

## **The Order 4201**

Chapter: 4201

Nie Heng was also confused at this time, and he couldn't explain why!

They simply don't know that in terms of alchemy, their master Hu Yixiao is both a younger brother to Chen Ping, and Chen Ping's body has long been invulnerable to poisons. Any poison that enters Chen Ping's body will be refined by the Heart Condensation Art. Transformed!

Looking at the confused two people, Chen Ping smiled coldly: "For the swordsmanship competition, I am your ancestor, and for the alchemy skill competition, your master will call me grandpa when he sees it. You garbage poisoners don't want to Will you poison me?"

As soon as Chen Ping finished speaking, his figure flashed again, directly in front of Nie Heng and Wu Feiyu!

"Holy Light Fist....."

Chen Ping shouted loudly and punched out!

With the blessing of the power of the three clans, the power of the Holy Light Fist instantly increased greatly, and the golden light emerging from Chen Ping's fist was like the sun!

boom.....

The extremely fierce fist wind shattered the entire void. The bodies of Wu Feiyu and Nie Heng were more like straw, and they flew out directly!

The two people vomited blood and hit the ground hard!

In front of Chen Ping, who has the power of the three clans, the two of them are simply vulnerable!

“Why, why are you so strong in the same realm?”

Wu Feiyu couldn't understand why this was happening!

“Who are you? Why are you here?”

Nie Heng knew that with Chen Ping's strength, he should also be a descendant of aristocratic families in the world of heaven and humans. He wanted to know who Chen Ping was!

You must know that although the Jade Cauldron Sect is not the strongest in this area, as direct descendants of the Jade Cauldron Sect, they can almost walk sideways in this area, but they don't want to be beaten by Chen Ping, who is in the same realm today. I can't find North!

Moreover, it was still two against one, and neither of them could take advantage. Instead, they were beaten so hard that they were unable to resist!

“I have no identity, and I have no power behind me. You don't have to worry about my identity. If you two still have cards, show them all. If not, I will send you to hell...”

Chen Ping said with a cold look!

Wu Feiyu and Nie Heng helped each other to stand up. Looking at Chen Ping's cold eyes, they knew that if Chen Ping didn't die, they would be the ones to die!

At this time, the two of them have no intention of capturing Chen Ping alive!

“Chen Ping, don't be too arrogant. As direct disciples of the Jade Cauldron Sect, we cannot be easily killed by you.”

Wu Feiyu's eyes narrowed slightly and he said!

“Of course I know. Even your junior brother Zhang has a life-saving order card. How could you not have the means to protect your life?”

Chapter: 4202

“But no matter what means you have, you can’t save your lives, even if your master comes.”

“Even the King of Heaven, I can’t save you today...”

Chen Ping’s eyes exuded murderous intent. For the sake of the dead folks in Dashi Village, Chen Ping would not let Wu Feiyu and Nie Heng leave alive!

“You’re so crazy...”

After Nie Heng finished speaking, he took out two black pills from his body, and then handed one of them to Wu Feiyu!

Without any hesitation, the two of them swallowed the pills instantly!

Immediately afterwards, the expressions of the two people began to become ferocious, and the aura on their bodies also continued to rise, and they soon reached the level of the ninth level of Transformation Realm!

Chen Ping is only at the eighth level of the Transformation Realm, but now he has to face two opponents who are at the ninth level of the Transformation Realm!

“Exploding Pill, you use such a low-level pill to increase your strength, do you think you can defeat me?”

Chen Ping sneered!

“Chen Ping, this is not a bursting pill. It is an improved Qi-boosting pill. It will not have any side effects on our bodies.”

Nie Heng looked at Chen Ping and said coldly!

“Even if you take Taishang Laojun’s elixir, you won’t be able to change your fate today.”

Chen Ping said coldly!

“Then give it a try...”

After Nie Heng finished speaking, he glanced at Wu Feiyu. The two people who had increased their strength rushed towards Chen Ping again!

“Just try it...”

Chen Ping also jumped up instantly, and the three of them started fighting together!

With a calm look on his face, Chen Ping kept fighting with the two people following him, and led them to the mountains outside Dashi Village!

At this time, Chen Ping didn’t seem to be in a hurry to defeat the two people, but rather let the two people serve as his sparring partners!

Chen Ping had just acquired the power of the three clans, so he just asked Wu Feiyu and Nie Heng to be his sparring partners to get familiar with the use and control of the power of the three clans!

