

The Order 4241

Chapter: 4241

But Chen Ping did not move. Instead, he looked at the young man who was distributing supplies and asked coldly: "You said the disciples of the Third Elder's lineage don't have supplies?"

"Yes, no!" The young man nodded!

Snapped.....

Just as the young man finished speaking, Chen Ping slapped him unexpectedly!

Chen Ping was so powerful that with this slap, the young man flew away and all the teeth in his mouth fell out!

Seeing Chen Ping suddenly hit someone, Fang Shu was stunned, and everyone else looked at Chen Ping in disbelief, feeling that Chen Ping was very strange!

The young man who was beaten covered his face and shouted loudly: "How dare you take action? Who are you? Don't even think about leaving here today..."

As the young people shouted loudly, many people began to surround Chen Ping, ready to take action!

Fang Shu was extremely anxious when he saw this scene. If he really took action, their lives would be even more difficult in the future, and Chen Ping alone could not be the opponent of these people!

Just when Fang Shu was extremely anxious due to his ignorance, a loud voice suddenly came!

"Stop it..."

With an angry shout, Nie Heng ran over in a hurry!

Seeing Chen Ping surrounded by these disciples, he immediately yelled angrily: “You fucking want to rebel? Dare you start an internal fight within the sect?”

“Senior Brother, this kid was the first to hit someone. Look at him beating me.”

The young man who was beaten came forward and let Nie Heng look at his swollen face!

“You deliberately made things difficult and refused to give us supplies, so Mr. Chen beat you...”

Fang Shu quickly explained!

The young man wanted to open his mouth to refute, but Nie Heng stopped him and said: “Go and get the supplies from Third Master Uncle’s lineage, not less...”

Nie Heng’s words made the Jade Cauldron Sect disciples who were distributing supplies stunned and looked at Nie Heng in disbelief!

You must know that Nie Heng didn’t like the three elders before, let alone take the initiative to take care of them!

Today, they were asked to give all the supplies to the Third Elder, which left many Jade Cauldron Sect disciples a little confused!

“I’ll take it as soon as I tell you. Do you want to get a taste of the rules?”

When Nie Heng saw that no one was moving, he immediately became anxious!

Seeing Nie Heng getting angry, the disciples who were distributing supplies could only move out all the supplies from the Third Elder’s lineage in despair!

Chapter: 4242

“Junior Brother Fang, when you receive supplies from now on, tell me in advance so that these guys won’t dare to make things difficult.”

Nie Heng said to Fang Shu!

Fang Shu looked at Nie Heng and didn’t know what to say for a moment. He felt that Nie Heng had changed, something strange.

You know Nie Heng would never have been so polite to them before!

But Fang Shu didn’t know that the reason why Nie Heng was like this was because of Chen Ping!

“let’s go.....”

When Chen Ping saw that the supplies had been taken out, he was about to load them up and follow Fang Shu back!

But just when Chen Ping was about to move the supplies, a man suddenly appeared and stepped on the supplies!

“No one can move these things away without my asking...”

Said a middle-aged man with a sinister face and sharp eyes!

As soon as Nie Heng looked at the person, he frowned and said, “Kuang Biao, what do you mean? It’s not your turn to make the final decision on matters within the sect, right?”

“Nie Heng, your control is a bit too broad. This matter of distributing supplies has always been under our jurisdiction. Why did you get involved.”

Kuang Biao looked at Nie Heng coldly and asked!

“My master is not here, and I am responsible for all the affairs in this sect. Why can't I take care of the distribution of supplies?”

Nie Heng also asked without any sign of weakness!

“Humph, the sect leader is not here, but my master is still here. He is the second elder of the sect. When will it be your turn to yell at someone as a disciple?”

“Besides, this matter of distributing supplies has nothing to do with you at all. Do you still want to seize power?”

After Kuang Biao finished speaking, he waved his hand and said, “Bring all these supplies back to me.”

Just as the disciples of the Jade Cauldron Sect who were distributing supplies were about to take action, Nie Heng shouted loudly: “Let's see who dares. If the sect master is not here, I, the senior disciple, have the right to punish you. If you dare to do anything, then you will be served according to the sect rules.”

