

The Order 4391

Chapter: 4391

“I know that Brother Hu Ben also has thoughts about Isha. Logically speaking, Brother Hu Ben has been working hard to guard Demon Imperial City for so many years and has paid so much. Isha should be Brother Hu Ben’s!”

“Perhaps in the eyes of you Demon Emperor Yihe, no matter how much you give, you are still just a servant...”

“Why.....”

Li Xing sighed kindly, as if he was trying to defend Hu Ben!

Huben was silent after listening to Li Xing’s words, but looking at his facial expression, you could tell that Li Xing’s words had shaken Huben’s heart!

Li Xing struck while the iron was hot and continued: “Brother Hu Ben, just now you followed that Chen Ping to do something on the street. Maybe Princess Isa will scold you if she finds out!”

“Even the Demon Emperor Yihe might not be able to speak for you when the time comes, and he might even punish you!”

As Li Xing was talking, he heard a shout from outside!

“Hu Ben, get the fuck out of here...”

When Huben heard this, he frowned because he recognized that it was Princess Isa’s voice!

Huben had no choice but to frown and walk out!

After seeing Huben, Princess Isa scolded her!

“Hu Ben, you are so brave. Who asked you to attack Chen Ping?”

“Don’t you know that Chen Ping is a guest of our Demon Imperial City? And private fights are not allowed in the Imperial City. As a guard general, you are blatantly violating the rules!”

“Let me tell you, if you dare to take Chen Ping’s idea, I can’t spare you. I will tell my father right now and punish you well!”

After Princess Isa finished speaking, she turned around and left angrily, without giving Huben a chance to speak!

Seeing Princess Isa helping Chen Ping like this, Huben became even more angry and hated Chen Ping even more!

Huben gritted his teeth and clenched his fists: “Chen Ping, I must make you cut into pieces!”

“Brother Huben, my guess is good, right? The enemy of you and me now is that Chen Ping. Only by making that Chen Ping disappear completely can Isha change her mind.”

“I will definitely leave Demon Imperial City when the time comes and I will never follow Brother Huben to fight for Isa!”

Li Xing stimulated Huben and said!

“Prince Li Xing, I appreciate that you think highly of me, but I can’t do it. After all, as the guard general of Demon Emperor City, if I follow Prince Li Xing in sworn vows, our Demon Emperor will definitely be dissatisfied.”

Although Huben was angry, he did not lose his mind!

He likes Isha, regards Chen Ping as his love rival, and wants to kill Chen Ping, but he has never thought of betraying Demon Emperor Yihe!

Chapter: 4392

“Brother Huben, I’m just saying casually. If you don’t agree, forget it. But I appreciate Brother Huben. If you figure it out at any time, you can always come to me!”

“I will stay in your Demon Imperial City for a while and will not leave!”

After Li Xing finished speaking, he left from Huben’s mansion!

Not long after Li Xing left, an imperial city guard hurried over!

“General, the Demon King is looking for you...”

The guard said to Huben!

After hearing this, Huben’s face changed slightly. He seemed to have guessed why Demon Emperor Yihe was looking for him!

When Princess Isa left, she said she would report this matter to Demon Emperor Yihe!

Huben followed the guards towards the palace!

When they arrived at the palace, they found that Demon Emperor Ihe was full of anger, and Princess Isha was standing next to Demon Emperor Ihe!

“Demon Emperor, you are looking for me...”

Huben lowered his head and asked softly!

“Hu Ben, let me ask you, did you attack Mr. Chen just now?”

Demon Emperor Yihe asked!

“Yes!” Huben didn’t dare to lie!

After all, there are so many people watching, so there is no way to lie. If no one is watching, Princess Isa will not come to the door so quickly!

“You are so brave. Don’t you know the rules of my imperial city? As a general of the guard, you openly disobey!”

Demon Emperor Yihe slammed the table and shouted loudly!

Huben was so frightened that he trembled all over, and then quickly fell to his knees!

