

The Order 4151

Chapter: 4151

However, with Chen Ping's current strength, as long as he doesn't encounter a master above the Fusion Realm, he will have no problem protecting himself.

After practicing for three full days, Chen Ping walked out of the room and wanted to do some exercise!

"Mr. Chen..."

As soon as Chen Ping walked out of the room, Elder Pei came up to him instantly!

It turns out that Elder Pei has always been guarding the door. As long as Chen Ping needs anything, Elder Pei will meet it as soon as possible!

After all, this is an order issued by Demon Emperor Yihe personally, and Elder Pei doesn't dare to be careless!

"Elder Pei? What are you doing here?"

Chen Ping was a little surprised when he saw Elder Pei outside the door. He thought Elder Pei was here to see him!

"Mr. Chen, the Demon Emperor asked me to guard Mr. Chen here, in case you need anything."

"I don't know what Mr. Chen wants to do? Just tell me!"

Elder Pei asked cautiously!

"I'm just a little bored and want to take a walk..."

Chen Ping smiled slightly: "Go and do your work..."

"Mr. Chen, you are not familiar with this place, so let me show you around!"

Elder Pei didn't dare to leave. The Demon Emperor's order was for him to guard Chen Ping here!

"That's fine..."

Chen Ping nodded. After all, Chen Ping was not familiar with the Imperial City. It would be troublesome if he encountered someone interrogating him!

Elder Pei took Chen Ping around the entire imperial city, and acted as a tour guide, explaining the history of the imperial city to Chen Ping!

Listening to Elder Pei's explanation, Chen Ping realized that this imperial city had a history of thousands of years. It was already the fourth generation of Demon Emperor Yihe!

But just when Elder Pei took Chen Ping to the back garden and looked at the beautiful scenery around him, screams suddenly came from a courtyard, accompanied by the cry of a girl!

Hearing this voice, Chen Ping frowned and was about to follow the voice. After hearing this voice, Elder Pei's face became a little ugly, but he stopped Chen Ping and said: "Mr. Chen, what's going on here?" The guests staying here are VIPs invited by the Demon Emperor, so we'd better not disturb them!"

Elder Pei knew that the leader Hu of the Jade Cauldron Sect lived there, so he didn't want Chen Ping to disturb him!

"VIP?" Chen Ping looked a little ugly: "What kind of VIP would abuse a girl like this?"

When Chen Ping heard the girl's screams, he knew that the girl had been treated inhumanely!

Chapter: 4152

Elder Pei didn't speak, but his face was full of embarrassment. It seemed that he had known about the situation in the yard for a long time, but he never paid attention to it!

Chen Ping pushed Elder Pei away and walked quickly towards the courtyard.

"Mr. Chen, Mr. Chen....."

Elder Pei chased after him, but did not dare to stop Chen Ping by force. After all, the Demon King was so polite to Chen Ping. It was definitely not easy for Elder Pei to reveal Chen Ping's identity!

When Chen Ping pushed open the courtyard door, he was shocked by the scene in front of him. He saw a girl with a very distinctive appearance and fair skin, lying on the ground with shocking scars on her body!

At this time, the girl was naked and angry. Looking next to the girl, there was an old man with a fierce face, holding a whip in his hand, and excitement in his eyes!

The old man was only wearing a pair of underpants, and his dark skin was exposed!

Chen Ping was full of anger at this moment, and he could see it at a glance. The old man in front of him with half-cloth covering his body should be the distinguished guest that Elder Pei said!

Although this guy is not young, he is actually a pervert and has ruined a girl like this!

When the old man saw someone suddenly pushing the door and barging in, he couldn't help but be stunned, and then shouted angrily: "What the hell are you doing? Get out of here, don't disturb my fun..."

After the old man finished speaking, he whipped the whip in his hand towards Chen Ping!

With murderous intent in his eyes, Chen Ping stretched out his hand and grabbed the whip, and the two of them instantly started a stalemate!

When the old man saw this, he frowned tightly, and then a majestic force went towards Chen Ping through the whip!

“Sect Master Hu, please calm down...”

At this time, Elder Pei rushed in and hurried forward to stop the old man!

Then he also said to Chen Ping: “Mr. Chen, let go quickly. Misunderstandings are all misunderstandings...”

