

The Order 4191

Chapter: 4191

“You don’t have to be afraid. Taoist Master Wuji is a good man. He won’t hurt us.”

At this time, a demon cultivator on the side said to the old woman!

The old woman looked at Taoist Wuji in surprise. She was extremely shocked because she had heard that Taoist Wuji hated demon cultivators so much that he hunted them everywhere. Whenever he heard of a demon cultivator, he would rush there. !

But I didn’t expect that Taoist Wuji didn’t hate the demon cultivators, but wanted to save them!

But the old woman didn’t know why Taoist Master Wuji did this and why he wanted to save these demon cultivators!

Seemingly seeing the old woman’s doubts, Taoist Priest Wuji smiled lightly and said: “Whether they are humans, demons or beasts, they should actually be equals, but we don’t want a war between gods and demons to push the demons into the abyss and let the demons fall into the abyss. The demons have become street rats that everyone shouts to beat!”

“All living beings should live in peace, so there is no need to fight and kill. I want to maintain the balance and order of the three tribes, but my strength is limited, and this is all I can do. I don’t know when the three tribes can truly Peace.....”

Taoist Priest Wuji’s eyes became deep and he looked up at the sky, making him look older!

The old lady didn’t know what to say for a moment, she couldn’t even say thank you!

“You should live a good life here. Maybe when the three races are at peace, you can be free.”

After Taoist Wuji finished speaking, he turned around and prepared to leave!

“Taoist Priest, I...I also have a granddaughter in Dashi Village. I’m afraid of her...”

The old lady is worried about Yun’er’s safety, after all, Wu Feiyu and those people are ruthless!

“I didn’t find any other demon cultivators in Dashi Village?”

Taoist Wuji looked at the old lady with some doubts!

“No, no, no, my granddaughter is from the human race. I have been hiding in Dashi Village for many years. I adopted this granddaughter since she was a child. I am afraid that people from the Jade Cauldron Sect will...”

The old woman didn’t say what she said next because she didn’t dare to say it. She was afraid that her words would really come true!

Taoist Master Wuji took a deep look at the old woman and said slowly: “What does good and evil have to do with the ethnic group? It’s a pity that many people don’t understand it at all!”

“Don’t worry. I already warned the people of the Jade Cauldron Sect when I left. They are not allowed to kill innocent people indiscriminately. I believe they dare not violate it.”

After Taoist Wuji finished speaking, his figure passed through a curtain of light and slowly disappeared!

The old woman stood blankly, as if in a dream. She was already destined to die, but she didn’t expect this outcome!

“Old lady, let’s go, I’ll arrange a place for you.”

“Taoist Master Wuji’s former lover seemed to be a demon cultivator, but humans and demons had different paths. In the end, he was separated and his lover was killed.”

“The current Taoist Priest Wuji has been working hard to save our demon clan. If there are more people like Taoist Wuji, our demon clan may really be saved.”

Chapter: 4192

The man took the old lady with him and chatted while walking. It seemed that he had been here for a long time and knew a lot about Taoist Wuji.

Dashi Village!

People who were still immersed in grief suddenly found that the entire Dashi Village was surrounded!

“Old village chief, no good, no good, the people from Daqing Village have come to attack our Dashi Village...”

Someone shouted in panic and reported to the old village chief!

Upon hearing that people from Daqing Village were coming, the old village chief frowned and said loudly: “Notify everyone to get weapons and prepare to defend against the enemy...”

Soon, all the men, women, and children in Dashi Village took up arms!

Although facing a sect like the Jade Cauldron Sect, the people of Dashi Village did not dare to resist at all, but facing a similar village like Daqing Village, the people of Dashi Village would not sit still and wait for death!

Even if the strength of Daqing Village is indeed stronger than that of Dashi Village, the villagers of Dashi Village who have already gathered a lot of anger are ready to fight with the people of Daqing Village!

The old village chief climbed up to the tower at the door and saw hundreds of people from Daqing Village in front of him, holding weapons in hand and looking at them eagerly!

The leader of these people is Xie Yukun, the village chief of Daqing Village. This guy used to be a bandit leader, but now he has become the village chief. He wants to use this to clear himself up, but there are

no real villagers in Daqing Village at all, they are all bandits. , still doing the job of robbing families and homes!

