

## The Order 4251

Chapter: 4251

After Chen Ping took off Liu Ruyan's clothes, he held it up with spiritual power and suspended it above the Shennong Cauldron. Liu Ruyan's body was directly fumigated by the smoke from the burning herbs!

At this time, Kuang Biao, who was humiliated by Chen Ping in public, was being scolded by his master!

Now Kuang Biao is embarrassed, which is equivalent to embarrassing all the disciples of their second elder lineage. Even the second elder is shameless in the Jade Cauldron Sect!

As the eldest disciple of the second elder's lineage, he was humiliated by a person who had just become a disciple of the Jade Cauldron Sect, and he stood motionless without being able to knock him down. This was simply a great shame and humiliation!

"Master, that guy named Chen Ping is extremely strong physically, and he also has a magic weapon to protect his body, so I suffered a loss due to my carelessness."

Kuang Biao lowered his head and whispered!

Snapped.....

The second elder slapped Kuang Biao hard on the face!

"Are you fucking stupid? I've said it a long time ago, that guy's body is extremely strong, and you actually agreed to compete with him. The reason why he stood still and let you beat him is because he is only physically strong. If you use the magic weapon to protect your body, I won't be afraid of you at all!"

"But he doesn't dare to take action because his level of strength is not high. As long as he takes action, a lot of spiritual power will be consumed, and he will definitely be defeated by you in the end."

"I didn't expect that you, an idiot, would fall into his trap. You are such a big idiot..."

The second elder became angrier as he cursed, and kicked Kuang Biao twice!

Kuang Biao was right when he thought about it. If he hadn't boasted about Haikou and knocked Chen Ping down with three moves, and then started to compete with Chen Ping, Chen Ping would probably be at a disadvantage soon!

"Master's lesson is right. I'm going to find him now. I'm competing with that guy. I want to get back the face I lost..."

Kuang Biao decided to challenge Chen Ping!

"Wait a minute..." The second elder called Kuang Biao: "I know you came back this time because the medicine pool is about to be opened. In order for you to break through to the peak of transformation, I have a pill here. You take it. After that, you can break through the Transformation Realm and reach the Fusion Realm."

"Wait until you break through to find that boy. It will be safer this way..."

As the second elder said, he took out a pill from his arms. The pill was dark and about the size of a fist!

However, after seeing the pill, Kuang Biao was overjoyed and said, "Master, isn't this the Huntian Pill? This is the treasure of our Jade Cauldron Sect. It cannot be touched without the order of the great uncle."

"Are you going to eat it or not? As the second elder of the Jade Cauldron Sect, I manage the resource allocation of the Jade Cauldron Sect. Do I need your uncle's order to take a Hunyuan Pill?"

The second elder said very displeasedly!

"No, no, no, of course, Master, I don't need it. I'll eat it. I'll eat it now..."

Kuang Biao took the Hunyuan Pill and started eating it!

After one night, Kuang Biao finally broke through to the state of integration, and his heart swelled to the extreme!

Chapter: 4252

In Nie Heng's mansion, Nie Heng was looking at the sky above Kuang Biao's mansion. Thunder clouds were passing by, and thunder was heard. He knew that this was the scene of someone breaking through to the Fusion Realm!

"Kuang Biao has broken through to the Fusion Realm so quickly. Could it be that he has some adventure?"

Nie Heng frowned slightly. You must know that after reaching the peak of the Transformation Realm, you also need opportunities and luck to break through to the Fusion Realm!

This time Kuang Biao came back, intending to use the energy of the medicine pool to break through!

But now that the medicine pool has not been opened, Kuang Biao has broken through to the Fusion Realm, which makes Nie Heng feel strange!

As a result, the gap in strength between Nie Heng and Kuang Biao is getting wider and wider, and his status as senior brother of the Jade Cauldron Sect may not be guaranteed!

Suddenly, Nie Heng seemed to have thought of something and walked quickly towards the Jade Cauldron Sect's warehouse!

There are many elixirs from the Jade Cauldron Sect stored in this warehouse. Although these elixirs are not as precious as those in the Tibetan Medicine Pavilion, there are also many high-end elixirs, such as Hunyuan Pills and the like!

