

## **The Order 4291**

Chapter: 4291

“What on earth is going on? Could it be that I have been...”

Liu Ruyan couldn't remember anything, let alone Chen Ping's treatment for her!

Seeing that he couldn't remember anything, Liu Ruyan wanted to go out and take a look, but found that no matter what, he couldn't open the door of the secret cave!

Liu Ruyan had no choice but to sit back on the bed and wait quietly. She had to wait to see if anyone would come!

If someone comes and is not the third elder, then the other party must have done it for me to be naked!

While she was unconscious and doing something unethical to herself, Liu Ruyan secretly decided that as long as the other person was not the third elder, she would kill him without mercy!

At this moment, Chen Ping, while practicing, suddenly opened his eyes, looked at the full moon outside, and slowly walked out of the room!

Looking at the mountain peak not far away, Chen Ping walked towards the mountain unconsciously!

The secret cave is right on top of this mountain peak. Chen Ping himself can't explain why he wants to take a walk here!

Maybe Chen Ping also wanted to see how Liu Ruyan was doing!

Arriving at the secret cave, Chen Ping stretched out his hand to open the cave entrance, but hesitated!

After all, Liu Ruyan is still naked now, and Chen Ping comes alone this late at night. If he is discovered by the third elder, it will be a bit unclear!

But after hesitating for a moment, Chen Ping still opened the entrance of the secret cave!

With a creaking sound, the hole opened!

After Liu Ruyan heard the noise, he quickly lay down on the bed, covered himself with a quilt, and pretended not to wake up!

Chen Ping walked into the cave, and then walked into Liu Ruyan's room, and saw Liu Ruyan still lying motionless on the bed!

Chen Ping walked over, stretched out his hand to check Liu Ruyan's pulse, and then covered Liu Ruyan with a quilt.

But just when Chen Ping stretched out his hand towards Liu Ruyan, Liu Ruyan suddenly opened his eyes and found that the person in front of him was not the third elder, but a strange man. He suddenly became furious and slapped Chen Ping with a palm!

Chen Ping didn't expect Liu Ruyan to wake up suddenly and was startled, and then a strong wind came straight towards Chen Ping!

Chen Ping instinctively stepped back and avoided Liu Ruyan's palm!

Liu Ruyan jumped up from the bed and attacked Chen Ping again without any explanation!

Liu Ruyan's attack speed was very fast, and coupled with her peak transformation level strength, every palm blew a strong wind!

Chen Ping kept dodging and asked with confusion on his face: "What are you doing? Are you ungrateful?"

Chen Ping didn't expect Liu Ruyan to wake up, and he didn't expect that Liu Ruyan would attack him as soon as he woke up. He didn't even know why Liu Ruyan would attack him!

Chapter: 4292

You must know that Liu Ruyan's ability to wake up was all his own fault. Now Liu Ruyan didn't want to thank him, but he actually did it to himself. This made Chen Ping very puzzled!

"I am ungrateful. You shameless person took advantage of my unconsciousness and took possession of my body, making me lose my innocence. Today I will beat you to death..."

"Who are you? And where is this place?"

Liu Ruyan's face was filled with anger, and she asked while attacking Chen Ping!

When Chen Ping heard this, he immediately understood. It turned out that Liu Ruyan had misunderstood him!

It must have been that after Liu Ruyan woke up, she saw herself naked and mistakenly thought that she had been taken advantage of!

"Don't hit me yet. I didn't touch you at all. You misunderstood. It was the third elder who brought me here. This is the secret cave of the Jade Cauldron Sect!"

Chen Ping hurriedly explained!

When Liu Ruyan heard about the third elder, he stopped and looked at Chen Ping doubtfully: "Who are you? Where is the third elder now? Why doesn't he come over?"

Chen Ping took a breath and said: "My name is Chen Ping. I am a disciple of the Third Elder. You can wake up, but I will keep an eye on you."

"The third elder is still in his mansion and has not come over. I just came to see you..."

Liu Ruyan looked at Chen Ping, his expression still very nervous. It was obvious that he didn't quite believe what Chen Ping said!

"Are you keeping an eye on me? How could the Third Elder let a disciple heal me?"