“Xie Yukun, you suddenly brought so many people to attack our Dashi Village. What do you want to do? Don’t think that our Dashi Village is afraid of you. If there is a fight, the worst is possible!”

The old village chief said with a cold face.

“Old man, don’t scare me. I’m not scared. I brought people to your Dashi Village today because I was entrusted by others. If you obey me, you can still save your life. If you don’t, you will be slaughtered. It’s your village.”

“Old man, don’t forget what I used to do. If I really kill the village, the girls in your village should enjoy it.”

Xie Yukun said with a sneer on his face!

When the old village chief heard this, his face turned red with anger, but he knew that Xie Yukun was a cruel guy and had a background as a bandit, so if he really attacked the village, all the girls in the village would suffer!

“Xie Yukun, you said you were entrusted by others, but who were you entrusted by? Whatever you want, just ask. As long as I have it in Dashi Village, I can give it to you.”

The old village chief compromised. Xie Yukun just wanted some resources and things every time, so he sent them away. After all, Dashi Village just lost so many people, and now he is fighting with Daqing Village, and he is afraid that there will be more casualties. Multiple people.

There is also the old village chief who is afraid that all the women in the village will be ruined. Death is not terrible. What is terrible is seeing his own woman being ruined in front of his eyes. That is even worse than death!

“I’m here today, and I don’t want anything from you. You just need to hand over a guy named Chen Ping, and I will take him away immediately.”

Xie Yukun said!

“Chen Ping?” The old village chief was stunned and understood instantly. He had already guessed who Xie Yukun was entrusted with.

The old village chief looked into the distance, and sure enough, under a tree not far away, he saw Wu Feiyu and Nie Heng looking towards this side with playful expressions on their faces!

Chapter: 4193

The old village chief did not expect that after Taoist Priest Wuji warned the two people, they would actually think of using people from Daqing Village to deal with him!

“Fuck you, we won’t hand Brother Chen Ping over...”

Zhuzi climbed up the tower and cursed angrily at Xie Yukun!

“You little bastard, you’re looking for fucking death...”

When Xie Yukun saw that he was scolded by a child, he immediately became furious!

“You’re looking for fucking death...”

The pillar bent its bow, drew an arrow, and shot towards Xie Yukun with a whoosh!

Xie Yukun turned aside to avoid the arrow, and then said angrily: “Kill them all, just rush in and all the women will be rewarded to you...”

Following Xie Yukun’s roar, the people in Daqing Village all screamed with excitement and started shooting arrows towards Dashi Village!

There are still people who are constantly attacking the gate of Dashi Village. Although formations are set up around the gate of Dashi Village, they are all simple formations. I am afraid they will not be able to hold on for long!

The people in Dashi Village also started to fight back, and countless arrows rained down from the tower!

Zhuzhu was also furious and kept shooting arrows in his hand!

Soon, the people in Daqing Village and Dashi Village were injured and people kept dying. However, the people in Daqing Village did not care about death at all and attacked desperately. The people in Dashi Village knew that once they were rushed into the village, they would be killed. There will be no recovery, so resist with all your strength!

In this way, the two sides fought desperately, while Wu Feiyu and Nie Heng, not far away, looked at the fighting in front of them with smiles on their faces, as if watching the fun!

Whether they are people from Dashi Village or Daqing Village, in their eyes, they are the lowest untouchables, just like ants, so whether they die or not has nothing to do with them!

After more than an hour of fighting, the gate of Dashi Village was in danger, and the towers on both sides had collapsed. It was only a matter of time before the people of Daqing Village rushed into the village!

“Zhuzi, go and tell Yun’er right away that you two are taking Chen Ping to escape through the secret passage. Run as far away as possible. Don’t go back to the village again.”

The old village chief was also injured at this time. He knew that the village could not be saved, so he pulled the pillar and prepared to let him escape with Chen Ping!

“Old village chief, I won’t leave. I want to stay and fight. I want to die with you...”

Zhuzhu was crying, he refused to leave!

“Why are you disobedient? You and Yun’er took Chen Ping away to find Ali. Chen Ping should know where Ali is!”

“As long as you live, you are the future of our Dashi Village. Just remember to avenge us in the future.”

The old village chief yelled at the pillar!

Zhu Zhu bit his lip, tears kept falling, and finally nodded and ran towards Yun’er’s house!

