

The Order 4211

Chapter: 4211

Mingli King City!

In a secret room, King Li held a curved bow in his hand and stroked it carefully. The excitement on his face was hard to express in words!

Next to King Li, a guy with a sharp mouth and monkey cheeks who looked like a mouse also had his eyes shining, looking at King Li expectantly!

“Mole monster, you stole the God King’s bow. Did anyone else see it?”

King Li asked the mole monster!

“King Li, absolutely no one else will see it. I know that this God King Bow is of great significance. How can it be seen by others.”

The mole monster promised!

“Well, you did a good job.” King Li nodded: “This God King’s Bow is a magic weapon with great power, but this thing is a treasure, but if you really hold it in your hand, it will be a disaster. If you let it Others know that the God King’s bow is in my hand, and it is estimated that our Mingli King’s City will never have peace again.”

“Don’t worry, Prince Li. I came all the way back to the royal city from the underground, and absolutely no one else will know.”

The mole monster patted his chest in assurance!

“I never expected that a magic weapon like God King Gong would appear in a small broken mountain village. It seems like this is God’s will.”

King Li gently stroked the God King's bow, waved to the mole monster and said: "You have done a good job, I will reward you..."

The mole monster was full of excitement and hurriedly approached him, wanting to know what King Li rewarded him for!

But just after he got close to him, murderous intent suddenly flashed in King Li's eyes, and then he slapped the mole monster on the head with his palm!

puff.....

The mole monster had no time to react, and his head was smashed to death. The mole monster's eyes widened until he died, and he couldn't understand what was going on!

King Li took out some white powder from his arms and sprinkled it on the mole monster's body. Soon the mole monster's body turned into a pool of pus and disappeared completely!

"Now, no one will know that the God King's bow is in my hand..."

King Li looked at the God King Bow in his hand with excitement on his face.

He gently pulled the bow string with his hand, but King Li could only pull it a little, even if he used all his strength!

"It seems that the magic weapon is a magic weapon. It is really powerful..."

Although King Li failed to pull the God King's bow, he was still very happy in his heart!

At this moment, one of Wangcheng's subordinates said outside the door: "Prince Li, Master Hu of the Jade Cauldron Sect wants to see you..."

“Hu Yixiao is here? What is he doing here?”

Chapter: 4212

When King Li heard this, he frowned, but he still said loudly: “Let Sect Leader Hu wait in the living room, I will be there soon!”

King Li hid the God King’s bow, then walked out of the secret room and went straight to the living room!

Because they also needed the Jade Cauldron Sect’s help in refining elixirs in King Li City, and also asked the Jade Cauldron Sect’s pharmacists to help with medical treatment, so King Li was very polite to Hu Yixiao!

“Sect Master Hu, what kind of wind has brought you here? You are such a rare visitor...”

After King Li saw Hu Yixiao, he hurriedly stepped forward to say hello, as if he were an old friend!

“Prince Li, I took the liberty to come here. I didn’t bother you, did I?”

Hu Yixiao asked.

“Where can Sect Master Hu come? My Mingli King’s city will be full of brilliance. I wonder what instructions Sect Master Hu has when he comes this time?”

King Li knew that Hu Yixiao’s sudden visit must have something to deal with!

Hu Yixiao looked around with a confused look on his face. King Li understood instantly and waved his hand and said: “Everyone, get out. No one is allowed to enter without my order...”

Soon, only Hu Yixiao and King Li were left in the living room!

“Sect Master Hu, can we talk now?”

King Li asked!

“King Li, I came to you this time because I want to cooperate with you in Mingli King City.” Hu Yixiao said!

“Cooperation?” King Li looked in disbelief!

You must know that they have always relied on the Jade Cauldron Sect. After all, refining elixirs and seeking medical treatment are inseparable from the Jade Cauldron Sect. But now Hu Yixiao ran away and asked for cooperation, which made King Li very puzzled!

“Yes, I want to cooperate with you. I know that you have always wanted to annex Demon Emperor Yihe’s Demon Emperor City. I can help you fulfill this wish.”

