

## **The Order 4271**

Chapter: 4271

Kuang Biao was still standing there in a state of confusion. It wasn't until the monster arrived and the unpleasant bloody smell from the monster's mouth hit his face that Kuang Biao realized it!

“receive.....”

Kuang Biao hurriedly waved the Bagan Huangzhi, and with the flash of gems, the three monsters were taken back again!

Kuang Biao's forehead was covered with cold sweat at this time. He was almost killed in the monster's mouth!

But just after I wiped my sweat, a ray of light flashed!

Snapped!

Kuang Biao's face was struck again by Chen Ping with his sword. At this time, Kuang Biao's entire face had turned into a pig's head!

“ah.....”

Kuang Biao roared angrily, waving the eight-foot barren foot to attack!

Bang bang bang.....

But before Kuang Biao could make a move, the long sword in Chen Ping's hand struck again and slapped Kuang Biao's face!

Everyone present was stunned!

I originally thought that this would be a fight without any suspense. After all, Chen Ping was much lower than Kuang Biao, and Kuang Biao still had eight thousand barren feet in his hand. However, no one expected that it would be such a result. Chen Ping was completely crushed on stage!

Soon, Kuang Biao's face was turned into a bloody mess and his appearance was disfigured!

When the second elder saw this scene, his expression went to the extreme, as if he had eaten shit!

"Master, I really didn't expect Mr. Chen to be so powerful. I was worried at first..."

Seeing Chen Ping crushing Kuang Biao, Fang Shu said excitedly!

"I didn't expect Mr. Chen to be so powerful..."

The third elder was also very surprised!

Only Nie Heng didn't say anything. After all, he had fought with Chen Ping and almost got the shit out of him!

"Do you admit defeat? Kneel down and admit defeat now, and you can still save your life..."

Chen Ping said to Kuang Biao!

"I will never admit defeat..."

Kuang Biao was completely angered by Chen Ping at this time!

Chapter: 4272

A domineering aura emanated from Kuang Biao's body, and rays of light seemed to fall from the sky and fall on Kuang Biao!

"I want you to die, I want you to never be human again..."

Kuang Biao roared angrily, staring at Chen Ping with his eyes filled with endless killing intent!

I saw the eight emerald green gems in Kuang Biao's hand lighting up together under the rays of light!

Everyone was shocked when they saw this scene!

After all, they all know what it means when these eight gems light up at the same time!

"Kuang Biao, don't mess around. Hurry up and put down the Eight-Gand Wasteland Ruler..."

The second elder suddenly panicked when he saw that Kuang Biao was about to summon the ultimate monster!

After all, no one has ever seen this ultimate monster, nor has it seen its strength. If it loses control by then, their entire Jade Cauldron Sect may be gone!

But how can Kuang Biao listen at this moment? He has already been blinded by anger. He must kill Chen Ping!

I saw Kuang Biao's hair waving continuously, and a huge black vortex appeared above the ring!

Countless black mist was swallowed up by the whirlpool!

The whole world seemed to be torn apart, and with a roar, a figure slowly appeared in the black vortex.

I saw a monster that was several feet tall, with golden horns on its head, and looked more like a horse than a horse, slowly falling onto the ring!

The appearance of this monster immediately caused the surrounding air to become stagnant and condensed!

Immediately afterwards, the monster roared again, and along with the roar, ripples appeared in the air. Wherever the ripples passed, everyone clutched their hearts tightly, as if their bodies had been hit hard!

“Hahaha, this...this is the ultimate monster within eight thousand feet. It is too powerful...”

Kuang Biao looked at the unknown monster in front of him and burst into laughter!

Others watched with excitement and nervousness. It was their first time to see this kind of monster!

On the stands, the second elder and the third elder looked at the monsters on the stage with extremely solemn expressions!

Although the two people are opposed to each other, none of them wants the Jade Cauldron Sect to be destroyed, and the aura of the monster that appears in front of them is too powerful. If this monster gets out of control, they don't know if they can resist it!

The second elder couldn't help but sigh when he looked at Kuang Biao who seemed to be going crazy!

At this time, Chen Ping was holding the dragon-slaying sword in his hand, looking at the monster in front of him, his brows were slightly furrowed!

The aura exuded by this monster is too powerful, far more powerful than several elders of the Jade Cauldron Sect...

Chapter: 4273

Looking at the expression on Chen Ping's face, Kuang Biao smiled. He knew that Chen Ping was scared.

