

The Order 4381

Chapter: 4381

“Father, you don’t need to say anything. I will go find Li Xing myself and tell him that I don’t like him at all, but you chose to marry me to him.”

At this time, Princess Isa actually pushed the door open and said with a dissatisfied look on her face!

“Isa, I...I am also thinking about the imperial city!”

Demon Emperor Yihe sighed!

In fact, he also knew what King Li was like, and like father, like son, Li Xing’s temperament was also extremely cruel, but for the development of the entire imperial city, Demon Emperor Yihe had to sacrifice his daughter!

“Hmph, you’ve known all day long that for the sake of Demon Imperial City, when did you ever think about me?”

Isa shouted dissatisfied!

“Isa, you are a monster and cannot be combined with humans. You have to recognize the reality.”

Demon King Yihe knows that Isha only likes humans, but this is simply not realistic!

“I just like human beings, why is it unrealistic? I like Chen Ping, he is also a human being. If we are together, nothing will happen.”

As Isha said that, she actually stepped forward and hugged Chen Ping’s arm!

Chen Ping was stunned and seemed a little embarrassed for a moment!

When Demon Emperor Yihe saw this, a smile flashed across his face. Because he knew Chen Ping's identity, there would be no problem for Isha to follow Chen Ping!

"Young women have no control over it. Whatever you want, do whatever you want. I don't care..."

After Demon King Yihe finished speaking, he turned around and left!

He is just leaving space for Isha and Chen Ping!

Seeing Demon Emperor Yihe leaving, Chen Ping was a little helpless. He could also see through the mind of Demon Emperor Yihe!

"Princess Isa, men and women cannot be intimate with each other. What's more, your fiancé is still here. It's not good for him to see you!"

Chen Ping wanted to break free, but was held tightly by Isha!

"Don't talk nonsense. I don't have a fiancé. I like you. Regardless of whether you agree or not, I just like you anyway."

"If you don't want me, then I have no choice but to die. I won't marry that Li Xing anyway."

Isha looked willful.

But Chen Ping knew that Princess Isa would definitely do it!

"Isa, who is this guy?"

Chapter: 4382

At this time, Li Xing's cold voice came over!

I saw Li Xing's face turned extremely ugly, with a strong murderous intent rising from his body, and a terrifying aura instantly enveloped Chen Ping!

"Li Xing, you came at the right time. I advise you to go back quickly. I already have a sweetheart."

"His name is Chen Ping. He is my boyfriend. We have been together for a long time, and I even broke his child."

Princess Isa cuddled up against Chen Ping, looking happy!

Princess Isa's words almost sent Chen Ping away. Chen Ping looked at Princess Isa in disbelief!

When did he have a child with Princess Isa?

Although Chen Ping knew that Princess Isa was trying to irritate Li Xing, Chen Ping felt it was inappropriate to joke about his innocence!

After Li Xing heard Princess Isa's words, he was stunned for an instant, and then burst into endless anger!

In just a moment, Li Xing's anger was extinguished, and a sneer appeared on his face!

"Isa, do you want to use this method to make me give up? You are not pregnant at all, and even your body is still intact."

"You have forgotten that our orcs' physiques cannot be combined with humans. How could you possibly harm a human child?"

“I almost got fooled by you!”

Li Xing finished speaking to Isha, then looked at Chen Ping and said: “Boy, I don’t care where Isha found you, disappear from here immediately, otherwise I will eat you alive and turn you into a pile of bones!”

As Li Xing spoke, his face began to twist, and then a tiger’s head appeared, opening its bloody mouth, and roared twice at Chen Ping!

Then Li Xing returned to his human form and looked at Chen Ping coldly!

“It turned out to be a tiger monster, but I followed Isha because I truly loved each other. If you want me to leave, do I have to leave?”

“And my ancestor was Wu Song, who specialized in hunting tigers...”

Chen Ping said with a faint smile!

When Isha heard what Chen Ping said, the smile on her face became even stronger and she hugged Chen Ping tighter!

When Li Xing saw this, he was so angry that his whole body began to tremble slightly, his teeth clenched, and a terrifying aura enveloped Chen Ping’s head again!

“A young monk at the beginning of the Fusion Realm dares to talk to me like this!”

Li Xing glared at Chen Ping and prepared to attack Chen Ping!

