

The Order 4371

Chapter: 4371

Nie Heng said with sincerity!

“Be my follower?” Chen Ping was slightly startled: “You have just been named an elder, do you think you don’t want the elder position anymore?”

“No, as a monk, whether you are an elder or an ordinary monk, the purpose is to improve your cultivation and become an immortal one day.”

“Even if I become an elder of the Jade Cauldron Sect, I won’t be able to ascend to immortality one day. I might as well follow Mr. Chen!”

Nie Heng said without hesitation!

“Can you become an immortal by following me?”

“I don’t even know if I can become an immortal myself.” Chen Ping said with a faint smile.

“At the very least, if you follow Mr. Chen, you will be able to ascend to immortality!”

Nie Heng said with certainty!

“Hahaha, you believe me too much, but let me tell you, if you follow me, I don’t know whether you can become an immortal, but you will definitely lose your life early.”

“The enemies and dangers I face are beyond your imagination. You should just be a down-to-earth elder in the Jade Cauldron Sect.”

“Actually, even if you become an immortal, you still live the same life. What’s important is trying to make your life meaningful.”

Chen Ping laughed and said!

Chen Ping himself knew the dangers he faced behind him. If Nie Heng followed him, he might not survive long!

What Chen Ping needs to do now is to get back the Divine King's Bow as soon as possible, but the Mingli King's City is not that easy to break into. Even Yihe's Demon King's City is not as strong as the Mingli King's City. It can be seen that the strength of this Mingli King's City is How powerful!

But even in the Dragon Pond and Tiger's Den, Chen Ping still had to find a way to get back the God King's Bow. Without the God King's Bow, plus the sword spirit Zhongli was injured and the power of the Dragon Slaying Sword was damaged, Chen Ping had no weapon in his hand!

You must know that a handy weapon can instantly improve a lot of strength. Now Chen Ping only has a complete dragon pattern bell to use, but it cannot be exposed often!

Chen Ping still has to look for Su Yuqi and the others, and he also has to go to the Fire Sect to rescue the leader of the Weapon Refining Sect. None of these things is a narrow escape, so Chen Ping cannot let Nie Heng follow him!

Nie Heng knelt on the ground and thought for a moment. He was silent for a moment and said, "Thank you, Mr. Chen, for your teaching. I understand..."

Nie Heng seemed to realize something, so he stood up and thanked Chen Ping, and then left Chen Ping's room!

After Nie Heng left, Chen Ping sat cross-legged and quietly recalled today's battle!

Chen Ping knew that if he failed to break through in the medicine pool and obtained the Flame Demon Ultimate Fire, he would not have much confidence in winning with Zhe Yan today.

With his current strength, if he were in the secular world, he would probably have no rivals. But in this world of heaven and earth, he has to be careful at all times. There are so many powerful people in this world, and Chen Ping's strength in the early stage of the Fusion Realm is also limited. Just be careful!

At this time, Chen Ping is very eager to break through the tribulation. As long as he succeeds in overcoming the tribulation, he can understand the origin. There is an essential difference from the monks before the tribulation!

Chapter: 4372

If you successfully overcome the tribulation, you will be considered a semi-immortal. Once you understand the origin of heaven and earth, any skills or spells, including the control of ultimate fire, will reach a new height!

Even the consciousness and thoughts will be improved a lot.

But overcoming the tribulation is not easy. Many monks die during the tribulation period, and decades or even hundreds of years of hard work are in vain.

"Hey, I don't know what's going on in the secular world..."

Chen Ping sighed and thought of his mother in the secular world, Ji Ruxue, Hu Mazi and the others!

Now that the secret realm of the secular world has collapsed and the spiritual energy has revived, Chen Ping doesn't know whether the martial arts in the secular world will decline, or whether the secular world will cause disputes among all parties due to the revival of spiritual energy!

In the end, Chen Ping had a headache thinking about it, so he simply stopped thinking about it, covered his head and started to sleep!

