

The Order 431

Chapter: 431

Su Wenzong could only comfort himself in this way, but the bad feeling in his heart became stronger and stronger!

Soon, Lin Tianhu called and told Chen Ping that the car was found on Fenghuang Road, but there was no one around and there was no surveillance around. Lin Tianhu asked around and said that he saw someone taking Su Yuqi away!

boom.....

Hearing what Lin Tianhu said, Chen Ping's head felt as if it exploded instantly, and the bloodthirsty murderous aura in his body surged out instantly. At this time, Chen Ping was like a murderous god, and his eyes became extremely scarlet!

"Chen...Chen Ping, did something happen to Yuqi?"

Seeing Chen Ping like that, Su Wenzong's heart skipped a beat!

"Uncle, did anyone at home see Yu Qi when she went out?"

Chen Ping asked Su Wenzong.

"Yes, one servant said that after Yu Qi answered the phone, she left angrily!"

Su Wenzong replied!

"Uncle, you should have a good rest at home. I will find Yuqi!"

After Chen Ping finished speaking, he turned around and walked out of the Su family villa!

At this time, Lin Tianhu also arrived. Chen Ping got into Lin Tianhu's car and went straight to the business hall. Chen Ping wanted to find out who made Su Yuqi's last call. This call must be related to Su Yuqi's disappearance!

Relying on Lin Tianhu's reputation, he quickly found out the last phone number to call Su Yuqi. Looking at the familiar number, Chen Ping's eyes were filled with murderous intent!

"Palace Master, whose number does this belong to?"

Lin Tianhu asked.

"Go to Geng Shanshan's house!" After Chen Ping finished speaking, he leaned on the passenger seat and closed his eyes slightly!

Lin Tianhu understood now and cursed angrily: "This bitch still dares to change her ways!"

With a kick of the accelerator, the car sped towards Geng Shanshan's house!

Geng Shanshan humiliated Chen Ping again and again, but Chen Ping didn't even kill her, but he didn't want this guy to take advantage of her!

Soon, they arrived at Geng Shanshan's home. Lin Tianhu followed Chen Ping out of the car and rang the doorbell!

"Who is it?"

Geng Shanshan's mother Jia Meili walked out wearing a cheongsam!

When she opened the door and found Chen Ping and Lin Tianhu, Jia Meili was stunned: “Chen Ping, you... why did you come to my house?”

Chapter: 432

“Where’s Geng Shanshan, let her come out!”

Chen Ping asked with a cold face.

“She...she’s not at home? What do you want to do?” Jia Meili’s eyes dodge, obviously she is lying!

“Damn it, get that bitch out of here!”

Lin Tianhu stepped forward, grabbed Jia Meili by the collar, and directly lifted Jia Meili up!

This time, Jia Meili was frightened!

“Stop, let go of my mother!”

At this time, Geng Shanshan rushed out of the room: “Chen Ping, don’t think that you know Lin Tianhu. I am now a member of Mr. Wei. Do you dare to offend the Wei family in the provincial capital?”

Geng Shanshan asked Chen Ping with a proud look.

Snapped!

Without any hesitation, Chen Ping stepped forward and slapped Geng Shanshan hard on the face. Geng Shanshan was stunned and lost several teeth!

“Chen Ping, if you dare to hit my daughter, I will fight with you!”

When Jia Meili saw Geng Shanshan being beaten, she screamed desperately!

Lin Tianhu punched Jia Meili in the face, making Jia Meili’s mouth spurt with blood, and she couldn’t say a word!

Chen Ping stepped forward and grabbed Geng Shanshan’s hair, and said with a murderous look on his face: “Where is Yu Qi?”

Geng Shanshan stared at Chen Ping with anger in her eyes: “Chen Ping, if you dare to hit me, Mr. Wei will not let you go!”

Snapped!

Snapped!

Snapped!

Chen Ping slapped her a few more times, and Geng Shanshan’s face instantly turned into a pig’s head, with only a few teeth left in her mouth!

“I ask again, where is Yuqi?”

At this time, Geng Shanshan looked at Chen Ping’s murderous eyes and finally got a little scared: “I...I don’t know, how do I know where Su Yuqi is?”

Chen Ping frowned. He didn't expect that Geng Shanshan would be so harsh!

"Lin Tianhu, hit me!"

Chapter: 433

Chen Ping let go of Geng Shanshan and ordered directly to Lin Tianhu!

Lin Tianhu nodded, stepped forward and kicked Geng Shanshan to the ground, followed by a burst of punches and kicks, which made Geng Shanshan's face deformed!