Hu Yixiao looked at King Li and said!

King Li looked Hu Yixiao up and down, and did not speak for a while. After a moment, he said: “Sect Master Hu, you misunderstood, how could I want to annex the Demon Emperor City of Demon Emperor Yihe? Some time ago, Demon Emperor Yihe also I said, I want to marry his daughter to my son, and then we will be in-laws.”

Hu Yixiao smiled faintly: “Prince Li, there are only you and me here, so why bother pretending? To be honest, Demon Emperor Yihe offended me, and I also want to deal with him.”

“If you agree to cooperate with me, I can refine elixirs for you for free and provide you with various resources. When our two strong forces join forces, who else in this area will be a rival!”

“If you still want to fight, our Jade Cauldron Sect will definitely support you. Maybe you can unify the entire beast clan with the support of our Jade Cauldron Sect. At that time, you will be the god of the beast clan.”

Hu Yixiao kept seducing King Li, because in the hearts of these people, there was a dream of unifying the beast clan!

Nowadays, the beast tribe is divided into pieces and is distributed throughout the huge area of the heaven and human world. There is no harmony between the three emperors and the four kings, and there are also frictions from time to time!

Chapter: 4213

Especially the Demon Emperor City of Yihe and the Mingli Imperial City, because the two territories are in the same area, there will be more friction. This is why the Demon Emperor of Yihe wants to marry his daughter to the Mingli Imperial City to ease the tension between the two parties. Relationship!

King Li was silent. He had long planned to annex the Demon Emperor Yihe. As for becoming the leader of the entire beast clan, that was something every demon cultivator would dream about!

After a while, King Li looked at Hu Yixiao and said, "Sect Master Hu, what do you want to gain by helping me like this? Are you doing charity?"

King Li knew that Hu Yixiao must have an agenda, otherwise he wouldn't have helped him!

"To be honest, I helped you deal with Demon Emperor Yihe just because I wanted to get someone."

Hu Yixiao said.

"Want to get someone?" King Li was stunned, and then looked at Hu Yixiao strangely: "Master Hu, you are not interested in Yihe's daughter, are you? You want to play with his daughter, but she is not willing, so you team up with me to deal with it Him, and then get his daughter?"

"Cough cough cough....."

After hearing what King Li said, Hu Yixiao almost lost his breath and hurriedly said: "King Li is joking, how could I, Mr. Hu, be that kind of person..."

King Li curled his lips. Hu Yixiao was known as a big pervert, and he was also a perverted pervert. This was something that many people knew!

Every time the Jade Cauldron Sect is asked to help refine elixirs, in addition to sending a large amount of medicinal herbs, they also need to send young and beautiful beauties. Every time these beauties are sent back, they are covered with bruises and were beaten by the perverted Hu Yixiao. !

Now that Hu Yixiao said that he was not that kind of person, how could King Li believe it?

Seeing that King Li didn't believe it, Hu Yixiao could only explain: "I wanted to capture a guy named Chen Ping, but there was Demon Emperor Yihe behind this guy. I didn't know that Demon Emperor Yihe took the wrong medicine and did it for such a person." You idiot, you won't hesitate to offend me."

When King Li heard this, he realized that it was because of this, so he nodded and said: "Sect Master Hu, I can cooperate with you. If you need me to do anything, just ask."

Seeing King Li agree, Hu Yixiao said happily: "King Li, in order to express my sincerity, I will stay and personally refine a batch of elixirs for you in Mingli King City. But when I need you to take action, you You can't just sit back and watch!"

"Don't worry, Sect Master Hu. Since the two of us have cooperated, I will listen to you..."

King Li made it clear!

"Okay...hahaha..."

Hu Yixiao laughed and shook hands with King Li!

Dashi Village!

After applying Black Jade Intermittent Cream to Nie Heng's limbs, he was able to walk quickly and recovered very well!

Seeing that Nie Heng's problem was gone, Chen Ping said: "Tomorrow we will set off to the Jade Cauldron Sect..."

