

The Order 4261

Chapter: 4261

When Fang Shu saw Chen Ping, he was furious and destroyed all the houses of the second elder's lineage. He knew that this matter was not easy to handle!

Fang Shu hurriedly sent someone to call the third elder. The third elder must come forward in this matter!

Chen Ping destroyed so many houses in the inner gate, how could the second elder just give up!

If the second elder comes and wants to deal with Chen Ping, then Chen Ping will definitely not be the opponent of the second elder, so Fang Shu will send someone to call the third elder!

In just a few dozen seconds, not only Kuang Biao's mansion was destroyed, but even the place where other disciples of the Second Elder's lineage lived was reduced to ruins!

The golden dragon also slowly disappeared at the end!

Kuang Biao looked at the mess in front of him and almost lost his temper!

"Chen Ping, I'm going to kill you, I'm going to cut you into pieces..."

Kuang Biao roared, the anger in his body rising.

"Come on..." Chen Ping has already destroyed the other party's mansion, so the next step is to teach Kuang Biao a lesson!

Kuang Biao gritted his teeth. The Eight-Gand Wasteland Ruler in his hand continued to grow in size, and finally became more than one foot long. The eight emerald green gems on it began to shine!

"Stop, are you going to destroy the entire inner door?"

Just when Kuang Biao was about to take action, there was a sudden loud shout, followed by a figure approaching from far away!

Soon, the figure of the second elder slowly appeared. Looking at the mess, the second elder's body exuded endless anger, and his cultivation level of the third level of the Fusion Realm was fully revealed!

"Master, this guy destroyed our mansion and even injured our people."

Kuang Biao pointed at Chen Ping and said!

Snapped!

Just as Kuang Biao finished speaking, he was slapped hard by the second elder!

"You useless thing, can't you stop him?"

"And you still want to take action here? Do you want to destroy all the buildings in the inner gate?"

The second elder scolded Kuang Biao, but Kuang Biao lowered his head and stopped talking!

If he and Chen Ping really start a fight here, not a single building in the inner gate will be spared!

After reprimanding Kuang Biao, the second elder looked at Chen Ping coldly and said: "As a disciple of the Jade Cauldron Sect, you dare to openly beat your fellow disciples in the inner door and destroy the mansion. You have failed to destroy the door of my Jade Cauldron Sect." You take the rules seriously, today I want to punish Third Junior Brother well and let you know the rules of Jade Cauldron Sect!"

"Come here, arrest this Chen Ping and put him in a water prison. No one is allowed to let him out without my order..."

Chapter: 4262

Following the second elder's order, the disciples of the second elder's lineage swarmed forward, preparing to arrest Chen Ping!

When Fang Shu saw it, he quickly led the disciples of the Third Elder's lineage to block Chen Ping behind him!

"Why do you arrest people? Even if there is a punishment, it will be the punishment of the sect master. How can you get the punishment of the second elder of your lineage?"

Fang Shu said loudly!

What Fang Shu said is correct. Rewards and punishments within the sect are all subject to the orders of the sect leader. The second elder is not responsible for this. The second elder is only responsible for the distribution of materials and personnel assessment!

He has no right to punish other disciples of the Jade Cauldron Sect, that's why Fang Shu said this!

But Fang Shu didn't know that his words deeply hurt the heart of the second elder. As the second elder, he had no right to reward and punish the disciples of the Jade Cauldron Sect. If Hu Yixiao was not here, his rights would not be as good as that of the senior disciple Nie Heng. big!

"You, a little disciple, dare to talk to me like this, you deserve to be damned..."

The second elder was stung by Fang Shu's words. He frowned and waved his palm lightly. Fang Shu's body was instantly knocked away!

Fang Shu fell heavily to the ground, his expression was very ferocious, he was obviously seriously injured!

"Catch Chen Ping..."

After slapping Fang Shu away, the second elder ordered loudly!

At this time, Chen Ping's eyes were slightly focused, with murderous intent in his eyes. Just as the disciples of the Second Elder's lineage rushed forward, Chen Ping's body instantly erupted with a terrifying aura!

This aura was like a tornado, instantly sweeping through the disciples of the Second Elder's lineage. More than a dozen disciples of the Second Elder's lineage were directly knocked away, and fell heavily into the ruins one by one. Their life and death were unknown... ..

Seeing that Chen Ping dared to attack his disciples in front of him, the second elder suddenly became furious!

"Good boy, you are going to rebel..."

