

## **The Order 421**

Chapter: 421

Ever since he took the Juli Pill, Lin Tianhu always wanted to find a chance to test his strength!

“Attack on you? Who do you think you are? You dare to speak like this in front of my master. If I attack you, do you need my master to come forward? I can kill you!”

Feng Sihai looked disdainful. In his eyes, Lin Tianhu was his defeat!

“Chen Ping, during this period, you have deceived me and there is no one in the Chilong Gang. Now that our gang leader is back, you will die!”

Liao Feixiong also stared at Chen Ping. He had been holding back for a long time, and Liao Feixiong couldn't bear it any longer!

Looking at Liao Feixiong, Chen Ping just smiled coldly and said nothing.

“You gang leaders are just fools. The past is different from today. Today I will make you all kneel down and beg for mercy!”

Lin Tianhu shouted angrily and punched Feng Sihai!

Lin Tianhu had been suppressed and beaten by Feng Sihai in the past, and Lin Tianhu had long been angry. Now after taking the Juli Pill, Lin Tianhu's strength has skyrocketed, and he no longer has to be afraid of Feng Sihai!

“Hmph, how dare you act so arrogantly under a defeated general!”

Feng Sihai snorted coldly, then spread his legs slightly, trying not to dodge or dodge, intending to use hard Qigong to resist Lin Tianhu's punch!

Feng Sihai knew Lin Tianhu's strength very well, so he didn't care at all!

Bang.....

Lin Tianhu's fist hit Feng Sihai hard on the abdomen!

An overwhelming force rushed directly towards Feng Sihai!

Feng Sihai's body flew out like a lone boat overturned by huge waves!

puff.....

In mid-air, Feng Sihai spurted out a mouthful of blood, and then fell heavily to the ground!

Feng Sihai's eyes were full of horror and disbelief. He couldn't believe that Lin Tianhu's strength would grow so fast in just a few days!

At this time, Ye Fengchun frowned slightly when he saw Feng Sihai being knocked away by a punch, with murderous intent flashing in his eyes!

"Hahaha...hahaha..."

Lin Tianhu looked at his fist and laughed crazily: "Feng Sihai, now you know how powerful I am. If any of you are dissatisfied, you can come up and give me a try!"

“Hmph, you are so shameless!” Ye Fengchun snorted angrily: “Acheng, teach him a lesson!”

“Follow your orders!” A young man in his thirties wearing a smart suit stood up!

Chapter: 422

When Lin Tianhu saw that he was a young man, his eyes were full of disdain and said: “Feng Sihai is not good enough to let a young man die. Let me let you know that in the face of absolute power, your hard Qigong is a joke!”

Lin Tianhu was so arrogant at this time that he punched Feng Sihai, which gave him unlimited confidence!

At this time, Chen Ping, who had been observing the situation from behind, shook his head slightly!

“Lin Tianhu, you are no match for that man, stand down!”

Chen Ping walked out from behind!

“Master, that’s him, that’s him...”

Seeing Chen Ping coming out, Feng Sihai’s eyes suddenly widened, and he endured the severe pain and followed Ye Fengchun.

After Ye Fengchun saw Chen Ping, he frowned slightly: “So young?”

In Ye Fengchun’s eyes, a person who could be chosen as a teacher by Lin Tianhu and others, and who had extremely high attainments in martial arts, should be someone of similar age to him who had been immersed in martial arts for many years. He did not expect Chen Ping to be so young!

A trace of disappointment flashed in Ye Fengchun's eyes. He wanted to have a good discussion with Mr. Chen, but he saw that it was no longer needed!

Feng Sihai saw the disappointment in Ye Fengchun's eyes and hurriedly explained: "Master, despite his young age, this guy is extremely strong!"

"Shut up!" Ye Fengchun glared at Feng Sihai fiercely: "I think it's not that they are strong, but that you have slacked off in practicing and your strength has regressed. From now on, you are not allowed to say that you are my disciple again. I can't afford to embarrass this person.!"

Ye Fengchun didn't believe how strong a young man in his early twenties could be. Feng Sihai must have regressed in strength, otherwise how could he be knocked away by Lin Tianhu's punch!