Chen Ping let go of his hand. He knew that even if he didn't let go, he wouldn't be able to catch the opponent's force.

“Elder Pei, what's going on? Who is this guy?”

Sect Master Hu asked Elder Pei with a displeased look on his face.

“Sect Master Hu, calm down, calm down, this Mr. Chen is also a distinguished guest of our Demon Emperor!”

Elder Pei hurriedly followed Sect Leader Hu to apologize!

“I don't care who he is, tell him to get out immediately and don't disturb my mood!”

Sect Leader Hu put away the whip and said fiercely!

“Okay, okay.....”

Chapter: 4153

Elder Pei nodded repeatedly!

But just when Elder Pei was about to ask Chen Ping to leave, he saw Chen Ping take off his coat, cover it directly on the girl, then pick up the girl and walk out!

“Leave people to me, I haven’t had enough fun yet...”

When Zongzong Hu saw that Chen Ping wanted to take the girl away, he was furious!

Elder Pei hurriedly stepped forward to stop Chen Ping: “Mr. Chen, you’d better keep this girl...”

Chen Ping looked at Elder Pei like that and said with a gloomy face: “Elder Pei, isn’t this girl from your imperial city? She was beaten like this, and you just watched and ignored her?”

“Mr. Chen, Sect Leader Hu is a distinguished guest, and we must meet his requirements.”

Elder Pei said helplessly!

“Can a distinguished guest do this? Go and call your Demon Emperor. I want to see what kind of distinguished guest this is!”

Chen Ping was already furious at this time!

Upon seeing this, Elder Pei also knew that this situation was beyond his control, so he immediately ordered people to find Demon Emperor Yihe!

Soon, Demon Emperor Yihe and Princess Isha all hurried over!

Seeing the tense situation between Chen Ping and Sect Leader Hu, Demon Emperor Yihe instantly felt his head grow bigger, so he stepped forward and said to Chen Ping: “Mr. Chen, what happened?”

“See for yourself, this girl is also one of your subjects, right? How has she been beaten now? Is this how you become the Demon King? If you can’t protect your people, what’s the point of being the Demon King? use!”

Chen Ping’s tone was very stern, as if he was lecturing a child, reprimanding Demon Emperor Yihe!

Chen Ping would never allow such a situation to happen to his disciples, no matter what kind of distinguished guest that Sect Master Hu was!

Now that the Demon Imperial City is a portal of Tianlong Palace, the people here are also Chen Ping’s subordinates. Chen Ping will not let his subordinates be bullied and ignore them!

Demon Emperor Yihe’s face turned red and white after being trained by Chen Ping, and Elder Pei looked at Chen Ping in surprise. No one here dared to say that about the Demon Emperor!

Even if Sect Master Hu wanted something from him, he would not dare to reprimand the Demon Emperor like this!

“You are so brave, how dare you talk to my father like this?”

Seeing that Chen Ping dared to reprimand her father, Princess Isa immediately said angrily!

“Shut up!” Demon Emperor Yihe glared at Princess Isha and asked her to shut her mouth. Then he looked at Chen Ping humbly and whispered: “Mr. Chen, please take a step to speak, and I will talk to you.” please explain!”

“You’d better explain it to me...”

Chen Ping handed the girl in his arms to the guard on the side and said, “Place her...”

Chapter: 4154

The guard took the girl, but did not dare to move. Demon Emperor Yihe winked, and the guard quickly took the girl away!

When Sect Leader Hu saw this, he frowned and felt confused for a moment. He didn't understand what kind of identity a young boy like Chen Ping had, who dared to reprimand Demon Emperor Yihe!

Demon Emperor Yihe took Chen Ping out of the hospital, then found a secluded place, and said with shame: "Palace Master, this person is Sect Master Hu of the Jade Cauldron Sect, a senior pharmacist. Elder Pei's daughter is seriously ill. Bed, many people cannot be cured, so I invited Sect Master Hu here."

"Jade Cauldron Sect?" Chen Ping frowned. He didn't expect that this guy was actually the master of Zhang Biao and Wu Feiyu!

With such a master, it seems that Wu Feiyu and Zhang Biao are not much better!

"The palace master doesn't know about the Jade Cauldron Sect. This Jade Cauldron Sect is..."

