

## **The Order 4171**

Chapter: 4171

The old village chief was worried that even if Chen Ping came back, he would not be a match for that bid at all!

When Chen Ping heard that Wu Feiyu had left and Zhang Biao was the only one left, he no longer had to be afraid!

“Don’t worry, old village chief, I will make Zhang Biao’s life worse than death in front of everyone...”

“Where is he now? Take me there!”

Chen Ping said confidently to the old village chief!

Seeing how confident Chen Ping was, the old village chief nodded and took Chen Ping over!

At this time, Zhang Biao was drinking and eating, shaking his head in a very uncomfortable way!

“Old man, the wine is gone. Hurry up and get the wine...”

Zhang Biao yelled at the old village chief to get the wine!

Just as Zhang Biao finished speaking, a figure suddenly rushed in and slapped Zhang Biao with a palm!

Zhang Biao was excited and furious: “Damn it, a bunch of mountain villagers dare to attack me...”

Zhang Biao took advantage of the situation and drew out his long sword, and instantly burst out with sword light, and the whole room was filled with sword light!

Countless sword rays chopped the entire room into pieces, while Zhang Biao's body soared into the sky and slowly fell to the side!

But when he saw the person who attacked him clearly, he was stunned for an instant!

"It turns out to be your boy, you are finally back..."

Zhang Biao's face showed surprise when he found out that it was Chen Ping who had returned!

But Chen Ping didn't say a word, and the violent energy erupting from his body filled the sky above the entire Dashi Village!

At this moment, the surprise on Zhang Biao's face disappeared, and then he frowned slightly and said: "What kind of strength is your boy? How could your strength grow so fast in just a few days? Did you hide your strength before?"

Zhang Biao noticed from Chen Ping's explosive aura that Chen Ping's strength had improved a lot!

But it's only been a few days, how can a person's strength grow so fast?

If it hadn't increased in the past few days, then it must have been that Chen Ping had hidden his strength before!

"Today I want to avenge the people of Dashi Village. I will cut you into pieces..."

Chen Ping said word for word!

"Hmph, it's just you. Even if you hide your strength, you are still a country pariah. How can you stand up to me, a genuine disciple of the Jade Cauldron Sect?"

Chapter: 4172

“Today I will show you the difference between you, a country pariah, and our famous and authentic disciples...”

After Zhang Biao finished speaking, the long sword in his hand instantly bloomed with brilliant brilliance, and his body suddenly moved towards Chen Ping!

Zhang Biao’s speed was as fast as lightning, and the messy sword energy went straight to Chen Ping’s throat!

Chen Ping’s body suddenly retreated, his feet paused, and he flew directly out of Dashi Village and landed in the mountains and forests outside!

“Now that you’re here, I can’t let you run away!”

Zhang Biao thought Chen Ping was going to run away, so he sneered and chased after him!

But Chen Ping didn’t want to run away at all, and he wouldn’t run away. He just didn’t want to fight in Dashi Village. After all, if people of their level fought, the entire Dashi Village would suffer!

Everyone in Dashi Village watched nervously, secretly sweating for Chen Ping!

Facing Zhang Biao who was pursuing him, Chen Ping suddenly slapped his palm on a tree next to him!

The trees shook, and thousands of leaves on the branches fell one after another. Then Chen Ping pushed forward with both palms, and these leaves were like sharp weapons, rushing towards Zhang Biao!

“Huh, what a small trick...”

Zhang Biao snorted coldly, then waved the long sword in his hand, knocking down those leaves one after another!

While knocking down those leaves, Zhang Biao slashed at Chen Ping's head with his sword!

Chen Ping turned sideways, and the sharp sword light slid down Chen Ping's ear!

The sharp sword edge made Chen Ping's skin burn with pain!

Zhang Biao made two moves in a row but Chen Ping dodged them, which made him a little angry!

You must know that Chen Ping is a pariah in his eyes, and there is no way to compare with him!

But now the pariah in his eyes managed to escape two of his attacks without using weapons, which made Zhang Biao feel very embarrassed!

