

## **The Order 4321**

Chapter: 4321

Now Liu Ruyan's identity is a newly recruited disciple of the Third Elder!

"Miss, because Kuang Biao destroyed a lot of houses some time ago, the houses are a little tense now. You can live in a room with Mr. Chen for the time being!"

"You are now a boy. If I prepare a separate room for you, I'm afraid it will arouse others' suspicion!"

The third elder said to Liu Ruyan!

In fact, Liu Ruyan knew what the third elder meant. The reason why he arranged this was just to create opportunities for the two of them!

"Okay!" Liu Ruyan nodded, then looked at Chen Ping and asked, "What do you think about the two of us sleeping together?"

"No problem. Anyway, I meditate and practice at night, so it won't affect me!"

Chen Ping also nodded!

"Okay, I'll prepare some herbs to help Mr. Chen regain his strength."

After the third elder finished speaking, he turned around and walked out!

Chen Ping sat cross-legged on the ground and began to use magic formulas to continuously replenish his physical strength. The medicine pool was about to be opened, and he needed to return to the peak of his strength as soon as possible.

Liu Ruyan looked at Chen Ping quietly, and that heart-pounding feeling came again!

Especially when chasing Zhe Yan, Chen Ping stepped forward and took her hand to chase her together. That feeling kept Liu Ruyan recalling it.

“What kind of person are you?”

Liu Ruyan murmured to himself!

“Have you seen enough? If you have seen enough, take a rest quickly.”

At this time, Chen Ping slowly said!

This sentence shocked Liu Ruyan. She thought Chen Ping had entered a state of trance, but she didn't want to be discovered by Chen Ping when she peeked!

His face turned as red as Liu Ruyan, and he quickly went to bed and covered his head with the quilt!

Chen Ping opened his eyes, looked at Liu Ruyan, smiled slightly, and entered the cultivation state again!

Time passed quickly, Chen Ping sat cross-legged and never woke up. In order to hide his identity, Liu Ruyan also stayed in seclusion and accompanied Chen Ping to meditate and practice!

Three days later, the day for the medicine pool to be opened finally arrived. Hu Yixiao also thought about it for three days and returned to the sect!

Jade Cauldron Sect!

Today is the day when the medicine pool is opened, and all the disciples of the Jade Cauldron Sect are dressed up to attend.

Chapter: 4322

To the southwest of the back mountain of the Jade Cauldron Sect, streaks of spiritual energy soaring into the sky continued to rise, and the rich spiritual energy covered the entire Jade Cauldron Sect!

Hu Yixiao was wearing formal sect leader clothes and stood on a high platform, while the two elders stood on both sides!

At this time, everyone looked eager. After all, being able to enter the medicine pool would be a great opportunity!

The second elder's eyes passed over the disciples of the third elder's lineage. When he saw Chen Ping in the crowd, his brows wrinkled obviously, but they soon relaxed!

But when the second elder's eyes stayed on Liu Ruyan, they didn't move away for a long time!

At this time, the second elder always felt that Liu Ruyan looked very familiar. Although Liu Ruyan had changed his appearance at this time and could not see his true face, some of his aura and characteristics were still difficult to conceal!

Liu Ruyan seemed to notice that someone was paying attention to her, so she quietly moved her body and hid behind Chen Ping!

"Third Junior Brother, you have recently recruited new disciples very frequently. Why do I think one of your disciples is so unfamiliar?"

The second elder asked the third elder in a low voice!

The third elder knew who the second elder was talking about, but he did not answer and ignored the second elder!

When the second elder saw this, he didn't say anything!

“Two junior brothers, have you chosen your candidates?”

“The number of people entering the medicine pool this time is thirteen. Because Kuang Biao died, so this time the second junior brother can choose four people from his lineage to enter, and the third junior brother you can choose three from your lineage. Is this distribution okay?”

Hu Yixiao asked the two elders!

“I have no objection!” The second elder nodded!