"Okay!" Nie Heng nodded, his face full of humility!

At this time, Nie Heng was like a servant in front of Chen Ping. You must know that two days ago, he looked down on Chen Ping at all, thinking that Chen Ping was a pariah in the mountains, but now he had to listen to Chen Ping!

Chapter: 4214

"Brother Chen Ping, are you leaving tomorrow?"

Yun'er and Zhuzi looked at Chen Ping with reluctance and asked!

Chen Ping nodded, touched the heads of the two people with his hands and said: "Well, I will leave tomorrow. I have to find a way to get rid of the Jade Cauldron Sect so that Dashi Village can become safe. Otherwise, the Jade Cauldron Sect will be safe." Zong will definitely take revenge on you."

"Brother Chen Ping, you are gone, we will miss you..."

Yun'er said while holding back tears!

"I left, but it's not like I won't come back. After I finish dealing with the Jade Cauldron Sect's affairs, I will come back to see you, and your grandma's affairs. I will also keep them in mind, and I will look for them."

As Chen Ping spoke, he took out a few pieces of paper full of handwriting from his arms and gave them to Zhu Zhu: "Zhu Zhu, this contains some knowledge about refining medicine. You have learned a little about it during this time. Please practice more according to it. I believe it." Sooner or later I can become a pharmacist!"

"Then Dashi Village will no longer have to be bullied by others, and you can also do something for the people of Dashi Village!"

During this period, Chen Ping also taught Zhu Zhu some basic knowledge of pharmacists. Zhu Zhu was very talented and learned quickly!

“Thank you, Brother Chen Ping...”

Zhu Zhu was very happy to take the paper written by Chen Ping himself and said!

“Brother Chen Ping, you are leaving now. I will fetch your bow and take it with you...”

Yuner said.

Chen Ping nodded, and then Yun'er ran out!

Now Chen Ping's Dragon-Slaying Sword Spirit Zhongli has not responded yet, and the power of the Dragon-Slaying Sword cannot be fully exerted. If Chen Ping wants to deal with a Fusion Realm master like Hu Yixiao, he really has to use the God King Bow!

Although using the God King Bow will bring you a lot of unnecessary trouble, at a critical moment, the God King Bow can still save your life!

Moreover, Chen Ping now has the power of the three clans, and the power of the God King Bow will definitely be greatly increased!

But just when Chen Ping was waiting for Yun'er to bring the God King's Bow, he saw Yun'er running back in a panic, with nothing in her hands!

“Brother Chen Ping, what's wrong, you...your bow has been lost...”

Yun'er said with a face filled with self-blame!

“What?” Chen Ping frowned slightly: “Take me to see right away...”

Ever since Yun'er hid the God King's bow, Chen Ping hasn't seen it again!

Yun'er hurriedly led Chen Ping and the others towards the place where King Zang Shen Gong was!

This is a very cracked thatched house, full of all kinds of debris, and in the corner of the thatched house, a very fresh hole leads directly to the ground!

Chapter: 4215

“I hid the bow in this room, but now it's gone...”

Yuner started crying!

She felt very sorry for Chen Ping. After all, she had lost Chen Ping's weapon, and the weapon was very precious!

“Yun'er is okay!” Chen Ping comforted Yun'er, and then carefully checked the hole!

Obviously something dug a hole here and took away the God King's bow!

But what is it that can steal holes underground?

And looking at the size of the hole, the guy who dug the hole is not very small!

“This is a mole hole...”

At this time, Nie Heng said!

“Mole hole?” Chen Ping was stunned!

“Yes, you can tell that this cave entrance was dug by a mole monster. Our Jade Cauldron Sect was once stolen by a mole monster, and this is the entrance to the cave.”

Nie Heng nodded and said!

Chen Ping frowned. This mole monster must be the beast tribe. Near Dashi Village, he only knew of the beast tribe’s territory, the Demon Emperor City of Yihe. If the mole monster was stolen by the demon emperor Yihe’s men, Chen Ping was not afraid of the God King’s Bow. He ran away. It was stolen by other orcs!