"I'm so angry that I must kill you today..."

Zhang Biao roared angrily, and the long sword in his hand instantly shot up into the sky with a ray of light. Waves of air suddenly rose around Zhang Biao!

Chen Ping was furious when he saw this sign, he smiled coldly, and then a golden light suddenly appeared on his body, and the indestructible golden body tightly wrapped Chen Ping!

Seeing Chen Ping activate his indestructible golden body and his whole body was wrapped in golden scales, the brilliance of the sword in Zhang Biao's hand became even more powerful!

"Brother Chen Ping, give you a weapon..."

At this time, Zhu Zhu roared, and then threw a long knife in his hand towards Chen Ping!

Chapter: 4173

Chen Ping has no weapons in his hands, so he will definitely suffer if he continues to fight like this!

Chen Ping stretched out his hand to catch the long knife thrown by Zhu Zhu, and immediately blocked the sword in front of him!

“Hmph, a piece of scrap metal, trying to block my blow...”

Zhang Biao snorted coldly and swung his sword down with all his might.

“Even a wooden stick is enough to deal with you...”

Chen Ping narrowed his eyes slightly, and a stream of divine dragon power was poured into the long sword!

The originally ordinary long knife suddenly erupted with golden light and made a buzzing sound!

boom.....

Zhang Biao slashed down with his sword, but Chen Ping blocked it with his long sword!

When the swords collided, a thunderous sound erupted, and terrifying air waves swept around, and all the surrounding trees were uprooted!

If this was a fight in Dashi Village, this move would level the houses around Dashi Village!

Danglang.....

Just after the swords collided, there was the sound of metal falling to the ground!

Everyone saw that of the long sword in Zhang Biao's hand, only the hilt was still in Zhang Biao's hand. The sword broke directly and fell to the ground!

“This...how is this possible?”

Zhang Biao looked at the broken sword in his hand and was dumbfounded!

Although the long sword in his hand is not a sword, it is a thousand times better than the woodcutter in Chen Ping’s hand!

But now the long sword in his hand was cut off by the woodcutter in Chen Ping’s hand!

The shocked Zhang Biao felt the dangerous aura emanating from the woodcutter in Chen Ping’s hand, and fear arose in his heart!

He felt that he had completely underestimated Chen Ping’s strength. He could use a woodcutter with such power. Chen Ping’s current strength was definitely above the clutch level.

A mountain untouchable actually has strength above the Separation and Reunion Realm, which is comparable to some sect disciples!

Zhang Biao really couldn’t understand how a master like Chen Ping could appear in Dashi Village!

“It’s time to avenge the folks of Dashi Village...”

Chen Ping slowly raised the woodcutter in his hand, and the light on the woodcutter suddenly expanded!

Chapter: 4174

The golden light in the sky reflected Zhang Biao’s frightened face!

“No... you can’t kill me. I am from the Jade Cauldron Sect, and my master is...”

Zhang Biao was afraid and moved his sect out to scare Chen Ping!

But Chen Ping didn't listen at all. Before he could finish speaking, he swung the knife in his hand!

He didn't know this standard at all, and it was useless to move his master. His master kowtowed to Chen Ping, would Chen Ping be afraid of him?

Feeling Chen Ping's powerful blades, Zhang Biao kicked his feet and stepped back with all his strength!

Zhang Biao wanted to escape, but he knew that he was no match for Chen Ping!

Seeing Zhang Biao trying to escape, the villagers in Dashi Village became nervous. They wanted to eat Zhang Biao alive, but they couldn't let him escape!

"Brother Chen Ping, that Zhang Biao wants to escape..."

"We must not let him escape, kill him..."

Zhuzi and Yun'er shouted, reminding Chen Ping!

"Don't worry, he can't escape..."

Chen Ping's eyes were calm, looking at Zhang Biao who was about to escape, while the woodcutter in his hand was still slowly swinging down!

It's just that at this time, the light of the woodcutter in Chen Ping's hand is constantly expanding, like the sun in the sky, shining on the entire Dashi Village!