The third elder also nodded and said, “I have no objection either.”

The third elder knows that even if he has an opinion, he can't change anything at all!

“Since there are no objections, let the people you select come out. As long as they pass the assessment, they can enter the medicine pool.”

Hu Yixiao said!

Soon, all the selected disciples stood up. The three elders were Chen Ping, Liu Ruyan and Fang Shu!

Seeing that the third elder gave two such important quotas to the new disciples at once, many people couldn't help but feel a little confused!

At this time, Hu Yixiao glanced at Chen Ping and the three of them, and his eyes unconsciously stayed on Liu Ruyan for a little longer!

When the third elder saw this, he couldn't help but feel a little nervous. If Liu Ruyan's identity was revealed, it would be troublesome!

But soon, Hu Yixiao looked away from Liu Ruyan, and then asked the third elder: “Third junior brother, you gave such an important place to a new disciple, don’t cause dissatisfaction among the old disciples.!”

Chapter: 4323

“Senior brother, please remind me, my disciples have nothing to complain about.”

The third elder said calmly!

Hu Yixiao looked at the third elder, did not say anything, but waved his hand and said: “Okay, the disciples who are out of the queue can enter the medicine pool. If anyone is feeling unwell or lacks ability, they can withdraw now. ”

“If you enter a level and want to exit, it will be impossible. If you forcefully enter the medicine pool due to lack of ability, and any accidents occur, you are responsible for it!”

But these words are just words. No one will quit. This is what many Jade Cauldron Sect disciples dream of. Even if they really die inside, no one will quit!

Chen Ping glanced at the disciples of Hu Yixiao’s lineage and unexpectedly discovered that Nie Heng, the top disciple, was not among them. This surprised Chen Ping!

Perhaps Nie Heng brought him into the Jade Cauldron Sect, which made Hu Yixiao a little angry, so he canceled Nie Heng’s quota!

Whether they were disciples from Hu Yixiao’s lineage or disciples from the Second Elder’s lineage, these people looked at Chen Ping with very unfriendly eyes!

Especially the four disciples of the Second Elder’s lineage, their eyes were full of murderous intent, and they wanted to tear Chen Ping into pieces!

But Chen Ping didn’t care. Even Kuang Biao was killed by him. He didn’t care about the other disciples of the Second Elder at all!

If these guys dare to cause trouble for me, then I will never show mercy!

However, Chen Ping also knew that the second elder must have made arrangements. This time he entered the medicine pool, but he was afraid that it would not be so smooth!

After the thirteen disciples who entered the medicine pool were sent to a pass in the back mountain, everyone stopped, and they had to walk the rest of the way on their own!

“Mr. Chen, you should be more careful...”

The third elder warned Chen Ping!

“Third Elder, don’t worry. With the strength of these disciples, no one can do anything to me!”

Chen Ping said with confidence!

“Master, I am with Mr. Chen. Those guys don’t dare to cause trouble.”

Fang Shu followed the third elder and said!

“You just need to be more careful. I’m always a little uneasy.”

The third elder didn’t know why, but he always felt a little flustered. Then he glanced at Liu Ruyan and said, “Miss, no matter what happens, just follow Mr. Chen closely.”

“Third Elder, I understand!” Liu Ruyan nodded!

Soon, after giving instructions, the thirteen disciples walked into the pass. As the group went deeper, the surrounding air began to become extremely cold!

Chen Ping could tell at a glance that this was just a small magic circle, and the extreme cold had no impact on Chen Ping at all!

Chapter: 4324

Other disciples didn't pay much attention to this sudden extreme cold. This kind of assessment was just to prevent a very few disciples with low cultivation levels from mixing in and entering the medicine pool!

After all, the energy in the medicine pool is huge. If the cultivation level of the disciple who enters it is too low, he may not be able to withstand it at all and will explode and die!

Therefore, these previous assessments should be to screen out disciples with low cultivation levels!

The group of people quickly passed through the extremely cold place, and then there was another scene of burning flames!