“Chen Ping, it is absolutely impossible for you to leave this arena today...”

After Kuang Biao finished speaking, he turned his palm and a formation astrolabe appeared in his hand. Kuang Biao crushed the formation astrolabe without hesitation!

boom.....

Threads of black mist spread out from the pinched formation star chart, instantly covering the arena!

Immediately afterwards, pillars of light flashed around the arena, surrounding the entire arena!

Seeing this, the third elder suddenly stood up from the high platform, frowning and said: “The killing array?”

The third elder originally wanted to rescue Chen Ping when he was in danger, but he didn’t expect that Kuang Biao had such a method and set up a killing array around the ring. Now when the third elder wanted to take action, Chen Ping Difficult!

Everyone around was also shocked. You must know that such a formation astrolabe is extremely valuable. I didn’t expect that Kuang Biao was willing to use it!

At this time, countless killing intents filled the area around the arena. Anyone who approached would immediately launch an attack. Very few people could forcefully break through this killing formation!

“Master, is Mr. Chen in danger now? I didn’t expect that Kuang Biao actually had an astrolabe in his hand. I don’t know where he got it from.”

Fang Shu said with worry!

The third elder looked at the second elder. The only one who could find such a formation astrolabe was the second elder. After all, the second elder controlled the distribution of various resources of the Jade Cauldron Sect!

He can take advantage of his position and use the resources of the Jade Cauldron Sect in exchange for the formation astrolabe!

“Junior brother, don’t look at me. I don’t know what this formation astral chart is about. Then Kuang Biao has been sent out for many years. How can I know what he is doing outside!”

The second elder saw what the third elder meant and hurriedly explained!

“There is a killing array outside and the ultimate monster inside. I’m afraid it will be difficult for Mr. Chen to deal with it this time...”

Nie Heng, who had been silent all this time, frowned tightly!

Chen Ping still holds his life soul in his hand. If Chen Ping dies, he will be doomed, so he can’t let Chen Ping die, but in this situation, he can’t save Chen Ping!

With his strength, if he approached the killing array, he would probably be strangled in it!

“With the killing array here, don’t think about anyone being able to save you. Just accept the judgment of death today...”

Kuang Biao’s body slowly began to float, and he said with a grin on his face!

There was a killing array outside and the ultimate monster inside, so he didn’t believe that Chen Ping was still alive!

Chen Ping glanced at the killing array around him. This formation was simply vulnerable to him. What Chen Ping was most worried about now was the monster in front of him!

Chapter: 4274

In this small arena, Chen Ping had no chance of winning if he fought with such a monster. Chen Ping had to rely on his own flexibility to move!

If Chen Ping is really no match for that monster in the end, he will not really die here!

“Is this small killing array worth showing off like this?”

Chen Ping snorted coldly, pinched his fingers continuously, and then shot out several white lights from his fingertips!

Several rays of white light hit the formation’s formation eyes!

Bang bang bang.....

Following a few slight sounds, the surrounding killing array began to shake violently.

Chen Ping waved his hand gently, a breeze blew by, and the formation disappeared without a trace in an instant!

At this time, everyone was confused!

Kuang Biao was full of pride just now, but now his pupils shrank and his face was full of disbelief!

Not only was he in disbelief, but even the second elder and third elder in the stands were shocked!

Chen Ping shocked them again and again!

In fact, this Immortal Killing Formation is not a particularly advanced formation, but because the people in the Jade Cauldron Sect are all pharmacists, they know nothing about formations!

In their opinion, breaking the formation is just a matter of brute force. If there is a true magic master, he needs to find the eye of the formation to break it, that would be much easier!

So when they saw Chen Ping easily break the killing formation, they were all stunned!

They don't know that Chen Ping is not only powerful and superb in medical skills, but he is also a master of magic and an all-round talent!

"Master, this...is there anything else that Mr. Chen can't do?"

Fang Shu's eyes widened and he was impressed by Chen Ping again!

The third elder didn't say anything. He couldn't figure out how much Chen Ping knew!

At this time, Kuang Biao was at his wits end in the ring. All he could rely on now was the ultimate monster in front of him!

"Kill him, kill him immediately....."

Kuang Biao roared and commanded the monster to attack Chen Ping!

I saw the monster roaring, and the golden horn above its head burst out with a golden light!

The golden light was like a shooting star, shooting out towards Chen Ping!

Chapter: 4275

When Chen Ping saw this, he waved the Dragon-Slaying Sword in front of him, and a barrier instantly appeared, and the indestructible golden body on his body also burst out with brilliant light!