And while Chen Ping was sleeping, the palace in Mingli King City was still brightly lit!

King Li was sitting on the main seat, and sitting below King Li was a distinguished guest!

This distinguished guest is the Demon Emperor Yihe!

“Prince Li, I hope you won’t be offended by my presumptuous visit this time...”

Demon Emperor Yihe said very embarrassedly.

“Hahaha, what did Demon Emperor Yihe say? Do you and I still need to be so polite?”

King Li laughed and said.

“That’s right. You and I have been neighbors for so many years, so we don’t need to be so polite.”

“I came here this time just to discuss marriage with Prince Li. Now that my daughter has reached the age of getting married, I would like to ask Prince Li if he is interested in marrying me as an in-law?”

Demon Emperor Yihe asked!

“Of course, being able to become in-laws with Demon Emperor Yihe is what I wish for. What’s more, my son has always liked your girl!”

King Li said and shouted outside: “Xing’er, come in quickly and pay homage to your father-in-law...”

Soon, a man with fair features and fair skin, who looked like a girl, walked in!

Then he knelt down in front of Demon Emperor Yihe with a face full of joy and said: “My son-in-law pays homage to my father-in-law...”

“Hahaha, Li Xing, get up quickly, there is no need to give such a big gift...”

Demon Emperor Yihe hurriedly helped Li Xing up, and then Demon Emperor Yihe said to King Li: "Prince Li, I think the sooner the two of them get married, the better. I will ask Li Xing to follow me back to Demon Emperor City tomorrow. When the time comes, take the little girl over directly!"

"No problem, it's up to you." King Li nodded happily, and then said to Li Xing: "Xing'er, take your father-in-law to rest, and go with your father-in-law to marry Isha tomorrow!"

Chapter: 4373

"Got it!" Li Xing nodded, and then left with Demon Emperor Yihe!

Not long after Demon Emperor Yihe left, a royal guard from the palace hurriedly ran in!

"Prince Li, Master Hu of the Jade Cauldron Sect would like to see you."

said the guard.

"Hu Yixiao? This guy just left not long ago, why did he come here so late at night?"

King Li was full of doubts!

Although they were confused, the Jade Cauldron Sect had just formed an alliance with them in Mingli King City, and Hu Yixiao had refined a lot of elixirs for them, so King Li couldn't be too negligent!

"Go and invite Sect Leader Hu in..."

King Li ordered!

Soon, Hu Yixiao was invited into the hall. When King Li saw Hu Yixiao's embarrassed appearance, he suddenly looked surprised and said: "Sect Leader Hu, what's wrong with you? How did you become like this?"

Hu Yixiao was in tatters all over, which was caused by the fight, but at that time he only wanted to leave quickly, so Hu Yixiao had no time to change clothes!

“Prince Li, please help me...”

Hu Yixiao said with a miserable look on his face.

“Sect Master Hu, don’t be impatient. If you have something to say, speak slowly...” Prince Li quickly asked Hu Yixiao to sit down and speak slowly!

Hu Yixiao sat down, took a sip of water, took a breath, and then told King Li about the current changes in the Jade Cauldron Sect!

King Li was also very surprised when he heard that the second elder had been hiding for many years and colluded with the demon cultivator to seize the Jade Cauldron Sect!

“Sect Master Hu, although it was wrong for the second elder to seize your position as sect leader, after all, this is an internal fight within your Jade Cauldron Sect. I can’t intervene, right?”

King Li thought for a moment and said!

King Li said this also to allow Hu Yixiao to bleed blood and bring out more benefits!

“King Li, although our Jade Cauldron Sect has reached a cooperation with your Mingli King City, it is only signed between you and me.”

“Now that the second elder has become the sect leader, do you think he still recognizes it? If the second elder uses the Jade Cauldron Sect to cooperate with the demon cultivator and abandons your Mingli King’s City, King Li will surely be worried in the future!”