Feng Sihai didn't dare to speak anymore. He spent hundreds of millions to become Ye Fengchun's sect. He was still just an outside disciple. He was expelled as soon as he asked for expulsion. He was not as good as the four young people in front of him. These four people were at least Ye Fengchun's disciples. Disciple closed!

"Mr. Chen, I knocked Feng Sihai away with one punch, how can I still be a match for this guy?"

Lin Tianhu didn't believe that he couldn't beat the young man in front of him!

"If you don't believe it, you can try it!" Chen Ping said with a faint smile!

It may not be a good thing to let Lin Tianhu suffer a little, otherwise Lin Tianhu would suffer a big loss sooner or later after taking the Juli Pill and really thought he was invincible!

"Okay, Mr. Chen, look at it!"

After Lin Tianhu finished speaking, he rushed forward and punched Na Acheng with one punch!

Lin Tianhu's punch was powerful enough to roar with strong wind!

If it hits, it will turn the person into a meat pie!

But Acheng dodged Lin Tianhu's blow in an instant and appeared on Lin Tianhu's side!

Lin Tianhu's expression changed, he turned around quickly, clenched his fist and punched out again!

Chapter: 423

Acheng sneered, raised his foot and kicked it out, directly hitting Lin Tianhu in the abdomen!

Lin Tianhu was immediately hit hard, and his body involuntarily stepped back, with a look of horror in his eyes!

But Acheng didn't seem to have any intention of stopping. When Lin Tianhu retreated, Acheng stepped forward and punched Lin Tianhu's temple!

Lin Tianhu's body was retreating uncontrollably. Seeing Acheng's attack, Lin Tianhu wanted to block it, but it was too late!

At this moment, Chen Ping's face turned cold, and murderous intent flashed in his eyes!

Just let's compete and decide the winner, but the other party actually wants Lin Tianhu's life, or wants Lin Tianhu's life in front of him, how could he agree!

Whoosh.....

Chen Ping flicked his finger, and a button on Chen Ping's clothes was like a bullet, shooting towards Naacheng!

Hearing the sound of piercing the air in his ears, Acheng was shocked and hurriedly hid back. Although he escaped the attack, Lin Tianhu also escaped from his attack range!

"Boy, do you dare to attack secretly..."

Acheng was furious and rushed towards Chen Ping with a vigorous stride!

"Impatient!"

Chen Ping's eyes flashed with murderous intent, and he punched Na Acheng in the lower abdomen!

Bang.....

After a muffled sound, Acheng felt waves of severe pain in his abdomen, and then his throat felt sweet, and a mouthful of blood gushes out. The blood was actually mixed with a large number of internal organs!

Acheng's eyes were full of fear, and he pointed hard at Chen Ping, wanting to say something, but the blood in his mouth prevented him from saying a word.

Plop.....

Acheng's body fell, and his eyes instantly lost their luster!

Looking at the scene in front of him, Lin Tianhu couldn't help but swallowed his saliva, and stood behind Chen Ping with a look of embarrassment. The arrogant look just now was long gone!

"Acheng..."

When Ye Fengchun saw that his disciple was dead, he immediately rushed forward in grief and anger.

"If you dare to kill my disciple, I will cut you into pieces..."

Ye Fengchun looked at Chen Ping with murderous intent and gritted his teeth.

"Do you only allow your disciples to kill my people, but don't allow me to kill your disciples? It's better not to be too domineering!"

Chapter: 424

Chen Ping smiled coldly, not caring about Ye Fengchun's threat!

"Boy, you can reach the peak of your inner strength at a young age, so you should be qualified to be crazy. But if the sky is crazy, there will be rain, and if people are crazy, there will be disaster. You must know that there is heaven outside the world, and there are people outside the world. Seeing that you are also a martial arts genius, If you can join my disciples, I will... "

"Bah, who do you think you are? Are you worthy of letting me join your sect?"

Before Ye Fengchun could finish speaking, Chen Ping took a sip with disdain!

Ye Fengchun was stunned. You know how many people want to be his disciples, and some even spend hundreds of millions of money, but they may not get him to nod in agreement, but Chen Ping in front of him is so disdainful!