Chen Ping raised all his powers to the extreme, and the power of the three clans was fully exerted by Chen Ping!

boom.....

The golden light hit Chen Ping hard, bursting out with a light that was more dazzling than the sun!

Everyone had to close their eyes and exude aura to resist the aftermath of the attack!

Slowly, the light disappeared, and the entire arena had already fallen apart!

Kuang Biao was suspended in mid-air, stepping lightly on the monster that looked like a horse but not a horse!

But in front of him, Chen Ping was no longer around!

“Hahaha...hahaha...”

“You are too young to fight with me...”

Kuang Biao laughed crazily. The blow just now might have wiped Chen Ping to ashes!

Everyone else stared blankly. At this time, only Kuang Biao was in the sky above the ring, and Chen Ping had long since disappeared!

“It’s broken. Is Mr. Chen afraid that something unexpected happened?”

Fang Shu frowned, very worried!

The third elder also looked extremely ugly. He still expected Chen Ping to cure Liu Ruyan. If Chen Ping died, Liu Ruyan would never wake up!

Moreover, Chen Ping was his savior, so he was beaten to death in front of him. The third elder blamed himself very much!

But in the situation just now, even if he took action, he would probably be suppressed by that aura before he could get close!

“Junior brother, it’s over, don’t have any more expectations. I really didn’t expect that the power of the Eight-Gand Wasteland Chi can be so huge, and the ultimate monster summoned can easily crush us!”

The second elder said with a proud face!

The third elder did not move. He did not believe that Chen Ping would die so easily, but now even Chen Ping’s figure could not be seen. If it wasn’t ashes, what was it?

“Mr. Chen is not dead...”

At this time, Nie Heng slowly spoke!

He knew that Chen Ping was not dead, because his soul was in Chen Ping’s hands. If Chen Ping was dead, he should be a corpse now. But now that he is fine, that proves that Chen Ping is not dead!

“Not dead? Then where is he?”

Chapter: 4276

The third elder asked quickly!

But at this moment, someone suddenly shouted: “Look, what is that?”

Everyone looked around hurriedly and saw a golden meteor speeding towards them as if from the horizon, at an extremely fast speed!

But when the golden light came closer, everyone realized that it was actually a person.

“Mr. Chen, that’s Mr. Chen.....”

Fang Shu shouted excitedly!

I saw Chen Ping, dressed in golden armor, suspended in mid-air, but his face was a little ugly, and there was blood on the corner of his mouth. He was obviously injured!

But after the terrifying blow just now, Chen Ping was still alive, which shocked everyone!

For a moment, everyone was silent...

Countless people were so shocked that they opened their mouths. You must know that even the third elder and the second elder may not be able to withstand the blow just now, but Chen Ping, a monk in the realm of transformation, was able to withstand it!

Kuang Biao looked at Chen Ping in front of him. His original pride disappeared instantly and was replaced by surprise!

He couldn’t believe that Chen Ping was not dead. Not only was he not dead, he didn’t seem to be seriously injured!

“You...you didn’t turn into ashes?”

Kuang Biao asked in shock!

“A little monster wants me to be wiped out in ashes? What a joke!”

Chen Ping raised the corner of his mouth, showing great disdain!

“Hmph, you don’t have to pretend, you’re already injured now, I don’t believe you can still bear it if I give you a blow...”

Kuang Biao said, about to let the ultimate monster hit Chen Ping!

I believe he will not be able to withstand this blow!

Chen Ping put away the dragon-slaying sword and even the indestructible golden body. Facing the attack of the ultimate monster, Chen Ping knew that there was no way these things could withstand it!

At this time, Chen Ping slowly closed his eyes, and the dragon crystal on his chest began to flash!

“Kill him for me...”

Kuang Biao commanded the monster and rushed towards Chen Ping in an instant!

When the third elder saw this, his expression suddenly changed. He also knew that Chen Ping was injured and would definitely not be able to withstand the blow, so he stood up suddenly and rushed to the stage to save Chen Ping!

Chapter: 4277

The second elder seemed to have been wary of something. When the third elder moved, the second elder suddenly stretched out his hand and grabbed the second elder’s wrist!

“Junior brother, what are you doing here? Why don’t you watch the show here?”

The second elder asked the third elder!

“The winner has been decided, so I don’t think we need to kill them all, right? I hope we can stop!”

The third elder said!