At this time, none of the Jade Cauldron Sect disciples who were distributing supplies dared to move!

“You are so scared. I am the real disciple of the Jade Cauldron Sect. When I became a disciple of the Jade Cauldron Sect, he didn't know where to pee.”

“Just move it for me. I will be responsible for anything. Although we belong to the lineage of the second elders, we will not be bullied in vain.”

Kuang Biao waved his hand and said!

“Brothers, listen to Senior Brother and move in. In our eyes, Senior Brother Kuang is the only Senior Brother.”

Chapter: 4243

The Jade Cauldron Sect disciple who had just been beaten shouted and took the lead in moving it!

Seeing this, other people also took action, and all the supplies that had just been moved out were moved back!

Nie Heng looked at this scene and his face turned green with anger, but there was nothing he could do. He couldn't really take action. After all, these were the disciples of the second elder. If he really took action, the second elder would not agree!

Now that Hu Yixiao is not here, even though Nie Heng is the eldest disciple, he does not dare to offend the second elder too much!

Nie Heng glanced at Chen Ping helplessly and said that there was nothing he could do. He did not expect that Kuang Biao would come back at this time!

Seeing Nie Heng's compromise, Kuang Biao raised the corner of his mouth slightly, showing a victor's attitude, then looked at Chen Ping and Fang Shu and said: "Remember, if you want to get supplies in the future, please honor me. I just need to say a word." I can solve it for you!"

"You found a piece of trash that has no use, but you can't take away any supplies?"

Nie Heng was so angry that he was trembling slightly after listening to Kuang Biao's words!

Fang Shu said nothing. Now that Kuang Biao is back and Nie Heng is also present, he has no right to speak!

Although he is also the eldest disciple of the third elder, their lineage of third elder has the least status in the Jade Cauldron Sect.

"We are just taking back what we deserve. We don't have to honor anyone at all. You'd better move out the supplies we deserve..."

Chen Ping looked at Kuang Biao calmly and said!

Kuang Biao was stunned for a moment, then he looked at Chen Ping, suddenly remembered something and said, "I see, are you the big idiot who just became a disciple of the third master uncle?"

"Have you not seen what happened to Third Master Uncle's lineage? You are still under his sect. I heard from my master that you were very arrogant during the assessment?"

"You can take away the supplies if you want. Then let me see if you have this ability. What kind of strength can you ignore my master during the assessment and be so arrogant."

Kuang Biao's meaning was obvious. He wanted to vent his anger on the second elder!

Nie Heng had long said that this guy was a vengeful master, but he didn't expect that he would start targeting Chen Ping as soon as he came back!

"Do you want to compete with me?" Chen Ping said with a faint smile!

"Yes, do you dare?" Kuang Biao looked at Chen Ping provocatively!

"Don't be afraid, but I'll say it first. If I accidentally beat you to death, I can only blame you for your bad fate, but you can't blame me..."

Chen Ping laughed!

"Hahaha, boy, you are really crazy. No wonder my master talks about you."

Kuang Biao laughed: "You don't have to take responsibility if you beat me to death, but if I beat you to death, Third Master Uncle is not allowed to cause trouble to me."

“Of course, no problem, we all follow fate!” Chen Ping nodded!

Chapter: 4244

“Mr. Chen...”

Fang Shu gently pulled Chen Ping’s clothes. He didn’t know Chen Ping’s true strength, so he didn’t want Chen Ping to take risks!

Chen Ping smiled slightly and said, “Don’t worry, I can deal with him with just one hand!”

This is not Chen Ping’s bragging. To deal with Kuang Biao, Chen Ping can handle it with just one hand!

Even if Kuang Biao’s master and second elder wanted to compete with Chen Ping, it would be difficult to defeat Chen Ping!

“Mr. Chen, you’d better save Kuang Biao’s life, otherwise there will be a lot of trouble later.”

Nie Heng whispered to Chen Ping!

Nie Heng knew Chen Ping’s abilities and had no problem dealing with Kuang Biao, but he was afraid that if Chen Ping really killed Kuang Biao, the second elder would definitely not let it go.