Only the master of the Jade Cauldron Sect can distribute such high-level elixirs. Now Kuang Biao suddenly made a breakthrough, so Nie Heng suspected that this guy had secretly taken the Jade Cauldron Sect's high-level elixirs!

So he went to the warehouse to check. If Kuang Biao secretly took the high-grade elixir of the Jade Cauldron Sect, it would be a felony!

When Nie Heng came to the door of the warehouse, he was stopped by the disciples of the Jade Cauldron Sect guarding the warehouse!

“Senior Brother, you cannot enter or leave the warehouse at will...”

The guard said to Nie Heng!

These guards are all disciples of the Second Elder’s lineage, so they are not too afraid of Nie Heng!

“How dare you, the sect leader is not here. As the eldest disciple, I have the right to inspect all places of the Jade Cauldron Sect. I want to enter the warehouse to check now. Do you dare to stop me?”

Nie Heng said angrily!

“Senior Brother, I’m sorry, you can’t go in without the second elder...”

The guard still stopped Nie Heng and said!

Snapped.....

Nie Heng slapped the guard on the face and shouted: “You, a small guard disciple, dare to stop me. Believe it or not, I will kill you. The second elder can’t do anything.”

“Could it be that the Second Elder would kill me for a little guarding disciple?”

“Get out of my way now, otherwise don’t blame me for being rude...”

A strong murderous intent surged from Nie Heng's body, directly covering the guarding disciple, making the guarding disciple tremble all over and had no choice but to get out of the way obediently!

But just when Nie Heng was about to enter the warehouse, Kuang Biao came over from one side and said with a sneer: "Nie Heng, as the eldest disciple of my uncle, you are bullying a little guard here. , do you still want to be shameless?"

Chapter: 4253

When Nie Heng saw Kuang Biao coming over, he didn't want to talk to him. As long as he went into the warehouse to check, if the high-level elixir was missing, then Kuang Biao must have eaten it secretly!

When Kuang Biao saw that Nie Heng ignored him and walked straight towards the warehouse, his face turned cold and a terrifying aura erupted from his body. This aura instantly knocked Nie Heng away!

Kuang Biao is now in the Fusion Realm. Nie Heng is no match for him at all. He doesn't even have the ability to resist!

"Kuang Biao, do you want to rebel? I am the chief disciple of the Jade Cauldron Sect, how dare you attack me?"

Nie Heng glared at Kuang Biao with anger on his face, but he did not dare to take action!

Just now, Kuang Biao was knocked away with a breath. With such a disparity in strength, Nie Heng would be asking for trouble even if he took action!

"Nie Heng, don't think so highly of yourself. Is it a rebellion if I attack you?"

"I tell you, no one can enter this warehouse without my master's order."

Kuang Biao said arrogantly!

"Kuang Biao, I have the sect master's token here. If my master is away, then I will be the acting sect master. Let alone you, even if the second elder comes, he will not dare to stop me..."

Nie Heng took out the sect leader's token!

When he saw the Sect Master's Token, Kuang Biao's expression became a little complicated. He could look down on Nie Heng, but he did not dare to look down on the Sect Master's Token. It represented the Jade Cauldron Sect's Sect Master and Hu Yixiao!

Seeing Kuang Biao like that, Nie Heng snorted coldly, held the sect leader's token in his hand, and started walking towards the warehouse!

Kuang Biao wanted to stop him, but he didn't dare to...

"Nie Heng, holding your master's sect leader's token is really majestic..."

At this moment, the second elder walked over slowly!

Seeing the second elder coming, Nie Heng hurriedly smiled and said: "Second Senior Uncle, how dare I show off in front of you..."

"Nie Heng, if your master entrusts me with the management of the important warehouse, that means he trusts me. When you came to inspect with the sect leader's token today, do you suspect that I am committing theft?"

"I can let you go in and check. If you can't find anything, don't blame your second uncle for being ruthless..."

The second elder said coldly with a cold face!

Seeing this, Nie Heng quickly explained: "Uncle Second Master, you have misunderstood. How dare I check you? I was just passing by and wanted to go in and have a look..."