After possessing the power of the three clans, each of Chen Ping’s moves is much more powerful than before!

Above the mountains, there was constant roaring, boulders shattered, and large trees collapsed, as if it was the end of the world.

The old village chief and the others watched quietly, and could only silently pray for Chen Ping in their hearts. They could not help at all!

Chapter: 4203

Ten minutes later, the originally 100-meter-high mountain range was cut down by dozens of meters by the fighting between three people!

“Do you have any other means? If not, I won’t play with you anymore...”

After Chen Ping forced the two of them back with one palm, he said calmly!

Even if the two of them have improved their strength, it is still not enough in Chen Ping’s eyes. If the two of them have no other means, Chen Ping doesn’t want to waste time!

Nie Heng and Wu Feiyu looked at Chen Ping with shock on their faces. Even though they had improved their strength now, they still couldn’t defeat Chen Ping.

And it seemed that Chen Ping was very relaxed in dealing with them!

You must know that Chen Ping is using his bare hands, and both of them are holding weapons. Plus, two against one, they still can’t defeat Chen Ping. At this moment, the two of them just feel numb in their scalps!

“It seems that you two have no other options, so just go to hell...”

Chen Ping’s fist flashed with golden light, and he punched the two people!

When the two saw this, they quickly raised their hands to block it!

clang.....

There was a crisp sound, and the weapons in Wu Feiyu and Nie Heng's hands were broken instantly, and then the two men flew out instantly!

This time, it took a lot of effort for the two of them to stand up with help!

However, Chen Ping did not take the opportunity to attack again. Instead, he looked at Wu Feiyu and Nie Heng quietly, seeming to be thinking about something!

When Wu Feiyu and Nie Heng saw this, they all looked at Chen Ping nervously, because they didn't know when Chen Ping would take action against them!

Now they understand that Chen Ping can kill them at any time if he wants to!

"Chen...Chen Ping, we have no grievances. I will kneel down to you. Can you please stop killing me?"

Wu Feiyu's psychology seemed to have collapsed. He didn't want to die, so he asked Chen Ping!

"Wu Feiyu, what are you talking about? As a direct descendant of the Jade Cauldron Sect, how can you say such a thing?"

"It is such an embarrassment to our Jade Cauldron Sect. If Master finds out, you will be skinned and cramped."

When Nie Heng saw that Wu Feiyu had to take the initiative to kneel down to Chen Ping in order to survive, he immediately yelled angrily!

But Nie Heng didn't know that even their master had knelt down before Chen Ping, so who were they?

However, Chen Ping did not answer Wu Feiyu, but stood there blankly, his thoughts no longer seemed to be here!

Seeing that Chen Ping didn't speak, Wu Feiyu and Nie Heng looked at each other, and then slowly backed away!

Chapter: 4204

Even if there is a good opportunity to attack Chen Ping now, the two of them don't dare to attack Chen Ping anymore!

After retreating for hundreds of meters, Wu Feiyu and Nie Heng saw that Chen Ping still didn't move, so they secretly breathed a sigh of relief, turned around and ran away!

"Brother Chen Ping, they two ran away..."

When Zhuzi saw that Chen Ping was motionless and watched Wu Feiyu and the others escape, he immediately shouted anxiously!

But Chen Ping still didn't move, his whole person seemed to be frozen!

It wasn't until Wu Feiyu and Nie Heng disappeared that Chen Ping's eyes changed slightly!

"I understand, I understand the use of the power of these three clans..."

Chen Ping's face was suddenly filled with excitement, and then he looked in the direction in which Wu Feiyu and the others were escaping. His figure flashed and disappeared in an instant!

No matter what moves Chen Ping uses, the power he uses is only one of the three clans' powers. There is no technique that can release the power of the three clans together. Now Chen Ping finally figured it out.

Seeing that Chen Ping was no longer around, Wu Feiyu and Nie Heng wiped the cold sweat from their foreheads.

"You've managed to escape. I didn't expect this guy to be so powerful. Which sect is he?"

Wu Feiyu asked in confusion!

After all, it is impossible for a villager living in a mountain village to have such strength as Chen Ping. To be able to cultivate such strength, the resources required are unimaginable. A mountain village like this cannot have so many resources!

“How did I know? I can only go back and report it truthfully.”

“Hurry up and leave, that guy will catch up soon...”

Nie Heng was also frightened by Chen Ping and told Wu Feiyu to run for his life!