The huge sword light, like a mountain, headed towards Zhang Biao heavily!

Even if Zhang Biao wanted to escape, he couldn't escape the scope of this huge sword!

Zhang Biao felt the huge edge and knew that he could not escape, so he stopped and said with stern eyes: "Boy, don't bully others too much. Do you really think that we from the Jade Cauldron Sect can be killed so easily?" ?"

Zhang Biao said, taking out a token from his waist, Zhang Biao forced a drop of blood to drip on the token, and then the token began to shine with a light, and then this light formed a protective shield on Zhang Biao's head. shield!

This is the order card for the disciples of the Jade Cauldron Sect, which is intended to be used in times of crisis. After all, the Jade Cauldron Sect focuses on refining medicine. In terms of martial arts training, there is some gap compared with other sects, so the Jade Cauldron Sect is Only the disciples of the Ding Sect would each have a command token!

boom!

The sword light soaring to the sky struck the shield, and there was a clicking sound in an instant. Soon the shield shattered, and the sword light disappeared!

However, the aftermath of the sword light cut out ravines in the area around Zhang Biao, and countless trees were cut in half, which shows the power of this sword!

After Chen Ping stabbed him, the woodcutter in his hand finally couldn't bear it anymore and turned into powder in an instant. Such a huge power of the dragon was injected into it, and it was difficult for ordinary weapons to withstand it!

Seeing that the woodcutter in Chen Ping's hand turned into powder, Zhang Biao laughed arrogantly!

Chapter: 4175

"Hahaha, I keep the command card again, what can you do to me, you can't kill me..."

Zhang Biao laughed arrogantly, and the laughter was so harsh in the ears of the villagers in Dashi Village!

Looking at Zhang Biao who was laughing arrogantly, Chen Ping walked towards Zhang Biao slowly with a cold look on his face!

“I said, even a wooden stick is enough to kill you...”

After Chen Ping finished speaking, he bent down and randomly picked up a branch of a tree!

Seeing that Chen Ping actually wanted to use branches to deal with him, Zhang Biao was furious!

“Boy, although I can’t beat you, you forgot that I am a pharmacist!”

After Zhang Biao finished speaking, he suddenly waved forward, and a line of red powder instantly floated away, directly covering Chen Ping!

“This is Bone Erosion Powder. As long as you get a little bit of it, your whole body will rot and die immediately. If you inhale a little bit, your internal organs will also rot in an instant!”

Zhang Biao’s face was full of pride, you must know that what their Jade Cauldron Sect is best at is administering medicine!

Seeing Zhang Biao actually using poison on Chen Ping, everyone in Dashi Village broke into a cold sweat for Chen Ping!

Zhuzi and Yun’er were so nervous that they couldn’t breathe. They were afraid that something would happen to Chen Ping!

“Erotic Bone Powder, a good name...”

Chen Ping held the branch in his hand and stepped out of the red powder in the sky!

Zhang Biao looked at Chen Ping in disbelief and asked in shock: “Why, why weren’t you poisoned?”

“I forgot to tell you. In fact, I am also a pharmacist. As far as refining medicine is concerned, I can be called your ancestor!”

After Chen Ping finished speaking, he suddenly waved the branch in his hand!

Snapped.....

There was a crisp sound, and a deep mark was instantly drawn on the right side of Zhang Biao’s face, which immediately became swollen!

Zhang Biao touched the right side of his face, looked at Chen Ping angrily, then grabbed colorful poisons from his body and threw them towards Chen Ping!

No matter what kind of poison it was, Zhang Biao used it all, but he didn’t believe that it wouldn’t kill Chen Ping!

But Chen Pingping did not dodge or care about the poison thrown by Zhang Biao. The branch in his hand began to hit Zhang Biao’s body continuously!

A few minutes later, there was no more poison on Zhang Biao’s body, but Chen Ping was still standing intact!

But he himself was already in ragged clothes at this time, and his body was beaten black and blue by Chen Ping!

Chapter: 4176

“It’s time for me to send you away...”

