on the side.

“Don’t move, this guy’s strength will never be like this. His strength seems to be suppressed, or he is injured and has not recovered...”

The girl’s eyes were fixed on Chen Ping, and she had a panoramic view of Chen Ping’s every move!

When Chen Pingping faced Wu Feiyu’s attack, he flashed his body quickly, dodged Wu Feiyu’s attack, and then quickly retreated!

Chen Ping stopped just to delay time. Now that Ali and the others have run away, there is no need for Chen Ping to fight!

Besides, Chen Ping was not sure he could beat Wu Feiyu in a fight!

Wu Feiyu saw that Chen Ping wanted to escape, so he jumped directly to stop Chen Ping!

But the moment Wu Feiyu jumped, a tentacle directly wrapped around Wu Feiyu’s body, causing Wu Feiyu to fall from mid-air!

After sucking the blood of the villagers, the bloodthirsty beast rushed over and then launched an attack!

Wu Feiyu was shocked, a light flashed in his hand, and then he raised his knife and cut off the tentacle!

But Chen Ping took advantage of this moment and ran away without a trace!

When Wu Feiyu wanted to chase again, he was already entangled by the bloodthirsty beast!

“Let’s work together to kill this bloodthirsty beast...”

Chapter: 4127

Wu Feiyu gave up chasing Chen Ping, and instead used all his strength to deal with the bloodthirsty beast!

Zhang Biao, Ning Can and others also showed their weapons and attacked the bloodthirsty beast!

Because the bloodthirsty beast had sucked the blood of the villagers who had taken the San Gong Pills, the medicinal power of the San Gong Pills had also begun to act in the bloodthirsty beast's body. This allowed Wu Feiyu and others to fight with the bloodthirsty beast. !

If the bloodthirsty beast did not have San Gong Pills in its body, Wu Feiyu and the others would not be able to match the bloodthirsty beast at all!

Chen Ping ignored Wu Feiyu and the others who were fighting with the bloodthirsty beast, and ran away without looking back!

Soon, Chen Ping caught up with Ali and the others. At this time, Ali and the others were resting on a big rock!

They said they were resting, but in fact they were worried about Chen Ping, so they were waiting for Chen Ping!

Seeing Chen Ping catching up safely, everyone had smiles on their faces!

"Brother Chen Ping, are you okay?"

Zhu Zhu and Yun'er stepped forward and asked with concern.

"I'm fine. Fortunately, the bloodthirsty beast entangled Wu Feiyu and the others, and I was able to escape. Let's leave quickly. I don't think the bloodthirsty beast can last long!"

After Chen Ping finished speaking, he took Ali and the others and continued to run forward. As Chen Ping and the others continued to go deeper, the immortal power became stronger and stronger!

“Such a strong smell, isn’t there agrimony in front of it?”

Ali also felt the change in his breath, so he said!

“The place ahead should be where the agrimony is, let’s speed up...”

Chen Ping couldn’t wait to speed up!

A few minutes later, Chen Ping and the others saw a green plant growing on top of the pitch-black scorched earth. This plant formed a sharp contrast with the surrounding scenery!

“Agrimony, that must be agrimony, right?”

Zhuzi looked at the green plant and screamed loudly with excitement!

Chen Ping walked up to it and found that this agrimony was very ordinary, only half a meter tall, with five leaves on it. If this agrimony grew in the grass, no one would be able to tell that it was an agrimony!

However, there are traces of pure white brilliance flowing on the leaves of the agrimony, and there is a layer of light mist around the agrimony. The sunlight shines in this mist, forming a colorful light!

“Is this the fairy grass?” Hu Zhuang looked at the agrimony in shock: “I heard from the elders in the village that if you can get a piece of fairy grass and refine it into an elixir, your strength will increase by leaps and bounds.”

Ali and the others also looked at the agrimony and kept talking excitedly. Everyone had smiles on their faces!

However, Chen Ping stared at the agrimony closely, his expression a little solemn.

