

## The Order 4281

Chapter: 4281

He has a great future and he doesn't want to die...

At this time, Kuang Biao felt a little regretful. He regretted why he wanted to provoke Chen Ping. He waited for the medicine pool to be opened. After his strength improved, he went outside again. What was Chen Ping like in the Jade Cauldron Sect, and what relationship did he have with him? what relationship?

Now Kuang Biao has figured it out, what does it mean to be a senior brother or not, as long as he lives!

"Admit defeat?" Chen Ping smiled coldly: "I gave you a chance, but it's a pity that you didn't cherish it!"

As Chen Ping said this, he slashed at Kuang Biao's head with the dragon-slaying sword in his hand!

"Stop, stop..."

When the second elder saw this, he immediately roared and rushed towards Chen Ping!

The second elder, who was full of pride just now, now looks extremely ugly!

"Senior brother, what are you doing? They are a life-and-death contest. As long as the person doesn't die, it's not over. If you rush forward like this, wouldn't you be breaking the rules of the Jade Cauldron Sect..."

The third elder took action instantly and stopped the second elder!

"Get out of my way..."

The second elder roared and swung his palm towards the second elder!

He doesn't care what the rules are, he can never watch his disciple die in Chen Ping's hands!

The third elder also struck hard and followed the second elder with a palm strike!

"Master, save me, save me....."

Kuang Biao yelled. He could feel the murderous intention in Chen Ping. Chen Ping wanted to kill him, not just for fun!

The second elder was so anxious when he saw Kuang Biao like that that he kicked his feet suddenly and his body instantly rose into the air!

Facing the second elder who rushed over, Chen Ping smiled faintly at him, and then swung down the Dragon-Slaying Sword!

puff.....

With a burst of blood, Kuang Biao's head instantly flew up and fell directly into the hands of the second elder!

Looking at the head in his hand, the second elder stood stunned on the spot for an instant!

"Disciple, disciple..."

The second elder roared with anger!

"Chen Ping, I want to kill you, I want to kill you....."

Chapter: 4282

A terrifying aura erupted from the second elder's body, and then he slapped Chen Ping with a palm!

"Uncle Second Master, this is a competition. Are you going to blatantly violate the rules?"

Upon seeing this, Nie Heng hurried forward and stopped in front of the second elder!

"Get out of here, or I'll kill you too..."

The second elder waved his hand, and a huge aura instantly knocked Nie Heng away!

When everyone saw that the second elder was red-eyed, they all ran away from him. After all, he had even taken action against Nie Heng!

"Senior brother, you have to think clearly. In the absence of senior brother, Nie Heng is the acting master of the sect. How dare you attack him?"

"It seems that you have been spying on the sect leader's position for a long time, and you want to seize the opportunity to seize the sect leader's position?"

The third elder yelled at the second elder!

"I am only avenging my apprentice. No matter who it is, no one is allowed to stop me."

"Otherwise, don't blame me for being rude..."

The second elder was like crazy, yelling with scarlet eyes. He didn't care about the third elder's warning and took action against Chen Ping!

When the third elder saw this, he could only block in front of Chen Ping, gritting his teeth and fighting with the second elder!

But after all, the strength of the third elder was not as good as that of the second elder. After a few moves, the third elder was almost slapped to death by the second elder!

“No one can stop me today. All disciples obey my orders and kill me to avenge your senior brother...”

The second elder went crazy and actually ordered his disciples to start killing the disciples of the third elder’s lineage!

Kuang Biao’s death deeply stimulated the second elder!

When Chen Ping saw this, the aura on his body surged, and the power of the three clans slowly spread out around him!

Chen Ping didn’t want the disciples of the Jade Cauldron Sect to fight each other. If that happened, both sides would suffer, and the opening of the medicine pool would be delayed!

This is not what Chen Ping wants to see, and Chen Ping still wants to take the Jade Cauldron Sect for his own use. If it ends up being a pile of ruins, it will not be in Chen Ping’s interests!

So Chen Ping plans to take action and follow the third elder to deal with the second elder. As long as the second elder is subdued, the fight can be stopped!