“Demon Emperor, Chen Ping is using his power to bully others and oppress the people of our imperial city. As the general of the bodyguard, I took action.”

Huben actually followed what Li Xing said and came to deceive Demon Emperor Yihe!

When Demon Emperor Yihe heard this, he became furious!

You must know that Chen Ping is the master of Tianlong Palace, and the entire Demon Imperial City belongs to Chen Ping. How could Chen Ping bully his own people!

“Hu Ben, you are so bold, you dare to lie to me.”

Chapter: 4393

“I tell you, from now on, you must obey Mr. Chen honestly. You must listen to whatever he says!”

“This is your first offense. You will be sentenced to guard the city gate for ten days. If you dare to be disrespectful to Mr. Chen again, I will kill you...”

Demon Emperor Yihe glared at Huben and said!

He, the demon king, has to obey Chen Pingyan. Huben, a general of the bodyguard, still wants to attack Chen Ping. He is simply looking for death!

Huben felt dissatisfied at this time, but he did not dare to show it in front of Demon Emperor Yihe. He could only nod and said: “Yes!”

“Okay, let’s go down...”

Demon Emperor Yihe waved his hand!

After Huben walked out of the palace, he slowly raised his head, his eyes full of sternness!

Huben walked on the street with a cold face, extremely angry inside!

He didn’t understand why Demon Emperor Yihe was so kind to Chen Ping and respected a mediocre human being so much!

You must know that he is the guard general and has guarded Demon Imperial City for many years. If it weren’t for him, Demon Imperial City would have been attacked countless times!

But now, he is worse than a little human being!

The more Huben thought about it, the angrier he became, and finally he walked towards Li Xing’s residence!

Li Xing was drinking tea. When he saw Huben coming, he quickly got up to greet him!

“Brother Huben, please come in quickly...”

“This is the good tea I brewed. Try it...”

Li Xing lowered his stance and poured Huben a cup of tea!

Hu Ben finished the meal in one gulp, then looked at Li Xing and said, “Prince Li Xing, when you said you wanted to sworn sworn brothers with me, do you really mean it?”

“Brother Huben, of course you are sincere. Don’t you believe me?”

Li Xing asked back!

“Of course I believe it. Since Prince Li Xing thinks highly of me, then I will sworn sworn brother with Prince Li Xing. When the time comes, I am willing to listen to Prince Li Xing’s arrangements!”

Huben gritted his teeth and seemed to make up his mind!

“Brother Huben, that’s great. We will become sworn brothers immediately...”

Li Xing ordered his people to prepare the incense table, and then he followed Huben and started to make sworn vows!

Chapter: 4394

After the sworn ceremony, Huben looked at Li Xing and said: “Prince Li Xing.....”

“Brother Huben, you and I are sworn sworn brothers, and you still call me that. Isn’t it too outlandish? Just call me brother.”

Li Xing quickly interrupted Huben and said!

“Brother, since you and I have become sworn brothers, if you have anything to do in Demon Imperial City in the future, just come to me.”

Huben looked at Li Xing gratefully and said!

“Brother Huben, the top priority is that the two of us must find a way to get rid of Chen Ping. Since it’s difficult to do anything in the imperial city, let’s lure him out.”

Li Xing rolled his eyes, and then started plotting with Hu Ben!

At this time, Chen Ping was in the library pavilion in the imperial city. Here were the geniuses carefully selected by the Demon Emperor Buyihe, and they were all learning the art of alchemy!

Ever since Chen Ping used the ancient books of the Orcs to create alchemy techniques that the Orcs could learn, Demon Emperor Yihe sent people to learn them as soon as possible!

If they have their own alchemist in Demon Imperial City, their strength will definitely increase a lot, and they won’t have to be controlled by others anymore!

“Mr. Chen...”

Seeing Chen Ping coming, Elder Pei hurried forward to say hello!

Now these people are under the jurisdiction of Elder Pei, who urges them to study every day!