Chen Ping couldn't help laughing when he saw this pediatric-like assessment, and then walked in quickly!

Fang Shu and Liu Ruyan followed closely behind!

But after the three of them walked in, none of the other Jade Cauldron Sect disciples moved!

After walking a certain distance, Fang Shu suddenly felt something was wrong, so he looked back and found that the other two disciples were all standing there with a strange smile on their face!

"Mr. Chen, I feel something is wrong..."

Fang Shu quickly called out to Chen Ping!

Chen Ping stopped and asked, "What's wrong?"

"Look, those guys didn't follow at all. They all smiled so weirdly. I'm afraid there's some conspiracy!"

Fang Shu pointed at the Jade Cauldron Sect disciples standing there and said!

Chen Ping glanced at those guys, then smiled and said: "It's okay, it's just someone controlling the formation in this assessment. The flames will become stronger after a while, so they don't dare to come in!"

In fact, Chen Ping had noticed this a long time ago. He had experienced this kind of thing during the inner examination.

"What? Is there such a thing? There are still people who can control the difficulty of the assessment?"

Fang Shu was surprised because he had never heard of such a thing!

"I was treated like this when I took the inner sect examination. Everything will be fine as long as I'm here. Let's go..."

Chen Ping patted Fang Shu on the shoulder.

These assessment formations are just child's play for Chen Ping. Even if the difficulty of the formations is increased, it will not be able to do anything to Chen Ping!

Chen Ping and the three of them continued to walk forward, but just after walking a certain distance, the flames that were not too hot suddenly started to burn violently!

Even though the three of them had spiritual protection, they still felt the heat wave coming one after another!

Liu Ruyan and Fang Shu felt that breathing became difficult, and the aura shield around them was constantly weakening.

When Chen Ping saw this, he pinched his fingers, and then several golden lights shot out from his fingertips!

Chapter: 4325

After a moment, the hot flame disappeared in an instant!

“Such a clumsy formation, and you still want to target me...”

Chen Ping sneered and said!

Liu Ruyan looked at Chen Ping with a bit of surprise in her eyes. She didn't expect that Chen Ping's formation technique was so powerful, and he cracked the formation in an instant!

At this time, Liu Ruyan looked at Chen Ping with more tenderness in her eyes!

In the past, she wanted to form a Taoist couple with Chen Ping in order to regain the Jade Cauldron Sect, but now Liu Ruyan really has feelings for Chen Ping!

“Mr. Chen, you are really a strange person. There seems to be nothing you can't do.”

Fang Shu praised Chen Ping with envy, then glanced at the other disciples, and then said angrily: “Now we will take advantage of these weaklings. If the formation is broken, they don't have to break through.”

“Don't worry, I won't let them be so cheap.”

Chen Ping raised the corner of his mouth, then put his fingers together, muttered something in his mouth, and then started making gestures in the void!

Fang Shu and Liu Ruyan looked at Chen Ping quietly. Soon Chen Ping stopped and stopped!

And in the void in front of Chen Ping, a magic circle suddenly began to glow with bursts of white light!

“Let those guys have a taste of my formation, let’s go...”

After Chen Ping re-arranged the formation, he took Fang Shu and Liu Ruyan and left!

The other Jade Cauldron Sect disciples couldn’t help but frown when they saw Chen Ping and the others slowly disappearing without any accident!

“Did master forget to mobilize the formation mechanism?”

The disciples of the Second Elder’s lineage were full of confusion, but Chen Ping and the others were about to disappear from sight, and these people had no choice but to chase after them!

But when they stepped in, a dazzling light flashed by!

Countless blue flames surrounded these people in an instant!

This kind of flame is not an ordinary flame, but a spiritual fire, so even if these people are protected by spiritual energy shields, they cannot stop it at all!

“ah.....”

The screams suddenly rang out!

Hearing the screams behind him, Chen Ping smiled coldly and did not stop!

