

The Order 4301

Chapter: 4301

Originally, he thought that when Hu Yixiao came back, he would certainly punish the third elder. After all, Hu Yixiao had long been dissatisfied with the third elder!

This time I just found an opportunity to deal with the three elders, but when I heard that the Supreme Elder was alarmed, Hu Yixiao was like a mouse seeing a cat, he thought about it directly and stopped caring about it at all.

“I will never give up like this, absolutely not...”

The second elder roared loudly.

Slowly, the second elder calmed down and regained his senses!

Then he walked out of the room and walked towards the Jade Cauldron Sect warehouse!

The disciples guarding the warehouse are all from the same lineage as the second elder, so after meeting the second elder, there is no way to stop him!

The second elder walked into the warehouse, and then opened a secret room in the corner of the warehouse!

There are many high-grade elixirs and various medicinal herb resources placed in the secret room!

Without any hesitation, the second elder packed a lot of pills and herbs in a cloth bag, then took out a charm and placed it gently on the ground!

Biting his finger, a drop of the second elder's blood fell on the talisman. Soon the magic circle carved on the talisman began to shine with light. The second elder walked into the formation and his body slowly disappeared!

When the second elder appeared, he was already in a dark place, surrounded by black mist flowing continuously. In front of him, a man whose whole body seemed to be burning with flames was looking at him quietly!

“Is the time ripe?”

The man spoke slowly and said to the second elder!

The second elder shook his head: “The time is not yet ripe, but I will activate you in advance. Now I want you to help me kill people...”

“Kill someone?” The man was stunned for a moment, then said in surprise: “Kill who?”

“Zhe Yan, I saved your life and raised you for so many years just to make you obey my orders, not to question me.”

“You do whatever I ask you to do. There are not so many reasons why, and you don’t need to ask!”

The second elder said with a cold expression!

Zhe Yan said nothing, and the flames on his body became more intense. It could be seen that he was very unconvinced, but it did not explode!

Seeing Zhe Yan’s performance, the second elder was satisfied and threw out the pills and herbs he took!

“Here are our Jade Cauldron Sect’s top elixirs and medicinal herbs. I won’t let your efforts go in vain.”

“When I become the head of the Jade Cauldron Sect, you don’t have to hide like this anymore. You demons are just like rats on holiday now. If it weren’t for me back then, you and your men would have died miserably!”

The second elder showed kindness and power at the same time. He took the risk to save Zhe Yan in order to help him seize the position of sect leader one day!

Chapter: 4302

Even though the second elder felt uneducated and incompetent in the Jade Cauldron Sect, and his alchemy skills were even worse, he was just trying to confuse Hu Yixiao!

The second elder's ambition is no less than that of Hu Yixiao!

"I understand. I'll send someone right away. If you want to kill anyone, just keep the information!"

Zhe Yan said!

"No, you have to take the people there yourself. This guy is very strong, so you can't be careless!"

"If this guy doesn't die, it will definitely be a variable if I want to be the sect leader!"

The second elder said!

Seeing this, Zhe Yan could only nod his head and said: "Okay, I will personally lead the people to take action..."

After the second elder left Chen Ping's message, his body disappeared instantly and returned to the warehouse!

"Chen Ping, just wait for me, I will let you experience the consequences of offending me!"

The second elder's eyes were full of sternness as he walked out of the warehouse!

.....

Inside the secret cave!

The third elder and Chen Ping found Liu Ruyan again to discuss how to let Liu Ruyan mix into the medicine pool when it was opened in a few days.

This time, Liu Ruyan's attitude improved significantly when he saw Chen Ping, and he was a little embarrassed!

After all, Chen Ping saved her, but he misunderstood Chen Ping and attacked Chen Ping, which made Liu Ruyan feel very sorry!

"Chen Ping, I apologize to you for what happened two days ago. I checked and you did not touch me."

Liu Ruyan followed Chen Ping and apologized honestly!

"It's good that you have checked yourself, otherwise my innocence in this life will be ruined..."

Chen Ping pretended to be in pain and said!