"It's okay, I won't watch it, I won't watch it..."

Nie Heng smiled quickly, then turned and left!

After seeing Nie Heng leave, the second elder looked at Kuang Biao and said: "Now that you have broken through to the Fusion Realm, you can regain your face. If your third uncle dares to take action, you can come back and tell me. If you are killed like that by them, If Mai is bullied, how can we still hang out in the Jade Cauldron Sect in the future!"

Chapter: 4254

"Master, don't worry, I will definitely regain my face this time..."

After Kuang Biao finished speaking, he took a few disciples of the Second Elder's lineage and headed straight down the mountain!

At this time, at the residence of the Third Elder, Fang Shu was treating the nearby mountain people!

In the absence of the third elder, Fang Shu took over the position of the third elder and provided free medical treatment to the nearby mountain people. The other disciples refined elixirs and went to the nearby mountains to pick herbs!

After all, the Jade Cauldron Sect can almost allocate resource-based things like medicinal herbs to their three elders!

But just when Fang Shu was treating the mountain people, Kuang Biao suddenly rushed in with his people and drove all the mountain people away!

Fang Shu saw Kuang Biao and hurriedly stood up and said, "Kuang Biao, what do you mean by coming here to drive away our patients?"

"Fang Shu, how much money do these stinking mountain people have? Giving them medical treatment is a waste of our Jade Cauldron Sect's resources. And there is that guy named Chen Ping. Call him out. I want to compete with him. ... .."

Kuang Biao said to Fang Shu!

“Mr. Chen is not here, he has gone out...”

Fang Shu said!

“Out? Who are you lying to? If you don’t call him out, I will be rude to you.”

As Kuang Biao spoke, the aura of the Fusion Realm exploded from his body, instantly suffocating Fang Shu and the others!

Feeling the terrifying aura on Kuang Biao’s body, Fang Shu’s eyes were full of horror. He didn’t expect that Kuang Biao had broken through the peak of transformation!

“Mr. Chen is really not here. He went out with my master...”

Fang Shu explained!

“Third Master Uncle is no longer here?” Kuang Biao raised his lips, and then said: “When Chen Ping comes back, you sue him, I will have a duel with him!”

“He made me lose face. I want to get it back. And you guys, don’t forget your identities and say bad things about me behind my back...”

After Kuang Biao finished speaking, he waved his hand lightly, and a huge force instantly crushed the surrounding houses!

Looking at the collapsed houses, Fang Shu and his disciples were all anxious. They originally had few residences and lived in this old sect ruins, but now Kuang Biao actually destroyed their house!

“Kuang Biao, you are bullying others too much. I will fight with you...”

Fang Shu roared and rushed towards Kuang Biao, and other disciples of the Third Elder's lineage also rushed towards Kuang Biao.

Kuang Biao smiled coldly and waved his hands gently. Fang Shu and the others instantly flew backwards and fell heavily to the ground. The difference in strength was too great, and Fang Shu and the others could not get close at all.

"You bunch of rubbish, you still want to fight with me, don't bother, then Chen Ping comes back and tell him that I want to duel with him, right on the sect's ring..."

Chapter: 4255

"If Chen Ping doesn't go, then I will come and beat you every day..."

Kuang Biao spat at Fang Shu and others, then turned and left!

At this time, Chen Ping was still treating Liu Ruyan in the secret room of the cave. Although Liu Ruyan was naked in front of Chen Ping, Chen Ping didn't have any distracting thoughts!

Liu Ruyan's skin is very white and smooth. If ordinary people saw it, they would definitely not be able to control it. But Chen Ping is no longer the hot-blooded young man he used to be. He has dated countless women, such as Ji Ruxue, Ge Yuhan and others. Who is not a beautiful woman who will captivate the whole country!

Moreover, each one has a better figure and better skin than the other, so when Chen Ping saw Liu Ruyan naked in front of him, he had no other thoughts!

If it were before, Chen Ping would have been uneasy and his blood would have surged when facing such a naked beauty!

