

## **The Order 4361**

Chapter: 4361

This ball of light penetrates the void with infinite momentum.

When Zhe Yan saw this, his pupils suddenly shrank and his body instantly stepped back. He knew that Chen Ping's move could not be taken forcefully!

Although Zhe Yan has never seen the Holy Light Fist, he can feel the terrifying pressure from this punch!

Zhe Yan didn't know if the Holy Light Fist was a secret skill of the demons, but the power of this punch made Zhe Yan extremely frightened!

I saw Zhe Yan's body retreating quickly, and while retreating, Zhe Yan's body exuded a strange aura!

This strange aura was dispersing around, and at the same time, the air in the entire void was shrinking rapidly.

"The Infinite Twin Flames..."

With Zhe Yan's roar, the rapidly contracting air exploded violently!

For a moment, the void trembled, and Chen Ping's surroundings instantly fell into darkness!

This brought Chen Ping into another space, and Zhe Yan actually used space magic!

Chen Ping saw that Zhe Yan's body began to burn, but the flame turned out to be two colors, one black and one white. Centered on Zhe Yan's eyebrows, two distinct flames were formed!

The flames on both sides of Zhe Yan's body were trembling, and then they continued to merge and condense!

In the dark space, a very huge yin and yang disk appeared above Chen Ping's head!

And this yin and yang disk is composed of two different flames!

A terrifying and incomparable power emanated from the yin and yang disk, instantly covering Chen Ping's body!

Chen Ping was in the middle of a space spell and had no way to dodge!

"Hahaha, although I don't know where you stole the Ultimate Fire of the Flame Demon Ancestor, but you are still far behind in the use and understanding of the Ultimate Fire."

"Even if you possess a ray of flame from the Flame Demon Ancestor, you won't be able to use it, and you won't be able to defeat me at all!"

Seeing Chen Ping being completely suppressed by herself, Zhe Yan burst into laughter!

This infinite double flame is also the most powerful move of their flame demon lineage. There are not many people who know this unique skill, and Zhe Yan has also gone through a lot of hard work to learn some of the basics of this infinite double flame!

But even if it's just some superficial knowledge, it's still a big deal to deal with someone like Chen Ping who has just broken through to the Fusion Realm!

Chen Ping felt the pressure on his head and looked at the yin and yang disk that was constantly rotating downwards. Chen Ping actually remained motionless and sat down cross-legged with a pop!

Since there was no way to escape from the space spell, Chen Ping simply sat down!

Immediately afterwards, fire began to burn around the body, and the consciousness quickly spread out, slowly facing the attack of Zhe Yan's infinite twin flames!

Chapter: 4362

Since this move is also from the flame demon lineage, Chen Ping feels that he can refine it into fire and use this move for his own use!

As Zhe Yan said, although Chen Ping now possesses a ray of the ultimate fire of the ancestor of the Flame Demon, he does not know how to use it. Chen Ping still lacks the understanding of the ultimate fire, so Chen Ping wants to start from I learned some tricks from Zhe Yan!

When Zhe Yan saw Chen Ping's infinite twin flames facing him, he sat down without dodging, and was stunned for a moment!

Did this guy just give up because he knew he couldn't escape?

Zhe Yan didn't understand why Chen Ping didn't resist?

Although the infinite twin flames are very powerful, what Zhe Yan has learned is only superficial, and Chen Ping will not be so scared that he gives up resistance as soon as he takes action!

Zhe Yan looked at Chen Ping warily, he was afraid that Chen Ping was playing some trick!

But until the yin and yang disk with two colored flames above his head landed on Chen Ping's head, Chen Ping remained motionless!

Let the two-colored flames engulf Chen Ping!

Chen Ping's figure became lighter and lighter, and his whole person seemed to be absorbed by the yin and yang disk.

Seeing this, Zhe Yan breathed a sigh of relief!

But just when Zhe Yan was about to release the space spell, he suddenly discovered that the infinite twin flames that were originally burning were slowly extinguished!

Chen Ping stood up slowly and looked at Zhe Yan with a deep look!

Zhe Yan was startled, and then in his shocked eyes, he saw that the flames around Chen Ping's body turned into two colors, half of the light blue flames, and the other half of the dark flames!

"What...what is going on?"

Zhe Yan didn't understand why Chen Ping's body's ultimate fire turned into two colors, and it was different from his flame color?

