

The Order 4181

Chapter: 4181

The old woman was trembling all over and shouted loudly!

Hearing the old woman's shout, Yun'er hurriedly ran back from outside. Then she looked into her grandma's eyes, and she was filled with excitement.

"Grandma, can you really see it?"

Yun'er rushed over and grabbed the old woman tightly and asked.

"Yun'er, grandma can see, my Yun'er is really a beautiful woman..."

The old woman held Yun'er's face with both hands and burst into tears of excitement!

An old man and a young man hugged each other excitedly, and both of them started crying!

This kind of atmosphere made Zhu Zhu shed tears constantly!

After a while, the old woman and Yun'er finally calmed down!

"Brother Chen Ping, thank you so much, I don't even know how to thank you..."

Yun'er said, just kneel down to Chen Ping!

"Silly girl, you saved my life, what do I do?"

Chen Ping pulled Yun'er and did not let her kneel down. Then he handed the remaining pills to Yun'er: "Put these pills away and give them to your grandma to take one every day. After you finish taking them, your grandma has completely recovered!"

Yun'er nodded and put away the elixir.

"Yun'er, Zhu Zhu, you two go out for a while. I have something to tell you, Brother Chen Ping!"

At this time the old woman said!

After hearing this, Yun'er pulled the pillar and walked out!

After Yun'er and Zhuzi left, the old woman began to rummage through the boxes and cabinets, and finally found a wooden box in a corner!

The wooden box was covered with dust. I don't know how many years it had been there. Then the old woman opened the wooden box.

As the wooden box was opened, there was a shiny black bead inside. There was a faint black mist surrounding the bead, and the temperature in the entire room began to drop!

The old woman took out the bead and said to Chen Ping respectfully: "Mr. Chen, I have nothing to repay you for healing my eyes. This is a magic bead that I have treasured for many years. Although it is not a rare treasure, it is It has a very good effect on Mr. Chen's injuries!"

"After you swallow this magic bead, your strength will return to its peak state."

Chen Ping looked at the magic bead in the old woman's hand and didn't know what to do for a moment. He could only refuse: "This... is too expensive..."

The old woman shook her head: "I'm afraid I will have to live in Dashi Village for the rest of my life, and I will never step into the demon clan again, so this magic bead is of no use to me. Mr. Chen should accept it!"

Chapter: 4182

Seeing that the old woman had said this, Chen Ping had no choice but to take the magic bead, then slowly put it into his mouth and swallowed it!

When the magic bead entered Chen Ping's body, Chen Ping's whole body was instantly enveloped by a black mist.

Slowly, the entire Dashi Village was shrouded in black fog, which surprised the old woman!

She didn't expect that Chen Ping would have such a big reaction after swallowing the magic bead!

I saw Chen Ping's brows furrowed, and finally he became extremely ferocious, as if he was in great pain!

And in Chen Ping's body, the three auras are constantly chasing and merging!

"Human race, beast race, demon race? How come he has three auras on him?"

The old woman looked at Chen Ping in shock, her eyes full of surprise!

"ah....."

Chen Ping suddenly shouted, and then he fell heavily to the ground and passed out!

"Brother Chen Ping....."

Hearing Chen Ping's cry, Zhu Zhu and Yun'er all rushed in.

Seeing Chen Ping lying on the ground, both of them became nervous!

"Hurry and lift Chen Ping to the bed..."

The old woman asked Yun'er and Zhuzi to carry Chen Ping to the bed!

The three people looked at Chen Ping with his eyes closed, all helpless. The old woman's face was full of nervousness. She didn't know why Chen Ping was like this!

At this time, in a Taoist temple hundreds of miles away from Dashi Village, an old man wearing Taoist robes, followed by two Taoist boys, a man and a woman, looked at the place shrouded in black mist in the distance!

"Why is there such a strong demonic energy there? Who dares to reveal his identity as a demon at this time?"