When Liu Ruyan heard this, her eyebrows furrowed and she said, "You guy, do you think sleeping with me makes you so uncomfortable? Maybe I'm not as good as your women, but I'm not that bad either, right?"

"It's really not bad. It would be nice if you have a gentler personality and don't hit people easily!"

Chen Ping smiled and said!

"you....."

Chapter: 4303

Liu Ruyan waved his hand and was about to attack Chen Ping again!

“Did you see that you hit someone if you disagree with me? How can you look like a woman...”

Chen Ping hurriedly hid behind the third elder!

The third elder looked at Chen Ping and Liu Ruyan flirting with each other, with a playful smile on their faces!

“Mr. Chen, please go out first. I have something to tell the eldest lady!”

The third elder said to Chen Ping!

“Okay, I’ll wait for you outside...”

After Chen Ping finished speaking, he walked out directly!

After Chen Ping walked out, Liu Ruyan asked: “Third Elder, what do you want?”

“Miss, I wonder what you think of Chen Ping?”

The third elder asked!

Liu Ruyan didn’t know why the third elder asked this, but he still answered truthfully: “This guy seems unreliable, but he always makes people feel safe, and I don’t know why!”

“Miss, this Chen Ping is an extraordinary person. He directly killed Kuang Biao with his power of transformation. Even the ultimate monster within eight thousand feet was defeated by Chen Ping!”

“Besides, this person possesses many treasures, and even the Shennong Cauldron that we in the medicine refining world have always longed for!”

“Although I don’t know the true identity of Chen Ping yet, his courage and strength are definitely not that of an ordinary person. He might be the young master of some family!”

The third elder kept praising Chen Ping!

“Third Elder, you have said so much, what do you want to say to me?”

Liu Ruyan asked in confusion!

“Miss, with the current strength of you and me, it will be very difficult to take back the Jade Cauldron Sect from the hands of Hu Yixiao. Besides, this time Hu Yixiao should have reached a cooperation with Mingli King City!”

“So if we want to take back the Jade Cauldron Sect, we need help, and this Chen Ping is the best helper!”

The third elder said!

“Then let him help. What’s wrong? Doesn’t this guy often help you?”

Liu Ruyan knew that Chen Ping often helped the third elder!

“The eldest lady doesn’t know. The reason why Chen Ping lives in the Jade Cauldron Sect is to wait for the medicine pool to open. When the medicine pool opens, he may leave after soaking in the medicine pool!”

Chapter: 4305

Liu Ruyan asked Chen Ping with a blue breath!

Feeling Liu Ruyan’s tone, Chen Ping was a little surprised. He didn’t understand when Liu Ruyan changed his character?

“What? You don’t want to?” Seeing Chen Ping not speaking, Liu Ruyan suddenly said with a small mouth!

Seeing Liu Ruyan’s coquettish look, Chen Ping felt a little relieved!

“Okay, I’ll walk with you...”

Chen Ping nodded and said!

Chen Ping followed Liu Ruyan walking in the jungle on the mountain. Maybe he hadn’t left the cave for several years. Liu Ruyan looked at the green trees and looked very happy!

Seeing Liu Ruyan’s happy look, Chen Ping suddenly felt a little distressed!

A girl was burdened with such a heavy responsibility. Chen Ping didn’t know if Liu Ruyan could take the Jade Cauldron Sect from Hu Yixiao’s hands!

“Chen Ping, after you come to our Jade Cauldron Sect and soak in the medicine pool, where do you plan to go?”

Suddenly, Liu Ruyan asked Chen Ping!

Chen Ping was stunned and didn’t know how to answer for a moment!

Chen Ping has too many things to do. He needs to retrieve the Divine King Bow, find Su Yuqi and the others, find Taoist Priest Wuji to rescue the old woman, and go to the Huo Fen Sect to rescue the leader of the Weapon Refining Sect. I’m afraid these things will happen. It’s hard to follow Liu Ruyan!

Seeing that Chen Ping was silent, Liu Ruyan quickly smiled and said, “Since it’s not convenient to say it, there’s no need to say it...”

