

The Order 4311

Chapter: 4311

“die.....”

The dragon-slaying sword in Chen Ping’s hand was instantly swung out when the opponent was stunned!

A sword light flashed across the sky, instantly penetrating a person’s body!

This sword directly cut one of them in half!

Several other people, with panic on their faces, quickly backed away!

Zhe Yan looked at Chen Ping in shock. As soon as he took action, two of his men were killed. At this time, he finally understood why the second elder had to lead his team here!

The scene fell into silence for a while. Zhe Yan and the remaining men looked at Chen Ping in disbelief, with their eyes widening!

“This guy has armor on his body, and his body is extremely strong. We can’t attack him at close range. We must burn him to death with extreme fire...”

Zhe Yan knew that the golden and indestructible golden body on Chen Ping must be some kind of magic weapon. It would be difficult for ordinary weapons to cause harm to Chen Ping!

So they could only use fire to burn Chen Ping alive, and what they practiced was the method of controlling flames!

Soon, balls of fire rose up from the palms of these people’s hands, and then all of these fireballs were thrown towards Chen Ping!

Chen Ping held the Dragon-Slaying Sword in his hand and continuously swung out sword rays, hitting the fireball!

However, the sword light hitting the fireball could only break it into pieces, but the scattered flames still fell on Chen Ping, although they burned violently and made a sizzling sound!

When Zhe Yan saw this, he raised the corner of his mouth slightly. He didn't care about Chen Ping, but went straight to Liu Ruyan. He couldn't let Liu Ruyan escape!

I saw Zhe Yan leaping hard, and then there were bursts of roars in the sky, and a sea of fire instantly spread out from the sky, making the entire sky red!

The terrifying aura rushed straight towards Liu Ruyan. Seeing this, Liu Ruyan, who was running away, quickly turned his head to look. When he saw someone chasing him like this, he felt anxious in his heart!

She is only at the peak of Transformation Realm, so there is no way she can be Zhe Yan's opponent!

"It's not that easy to run away?"

Zhe Yanhou roared, and the rolling flames in the sky began to sweep towards Liu Ruyan!

Seeing this, Liu Ruyan could only stop and suddenly waved out a burst of spiritual power with both fists to block the burning flames!

But the spiritual power Liu Ruyan exerted was instantly defeated by the fierce flames.

Liu Ruyan was shocked and backed away quickly.

However, both palms were still stained with flames. The intense burning sensation made Liu Ruyan's face look ferocious, and blood continued to flow out of his hands!

“What a powerful fire...”

Chapter: 4312

Liu Ruyan looked at her burned hands with a solemn expression!

“Whether you are the eldest lady of the Jade Cauldron Sect or not, I will make you disappear into ashes today...”

After Zhe Yan finished speaking, he once again directed the huge wave of flames towards Liu Ruyan!

There was fear in Liu Ruyan’s eyes, but she was no longer able to resist. The difference in strength was too great, and resistance was futile!

“It seems that I can’t take back the Jade Cauldron Sect after all...”

Liu Ruyan accepted her fate and closed her eyes slightly!

“Don’t worry, you’ll be fine as long as I’m here!”

At this time, Chen Ping’s voice sounded in Liu Ruyan’s ears!

Liu Ruyan opened her eyes and found Chen Ping standing in front of her, his golden body like a barrier, protecting her!

Facing the huge wave of flames, Chen Ping burst out the power of the dragon in his body, and a golden golden dragon flew away in an instant!

Then he circled his body and spit out flames from his mouth with all his strength!

The two flames collided instantly, and the surrounding trees were instantly reduced to ashes under the flames!

The golden dragon roared, and the flames from its mouth kept spraying out!

The roaring sound continued, and a burst of strange colors appeared in the air!

Under the illumination of these two flames, the entire mountain forest was as bright as day!

“It would be great if Yuqi was here...”

Chen Ping frowned slightly. He felt that the extreme heat of the other flame was very troublesome!

If Su Yuqi is here, there is no need to be afraid. Su Yuqi is a fire spirit and is born with the ability to control flames.

The scorching temperature is still rising, and the entire mountain range is burning with raging fire, but in the middle of the raging fire, several figures are motionless!

“A mere transformation monk has really impressed me again and again...”

His eyes condensed slightly, and then the flames surged again, heading towards Chen Ping desperately. Soon the entire sky seemed to be covered in other flames!