The old man frowned slightly, then waved his whisk and said: "Disciple, follow me as master to see which devil who is not afraid of death has appeared..."

With the whisk waving, the figures of the three people slowly disappeared!

And these three people were the three people who were attracted by Chen Ping when he pulled the God King's Bow when he returned from the heavenly world. Now the demonic energy erupting from Chen Ping's body has attracted these three people again!

.....

"Elder brother, look, what's going on?"

Wu Feiyu, who was rushing towards Dashi Village at this time, looked at the black mist rising in the direction of Dashi Village and asked in shock!

Chapter: 4183

Next to Wu Feiyu was Hu Yixiao's eldest disciple Nie Heng.

After Nie Heng glanced in the direction of Dashi Village, he frowned and said, "Demon energy, such strong demonic energy. Could it be that there are demons appearing in Dashi Village?"

"Demons?" Wu Feiyu was stunned: "Elder brother, we haven't seen any demons in the world of heaven and earth for many years. I'm afraid there are no demons anymore, right?"

"The demons are just hiding in the dark. There are still many demons in the heaven and human world. Some are hiding their auras in mountain villages, and some are hiding in deep mountains and old forests."

"It seems that this Dashi Village is not simple. There are actually demons appearing, and looking at the demonic energy, this demon is not weak!"

Nie Heng analyzed it carefully!

"We have been in Dashi Village for many days, but we haven't seen any demons. Could it be..."

Wu Feiyu seemed to remember something, and his eyes suddenly widened and he said, "Is that Chen Ping a demon?"

"It's very possible. Didn't you say that he has been hiding his strength? He is still living in Dashi Village, but the people in Dashi Village don't know his identity."

"It seems that this guy is probably a hidden demon. It seems that we are going to be developed now. If we catch a demon cultivator, we can exchange a lot of resources."

Nie Heng smiled coldly, and then quickened his pace!

When Nie Heng and Wu Feiyu rushed to Dashi Village, Chen Ping was still in a coma!

Seeing Wu Feiyu back, everyone in Dashi Village panicked, but now that Chen Ping is in a coma, no one can deal with Wu Feiyu!

“Grandma, the people from the Jade Cauldron Sect are here, and they must be looking for revenge on Brother Chen Ping. What should we do now? Brother Chen Ping is still unconscious...”

Yun'er said anxiously!

“Yun'er, take Chen Ping and hide. No matter what happens, don't come out!”

“Zhuzi, protect Yun'er, do you understand?”

The old woman said to the pillar!

“Grandma, don't worry, I will protect Sister Yun'er.”

Zhuzhu nodded!

“Grandma, what are you going to do?” Yun'er looked at the old woman nervously and asked!

“The people from the Jade Cauldron Sect are here, and they will definitely not give up this time. I'll go out and take a look. Everything will be fine.”

After the old lady finished speaking, she walked straight out!

At this time, Wu Feiyu and Nie Heng had already entered Dashi Village, and no one could stop them!

Chapter: 4184

“What about Chen Ping? Let Chen Ping get out of here...”

Wu Feiyu roared, and then used his hands to instantly knock several Dashi Village villagers away!

With this simple palm, several villagers in Dashi Village lost their lives in an instant!

Seeing this scene, all the villagers in Dashi Village were heartbroken, but there was nothing they could do!

The old village chief hurriedly stepped forward and said: "Medicine Master, calm down, calm down. Chen Ping is not in Dashi Village now. I can send someone to find him right away!"

The old village chief knew that Chen Ping was in a coma. If Chen Ping was handed over at this time, Chen Ping would definitely die. I am afraid that their Dashi Village would also be unlucky!

If we can delay time and wait for Chen Ping to wake up, maybe Chen Ping can deal with these two guys!

"Fuck you, who are you kidding? There were waves of demonic energy rising in your Dashi Village just now. It must be Chen Ping, he is in the village."

"If you don't hand him over, I will kill you all right now!"

Wu Feiyu slapped the old village chief away!