After the second elder finished speaking, he reached out and grabbed Chen Ping. A huge palm suddenly appeared in the void, and the palm enveloped Chen Ping!

When Chen Ping saw this, he held the Dragon Slaying Sword tightly in his right hand and his eyes became very sharp!

Now Chen Ping has no problem dealing with the second elder, but if the second elder and Kuang Biao join forces, Chen Ping may have some difficulty. After all, the sword spirit Zhongli has not recovered yet, and the Dragon Slayer Sword can only exert half of its strength!

Now that the God King's Bow has been lost, the only trump card in his hand is the Dragon Pattern Bell, but Chen Ping doesn't dare to use the Dragon Pattern Bell casually. After all, he has exposed too much now, and many people are bound to focus on him. !

Just when Chen Ping was thinking about how to break the situation, Nie Heng suddenly appeared!

I saw Nie Heng holding the sect leader's token in his hand and loudly saying to the second elder: "Second Master Uncle, are you loud enough to destroy the entire sect?"

After hearing Nie Heng's words, the second elder took his hand back!

"Nie Heng, this kid beat up his fellow disciples and destroyed the mansion. I want to arrest him. Is there anything wrong with him?"

Chapter: 4263

The second elder looked at Nie Heng and asked!

"Second Senior Uncle, Master is not here. All rewards and punishments in that sect are decided by me. I wonder if Second Senior Uncle is so good at making decisions, does he have the intention to spy on the position of the sect leader?"

Nie Heng asked the second elder!

The second elder did not expect that Nie Heng would dare to speak to him like this, but Nie Heng held the sect master's token in his hand, and it was difficult for him to refute anything in front of so many disciples, so he said: "Okay, then you will give the orders. Hurry up and give the order to arrest Chen Ping..."

"Uncle Second Master, how can I give orders casually before the matter is clarified!"

Nie Heng said!

"Nie Heng, I think you are deliberately favoring this guy. The facts are in front of you. Are you blind?"

Kuang Biao insulted Nie Heng!

"Nie Heng, what is the need to investigate? If you favor Chen Ping and don't arrest him, then I will take action myself. When senior brother comes back, I will tell him personally..."

As the second elder spoke, the aura on his body rose again!

Seeing this, Nie Heng frowned slightly and said quickly: "Uncle Second Master, I just checked the warehouse and found that one Hunyuan Pill is missing. I guess this Hunyuan Pill was eaten by your eldest disciple?"

"Your people are guarding the warehouse. Now that such an important high-level pill is missing, is this considered theft?"

Nie Heng wanted to change the subject and point the finger at the second elder's secret taking of the elixir!

"Yes, I took the Hunyuan Pill. What's all the fuss about? I will naturally explain it to your master when he comes back."

"What we are going to talk about now is about Chen Ping beating his fellow disciples and destroying his mansion. Don't talk to me about anything else."

"Now you immediately order his arrest, or I will do it myself!"

The second elder admitted it generously, which was beyond Nie Heng's expectation!

"Second Master Uncle, it was your eldest apprentice who beat up Third Martial Uncle's disciples first and destroyed their house. If he breaks the rules and is arrested, your eldest apprentice won't be able to escape, right?"

Nie Heng asked!

"No problem, arrest him first!" After the second elder finished speaking, he saw Kuang Biao and said, "Kuang Biao, do you know you are wrong?"

"Master, I understand, I am willing to be punished by the sect rules!" Kuang Biao nodded!

"Can we arrest Chen Ping now?" The second elder looked at Nie Heng and asked!

At this time, Nie Heng was dumbfounded and didn't know what to do. He could only look at Chen Ping helplessly!

All of them knew that Kuang Biao was imprisoned in the water prison and believed that he would be released soon by the second elder. However, if Chen Ping was imprisoned, no one would release him. The third elder did not have the slightest strength in the inner sect. Who would care? Chen Ping!

Chapter: 4264

And Chen Ping himself couldn't possibly let them arrest him. If he was really caught, then Hu Yixiao wouldn't take revenge on him crazily after he came back!

"Second Senior Brother, it's just a fight between children. Why are you really angry? This has been seen by others. Doesn't it mean that Second Senior Brother has a small belly?"

At this time, after receiving the notice, the third elder also rushed over!

I happened to see the second elder trying to arrest Chen Ping, so I spoke out!

"Junior brother, this disciple of yours is a little too crazy. He beat my people and destroyed my mansion. Shouldn't you teach him a lesson?"