“I’m asking you, what do you think of our Jade Cauldron Sect? Within a radius of a thousand miles, our Jade Cauldron Sect is the only medicine refining sect and can gain the respect of many sects!”

“And our Jade Cauldron Sect cooperates with many sects, and our Jade Cauldron Sect’s resources are countless.”

“Do you want to take all these resources into your pocket?”

Liu Ruyan stared hard into Chen Ping’s eyes, with a bit of tenderness in her eyes!

Chen Ping didn’t dare to look into Liu Ruyan’s eyes, and said with evasive eyes, “I don’t understand what you mean?”

“I won’t beat around the bush, I want to become a Taoist couple with you, and then the Jade Cauldron Sect will be yours.”

“And I am also yours. Maybe I am not as good as your other women, but I can also make you want to die!”

Liu Ruyan was brave enough. When he said these words, Liu Ruyan’s face was already red!

“You...you want to become a Taoist partner with me?” Chen Ping’s face was full of surprise!

He didn’t expect that Liu Ruyan could say such things!

Chapter: 4306

“right!”

Liu Ruyan nodded: “As long as you help me take back the Jade Cauldron Sect, I will be your woman. By then, you will have both fame and fortune. Isn’t this great?”

Hearing Liu Ruyan's words, Chen Ping suddenly smiled. It seemed that the reason why Liu Ruyan said this was because he wanted to help him take back the Jade Cauldron Sect!

"Why are you laughing? Isn't that right? You help me take back the Jade Cauldron Sect. When we become Taoist couples, you can stay in the Jade Cauldron Sect to practice with peace of mind. The entire Jade Cauldron Sect is yours, and it will be under your control! I can serve you at any time when needed!"

Liu Ruyan said to Chen Ping seriously.

"You are right. If you and I become partners, not only can I get the Jade Cauldron Sect, but I can also get you..."

"But it's impossible for me to stay in the Jade Cauldron Sect. I still have my own things to do!"

"The power of the sect under me is much higher than that of your Jade Cauldron Sect. There are also many confidantes around me. It is impossible for me to give up the entire forest for a tree..."

Chen Ping said calmly!

Hearing Chen Ping's words, Liu Ruyan looked dazed for a while, with a look of loss on his face!

She didn't expect that Chen Ping would reply to her like this!

Chen Ping's words made Liu Ruyan feel a little embarrassed, but it also proved from the side that Chen Ping was by no means an ordinary person!

The power of the sect in Chen Ping's hands is much higher than that of the Jade Cauldron Sect, so Chen Ping must be a wealthy man!

As a result, Chen Ping has no regard for the resources and power of the Jade Cauldron Sect!

“Excuse me.....”

Liu Ruyan apologized awkwardly, and then walked forward quickly!

“Although I didn’t promise you, I can help you take back the Jade Cauldron Sect. After all, I am now a disciple of the Jade Cauldron Sect in name only!”

Chen Ping said to ease the embarrassment.

“Really?” Liu Ruyan was stunned, and then looked at Chen Ping with a smile on his face: “Thank you then...”

“It’s getting late, we’d better go back, otherwise the third elder will have random thoughts again.”

Chen Ping said!

Liu Ruyan nodded and followed Chen Ping back!

But just as the two of them took two steps, several black shadows suddenly blocked their way!

Chen Ping frowned and instantly protected Liu Ruyan behind him. This was Chen Ping’s instinctive reaction, but when Liu Ruyan looked at Chen Ping’s generous back, a sense of security suddenly emerged!

Chapter: 4307

“Who are you?”

Chen Ping asked, staring at the people in front of him!

“Are you Chen Ping?” At this time, a guy with flames all over his body stepped forward and asked Chen Ping!

This guy is Zhe Yan who was brought by the Second Elder to kill Chen Ping!

“Not bad!” Chen Ping nodded!

Feeling the aura of these people in front of him, Chen Ping immediately realized that these people were demons!

And this guy with his whole body burning with flames seems to be somewhat similar to the aura of Ning Zhi.