"You are obviously talking nonsense. Who are you?"

After Liu Ruyan looked at Chen Ping, she suddenly took action again. She wanted to restrain Chen Ping, and then asked Chen Ping about his identity!

Although Liu Ruyan made a sudden move, Chen Ping was already prepared and suddenly reached out and grabbed Liu Ruyan's wrist!

Although Liu Ruyan was at the peak of the Transformation Realm, she was not good enough in front of Chen Ping!

Liu Ruyan panicked when she saw Chen Ping grabbing her at once, and wanted to pull her hand back, but Chen Ping's hand was like a vise, tightly clasping her wrist, making it impossible to move at all!

"You are a liar. How can you be a disciple of the Third Elder's lineage and have such strength? You are obviously lying."

"Let me go, let me go quickly..."

Liu Ruyan glared at Chen Ping. She was sure that Chen Ping was definitely not a disciple of the Third Elder's lineage, because how could a disciple of the Third Elder's lineage have someone who was stronger than her!

"I let you go. You are not allowed to attack me again. I have already explained it to you. Why don't you believe me?"

“I didn’t touch you. Don’t you feel if you were touched?”

“If it doesn’t work, just use your hands to check to see if your most precious thing is still there, and you’ll know!”

Chapter: 4293

Chen Ping said angrily!

Upon hearing Chen Ping’s words, Liu Ruyan blushed instantly: “You stinking gangster...”

Liu Ruyan knew what Chen Ping meant, which was to let her test her own area with her hands. Chen Ping, a grown man, could say this. He was nothing but a gangster!

When Chen Ping heard this, he suddenly felt speechless. He didn’t know how to explain to Liu Ruyan!

At this moment, there were sudden footsteps outside, and then the third elder walked in!

When the third elder saw Liu Ruyan, his face was full of surprise and he said: “Miss, you...are you awake?”

Liu Ruyan was slightly startled when she saw the third elder: “Third elder, it is indeed you...”

“Third Elder, please explain quickly. I couldn’t clean myself even if I jumped into the Yellow River. Your eldest lady insists on saying that I have defiled her and wants me to clear her name!”

Chen Ping saw the third elder coming, so he let go of Liu Ruyan and said to the third elder!

The third elder also understood and hurriedly explained: “Miss, Mr. Chen was invited by me to treat you. You have been poisoned and comatose for many years. I have tried all kinds of methods but failed to revive you. You can wake up now. Thanks to Mr. Chen.”

“Mr. Chen?” Liu Ruyan was stunned: “Isn’t he your disciple?”

“Miss, you don’t know something. Mr. Chen entered the Jade Cauldron Sect and my sect just for the medicine pool...”

Later, the third elder carefully explained to Liu Ruyan the changes in the Jade Cauldron Sect in the past few years!

Liu Ruyan became angrier the more she listened. When she heard that Hu Yixiao used the Jade Cauldron Sect’s medical skills to make a lot of money, and also collected a lot of training materials, Liu Ruyan was going to be angry to death!

You must know that her father’s purpose in founding the Jade Cauldron Sect was to save lives and heal the sick, and he never valued money and resources!

But now Hu Yixiao has completely abandoned the purpose of the Jade Cauldron Sect and directly turned the Jade Cauldron Sect into a profit-seeking sect!

Thinking of her poisoned father, Liu Ruyan’s eyes became moist!

“This Hu Yixiao, I must settle the score with him. I want to take back the Jade Cauldron Sect...”

Liu Ruyan gritted her teeth and said angrily!

“Miss, you are awake now and can completely expose Hu Yixiao’s crimes, but now Hu Yixiao has a high prestige in the Jade Cauldron Sect, and most of them are his disciples!”

“And the second elder also wore a pair of trousers after Hu Yixiao. If you go out rashly now, I’m afraid you won’t be able to bring down Hu Yixiao at all, or you’ll even get caught in it!”

“Hu Yixiao doesn’t know you are alive yet, so we can wait for the opportunity...”

The third elder persuaded Liu Ruyan!

“When is the right time? Now that several years have passed, if we wait any longer, Hu Yixiao’s foundation in the Jade Cauldron Sect will be deeper.”