Chapter: 4194

Just as Zhu Zhu ran away, the gate of Dashi Village collapsed, and the people from Daqing Village rushed in!

“Sister Yun’er, Sister Yun’er, the village has been invaded. The old village chief asked me and you to take Brother Chen Ping and escape through the secret passage!”

Zhu Zhu said to Yun’er breathlessly!

When Yun’er heard that the village had been breached, her heart skipped a beat. Then she looked at Chen Ping, who was still in a coma, and nodded!

Yun’er and Zhu Zhu stepped forward and started to move Chen Ping, intending to carry Chen Ping and escape through the secret passage!

But just when the two people were moving Chen Ping, Chen Ping’s body suddenly flashed with light!

As the light continued to increase, Chen Ping’s body slowly levitated, and soon Chen Ping opened his eyes!

Seeing that Chen Ping was awake, Yun’er and Zhuzi shouted excitedly!

“Brother Chen Ping, you are finally awake...”

Yun'er stepped forward and threw herself on Chen Ping and cried!

Zhuzi couldn't help crying when he saw Chen Ping woke up!

Chen Ping looked confused at this time and carefully recalled everything before he fell into coma. At this time, he remembered that the old woman gave him the magic beads and he ate them and fell into coma.

Chen Ping gently clenched his fist and found that not only had his strength recovered, but he had even reached the eighth level of Transformation Realm, and he seemed to have a special power in his body!

This kind of power is different from spiritual power. It seems to be formed by several kinds of power mixed together!

Chen Ping immersed his spiritual consciousness in his body, and then guided the special power in his body to start swimming in his body!

“This...is this the power of the three clans?”

Chen Ping was full of surprise, because he found that in addition to the power of the dragon, there was also dragon crystal in his body. Whether it was spiritual power, the power of Dao Marks, or even the power of the orcs he had just obtained, they were all integrated together!

This kind of power was in an explosive state, much more powerful than any simple power. At this time, the power of the three clans popped up in Chen Ping's mind.

This is the integration of the power of the three clans into one. Although Chen Ping knows little about the power of the three clans, he knows that this power is definitely very powerful!

While Chen Ping was still in shock, he was suddenly awakened by the sound of fighting outside. Chen Ping hurriedly asked: "Yun'er, what happened outside?"

"Brother Chen Ping, the people from Daqing Village are here. They have already invaded the village and are killing people everywhere..."

Zhuzi hurriedly followed Chen Ping and said!

When Chen Ping heard this, he immediately rushed outside, but was stopped by Yun'er and Zhu Zhu.

"Brother Chen Ping, the old village chief asked the two of us to take you to escape through the secret passage. Don't go out. They are here to find you. You will definitely die after you go out."

Chapter: 4195

"The people from the Jade Cauldron Sect are there too, they instigated the people from Daqing Village to do this!"

Zhu Zhu said to Chen Ping!

When Chen Ping heard this, he immediately became furious. Now that his strength has recovered and he has been promoted to the eighth level of Transformation Realm, he is no longer afraid of the Wu Feiyu of the Jade Cauldron Sect!

"You two, don't worry. I've recovered my strength now and I won't be afraid of them anymore."

Chen Ping pushed Yun'er and Zhuzi away and ran straight out!

When Chen Ping just ran out of the room, what he saw was a mountain of corpses and a sea of blood. Many people in Dashi Village fell into the pool of blood!

The old village chief is still holding on with the remaining people!

Looking at everything in front of him, Chen Ping's eyes began to moisten, and finally turned from moist to blood red!

A murderous aura instantly enveloped the entire Dashi Village, the sky suddenly became extremely dark, and the wind and sand began to sweep across the sky!

All the people fighting were frightened by this sudden scene. They stopped and looked at the dim sky in a daze!

Chen Ping's eyes were scarlet as he walked forward step by step. Countless black mist filled the air around his body.

At this moment, Chen Ping was like a demon walking out of hell, his eyes glowing red!

"Chen Ping....."

The old village chief looked a little excited when he saw that Chen Ping was awake!

"Old village chief, thank you. Please take the people to rest and leave the rest to me..."

"I will not let anyone who hurts Dashi Village leave, they all must die..."

As the word "death" came out of his mouth, a terrifying coercion emitted from Chen Ping's body!