Chen Ping didn't understand. Aren't these demons already like street rats in the world of gods and humans, with everyone shouting about beating them?

How dare they show up openly!

“Since it's correct, then you are the one I'm looking for...”

As Zhe Yan spoke, he waved his palm lightly, and suddenly a raging flame floated above his palm!

“Wait a minute, some things have to be explained clearly, right?”

“What are you looking for me for? We don't seem to know each other, and as demons, you dare to show your face in public. Aren't you afraid of being discovered?”

Chen Ping asked very puzzledly!

“Don't worry so much. Someone asked me to kill you anyway. You will be dead soon anyway, so what can we do if we find out?”

Zhe Yan smiled coldly, squeezed the flame in his hand and exploded instantly!

boom.....

The flames exploded instantly, and the scattered aura directly enveloped hundreds of meters in radius!

Obviously, this is a kind of shielding formation under Zhe Yan's cloth, in order to prevent his breath from leaking out for a while, otherwise someone will feel the demon's breath and swarm him!

After Chen Ping felt this aura, his brows furrowed deeply again!

"Are you a fire demon?"

Chen Ping asked strangely!

Because the flame aura on this person is so similar to Ning Zhi's flame demon body!

After Zhe Yan heard Chen Ping's words, he was obviously stunned: "You actually know about the Flame Demon Body?"

Chapter: 4308

"But I don't have that one-in-a-thousand physique. What I practice is just enchanted flames. If anything is in front of me, I can turn it into ashes."

When Zhe Yan talked about his abilities, he was obviously very arrogant!

"Your ability is indeed good, and you are already a master of the Fusion Realm. Why do you have to deal with me, a monk of the Transformation Realm?"

“Aren’t you afraid of being laughed at? What’s more, if you attack me, even if you set up a shielding formation, your breath may still leak out!”

“If your aura leaks out, you will be out of luck and you will be hunted endlessly.”

“Why don’t we talk, I can give you whatever you want without having to go to war!”

Chen Ping said to Zhe Yan!

It’s not that Chen Ping is afraid of Zhe Yan, although Zhe Yan’s strength is also at the third level of the Fusion Realm, and the subordinates he brought are also at the peak of the Transformation Realm!

But even if Chen Ping can’t defeat him, if he wants to escape, these people can’t stop him!

But now that Liu Ruyan is here, Chen Ping has to consider Liu Ruyan’s safety!

If there really was a fight, it would be difficult for Chen Ping to take care of Liu Ruyan!

“Yes, whatever you want, just ask, our Jade Cauldron Sect will definitely satisfy you!”

“But if you dare to take action, I, the Jade Cauldron Sect, will not let you go.”

Liu Ruyan stood up from behind Chen Ping and said sternly!

She hopes that with the reputation of Jade Cauldron Sect, she can scare the other party!

“Who are you? Can you represent the Jade Cauldron Sect?”

Zhe Yan looked at Liu Ruyan and asked!

After all, Zhe Yan had never heard of a woman as the leader of the Jade Cauldron Sect!

I have never heard of Hu Yixiao having a daughter!

“I am the daughter of the previous sect leader. Can you tell me what you want now?”

“As long as it’s not too much, I can satisfy you.”

Liu Ruyan said.

When Zhe Yan heard this, he was slightly startled, and then said: “Shouldn’t you have been poisoned long ago? I didn’t expect you were still alive.”

Zhe Yan heard the second elder mention the matter about the Jade Cauldron Sect. The second elder also knew about the dirty things Hu Yixiao had done. The reason why the second elder did not tell anyone was because he wanted to finally seize the position of the sect leader from Hu Yixiao. !

Chapter: 4309

Moreover, the second elder can also clean up the family in the name of Hu Yixiao poisoning the old sect leader. In this way, the second elder is also famous as a master. It can be said that the second elder is also a cunning guy!

“How do you know about my Jade Cauldron Sect?” Liu Ruyan was very surprised. Few people knew about her poisoning.

But he didn’t expect that the demon in front of him actually knew about this!