Chapter: 4294

Liu Ruyan frowned and said angrily!

“With your current strength, after you go out, you are no match for Hu Yixiao. I’m afraid he will kill you with one hand. What will you do to take back the Jade Cauldron Sect?”

“Looking at how weak you are, you still have a bad temper...”

At this time, Chen Ping said to Liu Ruyan!

When Liu Ruyan heard this, she was very angry at first. Coupled with Chen Ping’s sarcasm, she immediately yelled at Chen Ping: “You haven’t settled the score with you yet, but you talked about me first...” ..”

“What do you want to settle with me? Didn’t I explain it to you just now?”

Chen Ping asked in confusion!

“Although you didn’t touch me, you took off my clothes yourself and you saw all my body. Shouldn’t I settle the score with you?”

“Isn’t there any other way to cure the disease besides stripping naked? I think you are deliberately looking at my body just to take advantage of me.”

“The reason why you didn’t dare to touch me is entirely because there are three elders guarding me outside, so you don’t dare to make a move!”

“Otherwise, why are you sneaking here this time? Don’t you just want to touch me? If I hadn’t woken up, you might have had your hands on me by now!”

Liu Ruyan was furious at Chen Ping, leaving Chen Ping speechless!

Chen Ping came here secretly this time just for Liu Ruyan’s treatment, not to play with her!

But even if Chen Ping explains, who can believe it?

“Yes, I’m just here to play with you. I cured you. What will happen if I play with you twice? This is my reward...”

“Otherwise, you, with your delicate skin and tender flesh, and your good figure, wouldn’t it be wasted!”

Chen Ping knew that no one believed his explanation, so he simply refused to explain, just to get angry at Liu Ruyan!

When Liu Ruyan heard this, she was really angry and was about to attack Chen Ping, but the third elder quickly stopped him!

“Miss, Mr. Chen is definitely not that kind of person. He is just angry with you. I believe he never came here to touch you.”

“I can see that Mr. Chen has had countless girls. Although the eldest lady has a good figure and outstanding appearance, Mr. Chen probably won’t take it seriously.”

The third elder said quickly!

“The third elder is really powerful, can you tell this?”

Chen Ping couldn't help but be surprised, how did these three elders know that he had countless women?

"Mr. Chen, I brought you here for the first time. You helped the eldest lady diagnose and treat her. Your eyes are clear and there is no evil thought."

Chapter: 4295

"So you told me that you didn't touch our eldest lady at all, and I believe you."

The third elder explained!

When Liu Ruyan heard the words of the third elder, he couldn't help but feel a sense of comparison in his heart!

"Chen Ping, let me ask you, is it because you don't touch me because I don't look as good as the women you have touched?"

Liu Ruyan wanted to know why Chen Ping didn't touch him!

"With your figure and appearance, among my many women, you can only be considered below average."

Chen Ping looked at Liu Ruyan seriously and said!

When Liu Ruyan heard Chen Ping's words, he immediately became angry: "How many women do you have? I am still below average. Although I am not the most powerful person in the country, I am absolutely confident in my figure and appearance."

"Where are your women? I want to see how much better they are than me..."

Women, when it comes to their figure and appearance, have a very high desire to compare, and Liu Ruyan is no exception!

“I can’t even count how many women I have, but I can’t find them for you now.”

“But I have a portrait here. If you take a look at it, you will know how different it is from my woman...”

As Chen Ping spoke, he waved his palm lightly, and there was a tremor in the void, and then a portrait appeared!

The picture above is none other than Ji Ruxue, dressed in white, with long hair shawl, and delicate facial features like a fairy!

Especially the temperament that Ji Ruxue has on her body is not something that just any woman can have!

Looking at Ji Ruxue’s portrait, Liu Ruyan was stunned. She had never thought that there was such a beautiful and temperamental woman in the world!

“Mr. Chen, is this really your woman? She is just like a fairy from heaven...”

The third elder was so young that his eyes lit up when he saw Ji Ruxue’s portrait!

“Of course, this is just one of my many women. My other women are all stunning. Now you know why I feel nothing when I see other women, right?”