“Li Xing, you are too brave to dare to take action in our Demon Imperial City...”

Chapter: 4383

Seeing that Li Xing was about to attack Chen Ping, Isha hurriedly stepped forward to block Chen Ping!

After all, Li Xing is a fifth-level monk in the Fusion Realm. Chen Ping, who has just been promoted to the Fusion Realm, cannot be Li Xing's opponent!

"Isa, get out of my way, I'm going to kill this guy who doesn't know the heights of heaven and earth, and cut off your thoughts!"

Li Xing said coldly to Princess Isa!

"Impossible, if you want to touch Chen Ping, attack me first!"

Princess Isa said firmly!

"Okay, then don't blame me for being rude. I'll control you first and then kill this kid!"

Li Xing said, he will attack Princess Isa!

But at this moment, a huge aura came, instantly blowing away the terrifying pressure emanating from Li Xing!

"Prince Li Xing, what caused such a big fuss? And by taking action in our Imperial City, isn't it a little disrespectful to the people of Demon Imperial City?"

Elder Pei walked over slowly, with a smile on his face, but his tone of voice was extremely cold!

"Elder Pei, Isa..."

"Prince Li Xing, I told you that according to the rules of our Demon Imperial City, you are not allowed to take action in the imperial city. I don't want to hear your reasons. Any reason is unacceptable."

Elder Pei didn't wait for Li Xing to finish speaking, and said coldly again!

Li Xing looked at Elder Pei in front of him and could only helplessly put away his explosive aura. Then he glanced at Chen Ping with murderous intent and said, "Boy, just wait for me. I will let you know how powerful I am. If you can, stay away from this imperial city for the rest of your life."

After Li Xing finished speaking, he turned around and left angrily!

"Mr. Chen, Princess Isa, please continue..."

Elder Pei smiled slightly, then quickly turned around and left!

"Elder Pei, wait a moment..."

Chen Ping wants to ask Elder Pei to wait and then get rid of Princess Isa!

But Princess Isa clung to Chen Ping tightly, and Elder Pei pretended not to hear Chen Ping's shouts and left quickly!

"Chen Ping, am I not beautiful? Do I have a bad figure? Or am I not worthy of you because of my status?"

Princess Isa stared at Chen Ping and asked!

"No, no, it's very good and beautiful..."

Chapter: 4384

Chen Ping said quickly.

“Then why do you still want to avoid me?”

“Do you dislike me for being a demon cultivator? Let me tell you, I am no different from you human women. What you human women can give you, I can also give you!”

“And I can serve you better than them. Otherwise, why don’t you come with me to the room and try...”

Princess Isa said, about to drag Chen Ping into the room!

Chen Ping was shocked. He didn’t expect Princess Isa to be so bold and unrestrained. The two of them didn’t have a deep understanding, but she was about to drag him into the room and do double exercises!

“No, no, no... I think it’s better for us to get to know each other better. Maybe after getting to know each other for a long time, you will find that I am not the kind of person you like.”

Chen Ping quickly broke away and said!

“Are you stupid? You don’t even want a woman when she comes to your door. Are you a man?”

Princess Isa looked at Chen Ping in disbelief. In her opinion, when a woman takes the initiative, a man generally cannot refuse!

What’s more, her figure, appearance, and identity are all one-of-a-kind. Many men are attracted by her when they see her, but now that she takes the initiative, Chen Ping dares to refuse!

“I think it’s better not to force this kind of thing. Let’s learn more about it first...”

After Chen Ping finished speaking, he left quickly!

Princess Isa looked at Chen Ping’s back, and her affection for Chen Ping became even stronger!

“Chen Ping, I will never let you escape my grasp, I must be your woman!”

Princess Isa smiled slightly and said!

.....

Inside the main hall of Demon Imperial City!

Demon Emperor Yihe drank tea happily. If Chen Ping could get along with Isha, he would support it with both hands!

In any case, Chen Ping is the master of Tianlong Palace, and his status is many times higher than that of Li Xing!

It's just that Demon Emperor Yihe never dared to think of letting his daughter follow Chen Ping, so he offered to marry Isha to Li Xing!

If he knew, he would never let Isha marry into Mingli King City!

“Father-in-law...”