“Once the demonic cultivators grow up, your living space will be compressed, and your resources will be robbed by the demonic cultivators.”

“But if King Li can help me take back the Jade Cauldron Sect, then from now on our Jade Cauldron Sect will definitely only serve your King Mingli City, and all the high-end elixirs will be given to you without reservation!”

Hu Yixiao also understands that in the society of heaven and man, there are only benefits but no friends. If there are no benefits, no one will help you!

Chapter: 4374

So he promised King Li so that King Li could help him take back the Jade Cauldron Sect!

After listening to Hu Yixiao’s words, King Li frowned slightly, pondered for a moment and said: “Okay, I can help you take back the Jade Cauldron Sect. This is not a difficult task, but you still need to wait for a few days. Sect Master Hu will stay with me these days. Here, here you are absolutely safe.”

“Why are you still waiting, Prince Li? We should take action directly while the second elder’s foundation is not stable. This is the best time.”

Hu Yixiao didn’t understand why King Li had to wait!

“To be honest, Quanzi is holding a wedding in the next few days, so we need to wait a few days.”

King Li said truthfully!

He couldn’t help Hu Yixiao take back the Jade Cauldron Sect during his son’s wedding, right?

When Hu Yixiao heard this, he understood instantly and hurriedly said: “Congratulations to King Li. In that case, just wait a few days and when the Jade Cauldron Sect is recaptured, I will definitely send you an extremely precious gift.”

“When the time comes, I will personally refine a blessing pill and give it to King Li’s son. As long as he takes this blessing pill, he will definitely give birth to a fat boy.”

When King Li heard this, he immediately became interested and said happily: “Hahaha, then I will thank Sect Master Hu in advance. Don’t worry, the matter of retaking the Jade Cauldron Sect will be taken care of by me. I will send some of my subordinates casually. I will definitely be able to help you take back the Jade Cauldron Sect!”

Upon hearing this, Hu Yixiao nodded with satisfaction and finally had a smile on his face.

Early the next morning!

Chen Ping walked out of the room. Many Jade Cauldron Sect disciples greeted Chen Ping very enthusiastically. After all, the Jade Cauldron Sect was able to escape this time, thanks to Chen Ping’s contribution.

In addition, yesterday Chen Ping relied on the early stage of the Fusion Realm to kill Zhe Yan and beat the second elder to the point where he was unable to fight back. These deeply stimulated the disciples of the Jade Cauldron Sect!

You must know that in this human world, the strong are respected. As long as you are strong, you will be respected by others!

Chen Ping also greeted the disciples of the Jade Cauldron Sect enthusiastically. Now Chen Ping seems to have integrated into the Jade Cauldron Sect and has become a member himself!

Arriving at the door of Liu Ruyan’s room, Chen Ping wanted to talk to Liu Ruyan and then say goodbye to the Jade Cauldron Sect. As for the Tibetan Medicine Pavilion, Chen Ping had also thought about it. Those were the resources of the Jade Cauldron Sect. Although Chen Ping really wanted to have it, but now that Liu Ruyan has become the sect leader, Chen Ping can’t plunder all the Jade Cauldron Sect’s wealth!

Knocking on the door, Liu Ruyan’s voice rang: “Who is it? Come in...”

Chen Ping opened the door and walked in, and found Liu Ruyan sitting on a chair, with a slight blush on his face. It was obvious that yesterday’s Hehuan Powder had not completely dissipated from Liu Ruyan’s body!

Seeing that it was Chen Ping, Liu Ruyan's face instantly turned redder, and she explained with a hint of embarrassment: "Chen Ping, last night...I didn't do anything last night, did I? I don't know what happened, I Suddenly I lost control and didn't know what I was doing."

"Oh, it's okay, you didn't do anything last night!"

Chen Ping said with a faint smile!

"Then why did you come to me so early?"

