

## **The Order 4351**

Chapter: 4351

Rays of brilliance rose slowly, shining on the Supreme Fire like sharp swords. The Dark Supreme Fire seemed to be suffering from very painful torture, constantly rushing around!

Chen Ping flipped his palms, and the three dragon crystals rotated rapidly, and finally merged into one, a huge vortex appeared, and the dark fire began to be continuously attracted by the vortex!

Soon, the flame of Zhihuo became smaller and smaller, and finally it was sucked into the dragon crystal in Chen Ping's body. Chen Ping opened his mouth and swallowed the dragon crystal into his stomach!

When he saw Chen Ping actually sucking the fire into his belly, the man's eyes were filled with horror!

After Zhihuo entered his belly, Chen Ping hurriedly used the power of the three clans, using the power of the demons among them, to slowly start to guide Zhihuo!

Since there is no way to extinguish the demon's ultimate fire, we can't fight head-on, we can only guide and refine it!

With Chen Ping's slow guidance, the ultimate fire finally stayed in Chen Ping's Dantian, and on Chen Ping's Dantian, a beautiful black flame slowly appeared!

At this moment, Chen Ping felt the power in his body rising continuously!

"Is this the power of the Demon Clan's Ultimate Fire? It seems that there will be another way to save life in the future!"

Chen Ping felt the power of Zhihuo and laughed directly!

Although this ultimate fire is only a small ball, it contains a lot of power. If Chen Ping can take advantage of his unpreparedness and release this demonic ultimate fire attack, he will definitely get twice the result with half the effort!

The man who saw this scene went from surprise to relief. He smiled faintly and said: "I didn't expect, I really didn't expect that one person contains the power of three clans. Maybe you are the one who can reshape the way of heaven..."

After the man finished speaking, he waved his sleeves gently, and Chen Ping's body instantly separated from the dragon crystal. Then the dragon crystal emitted light and penetrated into Chen Ping's body little by little!

Chen Ping also seemed to feel it. He closed his eyes slightly, and the dragon crystal in his body was emitting light, and it was constantly fusing with the dragon crystal that entered his body!

And the man's body gradually became transparent, and finally disappeared without a trace!

At the same time, far away in an extremely cold place in the world of heaven and humanity, a huge palace was suspended in mid-air!

This palace is majestic, covers a huge area, and is suspended in mid-air, obscured by clouds and mist, looming like a fairyland!

And in a room in this palace, there are antique furniture all around, and wisps of Zen fragrance are constantly floating around!

Sitting on the couch, an old man with a gray beard slowly opened his eyes!

"After so many years, someone actually refined my ultimate fire..."

The old man's eyes are deep, and there are flames in his eyes that are constantly beating!

Just then, a girl wearing a fiery red dress with flames burning all over walked in!

"Master, in the southwest, there is a demonic body appearing. Has our time come?"

The girl asked the old man!

Chapter: 4352

“The flame demon body has appeared. No wonder my ultimate fire has been refined.”

“Linglong, please take a trip, find this flame demon body, and gather my disciples by the way.”

“Several other old devils are already in the heaven and human world, I can feel their presence!”

“Perhaps, the day of our demon clan’s emergence has really arrived...”

The old man’s eyes flashed, and his voice was a little excited!

“As ordered...”

Linglong nodded, and slowly her whole body turned into a ball of flame, and then disappeared!

At this moment, Chen Ping slowly opened his eyes and found that the man had disappeared, and the dragon crystal in his body was shining with light. The power of the rushing dragon was like rolling waves, constantly impacting Chen Ping!

“The breakthrough is at this moment...”

Chen Ping hurriedly guided the power of the dragon in his body, constantly pounding and swimming in his dantian!

In the sky, countless black clouds slowly began to gather, and finally gathered over the medicine pond!

But within the Jade Cauldron Sect, the melee is still going on!

There have been many wounds on the third elder's body, and his breath has become weak!

Liu Ruyan, on the other hand, looked pale, and several wounds on his body were bleeding profusely.