At this time, Li Xing walked in angrily!

Chapter: 4385

Seeing Li Xing, Demon Emperor Yihe didn't have the joyful look on his face before, but asked calmly:
“What's wrong?”

“Father-in-law, do you know that Isa is with a human man?”

Li Xing asked Demon Emperor Yihe!

“Well, I know!” Demon Emperor Yihe nodded.

He knew that the human man Li Xing asked must be Chen Ping!

“Father-in-law, what is the identity of that human man? Why is he in Demon Imperial City?”

Li Xing asked in a bad tone.

“Are you questioning me?”

Demon Emperor Yihe’s eyes narrowed slightly, his face instantly turned cold and he said, “This is my Demon Emperor’s City. Is there anyone I want to report to you?”

Li Xing felt the cold breath of Demon Emperor Yihe and quickly apologized: “Father-in-law, I didn’t mean that, I was just curious...”

“Okay, don’t call me father-in-law anymore. You and Isa are not married yet. If you call me like this, you will be laughed at.”

“Didn’t you say that you would make Isa fall in love with you? Whether you can let Isa marry you depends on your ability. I have done everything I should do.”

Demon King Yihe said coldly!

“Yue... Demon King, don’t worry, I will let Isha know who is the man she should like.”

Li Xing felt the change in Demon Emperor Yihe’s attitude, and his face became ugly!

“But I have something to remind you. Fighting is never allowed in my Demon Emperor City. This is my rule and no one can violate it.”

Demon King Yihe warned Li Xing!

“I understand!” Li Xing nodded, then turned and left!

As soon as he walked out of Demon Emperor Yihe’s palace, Li Xing’s face was filled with coldness, and he gritted his teeth and said: “What an old Yihe guy, you dare to play tricks on me, do you really think I’m so easy to deal with?”

After Li Xing finished speaking, he crushed a jade slip and spoke with his father, King Li!

“Xing’er, how’s things going? When will you set off and come back?”

King Li asked Li Xing!

“Dad, I’m afraid I won’t be able to go back soon...”

Li Xing briefly told King Li what had just happened!

Chapter: 4386

After hearing this, King Li was furious!

“This old guy Yihe really doesn’t take Mingli King City seriously.”

“Xing’er, if it doesn’t work, you can come back. The worst that can happen is that you won’t marry Isa. As the prince of Mingli King’s City, are you still worried about not having a wife?”

“When the time comes, I will find a chance to destroy the Demon Imperial City and see if Mr. Yihe still dares to play tricks on me!”

King Li said angrily!

“Dad, I must get Isa before I go back. I just want to take this opportunity to explore the strength of Demon Imperial City.”

Li Xing said!

“Where you are, be more careful and don’t act recklessly.” King Li warned Li Xing!

“Don’t worry, even if I do something outrageous, old guy Yihe won’t dare to do anything to me, unless he wants to be removed from the Orcs!”

Li Xing said confidently!

After saying that, Li Xing ended the call and went straight to the mansion where he lived!

But as soon as he walked out of the palace, Li Xing saw many people watching on the street, and Li Xing walked up curiously!

After getting closer, Li Xing discovered that it was Huben and Chen Ping who were tit for tat!

“Boy, I advise you to stay away from our princess and get out of our Demon Imperial City immediately, otherwise don’t blame me for being rude!”

Huben glared at Chen Ping and said!

Chen Ping looked at the tiger and smiled faintly: “Why do you want to be rude to me?”

Chen Ping, who has broken through the Fusion Realm, is no longer afraid of Huben!

Moreover, private fights are not allowed in this imperial city. As the general of the guard, Huben knows this rule even better!

“If you don’t leave, then I will let you die here and never leave!”

After Huben finished speaking, his hands suddenly mutated and turned into two huge bear paws!

Chen Ping looked at Hu Ben’s bear paws and burst out laughing!

He always thought that Huben was transformed into a tiger demon. After all, his name was Huben, so it was normal for him to be a tiger demon!

Unexpectedly, Huben turned out to be a bear!

“I thought you were a tiger, but you turned out to be a bear. You really ruined such a good name!”

Chapter: 4387

Chen Ping said with a hint of sarcasm!

“You’re looking for fucking death...”

Hu Ben was furious and was about to slap Chen Ping with his huge bear paw!