“Although the alchemy technique seems to be extremely simple compared to other techniques, you still have to take it slowly and don’t do it too hastily.”

Chen Ping glanced at the people studying, and then said to Elder Pei!

“Mr. Chen’s lesson is right, I will pay more attention...”

Elder Pei said very humbly!

“Well, you can take them to continue studying. I’ll go upstairs and take a look...”

Last time, Chen Ping just took a brief look at the Library Pavilion without going in-depth. You must know that the Library Pavilion is divided into several floors, so Chen Ping wanted to take a look at it!

“Mr. Chen Ping, I’d better accompany you up there. The Demon Emperor has placed a taboo on it.”

Elder Pei said quickly!

“There are also taboos, is there something very important on it?”

Chen Ping asked in confusion!

Elder Pei nodded and walked with Chen Ping and said, “There is indeed a very important ancient book stored upstairs.”

Chapter: 4395

“I heard that it was written by the oldest beast king of our monster clan. It records a palm technique called Thunder Palm. I heard that if you learn this palm technique, you can communicate with the heaven and the earth and trigger the thunder. It is extremely powerful. !”

“It’s just that this ancient book has been sealed, and no one has been able to open it yet. All the demon kings have tried, but they can’t open this ancient book. Now the ancient book has been stored at the top of the library!”

Elder Pei knew Chen Ping's status in Demon Imperial City, so he did not hide it from Chen Ping and told the truth!

Hearing this, Chen Ping's eyes suddenly lit up: "Thunder Palm? It sounds very good. Take me to see it quickly..."

Elder Pei nodded, took Chen Ping upstairs directly, and then walked to a thick ancient book!

This ancient book is covered with dust. It must not have been cleaned for a long time!

"Mr. Chen, the seal of this ancient book is very overbearing. Not to mention picking up the ancient book, even if you get close, you will be injured by the power in it. That's why no one cleans this place!"

"If you want to take a look, just stand and watch from a distance, don't get too close!"

Elder Pei said to Chen Ping!

"Thanks for the reminder, but I think it's better if I take a closer look!"

As Chen Ping spoke, he walked towards the ancient book. As soon as he got close to the ancient book, Chen Ping felt a huge force emanating from the ancient book, and then Chen Ping's body made a gurgling sound, like something was pressing down on me!

Feeling this power, Chen Ping felt that his internal organs were constantly rolling, and his body began to tremble involuntarily!

"There really is something..."

As soon as Chen Ping gritted his teeth, the power of the dragon exploded instantly, resisting this huge force!

Just after the power of the dragon in Chen Ping's body broke out, that power seemed to feel something and disappeared without a trace in an instant!

Chen Ping was stunned for a moment, then reached out and grabbed the ancient book!

Chen Ping's palm shone with golden light and was enveloped by the power of the dragon!

The power of the divine dragon entered the ancient book one after another. Under the impact of the dragon's power, the seals on the ancient book instantly collapsed and disappeared!

Chen Ping directly grabbed the ancient book in his hands and started to read it.

Seeing this scene, Elder Pei immediately opened his eyes wide and looked at Chen Ping in disbelief!

You must know that Demon Emperor Yihe has tried many times before, but there is no way to get the ancient book, let alone read it!

However, Chen Ping didn't notice Elder Pei's shocked expression, he just focused all his attention on the ancient books!

The obscure animal writing began to become simple in Chen Ping's eyes!

But as Chen Ping continued to read more deeply, the expression of surprise on Chen Ping's face became more and more intense!

Chapter: 4396

Chen Ping unconsciously held the ancient book and began to practice slowly with one hand!

I saw Chen Ping gently waving his palm, and in an instant, afterimages appeared, and then the ancient books began to flash with brilliance, and I saw that they poured into Chen Ping's mind, and then these brilliance turned into a figure, and continued to Practicing various palm techniques!

Seeing this, Chen Ping began to flip quickly. As Chen Ping flipped quickly, the figure in his mind moved faster and faster!