The old village chief fell heavily to the ground and vomited blood. Seeing this, everyone hurriedly helped the old village chief up!

Everyone glared at Wu Feiyu, but no one spoke, and no one said where Chen Ping was!

Upon seeing this, Wu Feiyu raised his palm again, and a terrifying aura began to rise. With this palm, many villagers in Dashi Village might die again!

"stop....."

At this moment, the old woman shouted loudly and then walked out!

When Wu Feiyu saw the old woman, he frowned and said, "Old man, who are you?"

"Then Chen Ping is no longer in the village at all. The demonic energy rising in the village just now is because of me!"

After the old woman finished speaking, bursts of black mist rose around her body. Wrapped in the black mist, the old woman looked very scary!

When everyone in Dashi Village saw this scene, they were so frightened that they ran away. They didn't expect that the old woman turned out to be a demon cultivator!

You must know that this old woman has lived here for decades, and no one knows that she is a demon cultivator. Now that the old woman shows her true face, the villagers in Dashi Village feel a little scared!

Wu Feiyu was also stunned and said: "Are you actually a demon cultivator?"

"Yes, I am a demon cultivator."

After the old woman finished speaking, she jumped up suddenly and ran straight towards Wu Feiyu!

"Hmph, although you are a demon cultivator, your strength is not enough!"

Chapter: 4185

Wu Feiyu snorted coldly and jumped up!

"Junior brother, don't kill her, keep her alive, she's very valuable..."

Nie Heng said to Wu Feiyu!

"Eldest brother, don't worry. I finally met a demon cultivator. How could I kill him..."

After Wu Feiyu finished speaking, he waved his palms and instantly scattered a ball of red powder.

When the old woman saw this and knew that Wu Feiyu had used poison, her body shook slightly, and the black mist around her instantly solidified, forming a barrier in front of her!

Bang.....

When the red powder thrown by Wu Feiyu touched the solid barrier of black mist, there was an explosion!

Along with the explosion, red powder filled the sky, instantly surrounding the old woman!

The old woman felt her body soften and instantly fell to the ground!

She wanted to stand up, but found that her body had no strength at all!

“There’s no need to struggle anymore. If you hit my scattered attack powder, your power will be gone.”

With a sneer on his face, Wu Feiyu stepped on the old woman!

The old woman closed her eyes in despair. As a demon cultivator, she knew the consequences of exposing her identity!

But in order to buy time for Chen Ping, she had no choice but to sacrifice herself!

Otherwise, everyone in Dashi Village will suffer!

At this time, everyone in Dashi Village saw the old woman being stepped on by Wu Feiyu, and they were filled with anger. Although they knew the identity of the old woman as a demon cultivator, the old woman had never done a bad thing in so many years!

“I didn’t expect to catch Chen Ping, and there was an unexpected gain.” Wu Feiyu looked at the old woman at his feet, raised the corner of his mouth slightly, then glanced at the people in Dashi Village and said: “I will give you five minutes to capture Chen Ping.” Hand it over, if I don’t see Chen Ping in five minutes, I will make your village disappear completely!”

Hearing Wu Feiyu’s threat, all the villagers in Dashi Village fell into panic, because they knew that this guy Wu Feiyu definitely meant what he said!

However, no one would tell Chen Ping’s whereabouts without the old village chief speaking, and every minute and second passed like this!

When Wu Feiyu saw that the villagers in Dashi Village were smelly and tough, but no one spoke a word, his face turned red with anger!

“Okay, since you don’t tell me, then I will kill you all and see if Chen Ping will show up!”

After Wu Feiyu finished speaking, he slapped the people in Dashi Village with a palm in the air. Above everyone’s heads, a huge palm print instantly appeared. There was terrifying pressure in the palm print, and it slowly pressed towards everyone. It made everyone in Dashi Village feel like a mountain was weighing down on their heads!

Seeing that the villagers of Dashi Village were about to be beaten into pulp by this palm, suddenly a ray of light seemed to come from the sky and directly hit the terrifying palm print, defeating it!