But before Zhe Yan could react, the two flames around Chen Ping's body instantly merged together, and then turned into a huge yin and yang disk, suppressing Zhe Yan!

"Endless Twin Flames? You...how do you know the secret skill of my Balrog lineage?"

Zhe Yan was completely confused. You must know that a wisp of fire from the ancestor of the Flame Demon can be stolen and then slowly refined!

But not everyone can learn the unique skills of their flame demon lineage!

Now Chen Ping has actually used this unique skill of the Flame Demon lineage, which makes Zhe Yan dumbfounded. He can't figure out how Chen Ping learned it!

If Zhe Yan knew that Chen Ping's infinite twin flames were just refined and refined from his moves, he would probably be pissed to death!

Just when Zhe Yan was stunned, Chen Ping's infinite twin flames had already reached above Zhe Yan's head!

Huge and terrifying power instantly fell on Zhe Yan's head!

Chapter: 4363

“ah.....”

I only feel a sharp pain in my head, and the scorching heat all over my body from the inside out is very uncomfortable. This scorching heat is a hundred times more powerful than Zhe Yan’s own supreme fire!

At the critical moment of life and death, he desperately mobilized the spiritual power in his body to resist, and the ultimate fire of Zhen Yan was burning fiercely, trying to block the power of the infinite twin flames!

When Chen Ping saw this, he frowned slightly and waved out several flames from his palms, instantly hitting the yin and yang disk, directly increasing the power of the infinite twin flames again!

“ah.....”

There was another scream, Zhe Yan was instantly crushed, and his body burned violently.

Chen Ping could really see that Zhe Yan’s body was turning into ashes bit by bit, and even the hard skull turned into dregs!

But just when Chen Ping secretly breathed a sigh of relief, a flame suddenly rose into the sky!

“Chen Ping, just wait for me. We, the flame demons, will never be extinguished even when the fire is burning, and our spirit and form will never be extinguished.”

The flame roared loudly and then ran away quickly!

Seeing this, Chen Ping suddenly exerted force on his feet. He immediately chased after the flames. He finally killed Zhe Yan. How could Chen Ping let him escape? He had to make the other party completely destroyed.

“You can’t escape, you are a ball of fire, stay and be my resource...”

Chen Ping caught up with the flame, then stretched out his hand and grabbed the flame directly in the palm of his hand!

No matter how hard the flame struggled, there was no way to escape!

After all, Chen Ping also possesses the ultimate fire, so even if he holds onto this flame, he can't feel the slightest burning sensation at all!

In the palm of Chen Ping's hand, fire began to rise, wrapping the flames of Zhen Yan in it, and began to absorb and refine it!

At this time, Zhe Yan was completely panicked. If he was absorbed and refined in the natal fire, there would never be a possibility of his resurrection!

"Chen Ping, I am a member of the Yanmo lineage. You can't kill me, otherwise our Yanmo lineage will not let you go."

"Don't think that we demon cultivators are just street rats. To tell you the truth, in this human world, our flame demon lineage is very powerful."

"Let me go, and I promise not to be your enemy again!"

Zhe Yan started to be soft and hard at the same time, and followed Chen Ping to beg for mercy!

But Chen Ping didn't care at all. The ultimate fire in his body was still absorbing and refining the other flame!

At this time, Zhe Yan saw that Chen Ping was not afraid at all, but he was extremely afraid, so he begged and begged: "Please, please spare my life. As long as you spare my life, I can tell you that our Yan Demon The secret of a lineage in the world of heaven and humans."

“Although you have the supreme holy fire of the Flame Demon Ancestor in your body, it is too little. There is only such a wisp of flame. If you want the supreme fire in your body to be strong, you must constantly absorb the supreme fire of others.”

Chapter: 4364

“I can help you. Without my help, you wouldn’t be able to find any demon cultivator from the Balrog lineage.”

In order to survive, Zhe Yan had no choice but to betray his own people!

When Chen Ping heard Zhe Yan’s words, he was really moved by this guy. Chen Ping knew very little about the demons in the world of heaven and humans, let alone the lineage of the Fire Demon. Chen Ping didn’t understand it at all!

If Chen Ping wants to make the ultimate fire in his body stronger, it seems that he really needs to find a demon cultivator from the flame demon lineage.

“Okay, I’ll spare your life...”

After Chen Ping finished speaking, he put away his Supreme Fire, and then swallowed Zhe Yan’s natal Supreme Fire in one gulp!