“Boy, if I give you a chance and you don’t take it, then you are seeking death...”

Ye Fengchun’s face turned cold: “Kill him!”

The remaining three disciples immediately stepped forward and surrounded Chen Ping. When Lin Tianhu saw this, he hurriedly hid far away. It was not that Lin Tianhu was afraid of death, he was afraid that he would not be able to help and would be a burden to Chen Ping.

Looking at the three people surrounding him, Chen Ping had no expression on his face, and he didn’t take these people seriously at all.

“If you still plan to kill a few more disciples, then I will help you!”

After Chen Ping finished speaking, he suddenly struck forward with a palm. It seemed like an understatement, but it contained great power, and streams of spiritual power spurted out from his dantian!

Bang.....

There was a ripple in the air, as if someone suddenly dropped a stone on the calm lake surface!

Ye Fengchun’s three disciples had fright in their eyes, but before they could say a word, they all flew backwards in an instant!

This time, the three people didn’t even make a move to struggle. They fell to the ground and became motionless!

“this.....”

Ye Fengchun's expression changed and he was stunned!

And Feng Sihai was hiding aside, trembling all over. He began to regret that he came to take revenge on Chen Ping!

"Is this the peak of inner strength you mentioned?"

Chen Ping looked at Ye Fengchun playfully and asked.

Ye Fengchun looked embarrassed at this time, and his heart had already begun to tremble!

He never imagined that Chen Ping, at such a young age, could reach the level of a grandmaster. He had miscalculated!

"You...you are indeed very strong. I'm in trouble today, but I won't just let go of your killing of my disciple!"

After Ye Fengchun finished speaking, he stood up and walked out, not even caring about his disciple's body!

Chapter: 425

Seeing this, Feng Sihai hurriedly followed Ye Fengchun!

"Did I say you could leave?"

Chen Ping's cold voice came from behind, causing Ye Fengchun and Feng Sihai to stop immediately!

“You...do you still want to kill me?”

Ye Fengchun looked at Chen Ping in disbelief and asked.

“What? Can’t you kill me? If I am not as good as others today, will you let me go?”

Chen Ping raised the corner of his mouth slightly!

“Boy, I am from the Iron Gate Hall. Although I have left the Iron Gate Hall to set up my own business, if you kill me, how can my brothers spare you? You will definitely be chased by the Iron Gate Hall. kill!”

Ye Fengchun also reported his home, hoping to make Chen Ping let him go!

“I don’t know what Iron Gate Hall is. You talk so much nonsense, don’t you just want to save your life? Now kneel down and kowtow to me, and I can spare you...”

Chen Ping had disdain in his eyes.

“Boy, you’ve gone too far...”

Ye Fengchun was furious. With their status, how could they kneel down?

Ye Fengchun, who was furious, took action against Chen Ping. Every time he struck out, it was a killing move, and every punch had the sound of breaking through the air!

Bang bang bang.....

Chen Ping stood still and let Ye Fengchun hit him!

After three punches, Ye Fengchun felt that his arms were numb and he couldn't make a fist with both hands. But when he looked at Chen Ping, he looked at him with a sneer on his face as if nothing was wrong.

"You...you know how to do Qigong?"

Ye Fengchun's eyes were full of surprise.

"Hard Qigong is nothing!" Chen Ping sneered, and then punched out!

Seeing this, Ye Fengchun hurriedly stepped forward and shouted loudly: "Thousand catties of weight, iron cloth shirt..."

Ye Fengchun's face turned red and he used his skills to the extreme!

Bang.....

After a thunderous sound, Ye Fengchun's body did not move!

Chapter: 426

When Feng Sihai saw this, his eyes suddenly lit up with joy. As long as Ye Fengchun was fine, he could leave safely!

But before the smile on Feng Sihai's face disappeared, he saw a trace of blood flowing out of the corner of Ye Fengchun's mouth, and then he fell to the ground with a thud, motionless and silent!

Feng Sihai was killed, and the smile on his face gradually solidified, and his eyes were full of horror!

“Mr. Chen, spare your life...Mr. Chen, spare your life...” Feng Sihai knelt down and said, “I beg Mr. Chen to spare my life. I am willing to give everything in my name to Mr. Chen, and leave Hongcheng and never appear again!”