Chapter: 4186

“Who is it? Who is behind it?”

Wu Feiyu was already there and quickly looked around!

Nie Heng also frowned and looked around with a vigilant expression!

With their current strength, if someone came close, they would have discovered it long ago, but now they only discovered the other party when they waited for the other party to take action. This shows that the other party is very strong!

“You, the people of the Jade Cauldron Sect, should take it as your responsibility to help the world by hanging the pot, but you are here killing innocent people indiscriminately...”

With a flash of white light, an old man holding a whisk appeared slowly, followed by two Taoist boys, a man and a woman!

“You old guy, what are we doing and why are you making irresponsible remarks? Who are you?”

Wu Feiyu roared at the old man!

But at this time, Nie Heng, who was beside Wu Feiyu, was frightened after seeing the old man. He even trembled when he heard that Wu Feiyu had spoken rudely to the old man!

“Taoist Master Wuji, my junior brother is too blind to see Mount Tai. I beg you, Taoist Master, not to be offended.”

After Nie Heng finished speaking, he glared at Wu Feiyu fiercely and said, “You bastard, why don’t you kneel down and apologize to Taoist Wuji...”

When Wu Feiyu heard that the other party was Taoist Wuji, he was so frightened that he knelt down with a thud!

“Master Taoist, please spare my life, I didn’t know it was the Taoist priest who was here!”

Wu Feiyu was covered in cold sweat. You must know that the reputation of Taoist Wuji is well-known in this area!

The strength of Taoist Wuji is even more unfathomable. Some people speculate that Taoist Wuji is a real immortal!

After everyone in Dashi Village heard that the old man who came was Taoist Wuji, they all knelt down and worshiped!

They have all heard of the reputation of Taoist Master Wuji, but they have never seen it!

Taoist Wuji asked with a cold face: "As disciples of the sect, you came to this remote village to massacre, isn't it a bit too much?"

"What the Taoist Master doesn't know is that one of our junior brothers was killed by people from Dashi Village. We are just here to take revenge!"

Nie Heng quickly explained!

"Can people from Dashi Village kill your junior brother? Is this possible?"

Taoist Wuji knew the strength of these low-level villagers, how could he possibly kill a sect disciple!

"Taoist Priest, it's absolutely true. There is a guy named Chen Ping in Dashi Village. He is very powerful, but he has been hiding his strength. He took advantage of my junior brother's unpreparedness and killed my junior brother."

"I suspect that this guy is a demon cultivator, hiding his identity in Dashi Village. The demonic energy rising in Dashi Village just now clearly illustrates this point!"

Chapter: 4187

"This person from Dashi Village has been protecting Chen Ping. These people are colluding with the demon cultivators and should be killed."

Nie Heng said!

Taoist Master Wuji nodded: "I came here to take a look because of the demonic energy. I haven't seen such a strong demonic energy for a long time."

"Taoist Master, we caught a demon cultivator in Dashi Village, and the old guy also admitted it himself."

Wu Feiyu picked up the old woman and said to Taoist Wuji!

Taoist Master Wuji glanced at the old woman and said, "He is indeed a demon cultivator, but the magic beads are gone in his body and he can no longer exert any strength. It seems that the demonic energy rising in Dashi Village is someone else."

"There are no other demon cultivators in Dashi Village. The demonic energy just now was emanated from me."

The old woman yelled that she couldn't let these people discover Chen Ping.

Taoist Master Wuji did not speak, but just gave a look. A Taoist boy behind him took out a vase made of mutton-fat jade, and then shined it at the old woman. A golden light instantly shone on the old woman, and then the old woman's figure disappeared and was directly sucked into the vase!

Wu Feiyu and Nie Heng saw that the demon cultivator they had obtained was taken away by Taoist Wuji, and they all felt distressed, but they did not dare to say anything!

"Taoist Priest, there must be a demonic cultivator in this Dashi Village. I hope the Taoist Priest can find that demonic cultivator..."