“Nie Heng, besides Demon Emperor Yihe’s Demon Emperor’s City, are there any other beast clans entrenched nearby near Dashi Village?”

Chen Ping asked Nie Heng!

After all, as the chief disciple of the Jade Cauldron Sect, Nie Heng must be aware of the forces nearby!

“Yes, there is another Mingli King’s City. The leader of Mingli King’s City is called King Li. It is more than 300 kilometers away from Dashi Village.”

“The Mingli King City and the Demon King City are just to the south and north of Dashi Village. Our human habitat is in the middle of these two beast royal cities.”

Nie Heng said to Chen Ping!

Chen Ping was silent. He was not sure now which mole monster had stolen his God King Bow!

But if he had to go to Demon Imperial City now, it would be a waste of time.

Just when Chen Ping was in trouble, Lang Feng escorted Ali back!

After these few days of cultivation, Ali has almost fully recovered, but for Ali's safety, Lang Feng still escorted him here in person!

When Ali looked at the ruins of the village and the newly built tombs, there was surprise and sadness in his eyes!

Chapter: 4216

"Brother Ali....."

When Yun'er and Zhu Zhu saw Ali, they all ran over excitedly!

When the old village chief saw Ali coming back, he greeted him with joy on his face!

"Old village chief, this...what's going on? Why did it become like this?"

Ali asked with a surprised look on his face!

The old village chief sighed and told Ali what happened!

However, the old village chief only told them about Daqing Village's attack on them, but not about the Jade Cauldron Sect!

After all, now that Chen Ping has let Nie Heng go and forgiven Nie Heng's sins, the old village chief doesn't want to arouse Ali's hatred towards the Jade Cauldron Sect!

If Ali gets angry and wants to fight Nie Heng, it will be very difficult for Chen Ping!

"I will cut these guys in Daqing Village into pieces."

Ali gritted his teeth and clenched his fists tightly!

“Now all the main forces in Daqing Village have been eliminated by Chen Ping, leaving only the old, weak, sick and disabled. In a few days, you just need to bring people to move all the resources in Daqing Village back!”

The old village chief said to Ali!

Ali nodded, then walked towards Chen Ping and said: “Chen Ping, thank you...”

Chen Ping smiled lightly and said: “This incident started because of me. I should be the one to say thank you. If you hadn’t saved me, I would have become food for monsters by now.”

“Mr. Chen, I escorted him back, and I need to go back to answer his orders.”

“I have a letter written by Princess Isa here, please give it to you.”

Lang Feng respectfully took out a letter and handed it to Chen Ping!

Chen Ping took the letter, did not read it, but put it directly into his arms, and then said: “Wait a moment, I want to write a letter to Demon Emperor Yihe, and you can help me bring it back to Demon Emperor City!”

After Chen Ping finished speaking, he went into the room to write a letter and sealed the envelope with a simple magic circle to prevent others from seeing it!

After seeing off Lang Feng, Chen Ping said goodbye to everyone in Dashi Village, and followed Nie Heng on the road to the Ten Thousand Jade Cauldron Sect!

On the way, Chen Ping read Princess Isa’s letter. The letter didn’t say anything, it just expressed how much she missed Chen Ping!

It can be seen that Princess Isa is a person who dares to love and hate. Not long after she met Chen Ping, she actually started writing a love letter. The content in it was so explosive that Chen Ping even blushed!

After putting the letter away, Chen Ping asked Nie Heng some things about the Jade Cauldron Sect!

Chapter: 4217

After Nie Heng's introduction, Chen Ping realized that the overall strength of the Jade Cauldron Sect was not very strong, but because they were all pharmacists, the surrounding sect forces and the imperial city monsters all gave the Jade Cauldron Sect face, so these Nian Yudingzong lived a very comfortable life!