As a result, the entire Jade Cauldron Sect will be in chaos, and it will be difficult to deal with Chen Ping’s attempt to enter the medicine pool later!

“I’m measured!” Chen Ping smiled lightly, then looked at Kuang Biao and said, “Where are we competing?”

“Just stay here. There’s no need to go to the ring, because one and a half moves are enough to deal with you. There’s no need to go to the ring.”

Kuang Biao said very confidently!

He had never thought about how powerful a disciple who had just joined the sect and worshiped the third elder could be.

“You’re right, one and a half moves is enough. It’s very suitable here!”

Chen Ping said with a faint smile!

Kuang Biao waved his hand, and everyone stepped back, leaving a large and spacious place for Chen Ping and Kuang Biao!

The disciples of the second elder’s lineage all had their eyes shining, wanting to see how their senior brother beat Chen Ping!

At this time, some other disciples came over one after another. After all, the Jade Cauldron Sect had not had a competition like this for a long time!

Ever since Kuang Biao was sent to another place, no one from the Jade Cauldron Sect has fought within the sect!

Now that something like this suddenly appears, many people are curious and excited!

Kuang Biao looked at Chen Ping, and the aura on his body began to surge rapidly, and he soon reached the peak state of transformation!

Feeling the aura on Kuang Biao’s body, many disciples were surprised!

Even Nie Heng frowned slightly, because Kuang Biao’s strength was obviously greater than his!

“I have been away for so many years, do you think I go to sleep? I practice hard every day!”

Chapter: 4245

“When I return to the sect this time, I want to rely on the opening of the medicine pool to break through the transformation state and reach the strength of the integration state!”

Kuang Biao’s face was full of arrogance, and he obviously meant these words for Nie Heng to hear!

“Why are you talking so much nonsense? Don’t you want to defeat me with one and a half moves? I don’t have to take any action. If you can knock me down within ten moves, you will win.”

Chen Ping put his hands behind his back!

The reason why Chen Ping chose not to take action was to avoid exposing his strength too much. Before the medicine pool was opened, it was better to keep a low profile!

When Kuang Biao heard this, he immediately sneered and said: “Boy, you are really crazy. Needless to say, if I can’t beat you with ten moves or three moves until you can’t get up, even if I lose, you three elders are of the same lineage.” Supplies, doubled...”

“No problem, come quickly, I have other things to do, I’m very busy...”

Chen Ping said with a faint smile!

When everyone saw Chen Ping with his hands behind his back, preparing to take Kuang Biao’s attack, their eyes widened in surprise!

With the strength at the peak of the Transformation Realm, a small mountain can be wiped out with just one punch. Who dares to take it head on?

“Boy, you will regret it...”

Kuang Biao shouted loudly and rushed in front of Chen Ping in an instant, and then hit Chen Ping with a roaring punch!

Chen Ping did not dodge or dodge, still standing with a calm face, and did not even activate the indestructible golden body!

boom.....

Kuang Biao punched Chen Ping in the chest, and the huge force erupted with a deafening sound!

Chen Ping's body swayed slightly, and he took a step back with his right foot before he stabilized his body!

And when Kuang Biao punched Chen Ping in the chest, it felt like his whole body had been hit on a steel plate. Chen Ping's body seemed to be stronger than he imagined!

Kuang Biao's right arm trembled slightly, and the huge force of the shock caused blood to flow from Kuang Biao's mouth!

"At the peak of transformation, it seems pretty good. I've already done one move..." Chen Ping withdrew his right foot and said something that seemed like a compliment, but it was like a big slap, hitting Kuang Biao in the face!

With so many people watching, Kuang Biao was at the peak of the Transformation Realm. When Chen Ping was motionless, Kuang Biao couldn't even hurt Chen Ping with one punch, let alone knock him down!

Everyone looked at Chen Ping in surprise, and Fang Shu was even more surprised. He only knew that Chen Ping's alchemy skills were very good, but he didn't expect that his body was so abnormal. A punch at the peak of the transformation realm didn't even break the defense. Hurt Chen Ping!