"You don't need to introduce it to me. Are you afraid of the failure of the Jade Cauldron Sect because you are so majestic? Do you need to be so humble?"

Before Demon Emperor Yihe could finish speaking, Chen Ping waved his hand and said!

"Of course I'm not afraid. If there's a fight, my Demon Imperial City can destroy the Jade Cauldron Sect in minutes."

Demon King Yihe said!

"Then you still let him do whatever he wants in your imperial city, and you didn't stop him at all?"

Chen Ping asked angrily!

Since Demon Emperor Yihe is so much more powerful than the Jade Cauldron Sect, is he still so afraid of the Jade Cauldron Sect?

Listening to Chen Ping's words, Demon Emperor Yihe could only sigh and said: "The palace master doesn't know something. Although I can destroy the Jade Cauldron Sect in minutes, I can't do it. You also know that our beast tribe does not have a pharmacist." , I have all the medicinal herb resources, but I can't refine them into elixirs!"

"Our elixirs are all made by human alchemists, and humans and beasts in the Heavenly Realm have been living in peace for hundreds of years. No one dares to rashly break this balance!"

"If I rashly attack the Jade Cauldron Sect and destroy the Jade Cauldron Sect, there will no longer be pharmacists refining elixirs for us, and it is also possible that these human sects will unite with other beast clan demon kings and demon kings , destroyed my demon imperial city!"

"Many people in other orc imperial cities are eyeing me and want to replace me!"

Demon Emperor Yihe sighed as he spoke. It seemed that he was not easy to be the Demon Emperor!

Chen Ping fell into silence after listening to Demon Emperor Yihe's words. He didn't expect that the world of heaven and humans would be so complicated. Even if Demon Emperor Yihe was more powerful than the Jade Cauldron Sect, he still had to be respectful!

"Isn't it possible that none of you orcs have become medicine masters?"

Chen Ping didn't understand why the orcs couldn't become pharmacists. After all, alchemy refining was not a profound technique, and it wasn't difficult to learn!

"There are records in the ancient books of our beast clan. We, the beast clan, once had alchemists, but they slowly disappeared and have never appeared again!"

Demon King Yihe said!

Chen Ping frowned slightly. He had the aura of a divine beast in his body, and he could be considered half of the blood of the orcs. If he could do it, then the orcs should be able to do it too!

Chapter: 4155

Chen Ping decided to do some research on why the beast race couldn't become an alchemist. If that didn't work, he would improve the alchemy technique. Otherwise, Demon Emperor Yihe and the others would always be suppressed by the human race!

"Where is Elder Pei's daughter? Take me to see it. Maybe I can cure her. If I can, let that Sect Master Hu get out!"

Chen Ping hasn't seen Elder Pei's daughter yet, and he doesn't dare to tell Sect Master Hu to get out of here!

If you can't heal yourself, wouldn't you be harming the other person?

When Demon Emperor Yihe heard this, he was immediately surprised and said: "Palace Master, are you also a pharmacist?"

"I just know a little bit about it. Please take me to see it first!"

Chen Ping said very modestly!

But just when Demon Emperor Yihe was about to take Chen Ping to see Elder Pei's daughter, a guard hurried over!

"You are so panicked, what happened?"

Seeing the panicked guards, Demon Emperor Yihe asked gloomily!

"Reporting to the Demon Emperor, Elder Pei's daughter's condition suddenly worsened and she was vomiting blood. I'm afraid she may not be able to survive..."

The guard said hurriedly.

“What?” When Demon Emperor Yihe heard this, he immediately became nervous. This shows that Demon Emperor Yihe has long regarded Elder Pei’s daughter as his daughter!

“Go and call out Elder Pei and the others. Don’t forget to call Sect Leader Hu...”

Demon King Yihe said to the guard!

Soon Elder Pei and the others came out, and Sect Master Hu followed them out of the courtyard!

Elder Pei and Princess Isa were also very anxious, but Sect Leader Hu looked relaxed and unhurried!

“Sect Master Hu, my daughter is dying. Please save her. Please...”

Elder Pei was beside Sect Leader Hu and kept begging!

And Sect Master Hu glanced at Chen Ping, and then said: “It’s okay to save your daughter, but I haven’t had enough fun with that girl just now. When your daughter’s condition is under control, you have to send that girl to me and let me continue. Play.....”