"I said, I said..."

Geng Shanshan was beaten until she was dying, her whole body was covered in injuries, and her arms and legs were broken!

Chen Ping slowly knelt down and looked at the scarred Geng Shanshan, with no trace of pity in his eyes!

"I only know that Su Yuqi was taken away by Xiao Lei. I called to lure Su Yuqi out. The person behind it was Wei Tao, but I really don't know where they took Su Yuqi!"

Geng Shanshan said feebly, her eyes full of fear!

Because she discovered that if she didn't say anything, Chen Ping would really beat her to death!

Chen Ping frowned tightly. Su Yuqi was taken away by Xiao Lei and Wei Tao. The end could be imagined. Chen Ping didn't dare to think about it anymore!

“Xiao Lei, I will spare your life, but you are seeking your own death!”

Chen Ping’s body was filled with murderous intent, and even Geng Shanshan could feel the murderous intent on Chen Ping’s body and tremble!

“Mr. Chen, what should we do next?”

Lin Tianhu asked.

“Send people to surround the Xiao family. No one from the Xiao family is allowed to escape!”

Chen Ping said coldly, the cold murderous aura in his body was constantly rising!

“Understood!” Lin Tianhu nodded and immediately called and sent people to surround the Xiao family!

“As long as Yuqi is fine, otherwise I will let all of you be buried with him!”

After Chen Ping said a few words, he got in the car and left, heading straight to Xiao’s house!

.....

In an abandoned factory building on the outskirts of Hongcheng!

Wei Tao sat on a chair, holding a cigarette and admiring the sleeping Su Yuqi!

“Beautiful, so beautiful...”

Wei Tao looked squinting!

“Master Wei, should we notify Chen Ping to come over?”

Chapter: 434

Xiao Lei couldn't wait any longer. He hoped to kill Chen Ping as soon as possible to avoid long nights and dreams!

“Get out, I will tell you when to notify Chen Ping!”

Wei Tao gave Xiao Lei a cold look, and Xiao Lei was so frightened that he hurriedly retreated!

Soon, Su Yuqi woke up. When she saw that she was tied up, her face was full of horror and panic!

“Yu Qi, don't be afraid, I won't hurt you, I just came here to have a good chat with you!”

Seeing that Su Yuqi was awake, Wei Tao said hurriedly.

“Wei Tao?” Su Yuqi's face was full of surprise: “You... why did you capture me?”

“No, you misunderstood. It was Xiao Lei who captured you. I'm here to save you.”

Wei Tao said, stepped forward and untied Su Yuqi's rope!

Seeing Wei Tao untying the rope for herself, Su Yuqi's anxious heart relaxed a lot, and her face became more beautiful!

“What on earth is going on?” Su Yuqi asked, moving her wrist.

“Then Xiao Lei was still ruthless against Chen Ping, so he arrested you and wanted to lure Chen Ping over and kill Chen Ping!”

Wei Tao explained.

When Su Yuqi heard this, she immediately panicked: “Wei Tao, call me quickly, I want to call Chen Ping, don’t let him be fooled!”

Wei Tao looked at Su Yuqi’s nervous look, and a hint of jealousy suddenly flashed in his eyes: “I’m just a prisoner in a labor camp, do you care that much?”

Su Yuqi was stunned, looking at Wei Tao’s expression, a bad premonition flashed in her heart: “Wei Tao, what do you mean?”

“What do you mean by me?” Wei Tao’s face became a little ferocious: “I have been pursuing you for so many years, and you haven’t given me a chance, and now you just fall in love with a reform-through-labor prisoner. How am I inferior to that Chen Ping?”

Wei Tao roared and grabbed Su Yuqi’s arm tightly!

“Wei Tao, who told you these?”

Su Yuqi finally understood that Wei Tao, who was far away in the provincial capital, knew about the recent events in Hongcheng. Someone must have told him.

“You don’t have to worry about it. Tell me, how am I inferior to that Chen Ping?”

The strength in Wei Tao's hand increased a bit, which made Su Yuqi feel the pain and frowned!

"Let go of me, you hurt me, you are no better than him!"

Su Yuqi looked at Wei Tao with disgust!

Chapter: 435

"Bitch!" Wei Tao said, and slapped Su Yuqi on the face. Su Yuqi's face turned red instantly.

"I tell you, today I will let you watch your Chen Ping die in my hands. No one can take away my Wei Tao woman!"