After using spiritual power to seal Zhe Yan’s natal Ultimate Fire, Chen Ping directly threw the Ultimate Fire into the sea of consciousness!

In this way, Chen Ping can communicate with Zhe Yan without any obstacles, and Chen Ping can also get some information about the Flame Demon lineage from Zhe Yan!

After subduing Zhe Yan, the space magic instantly began to tremble and collapse!

Looking at the crumbling space spell, Chen Ping smiled coldly, then waved his hand, and the spiritual power in the sky spurted out in all directions!

In an instant, the space magic collapsed instantly, and Chen Ping's figure began to slowly appear!

Everyone was paying attention to the battle between Chen Ping and Zhe Yan. Although the two were in the middle of a space spell, the violent vibrations in the void still made everyone feel the intensity of the battle between the two!

With the collapse of the space magic, everyone knew that the battle between Chen Ping and Zhe Yan was over!

"Zhe Yan must have won. He possesses the unique skills of the Balrog lineage."

The second elder saw a hint of joy on his face when he saw the shattered space spell. In his opinion, Zhe Yan must have used his unique skills to kill Chen Ping by using the space spell!

Now that the space magic is broken, it proves that the battle is over, and Chen Ping must have been killed!

Hearing the words of the second elder, the third elder, Liu Ruyan and others were all shocked. They were all looking forward to Chen Ping being safe and sound!

"Uncle Third Master, eldest lady, don't worry, Mr. Chen must be safe and sound, and it must be him who comes out..."

At this time Nie Heng said with confidence!

"How can you be so sure?"

The third elder looked at Nie Heng very curiously, because Nie Heng could guess correctly every time, and Nie Heng seemed to have absolute confidence in Chen Ping!

"Yes, how do you know that it must be Chen Ping who comes out?"

Liu Ruyan also looked at Nie Heng in confusion and asked.

Nie Heng smiled bitterly. Now that the matter has come to this, there is no need for him to hide it anymore, so he said: "My soul is held in Mr. Chen's hand. If something had happened to Mr. Chen, I would have been a corpse by now."

Chapter: 4365

As soon as Nie Heng's words came out, the third elder and Liu Ruyan were stunned for a moment, and then they became happy!

Only then did the Third Elder understand how, as Hu Yixiao's eldest disciple, Nie Heng could always listen to Chen Ping's words, and he also had a very good attitude towards the disciples of their lineage!

It turned out that the soul of life was held in Chen Ping's hand, and Nie Heng had to listen to Chen Ping's words.

As Nie Heng finished speaking, Chen Ping's figure became clearer and clearer, and finally appeared in front of everyone!

"Mr. Chen, it's really Mr. Chen..."

When Fang Shu saw this, he shouted excitedly.

When the third elder and Liu Ruyan saw Chen Ping appear, they were trembling with excitement!

Everyone looked at Chen Ping excitedly. After all, Chen Ping had just broken through the Fusion Realm and was able to defeat Zhe Yan. It was simply incredible!

The second elder looked shocked. He looked at Chen Ping in disbelief, and then looked around Chen Ping. He wanted to see if Zhe Yan was still alive!

"No need to look for it, the person you invited has been reduced to ashes..."

Chen Ping said with a cold smile!

Chen Ping's words made the second elder and Zhe Yan's demon cultivators panic!

Now that Zhe Yan is dead, it proves that Chen Ping is definitely stronger than Zhe Yan. This shock makes the demon cultivators brought by Zhe Yan tremble all over and have no fighting spirit!

"Don't panic, everyone. I know Zhe Yan's strength. Chen Ping must have used some dirty tricks. But even if Chen Ping defeated Zhe Yan, he must have been seriously injured. There is no need to be afraid of him!"

"You just take this opportunity to avenge Zhe Yan..."

The second elder was afraid that those demon cultivators would escape, so he shouted loudly!

Hearing what the second elder said, those demon cultivators who had no fighting spirit at first all reacted now!

The battle between Chen Ping and Zhe Yan just now was shocking. Even if Chen Ping killed Zhe Yan, Chen Ping himself would not be unscathed!

Maybe Chen Ping is at the end of his strength and pretends to be relaxed, but in fact he has been seriously injured!

Chen Ping looked at the second elder coldly, and then said with disdain in his eyes: "Even if I am injured, if I want to kill you, I can only make a few moves..."

"Do you dare to fight with me?"