But just when Chen Ping was about to take action against the second elder, a terrifying aura suddenly came over him, and everyone was stunned for an instant, staring at the sky not far away!

“You unfilial disciples don’t know how to promote the Jade Cauldron Sect, so you started fighting...”

With an angry shout, everyone saw rays of brilliance shooting straight into the void at the back of the Jade Cauldron Sect, and then an old man walked out of the brilliance!

Chapter: 4283

I saw the old man wearing a gray cloth robe and a majestic look on his face!

The old man looked down at the people below in mid-air, his eyes full of anger!

Then the old man waved his palm, and a terrifying aura was suppressed, and everyone fell to their knees in an instant!

Chen Ping was no exception. Even though he gritted his teeth and resisted, he was still forced to kneel on one knee by the terrifying force!

“Eighth level of integration realm...”

Chen Ping felt the old man’s realm strength. Even if he wanted to resist, he was powerless!

It is estimated that even if he breaks through to the Fusion Realm, it is absolutely impossible to resist the masters of the eighth level of the Fusion Realm!

“Too...the Supreme Elder...”

When the second elder saw the old man, he was kneeling on the ground, his whole body trembling!

Among these people, only the Second Elder had met the Supreme Elder, so as soon as the old man appeared, the Second Elder recognized him!

Supreme Elder?

Everyone in the Jade Cauldron Sect looked at the people in front of them in shock, and they were all horrified!

They have only heard of the Supreme Elder of the Jade Cauldron Sect, a figure who exists like the Dinghai Shenzhen in the Jade Cauldron Sect, but very few people have actually seen the Supreme Elder!

Now that the Supreme Elder has appeared, everyone in the Jade Cauldron Sect is both excited and scared!

Especially the second elder and the third elder, they can feel the anger of the supreme elder!

“As elders of the Jade Cauldron Sect, you dare to openly fight among yourself. Are you planning to rebel?”

The Supreme Elder’s voice was cold and his eyes were full of cold light as he questioned the second elder and the third elder!

“Elder Taishang, please calm down. It was my senior brother who violated the rules and took the lead. I was just forced to defend myself!”

The third elder quickly spoke first!

When the second elder heard this, he was frightened and hurriedly explained: “Tai Shang Elder, this is definitely not the case. It was the disciple of the third elder who killed my eldest disciple and chopped off his head, so I did it.”

“This is a life-and-death contest. I said it before I entered the ring, life and death are determined by fate, you...”

The third elder wanted to refute, but before he could finish his words, he saw the Supreme Elder wave his hand gently. The third elder and the second elder were instantly knocked away and fell heavily to the ground!

“I don’t want to listen to your nonsense. As elders, I can’t set an example, so what’s the point of keeping you?”

The Supreme Elder said coldly!

Chapter: 4284

As soon as these words came out, the second elder and the third elder suddenly turned pale with fright, and fell to their knees again, kowtowing desperately to admit their mistake!

“Elder Taishang, please calm down. We were wrong. We will never dare to do it again. Please give us a chance...”

The second elder and the third elder desperately begged for mercy!

“For your first offense, no one will open their mouth fifty times,” said the Supreme Elder!

The second elder and the third elder were overjoyed, and they all slapped their mouths desperately. This is better than losing their lives!

When the other disciples of the Jade Cauldron Sect saw the two elders like this, they all lowered their heads in fear, not daring to look at the Supreme Elder!

Only Chen Ping raised his head and carefully observed every move of the Supreme Elder!

The Supreme Elder also looked at Chen Ping. The two people looked at each other, but Chen Ping was not afraid at all!

The Supreme Elder’s gaze only stayed on Chen Ping for a moment and then moved away!

Soon, the two elders finished slapping each other, and the Supreme Elder asked: “I just felt a very powerful aura in the back mountain, wreaking havoc in the Jade Cauldron Sect. What’s going on?”

The second elder and the third elder looked at each other, and finally the second elder said with his already swollen mouth: “Reporting to the Supreme Elder, just now the evil disciple summoned the ultimate monster within eight thousand feet. That powerful aura is just right. It’s from that monster!”