The smoke from the burning herbs continued to wrap around Liu Ruyan's body, and penetrated into the body bit by bit through the skin!

The third elder was waiting anxiously outside the secret room. Three days have passed now. During these three days, the third elder has hardly slept a wink!

The third elder hopes that Chen Ping can rescue Liu Ruyan. Although the third elder knows that a young man like Chen Ping may do something when faced with the naked Liu Ruyan, but in order to save Liu Ruyan, The third elder could only turn a blind eye to the smoke!

If Liu Ruyan is really rescued, even if Chen Ping does something to Liu Ruyan, it can be regarded as repaying Chen Ping!

The third elder would never have thought that Chen Ping had no evil thoughts towards Liu Ruyan, let alone that Chen Ping would do anything to violate Liu Ruyan as he thought!

Slowly, the herbs in the Shennong Cauldron burned out, and the smoke slowly dissipated, but Liu Ruyan still closed her eyes slightly at this time, showing no sign of waking up!

Chen Ping frowned slightly when he saw this, and in the end he could only carry Liu Ruyan to bed and cover her gently with the quilt.

Hearing the movement in the secret room, the third elder rushed in with great expectations!

“Mr. Chen, how is the eldest lady?”

The third elder asked Chen Ping!

Chen Ping shook his head: “Miss Liu still hasn’t woken up. It seems that we need to know what kind of poison Hu Yixiao administered.”

When the third elder heard this, his face was full of disappointment, but he knew that Chen Ping had tried his best, so he said gratefully: “Mr. Chen, thank you. This may be the fate of our eldest lady...”

“Third Elder, don’t be too pessimistic. Let’s go back first. I’m thinking of a way. Maybe after the medicine pool is opened, I can find a way to revive Miss Liu.”

Chen Ping comforted the third elder.

After the medicine pool was opened, Chen Ping knew that his level would definitely improve, and by then he might be able to figure out a way to revive Liu Ruyan!

“Okay...” The third elder nodded, and after taking a look at Liu Ruyan, he followed Chen Ping out of the cave!

After the two people came out, the stone wall slowly closed, and it was impossible to tell from the outside that there was a cave here!

On the way back, the third elder kept secretly looking at Chen Ping, feeling like he was hesitant to speak!

Chapter: 4256

“Third Elder, is there something wrong with you? Just tell me if you have something.”

Chen Ping asked the third elder!

“Mr. Chen, it’s actually nothing. I just want to know if you have treated the eldest lady while she was naked these days. Did you do that to her?”

“But even if you do it, it will be fine. After all, you are young and full of blood. Now the eldest lady is in a coma and doesn’t know anything. When she wakes up, if you don’t tell me or I don’t tell her, she won’t know.”

The third elder followed Chen Ping and said!

When Chen Ping heard this, he immediately smiled bitterly and said: “Third Elder, who do you think I am, Chen Ping? I have never touched your eldest lady, and I will never take advantage of others’ danger...”

When the third elder heard this, he knew that he had overthought it and apologized to Chen Ping again and again!

When Chen Ping came back with the third elder, he saw that the whole station was in a mess, and most of the houses collapsed. Fang Shu was leading people to clean up, and the two of them were dumbfounded!

“Mr. Chen, Master, you are back...”

When Fang Shu saw Chen Ping and the third elder coming back, he immediately went to greet them!

The third elder saw that Fang Shu’s face was covered with bruises, and he had obviously been beaten. He asked sternly: “Fang Shu, what’s going on? As the eldest disciple, you are asked to guard the house. In just a few days, you have become so?”

When Fang Shu heard this, he shed tears of grievance: “Master, it was Kuang Biao who did it. He came to Mr. Chen and said he wanted to regain his face. When he saw that Mr. Chen and you were not here, he took action to destroy our relationship.” houses and beat us up!”

“Kuang Biao’s strength is beyond what we can handle. It’s all my fault. I didn’t take good care of my family. I beg Master to punish me...”

Fang Shu said, kneeling directly in front of the third elder!

When the third elder heard this, his face turned red with anger and his whole body trembled slightly!