The people in Daqing Village were in panic, and suddenly found that their bodies could not move, and then they felt as if they were being pressed tightly by a huge mountain!

Many people in Daqing Village were instantly crushed to the point of vomiting blood, and some were directly crushed to the point of exploding to death!

Chen Ping did not move. This coercive force alone caused heavy casualties to these people in Daqing Village!

This is the gap, the gap in strength...

Xie Yukun was pressed so hard that he knelt on the ground with a thud, his legs and knees instantly shattered!

He looked at Chen Ping in front of him in horror. He never thought that Chen Ping would be so powerful. If he had known that this was the case, he would never have agreed to Wu Feiyu and the others!

But what's the use of regretting now, it's too late!

Chapter: 4196

"Then Chen Ping is out..."

Wu Feiyu said something, and then jumped up with Nie Heng and landed in Dashi Village!

When Xie Yukun saw Wu Feiyu and the others coming, he immediately gained hope and hurriedly said: "Mr. Wu, save me, save me..."

Xie Yukun was following Wu Feiyu to ask for help. After all, he was working for Wu Feiyu!

But who knew that Wu Feiyu didn't even look at Xie Yukun, but just waved his hand gently. Xie Yukun's head moved instantly, and he died tragically on the spot!

For Wu Feiyu, Xie Yukun has no value at all. A worthless pariah will only die!

Chen Ping, Wu Feiyu and Nie Heng stood opposite each other!

At this time, Wu Feiyu and Nie Heng's auras exploded, and they each clenched their weapons!

Because they discovered that Chen Ping's aura had changed again at this time. In just a few days, Chen Ping's strength had been continuously improved, from an inconspicuous pariah to the same level as them!

"It turns out that you are also a transformation monk, and you are actually hiding among this group of untouchables..."

Wu Feiyu looked at Chen Ping and said!

"The untouchables you call have the same flesh and blood as you. Today I will let you realize that you are the untouchables you call..."

Chen Ping said with a cold expression!

Wu Feiyu seemed to feel the cold and piercing killing intent on Chen Ping's body, and for a moment he didn't dare to speak!

Nie Heng, who was on the side, frowned slightly, then took a step forward and said, "Are you Chen Ping? I am Nie Heng, the eldest disciple of the Jade Cauldron Sect. I think our Jade Cauldron Sect has some misunderstandings with you."

"Why don't you come with us to the Jade Cauldron Sect? I think our master will accept you as a disciple for the sake of your cultivation."

"Do you know that it is a supreme honor to join the Jade Cauldron Sect and become a disciple of the Jade Cauldron Sect? It is much better than hanging out with these untouchables."

Nie Heng felt the aura and strength of Chen Ping, and actually had the idea of recruiting Chen Ping!

After all, it is almost impossible for a monk to reach the realm of transformation in this remote mountain village!

Nie Heng was afraid of what background and power Chen Ping had behind him!

“Being a disciple of the Jade Cauldron Sect?”

Chen Ping raised the corner of his mouth slightly: “Even if your master is here, he is only worthy of me kneeling down. Ask him if he dares to accept me as his disciple?”

“How dare you disrespect my master? Do you know that even the demon kings around you respect my master?”

“You are a young boy who dares to say insulting words about my master. You are looking for death...”

Chapter: 4197

Wu Feiyu shouted angrily at Chen Ping!

They had no idea that their master Hu Yixiao had indeed knelt down to Chen Ping!

“Boy, I’m giving you a chance, but you don’t know how to seize it. Don’t think that you have the strength to transform. The two of us are afraid of you.”

Nie Heng said with a cold expression!

Although Chen Ping is currently in the Transformation Realm, the two of them are not weak either. They are both in the Transformation Realm. It is still very easy for them to fight two against one!

But what they didn’t know was that Chen Ping had the power of the three clans in his body at this time. Although his realm had not improved much, his strength had improved a lot!

Although Chen Ping is only at the eighth level of the Transformation Realm now, even if he encounters a monk below the third level of the Fusion Realm, Chen Ping is not afraid at all!

Even if he encounters a fifth-level monk in the Fusion Realm, Chen Ping can still protect himself!

How could Chen Ping's current strength be comparable to that of Wu Feiyu and Nie Heng!

"What I need is not that you be afraid of me, what I want is your two lives."