After hearing this, the Supreme Elder frowned slightly and said: "You bastard, you dare to summon the ultimate monster. If that evil beast loses control, wouldn't the entire Jade Cauldron Sect be doomed? Who did it? Give it to me. stand out....."

"The Supreme Elder, the villain is dead and his head was chopped off in the ring..."

The second elder said quickly!

At this time, the second elder's forehead was covered with cold sweat. He did not expect to summon the ultimate monster and actually attract the supreme elder!

Fortunately, Kuang Biao is dead. If he had not died, the Supreme Elder would definitely be angry, and he would also be implicated!

When he thought of this, the second elder was glad that Kuang Biao died well...

"Beheaded? You summoned all the ultimate monsters, and yet you can still be killed?"

"Who killed him? Where are the ultimate monster and Bagan Huangchi?"

The Supreme Elder asked!

"It's Chen Ping, he did it. The ultimate monster was injured and returned to the Eight-Gand Wasteland Ruler. The Eight-Gand Wasteland Ruler is also in Chen Ping's hands."

The second elder said quickly!

"Injured the ultimate monster?" The Supreme Elder was a little surprised, then glanced at the crowd and said, "Who is Chen Ping?"

"I..." Chen Ping stood up directly in the crowd!

Chapter: 4285

Chen Ping knew that even if he didn't admit it, there was no point, the second elder would identify him!

Seeing Chen Ping stand up on his own initiative, the Supreme Elder was a little surprised. After sizing up Chen Ping, he said, "Hand over the Eight-Gand Wasteland Ruler. That kind of thing in your hands can only be a disaster!"

Chen Ping stood without saying anything, but he didn't take out the Eight-Gand Wild Ruler either!

Seeing that Chen Ping didn't say anything and didn't take out the Eight-Gand Wasteland Ruler, the Supreme Elder frowned and his face turned cold!

"Mr. Chen, please hand over the Eight-Gand Wild Ruler quickly. Don't anger the Supreme Elder..."

Nie Heng, who was beside him, was kneeling on the ground and reminded Chen Ping in a low voice!

"Yes, Mr. Chen, please hand it over quickly!"

Fang Shu was also persuading Chen Ping on the other side!

But Chen Ping was still indifferent. At this moment, the third elder was shaking all over and sweating profusely. However, he could not persuade Chen Ping out loud now. He could only pray in his heart that Chen Ping would quickly hand over the Eight-Gand Wild Ruler!

When the second elder saw that Chen Ping was indifferent to the Supreme Elder, he couldn't help but feel happy. As long as the Supreme Elder was angry, Chen Ping would definitely not survive!

"Didn't you understand what I said?" The Supreme Elder saw that Chen Ping was indifferent, so he became angry!

“These eight thousand wild feet are my trophies, why should I hand them over? I competed with Kuang Biao in a life-and-death battle. Since he was inferior to others and was killed by me, then what he had on him should be mine.”

“I don’t think the Supreme Elder will bully the juniors based on his status and strength, right?”

Chen Ping asked the Supreme Elder in a neither humble nor arrogant manner!

As soon as Chen Ping’s words came out, everyone was shocked. They had never seen anyone dare to talk like this after the Supreme Elder!

Isn’t this looking for death?

The third elder turned pale with fear and collapsed on the ground!

“Chen Ping, you are so brave. You dare to speak like this to the Supreme Elder. You deserve to be damned...”

At this time, the second elder loudly scolded Chen Ping to express his respect for the supreme elder!

“Okay...” The Supreme Elder waved his hand to signal the second elder to stop talking. Then he looked at Chen Ping with some admiration and said, “Young man, that’s great. You’re right. You are the one who owns the Bagan Desolate Ruler.” There is no need to hand over the spoils of war.”

“I’m just afraid that this Bagan Desolate Ruler is too overbearing and will cause backlash to the user if it cannot be controlled. That’s why I asked you to hand it over. It’s not to bully the small.”

The Supreme Elder’s attitude toward Chen Ping suddenly confused everyone. They couldn’t understand why the Supreme Elder spoke so politely to Chen Ping.