Because within a radius of thousands of kilometers, there is only the Jade Cauldron Sect, a pharmacist sect, which makes everyone, whether they are humans or beasts, respect the Jade Cauldron Sect. In order to allow the Jade Cauldron Sect to refine medicine and treat Disease, many people directly sent various medicinal herbal resources to the Jade Cauldron Sect!

Now the entire Jade Cauldron Sect has a lot of resources, and there are countless kinds of spiritual herbs and pills.

When Chen Ping heard this, he was very excited, because it won't be long before these resources of the Jade Cauldron Sect will be his.

As his realm improves, Chen Ping knows that the resources he needs will increase exponentially!

"Since your Jade Cauldron Sect is so famous in this area, why would anyone dare to compete with you for the Agrimony?"

Chen Ping asked in confusion!

When they were looking for agrimony, it was obvious that the Ning family's gang did not give them the Jade Cauldron Sect's respect and directly followed them to fight for it!

"Is there anyone competing with our Jade Cauldron Sect for Agrimony?" Nie Heng was stunned. Because he did not participate in the search for Agrimony, he didn't know about Ning Can leading people to fight for it!

But soon, Nie Heng came to his senses and said: “In this area, the only people who dare to follow our Jade Cauldron Sect to fight for the fairy grass are the Ning family from Wengcheng.”

“Why?” Chen Ping asked!

“Then the Ning family hired a pharmacist from somewhere to refine various elixirs for their family, so the Ning family also has a need for various elixirs and fairy grass.”

“Because their Ning family has pharmacists and they don’t need our Jade Cauldron Sect, so we often have conflicts in order to compete for medicinal herb resources.”

After Nie Heng explained this, Chen Ping finally understood!

The magic weapon that allows the Jade Cauldron Sect to do whatever they want is the alchemy skills in their hands. Once the opponent also has a pharmacist and has the ability to refine alchemy, they will no longer respect their Jade Cauldron Sect!

Just like the Demon Emperor City of Yihe, Chen Ping has now written a medicine refining technique that the beast tribe can practice. When the Demon Emperor City has its own pharmacist, the Jade Cauldron Sect will be in the Demon Emperor Yihe. In my eyes, it’s just bullshit!

Just when Chen Ping and Nie Heng rushed to the Jade Cauldron Sect, the Ning family in Wengcheng was bustling with people. All the heirs of the Ning family knelt down and worshiped outside the Ning family’s ancestral hall!

In the ancestral hall, only Ning Caichen, the head of the Ning family, Ning Caichen’s son Ning Can and the Ning family’s pharmacist were there!

In front of the three of them, there was a corpse. The corpse was covered with dust and the flesh and blood were shriveled. It looked like it had been parked in this ancestral hall for who knows how long!

And this corpse is the ancestor of their Ning family. After the ancestor of the Ning family died, the body did not rot, so it has been enshrined in the ancestral hall of the Ning family!

The reason why all the descendants of the Ning family gathered here today and even knelt down on the ground is because their ancestor of the Ning family is likely to come back to life today!

Because not long ago, a ray of light shone on the ancestral hall, and the corpse of the ancestor of the Ning family in the ancestral hall actually had a faint aura!

Although the breath is extremely weak, it can still be detected!

This sudden change made Ning Caichen, the head of the Ning family, panic, so he hurriedly invited Huang Yaoshi to check. After some inspections, Huang Yaoshi gave an astonishing result, that is, the ancestor of the Ning family was not dead. Living, but the breath is so weak that it feels like death!

Chapter: 4218

This surprised and delighted Ning Caichen. He did not expect that the ancestor of the Ning family, who had been dead for thousands of years, had never truly died!

In order to completely save his ancestor, Ning Caichen asked Huang Yaoshi to find a way. This is why Ning Can also went to find Agrimony, but because of the Jade Cauldron Sect, Ning Can only brought back the bloodthirsty beast. It's just a beast elixir!

Although there is no agrimony, Huang Yaoshi still refined the elixir. After taking this elixir, the ancestor of the Ning family can completely wake up!