The corpses of countless Jade Cauldron Sect disciples lay cold on the ground. Those demonic cultivators were ruthless, and every blow would take away the life of a Jade Cauldron Sect disciple!

At this time, Hu Yixiao was also in a panic and looked extremely nervous!

Even if they join forces, they still can't deal with these demon cultivators brought by the second elder. Everyone is in despair. If this continues, they will have only one outcome, and that is death...

"Second Junior Brother, since you want to be the leader of this sect, I will give it to you. As long as you let me live, I will leave the Jade Cauldron Sect immediately, and the position of sect leader will be yours."

Hu Yixiao compromised, now he just wants to survive!

The second elder looked at Hu Yixiao, smiled coldly and said, "You have already done this, so why did you kill so many disciples?"

"Go away, I won't embarrass you!"

The second elder let Hu Yixiao leave. After all, he just wanted to be the leader of the Jade Cauldron Sect, not to drive out all the people in the Jade Cauldron Sect!

If he really killed all the disciples of the Jade Cauldron Sect, what else would he mean as a polished commander!

Hu Yixiao didn't hesitate at all. After the second elder agreed to let him go, he jumped up and escaped from the Jade Cauldron Sect!

Chapter: 4353

Hu Yixiao left the Jade Cauldron Sect and went straight to Mingli King's City. Of course, he was not willing to lose his position as the leader of the Jade Cauldron Sect. He wanted to use the power of Mingli King's City to seize the position of the leader of the Jade Cauldron Sect. come over!

"Miss, Third Junior Brother, have you thought about it? If you admit defeat obediently and accept me as the leader of the Jade Cauldron Sect, I can let you live."

The second elder looked at the third elder and Liu Ruyan and asked!

"You should give up on this. Unless I die, I will not compromise."

Liu Ruyan said angrily!

The second elder smiled coldly, then looked at the many disciples of the Jade Cauldron Sect, and said with a cold and arrogant face: "Jade Cauldron Sect disciples, listen, if you choose to submit now, you can still enjoy all the benefits of the Jade Cauldron Sect."

"But if you want to resist to the end, there is only death waiting for you."

The words of the second elder made many Jade Cauldron Sect disciples hesitate. Now that Hu Yixiao had compromised and escaped, do ordinary disciples like them still have the need to resist?

"I am willing to surrender. Anyway, the second elder is also the direct elder of the Jade Cauldron Sect. It doesn't matter who is the sect leader!"

"I would also like to..."

"Meet the sect leader..."

Many Jade Cauldron Sect disciples compromised, agreed with the second elder, and stood behind the second elder!

When the second elder saw this, his face showed a proud look, but there were still some Jade Cauldron Sect disciples who stood behind Liu Ruyan and supported Liu Ruyan unswervingly!

Among them was Nie Heng, a great disciple of the Jade Cauldron Sect!

“Nie Heng, your master compromised and fled for his life, but you still dare to go against me?”

The second elder asked Nie Heng sharply!

“I disdain to be associated with you. Even if I die today, I won’t be able to compromise.”

Nie Heng said coldly!

Since he chose Liu Ruyan, there is only one way to go. Besides, Chen Ping is not dead. Now Nie Heng is looking forward to Chen Ping appearing!

“Okay, if that’s the case, then let’s die together...”

The second elder snorted coldly, and just when he was about to charge forward, the world suddenly shook!

Then everyone looked in the direction of the medicine pool in shock!

I saw dense black clouds over the medicine pond, and streaks of lightning shuttled through the black clouds!

Rumble.....

Chapter: 4354

Along with a loud noise, a bolt of lightning instantly struck the medicine pool!

Immediately afterwards, a column of water rose from the medicine pool.

Rumble.....

Lightning began to strike continuously, creating stormy waves every time!

“What...what’s going on?”

Liu Ruyan and the third elder couldn’t help but be shocked as they watched the lightning strike!

The second elder and Zhe Yan were also frowning at this moment!

“This is a thunder disaster. Could it be that someone in the Jade Cauldron Sect can’t break through?”

“For such a terrifying thunder tribulation, the opponent must be very strong!”

Zhe Yan said solemnly!