“Stop?” The second elder raised the corner of his mouth: “How could you stop? You proposed the life-and-death contest. If you want to go back on your word now, it’s too late...”

“Senior brother, we are from the same sect, do we need to fight to the death? I hope...”

“Stop fucking talking nonsense and sit tight for me. If you dare to take action, don’t blame me for being rude.”

The second elder didn’t wait for the third elder to finish speaking, and said with a cold expression!

The third elder looked at the sky above the ring. Chen Ping was motionless and not even defensive. Knowing that Chen Ping had completely given up resistance, he said anxiously: “Brother, if that’s the case, then I won’t be polite...”

In order to save Chen Ping, the third elder had no choice but to take action!

The third elder slapped the second elder with his palm, hoping to force the second elder back.

But the second elder didn’t show any weakness and slapped it out with one palm!

“You are so brave. You dare to attack your senior brother for a little boy. When your senior brother comes back, I will report the truth and punish you...”

The palms of the second elder and the third elder collided fiercely!

The third elder’s body flew backwards instantly. It was obvious that his strength was inferior to that of the second elder!

After all, the second elder is in charge of the materials of the Jade Cauldron Sect. As the saying goes, the first to get the moon is those who are near the water and the tower. His cultivation resources are not comparable to those of the third elder!

So it's normal to have some differences in strength!

The third elder was forced back by a palm and could only look at Chen Ping helplessly. He could not save Chen Ping!

But at this time, Chen Ping didn't seem to be afraid. Looking at the monster charging towards him, the dragon crystal on Chen Ping's chest kept flashing cyan light!

Soon, a green dragon about ten feet long swam out of the green light. The green dragon's eyes were like torches and it roared!

Everyone looked at the Qinglong in front of them and took a deep breath!

If the golden dragon that Chen Ping began to transform seemed mighty and intimidating, but in the eyes of everyone, it felt illusory after all!

But this green dragon is different. This green dragon is like the substance. Both its beard and scales are so clear!

Chapter: 4278

This is a real dragon, not an illusion!

The green dragon hovered above Chen Ping's head, roaring and bursting out with bursts of sound waves, causing Kuang Biao and the monster to freeze!

Looking at the green dragon in front of him, the ultimate monster stopped for a moment, and a complicated expression flashed in his eyes!

“Kill me...Kill me...”

Kuang Biao saw that the monster was hesitant, so he urged loudly!

Under Kuang Biao’s urging, the monster roared and charged forward without fear!

Upon seeing this, Qinglong suddenly spit out a stream of faint blue flames from his mouth, and instantly the monster was surrounded by flames!

The monster beast was surrounded by flames and roared. The golden horn above its head emitted endless light. When the light shone on the flame, it instantly extinguished the flame!

Seeing this scene, Kuang Biao’s face was filled with pride again!

Chen Ping frowned slightly. He didn’t expect this monster to be so powerful!

Seeing that the monster had arrived in front of Chen Ping, Qinglong roared, dragging Chen Ping into the sky and dodging the blow!

“If you want to run away, it’s not that easy. Chase me...”

Kuang Biao commanded the monster and chased Chen Ping instantly!

The golden horn of the monster beast kept emitting rays of light, and the light hit the green dragon, causing the green dragon to keep screaming shrilly, but even so, the green dragon still dragged Chen Ping straight into the sky!

Chen Ping frowned. He knew that if this continued, he would be killed by the monster sooner or later.

Chen Ping had no choice but to take out the Dragon Pattern Bell from the storage ring, although he didn't want to expose all his strength and magic weapon so quickly!

But now the situation is critical and there is nothing we can do!

"This time, it's impossible for Chen Ping to escape. I didn't expect this kid to be able to summon a real dragon, but the real dragon he summoned was too bad..."

The second elder raised his lips and said proudly!

The third elder ignored him, but looked up nervously. At this moment, Chen Ping and the others had already disappeared!

Just when everyone didn't know what was going on, suddenly a black shadow fell from the sky!

Soon, the black shadow grew bigger and bigger, and in the end, something as big as a ring hit him hard!

boom.....

The black shadow instantly hit the ground, and a violent earthquake erupted. Many houses in the Jade Cauldron Sect were knocked down!

Chapter: 4279

Many people were also thrown out, and the black shadow was embedded deeply into the ground!

Only then did everyone see clearly that the black shadow turned out to be a huge bell, and nine lifelike dragons were carved on the bell!

Everyone was very surprised as to why such a big bell suddenly fell from the sky.