Chen Ping looked at Zhang Biao, who was covered in injuries after being beaten by him, and raised the branch in his hand again!

At this time, Zhang Biao knew that the branch in Chen Ping's hand was enough to kill him!

"Brother Chen Ping....."

Just when Chen Ping was about to kill Zhang Biao, Zhuzhu suddenly shouted!

Chen Ping turned to look at Zhu Zhu, who said: "Brother Chen Ping, can you leave him to me? I want to kill him with my own hands and avenge the villagers!"

Chen Ping nodded, then grabbed Zhang Biao by the collar and jumped onto the square of Dashi Village!

Chen Ping kicked Zhang Biao's legs, breaking Zhang Biao's legs so that he could not escape!

Zhang Biao knelt in the square, his body covered with scars, his head lowered, no longer as arrogant as before!

"Beat him to death, beat him to death..."

All the villagers in Dashi Village roared with indignation!

Because on one side of the square, there are still the corpses of the villagers Zhang Biao killed in the past few days!

Zhu Zhu took an ax from a villager and walked towards Zhang Biao!

The old village chief reached out and stopped the pillar.

"Zhuzi, you can't do anything. If this sign is killed by the villagers of our Dashi Village, the Jade Cauldron Sect will not let our Dashi Village go."

“Even if this sign dies in Chen Ping’s hands today, I guess the Jade Cauldron Sect will not let it go. By then, disaster will befall our Dashi Village!”

The old village chief said to the pillar!

When Zhuzi heard this, he was stunned, and the other villagers also shut up and lowered their heads slightly!

Because the old village chief was right, they could kill Zhang Biao to vent their anger and revenge, but behind Zhang Biao was the entire Jade Cauldron Sect. Can they, Dashi Village, fight with the Jade Cauldron Sect?

“Hahaha, I am a disciple of the Jade Cauldron Sect, and behind me is the Jade Cauldron Sect. If you kill me, the Jade Cauldron Sect will massacre your Dashi Village!”

When Zhang Biao heard that the old village chief was afraid of the Jade Cauldron Sect and did not dare to kill him, he became arrogant again!

Seeing Zhang Biao’s arrogant look, although the villagers of Dashi Village were angry, they did not dare to say anything!

Zhuzi’s face turned red with anger, and the hand holding the ax was trembling. He couldn’t help but look at Chen Ping!

Chen Ping suddenly pulled out a branch, and instantly hit the corner of Zhang Biao’s mouth. Zhang Biao’s mouth was twisted and he couldn’t laugh anymore!

Chapter: 4177

“Old village chief, do you believe me, Chen Ping?”

Chen Ping looked at the old village chief and asked.

“Of course I believe you!” the old village chief said!

“Well, since you believe me, let Zhuzhu kill this guy. Even if he is killed, the Jade Cauldron Sect will not seek revenge from Dashi Village.”

Chen Ping said slowly!

“Why?” the old village chief asked in confusion!

“Because it won’t be long before there will no longer be a Jade Cauldron Sect in the human world...”

Chen Ping said with firm eyes!

When the old village chief heard this, his face was full of surprise, but looking at Chen Ping’s determined eyes, the old village chief trembled slightly and said: “Do you want to...”

The old village chief didn’t finish speaking, but he understood what Chen Ping meant!

“Zhuzi, do it...”

The old village chief stepped aside and said to the pillar!

When Zhu Zhu heard this, he immediately became happy and went straight to Zhang Biao with his ax in hand!

Zhang Biao looked at the ax in Zhuzi’s hand, his eyes full of fear. He struggled desperately but couldn’t move, and couldn’t even make a sound!

“Go to hell, you beast...”

Zhuzhu gritted his teeth, widened his eyes, and struck hard!

In an instant, that head of Biao was split in half, and blood mixed with brains flowed all over the floor!

“Revenge, revenge...”

The pillar roared, swinging its axe!

The villagers in Dashi Village also started shouting, and some people stepped forward to vent their anger at Zhang Biao’s body!