“Who is it? Could it be that the Supreme Elder failed to break through?”

The second elder looked confused. He didn’t understand who in the Jade Cauldron Sect had made a breakthrough at this time, and judging from the thunder tribulation of this breakthrough, his strength must be quite high!

But the second elder couldn’t think of any other experts from the Jade Cauldron Sect who would break through at this time!

He didn't think about Chen Ping at all. Moreover, Chen Ping was not strong enough to transform into a state. Even if he broke through to the fusion state, he would not be able to trigger such a terrifying thunder disaster!

At this time, only Nie Heng was looking at the terrifying thunder disaster, his eyes full of shock and anticipation!

Others didn't know it, but he could guess that this must be Chen Ping's breakthrough!

Everyone thought that Chen Ping had been dead long ago after staying in the medicine pool for so long, but Nie Heng knew that Chen Ping was not dead!

It seems that he absorbed the energy from the medicine pool and achieved a breakthrough in strength!

A series of terrifying thunder disasters continued to hit, and soon a figure, with a shocking momentum, slowly rose to the sky along the thick water column!

The black clouds slowly dissipated, and the thunder tribulation also disappeared. Chen Ping hung in mid-air, exuding a holy light, as if a god descended to earth!

"Chen Ping, that's Chen Ping....."

Liu Ruyan saw the figure clearly in the air and shouted excitedly!

"It's Mr. Chen, Master, it's really Mr. Chen..."

When Fang Shu saw it was Chen Ping, he shouted excitedly!

Chapter: 4355

The third elder's eyes were wet and he was in tears!

Chen Ping did not die. Not only did he not die, he actually broke through the realm of transformation!

In this way, people like them will be saved!

When the second elder and Zhe Yan saw that it was Chen Ping who had broken through, their expressions became extremely ugly!

“Hurry up and take advantage of Chen Ping’s breakthrough...”

The second elder quickly shouted loudly!

When Zhe Yan saw this, he immediately waved his hand, and several demon cultivators went straight to Chen Ping. All kinds of weapons in their hands were waved towards Chen Ping!

When the third elder, Liu Ruyan and the others saw this, they all jumped up!

“Protect Mr. Chen...”

The third elder roared!

He knew that at this time, Chen Ping’s safety must be ensured. As long as Chen Ping’s breakthrough was completed, they and the others would be saved!

For a moment, everyone was fighting together in mid-air!

At this moment, Chen Ping suddenly opened his eyes, and a majestic momentum from his body instantly enveloped the entire Jade Cauldron Sect!

Several demon cultivators were instantly blown away by this momentum, vomiting blood one by one, and lost their fighting ability!

Then Chen Ping waved his hand, and thousands of spiritual powers were condensed into a flying sword, which shot out instantly!

Whoosh whoosh whoosh...

The flying swords criss-crossed, and each demon cultivator was unable to dodge. They were instantly hit by the flying swords, and fell to the ground screaming!

For a time, the disciples of the second elder's lineage and the demon cultivators brought by Zhe Yan suffered numerous casualties with Chen Ping's wave of his hand!

Everyone looked at Chen Ping in shock, with incredible expressions on their faces!

So many of them stood up to resist, but in the end almost all of them ended up being destroyed!

But as soon as Chen Ping took action, he just waved his hand and killed most of the demon cultivators!

You must know that Chen Ping has just broken through the Transformation Realm and reached the Fusion Realm!

The worst of these demon cultivators are all at the eighth level of the Transformation Realm, and there are also many masters of the Fusion Realm among them, but they cannot survive a single move in Chen Ping's hands!

"Mr. Chen, you... you are still alive. It's great, it's great..."

Chapter: 4356

The third elder looked at Chen Ping and suddenly burst into tears!

"Mr. Chen..." Nie Heng hurriedly stepped forward and gave Chen Ping a respectful salute!

Chen Ping nodded slightly, and then asked: "What happened? How come there are so many demon cultivators in the Jade Cauldron Sect?"

Chen Ping didn't know that the second elder was also plotting to seize the head of the Jade Cauldron Sect!

"Mr. Chen, this is what happened..."