Chen Ping could sense that Jin Long might not be able to resist for long, so he said to Liu Ruyan: “Quickly retreat...”

Liu Ruyan was stunned for a moment, but still obeyed Chen Ping’s words and hurriedly stepped back!

Just when Liu Ruyan retreated, as the golden dragon turned into golden light and dissipated, Chen Ping’s body was instantly wrapped in flames!

Chapter: 4313

The sky filled with flames completely engulfed Chen Ping.

“Chen Ping...”

When Liu Ruyan saw this, he was shocked and shouted!

But Liu Ruyan couldn't get close. These flames were not ordinary flames, but demonic flames. They were many times more powerful than ordinary flames!

Seeing Chen Ping wrapped in flames, Zhe Yan raised the corner of his mouth and smiled: “You still dare to fight with me, today I will make you disappear into ashes...”

After saying that, Zhe Yan began to shrink into fire. The flames that were originally like waves were shrinking little by little!

As Zhe Yan played spells one after another, the flames were compressed smaller and smaller, and finally they were reported to Chen Ping and wrapped tightly!

You must know that when the flame is compressed, both its temperature and power will increase exponentially!

The compression of the flames caused the surrounding air to become thinner. Everyone only felt the heat wave hitting their faces, making it difficult to breathe!

Even if they were tens of meters away from the flame, they still felt this way. It can be seen that Chen Ping in the center of the flame had already become coke at this time?

Slowly, the flames compressed until only a human figure remained, as if Chen Ping's body was burning with flames!

Chen Ping's body slowly fell to the ground, and despite the flames burning on his body, he remained motionless!

"Why hasn't it been burned to ashes?"

Zhe Yan was a little surprised, wondering why Chen Ping hadn't turned into ashes yet?

You must know that under this compressed ultimate fire, everything will turn into ashes!

Zhe Yan took two steps forward, he wanted to see what was going on!

But just when Zhe Yan took two steps forward, Chen Ping, who had fallen to the ground, suddenly stood up!

The flames on his body were extinguished in an instant, and then an extremely bright brilliance shot out from Chen Ping's Dragon-Slaying Sword!

Zhe Yan was shocked. He didn't expect that Chen Ping not only survived, but could actually resist!

He suddenly turned around, but Zhe Yan's shoulder was still scratched by the sword light!

And Chen Ping's sword did not use the power of the dragon, but the power of the three clans. In this way, the aura in his body was completely exposed!

You must know that the power of the three clans is far greater than the power of a certain clan!

It's a pity that Zhe Yan was still too cautious, and the sword just failed to kill him!

Zhe Yan looked at his injured arm and frowned!

Chapter: 4314

There is a bit of incredulity in the eyes!

“Who are you? And who are you, Yin Demon? How come you have the power of Dao Marks in your body?”

Zhe Yan stared at Chen Ping and asked!

Chen Ping was slightly stunned, but he quickly realized that Zhe Yan must have felt the power of the Taoist pattern in his body, so he asked this question. After all, the evil spirit of the Taoist pattern is the secret skill of the Yin Demon!

But just now he used Holy Light Fist, why didn't Zhe Yan see that it was Feng Mo's secret skill?

Could it be that in this human world, the Yin Demon is really more powerful and famous than the Wind Demon?

Chen Ping thought about it, but quickly said: “The Yin Demon is my master, and he taught me the power of the pattern.”

Chen Ping said this to make Zhe Yan feel scrupulous. After all, the Yin Demon's status among the demon clan in the heaven and human world should not be low!

Otherwise, the Yin Demon would not have been suppressed!

“Your master?” Zhe Yan snorted, but he didn't believe what Chen Ping said!

“The Yin Demon has been suppressed a long time ago. How could he be your master? You must have learned the power of the Dao Marks from some ancient records, right? Moreover, the power of the Dao Marks in your body is weak, and you dare to say that it belongs to the Yin Demon. disciple!”

Chen Ping's power of Dao patterns was merged into the power of the three clans, so the mere existence of the power of Dao patterns must be much weaker!

That's why Zhe Yan misunderstood Chen Ping. You must know that Chen Ping's power of Dao patterns has reached its peak, and he can even draw the God King's bow easily!

If Chen Ping had the Divine King's Bow in his hand now, he probably wouldn't have to follow Zhe Yan's nonsense!

Just kill him with one arrow!

"Believe it or not, if you kill me today, my master will not let you go."

Chen Ping said!

"Hmph, let me tell you, even if you are the disciple of that evil demon, it is of no use. You must be killed today."