Liu Ruyan asked!

Chapter: 4375

"I'm here to say goodbye to you. I have some important things to deal with, so I have to leave!"

Chen Ping said straightforwardly!

"What's the matter? Can I help you? All the disciples of my Jade Cauldron Sect can be at your disposal."

Liu Ruyan asked with great concern!

"No, you can't help." Chen Ping smiled and shook his head!

Liu Ruyan was silent for a moment, then summoned up the courage to say: "Chen Ping, after you leave, will you come back?"

"If you want, I can hand over the Jade Cauldron Sect to you, and then you will be the leader of the Jade Cauldron Sect, including myself..."

Liu Ruyan is still fighting for Chen Ping, she hopes Chen Ping can stay!

At this time, Liu Ruyan's eyes showed affection and affection!

This time, Liu Ruyan sincerely hopes that Chen Ping can stay. She is not taking advantage of Chen Ping's strength, but she really likes Chen Ping!

It must be said that Liu Ruyan sacrificed herself before, including promising Chen Ping many benefits, in order to let Chen Ping help him regain the Jade Cauldron Sect!

But now that the Jade Cauldron Sect has been taken back, Liu Ruyan is begging Chen Ping to stay, and that is her true feelings!

During this period, Liu Ruyan was deeply impressed by Chen Ping and fell in love with Chen Ping. She was willing to raise her husband and raise her children for Chen Ping, and handed over the Jade Cauldron Sect to Chen Ping!

But Liu Ruyan knew that her proposal might not be alluring to Chen Ping. After all, she was so proactive last night and even used Hehuan San, but she couldn't take down Chen Ping!

"Miss Liu, if I have time, I will definitely come back, and if the Jade Cauldron Sect encounters any difficulties, you can call me at any time!"

"Although the Jade Cauldron Sect is now stable, Hu Yixiao has escaped. I believe he will not let it go, so you still have to be wary of him."

"I made some simple jade slips for sound transmission. If the Jade Cauldron Sect is in any danger, you can find me at any time!"

Chen Ping handed the jade slip he made for transmitting sound to Liu Ruyan!

Liu Ruyan held the sound transmission jade slip made by Chen Ping, tears welling up in her eyes!

“Here you go, this is the token of our Jade Cauldron Sect. There is only one token. Anyone with this token can exercise the same rights as the sect leader.”

“If you want to return to the Jade Cauldron Sect, you can come back at any time. The Jade Cauldron Sect welcomes you at any time, and I will always wait for you...”

Chen Ping took the token, and when the two held their hands, Liu Ruyan didn't let go for a long time. She was feeling the temperature of Chen Ping's hands!

At this moment, Chen Ping was also in a trance. If he asked a girl to wait for him for the rest of his life, Chen Ping would feel guilty in his heart!

But now Chen Ping has too many things to do. It is impossible to wait for the Jade Cauldron Sect for a long time, and it is impossible to give Liu Ruyan happiness!

Chapter: 4376

In this human world, it is difficult for Chen Ping to protect himself. If he really combines with Liu Ruyan, Liu Ruyan will be in danger. Chen Ping can't be so selfish!

Chen Ping struggled to break free from Liu Ruyan's hand, and then put the exquisitely crafted token into his pocket!

Just when Chen Ping and Liu Ruyan let go of their hands, the third elder walked in!

Seeing Liu Ruyan's smiling face, the third elder quickly smiled and said: “Sorry, I went to the wrong place...”

The third elder thought that Chen Ping was having a love affair with Liu Ruyan, and was afraid of disturbing the two of them!

“Third Elder, what can you do?”

Just when the third elder was about to go out, Liu Ruyan stopped him!

“Sect Master, I just came here to inform you that you have just taken the position of Sect Master. On this first day, you should hold a meeting with the senior officials of the Jade Cauldron Sect.”

The third elder said!

“Oh, I know!” Liu Ruyan nodded!