Chen Ping deliberately killed the second elder. Since the second elder said that he was seriously injured and there was no need to be afraid, Chen Ping deliberately provoked the second elder.

If the second elder dares to challenge, then Chen Ping can easily kill the second elder one on one. But if the second elder dares not to challenge, then those demon cultivators will definitely doubt what he just said!

The second elder did not expect that Chen Ping would do this. He planned to let these demon cultivators follow Chen Ping to their death, but in this way, the second elder could only face Chen Ping alone!

Chapter: 4366

The second elder also knows the pros and cons. If he doesn't agree to Chen Ping, the people on his side will fall apart in an instant!

"Chen Ping, don't be proud. I don't dare to do anything. See how I kill you."

The second elder's eyes were full of murderous intent, and then he rushed towards Chen Ping!

The second elder knew that the key now was Chen Ping. As long as Chen Ping was killed, the third elder, Liu Ruyan and others would instantly lose their fighting spirit!

"You really dare to go up there. Your abilities are worse than that of Zhe Yan, and you still want to kill me..."

Chen Ping raised the corner of his mouth with disdain on his face, which made the second elder even more angry!

I saw light surging between the second elder's eyebrows, and then a golden flying sword appeared out of thin air. Countless flying swords formed a strong storm and surrounded Chen Ping!

"Compared with my swordsmanship? You're still a little behind..."

Chen Ping sneered again and again, and instantly took out the Dragon-Slaying Sword. Even though Zhongli, the sword spirit of the Dragon-Slaying Sword, had not yet replied, the Dragon-Slaying Sword alone was not comparable to ordinary magic weapons!

With a slight wave of the dragon-slaying sword in Chen Ping's hand, sword energy filled the sky and came overwhelmingly!

The second elder's flying sword and Chen Ping's sword energy collided with each other, making a deafening sound, and the entire Jade Cauldron Sect began to shake violently!

The second elder was instantly injured by the terrifying sword energy and flew backwards!

Regardless of whether Chen Ping was injured or not, the second elder already knew from Chen Ping's sword attack that he was no match for Chen Ping!

"Everyone, follow me and fight together. As long as this Chen Ping is killed, the Jade Cauldron Sect will be ours..."

The second elder knew that he could not defeat Chen Ping alone, so he wanted to unite his disciples and those demon cultivators to attack Chen Ping!

However, no matter how the second elder shouted, no one moved!

No one is a fool. From the situation in front of him, it is obvious that the second elder is bound to lose. Who would follow him to death?

Seeing this, the demon cultivators brought by Zhe Yan burst into flames and disappeared without a trace in an instant, and Chen Ping did not pursue them!

The disciples of the Second Elder's lineage all knelt down and surrendered, following Liu Ruyan in begging, begging to spare their lives!

The second elder fell into madness as he watched this scene. He calculated for a long time, but failed in the end.

"Ah...I am not willing to accept it, I am not willing to accept it..."

The second elder roared, he was not willing to give in at all, but now, even if he was not willing to give in, there was nothing he could do to save himself!

“Whether you are willing or not, the result is death...”

Chen Ping said that he was about to kill the second elder with one sword!

Chapter: 4367

“Chen Ping, wait a moment...”

Liu Ruyan stopped Chen Ping!

Chen Ping looked at Liu Ruyan and asked, “What’s wrong?”

“This guy poisoned my father. I have to kill him with my own hands.”

Liu Ruyan glared at the second elder and said!

Seeing this, Chen Ping slowly put away the Dragon-Slaying Sword!

“Hmph, Liu Ruyan, even if I am injured, you can’t be my opponent...”

When the second elder saw that Liu Ruyan still wanted to kill him, he snorted coldly!

Although Liu Ruyan had broken through to the Fusion Realm, she was still a few realms behind him, and there was no way she could be his opponent!

“What if you add me...”

The third elder took a step and stood with Liu Ruyan!

The two people didn't talk nonsense and directly attacked the second elder!

After a fight, the second elder's head was directly chopped off by Liu Ruyan's sword!

Looking at the body of the second elder, Liu Ruyan burst into tears!

"Father, I finally avenged you..."

Liu Ruyan fell to his knees!

Upon seeing this, the disciples of the Jade Cauldron Sect also knelt down and expressed their loyalty to Liu Ruyan!

Although the Jade Cauldron Sect suffered heavy losses after this battle, with only the third elder remaining, and more than half of the Jade Cauldron Sect's disciples were killed or injured, Liu Ruyan finally got his wish after driving away Hu Yixiao and eradicating the second elder. Go to the head of the Jade Cauldron Sect!