"Besides, even if the evil demon is not suppressed, he can't control me..."

Zhe Yan's whole body cultivation exploded, heading towards Chen Ping again!

As a demon cultivator of the third level of the Fusion Realm, he was actually injured by Chen Ping, a monk of the Transformation Realm. This made Zhe Yan very angry!

When Chen Ping saw this, he jumped up with the dragon-slaying sword in hand!

But this time, Chen Ping instantly activated the spell, and a white mist began to rise from all around. The mist was extremely cold!

Chen Ping wants to use these cold mist to reduce the power of other flame to fire!

Chapter: 4315

“Hmph, I am the ultimate fire of the demon clan. Not to mention a thin layer of mist, it can still burn forever even in the wind, snow, ice and frost!

Zhe Yan snorted coldly.

But Chen Ping didn't speak. In the mist, Chen Ping's dragon-slaying sword suddenly shook, and the Nine Shadows Sword Technique was unleashed!

Soon, three identical Chen Ping figures appeared!

However, due to the obstruction of the fog, Zhe Yan did not realize that Chen Ping at this time was no longer the same person!

“Miss Liu, run quickly...”

Chen Ping shouted at Liu Ruyan!

“Don't let him run away...” Zhe Yan also shouted at the same time!

Several of Zhe Yan's men rushed towards Liu Ruyan!

But just after taking two steps, two identical Chen Pings rushed out from the mist!

This scene instantly stunned several of Zhe Yan's men!

Even Liu Ruyan, who was running away, was slightly startled when she saw this scene, but she did not stop, but ran away quickly!

Several of Zhe Yan's men reacted and chased after him, but were stopped by Chen Ping's shadow clone. The two sides fought instantly!

When several people discovered that two identical Chen Pings also had strength, they were even more shocked!

Obviously, this is not an illusion, let alone a phantom!

After all, it is impossible for a phantom to have strength!

At this time, Zhe Yan didn't know what was going on outside. Based on his feeling, he suddenly slapped his palm forward!

Bang.....

Zhe Yan slapped Chen Ping on the head, causing Chen Ping to fall to the ground instantly!

Zhe Yan was stunned. He didn't expect that he would kill Chen Ping so easily?

This is a bit incredible!

But looking at Chen Ping who fell to the ground, it was true!

But just when he was about to pick up Chen Ping's body, Chen Ping suddenly fell to the ground, and his figure slowly turned into a white light and disappeared!

"this....."

Chapter: 4316

Zhe Yan was shocked!

But just when Zhe Yan was stunned, a dangerous aura came from his back, and Zhe Yan suddenly turned around!

He found that Chen Ping was holding up the Dragon-Slaying Sword, and the sword light soaring into the sky was slashing towards him fiercely!

The hair all over Zhe Yan's body stood up, and he suddenly waved out two palms while his body continued to retreat!

Chen Ping's sword was blocked again!

"Damn, another chance lost..."

Chen Ping couldn't help but curse!

He had no choice but to use the shadow clone and at the same time distribute the spiritual power in his body, so the power of his sword was much weaker!

At this time, the surrounding fog also dissipated. When Zhe Yan saw that his men were fighting with two identical Chen Pings, he was completely confused!

But before he could react, the two Chen Pings were also killed by his men!

It's just that the bodies of the two Chen Pings who were exactly the same turned into a white light and disappeared, just like what he encountered just now!

"What kind of sorcery did your kid use?"

Zhe Yan asked in surprise!

After all, he has never seen a shadow clone that can still fight. Many people know some illusion formations or illusions, but they are all deceiving people's eyes. There is no way a shadow clone can fight. But Chen Ping's shadow clone actually and The body is the same!

Apart from being slightly less powerful than the main body, there seems to be no difference...

Chen Ping ignored Zhe Yan, but looked at them coldly!

At this time, Liu Ruyan had already run away, and Chen Ping knew that she must have gone to invite the third elder!

As long as the third elder arrives, he doesn't have to worry!

Zhe Yan also understood that dragging him on would be very detrimental to him. After all, if Liu Ruyan escaped, it would most likely attract a large number of monks to hunt them down!

"Boy, no matter what sorcery you know, you can't escape today."

The flames on Zhe Yan's body rose again!

"Who said I was going to run away!"

After Chen Ping finished speaking, he suddenly raised the dragon-slaying sword: "Wind Slash....."