“Don’t ask so many questions. I won’t tell you. What I want is Chen Ping’s life, so just keep it.”

Saying this, suddenly a palm shot into the sky with flames heading towards Chen Ping!

Chen Ping also quickly slapped a palm, then pulled Liu Ruyan and kept retreating!

“I’ll hold them back for a while, and you can find a chance to escape.”

Chen Ping whispered in Liu Ruyan’s ear!

“If I don’t leave, how can you be their opponent? If you want to die, let’s die together. Anyway, I am a person who has died once.”

Liu Ruyan knew that it was impossible for Chen Ping to be his opponent when facing these people in front of him alone!

“I’ll let you escape. You can go get the reinforcements and find the Third Elder. I’ll be fine. Although I may not be able to defeat these guys, it won’t be that easy for them to kill me.”

Chen Ping followed Liu Ruyan and explained!

“Then you must hold on. I’ll call the third elder. Now that the third elder is here, you don’t have to be afraid of them.”

Liu Ruyan understood what Chen Ping meant, so she nodded and said!

“Boy, no wonder someone insists on killing you. I didn’t expect that you, a transformation monk, could easily take my palm.”

Zhe Yan’s face was full of surprise, and then he led people to slowly surround him!

Seeing this, Chen Ping grabbed it with his right hand, and the Dragon-Slaying Sword appeared. Then the Indestructible Golden Body was activated, and his whole body was covered in golden scales!

Then a bright golden light burst out from Chen Ping's body, reflecting a golden light on the gradually darkening sky!

"run....."

Chen Ping shouted loudly, and then took the lead!

The dragon-slaying sword in his hand instantly swung out countless sword rays, and the sword rays directly enveloped several people in front of him!

When Liu Ruyan heard Chen Ping run, he turned around and started running!

"Don't let her escape, don't let anyone go..."

When Zhe Yan saw this, he immediately roared!

Chapter: 4310

If Liu Ruyan runs away, then all their identities as demons will be exposed. Maybe Liu Ruyan will bring someone later, and they won't be able to escape!

When one of Zhe Yan's men saw this, he immediately rushed towards Liu Ruyan!

"court death....."

Chen Ping held the sword in his right hand and punched it out with his left hand!

"Holy Light Fist..." The golden fist instantly lit up half the sky like the scorching sun!

Countless fist shadows blocked him in an instant!

The guy who was chasing Liu Ruyan suddenly faced Chen Ping's Holy Light Fist and instinctively punched him out.

boom.....

There was a deafening sound, and the fists collided heavily.

In just an instant, a cloud of blood mist burst out from the chest of Zhe Yan's men, and then flew out!

The whole body exploded while still in mid-air, instantly turning into a ball of blood mist!

Zhe Yan was stunned when he saw this scene. Although the second elder reminded him that Chen Ping's strength was not as weak as he appeared, Zhe Yan did not expect him to be so strong!

"Copy guy..."

After Zhe Yan finished speaking, he grabbed it and the flames burning around his body suddenly turned into a long sword, and blazing fire also rose from the sword body!

Several people attacked Chen Ping at the same time, and Chen Ping used his dragon-slaying sword to resist Zhe Yan's attack with a vigorous swing!

As for Zhe Yan's men, Chen Ping was not afraid. After all, the indestructible golden body on his body was not easy to break!

After Chen Ping blocked Zhe Yan with his sword, several of Zhe Yan's men also hit Chen Ping with their weapons!

A burst of golden light burst out, accompanied by a jingling sound!

Chen Ping withstood the attacks of several people without any damage to his indestructible golden body!

Several people were stunned for a moment, and they looked at it in disbelief. You must know that they are all at the peak of the Transformation Realm, let alone hit anyone!

Even if it hits the top of a mountain, the entire mountain will collapse!

But several people hit Chen Ping at the same time, but Chen Ping didn't do anything!

At this moment, Chen Ping's internal organs were also tumbling. Several monks at the peak of transformation realm were hitting him at the same time. How could Chen Ping be unscathed!

But at this time, Chen Ping must not show any sign of injury!