Hu Yixiao and the second elder who were still at the pass at this time also sneered when they heard the screams coming from inside!

Chapter: 4326

In their opinion, the screams should have come from the disciples of the Third Elder's lineage!

At this time, the third elder frowned, and he was really worried. After all, Liu Ruyan was inside. If there was anything wrong, then he would be guilty!

But soon, ten pyromen inside the pass were running towards the outside quickly!

Everyone was stunned when they saw this situation. No one understood what happened!

"Master, help, help..."

"ah....."

"Burn me to death..."

Those burning people who ran out screamed at the top of their lungs, and some of them had fallen to the ground and were struggling in pain!

At this time, the second elder and Hu Yixiao were all shocked, because they had already heard that these were their disciples!

"Hurry and save people....."

Hu Yixiao waved his hand!

Then many people stepped forward and put out the flames on those people!

Although the flames were extinguished, these people had already been burned beyond recognition. Even if they were immortal, they would probably become useless people.

The second elder and Hu Yixiao saw that the ten people in front of them were all their disciples, and their lungs almost exploded with anger.

“Second Junior Brother, what is going on? How could this happen?”

Hu Yixiao looked at the disciples who were burned beyond recognition and questioned the second elder!

After all, this assessment formation is managed by the second elder, and it was the second elder who came up with this idea. Now it is indeed one of their own who has been burned!

“This...I don't know what's going on...”

The second elder was also confused. He had already warned him not to let his disciples leave first. How did it end up like this!

At this time, the third elder on the side also seemed to see something, so he gloated: “When you harm others, you end up harming yourself. This is retribution...”

The third elder's words made Hu Yixiao and the second elder's expressions even more ugly!

At this time, Chen Ping and the others have arrived at the medicine pool!

Chen Ping looked at the medicine pool in front of him and saw a white mist shrouding the top of the medicine pool. It was formed by the rich spiritual energy!

“Let's go down...”

Chapter: 4327

When Chen Ping saw this, he couldn't wait to get down.

“Mr. Chen, although this medicine pool is good, you can’t soak it for a long time. You have to stop it in moderation.”

Fang Shu reminded Chen Ping!

“I understand!” Chen Ping nodded, then jumped down!

As soon as he entered the medicine pool, Chen Ping felt that the rich spiritual energy could not be absorbed, so he tried his best to drill into his body!

Fang Shu also jumped down, slowly enjoying the feeling brought by the medicine pool!

Only Liu Ruyan was still hesitant at this time. She was a girl after all. She jumped into the medicine pool like this. After her body was soaked in water, she would definitely be exposed, and people would be discovered!

Fang Shu still doesn’t know Liu Ruyan’s true identity!

Chen Ping saw Liu Ruyan’s concerns, so he said to Fang Shu: “Brother Fang, the medicine pool is so big, I think we should soak it separately. If the distance is too close, I’m afraid it will affect each other’s cultivation and absorption!”

“Mr. Chen is right, I will go further...”

Fang Shu nodded and swam towards the distance!

After Fang Shu walked away, Chen Ping looked at Liu Ruyan and said, “You can come down now, I’ll go somewhere else...”

With that said, Chen Ping was about to swim to other places, but before Chen Ping could swim away, Liu Ruyan had already jumped into it!

Her body was wet with water, and Liu Ruyan's graceful figure was instantly revealed!

It's just that Chen Ping didn't look at it too much. After all, he had seen Liu Ruyan when she was naked, so there was nothing attractive about it!

Seeing that Chen Ping didn't even look at him, Liu Ruyan looked a little angry!

However, as the spiritual energy continued to enter the body, Liu Ruyan knew that the opportunity was rare, and did not care about it with Chen Ping. He hurriedly closed his eyes slightly and started practicing!

Chen Ping slowly sank into the water, desperately absorbing the extremely rich spiritual energy!

And Chen Ping's realm is increasing at a speed visible to the naked eye!