“Kuang Biao is such a bully. He really doesn’t take me, the third elder, seriously. If I don’t teach him a lesson, there will be no place for me in the entire Jade Cauldron Sect in the future... ..”

The third elder was extremely angry and said that he was going to go find Kuang Biao to settle the score!

Chen Ping stopped the third elder and said: “This matter happened because of me, I will handle it.”

After saying that, Chen Ping looked at Fang Shu and asked, “Did Kuang Biao say anything after he left?”

“He said that when Mr. Chen comes back, go to the inner gate to find him. He wants to compete with you in the ring.”

“He also said, he also said...”

“What else did he say?” Chen Ping asked!

“He also said that if you dare not go, he will come and beat us once a day until you go...”

Fang Shu said!

Chapter: 4257

After listening to Fang Shu’s words, Chen Ping’s eyes narrowed slightly, and invisible anger emanated from Chen Ping’s body. In order to make himself stand out, this Kuang Biao actually treated his fellow disciples with violence. It was simply too cruel. More than an animal!

Feeling the anger on Chen Ping’s body, the third elder and Fang Shu felt frightened!

“You guys clean up here, I’ll go meet Kuang Biao...”

After Chen Ping finished speaking, he turned around to find Kuang Biao!

“Mr. Chen, I will accompany you. If this matter was not given by Second Senior Brother, then Kuang Biao would never dare to do this. I would like to ask if they want to completely break up with me!”

The third elder wants to accompany Chen Ping!

But Chen Ping stopped the third elder: “Third Elder, this is a matter between us. As an elder, if you get involved, it will definitely cause a bigger conflict. Then doesn’t Kuang Biao want to compete with me in the ring? If you want to regain your face, then I will compete with him.”

The reason why Chen Ping didn't let the third elder go was because he was afraid that the third elder would make things worse and affect the opening of the medicine pool, which would be troublesome!

Chen Ping's purpose in coming to Jade Cauldron Sect is to wait for the medicine pool to open!

At this time, Nie Heng hurried over. He also came over after hearing that Kuang Biao was causing trouble for Chen Ping and even destroyed the houses of the third elder's lineage!

Ever since Chen Ping joined the Third Elder's lineage, Nie Heng has also followed the Third Elder's lineage very closely!

"Mr. Chen, what are you going to do?"

Nie Heng asked after seeing Chen Ping!

"Mr. Chen is going to find Kuang Biao..." Fang Shu said!

"Mr. Chen, Kuang Biao has now broken through to the fusion state, and he must have done this under the instruction of his second uncle. I think you should bear with it."

"If things get serious, I'm afraid it will affect the opening of the medicine pool."

Nie Heng wanted Chen Ping to be patient. He knew that Chen Ping came to Jade Cauldron Sect just for the medicine pool.

"Don't worry, I have a sense of discretion. Even if Kuang Biao breaks through to the combined state, what can he do..."

Chen Ping smiled coldly. He was not afraid of a newly promoted Fusion Realm monk like Kuang Biao. Even if Chen Ping was not afraid of the third level of Fusion Realm, how could he be afraid of Kuang Biao, a newly promoted Fusion Realm monk?

The third elder looked at Chen Ping's confident look and couldn't help but feel shocked. You must know that Chen Ping is just a monk in the transformation realm. Although alchemy is very strong, it does not mean that he is strong!

A Transformation Realm cultivator actually ignored a strong person in the Fusion Realm. The Third Elder didn't understand who Chen Ping was and how he could be so confident!

Nie Heng glanced at Chen Ping and said nothing. He was the one who knew Chen Ping's strength best here!

Although Nie Heng didn't know how strong Chen Ping was in the end, since Chen Ping said so, he would definitely be able to deal with Kuang Biao!

"Mr. Chen, I'll go with you. If anything happens, I'll have someone to take care of you..."

Chapter: 4258

Nie Heng decided to accompany Chen Ping to find Kuang Biao!

Nothing can happen to Chen Ping. If something happens to Chen Ping, he won't survive!

"Fang Shu, you should also take someone with you to follow Mr. Chen. This battle is not a battle between Mr. Chen and Kuang Biao, but a battle for our lineage to be proud of in the Jade Cauldron Sect!"