“Mr. Chen can also participate. Now Mr. Chen’s status in our Jade Cauldron Sect is higher than that of my elder.”

The third elder looked at Chen Ping and said!

“I won’t participate, I’m leaving.”

Chen Ping smiled and said!

“Mr. Chen is leaving?” The third elder was stunned, and then asked with some confusion: “Why is Mr. Chen so anxious to leave? We still have the Tibetan Medicine Pavilion that has not been opened. If Mr. Chen needs it, I can open it for you at any time. .”

“No, I’ll visit your Tibetan Medicine Pavilion when it’s almost time.”

“I have several friends who have been separated from me for a long time. Now there is no news at all. I have to find them as soon as possible.”

Chen Ping replied!

“Then does Mr. Chen know where your friend is?”

The third elder asked.

Chen Ping shook his head!

The third elder frowned: "I don't know where it is, but it will be difficult to find it. The world of heaven and humans is extremely vast. I have been in the Jade Cauldron Sect for decades, and I have never known all the places in the world of heaven and humans."

"I just heard that the north and south poles of the heavenly and human world are separated by hundreds of thousands of kilometers. There are countless sects, towns, and even imperial cities and countries. If you don't know where your friends are, it will be difficult. Find."

After hearing this, Chen Ping couldn't help but sigh. The world of heaven and earth is indeed too big. It is indeed too difficult to find Su Yuqi and the others, but even if it is difficult, Chen Ping will not give up!

Chapter: 4377

"Even if I have to go to the end of the world, I will find them..."

Chen Ping's eyes were full of determination!

Seeing Chen Ping like that, Liu Ruyan seemed to feel something, so he asked: "Is the friend you mentioned your girlfriend?"

Chen Ping glanced at Liu Ruyan and said nothing, just nodded slightly!

"No wonder you didn't stay. It turns out you were looking for your girlfriend."

"But I will definitely abide by what I said. I will wait for you forever..."

Liu Ruyan said with firm eyes!

Chen Ping didn't dare to look at Liu Ruyan's eyes. He was afraid that he would be soft-hearted and reluctant to leave!

"Okay, it's time for me to leave. If anything happens, you can come to me at any time!"

After Chen Ping finished speaking, he turned around and left the room. He didn't dare to stay too long!

And Liu Ruyan looked at Chen Ping's back and murmured to herself: "Chen Ping, I will always wait for you..."

The third elder on the side looked at Liu Ruyan and could only sigh, shook his head and left.

Demon Imperial City!

Demon Emperor Yihe returned with Li Xing!

In order to express his sincerity, Li Xing brought a lot of betrothal gifts and was accompanied by more than a dozen followers!

When everyone arrived at the door, Huben, the general of the Imperial City Guard, personally led people to greet them at the door!

However, when he saw Li Xing, his expression obviously changed!

After all, he knew that Li Xing also liked Princess Isha, and Demon Emperor Yihe also wanted to marry Princess Isha to Li Xing.

Now that Li Xing came with his entourage and brought so many things, Huben knew that he must be here to marry Princess Isa!

It's just that as a guard general, Huben is also a guard of the imperial city. There is no way to compare with Prince Li Xing!

After welcoming Demon Emperor Yihe into the city with Li Xing, Hu Ben left with a look of displeasure because he didn't want to see Li Xing and Princess Isha in a pair!

"Father, are you back? What on earth have you done? You didn't take me with you either..."

Princess Isha saw that Demon Emperor Yihe was back, so she hurriedly ran out and said!

"Isa..."

Chapter: 4378

After Li Xing saw Princess Isa, he shouted with joy!

Only then did Princess Isha see Li Xing. When she saw Li Xing, the smile on her face disappeared in an instant, replaced by a cold face and asked: "Li Xing, come to our Demon King What does the city do?"

"Isa, why are you talking to Li Xing? This time I went to Mingli King's City to propose marriage, and this time Li Xing came with me to marry you back."