But at this moment, there was a sound in the Dragon Mark Bell, and the roars of monster beasts came from the Dragon Mark Bell!

Only then did everyone realize that the monster was trapped inside!

Seeing this, Kuang Biao hurriedly stepped forward with the Eight-Gand Wasteland Ruler in hand, and smashed the dragon-patterned bell in front of him. He wanted to break the dragon-patterned bell and release the monster!

But just when Kuang Biao hit the dragon-marked bell, he was suddenly knocked away by a huge backlash!

The monsters are rampaging inside the Dragon Marked Bell, but there is no way to get out of the Dragon Marked Bell!

At this time, Chen Ping slowly descended from the sky with a bell in his hand, and the green dragon had long since disappeared!

“Little beast, today I will let you taste the power of grandpa...”

Chen Ping’s face was filled with anger. He was so angry at this monster!

I saw Chen Ping holding a bell hammer, and then struck the dragon pattern bell hard!

Buzz.....

A melodious voice came out, and everyone hurriedly covered their ears. Some low-level disciples all looked painful and covered their hearts!

Many people couldn’t stand this sound, but Chen Ping didn’t stop and struck again with the hammer!

After knocking seven times in a row, there was no more movement in the Dragon Pattern Bell!

Some of the Jade Cauldron Sect disciples with lower strength had already vomited blood and passed out!

Chen Ping saw that there was no movement in the Dragon Pattern Bell, and with a casual move, the Dragon Pattern Bell instantly shrank in size and entered the storage ring!

At this time, the beast, which looked like a horse but not a horse, was lying on the ground dying, and the golden horn on its head had lost its luster!

Moreover, on the monster's body, the green dragon was clutching the monster tightly, and it was already vomiting blood and was dying!

The reason why Chen Ping was able to use the Dragon Pattern Bell to cover the monster beast was all because Qinglong desperately grabbed the monster beast. This was a life-and-death fight!

Otherwise, with the strength of the monster, it would be difficult for Chen Ping to cover the monster within the dragon pattern bell!

Looking at the dying Qinglong, Chen Ping stepped forward and gently stroked Qinglong's head, and on his chest, the dragon crystal radiated light again!

The green light shrouded Qinglong's body. The dying Qinglong seemed to be alive in an instant. After getting up, Qinglong let out a roar and then flew into the sky...

Chapter: 4280

Qinglong left, and Chen Ping held the dragon-slaying sword and looked at the monster coldly!

At this time, the monster beast has long lost its fierce aura just now, and its eyes are full of fear and pleading!

He seemed to be begging Chen Ping to let him go!

Chen Ping's hand holding the sword did not stab him, but turned around suddenly, and a sword light went straight towards Kuang Biao!

Kuang Biao was caught off guard, and the sword light instantly cut a deep wound on his chest. He fell from mid-air to the ground!

The Eight-Gand Wild Ruler in Kuang Biao's hand fell to Chen Ping!

Chen Ping bent down and picked up the eight dry rulers!

"Give it back to me, give it back to me, that's my magic weapon..."

When Kuang Biao saw this, he wanted to step forward to snatch it, but found that he couldn't get up at all!

Chen Ping held the Bagan Desolate Ruler, and his consciousness instantly covered it. Then the eight gems began to light up. The seriously injured monster was shrouded in a black mist, and then slowly disappeared, returning to the Bagan Desolate Ruler. middle!

"This is a good thing. Maybe it can be used by Yu Qi..."

Chen Ping directly threw the Bagan Huangchi into the storage ring!

When Kuang Biao saw Chen Ping taking away his weapon, he screamed angrily, but there was nothing he could do!

Chen Ping looked at Kuang Biao, stepped forward and stepped on Kuang Biao's head!

"I said you were no match for me, but you didn't believe it. Now you believe me?"

Chen Ping looked down at Kuang Biao, his eyes full of ridicule!

“I don’t believe it, I don’t believe it...”

Kuang Biao struggled, but even now, Kuang Biao still refused to admit defeat!

But no matter how hard Kuang Biao struggled, his head was always stepped on by Chen Ping, making him extremely embarrassed!

“Whether you believe it or not, you have already lost, and now it’s time to send you to hell!”

Chen Ping’s dragon-slaying sword was pressed against Kuang Biao’s neck!

Feeling the coldness coming from his neck, Kuang Biao was finally scared at this moment!

“Don’t, don’t kill me. I admit defeat. If I admit defeat, I can crawl past you...”

Kuang Biao felt the breath of death and his whole body began to tremble!