The third elder said to Fang Shu!

Everyone now knows that Chen Ping is a disciple of the Third Elder and is a member of the Third Elder's lineage, so Chen Ping's fight with Kuang Biao is a battle between the Third Elder's lineage and the Second Elder's lineage!

If Chen Ping wins, then the three elders and their lineage will be able to feel proud and their status in the Jade Cauldron Sect will be improved!

“Yes...” Fang Shu nodded!

Soon, a group of people headed straight for the inner gate of the Jade Cauldron Sect. Because Nie Heng was following them, no one stopped them when they passed through the outer gate!

However, many people followed behind as if watching the fun and started talking about it!

“I heard that the third elder’s home was demolished by Kuang Biao. It seems that the third elder’s family is going to take revenge.”

“Revenge is nothing. I didn’t hear that Kuang Biao has broken through to the Fusion Realm. From now on, the name of the great disciple of the Jade Cauldron Sect will probably belong to Kuang Biao. Nie Heng is going to step down.”

“This time there will definitely be a conflict between the second elder’s lineage and the third elder’s lineage, but I heard it’s all because of the new disciple named Chen Ping. Now there’s something exciting to watch.”

Many disciples followed him one after another, wanting to follow and see the excitement!

The group arrived at Kuang Biao’s residence, and Nie Heng whispered to Chen Ping: “Mr. Chen, Kuang Biao should have broken through after taking the Hunyuan Pill. This pill is our Jade Cauldron Sect’s high-grade pill. This kid probably ate it secretly.”

“I’ll take advantage of you to find him now, and I’ll go to the warehouse to check. If this kid really takes Hunyuan Pill secretly, our Jade Cauldron Sect’s sect rules can cure him, and you don’t have to fight with him anymore.”

After Nie Heng finished following Chen Ping, he quietly walked towards the warehouse!

Fang Shu stepped forward, ready to knock on the door and call Kuang Biao out, but Chen Ping said sharply: “Kick the door open...”

Fang Shu was stunned for a moment, but after looking at Chen Ping, Fang Shu nodded and suddenly kicked the door in front of him!

With this kick, the door fell to the ground with a loud noise!

Kuang Biao was enjoying a drink in the room at this time. He originally planned to open the medicine pool to break through to the fusion state, but he didn't expect that before the medicine pool was opened, he got an unexpected harvest!

Now that he has broken through to the Fusion Realm, if the medicine pool is opened and he takes a dip in it, his strength will increase a lot!

In this way, the position of leader of the Jade Cauldron Sect from now on belongs to him!

But just when Kuang Biao was looking forward to the future, a loud noise outside woke him up and he looked outside hurriedly!

At this time, two disciples of the Second Elder's lineage had already hurried to the door to check!

Chapter: 4259

But as soon as they arrived at the door, two disciples of the Second Elder's lineage were slapped to the ground by Chen Ping!

If Kuang Biao can beat the disciples of the Third Elder at will, then Chen Ping won't be polite either!

Seeing his senior brother being beaten, disciples from the Second Elder's lineage all came from all directions. Fang Shu was a little frightened by this scene!

After all, this is the inner sect, and the second elder has many more children than them!

There are only a dozen of them in total. If they fight in a group, they are no match for each other!

But Chen Ping was not afraid, he just glanced coldly at the disciples of the Second Elder's lineage, but ignored them and walked directly in!

When the disciples of the Second Elder's lineage saw this, they all retreated. No one dared to stop them. They were all intimidated by Chen Ping's aura!

"Kuang Biao, get out of here, aren't you looking for me? I'm here..."

Chen Ping shouted angrily!

Kuang Biao had already rushed out of the room at this time, looking at the beaten junior brother, he looked at Chen Ping with cold eyes and said: "Chen Ping, you should have destroyed my gate and injured our inner disciples. You are looking for death." ..."

"I think it's you who is looking for death!" Chen Ping snorted coldly, and the Dragon-Slaying Sword instantly appeared in his hand: "Not only will I destroy your door, I will also destroy your entire mansion..."

