

The Order 4131

Chapter: 4131

“If we don’t give way, are you sure you can get out of here?”

Princess Isa smiled slightly and said!

After hearing what Princess Isa said, Chen Ping fell into silence!

Let’s not talk about Princess Isa’s level of strength. Lang Feng, Chen Ping and others are no match for Lang Feng!

“What do you want to talk about? Ask quickly, we are on our way in a hurry!”

Chen Ping said to Princess Isa!

But Princess Isha did not answer Chen Ping, but looked at Lang Feng and said: “Lang Feng, you send the others out of the mountains. As for this person, I want to stay and have a good chat!”

“As commanded...”

Lang Feng nodded respectfully!

“No, Brother Chen Ping wants to go with us. We will never leave Brother Chen Ping alone.”

When Yun’er saw that the other party wanted to leave Chen Ping alone, she immediately said loudly!

“Yes, we can’t leave Brother Chen Ping alone!”

Zhuzhu also shouted loudly that they wanted to advance and retreat together with Chen Ping!

Listening to the loud shouting of Yun'er and Zhuzi, Lang Feng's face turned cold and he was about to reprimand, but Princess Isa gently raised her hand to stop him!

Then Princess Isa looked at Yun'er and Zhuzi with a smile, and said in a calm tone: "You two little kids, do you think you have the right to speak here?"

"I won't hurt your brother Chen Ping. Go home obediently. It won't take long before your brother Chen Ping will go back too!"

Yun'er and Zhuzi were reluctant. They didn't want Chen Ping to be left alone. They were about to speak out to refute Princess Isa, but were stopped by Chen Ping.

"Yun'er, Zhu Zhu, go back, I'll be fine!"

After Chen Ping finished speaking, he looked at Ali and said, "Ali, you have to protect the safety of both of them!"

"Don't worry, I will keep an eye on them both!"

Ali nodded!

Hu Zhuang's face was full of frustration at this time. Originally, he agreed to accompany Zhang Biao to collect herbs in order to avenge his fellow villagers!

But now that things have turned out like this, his revenge plan has come to nothing!

Chen Ping saw what Hu Zhuang was thinking, so he stepped forward and patted Hu Zhuang's shoulder and said: "Don't worry, as long as I live, I will definitely destroy the Daqing Village, and I will take you with me then." . . . "

Chapter: 4132

Hu Zhuang looked at Chen Ping and nodded heavily. Although he and Chen Ping had just met, Hu Zhuang believed Chen Ping's words. After all, Chen Ping's strength was obvious to all!

Yun'er and Zhuzi reluctantly followed Chen Ping to say goodbye, while Chen Ping gave them many instructions!

After all, in this mountain range, all kinds of dangers can happen at any time, not to mention that Chen Ping doesn't know what the real background of Lang Feng is, and whether he will take action against Ali and the others!

"Don't worry, your friend will be fine!" Princess Isa assured Chen Ping, and then said to Lang Feng: "Lang Feng, if anything goes wrong with these people, then you will never come back.!"

"Don't worry, princess, I will definitely ensure their safety!" Lang Feng promised!

Soon, Ali and the others left under the escort of Lang Feng, and only Chen Ping and Princess Isa were left in the huge mountain forest!

"Let's go too..."

Princess Isa said to Chen Ping.

"Where are we going? Don't you want to talk to me?"

Chen Ping asked in surprise.

"Yes, I want to talk to you, but not here. As for where to go, you will know when you get there!"

After Isa finished speaking, she walked straight forward. Seeing this, Chen Ping could only follow behind!

The two of them walked in tandem without saying a word. After walking for several hours, Chen Ping felt that the aura fluctuations around him began to change!

Moreover, in the mountains and forests, the thick fog slowly rose up without knowing when, directly blocking Chen Ping's sight!

Princess Isa, who was walking in front, took the initiative to exhale her breath, and then said to Chen Ping: "You can feel my breath from behind, don't get lost..."

Chen Ping nodded, and then walked forward feeling the breath of Princess Isa.

After walking for a while, the thick fog began to slowly dissipate, and Chen Ping could see the surrounding scenery!

But when the thick fog completely dissipated, Chen Ping was dumbfounded!

Because in front of Chen Ping, a very large and magnificent city appeared in front of him!

The afterglow of the setting sun shines on the city, adding a bit of mystery to the city!

"This...what is this place?"

Chen Ping asked Princess Isa in surprise!

"This is my home..."

Princess Isa smiled slightly.