Feng Sihai was trembling all over, scared to death. At this moment, he felt like an ant that could be crushed to death at any time!

And Liao Feixiong was slumped on the ground at this time, completely dumbfounded. He swallowed his anger, always thinking that the gang leader Feng Sihai had found help, so he didn't have to be afraid of Chen Ping, but he didn't expect this result!

Originally, Chen Ping wanted to get rid of Feng Sihai together, but when Feng Sihai said this, Chen Ping's eyes lit up. He was short of money, and Feng Sihai must have a lot of property in his name!

“In that case, I will spare your life and get out of Hongcheng!”

Chen Ping waved his hand!

Feng Sihai felt as if he was receiving amnesty, kowtowed hurriedly and ran out.

“Except Lin Tianhu and Feng Sihai, you can take over his property and the gang from now on!”

Chen Ping said to Lin Tianhu.

“Oh!” Lin Tianhu replied weakly!

It can be seen that Lin Tianhu was hit hard. He originally thought that a single strength pill would be invincible, but he never expected to be taken care of by a young man.

Seeing Lin Tianhu like that, Chen Ping patted him on the shoulder and said with a smile: "Don't worry about it, make money well, and I will refine a more powerful elixir for you in the future, ensuring that you are invincible!"

"Really?" Lin Tianhu was overjoyed!

"Of course it's true. I can still lie to you. Just follow me. Our top priority is to make a lot of money as soon as possible, and then go to Yuncheng to purchase a batch of precious medicinal materials!"

Chen Ping nodded and said.

"It's hard to say. We can just sell small pills. If we order twenty pills today, that's 40 million!"

Lin Tianhu said with excitement.

Chen Ping had actually seen it from behind, but his face was not as excited as Lin Tianhu!

Although the price of two million for a Xiao Huan Dan seems not low, it is far from enough. The money Chen Ping needs is billions, or even tens of billions. He wants to accumulate this wealth by selling Xiao Huan Dan. , is also difficult.

Moreover, Hongcheng is just a small town, and there are only a few rich people. In the end, Xiao Huan Dan will definitely be unsaleable. If you want to make a lot of money, you must continue to promote Xiao Huan Dan!

"Palace Master, are you...are you dissatisfied?"

Chapter: 427

Lin Tianhu was not very happy to see Chen Ping, so he asked strangely.

“Hongcheng is a small town after all. If we want to make big money, we have to push out Xiao Huan Dan!”

Chen Ping said calmly.

When Lin Tianhu heard this, he felt a little confused: “Palace Master, I... I’m not very good at business either. The promotion of Xiao Huan Dan requires professional operation.”

To put it bluntly, Lin Tianhu is just a big gangster. It’s okay to open a restaurant, bar, etc., but if he is allowed to run a business, it will be a bit difficult!

Chen Ping frowned slightly. He also knew that it would be difficult to push out the Xiao Huan Dan. If he wanted to promote it on a large scale, it would be useless to use today’s method!

“By the way, the Su family is the richest man in Hongcheng, and Mr. Su is professional in business. Why don’t you go talk to Mr. Su?”

Lin Tianhu’s eyes suddenly lit up and he said!

Hearing Lin Tianhu mention Su Wenzong, Chen Ping suddenly realized that he had really forgotten his future father-in-law!

“You should continue to be responsible for the Hongcheng Xiaohuan Dan. In addition, we must seize the time to prepare the herbal medicine. I will go to Su’s house to have a look!”

After Chen Ping finished speaking, he went straight to the Su family!

In the Su family villa, Su Wenzong was doing Tai Chi in the yard. With his business at this stage, many things were done by professionals, and Su Wenzong didn't have to personally intervene!

Su Yuqi was feeding the fish by the fish pond, a little absent-minded!

"Yu Qi, you haven't seen Chen Ping for two days, are you absent-minded?"

Su Wenzong smiled slightly when he saw Su Yuqi like that.

"Dad, what are you talking about? I don't want to see him!"

Su Yuqi retorted, but after speaking, she muttered: "Damn Chen Ping, if I don't go to him, he will never come to me again!"