Chen Ping seemed to be showing off, but when he spoke, he looked at Liu Ruyan!

He just told Liu Ruyan on purpose and provoked Liu Ruyan!

Liu Ruyan said nothing more. If the woman in the painting was really Chen Ping’s woman, then it would be reasonable for Chen Ping to see that he was not interested in her.

“Miss, you live here for the time being. The medicine pool will be opened in a few days. I will find a way for you to get into it and use the energy of the medicine pool to let you break through to the combined state. Then we will find a way to bring down Hu Yixiao. .”

The third elder said to Liu Ruyan!

Chapter: 4296

Liu Ruyan nodded, this is all she can do now. If she goes out rashly now, she will die in vain!

Chen Ping and the third elder left, and peace returned to the cave!

Liu Ruyan recalled what Chen Ping had just said, and her face instantly turned red again!

Sitting on the bed, Liu Ruyan slowly stretched out her hand. She wanted to check it herself to see if Chen Ping was telling the truth!

When Liu Ruyan touched the obstacle, he let out a long breath...

Two days later!

Hu Yixiao returned to the Jade Cauldron Sect, but when he looked at the messy Jade Cauldron Sect's station, he almost got angry to death!

“What's going on? What's going on? Can someone explain it to me?”

Hu Yixiao stood at the door of the inner gate of Jade Cauldron Sect and asked loudly!

Many disciples lowered their heads, no one dared to speak, even Nie Heng looked nervous!

Now that Hu Yixiao is back, he doesn't know how to explain Chen Ping's matter!

“Nie Heng, tell me, what is going on?”

Hu Yixiao asked Nie Heng!

“Master, this... this is a fight between the disciples of the third uncle’s lineage and the second uncle’s lineage, that’s why it happened like this.”

Nie Heng said truthfully!

“What?” When Hu Yixiao heard this, he became even more angry and said: “That’s so audacious. The rules of the Jade Cauldron Sect are that the disciples of the sect are not allowed to fight among themselves, let alone fight within the inner sect. Now not only are they fighting, but they are also ruining such a With so many houses, it seems that it’s impossible not to teach them a lesson.”

“Go find your third and second uncles right away. If they don’t have an explanation for this matter, neither of them will be able to get over it!”

Hu Yixiao was very angry. After all, he was the sect leader now. If no one abides by the rules of the Jade Cauldron Sect, it would be a slap in the face. He would never allow such a thing to happen!

No matter who dares to threaten his authority, Hu Yixiao will never show mercy. It is this kind of iron-blooded tactics that gives Hu Yixiao a high prestige in the Jade Cauldron Sect!

Nie Heng nodded, and then hurriedly ran towards the third elder’s station. He wanted to tell Chen Ping about Hu Yixiao’s return, so that Chen Ping could be prepared!

After all, Chen Ping still has conflicts with Hu Yixiao. If Hu Yixiao insists on attacking Chen Ping, he may be in trouble!

“Elder brother, why are you here?”

After seeing Nie Heng, Fang Shu hurriedly asked!

During this period of time, Nie Heng was very good to the disciples of the three elders, so Fang Shu and the others no longer quarreled with Nie Heng!

Chapter: 4297

“Is Mr. Chen here? I have something important to see him!”

Nie Heng asked!

“Here, Mr. Chen is discussing medical skills with Master in the room!”

Fang Shu said!

Nie Heng didn't say anything, but quickly rushed into the room!

“Mr. Chen, it's not good, my master is back...”

Nie Heng said nervously after seeing Chen Ping!

“Nie Heng, what happened when senior brother came back? Why are you so panicked?”

“Besides, what does it have to do with following Mr. Chen when your master comes back?”

The third elder didn't know the conflict between Chen Ping and Hu Yixiao, so he asked in confusion.

“Third Elder, I am somewhat conflicted about following Hu Yixiao. Nie Heng is afraid that Hu Yixiao will attack me.”

Chen Ping briefly explained the contradiction between him and Hu Yixiao!

When the third elder heard this, he immediately smiled and said: "What is this? Now you are nominally my disciple, and you can also be regarded as a disciple of the Jade Cauldron Sect. With this contradiction, it is impossible for senior brother to attack you!"