"Boy, don't be arrogant. I only used 50% of my power just now. I didn't want you to die in an ugly way. I didn't expect that your body is really strong, but this punch won't make you feel so good!"

Kuang Biao quickly found a step for himself, and then burst out with all his strength!

When Chen Ping looked at Kuang Biao like that, the corners of his mouth raised inadvertently, and his eyes were full of ridicule and disdain!

Chapter: 4246

Seeing Chen Ping's expression, Kuang Biao became even more furious, and light flashed on his fists!

Kuang Biao punched out, and a dazzling light burst out instantly, and everyone instinctively closed their eyes!

boom.....

There was a loud noise, like a bomb exploding!

Hearing the sound, everyone opened their eyes, only to find that Chen Ping was still standing there, with no injuries on his body!

On the other hand, blood was dripping from Kuang Biao's right wrist, and the huge shock force caused Kuang Biao's jaw to crack!

Kuang Biao's face was pale, and he could feel the eyes of everyone around him looking at him!

"There is one more move, do you want to continue?"

Chen Ping looked at Kuang Biao with a smile!

The muscles on Kuang Biao's face kept beating, and the murderous aura in his stern eyes kept rising!

"Of course..."

Kuang Biao took two steps back. Now that his body began to expand, his body actually grew taller on the spot!

Seeing this scene, Chen Ping knew that this guy must have practiced exercises to increase strength, but Chen Ping didn't care!

"Mr. Chen, be careful. This is the unique skill of the Second Elder's lineage."

Fang Shu reminded Chen Ping loudly!

Nie Heng on the side also clenched his fists, planning to take action at the critical moment!

Although Chen Ping's strength was comparable to that of Kuang Biao, Nie Heng didn't know if Chen Ping could withstand being beaten without moving!

If Chen Ping was beaten to death, he wouldn't be able to survive. A piece of his life is still in Chen Ping's hands!

He couldn't just watch Chen Ping die!

"Don't worry!" Chen Ping said with a confident smile!

"Boy, you can actually force me to use my special skills. You are considered the number one person in the Jade Cauldron Sect..."

After saying that, Kuang Biao jumped up and then kicked Chen Ping in the head!

This time, Kuang Biao no longer used his fists or attacked Chen Ping's body, but directly attacked Chen Ping's head with his feet!

It looks like this is going to cost Chen Ping his life. Who can stand motionless and be okay with being kicked in the head by the royalties from the Peak Transformation Realm?

Chapter: 4247

Fang Shu was shocked to see that Kuang Biao actually wanted Chen Ping's life and attacked his head directly!

Nie Heng's breath shook and he was about to take action!

Chen Ping's eyes narrowed slightly, with a cold look in his eyes!

"None of you are allowed to move..."

Chen Ping said something to prevent Fang Shu and Nie Heng from taking action, but a golden light suddenly appeared on his body, his indestructible golden body activated, and golden scales covered Chen Ping's body!

At this time, Chen Ping was like a golden-armored war god, full of awe-inspiring righteousness, standing motionless!

Seeing Chen Ping suddenly become like this, Kuang Biao was stunned for a moment, but the kick had already been sent out and it was impossible to take it back, so he kicked Chen Ping on the head with all his strength!

Bang.....

With this kick, even a man of steel would be able to smash it into pieces!

But when he kicked Chen Ping in the head, Chen Ping's body only took three steps back, and there was no scene of his brain bursting!

Kuang Biao felt that one of his feet was numb, and he stood on the ground in surprise, a little unsteady!

He really didn't expect that Chen Ping's head could be so hard. Even if he used his special skills, he couldn't break Chen Ping's defense!

"Three moves have passed, you can take out the supplies..."

Chen Ping looked at Kuang Biao coldly and said!

Kuang Biao stood there and said nothing for a while. He was completely stunned!

Others were silent for a while. The senior brother in their hearts, the extremely powerful senior brother, fell down. Chen Ping stood motionless and could not hurt Chen Ping at all!

This kind of strength gap is simply not on the same level. They really can't understand what level of strength Chen Ping has to have such a perverted body!

"What? If you are not convinced, I can give you three moves..."

When Chen Ping saw that Kuang Biao was silent, he sneered!