When Elder Pei heard this, he hurriedly looked at Demon Emperor Yihe. After all, Demon Emperor Yihe had to make the decision in this matter. It was Demon Emperor Yihe who asked the person to be carried away just now. Elder Pei did not dare to make the decision to send him back!

“Sect Master Hu, as long as you are willing to help me, I will do whatever you want...”

At this time, Demon Emperor Yihe could only compromise and agree to Sect Leader Hu!

After finishing speaking, Demon Emperor Yihe glanced at Chen Ping secretly. If Chen Ping disagreed at this time, then he could only watch Elder Pei’s daughter die. He had to listen to Chen Ping’s words!

Chapter: 4156

As a member of the Tianlong Palace, Demon Emperor Yihe knows that the most important thing is loyalty and must not disobey Chen Ping's orders!

But Chen Ping didn't say anything, and Demon Emperor Yihe secretly breathed a sigh of relief!

Seeing that Demon Emperor Yihe agreed, Sect Leader Hu raised the corners of his mouth slightly and smiled provocatively at Chen Ping.

Chen Ping ignored him, with a calm expression on his face. Without knowing the condition of Elder Pei's daughter, he could only let Sect Leader Hu scold him first!

Everyone quickly rushed to the room of Sect Master Hu's daughter, and saw a lot of blood in the room. Elder Pei's daughter was now pale, her weak breathing was almost gone, and she looked like a dead person!

"Sect Master Hu, how could this happen? How could this happen? Please help and take a look..."

Elder Pei was already worried when he saw his daughter's condition!

"Your daughter's condition is more serious than I thought, but it's not impossible to save. It will take a little longer."

"Since the time has increased, I think our remuneration should also be increased!"

Sect Master Hu said unhurriedly!

Elder Pei was stunned when he heard this. Sect Master Hu was obviously taking the opportunity to blackmail!

But it's now time, even if it's blackmail, what can he do? Elder Pei can only look at Demon Emperor Yihe!

“Sect Master Hu, if you want anything else, just ask!”

Although Demon Emperor Yihe was very angry inside, he could only hold back and ask.

“I want to increase the number of beast pills to 300...”

Sect Master Hu said!

“Three hundred?” Demon Emperor Yihe and Elder Pei were both shocked!

You must know that each beast pill represents a monster beast, and these three hundred beast pills require the sacrifice of three hundred monster beasts!

Although these monster beasts have no brains and have not transformed into human forms, they are still members of their own race after all!

“If you think it’s too much, then invite someone else!”

With that said, Sect Leader Hu made a gesture to leave!

“I promise you, as long as Sect Leader Hu cures Elder Pei’s daughter, I promise you!”

Demon Emperor Yihe had no choice but to compromise!

Seeing Demon Emperor Yihe’s compromise, Sect Leader Hu smiled with satisfaction and prepared to step forward to start diagnosis and treatment!

Chapter: 4157

“Wait a minute...”

Just when Sect Leader Hu was preparing for diagnosis and treatment, he was stopped by Chen Ping!

Sect Leader Hu looked at Chen Ping in surprise and said, "What's the matter with you?"

"You don't need to look at this girl, and you can't even think about taking a beast pill from here."

"For a person like you, your medical skills are not very good. This kind of disease can be cured in three hours. How dare you say it will take a long time?"

"You are not cheating, that means your medical skills are not good!"

Chen Ping said calmly.

"What, my medical skills are not good?" Sect Master Hu suddenly raised his voice. You must know that within hundreds of miles, he has the best medical skills!

"Demon Emperor Yihe, who is this guy? He even dares to question my medical skills?"

Sect Master Hu asked Demon Emperor Yihe.

Demon Emperor Yihe looked at Chen Ping with embarrassment on his face and said: "Mr. Chen, you....."

Chen Ping waved his hand and said: "Don't worry, I can cure Elder Pei's daughter, and it won't take long. As long as you take my elixir, you will definitely be cured in three hours."

The reason why Chen Ping is so confident is that his strength has recovered to the point where he can refine high-level elixirs, and he also has a Agrimony plant on his body. As long as he uses the Shennong Cauldron to refine the Agrimony into elixirs, Elder Pei's daughter will recover quickly!