The second elder said with a cold expression!

"Second Senior Brother, then your eldest disciple went to my mansion first, beat my people, and destroyed my mansion. Do I want to teach him a lesson?"

"I think these are your eldest disciple's own actions. They weren't assigned by your second senior brother, were they?"

The third elder looked at the second elder calmly and asked!

The second elder opened his mouth, but for a moment he didn't know what to say. After all, they were in the wrong and they were the ones who made the move first!

Seeing this, Kuang Biao on the side said: "Master, since the matter has reached this point, why not let me follow Chen Ping to the ring to fight. Whoever loses will kneel down to apologize and kowtow. This matter is over. ."

"I think it's okay..." The second elder nodded, then looked at the third elder and asked, "Junior brother, what do you think?"

The third elder looked at Chen Ping. He didn't know how to answer. After all, Kuang Biao was currently at the Fusion Realm, which was much higher than Chen Ping's!

Chen Ping smiled coldly and said: "It's okay to compete in the ring, but it's a life-and-death battle. The loser doesn't have to kowtow and apologize, and just save his life. Wouldn't it be better..."

As soon as Chen Ping's words came out, the whole audience was shocked. Everyone looked at Chen Ping in surprise!

Even the third elder looked at it in surprise, with a look of disbelief on his face!

You must know that Chen Ping's current state is not as good as that of Kuang Biao. He is the weaker side, but he did not expect that Chen Ping would take the initiative to propose a life-and-death challenge!

The second elder and Kuang Biao didn't expect Chen Ping to make such a request, and they didn't know what to do for a while!

Seeing that Kuang Biao was silent, Chen Ping continued: "Why, don't you dare? Are you afraid that you will die miserably?"

Chen Ping is deliberately irritating Kuang Biao!

Many people also looked at Kuang Biao. After all, Chen Ping's level was much lower than that of Kuang Biao. It would be really embarrassing if Kuang Biao didn't dare to compare!

"Junior brother, we are all disciples of the Jade Cauldron Sect. It would be bad if someone died, right? If senior brother comes back, I'm afraid he will punish us. I think we should stop here and apologize to whoever loses..."

The second elder said to the third elder!

After all, Chen Ping, a monk at the eighth level of Transformation Realm, dared to offer to compete in a life-and-death competition with a Fusion Realm monk. This made the second elder and Kuang Biao wonder for a moment what kind of medicine Chen Ping was selling in his gourd!

Chapter: 4265

He was afraid that Chen Ping might have some back-up plan. If Chen Ping really took advantage of him and killed his disciple in the ring, the second elder would probably be heartbroken!

"I'm going to fight to the death. If you don't dare to agree, I won't force you. Kneel down and apologize. You can save your life!"

Before the third elder could say anything, Chen Ping refused directly. He insisted on competing in a life-and-death contest!

The second elder was pushed back by Chen Ping, and his face was livid with anger, but now that they were forced to do this by Chen Ping, it was no longer a matter of agreeing, nor was it a matter of not agreeing!

Seeing that the second elder and Kuang Biao still didn't dare to agree to Chen Ping, many Jade Cauldron Sect disciples were already pointing fingers. After all, in their eyes, Kuang Biao was much stronger than Chen Ping, but Chen Ping proposed a life-and-death contest. Kuang Biao hesitated!

Chen Ping saw that Kuang Biao still didn't dare to agree, so he took two steps forward, spread his legs and said, "Kneel down and crawl over. I won't mention the matter of life and death again!"

“Since you don’t have the guts, let’s use the most cowardly method to solve it!”

Seeing the sneer on Chen Ping’s face, Kuang Biao’s anger was completely aroused!

“Okay, I promise you, if we fight to the death, the loser will just leave his life on the stage...”

“I don’t believe you, a piece of rubbish at the eighth level of Transformation Realm, can defeat me...”

Kuang Biao’s eyes narrowed and he said!

“Then let’s go on stage. Don’t waste time. If I can’t defeat you in ten minutes, I’ll give in!”

Chen Ping said with arrogance!

Hearing Chen Ping’s words, everyone once again exclaimed. If Chen Ping dared to follow Kuang Biao in a life-and-death duel, that would have been crazy enough. Now he dared to say that he could defeat Kuang Biao in ten minutes. This is simply crazy. Got it!

No one believes that Chen Ping can defeat Kuang Biao in ten minutes. Whether Chen Ping can defeat Kuang Biao is still unknown. Now he is still bragging about it in ten minutes!