Demon King Yihe said!

When Princess Isa heard this, she immediately frowned and said with an unhappy face: "Father, who asked you to betroth me to that Li Xing? I don't like him at all. Have you asked me for my opinion?"

"Anyway, I won't marry. If you want to marry, you can marry yourself. I have a sweetheart..."

After Princess Isa finished speaking, she turned around angrily and ran away!

"This kid is so outrageous..."

Demon Emperor Yihe's face turned red with anger!

Li Xing listened to Princess Isha's words, and his face was also very ugly, but it was just fleeting. He hurriedly said to Demon Emperor Yihe: "Father-in-law, don't be too anxious, I will make Isha fall in love with me. . . ."

"Li Xing, this girl Isha is spoiled by me. It would be nice if you stay here for a little longer and develop feelings..."

Demon King Yihe said!

"I understand, I will try my best!"

Li Xing nodded!

Demon Emperor Yihe sent people to arrange accommodation for Li Xinghe and the entourage he brought, while Li Xing kept looking for Isha to chat, but all he got was a blank look from Isha, who ignored him at all.

But Li Xing wasn't angry or discouraged, he kept chatting with Isha!

One day later, Demon Emperor Yihe was closing his eyes to rest. Now he was hoping that Isha would change her attitude. After marrying Li Xing, their Demon Emperor City would be able to unite with Mingli City!

As long as the two of them unite, the Beast Clan in the Heaven and Human Realm and the Demon Imperial City will not have to worry. More importantly, after the two families unite, they can join forces to plunder the territory of other demon kings. After all, no one I despise the size of my territory.

"Demon Emperor, Mr. Chen would like to see you..."

Just when Demon Emperor Yihe closed his eyes to rest, Elder Pei suddenly came to report!

When Demon Emperor Yihe heard that Chen Ping was coming, he stood up from his chair and ran out in a hurry!

Chen Ping is the master of the palace. Although others don't know it, Demon Emperor Yihe knows it, and he doesn't dare to neglect it!

Elder Pei looked at Demon Emperor Yihe's panic and was full of doubts. He didn't understand why Demon Emperor Yihe was so respectful to Chen Ping and even went to greet him personally!

"Mr. Chen..."

Chapter: 4379

After Demon Emperor Yihe saw Chen Ping, he hurriedly stepped forward and bowed slightly!

Elder Pei lowered his head from behind, his face full of shock, and said nothing!

Chen Ping followed Demon Emperor Yihe into the imperial city, but did not ask Elder Pei to follow him because Chen Ping had some matters that he needed to ask Demon Emperor Yihe!

After entering the room, Chen Ping asked directly: "Yihe, how much do you know about Mingli Royal City?"

When Demon Emperor Yihe heard Chen Ping ask about Mingli Royal City, he was slightly startled, and hurriedly said: "Palace Master, I know quite a lot about Mingli Royal City. After all, King Li and I are neighbors, and our two families have a lot of contacts!"

"And I just returned from Mingli King's City. I plan to betroth my daughter to King Li's son, so that our two families can get married. By then, we will have more say in the lineage of the Orcs!"

"I wonder what the palace master is doing when he asks about Mingli King's city?"

Listening to Demon Emperor Yihe's words, Chen Ping thought for a moment and said, "Then what do you think of King Li's character?"

"He's very ambitious, extremely greedy, and he's an unscrupulous guy!"

Yihe spoke out the characteristics of King Li without hesitation!

Chen Ping was stunned and said with a look of disbelief: "Since this guy is so bad, why would you marry your daughter into their family?"

Demon Emperor Yihe smiled bitterly and said: "Palace Master, you don't know something. If I don't marry with Mingli King City and reach a cooperation, other people will find Mingli King City to cooperate!"

"At that time, my Demon Imperial City will only end up being divided up. There will be no room for resistance at all, so I can only sacrifice my little girl."