"If he dares to take action, I will not agree. I believe that he will still give it to me..."

When Chen Ping heard what the third elder said, he felt a little more relaxed. He didn't want to fall out with Hu Yixiao at this time, as that would affect the opening of the medicine pool!

Besides, they will deal with Hu Yixiao sooner or later. Now that Liu Ruyan has woken up, they will expose Hu Yixiao's crimes sooner or later!

"Uncle Third Master, Master asked me to call you over..."

Nie Heng said to the third elder!

"Okay, I'll go right away..."

The third elder nodded!

"Mr. Chen, please be more careful!"

After Nie Heng reminded Chen Ping, he turned around and left!

"Third Elder, I will go with you. It seems that you will have to face it sooner or later."

Chen Ping decided to go with the third elder to meet Hu Yixiao.

Chapter: 4298

Jade Cauldron Sect's inner gate hall!

The second elder had already arrived. Facing Hu Yixiao's furious questioning, the second elder's face was filled with grievances!

"Senior brother, you have to make the decision for me. A lot of things happened in the Jade Cauldron Sect during your absence!"

"The reason why the Jade Cauldron Sect is like this now is because of the new disciples of the third junior brother!"

"My eldest disciple Kuang Biao was also killed. Whether you come back or not, the entire Jade Cauldron Sect will be decided by the third junior brother."

The second elder took the initiative and sued the third elder!

"What?"

Hu Yixiao's eyes suddenly opened: "What kind of disciple did Third Junior Brother take in? How dare he destroy the house at the inner gate and kill Kuang Biao? How audacious?"

"Besides, Kuang Biao's current strength should have reached the peak of transformation. With the ability of the third junior brother, how could his disciples kill Kuang Biao?"

Hu Yixiao couldn't believe it. After all, Kuang Biao's strength was one of the best among many disciples. Even Nie Heng might not be able to kill Kuang Biao!

"Senior brother, this disciple that the third junior brother accepted is a very evil sect. He is obviously only at the realm of transformation, but his strength seems to be no weaker than that of you and me!"

"Furthermore, this guy has a lot of magical weapons. He looks very much like the son of a wealthy family. But I don't understand why this guy came to Jade Cauldron Sect and why he worshiped his third junior brother as his disciple!"

The second elder said even more jealously!

He knew that Hu Yixiao liked treasures, so he said that Chen Ping had many magical weapons. This would arouse Hu Yixiao's greed!

"Don't you know the identity of this man? What is his name?"

Hu Yixiao also became interested in the third elder's new disciple at this time!

"This guy's name is Chen Ping. It seems that Nie Heng is very familiar with him. He should know his details!"

The second elder said!

"Chen Ping?" Hu Yixiao stood up suddenly, his expression became full of surprise, and then looked at Nie Heng and said: "Nie Heng, tell me, is this Chen Ping....."

"Master, this Chen Ping is exactly the person you asked me and Junior Brother Wu to catch." Nie Heng said in a low voice!

At this time, Nie Heng's heart was beating wildly and he was extremely nervous!

When Hu Yixiao heard this, murderous intent burst out from his eyes. He looked at Nie Heng coldly and said, "Explain to me, what is going on?"

"Master, I realize my mistake!"

Nie Heng suddenly knelt down and said, "I brought this Chen Ping to the Jade Cauldron Sect because he said he had something to offer to the master, and he wanted to worship you as my master!"

Chapter: 4299

“It’s just that after arriving, the master was not in the sect, so I let the third uncle get there first.”

Nie Heng could only explain half-truthfully, hoping to make Hu Yixiao believe it!

“Dedicate something to me? To what?” Hu Yixiao asked!

“It seems to be some kind of Shennong cauldron. I heard it is the divine cauldron for refining medicine. He seems to have used this Shennong cauldron at the Third Master’s Residence!”

Nie Heng said!

“Shennong Cauldron?” When the second elder heard the name, his eyes widened in shock!

But Hu Yixiao was not surprised, because he sent Nie Heng and Wu Feiyu to capture Chen Ping just for the Shennong Cauldron!