Su Wenzong chuckled and said nothing. His beloved daughter is like a father. Su Wenzong knows everything about what Su Yuqi thinks!

Just then, Chen Ping walked in!

After seeing Chen Ping, Su Yuqi's face lit up and she hurriedly greeted him: "Chen Ping, are you here to see me?"

Looking at Su Yuqi running over, Chen Ping shook his head: "I'm here to discuss something with my uncle!"

When Su Yuqi heard this, her face suddenly turned ugly and she stared at Chen Ping fiercely!

Chen Ping smiled: "I'm joking with you, of course I'm looking for you."

Su Yuqi hit Chen Ping hard on the shoulder: "Who cares about you?"

Chapter: 428

Su Yuqi ran away after saying that!

"Hahaha, Chen Ping, come and sit!"

Su Wenzong laughed and waved to Chen Ping!

Chen Ping and Su Wenzong sat in the pavilion and told Su Wenzong about the Xiao Huan Dan. Su Wenzong agreed without hesitation, and also ordered his subordinates to set up a special promotion and operation department!

After all, Chen Ping will be his uncle in the future. If his uncle asks for help, he, the father-in-law, must help no matter what!

Chen Ping chatted with Su Wenzong until noon. Originally, Su Wenzong wanted Chen Ping to have a meal before leaving, but Chen Ping was anxious to go back and refine Xiao Huan Dan, so he didn't stay!

"Damn it Chen Ping, I will ignore you..."

Su Yuqi, who had been waiting for Chen Ping to finish chatting with her, saw that Chen Ping had left and yelled angrily!

For three days in a row, Chen Ping didn't go out, either practicing or refining Xiao Huan Dan. Lin Tianhu would regularly send medicinal materials to Chen Ping. Fortunately, the medicinal materials needed for Xiao Huan Dan were all common, but even so, the medicinal materials in

the entire Hongcheng Lin Tianhu has almost bought them all, and he has to go to other cities to purchase!

“Xiao Lei, can you fucking do something? It’s been three days and there’s no movement at all?”

Sitting on the Rolls-Royce, Wei Tao held Geng Shanshan in one hand and held his mobile phone in the other, roaring at Xiao Lei!

It’s been three days, and Xiao Lei tied up Su Yuqi, but there’s still no movement at all!

Xiao Lei also looked embarrassed at this time and cried on his mobile phone: “Master Wei, I...I can’t help it. Then Su Yuqi hasn’t gone out at all these days and has never found a chance. She can’t go to her house. Please tie her up!”

“Damn it, I don’t give a fuck, won’t you find a way to get her out? If you can’t do it, I won’t use you, you’re a loser...”

Wei Tao was angry. He couldn’t even do such a small thing. He felt how highly he looked up to Xiao Lei!

“No, no, no, no...” Xiao Lei was so frightened that he hurriedly promised: “Mr. Wei, don’t worry, I will kidnap Su Yuqi today, but I need the help of Geng Shanshan!”

“How can you ask her to help you?” Wei Tao was stunned!

“Mr. Wei, ask Geng Shanshan to call Su Yuqi and ask her to meet, saying it’s about Chen Ping. Su Yuqi will definitely be fooled, and then we can kidnap Su Yuqi without anyone noticing!”

Xiao Lei explained!

Wei Tao looked at Geng Shanshan beside him, and then said: “Okay, I’ll send her over right now!”

Wei Tao left after sending Geng Shanshan there. It was not suitable for him to appear with Xiao Lei. After all, it would be best if he did not get involved in the kidnapping of Su Yuqi!

“Give me Su Yuqi’s phone number!”

Geng Shanshan glanced at Xiao Lei and said arrogantly!

Following Wei Tao these past few days, Geng Shanshan also felt that her worth had increased a lot and she no longer looked down on Xiao Lei!

Chapter: 429

Xiao Lei was stunned, looking at Geng Shanshan like that, and cursed in his heart, but still gave her Su Yuqi’s phone number!

With Su Yuqi’s phone number, Geng Shanshan dialed it directly!