Chapter: 4133

"Your home?" Chen Ping was stunned. He never expected that Princess Isa's home was actually a city, and it was still deep in the mountains!

But then I thought about it, Princess Isa was also transformed into a monster, so there is nothing wrong with her home being deep in the mountains!

Chen Ping followed Princess Isa towards the city. When he got closer, Chen Ping discovered that there were guards guarding the city gate. After seeing Princess Isa, all the guards immediately lowered their heads and knelt on the ground!

Princess Isa didn't even look at the guards and walked straight into the city. Chen Ping followed Princess Isa and also enjoyed this high-level courtesy!

"This city belongs to your family, isn't your father the emperor?"

Chen Ping asked Princess Isa.

Princess Isha nodded: "Yes, my father is the Demon King Yihe..."

When Chen Ping heard this, he immediately took a breath of air. Princess Isa's father was really a demon king!

Although Chen Ping doesn't know what the realm of the Demon King is in the heaven and human world, it is definitely not something he can reach now!

Chen Ping followed Princess Isa through the streets and came to the Imperial City in the central area!

Just when Chen Ping and the others entered the imperial city, a young man wearing golden armor walked over!

"Princess Isa, I heard from the Demon Emperor that you went out, but it worried me to death. You know it's too dangerous outside now. You go out alone. If something goes wrong, you'll be in trouble!"

"If you are out, please let me know and I can protect your safety..."

The young man said to Princess Isa with a worried face!

But Princess Isa just glanced at the young man, and then said with a hint of disgust: “Hu Ben, when will my freedom of movement be controlled by you? Do I have to report to you wherever I go?”

“No, that’s not what I meant. I’m just worried about your safety!”

Huben waved his hands repeatedly to explain, but when he noticed Chen Ping behind Princess Isa, he frowned: “Princess, why did you bring humans in?”

But just as Huben finished speaking, his face suddenly looked strange and he continued: “No, this guy has the aura of a human being. How come he also has the aura of our orcs? Is it the aura of a divine beast?”

“It’s weird, it’s really weird. Could it be that he is the product of the marriage between our beast race and humans?”

Huben was a little overwhelmed by Chen Ping’s aura, so he looked at Chen Ping carefully!

“Hu Ben, put away your curiosity. It’s none of your business who I bring in. You can protect the imperial city and do your own thing!”

Princess Isa scolded Huben, and then said to Chen Ping: “Chen Ping, let’s go...”

Princess Isa led Chen Ping towards the inner palace of the imperial city, while Chen Ping took two quick steps and walked side by side with Princess Isa!

This made the tiger who was watching helplessly angry. He had never been treated like walking side by side with Princess Isa!

Chapter: 4134

“That tiger subordinate of yours seems to like you?”

Chen Ping asked Princess Isa.

Because he felt that Princess Isa had no ill intentions towards him, Chen Ping became more relaxed when he spoke!

“He is just a toad who wants to eat swan meat. How could I like him as a voyeur!”

Princess Isa said with an angry look.

“Peeping Tom?” Chen Ping was stunned for a moment, not understanding what Princess Isa meant!

“That Huben is a pervert. He often spies on girls taking baths. He thought that his phantom technique was so good that no one would notice it, but he was still seen!”

“It’s so shameless. I feel sick when I mention him...”

Princess Isa is getting angrier as she talks!

Chen Ping, on the other hand, was full of surprise. He didn’t expect that Huben, who looked upright and strong-backed, had a voyeuristic habit!

No wonder Princess Isa looked with disdain and disgust when she saw the tiger!

Chen Ping followed Princess Isa into the inner hall, and Princess Isa shouted loudly.

“Father, father.....”

As Princess Isa shouted, an old man in blue came out, then saluted Princess Isa and said, "Princess, the Demon Emperor is out of the city and may not come back until tomorrow!"

"Father, it's true that he will leave the city before I come back!"

Princess Isa pouted, looking very unhappy, and then said to the old man in green: "Elder Pei, take him to have a rest. I brought him to see my father."

The old man in green nodded, and then said politely to Chen Ping: "Sir, please come with me..."

Chen Ping looked at Princess Isa in surprise. She brought him into the imperial city, but she didn't ask or say anything and just let him rest!

"You should go and rest first. I know that you are physically injured and your strength is limited. I will send someone to send you some herbs to help you recover."

"When my father comes back tomorrow, he will talk to you. Don't worry, I won't harm you!"

Princess Isa said to Chen Ping!