"I want to avenge the villagers of Dashi Village..."

Chen Ping's body erupted with thick murderous intent. This murderous intent, with a hint of blood, shrouded Wu Feiyu and Nie Heng!

If it weren't for these two guys, how could so many villagers in Dashi Village die?

Chen Ping wants to avenge them!

"Chen Ping, is it worth it for you to avenge a bunch of untouchables and become an enemy of our Jade Cauldron Sect?"

Nie Heng asked!

"You are a pariah, just because they are weak and inferior to you?"

Chen Ping said with cold eyes!

"That's how it is in the world of gods and humans. A hero is judged by his strength. If his strength is not good enough, he is just an ant. He is a person who is driven to kill at will. This is the rule of the world of gods and humans."

"If you don't want to be a pariah, then improve your strength. No one is forcing them to be pariahs, it's just that they are not strong enough!"

What Nie Heng said was clear and logical, and I felt that what he said made sense!

Chen Ping became even more furious after hearing Nie Heng's explanation!

"In this world, there are strong and weak people after all. Not everyone can be strong."

"Do you think you are strong now that you are a monk in the Transformation Realm? That you can dominate others?"

Chapter: 4198

"In the eyes of a real master, your strength is nothing. I can kill you right now, and you two are like ants in my eyes!"

"Then you two are also what you call untouchables?"

Chen Ping asked!

"Chen Ping, you and I are about the same level of strength, but you dare to say such things without shame. Since you don't listen to dissuasion, you have no choice but to die..."

Nie Heng didn't want to talk nonsense to Chen Ping, and murderous aura began to rise in his body!

Originally, he wanted to trick Chen Ping into joining the Jade Cauldron Sect so that it would be easy, but he didn't expect that Chen Ping wouldn't listen at all!

Since Chen Ping doesn't listen, he can only use force!

"You will know who died later..."

Chen Ping smiled coldly, grabbed the void with his right hand, and the Dragon-Slaying Sword instantly appeared in Chen Ping's hand!

The sword of the Dragon-Slaying Sword exudes waves of chill. Although the sword spirit Zhongli is injured and cannot escape from the sword now, even so, the aura emanating from the Dragon-Slaying Sword is enough to tell that this is a sword. Sword!

"No wonder Master wants to take you back alive. It seems you have a lot of treasures..."

After Nie Heng finished speaking, he took advantage of the situation and took action towards Chen Ping!

When Wu Feiyu saw this, he also took action at the same time. The two of them faced Chen Pingcheng in a pincer attack!

Seeing this scene, the old village chief and Yun'er were very nervous, but it was useless to be nervous. A battle of this level was simply not something they could participate in!

Not to mention participating, even if you are close, you will probably be hurt by the aftermath!

"Well done..."

Chen Ping also jumped up with the dragon-slaying sword in hand!

I saw Nie Heng shaking the long sword in his hand, and the sky was filled with sword light. Countless sword lights surrounded Chen Ping!

And the tiger-head knife in Wu Feiyu's hand instantly slashed out a sharp blade several feet long, with a terrifying aura, and crashed down!

The two men used their full strength as soon as they took action. After all, Chen Ping was not weak. If they wanted to capture Chen Ping alive, they could only make Chen Ping lose his fighting ability from the beginning!

You must know that it is ten times and a hundred times more difficult to capture a person alive than to kill him...

And looking at Chen Ping like this, it was impossible for them to capture him alive, so they had to make Chen Ping incapacitated to prevent Chen Ping from committing suicide!

These two people had very good thoughts, but they had no idea that in Chen Ping's eyes, he looked down upon them at all, so how could he commit suicide!

Facing the countless sword lights and the sharp blade, Chen Ping raised a cold smile on his lips, with disdain and ridicule in his eyes!

Chapter: 4199

"Competing swordsmanship with me, I'm afraid I'm your ancestor..."

The dragon-slaying sword in Chen Ping's hand was in the void. With a slight tap, countless sword flowers bloomed in the entire void!

boom.....

Nie Heng's sword light and Wu Feiyu's blade fell suddenly, but they were all blocked by the sword flower that Chen Ping tapped lightly!

As the earth trembled, streaks of smoke rose into the sky.

Chen Ping's body didn't move at all, and he didn't suffer any damage. Looking at Wu Feiyu and Nie Heng, the two of them were knocked back by the force of the collision!