Although the agrimony is an immortal grass and is extremely valuable, it is nothing compared to human life!

Seeing Chen Ping being so confident, Demon Emperor Yihe stopped talking!

Demon Emperor Yihe stopped talking. Although Elder Pei was anxious, he did not dare to say anything!

Princess Isa, on the other hand, looked at Chen Ping and said, "Chen Ping, don't brag. This is a life-and-death matter. If you can't be cured and delay the treatment, I will kill you..."

When Demon Emperor Yihe heard that his daughter dared to say the words of killing Chen Ping, his eyes suddenly widened and he was about to reprimand Princess Isa, but Chen Ping reached out to stop her!

"Okay, if I can't heal you, you can kill me!"

Chen Ping said with a faint smile!

When Sect Master Hu saw this, his face flushed with anger and he said, "Okay, since you want to let this guy with no hair grow look at him, let him see it. I'd like to see what he's capable of."

"If something happens soon, don't say I didn't warn you, I won't take action no matter how much you give me then!"

Sect Leader Hu put his hands behind his back and stood aside, not caring about anything else. He wanted to wait to see Chen Ping's joke!

Chen Ping stepped forward, gently explored the girl's wrist, and then walked out confidently!

Chapter: 4158

Seeing Chen Ping leaving after just exploring for a while, Elder Pei hurriedly caught up and asked: "Mr. Chen, my daughter..."

"Don't worry, Elder Pei. I'll go outside to refine a pill to ensure your daughter recovers!"

Chen Ping comforted Elder Pei!

“It’s nonsense. It’s possible that such a serious illness can be cured with just one pill!”

Sect Leader Hu sneered.

“If you can’t heal, it only means that your medical skills are not good. You are too stupid...”

After Chen Ping finished speaking, he walked directly to the yard and took out the Shennong Cauldron from the storage ring!

When Sect Master Hu saw the Shennong Cauldron that Chen Ping took out, he was stunned and stared straight at Chen Ping’s Shennong Cauldron!

However, Demon Emperor Yihe and Elder Pei did not understand, so their expressions did not change when they saw Chen Ping taking out the Shennong Cauldron. However, Chen Ping can conjure a medicinal cauldron out of thin air, which means that Chen Ping must have something stored in his body. Quit something like that!

Being able to have such a thing is amazing even in the world of gods and humans. You must know that this kind of storage requires the use of space magic.

In this way, under the watchful eyes of everyone, Chen Ping put the Shennong Cauldron away, and then took out the agrimony!

The moment Chen Ping took out the agrimony, Sect Master Hu frowned and jumped towards Chen Ping!

Demon Emperor Yihe on the side saw this and immediately took action to stop Sect Leader Hu!

With Demon Emperor Yihe around, it was impossible for him to watch someone take action against Chen Ping!

“Sect Master Hu, what are you doing?”

Demon Emperor Yihe said with a gloomy expression!

“Agrimony, that’s agrimony, why is this agrimony in this person’s hand?”

Sect Master Hu shouted loudly!

Demon Emperor Yihe looked at Chen Ping. He didn’t know why Chen Ping had agrimony, but Princess Isha knew it, but she didn’t say anything!

“Why can’t I have agrimony? Does this agrimony belong to your family?”

Chen Ping asked Sect Leader Hu!

Sect Master Hu shook his head: “It’s not from my family.”

“Since it’s not yours, do you care? I picked up this agrimony from the road.”

Chen Ping deliberately provoked Sect Master Hu!

Chapter: 4159

At this time, Sect Master Hu had already scolded Wu Feiyu and Zhang Biao, his two disciples, for sending them to pick agrimony, but now the agrimony was in someone else’s hands!

“It’s such a waste for you to use agrimony to refine the elixir to treat this girl’s illness. I can exchange it with you for other herbs, okay?”

Sect Leader Hu asked Chen Ping!

He wanted to exchange other medicinal herbs with Chen Ping. After all, it would be a waste to use this priceless fairy grass to make an elixir to treat an ordinary girl!

But who knew that Chen Ping smiled coldly and said: "Compared with a life, this is just a piece of grass. There is nothing to waste..."