At this time, Chen Ping suddenly had an idea. He wanted to see what the bottom of the medicine pool looked like!

As a result, Chen Ping's energy sank into his dantian, and his body began to fall rapidly toward the bottom of the medicine pool.

He didn't know how long he had been missing, but Chen Ping suddenly discovered that the originally clear medicine pool had turned light blue, and he felt as if he was in a blue ocean!

When Chen Ping was in this blue, he found that both the concentration of spiritual energy and the absorption speed were many times faster than when he was in the water!

“this.....”

Chapter: 4328

Chen Ping was surprised: “Is it true that the deeper you go into the medicine pool, the richer the spiritual energy becomes?”

Thinking of this, Chen Ping put away the excitement in his heart and began to dive again!

During the dive, Chen Ping didn't even need to deliberately run the exercises. Countless spiritual energy automatically swarmed into Chen Ping's body!

No wonder you can't soak in this medicine pool for a long time. If a person is not in a high level and is not strong in strength, his body will definitely be unable to withstand the constant impact of this spiritual energy, and his body will explode and die.

Unconsciously, Chen Ping found that the color of the medicine pool water in front of him began to change and turned into light green. This proved that Chen Ping had arrived at another level of the medicine pool!

Chen Ping was soaked in the light green medicine pool water. His body did not move at all, and his skills were not running. However, he felt as if there were countless things squeezing towards him around him!

That was because of the pressure caused by too much spiritual energy automatically entering the body. Chen Ping already felt a little tight in his chest, and his bones began to rattle!

Upon seeing this, Chen Ping activated his indestructible golden body, and his whole body was covered with golden scales. Then he closed his eyes slightly and stayed motionless in place!

At this time, Chen Ping did not dare to go deeper rashly, and could only slowly adapt to the surrounding environment!

Countless spiritual energy swarmed in, and Chen Ping's Dantian was like a bottomless pit, absorbing the spiritual energy that poured into his body, and no one refused to come!

At this moment, above the medicine pond, Liu Ruyan and Fang Shu had already landed, and the two of them were anxiously looking for Chen Ping!

After Liu Ruyan soaked for just fifty minutes, she broke through the peak of the Transformation Realm and reached the Fusion Realm!

Fang Shu also persisted for more than half an hour. Finally, his body could no longer bear it and he went ashore!

But at this time, the two people had been ashore for more than an hour, but they found that Chen Ping had never been found!

“What the hell is going on? Why is Mr. Chen missing?”

Fang Shu was extremely anxious. He had searched the entire medicine pool, but Chen Ping was still not found!

At this time, Liu Ruyan was also very anxious. The area of the medicine pool was not very large, so why couldn't a large living person be found?

Fang Shu and Liu Ruyan searched to no avail. Even if they stayed around the medicine pool for too long, it would cause irreversible damage to the body!

After all, the spiritual energy here is involuntarily swarming into the body. If the strength is not enough and the spiritual energy entering the body cannot be refined in time, it will also cause harm to the body!

Now Liu Ruyan and Fang Shu have reached their limit. If they stay here any longer, accidents may happen!

“Let's go out first...”

Although Liu Ruyan wanted to continue searching, she knew that if they stayed there, they might not be able to leave!

Fang Shu had no choice but to follow Liu Ruyan and quickly get out of the medicine pool!

Everyone from the Jade Cauldron Sect is still waiting at the pass!

Chapter: 4329

After all, even a strong person only has a few hours to enter the medicine pool, so everyone usually waits at the pass!

Hu Yixiao and the second elder did not leave either. Although their disciples were burned beyond recognition before they entered the medicine pool, they still stayed and planned to see how Chen Ping was doing!

Soon, two figures appeared at the pass, Liu Ruyan and Fang Shu came out!

When the third elder saw Fang Shu and Liu Ruyan coming out, he couldn't help but be startled, and hurriedly stepped forward and said, "Fang Shu, where is Mr. Chen?"