At this time, Su Yuqi was sitting bored in the yard of her home, with an unhappy look on her face: “This damn Chen Ping hasn’t come once for how many days. Do you blame me for talking about him last time?”

Su Yuqi was conflicted in her heart. She wanted to find Chen Ping, but she also hoped that Chen Ping would take the initiative to find her. This conflicting mentality made Su Yuqi upset!

At this moment, the phone rang. Su Yuqi thought it was Chen Ping. She picked up the phone happily and found that it was an unfamiliar number!

“Hello?” Su Yuqi answered the phone!

“Su Yuqi, my name is Geng Shanshan. I’m at No. 17 Fenghuang Road now. I want to meet you and talk about Chen Ping!”

As soon as the call was connected, Geng Shanshan said directly, her tone was domineering, and she didn’t take Su Yuqi seriously at all!

If this had happened before, given Geng Shanshan a hundred courages, she would not have dared to talk to Su Yuqi like this!

Now that she is following Wei Tao, Geng Shanshan has become a lot more courageous.

“If you tell me to go, I will go. Who do you think you are?”

Su Yuqi was irritated by Geng Shanshan’s tone of voice.

“Su Yuqi, if you are afraid, then don’t come!”

After Geng Shanshan finished speaking, she hung up the phone without waiting for Su Yuqi to reply!

Su Yuqi’s face turned red as she listened to the busy tone on the phone!

“Why are you dragging me? I want to see what you are capable of!”

Su Yuqi got up and drove to Fenghuang Road!

When Su Yuqi rushed to Fenghuang Road, she saw Geng Shanshan waiting for her!

“Tell me, what do you want to tell me about Chen Ping?”

Su Yuqi got out of the car and asked Geng Shanshan with a cold face.

“I want to tell you that Chen Ping is going to die soon!”

Geng Shanshan suddenly smiled sinisterly!

Su Yuqi was shocked when she saw Geng Shanshan like that. She glared at Geng Shanshan and said, “What nonsense are you talking about? How could Chen Ping die!”

“He’s not talking nonsense. Chen Ping is really dying because I will kill him soon!”

Chapter: 430

At this time, Xiao Lei came out with two bodyguards from the Wei family!

“What are you going to do?”

When Su Yuqi saw this, she stepped back in fright. She felt something was wrong!

“You’ll know what we’re going to do soon!” Xiao Lei raised his lips: “Capture her!”

Two bodyguards stepped forward to grab Su Yuqi, and knocked Su Yuqi unconscious with a knife blow!

Then he put on a sack, threw Su Yuqi into the trunk and drove away!

Geng Shanshan looked at the car driving away and sneered. The laughter sounded very permeable!

.....

In the villa on the top of Panlong Mountain, Chen Ping has been practicing and refining Xiao Huan Dan for the past few days!

At this moment, Chen Ping's cell phone suddenly rang!

After picking up the phone, Su Wenzong's anxious voice came: "Chen Ping, is Yu Qi at your place?"

"I'm not here, what's wrong?" Chen Ping frowned!

"It's broken. Yuqi is missing. I called her, but no one answered the phone. The car is not at home. She never does this!"

Su Wenzong said anxiously!

"Uncle, don't worry, I'll be there right away!"

When Chen Ping heard this, he immediately got up and rushed towards the Su family!

On the way, Chen Ping called Su Yuqi several times, but no one answered the phone!

At this time, Chen Ping had a bad feeling in his heart and immediately called Lin Tianhu!

“Lin Tianhu, immediately mobilize all the manpower you can and search the whole city for Su Yuqi. Pay attention to her car!”

Chen Ping’s voice was bone-chilling!

Lin Tianhu didn’t dare to ask any more questions, and immediately mobilized the entire Juyi Hall and the newly recruited Red Dragon Gang. A total of thousands of people spread throughout Hongcheng and started looking for Su Yuqi!

Chen Ping quickly arrived at the Su family villa. Su Wenzong was walking anxiously in the yard. When he saw Chen Ping coming, he immediately went to greet him!

“Uncle, don’t worry, I have asked Lin Tianhu to tell everyone out, there should be news soon!”

Chen Ping comforted Su Wenzong: “Maybe she went out to play and forgot her cell phone in the car!”