Chen Ping saw that what Princess Isa said was sincere and indeed had no hostility towards him, so he followed Elder Pei to rest!

Elder Pei took Chen Ping to a very ordinary room, and then said respectfully: "Please rest, if anything happens, you can call me at any time..."

"Thank you, Elder Pei!" Seeing how respectful the other party was, Chen Ping quickly thanked him!

Chapter: 4135

But just when Elder Pei was about to walk out of the room, Chen Ping suddenly called him.

“Elder Pei, can I ask you a question?” Chen Ping asked!

“Excuse me!” Elder Pei said!

“Elder Pei, are all demon cultivators in your city? Are there any humans?”

Chen Ping asked curiously.

Elder Pei shook his head: “There are no humans. We are all demon cultivators here, orcs. Humans have their own territory and will not live here.”

“Have no humans ever come here before?” Chen Ping was very surprised. In such a big city, has no one else discovered that they have been here?

“Of course humans have been here. We often invite some human pharmacists to help refine elixirs or seek medical treatment.”

“You also know that it is almost impossible for us demon cultivators to become pharmacists, so we still need the help of human pharmacists!”

Elder Pei answered carefully!

Chen Ping nodded in realization. He just realized that it turns out that these demon cultivators who transformed into human forms cannot become medicine masters!

“Do you have any more questions?”

Elder Pei asked softly.

“Oh, no, thank you very much, Elder Pei!”

Chen Ping quickly shook his head and said!

Elder Pei left, while Chen Ping stayed in the room, quietly adjusting his breath and slowly regaining his strength!

I don't know how long it took, but the sound of the door opening woke Chen Ping up!

Chen Ping opened his eyes and saw Princess Isa walking over carrying a disk!

On the porcelain plate, a brown-green pill exudes a faint light!

Chen Ping could tell at a glance that this pill was no ordinary elixir!

“Princess Isa...”

Chen Ping stood up and shouted respectfully!

“I brought you a Guixin Pill. Looking at you like this, it seems that you have an injury that has not healed. Taking this Keguxin Pill may be good for treating your injury!”

Princess Isa said and put the porcelain plate on the table!

Chapter: 4136

Chen Ping looked at the Guixin Pill with a bit of doubt on his face, because this Guixin Pill was definitely a priceless item for a demon cultivator without an alchemist!

But now Princess Isa gave this thing directly to herself. Chen Ping felt a little unsure. He didn't understand why Princess Isa was so good to him.

Chen Ping doesn't know what Princess Isa's intentions are!

"Princess Isa, I would like to take the liberty to ask you. You and I met by chance. Why did you give me such a heavy gift?"

Chen Ping asked puzzledly.

"Because I want to get some answers from you!"

Princess Isa said.

"What answer?" Chen Ping was stunned, not understanding what Princess Isa meant!

"You have the aura of a human being, but you also have the aura of a mythical beast. That means your parents are definitely not of the same race."

"One person is an orc, and one is a human. I want to know who your parents are? How did they give birth to you?"

Princess Isa asked.

Chen Ping frowned slightly. He didn't understand what Princess Isa was doing when she asked her parents, but Chen Ping still replied: "My mother is a human being, but I have never seen my father, let alone who he is." Know who he is."

"Why are you asking these questions? Is there anything wrong with my parents giving birth to me?"

Chen Ping looked at Princess Isa strangely. He really couldn't understand the purpose of Princess Isa's question and what she wanted to get from it!

“Maybe you don’t know that we orcs can’t marry humans. Even if we marry, we can’t give birth to children.”

“In our Demon Imperial City, many people fell in love with humans, but in the end, none of them were able to have children!”

“So for such a long time, we have always thought that following the union of humans is against God’s will, so we will be punished by God and cannot have children!”

“But after seeing you, I really want to know how you were born, and why your parents won’t be punished by God?”

Princess Isa explained carefully!

Chen Ping was dumbfounded when he heard this. He had never known that there was such a rule that the orcs and humans could not marry!

What happens if you can’t have children after getting married?

Then he and Huofeng have been combined. Are they considered to be against God’s will?

“Princess Isa, I really can’t explain your problem to you, because I don’t know what my situation is!”

Chen Ping smiled awkwardly and said!

Chapter: 4137

Chen Ping has never even met his father, so how could he know why he was born?

“It doesn’t matter. When my father comes back, he may be able to see some reasons. You can stay here for one night first!”

Princess Isa left after saying that!