But just as the two people moved, they saw a flash of light coming. Before the two people could see what was going on, they only heard Wu Feiyu scream!

“ah.....”

One of Wu Feiyu’s arms flew into the air, and immediately the broken arm was bleeding profusely!

“What...what speed is this?”

Nie Heng was stunned, with cold sweat on his forehead. He never expected that Chen Ping would catch up so fast!

They saw Chen Ping standing in front of the two of them, with a calm expression, and around Chen Ping, a vague aura was constantly flowing. They could see the fluctuations in the void around Chen Ping with their naked eyes, but they couldn’t feel it. Show the aura Chen Ping exudes!

At this time, Chen Ping looked vaguely in their eyes, as if he was not in the same time and space as them!

Gradually, Chen Ping's figure began to become clearer, and at the same time, the flowing aura around Chen Ping turned into countless dazzling flying swords. Countless flying swords surrounded Chen Ping's body, forming a huge sword. Array!

Chapter: 4205

Moreover, the aura emitted by these flying swords was something Wu Feiyu and Nie Heng had never seen or heard before, and it was different from any ethnic aura!

In the middle of the huge sword formation, Chen Ping's face was calm, just like an immortal descending from the immortal world, with an intimidating look!

"Elder brother, this... what exactly is the aura on this guy? It's too scary..."

Wu Feiyu grinned in pain, not caring about bandaging the wound, and looked at Chen Ping in horror.

Nie Heng shook his head. He didn't know what kind of breath it was. This kind of breath was purer than spiritual energy and a hundred times more powerful than spiritual energy. He had never seen such power before!

Chen Ping's performance at this time had already caused the two of them to collapse.

"You two are really good, you have become my tester of the power of the three clans."

Chen Ping said calmly!

"The power of the three clans?" Wu Feiyu and Nie Heng were stunned at the same time. They didn't know what the power of the three clans was!

But before they could react, Chen Ping waved his hand lightly, and countless flying swords quickly flew towards the two of them!

Seeing this, Nie Heng desperately held up a barrier and shouted loudly: "Junior brother, quickly get the security order..."

Only then did Wu Feiyu react. He quickly took out the guarantee token from his waist and stained the token with his own blood on his broken arm.

Along with a flash of golden light, the light from the protective order sign tightly wrapped the two people. Nie Heng also took the opportunity to take out his own protective order sign, and then sprayed a mouthful of blood on the token!

The two protection orders emitted light at the same time, and barriers surrounded the two people, giving them a sense of security!

Unfortunately, before the two of them could take a breath, they discovered that the barrier formed by the protective order cards was as fragile as glass under the attack of those flying swords, and was shattered in an instant!

At this time, the two people were dumbfounded. This was their last trump card, but this last trump card was so vulnerable in front of Chen Ping!

“ah.....”

Wu Feiyu's other arm was cut off, and his legs were scratched with many wounds by flying swords. He fell to his knees with a thud!

Nie Heng also suffered the same fate. All his limbs were cut off and his whole body was covered in blood!

Chen Ping swayed and appeared above the two of them in an instant, looking down at Wu Feiyu and Nie Heng as if an immortal had arrived.

Wu Feiyu and Nie Heng looked up at Chen Ping. At this time, there was no trace of fear in their eyes. At this point, they just wanted to die happily!

“Who are you? Kill us if you can. My master will avenge us.”

Nie Heng looked at Chen Ping and said!

Wu Feiyu said nothing, his eyes were dull. He had always thought that Chen Ping was a pariah in the mountains, but later he discovered that Chen Ping was very powerful and should be the son of a certain aristocratic family. Now Chen Ping killed them both instantly. , now they can't figure out who Chen Ping is!

Chapter: 4206

Chen Ping did not answer Nie Heng, but stretched out his hand and grabbed the two people in his hands, like carrying little chickens, and carried them back to Dashi Village!

If Chen Ping doesn't kill the two of them, he will let the people of Dashi Village kill them personally to relieve the hatred in his heart.

Zhu Zi and the old village chief were all very excited when they saw Chen Ping coming back carrying Wu Feiyu and Nie Heng!

"Brother Chen Ping, are you okay?"

Zhu Zhu and Yun'er ran forward and said to Chen Ping with concern!

"How could something happen to me? Don't worry..."

Chen Ping smiled slightly, then looked at the old village chief and said: "Old village chief, I have brought these two culprits back and leave them to you to deal with..."

The old village chief had tears in his eyes with excitement, and then nodded.