The third elder told Chen Ping what happened in detail!

After hearing this, Chen Ping couldn't help but look at the second elder, with a bit of admiration in his eyes!

He didn't expect that the second elder was so thoughtful. He had tricked both the third elder and Hu Yixiao!

"Your calculation was very good, but it's a pity that you missed me..."

Chen Ping looked at the second elder and smiled coldly!

The second elder looked gloomy and stared at Chen Ping. He didn't expect that Chen Ping was not dead and had a breakthrough!

But the movement of breaking through the transformation realm was really too big!

"Chen Ping, don't think that you are great just because you suddenly took action and killed some of my men."

"No matter who comes today, they can't stop me from taking the position of sect leader."

The second elder gritted his teeth, then looked at Zhe Yan and said, "I'll leave this Chen Ping to you. As long as you kill him, you can use the resources of the Jade Cauldron Sect as you wish!"

Upon hearing this, Zhe Yan nodded immediately, then looked at Chen Ping coldly and said, "Boy, I failed to kill you last time, and I won't let you run away this time..."

After Zhe Yan finished speaking, blazing flames rose up from his body. With a sudden push with both palms, the flames filled the sky and swept toward Chen Ping like ocean waves!

Zhe Yan knew that Chen Ping's strength had improved, so he used a trick as soon as he took action!

"Mr. Chen....."

"Chen Ping....."

The third elder and Liu Ruyan couldn't help but become worried when they saw that Zhe Yan had taken action against Chen Ping, and that he had used a unique skill as soon as he took action!

Although Chen Ping had made a breakthrough, he had only just reached the Fusion Realm, and Zhe Yan was at the third level of the Fusion Realm, and he also had the ultimate fire demonic cultivation!

There is still a big gap between the two people's realms of cultivation, so they are worried that Chen Ping is no match for Zhe Yan!

But Chen Ping was indeed full of confidence and didn't care about Zhe Yan's attack!

Chapter: 4357

"Take care of the second elder. As for the demon cultivator, just leave it to me!"

"If I want to kill him, I can do it at any time..."

Chen Ping said with a faint smile!

“Boy, you are too damn crazy. I want to see how you kill me...”

Zhe Yan roared, and then the flames instantly engulfed Chen Ping!

When the third elder and Liu Ruyan saw this, they could only focus on the second elder, then jumped up and attacked the second elder!

Now the second elder doesn't have Zhe Yan's help, and most of the demon cultivators are dead, so the third elder and the others have the upper hand!

“Kill me and never let any of these traitors escape...”

Liu Ruyan shouted!

Nie Heng and Fang Shu rushed forward with the Jade Cauldron Sect disciples!

For a moment, a melee broke out again!

People kept dying, and the splattered blood dyed the entire Jade Cauldron Sect's ground red!

The second elder's side started to show a bit of decadence, and was retreating steadily after being killed by the third elder and Liu Ruyan's men!

Zhe Yan surrounded Chen Ping with flames all over the sky. The fierce flames were burning, and the scorching temperature made it impossible to breathe!

“Boy, today I will burn you to ashes. Let's see how arrogant you are!”

Seeing Chen Ping trapped in the fire, Zhe Yan said proudly!

“With your little flame, you still want to burn me to ashes. It’s too weak. Make the flame stronger!”

Chen Ping said playfully!

“Okay, since you still dare to scream, then I will let you taste the power of fire...”

As Zhe Yan spoke, he kept waving his palms, and flames began to roll, and the flames around Chen Ping became even hotter!

What Chen Ping wants is this effect. He has just refined a ray of demonic supreme fire. Unfortunately, that wisp of supreme fire is too little. Therefore, if Chen Ping wants to make the supreme fire in his body stronger, he must absorb other rays of supreme fire. To strengthen the supreme fire in your body!

That’s why Chen Ping deliberately stimulated Zhe Yan and let Zhe Yan release all the fire in his body!

Chen Ping felt the flames around him, and the black flame-like mark in his dantian began to beat and flicker continuously!

The surrounding supreme fire formed a small vortex, and began to absorb energy from the wisp of supreme fire in Chen Ping’s body!