When Li Xing saw this, he was extremely happy. He didn’t know it, but it turned out that Huben was still having a holiday with Chen Ping. In this case, he could use Huben to get rid of Chen Ping!

“Kill him, kill him...”

Li Xing shouted in his heart!

“Hu Ben, don’t forget, fighting is not allowed in this imperial city. Do you dare to disobey the Demon Emperor’s rules?”

Chen Ping said to the tiger!

When Huben heard this, the palm he originally clapped stopped in mid-air!

As a guard general, of course he knew the rules, but he was so angry just now that he almost broke the rules!

Li Xing, who originally planned to let Huben kill Chen Ping, felt disappointed when he saw Huben stopped!

“General Huben, as the general guarding the Imperial City, you are responsible for the security of the entire Imperial City. Do you still need to be restricted from doing anything in the Imperial City?”

At this time Li Xing walked out, he planned to stimulate Huben and let Huben attack Chen Ping!

When Huben saw Li Xing, he originally didn’t like Li Xing either. After all, Li Xing also competed with him for Princess Isa.

However, as the prince of Mingli City, Li Xing took the initiative to call Huben the general. Huben shouldn’t be too rude!

“Prince Li...”

When Huben saw Li Xing, he also shouted!

“General Huben, the reason why this guy dares to play tricks on you in Demon Imperial City is entirely because of Princess Isa. He knows that Princess Isa likes humans, so he, a human, dares to do whatever he wants!”

“But as the Imperial City Guard General, you can find a reason to drive this guy away or kill him directly!”

“Just say that his existence threatens the safety of the Imperial City, and that he humiliated you Imperial City people on the streets!”

“Aren’t any of them reasons for you to take action?”

Li Xing was on the side, giving Huben advice!

When Huben heard this, his eyes suddenly lit up and he said, “Yes, why didn’t I think of that?”

When Chen Ping looked at Li Xing like that, he knew that Li Xing was deliberately trying to make Hu Ben deal with him.

Chapter: 4388

“Because you are a bear, so you can’t think of such a good idea!”

Chen Ping was not afraid of Hu Ben at all, so he taunted him!

Chen Ping’s words made many people laugh!

This time, Hu Ben was completely angered. He saw a murderous look on his face and said: “Boy, you are a little human, but you are doing evil in our Demon Imperial City. As the general of the Imperial City Guard, I must bring you to justice.” To the law!”

“Okay, if you want to do it, do it. Don’t put any blame on me. Come on...” Chen Ping waved to Huben!

Huben roared angrily and slapped Chen Ping with one palm!

Chen Ping faced Huben's palm. Chen Ping smiled coldly, stepped forward and grabbed Huben's arm!

Huben was stunned for a moment, then yelled: "Let me go..."

Huben only felt that Chen Ping's hands were like vise, gripping his wrist tightly, making him unable to move!

This caused the aura in Huben's body to continue to surge!

Just when Huben was struggling to break free, Chen Ping suddenly let go!

At this moment, Huben's body retreated uncontrollably!

Deng Deng Deng.....

Hu Ben's huge body retreated one after another, and finally sat on the ground!

At this time, everyone around couldn't help but laugh!

Huben's face turned red with embarrassment, and he glared at Chen Ping with murderous intent in his eyes!

When Li Xing saw this scene, he couldn't help but frown. He didn't expect that Huben, as the general of the imperial city, would be so stupid!

Huben got up from the ground and roared angrily: "Boy, I'm going to tear you apart today..."

As he spoke, Hu Ben suddenly pounced out, his huge bear paw heading directly towards Chen Ping's neck!

This palm obviously wanted Chen Ping's life!

Chen Ping looked at Hu Ben's palm, his brows furrowed slightly, and a cold light flashed in his eyes!

He didn't expect that this tiger would really have murderous intentions!

Chen Ping stopped joking, bursts of spiritual power instantly erupted in his body, and a large amount of spiritual power rose up from his body!

A spiritual barrier flashed around Chen Ping's body in an instant!

Chapter: 4389

And Hu Ben's palm hit the spiritual barrier, and he was instantly shaken and flew backwards!

Everyone was shocked. They didn't expect Chen Ping to be so powerful!

Even Li Xing frowned and looked at Chen Ping again!