In the end, Chen Ping finished reading the thick ancient book in a short time!

Then Chen Ping put the ancient book back, then raised his palms slightly upward, and a soaring aura broke through the roof of the library and disappeared into the sky in an instant!

Rumble.....

In an instant, a thunder exploded, and a huge palm print appeared in the sky, and above this palm print, lightning and thunder could be clearly seen!

The palm prints were pressed lower and lower, and in an instant, the wind was strong, and a thunder suddenly fell from the sky, hitting a hill in an instant, directly splitting the hill into pieces and leveling it to the ground!

Chen Ping's eyes were full of excitement, and as the aura in his body continued to surge, the huge palm print slowly began to become clearer and clearer!

"Mr. Chen....."

Elder Pei, who felt the terrifying aura, quickly shouted at Chen Ping!

Chen Ping's body was shaken and he quickly reacted. He hurriedly controlled his breath, and the huge palm print disappeared!

"What a powerful Thunder Palm..."

Chen Ping looked at his hands and couldn't help but sigh!

Elder Pei looked at Chen Ping in shock and said with disbelief: “Mr. Chen, not only did you open the seal, you also learned the Thunder Palm in such a short time. You are simply a genius among geniuses!”

“This Thunder Palm is unpredictable. Although it only has this one move, it is ever-changing. And I’m just scratching the surface. As my cultivation and understanding of Thunder Palm deepen, the power of this Thunder Palm will definitely become more powerful. big!”

Chen Ping said with excitement!

Elder Pei was shocked. It was just superficial, but the power it unleashed should not be underestimated!

The strange movement just now attracted the attention of Demon Emperor Yihe, so he hurriedly led people to the library!

However, after hearing that it was Chen Ping who opened the ancient book and understood the Thunder Palm, instead of blaming Elder Pei, Demon Emperor Yihe was very happy!

“Mr. Chen learned the Thunder Palm so easily. It seems that this ancient book has been stored for many years and was prepared for Mr. Chen.”

Demon Emperor Yihe said excitedly!

“What I have learned is only superficial, and I still need to understand it deeply. I will no longer be here to accompany you...”

After Chen Ping finished speaking, he hurriedly left and returned to his residence!

Chapter: 4397

Sitting cross-legged, Chen Ping closed his eyes slightly and began to immerse himself in the palm skills of Ben Lei Palm, and began to comprehend it carefully!

“If the ultimate fire in the body is fused with the Thunder Palm, will it increase the power of the Thunder Palm?”

Suddenly, Chen Ping had an idea and started experimenting!

It's just that he tried many times and failed. He couldn't truly fuse Zhihuo and Thunder Palm!

"Perhaps my understanding of Thunder Palm is not deep enough. If I practice Thunder Palm to its peak, maybe I can fuse it!"

Chen Ping thought to himself!

When the time comes, the Thunder Palm and Ultimate Fire merge, and in the sky, the huge palm print wraps up the Demon Race's Ultimate Fire. I can't imagine the scene. At that time, every sky thunder triggered will fall from the sky with fierce flames, which can burn everything into Ashes!

Chen Ping spent three days in the room meditating on the Thunder Palm.

In the past three days, in Chen Ping's sea of consciousness, a figure continued to display various palm print techniques. All the records in the ancient books have been deeply engraved in Chen Ping's sea of consciousness!

In three days, Chen Ping basically mastered the essence of Thunder Palm, but he still needs to consolidate it repeatedly!

"It's really a good palm skill..."

Chen Ping opened his eyes, and there was a flash of light in his eyes!

Chen Ping has basically understood the Thunder Palm. What he needs now is to consolidate his practice and gain practical experience!

"This Thunder Palm has nine levels of realm. I have just reached the first level. I don't know how powerful this Thunder Palm will be when it reaches the ninth level. Can it poke a hole in the sky?"

Chen Ping sighed at the mysterious conception of Thunder Palm!

Dong dong dong.....

Suddenly, a knock on the door interrupted Chen Ping's thoughts!