“Huang Yaoshi, how sure are you? Our ancestor's aura is very weak right now. If the medicine is stronger, our ancestor may not be able to bear it at all, and he will really die...”

Ning Caichen asked Huang Yaoshi nervously!

After all, the resurrection of the ancestor is related to the future of their Ning family. If the ancestor of the Ning family really comes back to life, then the status of their Ning family will definitely undergo earth-shaking changes!

You must know that the ancestors from thousands of years ago were very powerful. Maybe they could successfully overcome the tribulation and reach the Mahayana realm. If that was the case, they would not be far from becoming immortals and ascending!

“Master Ning, don’t worry. I’m 90% sure. However, the ancestor of the Ning family has such a weak aura. Even if he survives, his strength will have to be restored slowly.”

Huang Yaoshi said with confidence!

“It doesn’t matter. As long as the ancestor comes back to life, I will give him all the resources of the Ning family. I believe that the ancestor will be able to return to his original state soon.”

Ning Caichen said happily!

Huang Yaoshi nodded, then slowly walked up to the ancestor of the Ning family, gently opened the mouth of the ancestor of the Ning family, and Huang Yaoshi stuffed a pill into the mouth of the ancestor of the Ning family!

The medicine king melted in your mouth, and then a soft breath began to wrap around the Ning family ancestor’s body!

Ning Caichen and Ning Can stared nervously at the corpse of their ancestor in front of them!

Slowly, the soft breath entered the body of the ancestor of the Daoning family little by little. As the soft breath entered the body, the ancestor of the Ning family’s originally shriveled flesh began to bulge little by little, and his face began to turn rosy. !

Seeing this scene, Ning Caichen and Ning Can were already excited!

About ten minutes later, the ancestor of the Ning family slowly opened his eyes and suddenly sat up!

Seeing that their ancestor was alive, Ning Caichen and Ning Can quickly knelt down on the ground!

“Ning Caichen, the head of the Ning family, congratulates our ancestor on his resurrection...”

Following Ning Caichen’s congratulations, all the heirs of the Ning family outside shouted excitedly!

“Congratulations to the ancestor for his resurrection...”

“Congratulations to the ancestor for his resurrection...”

With waves of shouting, the entire Ning family was boiling!

Everyone in the Ning family had excited expressions on their faces, even Huang Yaoshi’s face was full of excitement. He could resurrect the ancestor of the Ning family, and he could brag about himself arrogantly again!

Chapter: 4219

At this time, only the ancestor of the Ning family looked at everything in front of him blankly, his eyes full of secrets and confusion!

He didn’t know where this place was, let alone who the person in front of him was!

Because this so-called resurrection of the ancestor of the Ning family is not a real resurrection, but a remnant soul of Ning Zhi who possessed him!

At that time, Ning Zhi was beaten almost to death by Chen Ping. Fortunately, the passage to the world of heaven and man was opened at that time, and a trace of Ning Zhi’s remnant soul escaped into the passage!

But he accidentally possessed the body of the ancestor of the Ning family. However, because the ancestor of the Ning family was a mummy that had been dead for thousands of years, and Ning Zhi was just a remnant soul at the time, there was no way to directly let the possessed person go. Corpses come to life.

Fortunately, Ning Caichen discovered the changes in the ancestor's corpse and asked Huang Yaoshi to refine the elixir. With the help of the elixir, Ning Zhi finally woke up!

Looking at everything in front of him, Ning Zhi was stunned and confused, because he had no idea what was happening in front of him!

Seeing his ancestor like that, Ning Caichen frowned slightly and quickly looked at Huang Yaoshi. He couldn't resurrect his ancestor, but he was a fool, right?

Seeing this, Huang Yaoshi hurriedly stepped forward and explained: "Master Ning, your ancestor has been here for thousands of years. Everything has been changed. It is impossible for him to recognize you. Now that he has just been resurrected, he must be awake." That's what it looks like."

"You need to let your ancestor have a good rest, and then you can take your Ning family tree and explain it to your ancestor, and he will slowly understand."