"Besides, after uniting with Mingli King City, we can attack the Eagle King Cave of the Bloodthirsty Thunder Eagle together. There is a Ten Thousand Years Sky Thunder Tree in the Eagle King Cave. I heard that this tree was destroyed by Nine Nine Eighty-One It was struck by thunder and still survived."

"The Sky Thunder Fruits on this tree are excellent cultivation resources..."

When mentioning the Heavenly Thunder Tree, Demon Emperor Yihe's eyes were obviously a bit greedy!

"Bloody Thunderhawk?"

"Thunder Tree?"

Chen Ping frowned slightly and asked in confusion: "Is this bloodthirsty Thunder Eagle also one of the Three Sovereigns and Four Kings?"

Demon Emperor Yihe shook his head: “No, the entire beast clan is apart from our Three Sovereigns and Four Kings, and there are many beast clans that form their own lineage and are not under our jurisdiction.”

“This bloodthirsty Thunder Eagle is one of them. He is not under the jurisdiction of my Demon Imperial City or King Li’s Royal City. This guy doesn’t listen to anyone because there is a Sky Thunder Tree in the cave!”

“Over the years, although some people have tried to take advantage of the Sky Thunder Tree, they have all failed. Since then, no one has taken the idea of bloodthirsty Thunder Eagle alone. If their strength is damaged, they will probably be eaten by others. Lost.”

“Both King Li and I thought about leading the crowd to attack the Eagle King’s Cave, but no one dared to do it. After all, we still have to guard against the other party!”

“Now that my Demon Imperial City has cooperated with Mingli Royal City, we can attack the Eagle King Cave together and carve up the Sky Thunder Tree!”

Chapter: 4380

After Demon Emperor Yihe’s explanation, Chen Ping finally understood that monsters like the Bloodthirsty Thunder Eagle should be regarded as casual cultivators among monks and do not succumb to any force!

“How sincere do you think Prince Li is in marrying and cooperating with you?”

Chen Ping asked.

“This... this subordinate doesn’t know.”

Demon King Yihe shook his head.

Demon Emperor Yihe had no idea that in the eyes of King Li, the marriage was just a pretense, and what he really wanted was the entire Demon Emperor City!

“Don’t cooperate with King Li for the time being. Something of mine was stolen by King Mingli. I want to get it back first!”

Chen Ping said to Demon Emperor Yihe!

“Palace Master, what did King Mingli’s city steal from you? Just let me help you get it back.”

Demon Emperor Yihe asked!

“According to the character of King Li you mentioned, he will not give back what he stole.”

“What he stole was my God King Bow...”

Chen Ping said calmly!

“God King’s Bow?” Yihe suddenly exclaimed with a surprised expression!

This God-King Bow was an ancient divine weapon that many people dreamed of. He never expected that the God-King Bow would be in Chen Ping’s hands!

“Do you think it’s possible that King Li stole my God King Bow and you want it back?”

Chen Ping asked!

Demon Emperor Yihe quickly shook his head: “Not to mention that the God King took the bow, even if it is an ordinary magic weapon, King Li probably will not return it.”

“But how does the palace master know that the God King’s Bow was stolen by King Mingli?”

Chen Ping smiled lightly: "My God King Bow was stolen by a mole monster, and in this area, apart from your Demon Imperial City, only Mingli King City has a mole monster. I asked Isa, and she said Your Demon Imperial City does not allow mole monsters to steal, so I am sure it was the mole monster from Mingli Royal City who did it."

"Yes, I gave an order not to allow the mole monster to steal. So, the God King's bow is probably in the hands of King Li."

"But I have brought King Li's son Li Xing to the imperial city and brought a betrothal gift. How can I cancel the marriage?"

"If I directly ask that Li Xing to go back, it will definitely cause the dissatisfaction of King Li..."

Demon Emperor Yihe said slightly embarrassed!