Chapter: 4128

Agrimony is indeed a good thing. With this agrimony, Chen Ping might be able to regain his strength much faster!

However, Chen Ping also knows that his current strength is not enough to refine this kind of fairy grass. If he forcibly refines it, he may eventually destroy the fairy grass!

But if it cannot be refined and Chen Ping takes the agrimony with him, it will undoubtedly be a time bomb. Chen Ping believes that he will never be able to quietly regain his strength in the future!

After much hesitation, Chen Ping slowly reached out his hand, picked out the agrimony, and then put it in his storage ring!

“Life and death are determined by fate, God doesn’t care...”

After Chen Ping put away the agrimony, his eyes became more determined!

“Brother Chen Ping, let’s leave quickly. Those people will catch up soon...”

Yun’er saw that Chen Ping had already picked the agrimony, so she said!

Chen Ping nodded: “Okay, let’s go...”

Chen Ping and his party quickly passed through the scorched land. When everyone stepped onto the green grass, they felt a lot more relaxed!

But not long after Chen Ping and the others left, Zhang Biao and Wu Feiyu hurried over. When they saw that the agrimony had disappeared, they yelled angrily!

“I must find that guy and cut him into pieces. How dare he pick my agrimony!”

Wu Feiyu roared into the sky.

Zhang Biao was also very angry, but now the agrimony was gone, and Chen Ping and the others were nowhere to be found, so their trip was in vain!

“Brother, what should we do next? We didn’t get the agrimony. We just killed the bloodthirsty beast and wasted so many elixirs. It’s a big loss. Master knows that he will definitely blame us!”

Zhang Biao asked Wu Feiyu!

Wu Feiyu frowned slightly, thought for a moment and said: “Let’s go back, we can’t get the agrimony, and the bloodthirsty beast also has a lot of treasures on it!”

After saying that, Wu Feiyu rushed back with Zhang Biao, and at this time, Ning Can was leading people to dissect the body of the bloodthirsty beast!

In order to kill the bloodthirsty beast, Ning Can and others were all scarred and their auras were confused!

After taking out the beast elixir from the bloodthirsty beast, Ning Can sat aside and rested!

When he saw Wu Feiyu and Zhang Biao coming back so quickly, he couldn’t help but wonder: “Why are you back? Where is the agrimony?”

“The agrimony was picked and taken away, and there is no trace of those guys!”

Wu Feiyu said angrily!

When Ning Can saw that Wu Feiyu had not picked the agrimony, he immediately became vigilant!

Chapter: 4129

“Since you didn’t pick the agrimony, why don’t you go after it?”

Ning Can asked Wu Feiyu!

“Where to chase? There is no trace of the person!”

After Wu Feiyu finished speaking, he glanced at the body of the bloodthirsty beast on the ground and said calmly: “In order to kill this bloodthirsty beast, my junior brother and I did our best, and if this bloodthirsty beast hadn’t been affected by the effects of San Gong Pills, it can’t be killed at all.”

“Now that the Bloodthirsty Beast is dead, I think we should also have a share of the treasures on the Bloodthirsty Beast.”

When Ning Can heard what Wu Feiyu said, he immediately sneered and said: “Wu Feiyu, the old man talks like a spit, how come you talk like farts?”

“What did you say?” Zhang Biao roared angrily when he heard Ning Can’s rude words!

Wu Feiyu stopped Zhang Biao. There were only two of them now, and they had just fought with the bloodthirsty beast, which also consumed a lot of energy. If they started fighting now, they might not be able to take advantage!

“Ning Can, I did say that I would give you the bloodthirsty beast at the time, but now that we haven’t gotten the agrimony, we can’t let us go back empty-handed, right?”

Wu Feiyu’s voice was very low, with a tone of discussion and prayer!

After all, they didn’t bring anything back, and their master would definitely punish them!