After listening to Huang Yaoshi's explanation, Ning Caichen suddenly understood and hurriedly dismissed everyone. Ning Caichen personally helped his ancestor to rest, while Ning Zhi also got off the donkey along the slope and left!

In front of a towering mountain.

Chen Ping looked up at the huge sect in front of him and couldn't help but sigh!

He always thought that the Jade Cauldron Sect was not a particularly big sect, and the sect's residence was just like normal!

But I didn't expect that the Jade Cauldron Sect's sect residence would be so majestic!

The words "Jade Cauldron Sect" are written on the huge archway, and there are various sculptures placed on both sides of the mountain gate!

And there are dozens of Jade Cauldron Sect disciples guarding both sides of the mountain gate, all of them solemn and solemn, especially mighty!

“Mr. Chen, this is our sect’s headquarters. Isn’t it particularly spectacular?”

“Our Jade Cauldron Sect’s residence was not so luxurious and spectacular before. After my master became the head of the Jade Cauldron Sect, we re-selected the location and rebuilt it.”

When Nie Heng talked about his sect’s residence, his face was full of pride!

Chen Ping nodded: “I never expected that the small Jade Cauldron Sect’s residence would be so luxurious and spectacular!”

After Chen Ping finished speaking, he suddenly discovered that there was a dilapidated house not far from the Jade Cauldron Sect’s headquarters. However, there were many people lined up in front of the house. It was obvious that there were people living there!

This has to make Chen Ping a little curious. You must know that no other people are allowed to live within a hundred miles of a sect’s station, but there are other people living right next to the Jade Cauldron Sect’s station. This is very unreasonable!

“What’s going on with that house over there?”

Chapter: 4220

Chen Ping asked curiously!

Nie Heng took a look and said: “That house was the former residence of our Jade Cauldron Sect. After we moved here, it was abandoned. Only the third uncle and a few of his disciples were still there. There!”

“Third Master Uncle is pedantic and looks down on my master’s character, so he has been living in the original residence and treating the mountain people nearby.”

“Look at those mountain people queuing up to see Third Master Uncle for medical treatment. I really don’t know what Third Master Uncle thinks. You can’t earn any money or resources by treating these mountain people. It’s a waste of time.”

Nie Heng was very puzzled by his third uncle’s behavior, but after hearing about it, Chen Ping became very interested in Nie Heng’s third uncle!

You must know that as a pharmacist, treating diseases and saving people should be the first priority, but Nie Heng’s master used his medical skills to start amassing money and showing off his power. How could he be worthy of the name of a pharmacist?

After listening to Nie Heng’s words, Chen Ping turned around and walked towards the old headquarters of the Jade Cauldron Sect. He wanted to meet Nie Heng’s third uncle!

“Mr. Chen, what are you doing?”

Nie Heng chased after him in confusion and asked!

“I’m going to see your third uncle first...”

Chen Ping said!

Seeing this, Nie Heng could only helplessly follow behind Chen Ping!

When Chen Ping walked to the dilapidated house, he was immediately stopped!

“Who are you?” A young man wearing cloth and covered with patches asked Chen Ping!

“Junior brother, this is a guest from the Jade Cauldron Sect. Come and see Third Uncle.”

Nie Heng hurried forward and said to the young man!

When the young man saw Nie Heng, he suddenly became unhappy and snorted coldly: "Master is treating people and has no time to see you. You should go back..."

"I'm not a guest, I'm a patient. I came here to seek medical treatment."

Chen Ping said!

The young man looked at Chen Ping and said, "My master won't treat people like you. Leave quickly, or I won't be polite."

The young man actually wanted to drive Chen Ping away by force!

"You are so brave. You dare to be so presumptuous in front of me. After all, I am also the senior brother of the Jade Cauldron Sect."

Nie Heng suddenly became furious and shouted at the young man!

"Humph, Nie Heng, you, senior brother, are not easy to use here. None of us recognize you as senior brother. You'd better leave quickly, otherwise I won't be polite to you!"