Wei Tao stared and gritted his teeth and said!

"Wei Tao, if you dare to touch Chen Ping, I can't spare you!"

Su Yuqi shouted angrily!

"The more you act like this, the more I'm going to torture this guy!"

After Wei Tao finished speaking, he walked out of the room and closed the door hard!

"Wei Tao, let me out, let me out, if you dare to touch Chen Ping, I will never spare you!"

Su Yuqi banged on the door desperately, but to no avail.

In the end, Su Yuqi was tired of smashing and leaned on the wall, silently praying for Chen Ping:
"Chen Ping, you must not come!"

.....

On the other side, Xiao Yan, as the head of the Xiao family, was holding a meeting at home and sent two real estate companies to Chen Ping. Although the Xiao family was saved, it also caused a lot of damage to the Xiao family!

Two real estate companies, which accounted for nearly half of the Xiao family's property, were given away like this. I felt reluctant to do so, but there was nothing I could do about it!

"From now on, whenever my Xiao family is outside, please keep a low profile. Now our Xiao family is different from the past. In addition, the personnel arrangement needs to be adjusted!"

Xiao Yan sat on the main seat and followed everyone in the Xiao family with a solemn expression.

"Master, it's bad, it's bad, someone has surrounded the Xiao family!"

At this time, a servant hurried in and reported anxiously!

"Who is it?" Xiao Yan suddenly became furious: "Although our Xiao family is different from the past, we are not to be bullied by others. Come out with me and have a look!"

With Xiao Yan's words, everyone in the Xiao family stood up and walked out.

But just as he walked out of the door, Xiao Yan was stunned for a moment, and then a smile appeared on his angry face: "It turns out that Mr. Chen and Mr. Hu are here, please come in quickly!"

After Xiao Yan finished speaking, he glared at the man fiercely. He didn't know how to elaborate on this damn report. You must know that it was Chen Ping and Lin Tianhu who were here. Even if he had some courage, he wouldn't dare to come out aggressively with them. !

The servant also looked innocent. Before he could finish his words, Xiao Yan rushed out angrily with his men!

Chen Ping had an indifferent look on his face, and his expression was very ugly, while Lin Tianhu had murderous intent flashing in his eyes and said to Xiao Yan: "Where is your son Xiao Lei? Let him get out!"

When Xiao Yan heard this, his heart skipped a beat. He knew that his son must have caused trouble again!

Chapter: 436

"Master Hu, my son is not at home. I just asked someone to contact him, but he couldn't be reached at all."

Xiao Yan trembled all over and said!

He did contact Xiao Lei just now. After all, there was a family meeting, and it would be shameful for Xiao Lei not to be present, but he couldn't contact him at all, and Xiao Yan didn't wait for him!

"Who the hell are you bluffing?"

Lin Tianhu stepped forward and picked up Xiao Yan.

"Master Hu, I really didn't lie. I really can't contact my son. I swear..." Xiao Yan turned pale with fright and his body shook even more!

“Lin Tianhu, let him go!”

Chen Ping saw that Xiao Yan was indeed not lying!

Lin Tianhu let go of Xiao Yan, which made Xiao Yan breathe a heavy sigh of relief, and then asked cautiously: “Mr. Chen, Master Hu, do you know what my traitor did to offend you two?”

“Hmph, then Xiao Lei not only offended us, he also offended the Su family. He kidnapped Miss Su...”

Lin Tianhu snorted coldly!

boom.....

When Xiao Yan heard this, he almost fell down!

“This... this traitor is so bold that he dares to kidnap Miss Su?”

Xiao Yan’s eyes were full of horror. Who doesn’t know the relationship between Su Yuqi and Chen Ping? In addition, the Su family is the richest man in Hongcheng. Despite the usual conflicts between the two families, no one is serious about it. But if Su Wenzong’s daughter is kidnapped, won’t the Su family use everything they have to defeat the Xiao family? ?

“Someone has already confessed, and it was Xiao Lei who did it. This matter cannot be wrong...”

Lin Tianhu said with a cold expression.

“The traitor, the traitor...” Xiao Yan beat his feet and chest and shouted at everyone in the Xiao family: “You all contact this traitor and tell him to get back. I will break his legs!”

Everyone in the Xiao family went to contact Xiao Lei, and at this time Chen Ping’s cell phone did ring.

After the connection was connected, Xiao Lei’s proud and arrogant voice came: “Chen Ping, Su Yuqi is in my hands now. If you want her to be okay, just come to this abandoned factory in the western suburbs of Hongcheng by yourself. Remember, you only Xu comes alone, otherwise I can’t guarantee Su Yuqi’s safety!”