Liu Ruyan stood up slowly, and then looked at Chen Ping. She knew that her success was all due to Chen Ping!

The third elder, Fang Shu and others also looked at Chen Ping gratefully.

At this time, only Nie Heng's expression was a little complicated. He was originally Hu Yixiao's disciple, but because Chen Ping had his soul pinched, he had no choice but to obey Chen Ping's orders!

Now that Hu Yixiao has run away, the second elder is dead, and Liu Ruyan has become the sect master, Nie Heng doesn't know what his fate will be in the future!

Chen Ping glanced at Nie Heng and understood what Nie Heng was thinking. He smiled slightly and waved his palm gently. Nie Heng's life soul returned to Nie Heng's body instantly!

Nie Heng looked at Chen Ping in surprise. He didn't expect Chen Ping to return his soul to him so generously!

Chapter: 4368

Liu Ruyan also looked at Nie Heng at this time, and then said: "Nie Heng, since you did not help the tyrants and helped us clean up the traitors, I now appoint you as the elder of the Jade Cauldron Sect and take over your master's position!"

Liu Ruyan's words instantly made Nie Heng stand on the spot. It took him a long time to react and quickly fell to his knees!

"Thank you, Miss..."

Nie Heng was ecstatic. It seemed that Liu Ruyan not only did not blame him, but actually made him an elder!

Now Nie Heng's life soul has returned and he has become an elder of the Jade Cauldron Sect. These are all due to Chen Ping. If Nie Heng had followed Hu Yixiao to the dark side at this time, he might have become a corpse by now. Got it!

Liu Ruyan sent people to clean up the scene and renovate the Jade Cauldron Sect, and they went to the third elder's residence!

There are still some complete houses here that are habitable!

at dusk!

Because they had just gone through a big battle, everyone was tired and went to bed early.

But the lights in Chen Ping's room were still on. At this time, Chen Ping was in an awkward situation!

Chen Ping can now go to the Jade Cauldron Sect Medicine Pool without any hindrance, absorb the spiritual energy in the medicine pool, and improve his cultivation!

However, if he absorbs it without restraint, the Jade Cauldron Sect's medicine pool will definitely be destroyed!

If Chen Ping hadn't considered it when Hu Yixiao was the leader of the sect, it wouldn't matter if he absorbed the medicine pool and used it up.

But now that Liu Ruyan has become the leader of the Jade Cauldron Sect, it would be a bit embarrassing if Chen Ping destroyed the medicine pool!

After all, many disciples of the Jade Cauldron Sect achieved breakthroughs by relying on the spiritual energy in the medicine pool.

Just when Chen Ping was in a dilemma, a figure flashed past the window!

"who?"

Chen Ping frowned slightly and said with a guarded expression!

At this time Liu Ruyan opened the door and walked in slowly, holding a porcelain bottle in his hand!

"Chen Ping, thank you for helping me so much. Here are some high-end elixirs in our Jade Cauldron Sect's warehouse that can help with cultivation. I brought them to you as a thank you!"

Liu Ruyan put the porcelain bottle on the table and whispered!

"Thank you Miss Liu!" Chen Ping didn't refuse. The Jade Cauldron Sect's elixirs are still acceptable!

But now that he had taken someone else's elixir, Chen Ping had made up his mind that the medicine pool could not be destroyed by the Jade Cauldron Sect, so he could only give up the idea of going to the medicine pool to improve his strength!

After Liu Ruyan handed the elixir to Chen Ping, she did not leave. Instead, she sat at the table and stared at Chen Ping blankly!

Chapter: 4369

At this time, Liu Ruyan was wearing a red dress. Under the light, her graceful figure was looming, and even the underwear underneath was faintly visible!

"Miss Liu, if nothing happens, I'm going to rest."

Seeing Liu Ruyan like that, Chen Ping had no choice but to issue an eviction order!

"Chen Ping, don't you have any feelings for me at all?"

"Although there are many women around you, they can't serve you now. I can. As long as you ask, I can do anything."

"I am now the head of the Jade Cauldron Sect. I will accompany you in this capacity, so I won't let you feel that I am worthless, right?"

Liu Ruyan threw away her shyness and boldly asked Chen Ping!