All the villagers in Dashi Village looked at Wu Feiyu and Nie Heng angrily. If it weren't for these two people, how could so many people in Dashi Village die?

“Kill them, kill them...”

All the villagers in Dashi Village roared angrily!

The old village chief waved his hand and said: “We must not let them die easily, we must torture them to death...”

After saying that, the old village chief had Wu Feiyu and Nie Heng tied up in the square!

In fact, even if they were not tied up, they would not be able to escape. All their limbs had been broken by Chen Ping!

Especially for Wu Feiyu, both arms were chopped off. It was almost impossible to take them back!

After tying up the two men, the old village chief said: “Folks, it’s because of them that we lost our loved ones. We must take revenge now.”

“Each of you can try your best to torture them, but you must never let them die. You must leave a breath for the folks behind you.”

The old village chief followed many villagers and explained, and everyone nodded in agreement!

“Let’s start with this guy...”

The old village chief pointed at Wu Feiyu and said!

After all, Wu Feiyu came to Dashi Village twice and beat, scolded and humiliated the people in Dashi Village. Everyone in the village hated him!

All the villagers lined up and started to attack Wu Feiyu!

Some people cut Wu Feiyu's flesh with knives, some use stones to hit it, and some use fire to burn it, but they will not attack the vital parts and will not let Wu Feiyu die!

Wu Feiyu's screams echoed throughout the square!

Chapter: 4207

Now he wants to die right away. Living now is a kind of pain. It's a pity that he wants to die, but he can't die at all!

This is the real life worse than death...

"Yun'er, where is your grandma?"

Chen Ping found that he woke up and did not see the old woman, so he asked Yun'er!

After all, Chen Ping can now possess the power of the three clans, thanks to the old woman's magic beads. Chen Ping wants to thank him!

But when Chen Ping asked, Yun'er started crying, which made Chen Ping a little confused!

"Chen Ping, Yun'er's grandma was taken away by Taoist Priest Wuji..."

The old village chief said with a sad expression!

Although he knew the identity of the old woman from the demon clan, she had been living in Dashi Village for so many years, and she was a good person and even adopted Yun'er. Therefore, the old woman was taken away, and the old village chief felt sad!

"Taoist Master Wuji?" Chen Ping frowned slightly. He had never heard of this person!

“I heard that Taoist Priest Wuji hates demons the most. Whenever he hears that there are demons anywhere, he will appear and arrest them.”

“This time Grandma Yun’er was taken away. I’m afraid it’s a very bad time.”

The old village chief whispered!

Upon hearing this, Chen Ping’s expression became solemn and asked: “Old village chief, do you know where the Taoist Priest Wuji is?”

The old village chief shook his head: “I don’t know, we have only heard of people like Taoist Wuji.”

Seeing that the old village chief didn’t know, Chen Ping had no choice but to give up. After the Jade Cauldron Sect matter was dealt with, he could ask Demon Emperor Yihe!

If the old woman was really murdered by Taoist Wuji, Chen Ping would definitely avenge her!

The current task is to deal with the Jade Cauldron Sect. If the Jade Cauldron Sect is not dealt with, Dashi Village may suffer disaster in the future, and Chen Ping himself cannot protect these people in Dashi Village every day!

But against the Jade Cauldron Sect, although Chen Ping has now reached the eighth level and has the power of the three clans, Chen Ping has no confidence in fighting with the Hu Sect Leader!

Moreover, Chen Ping doesn’t know much about the current situation of the Jade Cauldron Sect, so Chen Ping needs to first understand the strength of the Jade Cauldron Sect before making plans!

In the square at this time, Wu Feiyu had been tortured by so many villagers that he could only breathe in but not out, and he couldn’t even scream!

But the slightly turning eyes showed that Wu Feiyu was still alive, but it was more uncomfortable than being dead!

I saw that Wu Feiyu's body had been torn, and a lot of flesh had been cut off. There was a wound on his chest, and the internal organs inside could be clearly seen!

"Kill...kill me, please...please..."

Chapter: 4208

Wu Feiyu begged in a weak voice, begging to die quickly!

This kind of painful torture is ten thousand times more painful than death!

"You want to die now, but it's too late. When you slaughtered these villagers and compared them to ants, weren't you awesome?"

"Today you humbly pray to these ants in your eyes, I won't let you die so happily..."

After Chen Ping finished speaking, he pinched a small amount of pink powder from his body and sprinkled it on Wu Feiyu's body!