Nie Heng said to Taoist Wuji!

He hoped to use Taoist Master Wuji's skills to uncover Chen Ping. At this time, in their eyes, it was certain that Chen Ping was a demon cultivator!

Taoist Priest Wuji nodded, waved his palm gently, and a soft white light instantly enveloped the entire Dashi Village!

The soft white light keeps falling and falls on people, making people feel as comfortable as a spring breeze!

But if it is a demon cultivator, it will be very painful if this white light falls on the body, and the light will continue to flash, leaving the demon cultivator with nowhere to hide!

The soft white light passed through the roof and slowly fell on Zhu Zhu and Yun'er. The two of them felt their bodies warm and comfortable!

At this time, Chen Ping, who was lying unconscious on the bed, was enveloped by the soft white light. After the white light entered Chen Ping's body, Chen Ping's body did not respond, and there was a force in Chen Ping's body that was constantly sucking. With the white light entering the body!

After a moment, Taoist Priest Wuji stopped his hand, frowned slightly and said: "There are no demon cultivators in Dashi Village anymore, but that demonic aura is definitely not emanating from that old woman."

"It seems that the other party was exposed and knew that it would lead to pursuit, so he escaped in advance, leaving only an unimportant old woman here to support him!"

"I thought I could achieve a big harvest this time, but I didn't expect it to be in vain..."

Taoist Wuji sighed, turned around and prepared to leave!

Wu Feiyu and Nie Heng were a little confused, and began to wonder if Chen Ping had really left Dashi Village. If Chen Ping was still in Dashi Village, there was no way Taoist Wuji wouldn't have discovered it!

"You two can take revenge, but you are not allowed to kill innocent people indiscriminately..."

Chapter: 4188

When Taoist Wuji was about to leave, he suddenly warned Wu Feiyu and Nie Heng!

“I will follow the Taoist priest’s teachings...”

The two of them agreed respectfully.

Taoist Priest Wuji left. Wu Feiyu and Nie Heng looked at the people in Dashi Village and finally had no choice but to leave. Since Taoist Priest Wuji said not to kill innocent people indiscriminately, the two of them did not dare to violate it!

“Senior brother, what should we do? If Chen Ping really escapes, where will we find him?”

Wu Feiyu asked Nie Heng!

“Then Chen Ping shouldn’t have escaped. I suspect he is still in Dashi Village.”

Nie Heng narrowed his eyes slightly and said!

“Senior brother, since Chen Ping is still in Dashi Village, let’s go back and find him.”

Wu Feiyu said.

“How to find him? Those untouchables are determined to help Chen Ping. They don’t even tell him about Chen Ping’s whereabouts. We don’t dare to attack them anymore. How can we find him?”

Nie Heng said with a gloomy look!

“Then what should we do? We can’t just go back like this, right? If we don’t catch Chen Ping, Master will blame us.”

Wu Feiyu said with a sad face!

“I have my own way, since Taoist Priest Wuji said he wouldn’t let us kill innocent people indiscriminately, but he didn’t say he wouldn’t let others kill them.”

“Think about who around here has a grudge against Dashi Village?”

Nie Heng said with a faint smile.

“Daqing Village?” Wu Feiyu said.

“Yes, let’s go to Daqing Village and let the people in Daqing Village kill the people in Dashi Village. This has nothing to do with us. I don’t believe that after killing all the people in Dashi Village, Chen Ping won’t show up.”

Nie Heng’s eyes flashed with cold murderous intent, and then he headed towards Daqing Village!

Dashi Village!

The old village chief directed everyone to endure great grief and bury the villagers killed by Wu Feiyu!

At this time, Yun’er ran out, and then frantically started looking for the old lady!

“Old village chief, my grandma, where is my grandma?”

Chapter: 4189

Yun’er grabbed the old village chief’s arm and asked!

The old village chief lowered his head and said nothing. He didn't know what to say to Yun'er. Could he tell her that the grandmother who had raised her all her life was a demon cultivator?