Chen Ping suddenly shouted loudly. The dragon-slaying sword in his hand continued to rise, and the void began to be slowly torn apart by the sword light!

Chapter: 4317

The shocking sword light suddenly moved towards Zhe Yan, and at the same time, the power of the three clans in Chen Ping's body surged out like a tide!

This time, Chen Ping didn't hold back at all. He unleashed all the power in his body, raising the power of this sword to the extreme!

The avenue hums and the void trembles!

The terrifying sword light seemed to poke a hole in the sky!

Looking at Chen Ping's sword like this, his brows couldn't help but frown!

"Is this terrifying power really just a transformation monk?"

Zhe Yan, a third-level monk in the Fusion Realm, began to beat drums in his heart at this moment!

Because Chen Ping's sword was so shocking!

After a brief period of confusion, Zhe Yan reacted, and his body instantly turned into a ball of flame. Instead of following Chen Ping in a head-on confrontation, Zhe Yan quickly retreated!

But just as Zhe Yan stepped back, he found that the sword that was originally aimed at him changed direction and slashed directly towards those subordinates!

Zhe Yan was shocked, and instantly understood that Chen Ping's sword was not aimed at himself, but at several of his men!

"Hide quickly..."

Zhe Yan roared!

But by the time those subordinates reacted, it was already too late. The bright sword light was already in front of them!

“ah.....”

Several people roared at the same time, and bursts of flames began to burn on their bodies. Countless flames gathered into a shield!

They wanted to use this to resist Chen Ping’s attack!

The bright sword light struck Zhe Yan’s men instantly!

Under this terrifying sword light, the flame shields erupted by Zhe Yan’s men were as fragile as glass and shattered in an instant!

Rumble.....

With a loud noise, a huge pit appeared hundreds of meters in radius. The whole mountain was shaking, and countless trees turned into powder!

Smoke and dust rose into the sky, covering the sky and the sun, making it almost impossible to see anything!

Zhe Yan’s heart tightened. He knew that under such a terrifying attack, several of his men would be in danger!

The smoke and dust slowly dispersed, and Zhe Yan quickly looked into the pit!

Chapter: 4318

But when he saw the scene in the pit, he was stunned again!

Because he saw that several of his men had already turned into a pile of minced meat, and he couldn’t tell who was who!

Only a few clusters of flames were left beating and burning.

Chen Ping looked at the clusters of flames, stretched out his hand, and the flames instantly reached Chen Ping's hand!

Looking at the flames in front of him, Chen Ping knew that these must have been left behind by Zhe Yan's men after their deaths!

It should be something like a monk's golden elixir or a monster elixir.

"Give me their natal heart fire..."

Zhe Yan saw Chen Ping taking away those clusters of flames, so he yelled at Chen Ping!

As long as the fire in his heart is not extinguished, Zhe Yan still has a way to resurrect these subordinates!

"This is my trophy, why should I give it to you..."

Chen Ping sneered, and then threw the clusters of flames into the storage ring!

"If you don't give it to me, then go to hell..."

Zhe Yan's eyes widened, filled with anger!

All the men he brought have been killed by Chen Ping, leaving no one alive. He will never let Chen Ping go!

Feeling the terrifying aura on Zhe Yan's body, Chen Ping held the Dragon Slaying Sword tightly, frowning slightly, his face full of worry!

His sword blow just now almost exhausted his strength. At this time, fighting with Zhe Yan, Chen Ping might not be able to hold on for a few more moves!

But at this moment, two figures suddenly approached from far away!

"Zhe Yan, you are a demon cultivator, I didn't expect you to be still alive..."

Far away, I heard the voice of the third elder coming!

When Zhe Yan saw the third elder and Liu Ruyan arriving, his face became extremely ugly!

"Third Elder, do you know this person?"

Chen Ping asked very strangely!

He didn't understand how the third elder knew this demon cultivator!

"Of course we know each other. Our Jade Cauldron Sect was also involved in the group of demon cultivators who were chasing him back then."

Chapter: 4319

"It was said at first that this guy had been killed, but I don't know why he is still alive now!"

The third elder said!

After listening to the words of the third elder, Chen Ping thought for a moment and said: "Third elder, who said that Zhe Yan was dead?"

“Second senior brother said that. He said that he personally killed Zhe Yan.”

The third elder replied!

At this moment, Chen Ping suddenly became enlightened. He finally understood why Zhe Yan came to kill him. After all, he followed Zhe Yan without any grievances and had never even met him. Now that Zhe Yan wanted his own life, he must He was ordered to do so!