Wu Feiyu's body was shaking violently, as if his body was being eaten by thousands of ants!

That kind of pain cannot be expressed in words!

At this time, Nie Heng, who was beside Wu Feiyu, stared blankly at Wu Feiyu. His pants were already soaked through. Nie Heng, who was originally a tough man and full of hard energy, was so frightened that he peed his pants!

He was not afraid of death, but looking at Wu Feiyu's immortal appearance, Nie Heng was afraid.

Chen Ping glanced at Nie Heng who peed his pants, and a smile appeared at the corner of his mouth, because he knew that when people who regard death as death and are really afraid, they will be more afraid than those who are weak!

“Chen...Chen Ping, don't kill me, please don't kill me...”

When Nie Heng saw Chen Ping looking at him, he immediately began to plead!

Nie Heng's psychological defense has completely collapsed. Now he is like a lost dog, begging Chen Ping bitterly. As long as Chen Ping doesn't kill him, he will do whatever he wants!

“Give me a reason not to kill you...”

Chen Ping looked at Nie Heng with a playful expression and said!

When Nie Heng heard this, his mind was racing. If he wanted Chen Ping not to kill him, he had to tell Chen Ping useful information!

At the moment, the only thing that can tempt Chen Ping is resources, because in the world of gods and humans, resources are more important than anything else. Who doesn't want to have a large amount of resources to quickly improve his cultivation level!

“Chen Ping, as long as you don't kill me, I can find a way to get all the resources and elixirs of the Jade Cauldron Sect for you. As long as you have these resources, you will definitely be able to break through the Transformation Realm and ascend to the Fusion Realm. I guarantee it. . . .”

Nie Heng knew that only resources would make Chen Ping like him!

“You are just a disciple of the Jade Cauldron Sect. Can you get me all the resources of the Jade Cauldron Sect?”

Chen Ping sneered, he knew that Nie Heng was just talking nonsense to survive!

“You don’t know something. I am the chief disciple of the Jade Cauldron Sect and the successor of the Jade Cauldron Sect appointed by Master. As long as Master dies, I will be the leader of the Jade Cauldron Sect.”

“When I become the sect leader, all the resources of the Jade Cauldron Sect will be yours.”

Nie Heng quickly explained!

Chapter: 4209

But Chen Ping still sneered and said: “If I kill you now and then destroy the Jade Cauldron Sect, the resources of your Jade Cauldron Sect will also be mine. Why should I wait for you to become the sect leader? Wouldn’t that be a deprivation?” I fart with my pants on, is this unnecessary?”

Nie Heng opened his mouth and wanted to say that it was impossible for Chen Ping to destroy the Jade Cauldron Sect, but now, how could he dare to offend Chen Ping? This sentence was not uttered after all!

However, Nie Heng still said tactfully: “You don’t know something. My master is currently at the third level of the Fusion Realm. He...”

Chen Ping waved his hand and interrupted Nie Heng: “Even if you are at the third level of the Fusion Realm, I can still kill you. Are you doubting my strength?”

“No, no, no, no, I don’t dare to doubt your strength. I have already seen it. Your strength is absolutely no problem in killing those at the third level of the Fusion Realm.”

“But our Jade Cauldron Sect still has two uncles who are at the same level as my master, and I heard that there is an elder who is sitting in the forbidden area of our Jade Cauldron Sect and has never shown up!”

“So, it is not easy to destroy the Jade Cauldron Sect. Besides, our Jade Cauldron Sect also has a medicine pool. If you can take a dip in the medicine pool, you can be reborn and your strength will increase dramatically.”

“It’s just that only the previous sect masters know how to open the medicine pool, and the medicine pool can only be opened once every three years.”

“Our Jade Cauldron Sect also has a Tibetan Medicine Pavilion. I heard that it is full of ancient relics. Even my master has never seen many of them.”

Nie Heng followed Chen Ping and talked about the various resources of the Jade Cauldron Sect. Only in this way can Chen Ping be tempted!

“What’s the use of telling me this? I don’t have time to wait for you to ascend to the position of sect leader.”

Chen Ping snorted coldly. He knew that what Nie Heng said was just to save his life!

“No, there is no need for me to ascend to the position of sect leader. I can take you to the Jade Cauldron Sect. With your strength, the master will definitely think highly of you. When the time comes, you can follow us in when the medicine pool is opened.”