“Then I can’t care. Someone has taken advantage of Agrimony. That’s because you are stupid. What does it have to do with me?” Ning Can looked unhappy and raised his eyebrows: “This bloodthirsty beast belongs to me. You don’t want a piece of meat from me.” Want to take it away...”

“If you want to grab it forcefully, then we can give it a try. At worst, we will die and everything will be broken, and we will all be called the meal of this mountain monster!”

Ning Can put on a desperate stance, knowing that Wu Feiyu would never fight with him!

When Wu Feiyu saw that Ning Can didn't give in at all, he had no choice but to look at Ning Can with anger and leave with Zhang Biao!

For the corpse of a bloodthirsty beast, Wu Feiyu felt that there was no need to risk his life.

“Brother, are we going back like this? If we go back like this, master will definitely punish us!”

Zhang Biao asked Wu Feiyu unwillingly!

“Of course we can't go back like this. We have to find a way to find out the kid's identity. As long as we find the kid, we can find the agrimony!”

When Wu Feiyu mentioned Chen Ping, he gritted his teeth with hatred!

“Senior brother, what if that kid has eaten the agrimony into his stomach?”

Zhang Biao asked worriedly.

“No, that boy seems to be a medicine man as well. He knows that this kind of fairy grass cannot be swallowed directly, otherwise the power of the fairy grass will cause him to explode and die instantly!”

“It can only be taken after refining agrimony into elixirs. However, if you want to refine agrimony, an immortal herb like agrimony, you can't do it with that kid's strength, so the agrimony must be on his body!”

Chapter: 4130

Wu Feiyu analyzed it carefully, and he felt that Chen Ping had no ability to refine agrimony at all!

Chen Ping is indeed unable to refine agrimony with his current strength, but when Chen Ping recovers, it will be easy to refine agrimony!

“Senior brother, I don’t know that boy, but the people who are with that boy are all from Dashi Village. If we go to Dashi Village and inquire about it, we will probably know the identity of that boy!”

Zhang Biao followed Wu Feiyu and said!

“Okay, then let’s go to Dashi Village. I want to see who this kid is...”

Wu Feiyu’s eyes were slightly focused, with a strong murderous intent in his eyes!

At this time, Chen Ping didn’t know that Wu Feiyu and Zhang Biao had already set their sights on Dashi Village. After he took Ali and others out of the scorched earth area, he was going to take a detour back to Dashi Village!

But just as Chen Ping and Ali were on their way, two figures suddenly blocked their way!

Seeing someone blocking the road, Ali and others all became nervous, while Chen Ping looked at the person in front of him and frowned slightly: “Lang Feng?”

The person blocking Chen Ping’s path was the Wolf King Lang Feng, who had turned into a human form, and beside Lang Feng there was a girl with delicate features!

“It’s really not easy for you to escape from Wu Feiyu’s hands and pick agrimony!”

Lang Feng looked at Chen Ping and said with slight appreciation!

“Why did you stop us?”

Chen Ping asked Nalang Feng warily!

As the wolf king who has transformed into a human form, Lang Feng is definitely stronger than Ning Can and Wu Feiyu!

Chen Ping has not recovered his strength now and cannot find out Lang Feng's true strength.

"Don't be nervous, I'm not interested in the agrimony in your hand. It's just that our princess is interested in you and wants to talk to you!"

Lang Feng saw Chen Ping's nervous look and smiled slightly!

"Princess?" Chen Ping looked at the girl next to Lang Feng in surprise. He didn't expect that this girl was also transformed into a monster, but Chen Ping didn't feel the slightest bit of beastly aura from the girl!

"Yes, this is our Princess Isa. She is very interested in the aura of the mythical beast in you!"

Lang Feng nodded and said!

"I don't have time now, I have to hurry, otherwise I won't be able to get out of this mountain range today!"

Chen Ping didn't want to talk to Princess Isa.

After all, Chen Ping had no idea about the identities of Lang Feng and the so-called Princess Isa, so he had no way of trusting them!