Chen Ping himself was a little surprised. He didn’t expect that the Supreme Elder was so easy to talk to!

“Thank you, Supreme Elder, for your concern. I am sensible!”

Chapter: 4286

Chen Ping said!

“That’s good!” The Supreme Elder nodded, then looked at the Second Elder and said, “When Hu Yixiao comes back, let him kneel on the wall in the back mountain for three days to see how well he manages the Jade Cauldron Sect.”

After the Supreme Elder finished speaking, no movement could be seen, but his body had disappeared!

After the Supreme Elder left, everyone breathed a long sigh of relief, and then looked at Chen Ping in disbelief!

“Mr. Chen, I was really scared to death just now. How dare you contradict the Supreme Elder...”

“That’s right, my heart is going to beat out!”

Nie Heng and Fang Shu said in disbelief.

“I didn’t expect that this Supreme Elder is quite reasonable. After all, what I said is the truth and I didn’t lie. From this point of view, this Supreme Elder is much better than some elders!”

Chen Ping said, looking at the second elder!

The second elder snorted coldly and said: “Hmph, don’t be proud, just wait for me...”

After saying that, the second elder left in a hurry. After all, his whole face looked like a pig’s head. It was a joke to stay here!

At this time, the third elder looked as if he had just walked through the gate of hell. His whole body was already soaked and he was exhausted!

Finally, with the help of Fang Shu, he returned to his mansion, and Chen Ping followed him back. The entire Jade Cauldron Sect returned to peace!

Nie Heng actively assigned the outer disciples of the Jade Cauldron Sect to start cleaning up the ruins and repairing the damaged houses!

The residence of the three elders!

Chen Ping was in the room at this time, carefully observing the Eight-Gand Wild Ruler in his hand.

Even the Supreme Elder of the Jade Cauldron Sect knew about this thing, and knew that it was extremely domineering, so Chen Ping wanted to study carefully what was so powerful about the Eight-Gand Wasteland Ruler.

A wisp of divine consciousness was injected into the Baigan Huangchi by Chen Ping. After Chen Ping's divine consciousness entered, the space within the entire Baigan Huangchi turned out to be extremely huge!

Deafening roars kept coming, and the strange monsters seemed to feel that something was intruding, and they were very irritable!

These monsters are all locked in cages, with chains as thick as arms locked on their bodies!

Chen Ping discovered that these monsters were exactly the ones summoned by Kuang Biao. Each gem on the Bagan Wasteland Ruler corresponded to a monster!

But these monsters were imprisoned and chained, so how could they be summoned?

When Chen Ping continued to explore with his spiritual consciousness, he discovered that there were magic circles in the cages where these monsters were imprisoned!

In fact, it is not these monsters that are summoned, but the souls of these monsters. The main body is sealed within eight thousand feet, so there is no fear that these monsters will not obey orders!

Chapter: 4287

After some investigation, Chen Ping finally understood that if he was not strong enough, not only would he not be able to summon these monster beasts within eight thousand feet, but he would be devoured by the souls of these monster beasts!

But Chen Ping also discovered one thing, that is, the power of the Eight-Gand Wild Ruler comes entirely from the monsters sealed in it. That is, the more powerful the sealed monster is, the more powerful the Eight-Gand Wild Ruler will be!

If you have the ability to capture more powerful monsters, you can completely replace the monsters within the Baiganhuangchi, making the Baganhuangchi even more powerful!

“It’s really a good thing...” Chen Ping withdrew his consciousness and laughed!

The Arctic Mountains of the Celestial Realm!

Three girls were roasting a hare in a cave. The smell of meat filled the entire cave!

Next to the three girls, three tigers lay prone, looking like the mounts of the three girls!

These three girls are Su Yuqi, Huofeng and Yu Jiameng who followed Chen Ping and was sucked into the world of heaven and earth by the black hole!

After the three people were sucked into the world of heaven and humanity, they did not fall to the same place with Chen Ping!

At this time, they were thousands of kilometers away from where Chen Ping was!

“Huofeng, fortunately you are here. During this time in the heaven and human world, I have food, drink, and mounts...”