“As for the Tibetan Medicine Pavilion, as long as you enter the Jade Cauldron Sect, if the two of us cooperate, we can cause my master to die unexpectedly and kill my two uncles. Then I will be the sect leader. This Jade Cauldron Sect It’s yours...”

In order to survive, Nie Heng even said the words to deceive his master and destroy his ancestors!

Chen Ping looked at Nie Heng in surprise. He didn’t expect that Nie Heng, who was tough at the beginning, could do anything after his mental breakdown in the end!

But Nie Heng’s words really made Chen Ping a little excited!

With Chen Ping’s current strength, it is indeed difficult to completely destroy the Jade Cauldron Sect, and even if the Jade Cauldron Sect is destroyed, it will not be of any benefit to Chen Ping!

But if he can find a way to take over the Jade Cauldron Sect for his own use, and more importantly, if all the resources in the Jade Cauldron Sect are in his hands, Chen Ping can use these resources to break through the Transformation Realm and ascend to the Fusion Realm. In this way, Chen Ping no longer has to hide in this small mountain village!

At that time, Chen Ping can also use the power of the Jade Cauldron Sect to find the whereabouts of Su Yuqi and Huofeng!

The most important thing is that after he has the strength, he can also find a way to help Demon Emperor Yihe unify the three emperors and four kings. In this way, Chen Ping will have the rule of almost the entire beast clan, and he wants to use it in the heaven and human world. Fists and feet are much more convenient!

Seeing Chen Ping's hesitation, Nie Heng felt that something was wrong, and said excitedly: "As long as you let me go, I will be your dog from now on. I will do whatever you ask me to do."

"I know you don't believe me. I can hand over a piece of my soul. As long as I have second thoughts, you can let me die at any time."

Nie Heng continued to increase his chips because he was afraid that he would not be able to impress Chen Ping.

Chapter: 4210

Because he was really scared, scared to death. Looking at the dying Wu Feiyu next to him, Nie Heng was scared from the bottom of his heart!

"I killed your junior brother, how did you know that your master would accept me?"

"Besides, there are still some conflicts between me and your master. Your master once knelt down for me..."

Chen Ping told what happened with Sect Leader Hu!

When Nie Heng heard that his master knelt down for Chen Ping, he was also very shocked!

But soon, Nie Heng said: "My master is very greedy. He asked us to take you back alive. He must have taken a fancy to the treasures you have."

"You can dedicate the treasure to him for the time being, and I will give you a few nice words. As for killing my junior brother, my master will not care. When the time comes, I will become the leader of the Jade Cauldron Sect. Those treasures Wouldn't it just be returned to you in the same way?"

I have to say that Nie Heng's mind works very fast. Anyway, in order to survive, he can do anything!

Chen Ping was really moved after hearing Nie Heng's suggestion. After hesitating for a moment, Chen Ping suddenly reached out and slapped Nie Heng on the head!

It's just that Chen Ping didn't want to shoot Nie Heng to death, but directly sucked out a ray of Nie Heng's life soul, and then put it directly into the vast sea of consciousness!

As long as Nie Heng dares to disobey, Chen Ping can easily strangle Nie Heng's soul!

When Nie Heng saw that Chen Ping had sucked away a piece of his soul, he breathed a long sigh of relief. He knew that Chen Ping had let him go!

Sure enough, after sucking away Nie Heng's soul, Chen Ping cut off the rope on Nie Heng's body with a wave of his hand and let him down!

"Your hands and feet are broken. Recuperate here for a few days and I can help you recover. Then we can go to the Jade Cauldron Sect together!"

Chen Ping said to Nie Heng!

"Everything is subject to Mr. Chen's arrangements..."

Nie Heng said respectfully!

But if Nie Heng is released, Chen Ping will have to give an explanation to the old village chief and the others!

“Old village chief, this Nie Heng...”

Chen Ping wanted to explain to the old village chief that Nie Heng was still useful to him!

But before he finished speaking, the old village chief waved his hand and said: “Chen Ping, we know your intention, it doesn’t matter, besides, Nie Heng has never killed one of our villagers with his own hands, so you don’t have to feel burdened... ..”

“One Wu Feiyu is enough. Besides, you have killed all the main forces in Daqing Village. In a few days, I will take people to Daqing Village and bring back all the resources in Daqing Village!”

Seeing how generous the old village chief was, Chen Ping could only say thank you gratefully.

Next, Chen Ping refined black jade intermittent ointment and applied it to Nie Heng’s limbs so that his limbs could recover quickly!