"No, I'm willing to admit defeat!" Kuang Biao said with a cold face, then waved his hand: "Go and take out the supplies..."

"Remember, it's double..."

Chen Ping waved his two fingers towards Kuang Biao.

Kuang Biao's face was livid at this time. Now he was considered a loser in the sect. He might not have the shame to compete with Nie Heng for the position of senior brother in the future!

"Take a double portion..." Kuang Biao gritted his teeth and looked at Chen Ping and said: "Boy, I will remember you. After the medicine pool is opened, I will look for you to have a good fight... .."

Chapter: 4248

After Kuang Biao opens the medicine pool, he can break through the peak of the Transformation Realm and reach the Fusion Realm after soaking in the medicine pool. You must know that as a large realm is promoted, the strength will be doubled!

“I’ll accompany you at any time, but when you come to challenge me, remember to bring some supplies. I won’t fight you without a bet.”

Chen Ping picked up the supplies and said provocatively!

“good.....”

Kuang Biao gritted his teeth and squeezed out a good word!

Chen Ping followed Fang Shu back with the supplies. Seeing that they had brought back so many supplies this time, the disciples of the Third Elder’s lineage were so happy!

Fang Shu, on the other hand, happily followed the junior brothers and told them what they had seen!

When everyone heard that Chen Ping had won these supplies with three moves from Kuang Biao without moving, they all showed admiration!

You must know that Kuang Biao’s strength is considered to be the top existence in the Jade Cauldron Sect. Apart from the sect leader and elders, Kuang Biao is the strongest!

But Chen Ping was able to remain motionless and resist the opponent’s three moves without getting hurt!

“Mr. Chen.....”

At this time, the third elder who had been in the room, after hearing everyone’s discussion, opened the door and called Chen Ping!

“Third Elder...”

Chen Ping hurriedly stepped forward and asked, “What’s the matter?”

“Mr. Chen, your alchemy skills are so good, almost to the point of perfection. I wonder if I can ask Mr. Chen for advice?”

The third elder asked very politely!

After all, everyone’s alchemy is a secret, and the third elder and Chen Ping are not from the same sect. The third elder doesn’t know if Chen Ping will tell him, so he asks like this!

“Of course. If the Third Elder doesn’t dislike my little skill, I’d be willing to teach him all I have!”

Chen Ping agreed happily!

In Chen Ping’s view, his alchemy skills are used to cure diseases and save people. If the third elder hangs a pot to help the world and improves his alchemy skills, he may be able to save more people!

The third elder was a little surprised to see Chen Ping agreeing so happily. After being slightly stunned, he quickly said happily: “Thank you very much, Mr. Chen. Please come with me. It’s not convenient to talk here...”

The third elder took Chen Ping out of the room and walked towards a mountain peak not far away!

Chen Ping was a little surprised and didn’t understand where the third elder was taking him, but Chen Ping didn’t ask and just followed behind!

Walking until they were near the top of the peak, the third elder came to a stone wall and gently tapped the stone wall three times. The stone wall moved slowly and opened a cave entrance!

Chapter: 4249

This surprised Chen Ping. He didn't expect that the third elder had a secret!

"Mr. Chen, come in..."

The third elder brought Chen Ping into the cave, and saw that the cave was brightly lit with several ever-burning lamps, and there were many daily necessities, including some very high-end medicinal herbs!

"Third Elder, is this your secret base?"

Chen Ping asked curiously!

The third elder shook his head: "This is not my place, it is our eldest lady's place..."

"Miss?" Chen Ping was stunned. He didn't expect that the third elder would actually hide a woman secretly?

"Yes, this is our eldest lady's place. Ever since the Jade Cauldron Sect changed dynasties and Hu Yixiao became the sect leader, our eldest lady has been living here."

The third elder said!

"Third Elder, what is going on?" Chen Ping was a little confused!

"Hu Yixiao became the sect leader because he murdered the previous sect leader's family."

"Originally, the old sect leader wanted to pass the sect leader's position to his daughter Liu Ruyan, but Hu Yixiao snoopied on the sect leader's position, took advantage of the old sect leader's trust in him, and directly poisoned the old sect leader's family!"