Jade Cauldron Sect!

Wu Feiyu stood nervously in front of his master Hu Yixiao. Because there was something wrong in his heart, Wu Feiyu’s legs were trembling slightly!

“You said that agrimony is at your junior brother Zhang Biao’s place? You can get it back in two days?”

Hu Yixiao asked Wu Feiyu!

Chapter: 4178

“Yes, because Master urged me to return in a hurry, I didn’t meet with my junior brother, but my junior brother said that I will bring the agrimony within three days!”

Wu Feiyu was still deceiving his master. He did not dare to say that the agrimony was lost and picked by others. If that happened, he would be punished!

Hu Yixiao looked at the disciple in front of him and suddenly laughed, while Wu Feiyu looked at his master’s smile and suddenly had a bad feeling!

Snapped!

Soon, Hu Yixiao's smile disappeared, replaced by a cold look on his face, and he slapped Wu Feiyu in the face!

"If you were still trying to deceive me, the agrimony would have been harvested long ago, right?"

Hu Yixiao roared at Wu Feiyu!

Wu Feiyu was stunned and said with confusion on his face: "Master, you...how did you know?"

"How do I know? I saw it with my own eyes. The agrimony was refined into elixir right in front of my eyes!"

"You two idiots can't even pick a single agrimony. You're nothing but trash. What's the point of keeping you?"

Hu Yixiao roared angrily, wishing he could slap Wu Feiyu to death with one palm!

If the agrimony hadn't been picked by Chen Ping, he wouldn't have lost the bet to Chen Ping and knelt down to Chen Ping!

"Master, I...I was wrong..."

Wu Feiyu knelt down in front of Hu Yixiao with a pop: "But master, don't worry, we have found the whereabouts of the guy who picked the fairy grass. As long as he returns to the village, my junior brother will definitely catch him. He dares to follow our Jade Cauldron Sect to snatch the fairy." Damn it, you can only die!"

Wu Feiyu believed that with Zhang Biao's ability, it would not be difficult to deal with Chen Ping!

But just as Wu Feiyu finished speaking, Hu Yixiao slapped him again!

“What a fool, that Zhang Biao has already been killed...”

After Hu Yixiao finished speaking, he directly threw out a broken token and said: “All the guarantee tokens have been used, and the token is dead.”

“That Chen Ping who picked the agrimony is by no means an ordinary person. He can make Demon Emperor Yihe respect him with respect. I am afraid this guy has another background!”

Hu Yixiao knew that Demon Emperor Yihe would not be respectful to a young boy for no reason, and Chen Ping’s own level of strength was not high. If Demon Emperor Yihe was still like this, it must be because of Chen Ping’s identity.

“Master, this guy has been living in Dashi Village. We have inquired about it, but as for the origin of this guy, the people in Dashi Village don’t seem to know very well!”

“I’m going to Dashi Village right now. If I can meet that Chen Ping, I will definitely kill him and avenge my junior brother!”

Wu Feiyu now wants to make up for his past mistakes, so he wants to find out Chen Ping’s identity!

Hu Yixiao thought for a moment, then nodded and said: “Let your senior brother accompany you. If you really encounter that Chen Ping, don’t kill him. Bring him back to me. He still has the good things we need!”

Chapter: 4179

“Master, don’t worry, I will definitely bring Chen Ping back to you.”

Wu Feiyu nodded, then stood up and left!

After Wu Feiyu left, Hu Yixiao looked out the window and thought!

“There is Demon Emperor Yihe behind this guy. If I take action against him, I need to contact some helpers.”

Hu Yixiao frowned slightly. After a moment, Hu Yixiao relaxed his brows and shouted loudly: “Here comes...”

“Sect Master, what are your orders?”

A Jade Cauldron Sect disciple walked in and asked!

“Prepare the sedan chair immediately. I’m going to Mingli King’s City...”

Hu Yixiao ordered!

Dashi Village!

Zhang Biao died, and everyone also buried the several villagers Zhang Biao killed!