Su Yuqi said to Huofeng very gratefully!

During this time, the three girls have become very familiar with each other, and they are looking for Chen Ping's whereabouts together!

However, Su Yuqi and Yu Jiameng are very unfamiliar with the heaven and human world, but Huo Feng is familiar with this place, and with her identity as a mythical beast, the three girls live a very comfortable life here. Huo Feng also directly subdued three tigers. Become a mount!

"Those monsters all ran away when they saw the fire phoenix. They were so laughable."

Yu Jiameng touched the head of the tiger next to him with his hand and said!

"The fire phoenix is a divine beast. Of course those ordinary monsters will be scared when they see the fire phoenix."

Su Yuqi said!

"If I hadn't been thrown into the secular world and my strength had been greatly reduced, even if I met those guys in the imperial city now, they would all respect me."

Huofeng said proudly!

"The roasted rabbit is ready. It's so fragrant. Eat it quickly..."

Yu Jiameng picked up the roast rabbit and started distributing it!

Su Yuqi held the roast rabbit in her hand and suddenly became sad and said: "Hey, I wonder how Chen Ping is doing? I don't know if he has anything to eat!"

“Sister Yuqi, don’t worry. Maybe the master is living a better life than us now. He is surrounded by beauties and is intoxicated.”

Chapter: 4288

Huofeng comforted Su Yuqi!

“If that’s the case, that’s fine. I don’t care how many women he has around him, as long as he has me in his heart.”

Su Yuqi said calmly!

“Sister Yuqi, it’s great that the master has found a girlfriend like you.” Huo Feng said!

“It’s good that he found a maid like you. Not only can he save him in times of crisis, but she can also sleep with him to relieve his boredom...”

Su Yuqi smiled and glanced at Huofeng jokingly!

“Sister Yuqi, you are laughing at me again...”

Huo Feng blushed and started playing with Su Yuqi!

But at this moment, a vague and non-existent breath suddenly came in from outside the cave, and the faces of the three girls suddenly became ugly!

“Why is this guy still lingering? How many days has it been?”

Yu Jiameng frowned and said!

But just as he finished speaking, a man’s voice came from outside the cave.

“Three beauties, I know you are inside. Stop hiding from me. No woman here can escape my hands, Gao Qisheng.”

“The woman that I, Gao Qisheng, likes will belong to me sooner or later. You can ask around. My Gao family is very famous in this area of the Arctic Mountains. There are many women who have taken the initiative to throw themselves into my arms, but I don’t even like them!”

“It’s your blessing that I can take a liking to the three of you. When the time comes, we will be one dragon and three phoenixes, and we will be quite happy.”

The man’s voice was full of teasing, which made Su Yuqi and the others grit their teeth in anger.

Ever since the three of them met Gao Qisheng in a town some time ago, they have been targeted by this guy and stalked him!

Su Yuqi and the three of them were already annoyed to death!

However, Gao Qisheng is a master of the Fusion Realm. At this time, although Su Yuqi and Yu Jiameng have reached the eighth level of the Martial Emperor, and Huo Feng is the eighth level of the Transformation Realm, the three of them working together may not be able to touch Gao Qisheng. A finger!

So the three of them can only avoid this guy, but this guy is still there and can always find Su Yuqi and the others!

“Wouldn’t it be too much for the three of you to live in this broken cave? Our family has a thousand-acre mansion, you can choose it as you like. Moreover, I have practiced the Guyang Magic, and I guarantee that you three will be in a state of ecstasy.”

“You’d better come out obediently, otherwise I’ll get angry and I’ll let my men rush in. Then I won’t be the only man the three of you face. I’ll let all my dozen men rush in.” Happy happy happy...”

“Hahaha.....”

There was a burst of laughter outside the cave, and Su Yuqi and the three of them were already red with anger!

Chapter: 4289

“I fought with them...”

Yu Jiameng blushed and was about to rush out with a long sword in hand.

You must know that Yu Jiameng is also a young lady from a wealthy family. She has never been humiliated like this. What’s more, she is still a young girl. Listening to the dirty words in Gao Qisheng’s mouth, her body was shaking with anger!