Fang Shu glanced at the third elder and was so frightened that he lowered his head and said nothing!

But Liu Ruyan said: "Chen Ping is missing..."

"Missing?" The third elder's eyes widened with disbelief on his face!

"Why did he disappear? The medicine pool is not big, and there is only one way..."

The third elder simply didn't understand how a living person could suddenly disappear after entering!

Liu Ruyan could only briefly tell what happened after they entered, and then the third elder frowned!

Since Chen Ping cannot be seen on the surface of the medicine pool, and Chen Ping has not come out from here, there is only one possibility, and that is that Chen Ping has sunk to the bottom of the pool!

Hu Yixiao and the second elder on the side heard it and guessed that it was the same as the third elder!

A living person cannot disappear for no reason. The reason why they could not see Chen Ping in the medicine pool was because Chen Ping sank deep into the bottom of the pool!

“Hmph, this Chen Ping really doesn’t know how high the sky is. It’s been more than two hours now. If he really dared to go deep into the depths of the medicine pool, he might have exploded and died by now.”

The second elder said with some gloating!

“Third Elder, is this really happening? Is it so dangerous to go deep into the medicine pool?”

Liu Ruyan asked in a low voice with a worried face.

The third elder nodded solemnly: “According to records, the deeper you go into the medicine pool, the more intense and domineering the spiritual energy becomes, which is difficult for the average person’s body to bear.”

“Even the Supreme Elder who had soaked in the medicine pool for three hours did not dare to go deep into the medicine pool back then.”

“If Mr. Chen really goes deep into it, he may be in danger...”

Hearing what the third elder said, Liu Ruyan’s face became extremely ugly!

In her heart, she had just developed feelings for Chen Ping, but Chen Ping became like this!

“Master, otherwise I’ll go look for it...”

Fang Shu planned to go back and have a look.

Chapter: 4330

“Stop!” Hu Yixiao said at this time: “What do you think of the medicine pool? It’s your bathhouse. You can go in if you want.”

“Now that you two have come out, the medicine pool will be closed...”

Hu Yixiao is going to close the medicine pool!

“Senior brother, I still have disciples inside who have not come out. How can you close the medicine pool?”

The third elder quickly questioned Hu Yixiao!

“It has been more than two hours now. How could Chen Ping stay in there for so long? Maybe he is already a puddle of flesh and blood by now.”

Hu Yixiao said coldly!

“Senior brother, the Supreme Elder stayed in there for three hours back then. It’s only been more than two hours. Why do you want to close the medicine pool?”

The third elder asked!

“Hmph, can Chen Ping compare with Elder Taishang? But since you said so, I will give you an hour. If Chen Ping doesn’t come out, I will close the medicine pool!”

After Hu Yixiao finished speaking, he found a big rock and sat down, waiting quietly!

The third elder had no choice but to pray that Chen Ping could come out soon, but in the third elder’s heart, he also knew that the hope was very slim!

At this time, Chen Ping was still floating quietly in the light green area!

The indestructible golden body is still shining with dazzling golden light!

Slowly opening his eyes, Chen Ping suddenly sank down again!

Soon, the light all around dimmed, and the surroundings were pitch black. Even the water in the medicine pool turned into ink color, and you couldn't see your fingers!

Chen Ping could only rely on his spiritual consciousness to grope downward little by little, and at this moment, a crisp sound suddenly came from Chen Ping's sea of consciousness, like a chicken breaking out of its shell!

Immediately afterwards, Chen Ping's body suddenly shook, and the light in his eyes kept flashing!

Chen Ping instantly put away his consciousness and no longer moved his body, because he knew that he had reached the limit of breaking through!

Chen Ping's meridians all over his body were released, allowing the spiritual energy to hit every part of his body without restraint!

boom.....

Suddenly, the calm medicine pool suddenly stirred up a turbulent wave, and a thick water column flew into the sky from the bottom of the pool!

"The peak of transformation..."

Chen Ping's face was full of excitement!