Wu Feiyu and Nie Heng gasped and looked at Chen Ping in disbelief!

“This...how is this possible?”

The two people’s eyes widened in disbelief!

You must know that the two of them join forces and use all their strength when they attack. They should be able to defeat Chen Ping at the same level!

Unexpectedly, Chen Ping just used his sword lightly in the void to neutralize the moves of the two of them without taking any damage!

Is this too incredible? Why is this so?

Chen Ping ignored the shocked two people, but glanced at the Dragon-Slaying Sword in his hand and gently stroked it with his hand!

“To deal with you two, I actually used the Dragon-Slaying Sword. I really think highly of you...”

“It’s not worth killing you two if my sword gets even a little bit damaged!”

As Chen Ping said that, he actually put away the Dragon-Slaying Sword!

The blow just now made Chen Ping know that he had overestimated the strength of Wu Feiyu and Nie Heng.

Wu Feiyu and Nie Heng saw that Chen Ping had even put away his weapons. This obviously did not take them seriously. This was naked contempt, and they were instantly angry!

After putting away the Dragon-Slaying Sword, Chen Ping’s body shone with golden light, his indestructible golden body activated, and the shimmering golden scales covered Chen Ping’s body!

“If you two kneel down and apologize now, I can let you die a little more happily...”

Chen Ping looked at Wu Feiyu and Nie Heng and said!

“Boy, don’t be so arrogant. Your current strength only relies on the treasures in your hands. Without these things, how could you be our opponent!”

Wu Feiyu thought that Chen Ping easily received their blow just now because of the sword in his hand!

“I have put away my weapons now, and next I will show you how I beat the shit out of you without weapons.”

Chapter: 4200

After Chen Ping finished speaking, his figure suddenly shook and he was in front of Wu Feiyu in an instant!

The power of the three clans in Chen Ping’s body was activated, and he performed the Wind Step, which directly increased the speed of the Wind Step to the extreme!

It’s as if the whole person is not moving, but fleeting!

Wu Feiyu couldn’t react at all, and he didn’t expect that at a distance of more than ten meters, Chen Ping just shook his body and was already in front of him!

When Wu Feiyu reacted, it was already too late. He only felt a force hitting his abdomen, and then his body flew up like a kite, and then hit the ground hard, shaking the ground. Create a deep pit several meters in diameter!

Nie Heng, who was beside Wu Feiyu, had no time to react. He didn’t notice when Chen Ping arrived in front of him. He didn’t even see an afterimage. Chen Ping seemed to appear out of thin air. !

“This... what speed is this? Can’t you travel through time and space?”

Nie Heng’s face was filled with fear and his body was trembling!

It is simply impossible for a monk in the Realm of Transformation to perform a technique like time travel!

But the facts were placed in front of him, and Nie Heng had to believe it!

At this time, Nie Heng was afraid, and he finally believed what Chen Ping said. In front of Chen Ping, they were just ants, the so-called untouchables!

Nie Heng backed away desperately, and at the same time threw his hands, white smoke filled the air instantly, forming a barrier in front of him!

These are unique poisons refined by their Jade Cauldron Sect, which can make people lose their abilities instantly after inhaling them!

After throwing out the poison, Nie Heng's heart relaxed a little!

Looking at the vast expanse of white in front of him, Nie Heng felt that Chen Ping must have lost his ability to move, otherwise he would have caught up by now!

Just as Nie Heng was helping Wu Feiyu up with a happy face, he heard the sound of footsteps!

Tap tap tap.....

Every step seemed to step on the hearts of two people. At this time, Nie Heng and Wu Feiyu had their hearts in their throats. It stands to reason that no one would be able to act under such poison!

But the sound of footsteps proved that someone was still moving, and it seemed that they were not affected at all!

Both of them became nervous. They hoped that the person who was still walking was not Chen Ping!

But when Chen Ping's figure walked out of the white smoke, their hearts broke instantly!

"What's going on? What's going on?"

Wu Feiyu looked at Nie Heng in confusion. You must know that this poison is exclusively refined by the Jade Cauldron Sect, and ordinary Jade Cauldron Sect disciples are not qualified to possess it!

As the eldest disciple, Nie Heng only carried this poison on his body, but now the poison doesn't work?