“ah.....”

Huben was furious, roaring loudly, and rushed towards Chen Ping again!

But Chen Ping took out the Dragon-Slaying Sword, a cold light flashed, and the Dragon-Slaying Sword instantly touched Huben's neck!

The icy chill instantly woke up the furious Huben!

Huben looked at the dragon-slaying sword in Chen Ping's hand, and his expression became a little panicked!

"You...do you want to kill me?"

"I can tell you, I am the general guarding the imperial city. If you kill me, you will never get out of here!"

Huben threatened Chen Ping!

"If you were not the general guarding the imperial city, you would have been dead by now. Get out of here right now..."

Chen Ping said coldly!

Huben looked at Chen Ping, feeling the killing intent in Chen Ping, and finally could only grit his teeth, turned around and left!

"Just wait for me, I will never give up..."

After walking for a while, Huben turned his head and roared at Chen Ping!

Chen Ping didn't care, but put away the Dragon Slaying Sword and looked at Li Xing coldly!

But Li Xing didn't speak, but turned and left!

Li Xing did not return to his residence, but went straight to Huben's mansion!

As the general guarding the imperial city, Huben must be angry when he is humiliated by Chen Ping in public!

And Li Xing also knows that this Hu Ben has always been eyeing Isha and likes her!

“Ah... I’m so angry that a little human being can humiliate me like this!”

“I must kill him, I must kill him...”

Huben returned to the mansion and started smashing things to vent his anger!

Chapter: 4390

Several slaves stood aside, all trembling with fear!

At this moment, Li Xing walked in with a smile on his face. When he saw Li Xing coming to his mansion, Hu Ben was stunned!

However, Huben was furious at this time, so he asked Li Xing coldly: “What are you doing here?”

“Are you here to see my joke?”

Huben’s tone was unkind. After all, Li Xing also came to marry Isha. Anyone who steals Princess Isha from him will be his enemy!

This Li Xing is no exception...

“General Huben, how could I possibly see your joke? Considering my age, I still call you big brother. As a younger brother, how could I laugh at your big brother!”

Li Xing smiled slightly!

It can be said that Li Xing has lowered his status a lot. You must know that as the prince of Mingli Royal City, there is no need for him to be so humble!

But Li Xing did this in order to understand the strength of Demon Imperial City and to better annex Demon Imperial City!

As the general guarding the Imperial City, Huben would be responsible for the entire imperial city's defense. If he could win Huben to his side, then the annexation of the Demonic Imperial City would become much easier!

Huben was still angry at first, but he was a little overwhelmed by Li Xing's "big brother" call!

After all, he was a prince, and he actually called him brother and brother, which made Huben a little flattered!

"Prince Li Xing, you are a prince, and although I am a general, I am just a servant. Don't call me that!"

Huben changed his attitude and said!

"Brother Huben, there is no such thing as a prince. I just admire Brother Huben as a person. If Brother Huben doesn't dislike it, I would be willing to follow him and become brothers!"

"This way, I can legitimately call you my eldest brother!"

Li Xing said seriously!

Hu Ben's face was full of surprise. He didn't expect that Li Xinggui, as a prince, would want to sworn sworn brothers with him. This was something he never expected!

But soon, Huben shook his head and said: "Prince Li Xing, you must not do it. After a while, you will be the husband-in-law of our Princess Isha and the uncle of our Demon Imperial City. How can the two of us become sworn brothers?" "

When talking about this, Hu Ben's eyes were full of disappointment. After all, he liked Isha, but his identity was not comparable to Li Xing, and Demon Emperor Yihe couldn't let Isha marry one of his servants!

Looking at Huben's appearance, Li Xing secretly smiled, and then said angrily: "Brother Huben doesn't know something. Isha and I will never be together. Isha doesn't like me at all. He was called Chen Ping." Human beings have taken away their souls!"

"To be honest, today I saw the two of them hugging each other and being very affectionate. Originally, I wanted to kill that kid, but it's a pity that the rules of your Demon Imperial City prohibit private fights in the Imperial City, so I didn't. Dare to take action!"

"I know Isha doesn't like me, and I won't marry a woman who doesn't like me. But even if Isha doesn't like me, she can't like a human being. Seeing that boy's mediocre strength, what's so good about him?"