As Chen Ping spoke, he threw the agrimony directly into the Shennong Cauldron. Then he pinched his fingers, and a spiritual fire danced at his fingertips. Then Chen Ping threw the spiritual fire into the Shennong Cauldron!

"Waste, such a waste. Do you know how to refine elixirs? How can you refine elixirs with agrimony like this..."

Seeing Chen Ping refining elixirs, Sect Leader Hu immediately stamped his feet and beat his chest in distress!

He has never seen someone refining the elixir like this. In the end, he is afraid that if the elixir is not completed, the agrimony will also turn into ashes!

"It's up to you whether I know how to do it or not? It belongs to me, and I can refine it however I like!"

Chen Ping silenced Sect Master Nana Hu into silence!

Elder Pei and Demon Emperor Yihe on the side were also nervous. They had never seen such a method of refining elixirs, but now that the matter was over, no one dared to say anything!

I can only pray in my heart that Chen Ping can succeed, but Chen Ping can take out something as valuable as agrimony and refine elixirs for his daughter. Elder Pei is very grateful in his heart!

Ten minutes later, a burst of smoke rose from the Shennong Cauldron, and bursts of medicinal fragrance filled the air!

“Humph, if you don’t listen to the advice, a good agrimony will be destroyed like this!”

Seeing the smoke rising from the Shennong Cauldron, Sect Master Hu snorted coldly!

“How did you know it was destroyed? What if the elixir was refined?”

Chen Ping raised the corner of his mouth and said!

“Are you kidding? It’s only been ten minutes, how can it be successfully refined? If you succeed in refining it, I will kneel down to you on the spot!”

Sect Leader Hu didn’t believe it at all. An immortal grass like Agrimony could not be refined into a pill in more than ten minutes!

“good!”

Chen Ping smiled, and then walked calmly to the Shennong Cauldron, stretched out his hand and took out a crystal clear elixir. There was a faint light around the elixir!

Seeing that Chen Ping had actually refined the agrimony into elixir, everyone had an incredible expression on their faces!

Especially Sect Master Hu looked at it with surprise on his face, but his mouth was full of disbelief: “Impossible, this is absolutely impossible...”

Chapter: 4160

As Sect Leader Hu said, he actually ran to the Shennong Cauldron and looked inside the cauldron. He wanted to see if Chen Ping had done something!

“You don’t need to look at it. This is an elixir refined from agrimony. The smell emitted by this elixir also contains the smell of agrimony. As a pharmacist, you can’t detect it, right?”

Chen Ping said with a faint smile!

In fact, Sect Master Hu noticed it the moment Chen Ping took out the elixir, but he just didn't want to believe it!

"How is this possible? How is this possible?"

Even if the facts are in front of his eyes, Sect Master Hu still can't believe it!

"What you can't do doesn't mean that others can't do it. You are just a frog in the well. How can you know that the world is huge and nothing is impossible."

"Now that I have refined it, can you kneel down and kowtow to me?"

Chen Ping looked at Sect Leader Hu with pride and asked.

"Boy, although I don't know what method you used to refine the agrimony into an elixir in just ten minutes, but your elixir is definitely a useless elixir and has no effect at all."

"I don't believe that this little pill of yours can cure this girl's illness..."

Sect Leader Hu argued loudly, how could he, the dignified leader of the Jade Cauldron Sect, kneel down to a young boy like Chen Ping!

"In this case, I will convince you!"

After Chen Ping finished speaking, he gave the elixir to Elder Pei and said, "Elder Pei, give this elixir to your daughter. Your daughter will definitely recover within three hours."

Elder Pei excitedly took the elixir, and then everyone entered the room and watched Elder Pei take the elixir to his daughter!

At this moment, there was a commotion in the yard, and someone seemed to be discussing something!

“What’s the matter? You’re yelling...”

Demon Emperor Yihe heard the discussion in the yard and said angrily!

“I’ll go out and take a look...”

Princess Isa walked out of the room and saw several servants in the yard looking up and pointing!

Princess Isa looked up and found that there were a few more clouds over the yard. These clouds were of different colors. They were so beautiful!

“Father, father, come and see...”

Princess Isa couldn’t help shouting loudly.

Hearing Princess Isa’s shout, everyone walked out of the room. When they saw the clouds in the sky, they were all shocked!