“However, although the eldest lady was deeply poisoned at the time, she was still alive, so I brought her here. This was originally the secret place of the old sect master. No one knows about it except me!”

“Now many years have passed, and although the eldest lady is not dead, I still can’t completely remove the poison from her body. For so many years, the eldest lady has been in a coma!”

The third elder said with an expression of shame on his face!

“Could it be that your old sect master’s family suddenly died suddenly, and no one noticed it? Don’t you also have a Supreme Elder?”

Chen Ping was very puzzled. If a whole family suddenly died, wouldn’t anyone be suspicious and investigate?

“If it weren’t for the fact that the eldest lady is still alive and told me personally, I wouldn’t doubt you Hu Yixiao. After all, the old sect master treats Hu Yixiao as if he were his own flesh and blood.”

“Hu Yixiao was also very kind to the old sect leader and his family, and no one doubted him. But who knew that this guy had a vicious heart and killed the old sect leader and his family for the sake of his position as the sect leader!”

“In order to heal the eldest lady, I can only endure the humiliation, pretend not to know, and live under Hu Yixiao.”

The more the Third Elder talked, the more sad and angry he became!

After hearing this, Chen Ping also understood what the third elder meant.

“You brought me here because you want me to heal your eldest lady?”

Chen Ping asked.

Chapter: 4250

The third elder nodded: "Yes, Mr. Chen has superb medical skills and is a kind man, so I dare to bring you here."

"I hope Mr. Chen can save our eldest lady. As long as the eldest lady wakes up, I can reveal the true face of Hu Yixiao."

As the third elder said that, he knelt down directly to Chen Ping!

"Third Elder, what are you doing? I can help you, but I want to see your eldest lady's condition first. I am not a miracle doctor and can bring the dead back to life."

Although Chen Ping's medical skills are good, he has not reached the level of perfection. He needs to look at the situation first before making a decision!

The third elder took Chen Ping and continued walking forward, and then entered a secret room. There was a bed in the secret room, with a woman lying quietly on the bed. The woman's face was rosy, as if she was asleep. Generally speaking, this is Liu Ruyan, the eldest lady of the Jade Cauldron Sect!

Chen Ping stepped forward, stretched out his right hand and gently felt Liu Ruyan's pulse, and then a burst of spiritual power was input into Liu Ruyan's body!

About ten minutes later, Chen Ping stood up and frowned slightly!

Seeing this situation, the third elder quickly asked: "Mr. Chen, how are you doing? Can you heal me?"

"Your eldest lady's situation is really special. I can't detect any signs of poisoning from her body, but I don't know how she ended up like this."

"I don't know what kind of poison Hu Yixiao was poisoned by. If we knew what kind of poison Hu Yixiao was poisoned by, maybe we can cure him!"

This is the first time Chen Ping has encountered this situation!

When the third elder heard this, he sighed and said: "This must be poison that Hu Yixiao got from other places. After so many years, I don't know if the poison is still there, and Hu Yixiao definitely won't tell!"

"It seems that our eldest lady will only be comatose in bed for the rest of her life..."

"Third Elder, you don't have to be so pessimistic. I can give it a try, but it may not be able to cure me. And when I am healing, I need to take off your eldest lady's clothes, so... .." Chen Ping didn't know how to continue!

"Mr. Chen, you don't have to worry about anything. Just take off your clothes. Just take a look. As long as you can make the eldest lady wake up."

"If you need any herbs, just tell me. If you don't have them here, I can leave this old face and go to the Jade Cauldron Sect's warehouse to get them."

The third elder said!

"That's not necessary. The herbs here are enough, but it may take a few days. Please ask the third elder to protect the law."

Chen Ping said!

"No problem..." The third elder agreed happily!

Chen Ping took out his Shennong Cauldron, and then selected some herbs. The herbs were ignited in the Shennong Cauldron, and bursts of smoke and medicinal fragrance rose!

Next, Chen Ping picked up Liu Ruyan and gently took off Liu Ruyan's clothes!

When the third elder saw this, he walked out of the room and guarded the outside!