“So, the colorful cloud of pills that appeared above the Third Junior Brother’s station some time ago must have been emitted by the Shennong Cauldron refining pills.”

“I thought it was because Third Junior Brother’s alchemy skills have improved again!”

The second elder then remembered the pill cloud rising above the third elder’s station when Chen Ping first arrived!

“It seems that the third junior brother must have seen the Shennong Cauldron and accepted Chen Ping as his disciple.”

Hu Yixiao’s eyes narrowed slightly and he said, “Why isn’t your third uncle here yet?”

“I have already notified you. Third Master Uncle said he will be here soon!” Nie Heng said!

Hu Yixiao nodded, and then quietly waited for the arrival of the third elder. He wanted to find a way to get the Shennong Ding. If Chen Ping took the initiative to offer the Shennong Ding, he could forgive Chen Ping for what he had done!

“The third elder has arrived.....”

At this time, a disciple outside the door shouted loudly.

I saw the third elder and Chen Ping striding into the hall!

When Chen Ping and Hu Yixiao looked at each other, Hu Yixiao’s face looked ugly!

As long as he saw Chen Ping, he would think of the scene of kneeling to Chen Ping in Demon Emperor City!

However, it was not easy for Hu Yixiao to just show off at this time. After all, he couldn’t tell him about kneeling down to Chen Ping. In that case, where would his prestige as a sect leader be?

“Senior brother...”

The third elder saluted Hu Yixiao!

“Third Junior Brother, I heard that you have a new disciple. He is very powerful. Not only did he demolish many houses in the sect, he also killed Kuang Biao. It seems that the disciples of your lineage are promising.”

“You made a big fuss with the Jade Cauldron Sect while I was away. This shows that you don’t take me as the sect leader seriously. But now that I’m back, I can’t ignore this matter.”

Chapter: 4300

“Tell me about our Jade Cauldron Sect’s rules. If a disciple below breaks the rules, the sect will be punished by making a big fuss?”

As soon as Hu Yixiao came up, he gave the third elder a slap in the face!

However, the third elder did not panic at all and said calmly: "Senior brother, I don't know. It was Kuang Biao who demolished my mansion first and injured my disciples. That's why Chen Ping couldn't stand it and came to the door!"

"As for killing Kuang Biao, it was on the ring. The two of them were fighting a life-and-death battle, so even if he killed him, it wouldn't be an exaggeration, right?"

"Besides, Kuang Biao released the ultimate monster within eight thousand feet, almost destroying the entire Jade Cauldron Sect and alarming even the Supreme Elder."

Just as the third elder finished speaking, Hu Yixiao shuddered, stood up suddenly, and said with surprise on his face: "What? Are the Supreme Elders even alarmed?"

"Yes, the Supreme Elder also gave an order that after you come back, you should go to the back mountain to kneel down and think about it for three days."

The third elder nodded and said!

As soon as the third elder said this, Hu Yixiao's expression suddenly changed, and he almost stumbled and fell to the ground!

"Second Junior Brother, is what Third Junior Brother said true?" Hu Yixiao looked at the Second Elder with an angry face and asked!

"This...this...the Supreme Elder did say it!"

The second elder stammered and said!

Hearing what the second elder said, Hu Yixiao was almost angry to death. He raised his hand and slapped the second elder!

“Are you going to fucking kill me? Since the Supreme Elder has been alarmed, you didn’t tell me?”

“After I think about it, I will settle the score with you...”

After Hu Yixiao finished speaking, he ran non-stop towards the back mountain.

At this time, how could he still be in the mood to care about Chen Ping’s affairs? It was important to save his life!

Seeing the second elder being slapped, the third elder and Chen Ping all looked joking!

The second elder couldn’t be more angry at this moment.

“Second Senior Brother, that slap from Senior Brother just now was not light. Go back quickly and apply some medicine, otherwise your face will be swollen like this and the disciples will see the joke!”

The third elder said jokingly!

The second elder gritted his teeth and said in a cold voice: “Don’t be complacent, just wait for me. Don’t think that Hu Yixiao doesn’t dare to touch you, and neither do I...”

After saying that, the second elder turned around and left angrily!

Returning to his mansion, the second elder smashed everything in the room that could be smashed!