When Chen Ping heard this, he quickly shook his head and said, "Don't always think like this. I helped you, but I also got benefits from the Jade Cauldron Sect. We don't owe each other anything, so you don't have to feel too guilty!"

"I'm really tired, I need to rest..."

Chen Ping issued an expulsion order again. He would not do anything to Liu Ruyan, because Chen Ping knew that although Liu Ruyan had some affection for him, she definitely had no love!

The reason why Liu Ruyan sacrificed herself was because she wanted to use Wenwen Township to retain Chen Ping!

Chen Ping would not be able to feel this kind of intentional devotion!

Liu Ruyan saw that Chen Ping was so determined and drove her away again, so she gritted her teeth and secretly took out the Hehuan Powder given by the third elder!

When Liu Ruyan opened the porcelain bottle of Hehuan Powder, bursts of light aroma instantly hit her nostrils!

Liu Ruyan looked at Chen Ping quietly. She wanted to see any changes in Chen Ping!

But Chen Ping sat quietly without any change!

When Liu Ruyan opened the Hehuan Powder, Chen Ping noticed it, but Chen Ping didn't care. His body was invulnerable to all poisons, and the small Hehuan Powder couldn't shake Chen Ping!

Chen Ping didn't feel anything, but when Liu Ruyan smelled the smell of Dao Hehuan Powder, her whole face turned red, her eyes were as charming as silk, and the look she looked at Chen Ping became charming!

"Chen Ping, I'm so hot, please help me..."

Liu Ruyan suddenly took off her dress and rushed directly towards Chen Ping!

Chen Ping looked at Liu Ruyan's fair jade body rushing towards him, and quickly reached out to catch Liu Ruyan, preventing Liu Ruyan from falling!

"Chen Ping, hurry up, hurry up..."

Liu Ruyan was a little confused and desperately tore Chen Ping's clothes!

"Dong dong dong..."

Chapter: 4370

But at this moment, Chen Ping's door was suddenly knocked on!

When Chen Ping heard this, looking at Liu Ruyan who was already crazy, he could only slap Liu Ruyan on the neck with his palm, making Liu Ruyan pass out!

After quickly dressing Liu Ruyan and letting her lie down on the table, Chen Ping stood up and opened the door!

"Nie Heng? It's so late, what can I do?"

Chen Ping opened the door and found that it was Nie Heng. He couldn't help but feel a little surprised! !

"Mr. Chen, I have something to ask you. Can you come in?"

Nie Heng asked Chen Ping!

"this....."

Chen Ping was a little hesitant. After all, Liu Ruyan was still in the room. If Nie Heng saw it, he might get misunderstood!

Just when Chen Ping was hesitating, Nie Heng looked through the door and saw Liu Ruyan lying on the table. Liu Ruyan was very conspicuous in a bright red dress!

"It turns out that the sect leader is here. I'm really sorry. I'll come see Mr. Chen another day..."

Nie Heng found out that Liu Ruyan was there and hurriedly followed Chen Ping to apologize and was about to leave!

“Don’t leave!” Upon seeing this, Chen Ping quickly stopped Nie Heng and did not let him leave!

If Nie Heng left like this, there would definitely be a misunderstanding. Maybe the entire Jade Cauldron Sect would know that Liu Ruyan was in his room that night!

Chen Ping didn’t want to cause such a misunderstanding, and he was not good to Liu Ruyan. Liu Ruyan was obviously a young girl. If there was a misunderstanding, Liu Ruyan’s innocence would be lost.

When Liu Ruyan threatens herself with this, Chen Ping won’t be able to refuse if she follows him!

“Come in, Miss Liu just came to thank me. She had a few too many drinks...”

Chen Ping pulled Nie Heng into the room, and then said: “Send two disciples to send your sect leader back...”

Nie Heng walked into the room and found that Liu Ruyan was indeed asleep and her clothes were intact. Knowing that he had misunderstood, he quickly nodded and called two disciples and sent Liu Ruyan back to her room!

At this moment, only Chen Ping and Nie Heng were left in the room!

Nie Heng suddenly knelt down to Chen Ping and said, “Mr. Chen, now that you have soaked in the medicine pool, are you about to leave the Jade Cauldron Sect?”

“Where are you going next?”

“I haven’t decided where to go yet, why do you ask these questions?” Chen Ping looked at Nie Heng in surprise and asked!

“Mr. Chen, during this time, I have discovered that Mr. Chen’s strength is unfathomable. I want to follow Mr. Chen and be his little follower!”