“Okay, if you dare to touch a hair of Yu Qi, I will let everyone in the Xiao family be buried with you!”

Chen Ping’s face was gloomy, and the cold and bone-chilling murderous aura in his body instantly filled the entire Xiao family!

Feeling the murderous aura on Chen Ping’s body, Xiao Yan trembled all over and cursed loudly at Xiao Lei: “Beast, let Miss Su go quickly and come back to apologize!”

Xiao Lei was stunned for a moment, but said fiercely: “Dad, don’t worry about this matter. Chen Ping doesn’t dare to do anything to the Xiao family. We have a backer now!”

Chapter: 437

After hearing this, Chen Ping showed a sneer: “The backer you are talking about is the Wei family in the provincial capital, isn’t it? The King of Heaven is here today, and no one can save you!”

“Chen Ping, stop talking nonsense. Let me tell you, if you dare to be disrespectful to my family, I will play with Su Yuqi first, and then send out all the photos. Let me see if you are still crazy!”

Xiao Lei didn't care at all about Chen Ping's threats. Now he could only make a desperate move and cling to the Wei family's thighs.

"You dare!" Chen Ping gritted his teeth and said two words from his mouth, and his eyes began to fill with blood-red color!

"Hahaha, let's see if I dare. Now that Su Yuqi is in my hands, I can do whatever I want. If you beg me, if you beg me now, I can wait for you to save her!"

Xiao Lei laughed, his tone extremely arrogant.

Chen Ping gritted his teeth and spoke after a moment: "Please, please don't touch Yu Qi!"

"Hahaha, that's right, come on, I don't have much patience!"

After saying that, Xiao Lei hung up the phone.

Chen Ping's murderous aura rose to the extreme, and he said to Lin Tianhu: "Be careful, no one is allowed to leave alone!"

"Mr. Chen, shall I go with you?"

Lin Tianhu said worriedly!

Although he knew that Chen Ping was very strong, the other party was obviously prepared and waiting for Chen Ping in advance, so this trip must be full of dangers!

"Don't worry, I haven't taken any notice of these clowns yet!"

After Chen Ping finished speaking, he turned around and left!

Xiao Yan looked at Chen Ping's back and sat down on the ground with a thud. He knew that his son was definitely dead.

"master....."

The servants hurriedly stepped forward to help Xiao Yan!

Xiao Yan waved his hand: "Go and prepare the funeral arrangements for the young master!"

The entrance to the abandoned factory in the western suburbs of Hongcheng!

A white off-road vehicle parked there, and Chen Ping stepped out with murderous intent!

"coming!"

Seeing that Chen Ping came alone, Xiao Lei was excited and nervous, and then said to Wei Tao: "Master Wei, this Chen Ping is really strong. Are you sure these two bodyguards can beat this Chen Ping?" Is it flat?"

When the two Wei family bodyguards heard this, their expressions suddenly turned cold. One of the bodyguards smashed towards a huge cement block!

Chapter: 438

Crash la la la la la la la la la la la la la la la.

The cement block shattered into countless pieces, and the steel bars inside were exposed!

When Xiao Lei saw this, he was stunned!

Seeing Xiao Lei's shocked look, Wei Tao said with disdain on his face: "These two are masters at the peak of their internal strength. They can easily kill a cow with one punch. Do you think they can kill a human being?" "

"Yes, yes..." Xiao Lei nodded desperately!

"Even if the two of them can't deal with Chen Ping, don't they still have me!"

Wei Tao said, taking out a dark pistol from his pocket.

Click.....

Wei Tao loaded the bullet in front of Xiao Lei and said with a faint smile: "No matter how powerful Chen Ping is, can he still dodge the bullet?"

"Hahaha, then Chen Ping is dead today, no one can save him!"

Xiao Lei felt relieved when he saw the gun in Wei Tao's hand. As the saying goes, no matter how skilled you are, you are still afraid of a kitchen knife, not to mention the gun in Wei Tao's hand!

Su Yuqi heard the conversation between the two people inside. After knowing that Wei Tao had a gun, she felt extremely anxious. She could not let Chen Ping take risks for herself, and she could not watch Chen Ping die, but she was locked in the house now. There is no way to tell Chen Ping!

At this time, looking at the abandoned factory in front of him, Chen Ping stepped in and a trace of spiritual power emanated from Chen Ping's body. He could instantly sense objects within ten meters!