Chapter: 4358

But Zhe Yan didn’t notice it at all. He flapped his palms and showed all his strength!

Seeing Chen Ping roasting in the flames, Zhe Yan’s face was full of sneers!

But soon, Zhe Yan suddenly frowned, and then his eyes stared at Zhi Huo around Chen Ping, and his face became extremely solemn!

“Good boy, you can actually absorb energy from my supreme fire. No wonder you have no fear in this supreme fire!”

Zhe Yan discovered Chen Ping’s little plan!

Then Zhe Yan’s palms suddenly inhaled, and the flames around Chen Ping instantly reached Zhe Yan’s palms, forming a fireball the size of a football!

I saw Zhe Yan rolling his palms back and forth, and the fireball gradually extinguished, and then turned into black!

Zhe Yan threw the black ball towards Chen Ping’s head.

Bang.....

Following an explosion, a black oil-like substance instantly fell from the sky.

This substance was extremely viscous. A lot of it fell on Chen Ping’s body, making a sizzling sound instantly. Along with a burst of white smoke, Chen Ping’s skin was burned with a deep wound!

Chen Ping frowned, and the Indestructible Golden Body instantly activated. Golden scales covered Chen Ping’s body, wrapping Chen Ping like a golden-armored war god!

However, when those black substances fell on Chen Ping’s body, they still emitted a scorching temperature, and the golden scales were damaged under the burning of this substance!

“Damn it, what is this? Why is it so difficult?”

Chen Ping couldn’t help but cursed and quickly backed away. He wanted to avoid this area!

These things are like phosphorus. If they are contaminated on the body, they will continue to emit heat and burn, and there is no way to remove them from the body!

“Hahaha...you still want to run away, how is that possible!”

“This is black scale liquid condensed with extreme fire. There is no way to extinguish it.”

Zhe Yan laughed, and as he waved his palms, countless black scale fluids splashed towards Chen Ping again!

Upon seeing this, Chen Ping burst out with a large amount of spiritual power, forming a transparent shield around his body!

Sizzling.....

The black scale liquid splashed onto the shield, quickly burning it through, and then began to burn and corrode Chen Ping's indestructible golden body!

Chen Ping looked at the black scale liquid and fell into a passive situation for a moment. He did not expect that Zhe Yan could control the ultimate fire so skillfully!

“Hahaha, just give up. Nothing can withstand the burning of the black scale liquid. In the end, your whole body will be riddled with holes and you will die.”

Chapter: 4359

Zhe Yan laughed crazily. In his opinion, Chen Ping was just at the end of his game and would be dead soon!

Suddenly, Chen Ping's eyes flashed, and he suddenly remembered something!

“It's too early for you to be happy. Not only do you have the ultimate fire, but I also have one here. Let's compete to see whose ultimate fire is more powerful...”

After Chen Ping finished speaking, the ultimate fire in his Dantian was instantly transported to his palm!

Zhe Yan saw a ball of black fire beating continuously on Chen Ping's palm.

"The ultimate fire? Is it really the ultimate fire? How can you possess the ultimate fire?"

Zhe Yan couldn't believe it, how could Chen Ping possess Zhihuo!

You must know that this ultimate fire is unique to their flame demon clan. Only their demon clan can practice it. But now, how can Chen Ping, a human race, have the ultimate fire in his body?

Zhe Yan looked at Chen Ping in shock, and he could feel that the power contained in the seemingly weak fire in Chen Ping's palm should not be underestimated!

"Is this the supreme holy fire of the Flame Demon Ancestor?"

At this moment, Zhe Yan's mouth was wide open, and his eyes were a bit frightened, because he had already felt that the ultimate fire in Chen Ping's hand was different from his!

Chen Ping didn't know anything about the Supreme Holy Fire of the Flame Demon Ancestor. He only knew that this ray of flame in his body was also the Supreme Fire of the Demon Race!

"Since I can't stop these black scale fluids of yours, let's let them burn..."

After Chen Ping finished speaking, he waved his hand, and the flame instantly rushed towards the black scale liquid!