When Chen Ping opened the door, he found an imperial city guard wearing silver armor!

"Mr. Chen, our Princess Isa invites..."

The guard said respectfully!

"Isa? What does she want from me?"

Chen Ping was a little surprised and didn't understand what Princess Isa was looking for. Normally, with her temper, Isa would definitely come in person and not let the guards come!

"Mr. Chen, I don't know this. I need you to ask Princess Isa yourself!"

The guard said with some embarrassment!

Chapter: 4398

Chen Ping left with the guard without doubting his presence!

But the guards led Chen Ping towards the outside of the imperial city, which made Chen Ping frown!

"Is Princess Isa outside the imperial city?"

Chen Ping asked doubtfully!

“Yes, it seems that Princess Isa said she wanted to give you a surprise, but I don’t know what it is!”

The guard smiled and said!

When Chen Ping heard this, he immediately gave up his doubts and said with a faint smile: “This Princess Isa knows how to cause trouble, what surprise does she want to give me!”

Chen Ping relaxed his vigilance, followed the guards all the way out of the imperial city, and then walked towards the mountain forest not far away!

At this moment, deep in the mountain forest, Li Xing, several of his men, and Hu Ben are hiding here!

“Brother Li Xing, Chen Ping seems to be at a low level, but his strength is not low. I fought with him in the Imperial City. You saw it too. I led people to intercept him, but I was afraid that I couldn’t beat him!”

Huben said with a worried look on his face!

In fact, the reason why Huben said this was because he wanted Li Xing to take action. When Li Xing kills Chen Ping, even if Demon Emperor Yihe pursues the case, it has nothing to do with him. Huben knows Chen Ping’s status in the imperial city!

Li Xing glanced at Hu Ben, smiled slightly and said: “Brother Hu Ben, don’t worry, I will bring someone up later. If I am not Chen Ping’s opponent and you take action, I don’t believe that the two of us can’t beat him!”

“Besides, you also have a magic weapon in your hand that specifically restrains humans. What are you afraid of!”

After hearing this, Huben nodded and said: “Okay, you come forward first. If you kill that Chen Ping, I won’t come forward. Otherwise, if the news spreads, it will take the two of us to kill that Chen Ping. It’s too embarrassing.” Already...”

Li Xing looked at Huben's appearance, smiled and said nothing. He knew what Huben was thinking, but he didn't expose him. After all, he still wanted to use Huben now!

Chen Ping followed the guard and walked forward, and soon entered the dense mountain forest, but the guard had no intention of stopping yet!

Chen Ping frowned, and his consciousness spread instantly, and the huge consciousness instantly enveloped an area of several miles in radius!

Li Xing and Huben, who were originally hiding, planned to launch a sneak attack on Chen Ping. When they were instantly enveloped by Chen Ping's huge consciousness, they knew they were exposed!

After Chen Ping emitted his spiritual consciousness, he immediately noticed that there were people hiding around him. His face instantly turned cold and he said, "You are so brave, you dare to lie to me?"

When the guard saw that Chen Ping had been deceived, he tried to run away, but Chen Ping slapped him with his palm, sending the guard flying out in an instant!

The guard spurted out a mouthful of blood and fell to the ground dead instantly!

"Come out, why did you trick me here so sneakily?"

Chen Ping looked deep into the forest and said!

Chapter: 4399

"I didn't expect you, this guy, to be deceived. It seems that Isa is very important to you!"

Li Xing led the people out of the hiding place, but the tiger tiger did not show up!

"Oh it's you."

Chen Ping frowned slightly, and a cold light flashed in his eyes!

Being able to send guards to trick him into coming, Chen Ping thought it would be the tiger, but the one he didn't expect to show up turned out to be Li Xing!

Chen Ping didn't understand why the imperial city guards listened to Li Xing's orders!

"Boy, we meet again. In the Demon Emperor City, Isa is protecting you, so I can't do anything to you, but when we get here, no one will care about you!"