When Chen Ping walked into the factory, he saw two bodyguards with cold faces standing on the left and right. The two men were strong and strong, and it was obvious at a glance that they were practitioners!

Xiao Lei was sitting on a chair, with his legs crossed, looking at Chen Ping with a sneer on his face, his eyes full of disdain and amusement!

At this time, he looked at Chen Ping as if he were looking at a dead person!

“Chen Ping, I didn't expect you to dare to come. I admire you for being a man!”

Xiao Lei stood up and said.

“Stop talking nonsense, where is Yuqi?”

Chen Ping said indifferently!

“Chen Ping, I'm here. Go quickly, go quickly, they have guns in their hands...”

Su Yuqi heard Chen Ping's voice and slammed the door in the room desperately!

“Yu Qi...”

Chen Ping frowned and ran towards the room!

Chapter: 439

As soon as Chen Ping moved, the two bodyguards immediately stopped Chen Ping and prepared to take action!

At this time, the door to the room was opened, and Wei Tao pushed Su Yuqi out with a gun in his hand!

Su Yuqi's hair was fluffy and there were stains on her face, and she looked very embarrassed.

After seeing Chen Ping, Su Yuqi shouted desperately: "Chen Ping, leave me alone, they don't dare to kill me, leave quickly, leave quickly..."

"Shut up!" Wei Tao was furious and slapped Su Yuqi hard!

boom.....

Chen Ping saw this, and the raging murderous aura in his body swept towards Wei Tao in an instant!

Feeling the murderous aura on Chen Ping's body, Wei Tao trembled all over and put the muzzle of his gun against Su Yuqi's head!

"If you dare to move, I will shoot her to death..."

Wei Tao looked at Chen Ping with fear in his eyes!

"Chen Ping, if you come today, don't even think about leaving. This is your grave. Do you think it's great that you know Lin Tianhu and Gu Wentian? You still dare to show off your authority in front of me. None of them can save you now. !"

Xiao Lei thought of the time when he was groveling in front of Chen Ping, and his heart was filled with anger. He walked up to Chen Ping in two steps and slapped Chen Ping in the face!

Chen Ping reached out and grabbed Xiao Lei's wrist: "If I can show off my power in front of you, the test is not for others, but for myself!"

Click.....

Xiao Lei's other arm was also pinched off by Chen Ping!

"ah....."

The severe pain made Xiao Lei scream, and the screams echoed in the abandoned factory!

Bang.....

Then Chen Ping kicked Xiao Lei hard in the abdomen!

puff.....

Xiao Lei spurted out a mouthful of blood, his body flew out directly, and then curled up together like shrimps!

"you....."

Xiao Lei stared at Chen Ping with eyes full of anger!

“I gave you a chance, but you didn’t know how to take advantage of it...”

Chapter: 440

Chen Ping walked towards Xiao Lei with a cold expression!

“Kill him, kill him...”

Xiao Lei looked at Chen Ping like that and began to feel fear in his heart.

The two bodyguards looked at Wei Tao, and now they only listened to Wei Tao’s words.

Wei Tao nodded: “Kill him...”

The two bodyguards looked at each other and rushed towards Chen Ping!

Chen Ping’s footsteps did not stop. Just when the two bodyguards rushed in front of him, Chen Ping suddenly took action and directly stuck the throats of the two bodyguards!

Two sturdy bodyguards were picked up by Chen Ping’s neck.

“Well.....”

The two bodyguards’ faces turned red, and they struggled desperately because of the suffocation!

Click, click.....

There were two sounds of bone cracking, and the bodyguard who was struggling desperately tilted his head and became lifeless!

Bang!

As soon as Chen Ping let go, the bodies of the two bodyguards fell heavily to the ground, stirring up bursts of dust!

This time, both Xiao Lei and Wei Tao were dumbfounded!

Two bodyguards at the peak of their internal strength didn't even take a single move from Chen Ping?

Wei Tao's hands began to tremble, and his heart was filled with fear. Even with a gun in his hand, it could not give him the slightest sense of security!

Xiao Lei endured the severe pain and crawled to Wei Tao's feet. His voice trembled and he said: "Master Wei, shoot, shoot him quickly..."

Only then did Wei Tao react. He raised his hand and was about to shoot Chen Ping!

"Chen Ping, be careful!"

Su Yuqi roared, opened her mouth and bit Wei Tao's arm!

"ah....."

Wei Tao roared in pain and pushed Su Yuqi away!

“Chen Ping...”