Did you tell her that her grandma was kidnapped?

Seeing the old village chief bowing his head and saying nothing, Yun'er seemed to have guessed something, and her body was trembling slightly!

"Grandma, where are you, where are you..."

Yun'er shouted loudly, but no one responded to her!

Yun'er returned home helplessly. She didn't know how she could live without her grandma!

"Brother Chen Ping, wake up, wake up, my grandma is missing..."

Yun'er lay on Chen Ping and cried bitterly. Now she could only find some comfort in Chen Ping!

But at this time, Chen Ping's face was pale, his eyes were closed tightly, and he couldn't hear Yun'er's shouts at all!

I don't know how long it took, but Yun'er got tired of crying, so she lay on Chen Ping's body and fell asleep deeply!

.....

Five unique views.

Taoist Master Wuji has returned with two disciples.

“Disciple, give me the jade bottle...”

Taoist Master Wuji said to his disciples!

Soon, the disciple handed the jade bottle containing the old woman to Taoist Wuji.

“You two guard the mountain gate and don’t allow anyone to enter...”

Taoist Wuji said to the two disciples!

“Yes!” The two disciples nodded!

Then Taoist Master Wuji took the jade bottle and slowly walked to the back mountain of the Taoist temple. On a stone wall at the back of the Taoist temple, there was a pattern of the Eight Immortals crossing the sea. The pattern was so lifelike that it looked like a real person!

I saw Taoist Priest Wuji pinching his fingers and muttering something in his mouth. Following a flash of golden light, Taoist Priest Wuji shouted loudly: “Open...”

The stone wall began to move, and a dark hole slowly opened. When Taoist Wuji walked in, the hole slowly closed!

After walking into the cave entrance, a faint curtain of light kept flashing, and Taoist Master Wuji passed through the curtain of light without hesitation!

Chapter: 4190

After passing through the light curtain, the scene changed instantly, and I saw a green scene in front of me, with mountains, lakes, and birds and animals!

There are even many villages, large and small, with many people living in them!

Just after Taoist Master Wuji appeared, someone immediately ran over and shouted respectfully:
“Taoist Master...”

Taoist Master Wuji nodded slightly, then opened the cork on the jade bottle, and with a burst of black mist rushing out of the jade bottle, the figure of the old woman appeared!

When the old woman saw Taoist Wuji in front of her, her entire face was ashen and she looked very nervous!

“Just kill me if you want. Why did you bring me here?”

The old woman looked around and had no idea where she was, let alone what Taoist Wuji was going to do to her!

But the old woman knew that as a demon cultivator, if she fell into the hands of others, she would definitely not end well, and she was very cruel to demon cultivators!

There are even transactions for buying and selling magic cultivators on the black market, and you can use magic cultivators in exchange for various resources!

Therefore, once a demon cultivator is exposed and caught, the best way is to commit suicide. You must not be caught, otherwise life will be worse than death!

“Don’t be nervous, I won’t kill you!”

Taoist Master Wuji smiled slightly and said, “I put you away just to save you.”

“Save me?” The old woman’s face was full of doubts!

“Your identity as a demon cultivator is exposed, and you will be caught sooner or later. If I don’t take you in, you will be taken away by others.”

“I brought you here just to save you. You can see who are the people here...”

Taoist Wuji said!

The old woman looked around carefully again, and then at the people around her, her eyes suddenly became shocked!

“This...these people are also demon cultivators, all members of my demon clan?”

The old woman was full of surprise because she found that the people living here were all demon cultivators like her!

“Yes, these people are all demonic cultivators. Now you can live like them here.”

Taoist Priest Wuji smiled slightly.

At this time, the old woman was confused and couldn't figure out what was going on.

“This old woman, Taoist Wuji is our savior. Every demon cultivator here was saved by Taoist Wuji.”

“This is a secret place in Wujue Temple. Taoist Master Wuji allows us to live here.”