“Don’t rush out, he is deliberately irritating us!”

“There are other openings in this cave that lead to the outside. We just need to leave quietly.”

“When I find the owner, I believe the owner will take care of this guy...”

Huofeng stopped Yu Jiameng and said!

Huofeng was right. If Chen Ping knew that someone dared to molest his woman, he would definitely incite him.

The three of them, Su Yuqi, mounted the tiger and quietly left from another cave entrance.

When Gao Qisheng and others rushed in, they found that except for a bonfire, there was no one left!

“Damn, he ran away again, chase me...”

Gao Qisheng and his men quickly chased him out!

At this time, Chen Ping had no idea about the danger that Su Yuqi and the others encountered. He practiced every day in the third elder's mansion, quietly waiting for the time to open the medicine pool!

Although a few days have passed, the battle between Chen Ping and Kuang Biao is still a topic of discussion among all Jade Cauldron Sect disciples.

The status of the disciples of the third elder's lineage has also improved a lot because of this competition. In the past, even the outer disciples looked down on the disciples of the third elder's lineage, but now they have become polite!

But the status of the disciples of the second elder's lineage has plummeted. Coupled with Nie Heng's refusal to sell out to the second elder, the status of the disciples of the second elder's lineage has become even lower!

The second elder has been staying behind closed doors for the past few days, and he has no face to see people. The eldest disciple was killed, and the status of his disciples in the Jade Cauldron Sect has dropped to a freezing point.

"I can never give up like this, I can never..."

The second elder roared in his mansion and casually crushed a sound transmission jade slip!

He wants Hu Yixiao to come back as soon as possible. Now Nie Heng is following the third elder very closely. If Hu Yixiao doesn't come back, the third elder may have the final say in the Jade Cauldron Sect in the future!

"Second Junior Brother, what's the matter?"

After the sound transmission jade slip was crushed, Hu Yixiao's voice came over!

"Senior brother, when will you come back? During the time you left, a lot of things happened in the Jade Cauldron Sect."

The second elder said.

Chapter: 4290

“I plan to go back in a few days when the medicine pool is opened. During this period, we have a good relationship with King Li. From now on, our Jade Cauldron Sect will reach strategic cooperation with King Mingli!”

Hu Yixiao said excitedly!

“Senior brother, don’t wait for the medicine pool to open before you come back. You’d better come back as soon as possible, otherwise the position of the leader of the Jade Cauldron Sect will be taken away by others.”

The second elder said seriously!

When Hu Yixiao heard this, he was stunned and said: “What happened?”

“Senior brother, wait until you come back to talk. I can’t explain a sentence or two clearly.”

After the second elder finished speaking, the call between the two was interrupted!

You must know that this sound transmission jade slip was also bought with money. It was written by the formation master. The longer the call time, the higher the price!

“When senior brother comes back, I will make you look good...”

The eyes of the second elder were full of sternness!

After Hu Yixiao received a message from the second elder, he also changed his plan, bid farewell to King Li, and began to return to the Jade Cauldron Sect!

At this moment, in that secret cave!

Liu Ruyan slowly opened his eyes. After Chen Ping's treatment, although the toxins in Liu Ruyan's body were not completely eliminated, Liu Ruyan still slowly woke up!

"Where am I?" Liu Ruyan frowned slightly and stood up slowly!

But when Liu Ruyan stood up, the quilt slipped off her body, and her naked body was exposed!

"ah....."

Liu Ruyan screamed and quickly covered her important parts!

But after discovering that there was no one here at all, Liu Ruyan breathed a sigh of relief and hurriedly put on his clothes!

Liu Ruyan tried hard to recall what happened before she fell into coma!

She only remembered that before she fell into coma, she found the third elder, and the third elder took her into the secret cave!

Then she passed out. As for how long she was unconscious, Liu Ruyan didn't know!

"Why am I not wearing clothes?" Liu Ruyan's face was full of confusion, knowing that she was wearing clothes when she was unconscious.

"Is it the third elder..."

"Impossible, the third elder would never do that kind of thing to me."