“Hahaha, boy, you are so crazy. Let’s have a fight. I want to see how you can defeat me in ten minutes...”

Kuang Biao was extremely happy when he saw that Chen Ping was actually telling such lies!

Even if Chen Ping had any other means, it would be impossible to defeat him within ten minutes!

At this time, even the second elder relaxed and said with a raised corner of his mouth: “Boy, this is what you said. I will treat your words as a rule. If you can’t defeat Kuang Biao in ten minutes, then you will Kill yourself...”

“Mr. Chen, you...”

Fang Shu and Nie Heng all looked at Chen Ping worriedly!

Although Nie Heng knew Chen Ping’s true strength, it was somewhat impossible to defeat Kuang Biao in ten minutes!

Chen Ping waved his hand and said: “Don’t worry, it won’t take ten minutes to deal with this kind of garbage...”

Everyone began to move towards the arena. Soon, the story of Chen Ping and Nie Heng’s life-and-death battle spread throughout the Jade Cauldron Sect, and the outer disciples also came to watch!

Chapter: 4266

Because the arena is built at the junction of the inner and outer doors, it is also to better allow the outer disciples to learn more from the competition!

When they came to the arena, the third elder and the second elder all sat on the high platform on one side of the arena, so that they could see the situation on the arena more clearly!

Neither the third elder nor the second elder said anything, but everyone was thinking about Xiao Jiujiu!

The third elder has already thought about it. If Chen Ping is really defeated, he cannot let Chen Ping die tragically in the hands of Kuang Biao. He will take action to save Chen Ping!

After all, Liu Ruyan is not awake yet, and Chen Ping will need to treat Liu Ruyan later!

Even without Liu Ruyan, the third elder would not have refused to save him. His life was saved by Chen Ping!

The second elder was also thinking in his heart at this moment. If Kuang Biao accidentally lost, he would not let Chen Ping really kill Kuang Biao.

“Master, do you think Mr. Chen will be Kuang Biao’s opponent? I always feel it’s too mysterious...”

Fang Shu asked worriedly!

“I don’t know either...” The third elder shook his head. He didn’t know much about Chen Ping’s strength!

“I feel okay!”

At this time, Nie Heng spoke. He was the only one here who had seen Chen Ping’s strength with his own eyes!

Looking at Chen Ping’s confident look now, Nie Heng felt that Chen Ping should be completely sure!

Seeing that Nie Heng actually believed that Chen Ping could win, the second elder couldn’t help but glance at Nie Heng and said angrily: “Nie Heng, when did you become a dog in front of your third master uncle?”

Nie Heng said nothing. After all, the second elder was his uncle. Even if what he said was unpleasant, he did not dare to refute it!

At this moment, Chen Ping and Kuang Biao were facing each other on the ring!

The arena was surrounded by disciples of the Jade Cauldron Sect. Everyone was very excited, especially the outer disciples. They had not seen such a high-level competition for a long time!

“I heard that Senior Brother Kuang Biao has broken through the Transformation Realm and reached the Fusion Realm. Who is this guy competing with him? He looks great!”

“This is the newly recruited disciple of the third elder. It seems that he has never been beaten. He just came to Jade Cauldron Sect and he dares to compete with senior brother Kuang Biao.”

“This guy is not weak either. He beat up the disciples of the second elder and destroyed the mansion. He is so crazy...”

Everyone was talking quietly!

No one thinks that Chen Ping can beat Kuang Biao, after all, the strength gap between the two is too big!

A huge gap in realm cannot be bridged by relying on skills and weapons!

“You are really courageous. I’m going to see it today. You’re only at the eighth level of Transformation Realm. How can you have the courage to compete with me in the Fusion Realm to the death?”

Chapter: 4267

Kuang Biao looked at Chen Ping coldly and said!

“What do I rely on? You will know it soon. Stop talking nonsense and take action...”

Chen Ping sneered and said!

“I make the first move? In front of so many people, if I make the first move, doesn’t it mean that I bully you and I let you make the first move!”

If Kuang Biao makes the first move at this time, he’s afraid he will be laughed at!

“If I make a move, you won’t have a chance. I’m giving you a chance...”

Chen Ping’s face was calm, and he couldn’t tell that this was a life-and-death contest!

Kuang Biao was not talking, but took out his Bagan Desolate Ruler, which was filled with countless black mist!