Chen Ping looked at the Guixin Pill but did not eat it. Instead, he put it directly into the storage ring. Although Princess Isa looked good, Chen Ping was not strong enough now. There was nothing he could do about a high-level pill like Guixin Pill. After finding out the ingredients, I don't dare to eat it casually!

Chen Ping opened the window of the room. Through the window, Chen Ping could easily see the entire Demon Imperial City, which was also brightly lit!

After watching for a while, Chen Ping opened the door and walked out. He wanted to walk around and take a look at the Demon Imperial City.

The guards in Demon Imperial City are not particularly strict. Maybe it's because it's very safe here, but there aren't many guards!

Chen Ping walked around aimlessly, looking at the somewhat exotic imperial city!

Just when Chen Ping passed a room, a faint smell of sandalwood came from the room. Chen Ping opened the door and walked in!

After entering the room, Chen Ping discovered that it was a study room with a variety of books on the wooden bookshelves!

Chen Ping picked up a book and flipped through it casually, only to find that there were some obscure words on it. These should be orc words, which are different from human words!

Chen Ping read several more books in succession, all with the same words. Chen Ping couldn't understand them at all!

"These are all bird texts, I really can't understand a single word..."

Chen Ping reluctantly put the book back and prepared to leave!

But Chen Ping stopped soon. He seemed to remember something, and then picked up a book again!

But Chen Ping did not look at it with his eyes this time, but gently touched the book with his hand, and soon a spiritual consciousness wrapped the book!

At this time, in Chen Ping's sea of consciousness, the wordless heavenly book radiated light, and the contents of that book slowly flowed into Chen Ping's memory like trickling water!

It only took a moment for Chen Ping to memorize all the books that he couldn't understand at first, and they were word for word!

A smile appeared on Chen Ping's lips, he put the book back casually, picked up another book and prepared to memorize it using the same method again!

If Chen Ping could memorize so many books on the orcs, he would definitely have a deeper understanding of the orcs!

But just when Chen Ping was about to repeat his old tricks, the door to the room was suddenly pushed open, and then a team of golden-armored warriors rushed in!

"How brave you are to break into the Demon Emperor's library and seek death..."

Tiger Ben, who was wearing golden armor, was furious when he saw Chen Ping reading books in the room!

You must know that this is the Demon Imperial City, the territory of the beast tribe. Even if Chen Ping, a human being, was brought in, he secretly came to the library in the middle of the night!

Chapter: 4138

"Don't get me wrong, I just..."

Chen Ping saw Huben and wanted to explain to him, but before he could finish his words, Huben slashed at Chen Ping with a knife!

Chen Ping had no choice but to throw the book at Hu Ben and move around to escape!

“I still want to run away. If I let you run away, then my reputation as a general guard will be in vain.”

Seeing that Chen Ping was still trying to escape, Huben roared angrily and swung his knife at Chen Ping again!

Huben has a prejudice against Chen Ping in his heart. He doesn't like human beings very much and thinks that human beings are too scheming!

But Princess Isa has a soft spot for humans and always hopes that she can find a human husband!

It's just that Princess Isa restrained herself because the orcs and humans couldn't marry!

But today Huben saw Princess Isa and Chen Ping walking side by side, talking and laughing, Huben was going to be pissed to death!

So now that Huben discovered that Chen Ping had sneaked into the library and looked through the books inside, he immediately found an excuse to deal with Chen Ping!

Huben's attack was very ruthless, and it looked like he would kill Chen Ping!

Chen Ping has not fully recovered his strength now, and is no match for Huben. When he saw Huben making an angry move, and it was a killing move, Chen Ping could only rely on his flexible body to keep dodging!

Uh-huh.....

Huben slashed at Chen Ping's door with his sword, and the cold blade went straight towards Chen Ping with a cold light!

Chen Ping wanted to dodge, but this time Huben was so fast that Chen Ping couldn't dodge at all!

Seeing this scene, Chen Ping could only grit his teeth, bursts of golden light appeared on his body, his indestructible golden body activated, and golden scales covered Chen Ping's body!

clang.....

Chen Ping raised his hands and directly blocked Huben's knife.

But the huge force caused Chen Ping to fall out instantly and fall heavily to the ground. The indestructible golden body instantly shattered and dissipated into a burst of golden light!

Blood flowed from the corner of Chen Ping's mouth. The strength gap between him and the tiger was too big. Even with the indestructible golden body to protect him, Chen Ping was still injured!