After Chen Ping finished speaking, his body suddenly jumped up, and then the Dragon-Slaying Sword in his hand emitted a cold sword light!

"Hmph, even you want to destroy my mansion..."

Kuang Biao snorted coldly and jumped up. In his hand was a jet black ruler with eight emerald green gems inlaid on it!

"Bagan Huangchi, Mr. Chen should be careful..."

Fang Shu saw the weapon Kuang Biao took out and immediately reminded Chen Ping!

Kuang Biao raised his arms for a moment, and black mist suddenly filled the air over the eight-foot wasteland. A gloomy air kept coming out, and the surrounding air was instantly freezing and bone-chilling!

Then Kuang Biao flicked his wrist, and the Eight-Gand Wild Ruler erupted with an extremely condensed black edge, which collided fiercely with Chen Ping's sword light!

Bang.....

There was a loud noise, and Chen Ping instantly blocked Kuang Biao's blow!

Chen Ping himself swayed twice before regaining his balance!

Seeing this scene, Kuang Biao raised his lips slightly and said: "Boy, I have now broken through to the Fusion Realm. You are thinking of defeating me with your powerful body. It is simply impossible, and I will not be fooled!"

Chen Ping looked at Kuang Biao calmly and said coldly: "Even if you advance to the Fusion Realm, if I try to kill you, it will be like trampling an ant to death."

"But I don't want to kill you now. What I want is to destroy your mansion. No one can stop me..."

Chapter: 4260

After Chen Ping finished speaking, the dragon-slaying sword in his hand instantly swung out a sword flower!

"Nine Shadows Sword Technique..."

Following Chen Ping's loud shout, several figures exactly like Chen Ping slowly appeared behind Chen Ping!

Seeing several identical Chen Pings in front of them, many people were dumbfounded!

However, Kuang Biao sneered and said: "It's just a little illusion. Do you just want to defeat me with illusion? It's just a fool's errand..."

After Kuang Biao finished speaking, he flew out and waved out a storm from the Eight-Gand Wasteland Ruler in his hand, heading towards Chen Ping!

Kuang Biao knew that these phantoms created by illusions had no attack power at all. A little breath could blow these phantoms away!

Facing Kuang Biao's attack, Chen Ping was not prepared to fight!

Several figures were facing Kuang Biao, and Chen Ping's body was already above Kuang Biao's head!

boom.....

The storm wielded by Kuang Biao instantly shattered Chen Ping's shadow clones, leaving not a single one behind!

Kuang Biao burst out laughing when he saw this scene: "It's just a small skill, but you dare to show off..."

But just as Kuang Biao finished speaking, he suddenly felt a terrifying aura erupting above his head!

And everyone looked up, with incredible expressions in their eyes!

Kuang Biao also quickly looked up. He was surprised to find that at some point, Chen Ping appeared above him!

Chen Ping was seen holding the Dragon-Slaying Sword in his hand. The sword energy was like a rainbow, and countless sword rays shot out from the Dragon-Slaying Sword. However, these sword rays were not attacking Kuang Biao, but were heading towards Kuang Biao's mansion!

Rumble.....

Under the blows of countless swords, Kuang Biao's mansion began to collapse, countless pillars were cut off, and the smoke and dust rising from the collapse of the house instantly drowned everyone!

"Run....."

I don't know who shouted, and everyone swarmed out and ran out. No one wanted to be crushed under the house!

Chen Ping's sword directly destroyed Kuang Biao's mansion, but Chen Ping didn't seem to be satisfied. Instead, he shouted again, and a golden sword light rose into the sky. With a dragon roar, the golden sword light turned into Got a golden dragon!

The golden dragon roared and instantly destroyed all the houses connected to Kuang Biao's mansion. These were also where the disciples of the Second Elder's lineage lived, so Chen Ping wanted to destroy them all!

As the saying goes, it is disrespectful to come back without reciprocating. Kuang Biao destroyed so many houses of the Third Elder's lineage, and Chen Ping cannot only destroy one of Kuang Biao's mansions!

Everyone looked at the scene in front of them, and they were all speechless, because in their impression, this kind of thing had never happened in the inner sect of Jade Cauldron Sect!