“Ten minutes, you only have ten minutes, let me see how you can defeat me in ten minutes...”

As Kuang Biao spoke, the Eight-Gand Wasteland Ruler in his hand kept shaking, and countless afterimages were flying in the sky, heading straight for Chen Ping!

Chen Ping stretched out his hand, and the Dragon-Slaying Sword appeared in his hand. With a flick of his wrist, streaks of sword light shot up into the sky, and the two breaths collided instantly!

Boom boom boom.....

Deafening explosions kept ringing in the ring!

Kuang Biao kept waving the Eight-Gand Wild Ruler in his hand, and the entire arena was shrouded in black mist. Many people could no longer see what was going on in the arena!

Only on the high platform on one side of the arena, the second elder and the third elder could still see Chen Ping and Kuang Biao taking action.

Chen Ping's body was shuttled through the black mist. The dragon-slaying sword in his hand did not swing once. He relied solely on his body skills to avoid Kuang Biao's attack!

In the blink of an eye, Kuang Biao had already attacked hundreds of times, but unfortunately he failed to hit Chen Ping even once!

On the contrary, Kuang Biao himself was so tired that he was out of breath!

Kuang Biao frowned. He didn't expect Chen Ping to be so flexible in addition to being physically strong!

“If you give up now, I can still spare your life, just get under my crotch...”

“But when I’m not interested in playing anymore and you’re trying to survive, it’s impossible!”

Chen Ping looked at Kuang Biao and sneered!

“Boy, don’t be so arrogant...”

Kuang Biao was so angry that he attacked Chen Ping again with the Eight-Gand Wild Ruler in his hand!

Chapter: 4268

However, Chen Ping easily dodged Kuang Biao’s attack!

“Mr. Chen is really capable. Kuang Biao can’t even touch the corner of Mr. Chen’s clothes...”

Fang Shu said in shock when he saw the scene on the ring!

“Well, it seems we really underestimated him.”

The third elder also nodded!

“Huh, isn’t it just relying on his agility? He said that he could defeat Kuang Biao in ten minutes. If he hides like this, he won’t be able to defeat Kuang Biao in an hour, let alone ten minutes.”

“When ten minutes are up, I will ask the third junior brother to stand up and announce the results...”

The second elder snorted coldly from the side!

After hearing what the second elder said, Fang Shu and the third elder both stopped talking, because the second elder was right!

Chen Ping's movements are flexible, but hiding like this is the most disadvantageous to Chen Ping. After all, Chen Ping boasted that it would take ten minutes to resolve the battle in Haikou!

If you keep going like this, you'll be there in ten minutes!

"It seems that you gave up the chance of survival, so don't blame me for being rude..."

After Chen Ping said this, he finally stopped dodging and swung the Dragon-Slaying Sword in his hand instantly!

The two people kept colliding and intersecting on the ring, and the entire void was shaking.

Kuang Biao frowned, and the gem on the Eight-Gand Wasteland Ruler in his hand instantly lit up, and then a black python slowly rose from the Eight-Gand Wasteland Ruler!

The python opened its bloody mouth, exposed its fangs, and headed towards Chen Ping!

The third elder, Fang Shu and others who saw this scene were all slightly shocked!

After all, Kuang Biao's Eight-Gand Wasteland Ruler can be regarded as a magical weapon, and the eight emeralds on it are sealed with eight extremely ferocious monsters!

When every gem lights up, a ferocious monster will appear. When eight gems light up at the same time, no one knows what kind of monster will appear!

Because no one dared to light up eight gems at the same time, when he was at Kuang Biao's mansion, Kuang Biao was angered by Chen Ping's act of demolishing the house and instantly lit up eight gems!

Fortunately, the second elder appeared and gave Kuang Biao a slap to stop this scene. Otherwise, the monster would have appeared and the entire Jade Cauldron Sect would have been destroyed!

“Hahaha, with just this Eight-Gand Wasteland Ruler, Chen Ping can’t solve it in ten minutes. It’s simply wishful thinking to think of defeating Kuang Biao in ten minutes.”

The second elder laughed and said!

The third elder and the others became extremely nervous, staring closely at the ring, wanting to see how Chen Ping would respond!

Chapter: 4269

When Chen Ping saw a python emerging from the Bagan Desolate Ruler, he couldn’t help but sneer at the corner of his mouth!

You must know that he is the true form of the golden dragon, and there is a breath of dragon crystal and fire phoenix in his body!