"I didn't expect that you, a little human, would be protected by golden armor. It seems that you are not a simple person. You must have something in mind when you come to our Demon Imperial City!"

"I will kill you today to see how you continue to plot against our Demon Imperial City..."

After Huben said this, he slashed at Chen Ping with his sword!

Facing Huben's sharp knife, Chen Ping could only helplessly close his eyes. He knew that he could not resist the knife!

Chapter: 4139

But just when Huben's knife was about to hit Chen Ping, a ray of light suddenly flashed up and hit Huben's knife instantly!

Huben's body trembled and he took a few steps back!

“Hu Ben, how brave are you to attack the guests I invited?”

I saw Princess Isa walking over angrily, and Elder Pei followed beside Princess Isa!

It was Elder Pei who rescued Chen Ping just now!

“Chen Ping, are you okay?”

Princess Isa stepped forward and helped Chen Ping up!

Chen Ping smiled bitterly, then shook his head!

Chen Ping felt very helpless at the moment. If his strength hadn't been restored, how could he be in such a mess under the hands of this tiger?

“Princess, this kid sneaked into the Demon Emperor's library and was caught by me. He was secretly reading the Demon Emperor's books.”

“I've said it before, human beings are cunning and cunning and should not be trusted at all. This kid definitely has an agenda when he peeks into the Demon Emperor's collection of books!”

Huben said loudly to Princess Isa!

When Princess Isa heard this, she looked at Chen Ping in surprise, her eyes full of questions.

“Princess Isa, I was just too bored in the room and wanted to go out for a walk, so I came here and looked at the books inside!”

“You brought me here by force. What do you think I will do?”

Chen Ping could only explain along with Princess Isa!

But Chen Ping's explanation is a bit far-fetched, and Isha still has a bit of disbelief on her face!

"Princess, the books in this library are all written in our orc language and cannot be read by humans."

At this time, Elder Pei on the side reminded him in a low voice!

Hearing Elder Pei's words, Princess Isa suddenly realized, smiled slightly and said: "I believe you entered unintentionally, go back and rest quickly, don't walk around at will!"

"Thank you princess!"

Chen Ping nodded and then went back!

Huben looked at Chen Ping's back with anger on his face.

"Princess, this guy is not a good person at first glance. Nowadays, humans are deceiving each other and doing all kinds of bad things. You can't be so close to humans anymore!"

Chapter: 4140

Huben said to Princess Isa!

Princess Isa frowned, her eyes slightly focused and said, "Hu Ben, are you teaching me a lesson?"

"Hu Ben doesn't dare..." Feeling the anger on Princess Isa, Huben lowered his head!

"Watch yourself!"

Princess Isa had a cold look on her face: "Take your people and leave..."

Huben didn't say anything and left with the guards!

"Princess, although Chen Ping doesn't seem to be very strong and poses no threat to our Demon Imperial City, I still think it's best not to let him stay here for a long time!"

After Huben left, Elder Pei said to Princess Isa!

"Well, my father is back. After seeing him, I will send him away!"

"I just don't know if my father will be able to come back tomorrow. He left in such a hurry. Is there something important?"

Princess Isa nodded and said.

"Princess, the Demon Emperor is out of the city to help the old minister's daughter to see a famous doctor. He will be back tomorrow."

Elder Pei said!

When Princess Isa heard this, she was stunned for a moment, then smiled slightly and said: "Well, Elder Pei, please rest early, and don't worry anymore."

"Since my father has taken action personally, I believe that we can definitely find a skilled pharmacist to cure your daughter."

Princess Isa said to Elder Pei.

“The kindness the Demon King and Princess showed to me will never be forgotten...”

Elder Pei’s eyes began to moisten!

His own daughter contracted a strange disease and was bedridden. He also went to many pharmacists, but none of them could cure her!

Now the Demon King personally came forward to invite the pharmacist, which made Elder Pei very grateful!

Elder Pei left, but Princess Isa did not leave. Instead, she gently turned her head to the side and said with a slightly angry voice: “Come out, I trusted you and asked you to leave. I didn’t expect you to come back again.” ?”

After Princess Isa finished speaking, Chen Ping’s figure slowly walked out from the dark corner, with embarrassment written all over Chen Ping’s face!

Chen Ping did leave just now, but his inner curiosity about the orcs made him secretly return again!

Chen Ping read a book about the Beast Clan. The things recorded in the book opened up some unknown things to Chen Ping, but what was recorded in this book was only the tip of the iceberg of the Beast Clan!