Li Xing said with a proud face!

Chen Ping glanced at Li Xing and the men he had brought with him, and couldn't help but sneered: "Call everyone out, you guys are no match for me at all!"

Li Xing was stunned for a moment, then laughed and said: "Hahaha, you are so damn arrogant. You are just a newly promoted monk in the Fusion Realm. You dare to say such things. I can kill you without anyone else." I was beaten until I cried for my father and my mother!"

"If you kneel down and apologize to me now, promise not to approach Isa again, and get out of Demon Imperial City from now on, I can consider sparing your life!"

"Really? Then let me tell you, if you kneel down and apologize to me now, and get out of Demon Imperial City, I can consider not arguing with you about deceiving me." Chen Ping said with a cold smile!

"Damn, it seems you are really looking for death..."

Li Xing frowned, then waved his hand and said: "Come on, catch him..."

Six of Li Xing's men rushed towards Chen Ping in an instant. These people were all specially selected guards who followed Li Xing to Demon Emperor City!

Each of them has reached the level of the Fusion Realm, and two have even reached the second level of the Fusion Realm!

With six Fusion Realm monks dealing with Chen Ping, a newly promoted Fusion Realm, Li Xing thought there would be no problem!

“You’d better do it yourself, don’t let your men die in vain...”

Chen Ping said to Li Xing!

“Don’t be crazy, defeat my subordinate first!” Li Xing sneered!

But just after Li Xing finished speaking, the smile was still on his face, but he found that Chen Ping had a sword in his hand, and then the sword light flashed!

His six Fusion Realm subordinates all stopped instantly, and then fell to the ground with a plop!

There was a blood mark on everyone’s neck, and blood kept gushing out!

Seeing this scene, Li Xing’s smile froze on his face.

Chapter: 4400

“you you.....”

Li Xing looked at Chen Ping in disbelief. Even if Chen Ping’s strength was much higher than his level, facing six Fusion Realm monks, it was impossible to kill him with one blow!

Li Xing himself would never be able to do it!

“Can we call the others out now?”

Chen Ping looked at Li Xing coldly and asked.

“Let me test your strength first...”

After Li Xing finished speaking, he roared instantly!

This roar resounded throughout the entire mountain forest!

I saw Li Xing rushing toward Chen Ping very quickly, and at the same time, blood bloomed from the center of Li Xing’s eyebrows, and fighting spirit surged!

Chen Pingping was not careless when facing Li Xing’s attack, because he knew that as the prince of Mingli City, Li Xing must have a hidden secret!

Chen Ping held the Dragon-Slaying Sword in his hand, and the indestructible golden body on his body instantly activated. As he raised the Dragon-Slaying Sword high, the spiritual energy from the surrounding world swarmed in!

Li Xing looked at the dragon-slaying sword in Chen Ping’s hand, and frowned slightly. In the blood between his eyebrows, a huge battle ax appeared instantly and was held by Li Xing!

“Creation of the world.....”

Li Xing struck Chen Ping with an axe.

This ax struck with the force of thunder, and the entire mountain forest resounded with a rumbling sound, and the surrounding trees were uprooted one after another!

Chen Ping raised the Dragon-Slaying Sword above his head and directly blocked Li Xing’s blow!

boom.....

With an explosion, the dragon-slaying sword and Li Xing's giant ax collided!

Chen Ping dwarfed and then stood up, while Li Xing was instantly blown away by the huge force of the shock, flying directly for more than ten meters before he stabilized his body!

"It is indeed a good sword. This is my sky-opening axe. After this blow, the sword in your hand is still intact!"

Li Xing looked at the Dragon-Slaying Sword in Chen Ping's hand, and couldn't help but feel a little greedy in his eyes!

"Opening Sky Axe? It's a very resounding name, but you won't have Sky Opening Ax again in the future."

After Chen Ping finished speaking, he activated the power of the dragon this time, and saw the dragon-slaying sword shining with light, accompanied by waves of dragon roars!

"cut....."