Chen Ping is not afraid of these monsters at all!

I saw the aura in Chen Ping’s body burst out instantly, and behind Chen Ping, a golden dragon slowly circled up!

A dragon roar resounded throughout the world...

The python that was rushing toward Chen Ping was stunned for an instant when it suddenly saw the golden dragon appearing, and then its eyes were full of panic!

Then he turned around and ran back. In the blink of an eye, the python disappeared, and the illuminated gem on the eight-foot wasteland was extinguished in an instant!

Kuang Biao was stunned. This sudden change made him stunned on the spot!

He didn't even understand what was going on. The python that attacked actually ran back!

At this time, even the three elders in the stands were surprised!

"A golden dragon appears behind Mr. Chen. Isn't that a real dragon?"

Fang Shu said with shock on his face!

The third elder did not speak, but looked at Chen Ping in shock!

"Kuang Biao, what are you doing? That's just a golden dragon that appeared in an illusion. Are you scared?"

When the second elder saw Kuang Biao frozen on the spot and motionless, he immediately shouted anxiously!

You must know the rules of the competition. People outside the ring cannot remind people inside the ring, let alone help!

But the second elder blatantly violated the rules!

Following the shouts of the second elder, Kuang Biao woke up from the shock, but before he could react, he saw a flash of white light!

Snapped!

Kuang Biao felt his face burning, and then half of his face swelled!

It turned out that Chen Ping had just slapped Kuang Biao hard on the face with the dragon-slaying sword in his hand!

If Chen Ping had not slapped Kuang Biao on the cheek with a sword, but had sealed his throat with a sword, then Kuang Biao might have been separated from his body by now!

This proves that Chen Ping has been merciful. If Kuang Biao stops and admits defeat at this time, Chen Ping will not pursue him again!

But Kuang Biao was slapped so hard in the mouth by Chen Ping with his sword that his face was swollen. How could he stop and admit defeat?

Chapter: 4270

In front of so many people, my face is completely humiliated!

Even the second elder lost all face and shouted angrily: "Kuang Biao, what's going on with you? You're just a piece of trash..."

Kuang Biao became even more angry after being scolded by his master, and three emerald green gems flashed in the Bagan Desolate Ruler in his hand!

Soon, waves of black mist rose. Encircled by this black mist, three monster beasts of different shapes appeared on the ring!

The three monster beasts roared, each one baring its teeth and claws, covered in bloody air!

It seemed that these monster beasts had been suppressed within eight thousand feet for a long time and had not been released for a long time. When the three monster beasts were released and saw Chen Ping, their eyes glowed with a faint green light!

"Chen Ping, I want to tear you apart completely..."

"Bite him to death, bite him to death for me..."

Kuang Biao gritted his teeth and roared angrily!

Kuang Biao commanded the three monsters and rushed towards Chen Ping fiercely!

Facing the three ferocious monsters, Chen Ping raised the corner of his mouth slightly, and his whole body exuded a faint golden light. The aura of dragon and phoenix power spread in all directions in this light!

The entire arena was enveloped by this aura, and the three monster beasts, which were originally extremely ferocious and showed their teeth and claws, stood stunned for an instant after being enveloped by this aura, and then their eyes were full of fear!

“Get down...”

Chen Ping shouted loudly at the three monsters!

When the three monster beasts heard this, they were so frightened that they trembled and immediately fell to the ground. You must know that Chen Ping exuded the aura of a divine beast. How could these monster beasts not be afraid!

Seeing that Chen Ping could easily command three monsters, Kuang Biao was dumbfounded again. His mouth opened wide, enough to stuff an egg!

And everyone around them also opened their eyes wide and looked at it in disbelief!

The monster that was so fierce just now, at this moment, became extremely docile and obeyed Chen Pingyan. This is simply incredible!

Even the second elder and the third elder on the high platform were confused, not knowing what was going on!

You must know that the demonic beasts imprisoned in the Baqianhuangchi are all powerful and extremely ferocious. Only this kind of monsters are qualified to be imprisoned in the Baqianhuangzhi,

and the reason why the Baqianhuangzhi can be called The magic weapon is also because of the monsters imprisoned inside!

But now, these extremely ferocious monsters all changed when facing Chen Ping, which left everyone confused!

“Go, bite that idiot...”

Chen Ping kept talking to Kuang Biao and said to the three monsters!

The three monster beasts nodded, then turned around, showed fierce expressions again, and rushed towards Kuang Biao!