Chen Ping has only been in the heaven and human world for a short time, and he doesn't have many mortal enemies, nor many people who want his life!

The only one who wanted to kill him was the second elder!

“It seems that the second elder lied. The second elder did not kill the demon cultivator, but hid him in captivity. Now he was released to kill me for revenge.”

“No wonder I don't know this guy, but I kill him when I meet him!”

Chen Ping said calmly!

When the third elder heard this, he immediately looked over and said, “Zhe Yan, is it my senior brother who saved you and now sends you out to kill Mr. Chen?”

“Hmph, do you think I will tell you?”

Zhe Yan snorted coldly, then waved his hand, and a raging flame rose into the sky!

Chen Ping and the third elder quickly stepped back, while Zhe Yan took the opportunity to turn around and run away!

Zhe Yan knew that with his strength, he had no chance of winning against the three of Chen Ping!

“We can’t let him run away...”

After Chen Ping finished speaking, he raised his sword and chased after him!

When the third elder and Liu Ruyan saw this, they also hurriedly chased after him!

As long as Zhe Yan is caught, the second elder will be charged with hiding the demon cultivator. Then, without Chen Ping taking action, the rules of the Jade Cauldron Sect will make it impossible for the second elder to survive!

After all, in this world of gods and humans where demonic cultivators are shouted at and beaten by everyone, it would be the most shameful thing to dare to hide a demonic cultivator secretly and cooperate with a demonic cultivator!

Zhe Yan ran away very quickly, as if he was stepping on a hot wheel!

However, Chen Ping and the third elder are not slow either. They are also flying in the wind, trying to catch up!

But this is a pain for Liu Ruyan. Liu Ruyan’s strength is still quite different, so the speed is much slower!

Chapter: 4320

Soon, Liu Ruyan was left far behind!

Liu Ruyan felt a little anxious at this time. If Chen Ping and the others ran away and she was the only one left, Liu Ruyan was really afraid of meeting other people. If she met other disciples of the Jade Cauldron Sect and recognized them, then Liu Ruyan would Yan is in trouble, Hu Yixiao will never let her go!

Just when Liu Ruyan gritted his teeth and chased desperately, Chen Ping turned back to Liu Ruyan, and then grabbed Liu Ruyan’s hand!

Chen Ping seemed to have thought of the danger of Liu Ruyan running alone, so he turned back!

“Hold on to me, I’ll take you...”

After finishing speaking, Chen Ping activated the Wind Technique and his feet flew across the grass quickly!

Liu Ruyan felt the warmth on Chen Ping’s hands, and when she looked at the resolute profile, she became obsessed for a moment!

Soon, several people chased him into a mountain forest. Zhe Yan suddenly stopped not far away and no longer ran away!

When Chen Ping saw this, he quickly stopped. Zhe Yan suddenly stopped running. There must be some fraud involved!

I saw Zhe Yan looking at Chen Ping calmly: “Good boy, I remember you. I will definitely avenge the revenge of my subordinates.”

After saying that, the flames on Zhe Yan’s body suddenly looked like running water, flowing from his body to the ground!

It began to burn under his feet, and a pattern on the ground shone with brilliance!

“Teleportation array?” Chen Ping suddenly looked surprised, and then shouted loudly: “Don’t even think about running away...”

Chen Ping jumped up with the dragon-slaying sword in hand, and the sharp sword light went straight towards Zhe Yan!

But just when the sword light reached in front of Zhe Yan, Zhe Yan’s body emitted a white light, and then the white light disappeared, and Zhe Yan’s body also disappeared!

“Damn it, let him run away. This guy is quite cautious. He even found a way out and set up a teleportation formation here!”

When Chen Ping saw Zhe Yan running away, he couldn't help but curse!

“Mr. Chen, let's go back quickly. There was such a big movement just now. If someone comes and finds the eldest lady, there will be some trouble.”

The third elder said to Chen Ping!

“Okay, let's go...”

Chen Ping nodded, and then the three of them returned to the secret cave!

In the cave, after giving Liu Ruyan a disguise, the three of them returned to the headquarters of the three elders!

Liu Ruyan looked at the once prosperous sect's headquarters, but now it was a dilapidated scene, and only the three elders of the disciples were left to hold on, and her eyes were filled with tears!

But Liu Ruyan couldn't show it, she couldn't let others doubt her identity!