The entire Dashi Village has returned to calm, but at this time, the entire Dashi Village has begun to regard Chen Ping as the backbone!

After all, the strength of their Dashi Village is too low. If they meet someone like Zhang Biao, they will have no choice but to wait for death!

But if Chen Ping is in Dashi Village, it will be different. Chen Ping can protect their safety and even protect them from being bullied by the people in Daqing Village!

“Grandma, you haven’t seen that Brother Chen Ping is so awesome. He beat the crap out of that standard.”

“If I had Brother Chen Ping’s ability, I would be able to protect the folks in Dashi Village!”

Yun’er was following the old woman about Chen Ping’s battle with Zhang Biao!

But after saying that, Yun’er instantly felt that she had said the wrong thing, so she apologized: “Grandma, I’m sorry, I didn’t mean it. I will find a way to cure your eyes, even though the mark is dead.” , but Brother Chen Ping said he can cure it!”

Yun’er knew that the old woman was blind, but she still said that because she was afraid that the old woman would be angry!

After hearing what Yun’er said, the old woman smiled slightly, touched Yun’er’s head and said, “Silly girl, I’m already used to it. No one can cure my eyes!”

“Who says no one can cure it? I can...”

At this time, Chen Ping followed Zhu Zhu and walked in!

“Sister Yun’er, I followed Brother Chen Ping to the mountains to collect herbs. Brother Chen Ping taught me a lot.”

“Did you see it? This is called Mingmu grass. Brother Chen Ping said that this grass can be refined into elixirs, which can make grandma see things.”

Chapter: 4180

Zhuzhu was dirty and was carrying a backpack and said!

“Really?” Yun’er stepped forward with excitement on her face and took the Mingmucao in her hand!

“It’s useless, my eyes are because...”

The old woman knew that her eyes were poisoned and she couldn’t see well at all!

But before he could finish speaking, Chen Ping said: "Grandma, don't worry, no matter what the reason for your blindness, I can cure it..."

"Brother Chen Ping, are you telling the truth? If you can cure grandma's eyes, I can do anything I want. I can even...can..."

Yun'er looked at Chen Ping and turned red!

Chen Ping patted Yun'er's head dotingly and said, "Silly girl, you are still so young. Stop thinking nonsense. I will definitely heal your grandma's eyes."

Yun'er lowered her head, her face flushed with embarrassment, while Zhu Zhu looked at Yun'er with a puzzled face and said, "Sister Yun'er, why are you blushing? What did you say you could do with Brother Chen Ping just now?"

"Damn pillar, shut up..."

Yun'er glared at Zhu Zhu and ran out, leaving the monk, who was a little over two feet tall, confused!

Chen Ping smiled, then took out the Shennong Cauldron and began to ask Zhu Zhu to throw the Mingmucao and some other herbs into it.

Chen Ping pinched his fingers, and a spiritual fire burned. Chen Ping began to refine the elixir, and explained it to Zhu Zhu while refining it!

As the saying goes, teaching a man to fish is worse than teaching him to fish. Although Chen Ping can treat people in Dashi Village and refine elixirs here, Chen Ping will not be here forever!

Now that Zhu Zhu is interested in becoming a pharmacist, Chen Ping will teach Zhu Zhu. If Zhu Zhu becomes a pharmacist, the status of the entire Dashi Village will be greatly improved in the surrounding area!

Soon, bursts of medicinal fragrance emitted from the Shennong Cauldron. It only took an hour for several crystal clear pills to appear in the Shennong Cauldron!

Zhuzi looked at the refined elixir in surprise, and his heart became even more open to becoming a pharmacist!

“Grandma, if you take a pill, you will be able to see things.”

Chen Ping handed a pill to the old woman!

The old woman took the elixir and drank it without hesitation. She now also has great trust in Chen Ping!

After taking the elixir, the old woman felt a cool feeling constantly flowing through her body, and finally converged on her eyes!

The eyes that were originally expressionless and blank began to slowly gain a hint of color!

The old woman looked around and her expression became extremely excited!

“I...I really saw it, really saw it...”