After the black scale liquid hit the fire, it made a banging sound instantly, and then burst out into balls of flames, all of which burned!

At the same time as the black scale liquid burst into flames, the surrounding masses of black mist directly enveloped hundreds of meters in radius!

When the black scale liquid burns, the threat to Chen Ping is no longer that great!

At this moment, Chen Ping's ball of ultimate fire began to move through the flames, and continued to absorb the surrounding flames to increase his power!

Originally, Chen Ping's ball of Zhihuo, which was only the size of a palm, quickly absorbed a large amount of flames and became much larger in size. Even the flames kept rising!

"How could this happen? How could it be like this? Impossible, absolutely impossible. How could you have the Supreme Holy Fire?"

Seeing the rising fire, Zhe Yan was dumbfounded!

The whole person looked confused. He never expected that Chen Ping actually had the Supreme Holy Fire of their Flame Demon lineage in his body!

This supreme holy fire is a hundred times more powerful than the supreme fire on his body!

"There are many impossible things, and I will let you see even more amazing things..."

Chapter: 4360

As Chen Ping spoke, a cold light flashed in his eyes, and flames began to flow through his body!

At this time, the flames on Chen Ping's body were much more intense than those on Zhe Yan's body, and even the heat erupting from the flames was not on the same level!

At this moment, Chen Ping was like the sun, making thousands of meters around extremely hot. Many people couldn't bear it and ran towards the distance one after another!

The flames on Zhe Yan's body were instantly eclipsed by Chen Ping's extreme fire, making him look like a big witch!

"This is the supreme fire of the Flame Demon Ancestor. Why do you have it? Who are you?"

"What is your relationship with the Flame Demon Ancestor? Tell me, tell me quickly..."

Zhe Yan's body was trembling slightly!

You must know that they are all disciples of the Flame Demon Ancestor. Now Chen Ping actually possesses the Fire of the Flame Demon Ancestor. If Chen Ping has a relationship with the Flame Demon Ancestor, then Zhe Yan is guilty of the following. !

No one from their Flame Demon lineage dares to offend the Flame Demon Ancestor, and the ultimate fire they possess is also passed down by the Flame Demon Ancestor!

If they had not been reincarnated, perhaps their flame demon lineage, like other demon clans, would have been driven out and disappeared!

The reason why they can still exist in the world of heaven and humans now is thanks to the ultimate fire in their bodies!

"Do you want to know?"

Chen Ping smiled coldly, his whole body was wrapped in flames, and he said in a cold voice: "I am friends with the Flame Demon Ancestor you mentioned, and I once saved his life!"

"Not only the Fire Demon, the Wind Demon, the Blood Demon, and the Yin Demon are all very familiar to me. Without me, they would still be turtles in the jar!"

"I also have the power of Yin Demon's Dao Mark, you know this."

Chen Ping's words made Zhe Yan fall into deep thought, because what Chen Ping said was right. The last time he fought with Chen Ping, Zhe Yan felt the power of the Dao Mark in Chen Ping's body. Now Chen Ping has flames on his body. The Demon Patriarch's Supreme Fire made Zhe Yan a little undecided!

"Zhe Yan, don't listen to his bragging. How old is he, and with his little strength, how can he possibly know so many demons? What's more, the demons he mentioned were suppressed many years ago. You How could you be deceived by him!"

The second elder saw Zhe Yan being fooled by Chen Ping from a distance, and he hurriedly shouted to Zhe Yan!

Zhe Yan felt dizzy for a while and suddenly woke up. Then he glared at Chen Ping and said: "Good boy, I was almost fooled by you. I don't know where you learned this from. You actually said that you were following the demons of the demon clan. My friend, what a shameless statement!"

"Am I being arrogant? Since you don't believe it, I'll let you try the methods of other demons!"

After Chen Ping finished speaking, the flames on his body gradually extinguished, and his whole body was wrapped in bright golden light!

"Holy Light Fist....."

Chen Ping shouted, and then a golden light flashed above Chen Ping's fist.

Chen Ping punched out, and the bright golden light instantly turned into a golden ball of light and went straight towards Zhe Yan!
